

The ultimate husband in Chinese chapter 3561-3565

Chapter 3561 What the hell

!

Watching Fu Zhen leave, Yue Feng stood there, wanting to cry without tears.

This Fu Zhen's work is too unreliable, what should I do if you leave?

Yue Feng is not a fruit servant at all, and it is impossible to return to Lingguo Garden.

Forget it, Fu Zhen is gone, find a way to get out of here.

Making up his mind, Yue Feng walked forward.

However, after walking for a while, Yue Feng was so depressed that he felt his head was getting bigger.

Nima!

This Empress Hua Zhao's Yuyao Xianyuan is also too big!

Yue Feng was very depressed to see that there were countless Qionglou and Yuyu in front of him, and there were corridors everywhere, just like a huge maze.

What made Yue Feng even more depressed was that a barrier was also deployed in the sky above his head, just like the barrier in Lingguo Garden, but it was stronger, that is to say, Yue Feng could not fly at all.

If you want to leave Xiyuyao Xianyuan, you must go out.

call!

Seeing this situation, Yue Feng wanted to cry without tears, what should I do?

While depressed, Yue Feng walked around. However, he was not familiar with the environment here, and after walking for a long time, Yue Feng only felt dizzy and completely lost.

Um?

I don't know how long it took, Yue Feng came to a separate courtyard, and heard the laughter of women coming from inside.

Hearing the laughter, Yue Feng's heart was shocked. It should be a maid playing. After walking for a long time, he couldn't find the way out. Why don't you go in and ask.

Thinking to himself, Yue Feng walked in without hesitation.

hiss!

As a result, as soon as he walked into the small courtyard, Yue Feng was taken aback for a moment, and he suddenly took a breath of cold air!

I saw that in the small courtyard, there was a pond, surrounded by a dozen maids waiting, and in the pond, a graceful and charming figure was bathing in it.

This woman is very beautiful, especially her perfect figure, which reminds Yue Feng of two verses: natural to carve, and clear water to come out of hibiscus.

Gudong!

For a time, Yue Feng was almost stunned, and couldn't help swallowing his saliva.

At this time, Yue Feng didn't know that the beauty bathing was the youngest daughter of Jiutian God, Princess Dongling.

Just when Yue Feng was fascinated, all the maids around were startled and exclaimed!

"Who is it!"

"What a bold man, dare to break into the resting place of the princess?"

What? Princess?

Yue Feng reacted instantly when more than a dozen maids complimented him, and he was also taken aback.

Is the princess bathing in the pond? Nine Heavens God's daughter?

"Ah..."

Just when Yue Feng was stunned, Princess Dongling also saw Yue Feng and couldn't help but let out a coquettish cry, her beautiful face flushed red.

Princess Dongling was ashamed and angry, raised her jade arm and pointed at Yue Feng, her tone trembling: "Bold servant, dare to peek at this princess bathing?"

The man in front of him seems to be handsome, but he is so filthy, and, looking at his clothes, he is not from Yuyao Xianyuan, maybe he sneaked in, but at this time, he even

peeked at himself taking a bath, his eyes were still like this. The presumptuousness is simply lawless.

“...”

Seeing Princess Dongling's anger, Yue Feng calmed down and opened his mouth to explain.

However, Princess Dongling didn't give him a chance to explain at all, she snorted softly: “Come on, drag this person to me and wait for the release!”

Chapter 3562

Hula!

The voice fell, and the surrounding maids immediately moved their figures and directly subdued Yue Feng.

At this moment, Yue Feng wanted to resist, but these maids were too strong, and before they could react, they were tapped.

A few minutes later, Yue Feng was thrown into a five-dragon formation. There was no prison in Yuyao Xianyuan, but there was a five-dragon formation for detaining servants.

call!

At this time, Yue Feng looked around, and the whole person was depressed.

Nima, I thought that in the small courtyard, only the maids were playing, but I didn't know that it was the princess who was bathing.

No, I have to leave here quickly, Yue Feng muttered in his heart, and sat there cross-legged, and began to break through the acupoints!

Time passed by minute by minute.

Before you know it, a few hours passed.

call!

Finally, Yue Feng swept away the last acupuncture point, and he let out a sigh of relief, feeling much better at once.

Next, Yue Feng looked around at the five dragon formation in front of him, ready to crack it. At this time, Yue Feng's accomplishments in the formation technique had reached the peak of the peak, and a five-dragon formation could not trap him at all.

Um?

