

The ultimate husband in Chinese chapter 3511-3515

Chapter 3511

When answering, Mrs. Lanya looked serious, but she was nervous, and her palms were sweating.

Seeing her expression, it didn't seem like she was lying, Yue Feng pondered for a while, and continued to ask: "Okay, let's not talk about the sacred book, but as a duchess, you are not staying in the royal city, so how do you lead your family? Appearing in such a place?"

Mrs. Lanya bit her lip lightly, her mind turned quickly, and then said softly: "To be honest, I can no longer stay in the royal city under the current situation."

Huh?

Yue Feng was stunned for a moment, puzzled: "Why?"

Mrs. Lanya smiled, her beautiful and charming face showing a bit of sadness: "You know, I have been controlled by Xibo before, these two years Under his threat, I took advantage of my beauty and hurt a lot of people from big families."

"And now, Xibo has fallen, and I have no support. Those big families can't let me go. So, I I took my family and left the royal city, completely leaving the place of right and wrong."

"The people who intercepted me just now should have been sent by those big families, otherwise, the leader wouldn't bite his tongue and kill himself!"

Said At these times, Mrs. Lanya looked sad and pitiful.

Speaking of which, she didn't know Mo Shan's true identity, but in order to dispel Yue Feng's doubts, she deliberately made up a lie.

Hearing this, Yue Feng was silent for a while and asked, "So, you really don't know about the sacred book?"

Mrs. Lanya quickly shook her head: "How would I know? It might be those big families, Knowing that the sacred book was lost, you deliberately slandered me." I

have to say that Mrs. Lanya's acting is very similar, especially her pitiful appearance, any man will feel pity when he sees it.

Even Yue Feng was no exception.

At this time, Yue Feng completely believed what Mrs. Lanya said, and did not realize that he was deceived by this charming woman.

“Madam!” In the

next second, Yue Feng thought about it and said to Mrs. Lanya: “If you are just worried about retribution by those big families, I don’t think you need to leave the royal city. The Queen is very righteous, as long as you tell the Queen the truth. , said that he was threatened by Xibo at the time, and that he offended those big families. I believe that the queen will definitely decide for you.”

“It’s better, wait for you to bring your family and return to the royal city with me, and when you meet the queen, you If you are afraid, I will help you.”

When he said this, Yue Feng looked serious.

“I...”

At this moment, Mrs. Lanya was full of resistance. She left the royal city because she stole the sacred book. How could she go back? However, seeing Yue Feng’s sincere look, he didn’t know how to refuse.

After a few seconds, Mrs. Lanya calmed down and smiled at Yue Feng: “I’ll talk about returning to the royal city later, I encountered these men in black just now, many guards were injured, and I’m a little tired, I think Take a rest first, okay?”

She knew that it would definitely not work to reject Yue Feng directly, so she could only find a way to delay the time.

“Okay!” Yue Feng nodded.

Seeing his promise, Mrs. Lanya was very happy, and immediately ordered the maid to build a bonfire, and at the same time told the injured guard to heal.

A few minutes later, the bonfire rose, and a tent was set up beside the bonfire.

At this time, in the tent, Yue Feng and Mrs. Lanya sat opposite each other.

“Fengtao!”

Mrs. Lanya poured two glasses of wine herself, handed a glass to Yue Feng, and said with a smile, “Fengtao, you came just in time, otherwise, the consequences would be unimaginable.”

Under the bonfire, Lan Yafu said The complexion was ruddy, indescribably bright and moving.

Yue Feng smiled: "Madam, you're welcome!"

At this time, Yue Feng wanted to return to the royal city with Mrs. Lanya, but he knew that Mrs. Lanya had just been attacked and must have been frightened. No problem.

At this time, Mrs. Lanya's eyes flickered, and she asked intentionally or unintentionally, "Fengtao, the sacred book is lost, why are you more anxious than the queen?"

Chapter 3512

This...

Yue Feng pondered for a while, and said slowly: "I have been studying ancient books recently, and I heard that the things recorded in the holy scriptures are extensive and profound. I really want to see and see."

Seriously, Yue Feng didn't want to . To answer this question, but seeing Madam Lanya's look of anticipation, she couldn't help but say it.

