

The ultimate husband in Chinese chapter 3481-3490

Chapter 3481 I

saw that this woman has a sexy figure, her facial features are exquisite and a bit heroic, and her whole body is filled with a special aura.

It was Thea who helped Yue Feng escape from Pearl City.

Thea?

At this moment, Yue Feng was surprised and delighted when he saw that it was Thea.

At this time, Thea, unaware that someone was approaching quietly behind her, was observing the situation in the manor through the hollowed-out flower wall.

Speaking of which, Thea originally planned not to return to Pearl City, but knowing that the Goddess of Light was going to hold the Holy Light Ceremony here, and that Seth was also dead, Thea decided to come back and have a look.

As soon as she returned to Pearl City, Thea heard that the second young master of the Dumen family had returned, and took back the position of the patriarch from Lolita, not only that, but also the main betrothed Lolita to Maddie.

Thea and Lolita are not very familiar with each other, but Lolita is Yue Feng's wife, and Thea feels that she can't ignore it.

You know, in Thea's heart, Yue Feng is regarded as a sincere friend. Now that something has happened to the friend's wife, can you ignore it?

So Thea explored the Dumen family manor tonight to rescue Lolita.

At this moment, Thea quietly observed for a moment, and was ready to jump in.

Snapped!

However, at this moment, a hand clapped on Thea's shoulder.

Thea's delicate body was shocked, and she looked back immediately, and saw a dark-skinned man looking at her with a smile.

It was Yue Feng.

It's just that Yue Feng deliberately dressed up, but Xia couldn't bear it at all.

Where did a man appear?

Thinking to herself, Thea didn't think much, the holy power exploded, she drew out her long sword, and directly thought about Yue Feng and stabbed it.

Tonight's visit to the Dumen family must not be known, so the man in front of him must die.

What the hell!

Seeing that Xia started without saying a word, Yue Feng was startled, and hurriedly took a step back to avoid the sword. At the same time, he lowered his voice and shouted: "Xia, it's me, I'm Yue Feng!"

Yue Feng?

Hearing the voice, Thea was surprised and happy: "You are back too?" The voice of the man in front of him was indeed Yue Feng, but how did his appearance change?

Thinking to herself, Thea couldn't help but ask: "Why have you changed?" "It's a long story!" Yue Feng smiled bitterly, and then asked back: "It's so late ,

what are you doing here?"

Ya sighed lightly, her delicate face showing a bit of complexity: "Yue Feng, don't you know that something happened to the Dumen family? The situation is very unfavorable for Lolita."

What?

Hearing this, Yue Feng was shocked and quickly said, "What's wrong with Lolita?"

At the beginning, he personally promised Mr. Du Men that he would protect Lolita's integrity. If something happened to her, he would feel guilty for the rest of his life. .

Thea didn't hide it, and explained what she heard in detail. At the end of the story, Thea was very angry: "It's all about Maddie, that bastard. Yue Feng, Lolita is your wife, you must take care of yourself. Protect her. Got it?"

Maddie!

Knowing the situation, Yue Feng's eyes were instantly blood red, and he clenched his fists tightly.

Maddie, this bastard, first used despicable means to slander himself and forced himself to leave Pearl City, but now, he has attracted Lolita's attention. If this kind of scum is not removed, it will be difficult for heaven to tolerate.

"Who is outside?"

At this moment, I heard a loud shout from inside the manor, and then, dozens of family guards rushed out quickly.

Obviously, when Xia and Yue Feng started their hands just now, they alerted the guards of the Dumen family.

Chapter 3482

Nima!

Seeing this scene, Yue Feng frowned secretly, and at the same time was also angry.

I saw that in front of these guards, there was a handsomely dressed man with an arrogant expression, it was Maddie!

When the so-called enemies meet, they are particularly jealous.

As soon as he saw Maddie, the anger in Yue Feng's heart rose.

A month ago, it was this Maddie who opposed himself everywhere, not only that, but also hired a killer from the Hall of Living Beings, killed the old man Du Men, and then put the blame on himself.

Seeing Maddie again at this time, Yue Feng could not wait to kill him immediately. However, thinking of his current status as the guard of the Principality of the Golden Lion, and having changed his face, Yue Feng forcibly held back.

At the same time of anger, Yue Feng was also very doubtful.

How could Maddie be in the Duman family?