However, at this time, Yue Feng's eyes were attracted by something in the formation. I saw that there were small piles of white powder scattered on the ground within the Five Dragon Formation.

Why do these white powders look familiar?

Yue Feng murmured in his heart, walked over and grabbed a handful, and made a careful distinction, and suddenly felt extremely excited.

This... this seems to be easy to disperse.

At that time, Yue Feng was trapped in the Beiyang Palace, and he met Zhu Bajie by chance, and was then played by Zhu Bajie. At that time, Zhu Bajie used Yi Rongsan to pretend to be Hou Yi.

Later, Zhu Bajie gave Yue Feng the only disguise he had on his body, but after Yue Feng used it a few times, it was gone.

Yue Feng originally thought that a rare treasure like Yi Rongsan would be difficult to see again in the future, but he never thought that there were so many in the five dragon formations in Yuyao Xianyuan, and they were scattered randomly like this. on the ground.

It seems that in the realm of the gods, things like Yi Rongsan are regarded as ordinary things.

Thinking to himself, Yue Feng didn't have time to think about it, and quickly put away these Yirongs.

By the way, I can use Yi Rongsan, pretend to be the God of the Nine Heavens, and then order someone to take me out of Yuyao Xianyuan!

You are so smart!

To be honest, Yue Feng also knew that it was too risky to pretend to be the God of Nine Heavens, but after coming to Divine Realm, the men he met were the God of Nine Heavens except Fu Zhen. Therefore, we can only pretend to be the Nine Heavens God.

After making up his mind, Yue Feng did not hesitate at all, took out some Yi Rong San, added water, and slowly wiped it on his face.

Along with the cool feeling, I saw that the skin on Yue Feng's face changed little by little.

A few minutes later, Yue Feng's face has become the appearance of Jiutian God.

haha...and you're done!

At this time, Yue Feng was overjoyed, and then broke through the Five Dragon Formation and walked out!

Swish!

As soon as they got outside, several maids saw Yue Feng at once!

"See Your Majesty?"

"Your Majesty's good luck..." In the

sound of respect, several maids knelt down and saluted. At this time, these maids did not see that the Nine Heavens God in front of them was fake.

Haha...

Seeing this scene, Yue Feng was indescribably excited. He silently performed ventriloquism. In the tone of the Nine Heavens God, he said lightly, "Get up!"

When he said this, Yue Feng performed ventriloquism. Time, these maids are even more convinced. One by one stood up cautiously.

Chapter 3563

At this moment, a pair of patrolling soldiers came slowly.

"Your Majesty!"

When they got to the front, seeing Yue Feng, these divine soldiers hurriedly knelt down.

Like the maids around them, these divine soldiers also thought that the God of the Nine Heavens was in front of them.

Yue Feng waved his hand, motioned them to get up, and at the same time ordered: "You don't need to patrol today, you all go down!" There are too many patrolling soldiers. In order to ensure that they can leave safely, it is better to remove them all.

This...

Hearing this, these divine soldiers were stunned. This is Yuyao Xianyuan, a forbidden area in the divine realm. His Majesty would not allow patrolling?

However, seeing Yue Feng's serious face, none of these divine soldiers dared to go against them, so they quickly responded and retreated.

For a while, in front of Yue Feng, there were only a few maids left.

call!

At this moment, Yue Feng took a deep breath and smiled at several maids: "Okay, I want to go outside Yuyao Xianyuan now, you guys can accompany you together." After speaking, Yue Feng motioned for a few maids to lead the way.

"Yes, Your Majesty!"

Hearing this, several maids responded in unison, and immediately led Yue Feng to the outside of Yuyao Xianyuan.

In their hearts, it is normal for His Majesty to go out to relax.

Haha...

can finally get out of here!

At this moment, Yue Feng, indescribably excited, followed a few maids closely.

"Royal Father?"

However, before taking a few steps, he heard a pleasant and pleasant voice from not far away.

When the voice fell, I saw a slender figure, accompanied by a few maids, Shi Shiran walked over.

Wearing a long pink dress, she was indescribably elegant and charming. It was Princess Dongling who had imprisoned Yue Feng before.

What the hell!

How did you meet this princess again?

Suddenly seeing Princess Dongling, Yue Feng's heart froze for a moment, and he instantly became nervous.

The next second, Yue Feng calmed down. He is now the God of the Nine Heavens. What are you afraid of?

Muttering in his heart, the corners of Yue Feng's mouth twitched as he watched Princess Dongling approach with a smile!