Hearing this, Mrs. Lan Ya frowned and said curiously: "I heard that the text recorded on it is very special, and ordinary people can't understand it at all."

"I can understand it!" Yue Feng replied with a slight smile. .

Madam Lanya's delicate body trembled, and she stared at Yue Feng in shock.

He... can he read the ancient characters in the sacred book? How many secrets does this man have?

"Okay!"

Just when Mrs. Lanya was secretly stunned, Yue Feng looked outside and urged: "We're almost at rest, it's time to go on our way."

At this time, Yue Feng just wanted to return to Wangcheng as soon as possible. .

Mrs. Lanya bit her lip and hesitated: "It's so dark, let's take a night's rest and leave early tomorrow." After speaking, she quickly poured a glass of wine for Yue Feng.

I finally escaped, how could I go back?

Mrs. Lanya thought about it, waited to pour more wine into Yue Feng, and when he fell asleep, she secretly left with her family.

Uh...

Yue Feng scratched his head, not knowing whether to laugh or cry, and at the same time it was not easy to refuse. He saw that Mrs. Lanya was tired at this moment.

However, Yue Feng didn't know that the tiredness on Mrs. Lanya's face was all fake.

Yue Feng and Mrs. Lan Ya drank a few more glasses, and then rested separately.

Of course, in order to avoid the people below gossip, the tents of Yue Feng and Mrs. Lanya were far away.

call!

After entering the tent, Yue Feng was lying there, the more he thought about it, the more he felt that something was wrong.

Those big families have many ways to deal with Mrs. Lanya. Why do they have to slander her and steal the sacred book?

Also... I saw that the Thousand-changing Exquisite Box was empty in the temple before. At that time, there were only Arina and the Twelve Paladins, and the Queen was already on her way back to the Principality of the Golden Lion. That is to say, only the Holy Light was present. The people in the temple knew that the holy scriptures inside were gone.

No matter how fast the news spreads, it is impossible for all the major families in the royal city to know about it.

Could it be.... is Mrs. Lanya lying?

Thinking to himself, Yue Feng wanted to ask Mrs. Lanya, but she just drank a lot of wine and was a little dizzy.

Forget it, tomorrow morning, let's ask Mrs. Lanya carefully.

After making up his mind, Yue Feng closed his eyes and fell asleep after a while.

the other side.

Mrs. Lanya sat in the tent, looking at the night sky outside, her beautiful face was red with meaning because of drinking, and she was indescribably charming.

At this time, Mrs. Lanya was waiting for time, and when Yue Feng fell asleep completely, she left with someone.

Whoosh!

At this moment, a figure, like a ghost, appeared at the entrance of the tent.

This is a cold and glamorous woman, wearing black soft armor, with exquisite curves and beautiful facial features, but there is no expression on her face, like ice and snow that will not melt in ten thousand years.

Seeing the woman in black, Mrs. Lanya trembled, and then said respectfully, "Your Excellency Ruilin? Why are you here?"

"When I was intercepted, I had already arrived, and I originally planned to take action, but when I saw that wind wave appeared, I temporarily hid."

The woman in black was called Ruilin, and she was from the Huanshimen.

In the entire Roland Continent, in addition to the Temple of Light, there are many hidden organizations, and Huanshimen is one of them. By chance three years ago, Mrs. Lanya joined Huanshimen, and she has been secretly working for Huanshimen since then. potency.

Chapter 3513

And this time secretly stealing the sacred book, it was the master of Huanshimen who instructed Mrs. Lanya to do so.

call!

At this moment, when she heard Ruilin's words, Mrs. Lanya's heart was shocked, but she looked very calm on the surface: "In that case, let's go quickly." With

that, Mrs. Lanya was about to go out to summon the guards and maids . .

However, Ruilin was blocking the exit of the tent, and her tone was playful: "What are you going to do with that wind wave?"

"He drank a lot of alcohol, he should be asleep by now, we leave quietly, he won't know. Mrs. Lanya bit her lip and replied softly: "Fengtao is my friend, please let him go."

Then, Mrs. Lanya thought of something and continued: "Don't worry, I didn't tell you anything." He."

When she said this, Mrs. Lanya felt very uneasy in her heart. You must know that Huanshimen is very mysterious, and no outsiders are allowed to intervene. Although she and Fengtao happened to meet here, it can be considered to destroy the illusion. World's rules.

really!

