

## The ultimate husband in Chinese chapter 3471-3480

### Chapter 3471

Lolita frowned, unable to hide her shame and anger, when she thought of the situation at the beach just now, her heart couldn't stop shaking.

I thought Maddie had gotten better, but I didn't expect that his bad habits would be hard to change. Taking advantage of the night, when there was no one on the beach, he actually wanted to tell himself... With

that, Lolita walked quickly into the manor.

Laura looked suspicious and followed closely.

.....

the other side.

Maddie was on the beach by the sea, grinning and getting up.

Hiss... As

soon as he stood up, the pain swept through his body, Maddie couldn't help but gasped, his eyes spitting fire, and there was an unspeakable resentment in his heart.

Mad, thought that he could get Lolita smoothly tonight, but he never expected that a group of people suddenly appeared, taught himself a lesson, and then took Lolita away.

The more Maddie thought about it, the more angry he became, so he immediately returned to Pearl City and summoned family guards. Inexplicably was beaten, and it must not be like that.

Ten minutes later, Maddie sent someone to look for Lolita's whereabouts. At the same time, Maddie personally brought more than 100 guards to search the entire Pearl City.

After successfully joining the Temple of Light, Maddie became more unscrupulous in the entire Pearl City.

Soon, Maddie found out that Lolita was sent home, and the group of people who taught him were the mountain bandits of Giant Bear Mountain.

When he heard the news, McGrady was rampaging on the street with his guards. At that time, McGrady was shocked and the whole person was stunned.

This chapter is provided by . Visit for daily update.

Mountain bandits of Giant Bear Mountain?

Ou Shan's group has been entrenched in the Giant Bear Mountain generation for several years. They are very strong. Once the Pearl City sent people to encircle and suppress them, but they came back without success. Of course Maddie knew.

However, why did the people from Okuyama want to help Lolita?

Maddie couldn't figure it out, so he simply didn't want to. No matter how strong Okuyama's group was, if they dared to offend him, they would never let them go.

Okuyama's group must be caught, and now the more important thing is to force Lolita to marry him.

Thinking of this, Maddie was going to take someone to the Dumen family.

"Master, look at that person..."

However, at this moment, a guard beside him suddenly pointed to the distance and shouted.

"Made!" Maddie was irritable, and couldn't help scolding: "What are you screaming at?" After saying that, Maddie looked over.

Seeing this, Maddie was stunned.

At the intersection not far away, a middle-aged man was walking cautiously. He was about forty years old, with sharp-mouthed monkey cheeks and a treacherous look on his face.

It was Lolita's second uncle, Dullen.

The old man Du Men has two sons. The eldest is Lolita's father, but it is a pity that he died young, and Du Leng is the second child. However, this Du Leng is inexperienced. Five years ago, Du Leng offended the city lord Seth. He escaped from Pearl City and his whereabouts are unknown.

There was a lot of commotion in Pearl City back then. Of course Maddie knew about this, but he never expected that today, five years later, this Du Leng is back.

Seeing Du Leng at this time, Maddie's eyes flickered, and he suddenly had new attention in his heart.

The next second, Maddie walked over with a guard.

When they got to the front, Maddie laughed and shouted: “Oh, isn’t this Uncle Du Leng?”

Huh!

Du Leng was taken aback when his name was suddenly called, and when he saw it was Maddie, he immediately smiled: “Master Maddie, I haven’t seen him for a few years, and he has become more and more handsome.

He’s so handsome.” When he said this, Du Lengyi The flattering of the face.

Five years ago, Du Leng hooked up with the woman of the city lord Seth, but was discovered by Seth. Du Leng fled in a hurry and started a nomadic life outside. Knowing that recently, Du Leng learned that Seth was killed, so he quietly came back. .

Du Leng is a snobby person, and seeing Maddie at this time, he naturally pleases him in every possible way. After all, the family behind Maddie has had a strong position in Pearl City in recent years.

Chapter 3472

Du Leng’s attitude made Maddie very useful.

The next second, Maddie said lightly, “Since you’re back, you’re not going back to your family, why are you walking on the street so late?”

Alas!

Hearing this, Du Leng sighed and smiled bitterly: “Lolita is the heir of the family now, how can I go back? You know, Lolita has always had opinions on me.”