Speaking of which, Yue Feng's face was indifferent at this time, but he was still a little confused. Although he used Yi Rong San himself, this is the realm of the gods after all.

Soon, Princess Dongling came to the front, and smiled lightly: "Father, I heard that you came to taste the precious fruit just now. I thought you were gone, but I didn't expect that you are still here!"

At the same time, Princess Dongling spoke. He couldn't help but glance at the Five Dragons Formation not far away!

The Five Dragons Formation is a place dedicated to punishing servants. Anyone who makes a mistake will be locked in the Five Dragons Formation. How could the father appear here?

call!

Aware of Princess Dongling's gaze, Yue Feng instantly became nervous.

What the hell, she won't really see through her disguise, right?

Thinking to himself, Yue Feng exerted his breath and said to Princess Dongling: "I have nothing to do today, I will stay here for a while, by the way, I heard just now that you locked a person from Lingguo Garden in the Five Dragon Formation?"

At this time, Yue Feng still didn't know his identity and whether he was seen through by Princess Dongling, but he knew that if he took the initiative to bring up this topic, he would be able to take the initiative.

Chapter 3564

"Yeah!"

Princess Dongling nodded, very embarrassed and angry: "So that person is from Lingguoyuan, he really has no rules at all." When it comes

to Yue Feng, Princess Dongling gets angry. However, when he peeked at his bath, Princess Dongling was too embarrassed to say it.

Hearing this, Yue Feng knew that his disguise had not been seen through. Otherwise, she would not have answered her own question, and she felt relieved immediately.

The next second, Yue Feng cleared his throat and said seriously to Princess Dongling: "As a princess, you can't be too arrogant, that fruit servant is called Yue Feng, he is very talented, and you can't treat it as an ordinary servant, you know? ?"

This... Hearing this, Princess Dongling was very unconvinced: "Father, even if Yue Feng is talented, he is just a fruit servant, why are

you helping him?"

Princess Ling was very puzzled.

What happened to your father today? Even taking the initiative to mention a fruit servant, you must know that the father and emperor usually don't care about these servants at all.

Yue Feng's face sank, and he said coldly: "Shut up for me, Guo Pu is not human? I tell you, this Yue Feng, I am going to reuse it. When I see him in the future, I must be respectful and courteous, you know? ?"

When he said this, Yue Feng's face was serious, but he secretly laughed in his heart.

Haha...

Take this opportunity to scold this Princess Dongling, who made her stand tall? At the same time, you can also indirectly improve your identity. It just kills two birds with one stone.

"Father!"

Seeing Yue Feng getting angry, Princess Dongling suddenly became nervous, lowered her head and said softly, "I was wrong."

At this time, Princess Dongling was very nervous. She thought that the person who peeked at her bath today was just a wretched servant, but she never thought that that person would be so appreciated by her father.

Yue Feng stood there with a serious face and did not respond. Princess Dongling

was completely panicked at this moment, and quickly said: "Father, I was really wrong. I shouldn't have put him in the Five Dragons Formation. I'll let him be released."

Prepare to send someone to the Five Dragons Formation.

What the hell!

At this moment, Yue Feng was startled, and hurriedly said, "No need!"

He had already sneaked out. If Princess Dongling sent someone to look at it, wouldn't it be revealed?

“Why?” Princess Dongling looked puzzled.

The emperor in front of me asked me to treat that Yue Feng with respect, and he didn't let me let him out...

At this moment, Yue Feng's mind quickly turned and responded: “Just now, I had someone let him out. Well, by now, Yue Feng should have returned to Lingguo Garden.”

Anyway, he's pretending to be the God of Nine Heavens, so he's not afraid of talking nonsense.

Hearing this, Princess Dongling suddenly nodded.

The next second, Princess Dongling hugged Yue Feng's arm with a coquettish look on her face: “Father, your daughter is indeed a little arrogant today, so please forgive her!”

While speaking, Princess Dongling took Yue Feng and sat down on a chair not far away.

Feeling Princess Dongling's charming and cute appearance, Yue Feng was not good at accusing him, and nodded, “Well, just don't do this again next time!” That's

great!

Seeing that Yue Feng was no longer angry, Princess Dongling smiled happily, then knelt down in front of Yue Feng and gently beat his legs for Yue Feng, ingratiatingly said: “My daughter hasn't served the royal father for a long time, let me beat your legs for you!

” Hmm!” Yue Feng nodded, but his heart was secretly addicted.

