

The ultimate husband in Chinese chapter 3631-3640

Chapter 3631

Call!

Seeing this scene, the surrounding Jinpeng clan were extremely excited.

The boss grasped the timing very well!

At the same time, Lan Ling Peacock and Colorful Phoenix were also taken aback, and at the same time they were also a little annoyed.

This Jinpeng is too sinister. He didn't help at first, and when he and Yue Feng were both beaten, he suddenly shot and enjoyed the success.

"Hahaha.."

Jin Peng didn't care about Lan Ling Peacock and Colorful Lingfeng's eyes, he laughed up to the sky, indescribably excited.

Immediately, Jin Peng stared at Yue Feng, his tone full of pride: "Boy, didn't you expect it? I said, I will kill you myself!"

"Jin Peng!"

Yue Feng's eyes were blood red as he stared at Jin Peng, said coldly: "Thanks to you still being the leader of the Jinpeng clan, you can only make a sneak attack with this little skill. At the bottom of the abyss, you took advantage of Queen Suzaku's serious injury and secretly attacked, and now you are doing my old tricks again, you Don't be ashamed, I'll be ashamed for you!"

At this moment, Yue Feng was very annoyed.

Ma De, being hit so hard by Jinpeng, is really not reconciled.

Muttering in his heart, Yue Feng couldn't help but glance at Lan Ling Peacock. In the end, the two of them joined forces and their power was too strong, and he couldn't take care of his back at all!

"Jin Peng!"

At this moment, Lan Ling Peacock reacted and shouted at Jin Peng Jiao, "Kill him!" Speaking of which, Jin Peng's behavior just now made Lan Ling Peacock despised. But no matter what, in the end, he succeeded in defeating Yue Feng.

This chapter is provided by . Visit for daily update.

Speaking of which, Lan Ling Peacock really wanted to kill Yue Feng with his own hands to avenge the Queen Suzaku, but in the fierce battle just now, Lan Ling Peacock had consumed a lot of power, so Jinpeng could only do it for him at this time.

At this time, Lan Ling Peacock didn't know that she was completely fooled by Jinpeng.

It was not Yue Feng who really killed Queen Suzaku, but Jin Peng.

“Don't worry!”

Hearing Lan Ling Peacock's cry, Jin Peng showed a meaningful smile: “I will definitely kill him!” After speaking, he slowly walked towards Yue Feng.

As he approached, Jin Peng said with a wicked smile: “Boy, before you die, do you have any last words?” When he said this, Jin Peng looked at Yue Feng, but his attention was on Lan Ling Peacock.

Yue Feng sneered and did not respond.

Jin Peng stopped talking nonsense, but when he passed by Lanling Peacock, he suddenly turned around and raised his hand towards Lanling Peacock's back.

In Jin Peng's heart, Yue Feng had already been hit hard, and there was no threat for the time being. The most important thing at the moment was to control the Lanling Peacock and the Colorful Lingfeng.

“You...”

Seeing Jinpeng attacking her, Lan Ling Peacock's pretty face changed, she was shocked and angry, she wanted to dodge at the same time, but she was too close to react at all.

boom!

This palm hit Lan Ling Peacock directly on the back, she heard a grunt, and she stepped back several dozen steps, her face pale and extremely weak.

After stabilizing her figure, Lan Ling Peacock finally couldn't hold it anymore, and fell to the ground all of a sudden. The fierce battle with Yue Feng just now had consumed a lot of strength. At this time, facing Jinpeng's surprise attack, she couldn't bear it at all.

Swish!

Seeing this scene, whether it was the colorful phoenix, or the dozens of Feiyu League members behind, were all taken aback.

Nima!

At the same time, Yue Feng frowned and cursed.

This Jinpeng is simply despicable. First he raided himself, and now he plots against Lan Ling Peacock.

“Jinpeng!”

Chapter 3632

Finally, Qi Cai Lingfeng reacted, staring at Jin Peng and said coldly: “What are you doing? You are crazy.” When saying this, Qi Cai Lingfeng was extremely annoyed.