Du Leng said it well, Because of her lack of knowledge and skills, Lolita has been very resistant to this uncle since she was a child. At this time, the Dumen family is all under the control of Lolita. How could it be possible to accept Du Leng, who has a bad reputation?

Maddie chuckled, with a deep expression on his face: “Du Leng, do you want to be the helm of the family?”

Huh?

Du Leng’s heart trembled and nodded without thinking: “Yes, of course I did.”

Maddie showed a smile and said lightly: “Okay, as long as you obey my arrangement, I will help you to be called the new patriarch of the Dumen family. “

Of course there is no problem. As long as Mr. Maddie is willing to help me, I will definitely be grateful." Du Leng was so excited that his tone trembled.

Haha...

Hearing this, Maddie nodded with satisfaction, and his heart was extremely happy.

Lolita, with your second uncle helping me, you will never be able to escape from my palm in this life.

Maddie thought about it, to help Du Leng take the position of the patriarch of the Dumen family. You must know that if Lolita is still the head of the Dumen family, if Maddie forcibly occupies it, the impact will be very bad.

But once Lolita is no longer the head of the Dumen family, everything will be easier.

.....

On the other side, the Dumen family.

In the hall, Lolita sat there with no expression on her delicate face, and a bit of shame and anger in her eyes.

Laona stood beside her, also looking angry and shocked.

"It's abominable!"

Finally, Laona couldn't help but said, "This young master Maddie, how can you do this?" Just now, Lolita told Laona about her previous experience.

Although Lorna was a bit mean, she had grown up watching Lolita since she was a child, so in Lolita's heart, she regarded her as half a relative. Grandpa was gone, and she had to tell Lorna what she had in her heart.

Hearing Laura's words, Lolita was also very upset.

At this time, Laona thought of something and continued: "By the way, the lady just said that the group of people who rescued you was sent by Yue Feng?"

Hmm!

Lolita nodded, bit her lip lightly and said, "Laona, tell me, did I misunderstand Yue Feng, grandpa was not killed by him, he was really framed?"

Hearing this, Lao Na was stunned for a moment, then shook her head and said, "Miss, what do you think? At the funeral of the old man, Yue Feng was the murderer, and the evidence is conclusive."

After speaking, Laona analyzed: "I think this Yue Feng is going to send People must have ulterior motives to protect you secretly. You must know that the one named Ao Shan is the leader of the mountain bandit in Giant Bear Mountain, and Yue Feng is his boss, so can he be a good person?"

Launa is a gossip, and the people in Pearl City This rumor is very clear, of course I know Okuyama.

In Launa's heart, she has always looked down on Yue Feng, knowing the situation at this time, she will not help Yue Feng speak.

This...

Hearing Laura's analysis, Lolita took a deep breath and frowned, feeling even more upset.

Whoa!

At this moment, suddenly there was a commotion outside, very noisy.

Launa shouted to the outside, "What's the matter? What's going on outside? I don't know if Miss is in a bad mood today?"

However, before he went out, he saw a servant running in in a panic: "Miss, Miss, it's not good, Master Maddie brought a lot of people to break in."

What?

Lolita's body trembled, embarrassed and angry.

Chapter 3473

This Maddie is too much. If he doesn't marry him, he will bring people to make trouble?

Thinking to herself, Lolita hurried out, and Laura followed closely.

hiss!

When they got outside, Lolita couldn't help taking a deep breath when she saw the scene in front of her.

I saw that there were more than a hundred guards gathered in the open space outside the hall, each holding a big sword, aggressive, and in front of these guards, Maddie looked leisurely.

And the members of the Dumen family, standing in the distance one by one, did not dare to approach.

Since the death of the old man Du Men, the influence of the Du Men family in Pearl City has been declining day by day, and naturally it cannot compete with the Mai Wei family.

“Maddy!”

Finally, Lolita reacted, took a step forward, and shouted at Maddie: “You brought so many people to my family, what do you want to do?”

Maddie smiled and said word by word, “What? You colluded with the mountain bandits of Giant Bear Mountain, raided me at the seaside, and then asked me what I was doing?”

“Lolita, I like you so much, but you come with me.”

“The city owner of Seth is dead, and the whole pearl is dead. The city is ruled by the goddess of light, and I work under the goddess, and I will never tolerate bandits running rampant in Pearl City, Lolita, no matter how much I like you, I can’t condone your collusion with bandits.”