Hearing this, Rachel shook her head decisively: "You know the rules, since this wind has run into us, we must not let him go."

Mrs. Lanya's heart trembled, and she became anxious: "Rachel, You..."

Before he could finish speaking, he was interrupted by Rachel: "Okay, don't speak for him. When you were chatting just now, I heard it in the dark, this Feng Tao can understand Saint The sect master knows the ancient characters on the Jade Book, and he must be very happy, so I decided to take him back with me." The

last sentence fell, and Ruiqiu walked directly to the tent where Yue Feng was resting.

Here's to trouble!

Mrs. Lanya stood there in a daze, her mood was complicated and anxious. To be honest, she really wanted to stop Rachel, but thinking that the other party's identity was higher than her own, she couldn't summon the courage at all.

At this moment, in Yue Feng's tent.

Yue Feng lay there and had already fallen asleep.

Shasha...

At this moment, a figure walked in gently, with a hot body and a cold face, it was Rachel.

who? Mrs. Lanya?

Yue Feng woke up in an instant, and when he reached his current state, even if he was fast asleep, he would wake up immediately if there was a slight disturbance.

At this time, Yue Feng thought that Mrs. Lanya was looking for him, and looked back subconsciously.

Bang!

However, it was at this moment that Rui Qiuyu raised her hand and cut a palm on the back of Yue Feng's head. At that time, Yue Feng's intuition was buzzing, his eyes went black, and then he didn't know anything.

Nima!

Before he completely lost consciousness, Yue Feng was furious and couldn't help but curse.

Because of the dim light, Yue Feng couldn't see Rachel's face clearly, thinking that Mrs. Lanya attacked him.

call!

Seeing Yue Feng fainted, Rachel let out a sigh of relief without any expression on her face.

In the next second, Rachel tied Yue Feng Wu Hua, and returned to Huanshimen together with Mrs. Lanya.

After several hours of traveling, Rachel and Mrs. Lanya finally arrived at the Taiyuan Mountains.

The Taiyuan Mountain Range is the highest mountain range in the Roland Continent, with more than 10,000 meters. The headquarters of the Magic World Gate is located on the highest mountain.

When entering the main altar hall, Yue Feng woke up.

What the hell!!

The moment he opened his eyes, Yue Feng found that he was bound by five flowers, and when he saw the environment in front of him, his heart was even more shocked.

I saw that I was in a majestic black hall. This hall was as big as three or four basketball courts. The structure of the entire hall, as well as various furnishings, were all made of black stone. The atmosphere gives people a feeling of entrained air.

Chapter 3514

On both sides of the main hall, there are more than a dozen men and women standing quietly, everyone is dressed in black, and their strength is not low.

Among these people, Yue Feng saw Mrs. Lanya at a glance.

Nima!

Seeing Mrs. Lanya, Yue Feng was shocked and angry.

It seems that he guessed correctly, this Mrs. Lanya lied to herself.

Just...where did she take me?

call!

Aware of Yue Feng's gaze, Mrs. Lanya bit her lip tightly, unable to express her guilt.

Knowing that Rachel was staring in the dark, Fengtao should have left, but it was too late to say anything now.

hiss!

At this moment, Yue Feng looked around, his eyes fell on the throne of the main hall, he was stunned, and he couldn't help taking a breath of cold air.

I saw a beautiful and sexy woman sitting on the throne.

This woman is about thirty years old, wearing a long black dress, which shows the graceful curves incisively and vividly. The facial features are beautiful, but the expression is indifferent, and the whole person gives a mysterious and arrogant feeling.

Immediately afterwards, Yue Feng was surprised when he sensed the strength of the woman.

It turned out to be the strength of the Holy Spirit in the previous paragraph.

At this time, Yue Feng didn't know that the woman on the throne was the Sect Master of Huan Shimen, Yin Shan!

Just when Yue Feng was fascinated, Yin Shan's red lips parted lightly, and she said coldly, "Your name is Fengtao?"

"Yes!" Yue Feng responded and nodded in response.

Yin Shan continued to ask, "What's your relationship with her?" After speaking, Yu pointed to Mrs. Lanya.

This...

Yue Feng pondered for a while, and didn't know how to answer for a while. He said that he was a friend, but there was a night of spring rain.