Qi Cai Lingfeng and Lan Ling Peacock, both the right-hand men of Queen Suzaku, have a very close relationship with each other. When they saw her being plotted against by Jin Peng, they couldn't help it.

“Yes, I'm crazy!” Jin Peng looked proud, ignoring the anger of the colorful Lingfeng: “But don't blame me

, how can I revive the Feiyu League if I don't subdue you and Lanling Peacock?”

, Qi Cai Lingfeng's delicate body trembled, and she shouted: “Jin Peng, you shameless and despicable person!” The

voice fell, Qi Cai Lingfeng raised his right hand, five fingers became claws, directly thinking of Jin Peng to grab it.

call!

This claw contains the ten successful power of the colorful spirit phoenix! It can be clearly seen that where the figure passes, the surrounding air is extremely distorted and distorted, which is amazing.

“Haha!”

Seeing Qi Cai Lingfeng attacking, Jin Peng didn't panic at all, and said slowly: “Qicai Lingfeng, if it was before, maybe I would still be afraid of you, but today, I will eat you and Lan Ling Peacock.”

Leng After Leng said this, Jin Peng's eyes turned gloomy, and the strength of his body erupted, and then his figure erupted, and greeted the colorful phoenix with lightning speed.

boom!

In the next second, the figures of the two sides collided in mid-air, and immediately after hearing Qi Cai Lingfeng let out a painful hum, the figures were directly shaken back dozens of meters away.

Jin Peng is right. If it is normal, he is not the opponent of Qicai Lingfeng at all. You must know that Qicai Lingfeng is the strongest of all the subordinates of Queen Suzaku. However, the fierce battle with Yue Feng just now consumes a lot of power. Jinpeng, who is at his peak strength, is naturally not an opponent.

However, Qicai Lingfeng has a cold and arrogant personality, and never admits defeat. After stabilizing her figure, her figure looks astonishing and comes towards Jinpeng again.

"It's too much!"

Jin Peng snorted coldly, without any nonsense, all the power in his body exploded, and once again greeted the colorful phoenix!

"Bang bang bang!" The

two figures were in mid-air, constantly colliding back and forth, sending out waves of terrifying vibrations.

Seeing this scene, the audience was silent.

Especially Lan Ling Peacock, biting her lip tightly, was very worried about Qi Cai Ling Feng.

In the blink of an eye, a few rounds passed, the speed of the colorful Lingfeng slowed down, and the delicate and arrogant face was extremely pale.

"Haha... Colorful Lingfeng don't struggle..."

At this moment, Jin Peng sneered, the figure suddenly accelerated, and then raised his hand and slapped it!

The speed of this palm was as fast as lightning, and the colorful spirit phoenix couldn't dodge it. At that time, as long as he bit his lip tightly, mobilizing all his strength, he greeted it with one palm.

boom!

The next second, the palms of the two touched, and a dull vibration sounded. At this moment, the beautiful body of the colorful phoenix retreated dozens of steps in a row, and her face was instantly ugly!

Jinpeng burst out with all his strength, and the power of the colorful spirit phoenix was almost exhausted, of course it was not an opponent!

“Huh...”

Qi Cai Lingfeng only felt stuffy in her chest, stabilized her figure, and looked at Jin Peng in shock and anger, her face full of anger and unwillingness.

It was so embarrassing to lose to Jinpeng like this.

Jin Peng sneered, his face full of pride, and looked at the colorful Lingfeng and mocked: “What? Are you not convinced? It’s useless if you are not convinced, just accept your fate... Haha.” After the words

fell, Jin Peng walked over and took out a piece from his body. A golden rope ties the colorful phoenix and the peacock with the orchid.

You can see that this golden rope is completely made of golden feathers, mixed with unique metal, which is extremely tough. It is the unique golden feather rope of the Jinpeng family.

At this moment, Qi Cai Lingfeng and Lan Ling Peacock both trembled and could not move at all.