When he said this, Maddie Righteous words on his face, but insidiousness flashes in his eyes.

Maddie knew that if Lolita spoke out about what happened tonight, it would definitely damage her reputation, so she decided to sue the wicked first.

What?

At this moment, the surrounding Dumen family members were in an uproar.

“Miss colluded with bandits?”

“Is this...really fake?”

“Is there such a thing?”

Listening to the discussions around, Lolita’s delicate body trembled.

The next second, Lolita shouted at Maddie: “Mady, stop talking nonsense, you know the truth better than anyone else.”

At this time, Lolita wanted to tell the truth about the seaside, but if she said When you come out, your innocence will be destroyed.

But in any case, McGrady can't be turned upside down.

"Haha!"

Facing Lolita's scolding, Maddie didn't panic at all, and chuckled lightly: "I'm talking nonsense? The bandits from Giant Bear Mountain sent you back to their family, and many people saw it."

"You said that you and They didn't collude, so why did they send you back?"

Shua!

At this moment, the eyes of the audience suddenly converged on Lolita.

"I..." Lolita blushed, not knowing how to respond.

At this time, Lolita wanted to say that the people from Okushan were sent by Yue Feng, but on second thought, if Yue Feng was involved, the explanation would be even more unclear. After all, Yue Feng was previously recognized as the real murderer who killed his grandfather.

Seeing that Lolita was speechless, Maddie was even more proud: "Lolita, I believe you were confused for a while and walked with the bandits, but then again, you can't continue doing this. Be the head of the Dumen family." The

voice fell, and everyone in the surrounding Dumen family was also discussing.

"I didn't expect that the young lady would collude with the bandits."

"Oh, it's really our family's misfortune..."

"Master Maddie is right, how can you be qualified to manage the family with the behavior of the young lady?"

None of the Dumen family present at this time doubted Maddie's words. A group sent Lolita back, and many people saw it.

Facing the situation in front of her, Lolita trembled and almost fainted.

This Maddie, actually forced himself to give up the family inheritance? It's so sinister, so despicable.

Chapter 3474

“Maddy!”

Under the anger, Lolita stared at Maddie tightly, and shouted: “I don’t care what your purpose is, this is the Dumen family, whether I am qualified to be the heir, it’s not your turn.”

“Also, after my grandfather’s death, I am the only heir. This is also my grandfather’s last wish. If I don’t become the heir, who else can I be?”

When he said this, Lolita’s beautiful face was full of determination.

For a while, the whole place was silent.

Many members of the Dumen family nodded subconsciously.

Yes, it is the old man’s decision that the young lady is in charge of the family. If she does not inherit, who else is qualified?

“Me!”

Just as everyone was muttering secretly, suddenly, a low voice sounded, and then, a man came out of the crowd.

With a sinister face and a bit of treacherousness, it was Du Leng.

Whoa!

At this moment, the entire Dumen family suddenly exploded.

“Second Young Master?”

“Second Young Master is back?”

“This...”

Five years ago, after Du Leng escaped from Pearl City, his whereabouts are unknown. Everyone thought that he died outside, but they never thought of it. , he actually came back.

Lolita also trembled, and her delicate face was full of astonishment.

But soon, Lolita calmed down.

No wonder Maddie was so confident that he wanted to force himself to give up the position of heir. It turned out that he brought his second uncle.

“Du Leng!”

Finally, Lolita reacted, unable to hide the disgust in her heart, and said to Du Leng: “You still have the face to come back?” When Du Leng hooked up with the city lord’s woman, he lost all the face of the family, and still it almost affected the family. From then on, Lolita no longer tolerated this second uncle. Du Leng smiled slyly

, took two steps forward, and retorted: “Lolita, when you were young, you were ignorant and didn’t respect me. I don’t care about you. Now that you’re so old, you’re still so rude?”

After a circle, he continued: “I did make mistakes back then, but I also received the punishment I deserved. Besides, you can collude with the bandits, and I, because of the woman, can’t go back to the family?”

“You “ ...”

Hearing this, Lolita’s heart was heaving, she was angry, but she had nothing to refute.

“Everyone!”

At this time, under Maddie’s secret signal, Du Men shouted at the surrounding: “The so-called orderly order, after the death of the old man, the person who is most qualified to manage the family is me, and from now on, I will be Du Men. The new patriarch of the family, does anyone have an opinion?” As he

spoke, Du Men looked at Maddie in a pleasing manner, feeling indescribably excited.