Haha... Princess Dongling, who is aloof, actually took the initiative to beat her legs. Such a good thing, I can't even think about it. After all, this is the daughter of the Nine Heavens God.

While enjoying it, Yue Feng admired Princess Dongling.

I have to say, this Princess Dongling's figure is really perfect. Especially this coquettish look, any man will be unable to extricate himself when he sees it.

Chapter 3565

After enjoying it for a while, Yue Feng closed it when he saw it, and said to Princess Dongling: “Okay, I'm going to deal with some things, you just stay here!” With

that, Yue Feng motioned to the person in front of him. Several maids, ready to leave.

“Royal Father, I’ll send you off!” Princess Dongling quickly stood up and was about to send it off.

Yue Feng shook his head: “No, it’s getting late, you should rest early!” The voice was not loud, but it was unquestionable.

Just kidding, I am a fake Nine Heavens God, how can I let Princess Dongling send her off?

Seeing Yue Feng’s serious face, Princess Dongling stopped insisting, standing there, watching Yue Feng leave with respect.

Haha...

Soon, under the guidance of several maids, Yue Feng walked out of Yuyao Xianyuan, and in an instant, the whole person was indescribably relaxed and excited.

Nima, although the process was a little frightening, it finally came out successfully.

Um?

Excited, Yue Feng saw not far away, a team of patrolling soldiers was walking slowly. I saw that the leader was wearing golden armor and holding a purple-gold long spear. He was tall and majestic.

It is the divine general responsible for guarding Yuyao Xianyuan, Gong Ao!

Seeing Gong Ao, Yue Feng was taken aback, how did he meet this guy?

When he first came to Yuyao Xianyuan, Yue Feng had seen Gong Ao once, and knew that Gong Ao had great power and commanded the entire Yuyao Xianyuan’s divine soldiers, and was even named the Holy General of Huntian by the Nine Heavens God.

At this time, Yue Feng was very speechless.

I thought that I would be able to breathe a sigh of relief if I lied to Princess Dongling, but I never expected that just after walking out of Yuyao Xianyuan, I met Gong Ao again.

In the panic, Yue Feng didn’t have time to think, and quickly hid behind the tree next to him.

Whoa!

It was at this moment that Gong Ao brought a team of magical soldiers and slowly walked to the gate of Yuyao Xianyuan. At this time, it was only a dozen meters away

from Yue Feng, but Yue Feng was very hidden, so Gong Ao Yi People, haven't found it yet.

At this time, Gong Ao stood there, seemingly calm, but a little unhappy.

"Your Excellency the Holy General!"

At this time, a divine soldier stepped forward to please: "Why do you look so unhappy?"

Gong Ao took a deep breath and said slowly, "It's nothing, Lingguoyuan sent Jane before. Fruit, the Empress was dissatisfied, she just took a sip, and she threw away the rest, thinking about it now, it's a pity."

When he said this, Gong Ao's tone showed a bit of dissatisfaction.

In Gong Ao's heart, he has been guarding Yuyao Xianyuan, loyal for hundreds of years, without credit or hard work. Today, I thought that Lady Hua Zhao was dissatisfied with this precious fruit and could give it to herself, but Lady Hua Zhao was not All of them were lost, which made Gong Ao very uncomfortable.

Hearing Gong Ao's words, the god soldier understood, nodded and said regretfully, "Yes, no matter how bad those precious fruits are, they are still first-class treasures for us. It's really a pity that the empress is so lost.

", the magic soldier came up and said mysteriously to Gong Ao: "Otherwise, wait for the little one to go to Lingguo Garden, and say that the empress wants to taste the precious fruit again, and then I will bring the precious fruit and give it to the saint. Let the adults taste it."

"On the Lingguo Garden side, I would never dare to ask more questions, but on the Empress' side, as long as we hide it, there will be no problem."

This...

Hearing this, Gong Ao's face changed, It is a heinous crime to taste precious fruits under the guise of Empress Hua Zhao.

But on second thought, what this subordinate said is not bad, as long as you are careful, there will be no problem.

As soon as he thought that he could taste the precious fruit, Gong Ao's eyes suddenly flashed a scorching light. Speaking of which, Gong Ao has reached a bottleneck in his practice over the years. Only by taking the precious fruit can he break through. Others are simply not eligible to taste.

To be honest, Gong Ao didn't plan to do this, but in order to break through the bottleneck, he had to take risks. More importantly, before, Empress Hua Zhao would rather throw away the precious fruit than reward him, which made Gong Ao very uncomfortable. Comfortable.

What the hell!