Yue Feng didn't know yet that the Du Men family was already under the control of Du Leng, and because of the relationship between Maddie and Du Leng, he was now a guest of the Du Men family, and it was not unusual to stay in the Du Men family.

Whoa!

Just when Yue Feng was secretly suspicious, he saw more guards rushed out of the manor and surrounded Yue Feng and Xia.

Oops!

At this time, Thea's face seemed calm, but her heart was a little flustered.

I thought that I met Yue Feng tonight and could rescue Lolita smoothly. Who knew the whereabouts would be discovered so quickly, not only that, but also met Maddie, a scoundrel.

There are so many people on the other side, and there are only two of you and Yue Feng. If there is a fight, I am afraid that the worst will be worse.

For a time, Thea frowned, anxiously thinking about how to deal with it.

“Oh!”

At this moment, Maddie took a step forward, saw the faces of Thea and Yue Feng, and couldn't help but tease: “Isn't this the only female knight in our Pearl City? A month ago, she betrayed the city lord and fled. , I didn't expect to be back so soon.”

“Thea, did you come back after learning that the city lord Seth was dead? Let me tell you, I am responsible for the security of Pearl City now. You betrayed Pearl City before. It's not over yet.”

When he said this, Maddie was full of pride, and at the same time, his eyes couldn't help but look at Thea.

beautiful!

How beautiful, this Thea is worthy of being the only female knight in Pearl City, with a beautiful face and a hot and sexy body. If you can enjoy a night of tenderness, it will be worth dying.

Thea was the only female knight in Pearl City at that time, and her reputation spread far and wide. Many men were addicted to it, even Maddie. However, at that time, Thea was heavily used by Seth, so Maddie did not dare to be presumptuous, and now, With Seth gone, Maddie has no scruples.

Maddie's eyes made Thea very disgusted, and said coldly: “Really, then congratulations.”

Said, Thea whispered to Yue Feng: “Let's go!”

Seriously, if one A month ago, seeing Maddie being so rude, Thea would definitely not be able to help teach her a lesson. After all, Maddie has too many men.

More importantly, Yue Feng's identity cannot be exposed.

Yue Feng responded and was about to turn and leave with Thea.

Like Thea, Yue Feng also knows that he can't do it with Maddie now.

"stop!"

However, before taking two steps, Maddie's angry shout came from behind.

Thea and Yue Feng stood up at the same time.

Looking back, I saw Maddie with a treacherous sneer: "Thea, you defected to Pearl City before, but now you have come back secretly. I bumped into it, and you still want to leave easily?"

"I have never betrayed Pearl City, if you want to say betrayal, I just betrayed Seth." Thea froze with a pretty face and responded lightly: "Seth, as the city lord, secretly colluded with the major families, I have long wanted to draw a clear line with him."

Chapter 3483

said, Thea looked at Maddie lightly: "However, these situations have nothing to do with you at all."

"Haha..."

Hearing this, Maddie nodded and chuckled: "Okay, Even if these things have nothing to do with me, but you came to the Dumen family's manor in the middle of the night, sneaking around, I'm in charge of the security of Pearl City, so you can't sit back and watch."

When he said this, Maddie's eyes were always on Thea, He didn't even look at Yue Feng.

In Maddie's heart, this man looks ordinary, dresses normally, and is not very strong. Obviously, it is Thea's subordinate, so naturally he doesn't take it seriously.

call!

At this moment, Thea lost her patience and said coldly: "Maddy, what do you want?"

"How?"

Maddie showed a sneering smile and said word by word: "Immediately capture it, go back with me, and accept the interrogation."

The voice fell, Xia's heart was shocked, and she said lightly: "What if I don't do anything?"

"Hey!"

Maddie laughed badly: "Then don't blame me for being rude!"

At this time, Yue Feng, who had been indifferent all the time, Finally, he couldn't bear it anymore, and sneered: "But a villain who is a fox and a tiger, does he really think he is a character?"

Yue Feng didn't want to speak, but seeing Maddie so arrogant, he couldn't help it.

Made!

Maddie was completely furious and stopped talking nonsense. He pointed at Yue Feng and Xia and roared, "Give me the two of them!"

The dignified young master of the Mai Wei family, the named knight of the Temple of Light, and the temporary sheriff of Pearl City, was despised by an unknown soldier at this time, how could he not be angry?