Haha...

This Maddie’s plan is really wonderful, using Lolita’s collusion with the bandits as an excuse to let him return to the family smoothly. If it weren’t for Maddie, I really don’t know what to do.

Phew...

At this moment, the surrounding Dumen family looked at each other, looking at Du Leng, showing complexity.

Although it was a mistake for the young lady to collude with the bandits, she has managed a family business recently, and she has a good look. And this Du Leng is ignorant and ignorant. Can the family be handed over to him?

“Du Leng!”

At this moment, Laona next to him couldn't help it, pointed at Du Leng and shouted: "Miss takes over the family, it's the old man's decision, why do you want to take it away?"

Although Laona is mean, she is wholeheartedly devoted to Luo Li. Ta, seeing that Du Leng was going to be unfavorable to Lolita at this time, he couldn't help it.

Snapped!

Du Leng's face sank, without any nonsense, he rushed over and slapped Launa in the face.

"A servant who dares to yell at me, courting death!" Du Leng said coldly, raised his hand again, and slapped Launa's face one after the other.

Laura was beaten and wanted to struggle, but was stubbornly held up by Maddie's guards.

"Du Leng, don't go too far, stop, stop." Lolita was furious and wanted to rush over, but was stopped by Maddie's guard.

clap clap clap!

Chapter 3475 The

crisp slap in the face kept ringing, and everyone in the Dumen family around was shocked.

I don't know how many slaps I slapped, and I saw that Launa's mouth was swollen and she couldn't speak at all.

At this moment, Du Leng looked around and said coldly: "Who else has an opinion?"  
The

voice fell, and everyone around looked at each other and responded.

"Your Excellency the Patriarch!"

"I have seen the new Patriarch!"

At this moment, all the members of the Du Men family present acknowledged the fact of the Du Leng Patriarch.

Seriously, many people know that Du Leng has no ability to be the patriarch, but there is no way, he has Maddie's backing, who dares to stand out.

Phew...

Seeing this scene, Lolita was very desperate.

She never thought that at this critical moment, no one except Laura would help her. These are their own clansmen.

“Haha...”

At this moment, Maddie came over and sneered at Du Leng: “Congratulations, I believe that the Dumen family, under your leadership of Uncle Du Leng, will definitely be able to carry forward.”

“Master Maddie is polite!” With a humble look on Du Leng’s face, he quickly said: “Without your help, how could I sit on the patriarch?”

Maddie looked at it, and then smiled and said: “Second Uncle Du Leng, our two families have always been friends, I think Marry Lolita, I believe you will not object.”

Maddie smiled evilly when he said this.

The purpose of helping Du Leng to be the patriarch is to make it easier to get Lolita. Now the plan is half successful, can you be unhappy?

Du Leng is a smart person, he immediately laughed and said, “It’s a good thing for our two families to kiss each other. How could I refuse?” “Lolita, Master Maddie doesn’t care about your colluding with bandits, and he wants to marry you as his wife. This is a blessing you have cultivated in your lifetime, and it is also an honor for our family, so I agree to this marriage.”

“No. ..”

At this moment, Lolita’s delicate body trembled, and her beautiful face was full of rejection: “I won’t marry him, and I won’t marry him if I die.”

At this time, Lolita finally understood that what Maddie did All of this is for himself, this man is so insidious and despicable, he must not be allowed to do so.

“Shut up!”

Du Leng’s face sank, and he reprimanded in the tone of an elder: “I am your second uncle, or the patriarch. I have the right to decide the happiness of your life. You have to agree if you don’t agree!”

Du Men waved his hand. : “Someone, lock up the young lady and take care of her strictly!”

“Yes!” Several servants came over and forcibly dragged Lolita away.

At this time, Lolita was extremely desperate, and the tears kept coming.

Why did I suffer so badly? My grandfather was gone, I didn't protect my family well, and I was bullied by Maddie in the end...

“Master Maddie!”

Seeing Lolita being taken down, Du Leng showed a smile and flattered Maddie. Said: “What to do with the wedding, you decide.”

Well!

At this time, Maddie was in a good mood, nodded and said: “Wait until the end of the Holy Light Ceremony, I will hold a wedding with Lolita.”

“Haha, then do as Master Maddie said.”

...

Right now, on the other side.