At this moment, Mrs. Lanya came out and said respectfully to Yin Shan: "Go back to the sect master, we are just ordinary friends."

Yin Shan showed a trace of displeasure: "Did I ask you?"

Seeing that the sect master was a little unhappy, Madam Lanya's body trembled, and she quickly stepped aside.

At this time, Yue Feng took a deep breath and asked Yin Shan, "Excuse me, where is this place?"

Yin Shan didn't respond immediately, but instead asked, "Do you know Huanshimen?"

What?

Hearing these three words, Yue Feng's heart was shocked, and he was stunned.

Yue Feng has also been in this different world for nearly half a year. Of course, he knows the phantom world. It is said that the people of this organization are both righteous and evil, and they act their own way.

Because of this, many people's discourse on the Fantastic World Sect has changed, and even the Temple of Light wants to get rid of this organization, but they have never been able to find the main altar of the Fantastic World Sect.

At this time, Yue Feng never thought that he would be caught in the phantom world.

In shock, Yue Feng looked at Mrs. Lanya again. It turned out that she was from the Huanshimen.

Just when Yue Feng was secretly surprised, Yin Shan said softly, "Do you know why I caught you?" The

voice was soft and pleasant, but there was a depressing coldness.

call!

Yue Feng took a deep breath and said with a smile, "How do I know? Did you tie me up because I was handsome?" As

he spoke, Yue Feng couldn't help looking up and down at Yin Shan.

I really didn't expect that the sect master of this fantasy world was actually a beautiful woman, whether it was her figure, face, or her cold temperament, she was of the highest quality.

Seeing Yue Feng staring at her tightly, Yin Shan frowned.

At this time, Rachel, who was standing on one side, immediately walked towards Yue Feng.

Snapped! Snapped! Snapped!

Reaching the front, Rachel raised her hand fiercely and slapped Yue Feng several times.

“Dare to stare at the sect master like this, courting death!” Rachel said coldly.

Nima!

Yue Feng was very suffocating, but his hands and feet were tied, and he couldn't break free for a while.

In the next second, Yue Feng was no longer so presumptuous, and smiled wryly at Yin Shan: “Sect Master, right, we have no grievances, why are you arresting me?”

Yin Shan expressionless, did not respond, but looked at Yin Shan glanced.

Yin Shan immediately understood and said coldly to Yue Feng: “Last night, you chatted with Mrs. Lanya and said that you can understand the ancient characters on the sacred book, right?”

It turned out to be because of this.

Yue Feng was stunned for a moment, and then he laughed. While smiling, he was secretly anxious.

It is no trivial matter that he can read the sacred book, but he cannot admit it casually.

At this moment, Mrs. Lanya came out quickly and asked Yin Shan: “Sect Master, the sacred scriptures are extensive and profound, how can Feng Tao understand them? He was just bragging at the time.”

When Yue Feng was raided by Rachel yesterday, Mrs. Lanya watched, but she couldn't help Yue Feng. She felt very guilty. When she saw Yue Feng in danger, she wanted to help her.

However, Yin Shan didn't listen at all.

In the next second, Yin Shan looked at Yue Feng coldly and said word by word, “Let's make a long story short, you translate all the contents of the holy scriptures for me, and I will let you go, otherwise, your life will be lost. I can't keep it, understand?”

When she said this, Yin Shan's face was cold, but she looked at Yue Feng with a bit of anticipation.

Over the years, Huanshimen has been suppressed by the Temple of Light, which gave Yin Shan a headache. Three days ago, she learned that the Queen was going to give the second half of the Holy Book of Jade Books as a gift to the Goddess of Light. At that

time, Yin Shan did not Without any hesitation, he secretly gave Mrs. Lanya an order to steal the holy book.

You must know that the sacred book is the treasure of the Temple of Light, and there is a huge secret hidden in it. As long as this secret is mastered, Huanshimen can fight against the Temple of Light.

However, after Yin Shan got the sacred book, she found the words inside, and she couldn't understand it at all. At this time, she was very excited when she learned that Feng Tao was able to understand the words on it, but she held her own identity and did not show it. come out.

After saying the last sentence, Yin Shan waved her hand, and immediately someone took a scroll of jade and spread it out in front of Yue Feng.