Maddie thought about it, she would catch Thea tonight no matter what, as for the guy beside her, she was naturally killed on the spot.

Whoa!

The voice fell, and dozens of guards around, burst into holy energy, rushing towards Yue Feng and Xia.

Looking at the other party rushing over, Yue Feng clenched his fists tightly, not panicking at all.

Thea was a little anxious, and whispered to Yue Feng: "You go first, I will hold them back." Yue Feng and Maddie have a deep grudge. If Maddie knew that the man in front of him was Yue Feng, the consequences would be unimaginable. .

Yue Feng was very moved by Thea's words, and smiled: "Don't worry, it's just a bunch of scumbags, we don't need to run." The

voice fell, Yue Feng's figure flashed, and he directly greeted him.

This. . .

Thea was in a hurry and wanted to dissuade him, but Yue Feng was too fast, and in the blink of an eye, he fought with the other party.

Bang bang bang...

Maddie's guards are not low in strength, but in the face of an existence like Yue Feng, they are completely vulnerable. The wind was knocked to the ground.

Of course, Yue Feng did not show his true strength at this time, so these people were just beaten down and lost their combat effectiveness. Otherwise, they would have died a long time ago.

This. . .

Seeing this scene, Xia's body trembled, unable to hide her inner shock.

In just one month, Yue Feng has actually been promoted from the Holy King to the realm of the Holy Venerable? It's really incredible. You know, it took me two years to break through from the Holy King to the Holy Venerable.

At the same time, Maddie on the opposite side was also horrified, his eyes fixed on Yue Feng, and he couldn't tell the panic in his heart.

Mad, this unremarkable guy, is so powerful?

Chapter 3484

The remaining guards, looking at Yue Feng one by one, also had lingering fears and dared not move forward.

At this moment, Yue Feng stopped his hand and taunted Maddie: "With this little strength, you are still in charge of the security of Pearl City? Your family's face is going to lose their face?"

Mad!

Hearing this, Maddie was extremely annoyed, but did not respond, but greeted his subordinates and left in embarrassment. He could see that the man in front of him was very strong, and even if he went out on his own, he would not be an opponent.

Can't run very far, Maddie did not forget to look back at Yue Feng and Thea: "Xia, you dare to instruct your subordinates to do something to me, wait for me." The

voice fell, and Maddie ran away quickly.

Maddie thought about it, since the family guard is not Thea's opponent, then go to the Temple of Light to move rescue soldiers.

idiot!

Watching Maddie run away, Yue Feng cursed inwardly, his face full of disdain.

At this time, Thea was secretly worried: "Yue Feng, let's leave quickly, this Maddie is very cunning and will definitely come back to take revenge."

Yue Feng shook his head and looked at the Dumen family manor in front of him: "Since you are here, go in. Let's take a look."

Seriously, Yue Feng couldn't let Lolita go.

Thea is a smart woman, she immediately understood Yue Feng's thoughts, and said with emotion, "Miss Lolita is so lucky to have a man like you to protect her."

Saying that, Thea approached the manor first.

Because of the melee just now, the guards all ran with Maddie, and no one stopped him at all.

Yue Feng smiled and went in.

"Thea."

Entering the manor and looking at the familiar surroundings, Yue Feng's heart was up and down, and then he couldn't help but say, "You said something happened to the Dumen family just now, what happened?"

Thea bit her lip and responded, "You Don't you know? The second young master of the Dumen family has returned, and he is Lolita's uncle, Du Leng. After this Du Leng came back, he stole the position of the patriarch, and it is said that he even locked up Lolita.

" Arriving at Du Leng, Thea couldn't hide her disdain and continued: "This Du Leng is illiterate and very lecherous. He hooked up with Seth's woman five years ago. At that time Seth was very angry and wanted to execute Du Leng in public. , Du Leng got the news and escaped from Pearl City." "With such a person as the patriarch, how could the Dumen

family thrive?" Hearing this, Yue Feng frowned. I didn't expect such a big change in the Dumen family after being gone for a month, and I don't know how Lolita is doing now. Thinking about it, Yue Feng felt even more urgent, and wanted to see Lolita. "Stop!" Finally, in the garden at the back, it was time to go to Lolita's room. Suddenly, a man with a lot of servants was seen standing in front of Yue Feng and Xia. The man was in his 40s, with sharp-mouthed monkey cheeks, giving him a treacherous and wretched feeling. It was Doulen. Du Leng was resting, and learned that Thea was with a man, injured a lot of guards, and scared Maddie away. Then Thea broke in again. At that time, Du Leng didn't think much, and immediately brought someone over to intercept it. "Thea!" At this time, Du Leng looked at Thea and said coldly: "What are you doing with

someone who broke into our house in the middle of the night? Do you still have a law in your eyes?"