Chapter 3633

Alas!

Seeing this scene, Yue Feng secretly sighed.

Lan Ling Peacock and Qi Cai Lingfeng were both arrested, and it was over.

“Jin Peng, you scum!”

At this moment, Lan Ling Peacock bit her lip tightly, extremely frightened, and yelled at Jin Peng: “You dare to plot against me and Qi Cai Lingfeng, have you thought about the consequences? Let us go !”

At this time, Lan Ling Peacock’s body was trembling with anger, and her eyes were full of anger.

You must know that in the Feiyu League, Jin Peng's status is far inferior to Lanling Peacock. Every time Jinpeng sees Lanling Peacock, he is respectful and courteous, but now, Jinpeng is so bold to plot against her, which makes Lanling Peacock endure. No.

"Shut up!"

Seeing Lan Ling Peacock's high-spirited attitude, Jin Peng's face sank, and then he walked over quickly, slapped her hard, and slapped her in the face!

"Clap!"

When the slap went down, Lan Ling Peacock let out a coquettish cry, and a slap print appeared on her fair face.

"Shao Te Ma is putting on airs in front of me. Do you think you are still a celebrity by Queen Suzaku's side, and you can call me around? Let me tell you, Queen Suzaku is dead, and you are just my prisoner now. "Jin Peng looked at Lan Ling Peacock coldly, his expression was arrogant, and he almost squeezed these words out of his teeth!

At this time, Jin Peng was extremely happy. Ma De, who was not taken seriously by Queen Suzaku before, was subservient to the Lanling Peacock and suffered all the fuss, and now he has finally turned over, how can he tolerate her shouting in front of him Call?

Lan Ling Peacock was blinded by this slap and stayed there.

A few seconds later, Lanling Peacock reacted and looked at Jinpeng and said angrily: "Jinpeng, you, you actually hit me? I will definitely kill you!"

In Lanling Peacock's heart, she has always looked down on Jinpeng, and now she faces Jinpeng. The humiliation, under the anger, almost collapsed.

"Crack!" The

voice fell, and Jin Peng slapped him again!

"Ma De, it seems that the slap just now didn't wake you up. I'm warning you once, don't put on a high-level attitude in front of me, understand?" Jin Peng said coldly, and his expression was extremely sinister.

Swish!

Seeing this scene, Qi Cai Lingfeng next to him couldn't stand it any longer, his face full of frost, and he cursed: "Jin Peng, you are crazy, everyone is from the Feiyu League, why are you killing each other?"

Until this time, Colorful Lingfeng still didn't understand what was going on.

She only knew that this Jinpeng was originally inferior to herself and Lanling Peacock, but now, she has humiliated Lanling Peacock in every possible way, which is absolutely hateful.

Hearing the angry shout, Jin Peng stopped and looked at Qicai Lingfeng coldly: "What are you calling? Shut up for me too."

Qicai Lingfeng was so angry that he wanted to speak, but was beaten by Yue Feng who was not far away. broken.

"Alas!"

Yue Feng sighed deeply, first looked at Lanling Peacock, and then at Qicai Lingfeng, and said helplessly: "You still don't understand? This Jinpeng catches you and just wants to regroup. Feiyu Alliance, be the leader of the alliance yourself."

"Also, in the underground abyss, he was going to plot against the Queen Suzaku, but unfortunately you don't believe me."

When he said this, Yue Feng looked depressed.

Ma De, if Lan Ling Peacock and Qi Cai Lingfeng believed me just now, they wouldn't end up like this now. It's a pity that they were all bewitched by Jinpeng.

Swish!

Hearing these words, Lan Ling Peacock and Qi Cai Lingfeng's eyes locked on Jin Peng, and their eyes were full of anger and complexity.

"Haha!" Jin Peng sneered, with a sinister look on his face: "This kid is right, I did raid Queen Suzaku at that time. She was severely injured by the White Tiger King at the time, and she couldn't recover completely in a short time. Only by passing on the power to me can we save the predicament of our Feiyu League."