King City of the Golden Lion, in Xibo's manor.

In the basement, after some cloud and rain, the medicinal power in An Qi's body finally dissipated, and she fell to the side and fell asleep.

Yue Feng sat beside him with a sad face.

Having just enjoyed An Qi's tenderness, Yue Feng was not at all happy, but extremely anxious and uneasy.

How to do?

An Qi is the Queen's younger sister, but she is possessed by her. If the Queen knows, she will not forgive her lightly.

## **The ultimate husband in Chinese chapter 3476-3480**

Chapter 3476

Call!

Just when Yue Feng was in a panic, he saw An Qiyu wake up.

At this time, An Qi still had a trace of blush on her delicate face, but looking at Yue Feng's eyes, there was a bit of anger, shyness, and deep complexity.

To be honest, during this period of contact, An Qi admired Yue Feng very much.

This Fengtao, not only knows a lot of interesting things, but also speaks animal language. A few days ago, he slipped out of the palace and encountered a giant dragon. It was Fengtao who saved his life. In the golden lion competition, it saved face for the principality of the golden lion.

But An Qi never thought that she would have a cloud and rain with Fengtao...

"Your Highness An Qi..."

Seeing An Qi's expression, Yue Feng was even more panicked and couldn't help saying: "That... What happened just now...I..." Under the anxiety in his heart, Yue Feng's words trembled.

At the same time, Yue Feng's eyes couldn't help but look at An Qi in front of him.

I have to say, this An Qi is really beautiful, her figure and appearance are simply perfect, especially when she thinks of the situation just now, Yue Feng is even more emotional and can't calm down for a long time.

Feeling Yue Feng's gaze, An Qi's face turned red all of a sudden, and then she said coquettishly, "Fengtao, you...you close your eyes for me."

When she said this, An Qi couldn't express the shame and anger in her heart. .

She is the queen's younger sister, her status is respected, she is pure and clean, but just now, she was occupied by Feng Tao, what should I do in the future?

"Okay, okay..." Yue Feng reacted and quickly closed his eyes.

At this time, Yue Feng felt a sigh of relief in his heart. Fortunately, this An Qi did not make crazy moves.

This chapter is provided by . Visit for daily update.

An Qi didn't speak, just put on her clothes silently.

Listening to the rustling of dressing, Yue Feng did not open his eyes, but stood beside him and closed his eyes tightly.

For a time, the atmosphere in the basement was a little depressing, and at the same time there was some subtlety.

“Fengtao!”

Finally, An Qi finished her makeup, her eyes fell on Yue Feng, she bit her lip and said, “Let’s just pretend it didn’t happen today, if you let me know, you go out and talk nonsense, I can’t spare you.”

As the Queen’s younger sister, she has an improper relationship with the guards, if this matter spreads, not only will her innocence be damaged, but her sister’s throne will also be affected.

Seriously, An Qi really wanted to kill Yue Feng, but she knew that she was Yue Feng’s opponent? Even calling the guards outside would be of no avail.

More importantly, he also saved his own life.

Feeling the complexity of An Qi, Yue Feng nodded seriously: “Your Highness An Qi, don’t worry, I will never say this.”

Phew!

Hearing this, An Qi nodded, said nothing, and left the basement.

After An Qi left, Yue Feng quickly counted the precious herbs in the basement, and picked some of them for emergencies, and let the guards outside transport them all to the palace.

Back at the resting place of the palace, Yue Feng took out the thousand-changing exquisite box again.

Nima!

However, what made Yue Feng depressed was that no matter how hard he tried, he still couldn’t open it.

Looking at the situation, this thing really only the queen can open.

Thinking to himself, Yue Feng gave up temporarily and decided to make plans after arriving at Pearl City.

After tossing for most of the night, Yue Feng was very tired and quickly fell asleep.

Maybe the next day, I will go to Pearl City, and I can see Yanhong and Miaoying. Yue Feng slept very sweetly.

Early the next morning, Yue Feng was summoned by the Queen.

## Chapter 3477

Soon, when I arrived at the Queen's palace, I saw that the Queen was wearing a gorgeous robe, showing her beauty and sexiness, and her whole body was filled with a noble and majestic temperament.

However, at this time, Yue Feng was confused.

I don't know if An Qi told the Queen about what happened yesterday.

"Fengtao!"