When he said this, Du Leng's attention was all on Xia, and he didn't pay attention to Yue Feng at all.

Like Maddie, Du Leng also believed that Yue Feng was the subordinate of Xia, and did not take it seriously.

"Miss Lolita and I are friends." Thea's delicate face, without the slightest emotional fluctuation, responded lightly: "I returned to Pearl City this time, and I came to see my friends. Is it wrong?"

This. . .

Chapter 3485

Hearing this, Du Leng was stunned, and then said: "Lolita is uncomfortable and it is inconvenient to see guests." At this time, Du Leng was very annoyed, but he did not dare to show it. You know, West Ya is a famous female knight in Pearl City. She beat Maddie's group away just now, so don't mess with her.

However, the fact that Lolita was under house arrest by herself must never be said, she can only make up a lie.

Inconvenient to see guests?

At this moment, Thea sneered: "You don't have to lie to me, Lolita is not uncomfortable, but under house arrest by you, right?"

Shuh!

Hearing this, Yue Feng's eyes suddenly locked on Du Leng, flashing with anger.

Mad, this is Lolita's second uncle. If something happens to Lolita, he must not be spared.

Feeling Yue Feng's gaze, Du Leng couldn't help shivering.

This Thea's subordinate, the eyes are so terrible.

Muttering in his heart, Du Leng turned his eyes, thinking about how to send Thea away.

Whoa!

Just when Du Leng was thinking about countermeasures, he heard the gate of the manor suddenly slammed open, and then hundreds of Templars rushed in.

The leader, in a golden armor, is majestic.

It is Pegasus, one of the twelve holy knights.

Behind Pegasus, Maddie followed.

At this time, Maddie had a high-spirited look on his face, and a dog-like attitude.

Temple of Light?

Seeing this scene, Xia's body trembled and panicked.

It's broken. Maddie moved to rescue soldiers from the Temple of Light. These are troublesome. When Thea first returned to Pearl City, she heard people say that Maddie joined the Temple of Light. She thought it was a rumor at the time, but she didn't expect it to be true. of.

At this time, Thea clearly felt the strength of Tianma, but only felt her heartbeat speed up and her mind went blank.

Even if Yue Feng is very strong, I am afraid that he is not the opponent of the Temple of Light. Especially the holy knight in front of him, the strength is too terrifying.

"Master Maddie!" Du Leng greeted him quickly with a look of flattery.

Maddie nodded at Du Leng, indicating not to worry.

"Maddy!"

At this moment, Tianma looked at Thea and Yue Feng, and asked lightly, "You said that they were the two who disturbed the security of Pearl City?"

Tianma looked impatient when he asked.

Half an hour ago, Tianma learned that Yue Feng and the Queen of the Golden Lion Principality had arrived, so he immediately went to connect with Yue Feng, only to find that Yue Feng was not there. After that, Tianma met Maddie, who was moving to rescue the soldiers. He learned that someone disturbed the security of Pearl City, so he followed.

At this time, when he arrived at the Dumen family and saw Thea, Tianma immediately felt that Maddie was making a fuss.

There are only two people on the other side, and Maddie can't handle it. It's such a waste.

At this time, Tianma still didn't know that the dark-skinned man standing beside Thea was Yue Feng.

"Yes, your honorable paladin, it's the two of them who not only broke into the Dumen family in the middle of the night, but also injured the guards." Maddie pointed at Thea and Yue Feng and shouted.

Saying that, Maddie looked at Thea proudly: "Thea, if you are wise, hurry up and capture."

He has the support of the Pegasus Paladin, even if Thea and this subordinate are strong, they are not afraid.

Thea bit her lip and didn't respond.

Ha ha. . .

Yue Feng laughed secretly, Maddie, this idiot, thought he was calling someone, but it turned out to be Tianma.