"But Queen Suzaku, she actually passed on the power of bird ancestors to this human being, and not to me, so pedantic and stupid, she deserves to die!" The

last sentence, Jin Peng He roared out, his eyes full of resentment.

Chapter 3634

Anyway, Lan Ling Peacock and Colorful Lingfeng have been caught by himself, so it doesn't hurt to tell the truth.

What?

Hearing these words, whether it was the colorful phoenix or the peacock with blue lingering, all of them were trembling with incomparable grief and grief.

This... this Jin Peng, it is absolutely shameless to do such a rebellious thing.

At the same time, Lan Ling Peacock and Colorful Lingfeng also glanced at Yue Feng, with a bit of guilt and apology in their eyes.

It turned out that what Yue Feng said was the truth, and he misunderstood him.

“Jin Peng!”

In grief, Lan Ling Peacock couldn't help but yelled at Jin Peng: “You commit a crime and kill the queen, you must die.”

At the same time, Qi Cai Lingfeng also glared at Jin Peng, wishing Skin him cramps.

Ha ha!

Facing their glares, Jin Peng sneered, and then said slowly: “Kill me, will Queen Suzaku be able to be resurrected? You two are really stupid and loyal.

” The most important thing now is to reorganize the Feiyu League to fight against the White Tiger King. As long as the two of you promise to be loyal to me, I promise not to treat you badly!”

“At that time, let's defeat the White Tiger King together and unite all the monsters to leave this ghost place, you guys. They are all great heroes.”

Phew!

Hearing this, Lan Ling Peacock and Qi Cai Lingfeng looked at each other in shock and anger.

It turned out that Jin Peng tried his best to plot against me, just to make me allegiance to him.

Ha ha...

At the same time, Yue Feng, who was not far away, couldn't help but chuckle.

This Jinpeng finally showed his fox tail.

Thinking about it, Lanling Peacock had a firm face and cursed at Jinpeng: "Jinpeng, with your character, you still want to reorganize the Feiyu League? Stop dreaming!"

In Lanling Peacock's heart, Jinpeng was killed Queen Suzaku, I can't wait to slash him with a thousand swords, how can I surrender?

When the words fell, Qi Cai Lingfeng also followed and shouted: "Jin Peng, you will not end well."

Facing the anger, Jin Peng didn't get angry, but smiled.

The next second, Jin Peng looked at the dozens of Feiyu League members next to him: "Are you willing to surrender?"

Jin Peng knew that Lanling Peacock and Qicai Lingfeng would not give in easily, so he decided to start with their men.

"Haha..." After the

voice fell, one of the members of the Feiyu League strode out and glared at Jin Peng: "Jin Peng, you shameless scum, you killed the Queen Suzaku, and now you are attacking the colorful Lingfeng and Lanling Peacock. , and pretending to reorganize the Feiyu League? You disloyal and unrighteous scum, I would rather die than take refuge in you!"

"Okay, very good!" Jin Peng nodded again and again.

When the words fell, Jin Peng's face flashed a ferocious look, without any nonsense, he slapped him directly.

boom!

The member of the Feiyu League didn't have time to react at all. With a miserable cry, he flew out directly. After landing, blood spurted out, and he died of breathlessness!

hiss!

Seeing this scene, the rest of the Feiyu League members all turned pale and trembled in their hearts!

This Jinpeng is too ruthless.

Chapter 3635

"What about you?"

At this time, Jin Peng looked at the remaining dozens of Feiyu League members, and the cold voice was like that from hell: "Whoever obeys me will live, and whoever goes against me will die, you Think clearly." As soon as he finished speaking, one of the members of the Feiyu Alliance quickly came out, knelt

down in front of Jin Peng in public, and said loudly, "See the alliance leader!"

To be soft is to die!

"See the leader!"

Seeing the leader, the rest looked at each other in dismay, and immediately knelt down.

The situation in front of him is very obvious. If you don't obey Jin Peng, you will die. Who doesn't want to live?

call!