Seeing Yue Feng coming in, the Queen showed a smile, and couldn't hide the praise in her eyes: "I heard that you raided Xibo's house yesterday, and it went very well, not bad."

"Thank you for the praise from the Queen." Yue Feng quickly responded. : "Your Majesty's account, the subordinates should only do their best." When

he said this, Yue Feng secretly exhaled, fortunately, looking at the situation, the relationship between himself and An Qi, the Queen still does not know.

Hearing this, the Queen was very happy, nodded and said, "It is a great honor for me, the Principality of the Golden Lion, to have a loyal person like you, Feng Tao, I will give you an appointment after attending the Hall of Holy Light.

" The queen at that time completely regarded Yue Feng as a confidant.

"Thank you, Your Majesty." Yue Feng saluted and looked very grateful, but his heart was extremely calm.

If nothing else, this time I went to see Yanhong in Pearl City, I'm afraid I won't come back again.

However, Yue Feng naturally wouldn't tell the Queen these words.

"That's right!"

At this time, the queen thought of something, and her delicate face showed a bit of worry: "You were working in the Principality of Sunrise before, and I heard that you were named an earl by the king of the Principality of Sunrise, and now, you are our gold People from the Principality of Lions, this time I went to Pearl City to participate in the Hall of Holy Light, and it is inevitable that I will meet people from the Principality of Sunrise..."

After speaking , the queen pondered: "In order to avoid some trouble, you should stay in the royal city."

When she said this, the queen looked serious.

What?

Hearing this, Yue Feng's heart was shocked, and he was stunned. Finally got the news of Miao Ying and Yan Hong, and the second half of the Holy Book of Jade Book was also in his hands.

After arriving in Pearl City and obtaining the second half of the sacred book, you can leave this different world. Under such circumstances, how could it be possible to stay in the Golden Lion Principality?

Thinking of this, Yue Feng hurriedly said: "Actually, Your Majesty, don't worry, I will dress up a little later, and people from other principalities will not recognize me."

After speaking, Yue Feng said sincerely: "Your Majesty leave the royal city and go to On the way to Pearl City, there are bound to be many crises lurking along the way, Your Majesty's safety is the most important thing, how can I stay here?" The

words were so emotional, it was impossible to refute.

The queen also nodded approvingly: "It's rare that you have such a heart, then all right, just do as you say."

Phew!

Seeing the Queen's promise, Yue Feng secretly sighed, it was so dangerous, he almost couldn't leave.

A few minutes later, Yue Feng dressed himself up a little, made his skin darker, and glued on his beard. In an instant, he was completely different from before. Not only that, but his temperament changed.

These makeup skills, Yue Feng learned from Meihui. When Mei Hui joined Thousand Faces, she was best at makeup.

The queen was very surprised to see it, and at the same time admired Yue Feng even more.

Ten minutes later, Yue Feng led several thousand elites, escorted the queen, and left the king city mightily, heading towards Pearl City.

....

On the other side, Pearl City, Dumen Family Manor.

In a room at the back of the garden, Lolita sat in it, sad and her eyes were red.

I saw that the door was locked outside, not only that, but also several servants guarding it.

Last night, after Du Leng took the patriarch's position, he locked Lolita here.

Chapter 3478

At this time, Lolita is heartbroken.

Losing control of the family, no freedom, and what makes Lolita even more unbearable is that in a few days, she will be forced to marry that bastard Maddie.

How could this be?

What the hell did I do wrong, God want to punish me like this?

The more Lolita thought about it, the more desperate she became.

At the same time of despair, the figure of Yue Feng appeared in Lolita's mind.

If Yue Feng was there, he would definitely help him.

Thinking of this, Lolita shook her head again.

Feng Tao killed grandpa, what do you want him to do?

"Hehe..."

At this moment, there was a playful laughter outside the door, and then, Maddie appeared on the windowsill, his face full of pride.

"What are you doing here? Get out, get out."

Seeing Maddie, Lolita's body trembled, and she couldn't help drinking, her eyes full of hatred and disgust.

It's all this bastard who hurts himself like this.

"Tsk tsk!"

Feeling Lolita's anger, Maddie didn't panic at all, and said with a smile: "It's all like this, and it's still so fierce, Lolita, let's face it, when the Hall of Holy Light is over, I'm going to hold a wedding. , Fengfengguanguang married you in the door."