The ultimate husband in Chinese chapter 3486-3490

Chapter 3486

Thinking, Yue Feng said coldly to Maddie: "Thea and Lolita are friends. This time, I'm just visiting Lolita. What's the problem?"

"Friend?" Maddie sneered: "I think it has ulterior motives."

Maddie pointed at Yue Feng, unable to hide his arrogance: "Boy, you hurt so many of my men just now, you are dead!"

"Okay!"

At this moment, Tianma interrupted coldly: "Stop talking nonsense, Maddie!"

After speaking, Tianma waved his hand: "Arrest this man and a woman."

At this time, Tianma only wanted to find Yue Feng as soon as possible. Not in the mood to deal with what's in front of you.

Whoops!

The voice fell, and more than a dozen Templars immediately surrounded Thea and Yue Feng.

Although these are ordinary knights of the Temple of Light, they are not comparable to those of the family guards, each of them strength, at least above the Holy Venerable.

call. . .

Seeing this, Xia's body trembled, and she panicked.

Dealing with Maddie's men, he is not afraid at all, but these Templar knights, how can you and Yue Feng be opponents?

In the panic, Thea felt a little regretful, knowing that she should have left with Yue Feng just now, but now, she can't leave if she wants to.

However, Yue Feng had a leisurely look on his face.

This chapter is provided by . Visit for daily update.

"Tianma Paladin!"

Seeing a dozen or so Templars rushing in front of him, Yue Feng suddenly said to Tianma, "What is the effect of Huiyuan Dan?"

Huiyuan Dan was the poisonous antidote specially refined for the Twelve Holy Knights by Yue Feng. Yue Feng knew that the situation in front of him could not be directly recognized with Tianma, so he deliberately mentioned Huiyuan Dan to remind Tianma.

what did he say?

At this moment, both Thea and Maddie were confused.

They didn't know about the Twelve Holy Knights and they were poisoned, so they couldn't understand what Yue Feng was talking about.

Swish!

But at this moment, Tianma's heart was shocked, and he looked at Yue Feng tightly, and the whole person was stunned.

This. . . How did this person know about Huiyuan Dan?

In the next second, Tianma suddenly understood that the Holy Venerable Yue Feng was in front of him, and hurriedly shouted: "Hold on, let me

back down.” Hearing this, a dozen Templars quickly stepped aside.

Tianma was very excited and walked quickly to Yue Feng with a respectful face: “I’m sorry, I was offended just now, Holy...” Knowing that the man in front of him was Yue Feng, Tianma couldn’t tell how excited he was.

Before he finished speaking, Yue Feng hurriedly winked at him.

Immediately, Yue Feng said with a smile: “Your Excellency Paladin, it’s been a long time.”

He is a Holy Venerable and must not be exposed. After all, Yanhong controls the Temple of Light at this time, so Yue Feng pretends to be a Pegasus acquaintance.

Tianma is a smart person. Seeing Yue Feng say this, he immediately understood that Yue Feng didn’t want to reveal his identity, so he quickly said, “Yes, yes.”

What?

At this moment, whether it was Thea, Maddie, Du Leng, and others, all of them opened their mouths wide, and they were shocked beyond words.

Tianma is one of the twelve holy knights, and has an extraordinary position in the Temple of Light. At this time, facing this unremarkable man, he is so polite?

And this man was even more relaxed and relaxed.

This, what’s the situation? !

“Your Excellency Paladin...”

Finally, Maddie was the first to react, and cautiously said to Tianma, “Do you know this person?”

Chapter 3487

“Bullshit!”

Tianma shouted angrily: “This is Your Excellency Fengtao, who has helped the Temple of Light, and is the benefactor of our Twelve Paladins!” The medicine helped the Twelve Paladins regain their strength, and it was nothing but a benefactor. At the same time, Tianma knew that Yue Feng wanted to hide his identity, so he said the fake name he used in the Golden Lion Principality.

What?

Hearing this, Maddie trembled, completely stunned. Looking at Yue Feng's eyes, full of astonishment, he was speechless for a long time.

I thought that this man was only a subordinate of Thea, but I never imagined that, with such an extraordinary origin, he was actually the benefactor of the Twelve Paladins?

After being stunned for more than ten seconds, Maddie reacted and said with a bitter face: "Your Excellency Paladin, I..."