Seeing this scene, Yue Feng's brows were furrowed, and he was extremely frightened.

Mad, this Jinpeng is not only insidious, but also has such a ruthless heart. At this time, playing this game is clearly intended to show Lanling Peacock two.

But I have to say, this one-handed kills the chicken and warns the monkey, and it plays very well.

"You..."

Sure enough, seeing his subordinates, all bowed their heads to Jinpeng at this time, Lan Ling Peacock's delicate body trembled, anxious and angry.

Qi Cai Lingfeng also stomped her feet in a hurry.

On the other hand, Jin Peng was extremely excited, and the corners of his mouth twitched, revealing a smile.

The next second, Jin Peng said with a smile, "Qicai Lingfeng, Lanling Peacock, have you figured it out now?"

Qicai Lingfeng snorted and said nothing.

Lan Ling Peacock is also firm.

"Okay!"

Seeing their reaction, Jin Peng showed a sinister smile on his face, and said coldly: "Very good, I'll see when you can be tough!" After speaking

, Jin Peng ordered his men behind him: "Come on, take them both. All his arms are cut off!"

Whoops!

As soon as the words fell, several warriors of the Jinpeng clan immediately came over, holding long knives tightly in their hands.

What the hell!

Seeing this, Yue Feng couldn't help taking a deep breath.

These two Lanling Peacocks, the leaders of the Peacock Clan and the Phoenix Clan, would be embarrassed if their arms were cut off, it would be even more uncomfortable than killing them.

Thinking to himself, Yue Feng wanted to rush over to stop him, but he was attacked by Jinpeng before, and his body was weak. He was completely powerless.

Swish!

Seeing a few warriors from the Jinpeng clan come over, Qi Cai Lingfeng had no fear, and said coldly: "Jin Peng, you'd better kill me directly, otherwise, I will make you pay with blood." The

voice fell, Lan Ling Phoenix also had a look of grief and indignation: "Jin Peng, you're going to die!"

Jin Peng didn't talk nonsense, and signaled his subordinates to act immediately.

After being instructed, several warriors of the Jinpeng clan raised their long knives without any hesitation, and were about to cut them down.

Buzz...

However, at this critical moment, a wave of breath came from a distance, Jin Peng, his subordinates, and the three Yue Feng turned their heads to look, and when they saw it, they were all stunned. Living.

I saw that a black figure not far away was rushing in quickly. There were tens of thousands of people. It was a member of the Beast League, and the leader was a burly figure with a majestic face.

It is the White Tiger King.

Obviously, when the White Tiger King learned of Jin Peng's whereabouts, he brought his subordinates to encircle him.

Mad!

Seeing this scene, Jin Peng was shocked, and then hurriedly shouted: "Quick, get out!"

At the same time, Jin Peng did not forget the three Yue Feng: "Take the three of them with you."

Chapter 3636

At this time, Jinpeng is not strong enough to fight the White Tiger King, so he can only choose to avoid his edge.

Hearing the order, the warriors of the Jinpeng clan did not hesitate at all, holding three Yue Feng, and under the leadership of Jinpeng, they quickly evacuated.

Although Jin Peng evacuated quickly, he was still seen by the White Tiger King not far away.

"It's the Jinpeng family!"

At this moment, the White Tiger King didn't hesitate, he waved his hand: "Chase, don't let them run away!"

Ouch!

As soon as the words fell, a terrifying aura erupted from the White Tiger King's body, and he chased after him one step at a time.

Tens of thousands of Beast League members followed closely behind.

...

On the other side, the mainland of Kyushu.

Three years have passed since Yue Feng was involved in the chaotic whirlpool. During these three years, there have been peaceful exchanges between various continents, and there have been fewer battles in the rivers and lakes, and it is rare to find peace.

At this moment, the imperial city of Tianqi Continent.

Today the weather is good and the sun is shining brightly. On the streets of Huangcheng, people are surging, and the forces of various continents are coming together, making the already prosperous Tianqi Imperial City look extremely lively.