Lolita blushed with anger: "Maddy, stop daydreaming, and I won't marry you even if I die."

Hearing this, Maddie showed a smile and joked: "Would you like it or not, it's not up to you, by the way, I came to visit you today to tell you something, your second uncle has agreed, Transfer some of your Dumen family's properties to my name."

When he said this, Maddie's eyes were full of cunning smiles.

Maddie knew that Lolita looked fragile, but her character was very strong. To deal with this kind of woman, his will must be hit hard, and only in this way could she be forced to surrender completely.

What?

Hearing this, Lolita's body was shocked, and she only felt her brain buzzing, and her heart was filled with indescribable anger.

This Du Leng really didn't raise the bar at all. He just became the patriarch and gave up the family business.

But Lolita knew that Maddie was the mastermind behind all this.

"You..."

Finally, Lolita reacted, her delicate face was full of resentment, and she said coldly to Maddie: "You will not succeed, as long as I live for one day, I will never let you invade our family. The industry."

"Haha..." Maddie laughed and couldn't tell how proud he was: "Everything is under my control, Lolita, just wait to be my woman, haha... ." The

voice fell, and Maddie strode away.

"Maddy, you bastard..." Lolita couldn't help yelling, but Maddie had gone far.

.....

At the same time that Yanhong built the temple in Pearl City, she also built a luxurious manor behind the temple.

This manor is a place for Yanhong and the temple staff to rest.

At this time, in a side hall of the manor, the Golden Lion and ten other Paladins stood there one by one, looking anxious.

A few days ago, Yanhong gave half of the antidote to continue to control the Twelve Paladins. This matter made Jin Shi and the others both annoyed and aggrieved.

In the past two days, the Twelve Holy Knights were sent by Yanhong to spread the word to the major principalities. Now, the golden lion and others have all returned, but Tianma is not seen.

Pearl City is only half a day away from the King City of the Golden Lion. And Tianma went for a day and never came back.

Did something happen to Tianma?

Thinking of this, Jin Shi and others couldn't express their worries. The Holy Knights of the Temple of Light, the Golden Lion and the Twelve Pegasus, are deeply brothers and can be said to live and die together.

Whoosh!

Chapter 3479

Just when Jin Shi and others were anxious, they saw a figure and walked in quickly. It was Tianma.

"Tianma!"

"You're finally back..."

"Why is it taking so long?"

At this moment, Jin Shi and the others were all relieved, and gathered around at the same time, asking in unison.

call!

Tianma took a deep breath and showed a smile: "You guys are ready, I have good news."

After speaking, Tianma glanced outside vigilantly, and said in a low voice, "I found the Holy Venerable, and the Holy Venerable specializes in It has refined a highly poisonous antidote for us."

Wow!

Hearing this, the Golden Lions were stunned for a moment, and then they were overjoyed.

At this time, Tianma said with a smile: "It turns out that the Holy Venerable is in the Principality of the Golden Lion, and he is also a celebrity by the Queen's side..." In the next few minutes, Tianma explained the situation of seeing Yue Feng in detail. .

After talking about the situation, Tianma took out the antidote.

At this moment, Jin Shi and others were inexplicably excited, and they picked up the antidote and swallowed it without thinking.

Buzzing....

After a few minutes, the poison in the bodies of the golden lion and others was completely eliminated, and their strengths returned to their peak state.

"The antidote of Your Excellency Holy Venerable is really amazing."

"As expected of the Holy Venerable."

"That's great, we have all regained our strength."

For a time, Jin Shi and others were in a very happy mood, and at the same time they admired Yue Feng even more.

At this time, the golden lion asked Tianma: "Tianma, why didn't the Holy Venerable come back with you? Also, did he explain anything?"

Shuh!

The voice fell, and the eyes of the other Paladins were also staring at Pegasus.

Tianma smiled slightly and was about to speak, but was interrupted by the sound of footsteps outside.

"The Twelve Paladins."

I heard a cold and crisp figure, and then I saw a slender figure walking into the side hall, sexy and charming, filled with a powerful aura.

It is Yanhong.

Seeing Yanhong appear, Jin Shi, Tianma and the others were all shocked.

Oops, did she know about Tianma finding the Holy Venerable?

The next second, Jin Shi and the others looked at each other and understood each other, and quickly pretended that the poison in their bodies had not been resolved, and looked weak.