But before he could finish, he was interrupted by Tianma: "What are you? Your Excellency Fengtao and This lady, came to the Dumen family to visit a friend, but you said it was a disturbance to the peace? Have you got water in your head?"

Maddie was scolded and she stepped aside, not daring to say anything.

At this moment, Yue Feng looked at Du Leng with a half-smile, "Can we see Miss Lolita now?"

"Yes, yes!" Du Leng wiped the cold sweat from his forehead and nodded again and again.

At this time, Du Leng was so frightened that he could not stand still. This man, even the Paladins, treated him with such respect, would he dare not agree?

However, Du Leng didn't forget, and winked at the servant next to him.

Lolita is now under house arrest, and there are guards outside the door. This scene must not be seen by Thea and Fengtao.

Hearing Du Men's hint, the subordinate hurriedly took the first step.

Watching the servants leave, Du Men then accompanied his smiling face and walked towards the backyard with Xia and Yue Feng.

call!

Soon, at the door of Lolita's room, Yue Feng took a deep breath. His calm mood suddenly became complicated.

Did Lolita still think I killed her grandpa? Do you still hate me?

Squeak!

Just when Yue Feng was thinking about this, Thea opened the door and walked in. Yue Feng followed closely behind!

Tianma held his identity and naturally waited outside.

Maddie and Du Leng stood there, even more trembling and nervous.

Especially Maddie, with sweaty palms, if Lolita told Thea about the situation, it would be troublesome. Speaking of which, Maddie is not afraid of Thea, but the storm that came with Thea is a friend of Your Excellency the Paladin.

At this time, in the room.

Lolita had just rested, and when she heard the movement, she quickly got up.

The next second, Lolita was very surprised when she saw Thea who pushed in the door: "Thea? How is it you?"

While talking, Lolita looked at Yue Feng behind. Because Yue Feng put on makeup, Lolita didn't recognize it either, thinking it was Thea's subordinate.

call!

Seeing Lolita, Yue Feng remained calm, but his heart was full of mixed feelings.

I haven't seen each other for a month, Lolita has lost a lot of weight, and her melancholy look is pitiful.

Thea smiled lightly and comforted: "Lolita, I made a special trip to see you, by the way, this..."

Said, Thea glanced at Yue Feng, and was about to reveal his identity.

However, at this moment, Yue Feng shook his head at her.

To be honest, Yue Feng really wanted to reveal his identity to Lolita, but thinking about the current situation, he still held back.

strangeness. . .

Thea also frowned, and she was very puzzled.

This Yue Feng had already seen Lolita, why didn't they recognize each other?

Muttering in her heart, Thea still smiled and said to Lolita: "This is my friend, my own, don't be nervous!"

Chapter 3488

Hearing this, Lolita's expression softened slightly, and she said softly: "Thea, what's the matter with you looking for me so late?"

"Lolita."

Thea pondered, Slowly said: "I heard that Du Leng came back, robbed you of your patriarch's position, and put you under house arrest. I'm a little worried."

"You..." Lolita was very moved, but still a little puzzled: "Why are you so good to me?"
You

and Thea can only be regarded as acquaintances, not friends, but tonight, Thea is risking a visit to herself, which is really curious.

Thea smiled lightly: "Actually, I'm here this time for Yue Feng. Yue Feng is my friend, and you are his wife. How can I just sit back and watch if something happened to you?"

"Thea glanced at Yue Feng intentionally or unintentionally.

Huh....

Seeing Xia mentioning Yue Feng, Lolita's delicate body trembled, and her heart suddenly became confused.

What surprised Lolita even more was that Thea, who was always high above the ground, actually regarded Yue Feng as a friend.

"Lolita!"

Seeing that Lolita was silent, Thea continued: "At that time, there were too many doubts about the death of Mr. Dumen. I checked some circumstances at the time. Although there is no conclusive evidence, I can be sure that Yue Feng was the Framed, you...you misunderstood him."

What?

Hearing this, Lolita was completely stunned, and only felt her brain buzzing.

Even Thea said so, did she really misunderstand Yue Feng?

Thinking to herself, Lolita asked Thea, "Thea, during this time, have you... have you seen Yue Feng?"

"He..."

Thea hesitated, glanced at Yue Feng subconsciously, and responded: "I have seen him, he is safe now, you don't have to worry."

After chatting a few more words, under Yue Feng's hint, Thea and Lolita say goodbye.