Today is a special day, the Kyushu Convention, which will be held here.

Before the Nine Heavens God, after learning about the situation in the Kyushu Continent, he immediately sent an envoy to preside over the situation in the Kyushu Continent. After the arrival of the divine envoy, the Kyushu Continent was extremely shaken.

This chapter is provided by . Visit for daily update.

Afterwards, the divine envoy issued a summoning order to ask all forces in the Kyushu mainland to come to Tianqi Imperial City to participate in the Kyushu Conference.

And today is the day of the Kyushu Conference.

At this time, a majestic high platform was built on the square of the Temple of Heaven on the north side of the imperial city, and around the high platform, there were tens of thousands of seats. At this time, these seats were already crowded with people. From a distance, it was dark. One piece, it's spectacular!

In these seats, in addition to the royal families of various continents, there are also major sects in the rivers and lakes.

From a distance, I could see Danzong and Wenzong from Dongao Continent, Sacred Fire Sect from Apocalypse Continent, and Shaolin, Wudang, Emei, etc. from Diyuan Continent, all coming.

In addition to these, Sun Dasheng from Huaguo Mountain and Wen Chou Chou from the Hall of Longevity also came to the conference!

Between Sun Dasheng and Wen Chou Chou, there was still a handsome figure, wearing a white gown, with short hair that was indescribably refined and handsome, it was Yue Wuya.

At this time, Yue Wuya was already the second Sect Master of Tianmen.

Since Yue Feng was involved in the chaotic vortex, the entire Kyushu Continent believed that Yue Feng was dead. At that time, Yue Wuya was also heartbroken, and then took over the position of Tianmen Sect Master.

Although Yue Wuya is very young, only eighteen or nineteen years old, in the past three years, he has led Tianmen with all his heart, and Tianmen, whose reputation has almost fallen into a low ebb, quickly returned to the top of the rivers and lakes.

“Uncle Wen, Uncle Sun.”

At this moment, Yue Wuya was sitting there and couldn't help but ask, “This divine envoy, suddenly wants to hold the Kyushu Conference, what does he want to do?”

Sun Dasheng shook his head and muttered: “Who knows, the invitation didn't say anything, it's mysterious.” The

voice fell, Wen Chou Chou laughed, and said, “Whatever he wants to do, this divine envoy is from the realm of the gods, and his identity is unusual, wait a moment. After he shows up, let's just listen to what he says.”

Just listen?

Yue Wuya frowned and couldn't help but say: “Uncle Wen, if this divine envoy is talking about things that are not good for Kyushu, should we also listen?”

At this time, Yue Wuya was full of vigor and vitality. When you are old, you can say whatever comes to your mind.

Uh...

Wen Chou Chou was stunned for a moment, and then smiled bitterly: “It shouldn't be.”

Yue Wuya thought about it, and continued: “If it really is the same as what I think, I don't care what kind of messenger he is.

” A few years ago, if it wasn't for the negligence of God's Domain, the enchantment of the Kyushu Continent was secretly destroyed by Hades, making the Xuantian Great Formation disappear, and the series of things that followed would not have happened, and his father Yue Feng would not have been involved in the chaotic whirlpool.

Therefore, in Yue Wuya's heart, he didn't have any favorable impression of the Divine Realm at all.

“Haha!” Sun Dasheng laughed, patted Yue Wuya's shoulder and said, “As expected of my nephew, we both think the same thing. Let's get up and leave after the envoy says nonsense.”

Sun Dasheng has a bold personality . , it has been straight, and it has not changed for more than ten years.

Chapter 3637

“The Great Sage!”

Hearing this, Wen Chouchou was speechless, unable to laugh or cry: "Y'er is young and ignorant, why are you making a fool of yourself?"

This Great Sage has been around for more than ten years, and his reckless personality is still there. Not changed.

Sun Dasheng scratched his head and smiled.

While watching, the surrounding noisy square suddenly became silent.

"God is here!"