At this time, Yanhong walked into the side hall, looked around, and finally landed on Tianma: "Have you heard the word? Tianma, why did you come back so late?"

Tianma was shocked, and quickly said: "Report to Your Highness the Goddess. , I encountered some situations on the way, so I was a little late, but the word has already reached the Golden Lion Principality, and the queen agreed to come."

When he said this, Tianma's face was calm, but he was a little uneasy in his heart.

Um!

Hearing this, Yan Hong nodded with satisfaction: "You have done a good job, but there are still things that you need to do."

Saying that, Yan Hong's face became cold: "Tomorrow, after the Holy Light Ceremony begins, I want you to control the guards of the major duchies as soon as possible, and you must ensure that the rulers of the major principalities are under my control, understand? "

What?

At this moment, Golden Lion, Tianma and the others were all shocked.

What is this woman going to do? Is this preparation to eradicate the royal families of the major principalities in one fell swoop?

If this is the case, the reputation of the Temple of Light for thousands of years will be ruined by her. You must know that the Temple of Light has always been committed to maintaining fairness and justice in the world, and has never thought of ruling the Roland Continent.

Chapter 3480

At this moment, whether it is Tianma or Jinshi and others, there is incomparable resistance in their hearts.

"What?"

Seeing that they were silent and their faces changed, Yan Hong was very unhappy: "Is there any problem with you?" The

voice was not loud, but the aura that filled her body was overwhelming.

In Yanhong's heart, although the twelve holy knights in front of her were powerful, they were all poisoned and under her own control. If they dared to go against their will, they would be courting death.

At this time, Yanhong still didn't know that Tianma, Jinshi and the others had already cleared the poison in their bodies.

"Your Highness Goddess!"

Finally, Tianma took the lead in reacting, with a smiling face: "We will definitely not disappoint you." To be

honest, Tianma at this time really wanted to fight with Yanhong, but thinking of Yue Feng's explanation, he was still hold back.

Um!

Hearing this, Yan Hong nodded and turned to leave.

"Tianma!"

As soon as his forefoot left, Jin Shi couldn't hide his inner anger, and said to Tianma, "Why do you agree to her? We have regained our strength, and we are not afraid of her at all, why should we suffer? She's at her mercy?" The

voice fell, and the other Paladins frowned at Pegasus, very puzzled.

call!

Tianma took a deep breath and said slowly, "Don't be impulsive. When I left the Principality of the Golden Lion, the Holy Venerable told me that we must not act rashly before he came. I think the Holy Venerable must have thought of a way to deal with it. This woman."

Hearing this, Jin Shi and the others instantly calmed down.

....

On the other side, Yue Feng and the Queen, as well as several thousand elites, finally arrived at Pearl City after several hours of rushing.

call!

At this moment, the moment he stepped into Pearl City, Yue Feng looked at the familiar street, and felt indescribable emotion. A month ago, he was framed and left Pearl City reluctantly, but he didn't expect to come back so soon.

Yanhong divided an area in Pearl City to rest for the royal family of the six great dukes, and the Golden Lion Principality was the first to arrive, so it was arranged to rest first.

When he got to the resting place, Yue Feng couldn't sleep.

At this time, before dawn, Yue Feng changed into casual clothes, and took advantage of the night to quickly rush towards the Dumen family.

I haven't seen you for a month, and I don't know what happened to Lolita.

To be honest, when Lolita misunderstood Yue Feng, it made Yue Feng very depressed, but he still cared about Lolita, not only because the two held a wedding, but more importantly, Yue Feng personally promised Du Men Father, protect Lolita.

call!

Soon, outside the Dumen family's manor, Yue Feng couldn't help taking a deep breath, and his mood became more complicated.

I don't know if Lolita has rested now, a month has passed, is she still suspecting that I killed his grandfather.

At this moment, Yue Feng stood outside the manor's fence, hesitating.

Whoosh!

However, at this time, I saw a slender figure in the distance, rushing in quickly, and like Yue Feng, it also quietly fell outside the manor's fence.

What the hell!

Seeing this scene, Yue Feng frowned secretly.

Did the Duman family offend anyone? This woman, hiding outside the Dumen family so late, will definitely not do anything good.

Thinking to himself, Yue Feng lightly stepped and slowly approached the slender figure. When the distance was less than ten meters, he was stunned when he saw the other side's profile.