Phew...

The moment he walked out of the room, Yue Feng couldn't help but look back at Lolita, swearing in his heart.

Lolita, don't worry, as long as I'm here, you won't be in any danger.

To be honest, at this time, Yue Feng wanted to reveal his identity and take Lolita away, but he finally held back. You must know that Yanhong controlled the Temple of Light and summoned the rulers of the major principalities. , there must be a huge conspiracy brewing, this is no trivial matter.

Yue Feng thought about it, and after dealing with Yanhong and the Guangming Temple, he will come back to see Lolita.

"Du Leng!"

When he got outside, Yue Feng looked at Du Leng and said coldly, "Miss Lolita is a friend of Thea. If something happens to her, you can't escape the blame, understand?"

"At the time, Yue Feng glanced at Maddie, his eyes sharp.

"I understand, I understand!" Du Leng wiped the cold sweat from his forehead and nodded again and again.

Maddie was even more nervous, and didn't dare to let out the air.

To be honest, Maddie didn't want to be so cowardly, but this guy named Feng Tao, but the benefactor of the Twelve Paladins, was extremely respectful even when he saw Tianma.

Yue Feng stopped talking nonsense and walked out of the manor with Thea.

Tianma quickly followed.

"Yue Feng!"

When they got outside, Thea's delicate face was full of puzzlement, and she couldn't help but say, "I really don't understand, obviously I saw Lolita, why didn't you recognize her?"

Yue Feng smiled bitterly, slowly Said : “Xia, I understand your feelings, but I must not reveal my identity now, otherwise, I can’t imagine the consequences.”

When he said this, Yue Feng glanced at Tianma not far away.

Thea is a smart woman, and vaguely guessed something: “Could it be... you are from the Temple of Light?”

“Yes!” Yue Feng did not deny it, nodded and said: “The Twelve Paladins are my subordinates, However, my identity is more sensitive, so I can’t let too many people know.”

Chapter 3489

What?

Hearing this, Xia’s delicate body trembled, and she stared blankly at Yue Feng, speechless.

Shock!

Total shock.

Even the Twelve Paladins are his subordinates? What is his identity in the Temple of Light?

How many secrets does this Yue Feng have?

After being stunned for more than ten seconds, Thea recovered, and then said goodbye to Yue Feng and left.

“His Royal Highness.”

As soon as his forefoot left, Tianma hurried over with an anxious look on his face: “Now the situation in the temple is getting more and more critical, that woman wants us, the twelve holy knights, to secretly control the principalities tomorrow. Guards...”

In the next few minutes, Tianma explained the details one by one.

What the hell!

Knowing these circumstances, Yue Feng frowned and looked solemn.

This Yanhong has finally revealed his ambition. This is to rule the entire Roland Continent.

Thinking to himself, Yue Feng took a deep breath and comforted Tianma: "Don't panic, I'll tell me, where is Yanhong now, and where did she keep Yarina?"

Tianma nodded and hurriedly Say it.

Yue Feng nodded and showed a smile: "Okay, let's take action tonight to stifle the crisis in the cradle." After the words fell, Yue Feng and Tianma rushed towards the temple.

What the hell!

Soon, after arriving at the temple, Yue Feng was shocked when he saw the situation in front of him, and he couldn't help feeling secretly.

This Yanhong is not only ambitious, but also a perfectionist.

You can see that the temple in front of you is magnificent and majestic, showing elegance and splendor everywhere.

But Yue Feng didn't have time to appreciate it. The most important thing now is to rescue Yarina first.

With the help of Tianma, Yue Feng put on the soft armor of a knight. Avoid detection.

Afterwards, Tianma quickly reunited with Jinshi and the others, while Yue Feng rushed towards the secret room behind the temple, where the real goddess of light was imprisoned by Yanhong.

A few minutes later, Yue Feng rushed to the secret room where Yalina was being held, and saw that there were several knights guarding the room.

Seeing this scene, Yue Feng didn't think much, moved his figure, raised his hand to seal the acupoints of these knights with lightning speed.

Papapa....

Yue Feng's speed was very fast, and several knights could not move even before they could react.

The next second, Yue Feng hid a few knights in the grass next to him. After doing this, he walked into the secret room.

call!

The moment he entered the secret room, Yue Feng couldn't help taking a deep breath when he saw the scene in front of him.