It is the second half of the sacred book.

Huh...

Seeing the holy scriptures, Yue Feng's face was calm, but he was very excited, and at the same time, he couldn't figure it out.

It seems that the second half of this sacred book was really stolen by Mrs. Lanya. It's just, why did she betray the queen and turn her allegiance to the sect master of this fantasy world?

"Come on!" Seeing Yue Feng's silence, Rachel couldn't help but let out a coquettish cry.

Yue Feng took a deep breath and said with a smile: "Mrs. Lanya is right, I was really bragging last night. I can't understand any of the words in this holy book. How can I translate it for you?" The

voice fell, Mrs. Lanya also quickly said: "Yes, sect master, Feng Tao can't understand the words on it at all, let him go?"

Chapter 3515

As soon as the words fell, Rachel suddenly shouted: "Shut up!"

Immediately, Rachel looked at Mrs. Lanya coldly and said word by word: "You help him several times, the relationship between the two of you is not easy. Right? In your heart, is the matter of the sect master important, or is this man more important?"

"I..."

Facing Rachel's question, Mrs. Lanya's face flushed and she was speechless for a moment.

At this time, Yin Shan looked at Madam Lanya quietly, and said slowly, "Although you helped me steal the sacred book and made a great contribution, don't forget that once you join the Huanshimen, everything will be done with illusions. The interests of the world are the most important."

Hearing this, Mrs. Lanya bit her lip tightly, her heart was extremely complicated.

"Okay!"

Seeing this, Yue Feng showed a smile and said to Yin Shan, "Don't you just want me to translate the holy scriptures? I can agree, but you have to let me go first."

"At that time, Yue Feng looked at Mrs. Lanya.

To be honest, Yue Feng was very annoyed at Mrs. Lanya when he was suddenly caught here, but at this time, seeing that she kept talking for him, the anger in his heart subsided a lot.

Seeing Yue Feng's condition, Yin Shan frowned.

At the same time, Rachel's face froze, and she said tenderly, "How dare you put forward conditions, do you have the qualifications?"

Shuh!

At the same time, other people around also glared at Yue Feng.

This person dares to make conditions with the door owner.

Just don't know how to live or die.

Ha ha..

In the face of the glares from everyone, Yue Feng did not panic at all, but his face was cynical: "Anyway, I have already put forward the conditions. If you don't agree to me, don't ask me to help translate."

Seeing Yue Feng's attitude, Yin Shan's pretty face sank, cold. Coldly said: "Okay, very good, talk to me about the conditions, I think you don't know the power of our Huanshimen. Rachel, punish me!"

Hearing the order, Rachel did not hesitate, and immediately took it from the side. Bring a bundle of wood thorns.

As you can see, these thorns are very peculiar, the texture is pure black, and at the top of the thorns, there is a purple-black, flashing with a cold light.

At this time, Rachel took the wooden thorn and walked to Yue Feng: "This is the thorn on the ghost vine tree. If the thorn is on the nerve, it can increase the human's pain by ten times. Now I am asking you for the last time on behalf of the sect master. , translate or not?"

Nima!

Looking at the wooden thorn in Rachel's hand, Yue Feng was furious, but his face still had the attitude of a dead pig not afraid of boiling water.

Seeing this, Rachel stopped talking nonsense, picked up a wooden thorn, aimed at the nerve on Yue Feng's shoulder, and stabbed it directly.

puff!

A sharp pain came, Yue Feng gritted his teeth and did not shout.

However, Ruiqiu wasn't finished yet. All the wooden thorns in his hand were stuck on Yue Feng's body, which is the most vulnerable place for nerves. At first, Yue Feng could grit his teeth and endure it, but in the end, he couldn't bear it anymore. just screamed.

Ma De, the way that Huanshimen tortures people is too sinister!

At this moment, Yue Feng was covered in cold sweat. To be honest, Yue Feng really wanted to mobilize his inner force to break free of the restraint, but the pain nerve was stabbed, causing his breath to become unstable.

Finally, Rachel stabbed all the thorns in her hand and stepped aside!

At this moment, Yin Shan looked at Yue Feng with a half-smiling smile: "How is it? Are you willing to translate now?"

Yue Feng took a deep breath and smiled without saying a word.