I saw that there was only one stone bed in the secret room, and a charming figure curled up on the bed, dressed in a long white dress, with beautiful curves and beautiful and charming facial features, but it was pale and weak.

Not only that, but his hands and feet were tied with chains, and several acupuncture points on his body were sealed.

It was Arina.

Seeing this situation, Yue Feng felt a trace of pity in his heart, and called out softly, "Yarina?"

Hearing the call, Yarina's heart trembled, thinking it was Yanhong who came in.

"teacher?"

The next second, seeing Yue Feng, Yalina's body trembled, her brain buzzing, and she was surprised.

Since Yanhong took away the position of the goddess, Yalina prayed every day for Yue Feng to appear soon, but at this time, she finally saw him, can you be unhappy?

Seeing Yalina's excited look, Yue Feng smiled slightly, walked over, raised her hand and untied Yalina's acupuncture points.

Whoa!

Immediately afterwards, Yue Feng's internal force pushed and directly broke the chains on Yarina's hands and feet.

At this moment, Ya Lina completely recovered her freedom, but after being detained for so long, her body is still a little weak.

"Teacher?"

Yalina got out of bed excitedly and looked at Yue Feng closely: "Is this true?"

When she said this, Yalina's tears were blurred.

"Yes." Yue Feng smiled slightly.

Hearing the answer, Yalina was so excited and happy that she couldn't help herself, she suddenly threw herself into Yue Feng's arms: "Teacher, I'm so afraid these days, I'm so

afraid that the Temple of Light will be destroyed like this, But it's alright now, you're back." Phew

...

Feeling Yarina's soft body, Yue Feng was stunned for a moment, then smiled: "Yarina, calm down first."

But when he said this, Yue Feng's eyes couldn't help but look at Yarina.

I haven't seen her for a few days, and this Yarina seems to be even more beautiful. Although she was detained for a few days, she couldn't hide her otherworldly temperament.

Swish!

Hearing this, Yarina also realized that she was a little too excited, her beautiful face suddenly flushed with shame, and then she let go.

For a time, the atmosphere was a little awkward.

A few seconds later, Yarina reacted, her red lips opened slightly: "Teacher, that woman named Yanhong is very strong, let's..."

Halfway through the conversation, I heard light footsteps coming from outside.

"Damn it!"

Yarina's delicate body trembled, and her heart became flustered: "It must be Yanhong. She has been coming here a lot these two days, and she wants to ask me the secret of the temple."

When she said this, Yarina said again. Sadness and panic.

Yue Feng said with a calm expression, "Don't panic!"

After saying that, Yue Feng asked Yarina to lie back on the stone bed, and then hung the chain on Yarina's hands and feet, pretending that Yarina was trapped. look.

After doing this, Yue Feng told Ya Lina: "Wait and try to attract her attention."

As the goddess of light, Ya Lina is very smart, she immediately understood what Yue Feng meant and nodded.

At this time, when he heard the footsteps getting closer, Yue Feng stopped talking and hid behind the stone bed.

As soon as Yue Feng hid it, he saw a charming figure and slowly walked into the secret room.

Wearing a golden robe and a multi-colored crown, the charming figure is exquisitely set off, and the whole body is filled with a powerful aura that cannot be desecrated.

This outfit is in stark contrast to the weak and embarrassed Yarina.

It is Yanhong.

call!

After entering the secret room, Yanhong saw that the knight who was guarding the door was missing. She frowned and muttered to herself, "It's a bunch of rubbish, looking after one person is lazy.

" Her eyes fell on Yarina on the stone bed, and she didn't notice anything strange, so she felt relieved.

At this time, Yanhong didn't know that Yarina had regained her freedom.

At this time, Yalina looked at Yanhong closely: "What are you doing here again?"

When saying this, Yalina deliberately made a very panicked appearance, because Yue Feng said that she would try her best to attract Yanhong's attention. .

At the same time, Yue Feng, who was hiding behind the stone bed, also restrained his strength and held his breath.

"What are you doing?"

At this time, Yanhong looked at Yarina with a half-smiley smile: "What do you think I'm here to do? I tell you, don't tell me the cultivation formula of the temple's divine art this time, you don't want to live through tonight. ."

When saying this, Yan Hong's delicate face was full of gloom and coldness.