Immediately afterwards, someone shouted, and in an instant, the eyes of the audience converged on the high platform.

I saw a middle-aged man walking slowly from the high platform, dressed in a luxurious and gorgeous robe, embroidered with the pattern of the seven stars and the moon, accompanied by the decoration of auspicious clouds, and his body was filled with an extraordinary temperament.

It was the divine messenger from the Divine Realm, Luo Jue.

Swish!

At this moment, feeling Luo Jue's aura, everyone couldn't help holding their breath.

At this time, Luo Jue looked around, and then, an extremely rich voice came out of his mouth: "Thank you for being here and participating in the Kyushu Conference!" The

voice was not loud, but it spread throughout the entire Praying Temple Square, and everyone could hear it. Clearly.

For a time, many people couldn't help but admire secretly.

As expected of a divine envoy from God's Domain, this strength is indeed formidable.

At this time, Yue Wuya couldn't help but said in a low voice, "This divine envoy is so powerful that I can't even feel his realm."

Hehe...

When the words fell, Wen Chou Chou smiled and explained: "Of course, the realm of cultivation in God's Domain is completely different from that of our Kyushu Continent. You can't perceive it, it is normal."

Wen Chou Chou used to be the messenger of Hades, Informed. Learn a little about the realm.

Yue Wuya looked solemn and stopped talking.

Sun Dasheng, who was next to him, pouted and muttered: "Isn't it from God's Domain, what's so amazing."

"Everyone!"

At this moment, I heard Luo Jue on the high platform, and said again: "This seat The name Luo Jue was specially sent by the God of Nine Heavens to rectify the situation in Kyushu."

"Back then, the King of Pluto secretly destroyed the Xuantian formation, causing a series of problems. This matter is indeed the negligence of the God Realm, and the God of Nine Heavens also attaches great importance to it. In order to prevent this from happening, under the instructions of the Nine Heavens God, Divine Realm will establish a Heavenly Dao Alliance in the Kyushu Continent!"

Establish a Heavenly Dao Alliance?

Hearing this, the whole audience was stunned.

Seeing the expressions of everyone in the audience, Luo Jue looked calm, without the slightest fluctuation, and said slowly: "Tiandao Alliance, as the name suggests, is the Tiandao Alliance, the purpose is to give the entire Jiuzhou Jianghu a good order."

After speaking, Luo Jue turned He turned around and waved.

Immediately, eight charming figures slowly walked up to the high platform, all of them wearing veil long skirts, full of fairy spirit, it was the eight saintess Zi Yan and Huanxiang.

When Luo Jue came to the Kyushu Continent, he immediately met eight Zi Yan. Afterwards, with the assistance of the eight saintess, this Kyushu Conference was held.

Swish!

As soon as the eight saintesses of Zi Yan appeared, the audience immediately became restless.

Many men, their eyes are straight.

"This... these are the eight nine-day saints."

“So beautiful, the last time I saw them was three years ago...”

“Yes, as expected of fairies, I haven’t seen them for so long, Each one is more beautiful.”

Chapter 3638

The whispers around him kept coming, and Luo Jue looked indifferent.

The next second, Luo Jue said: “These eight saintesses must be familiar to you. After the establishment of the Tiandao Alliance today, the eight of them are the Dharma Kings of the Tiandao Alliance. Wait for the various sects present, if they want to join the Tiandao If you want to join the alliance, just find the eight of them directly!”

“By the way, after the establishment of the Tiandao Alliance, it is entirely up to everyone’s wishes to not force the various sects present to join.” The

last sentence fell, and there was a lot of discussion around.

“It’s interesting not to be forced to join...”

“If that’s the case, who else joins? It’s great to be independent...”

“That’s right, but then again, after joining the Heavenly Dao Alliance, there is God’s Domain behind it. It’s over...”

Listening to the discussions around, Yue Wuya looked indifferent and sneered inwardly.

This Luo Jue said it nicely, why the establishment of the Tiandao Alliance is for the sake of the entire Kyushu rivers and lakes, but in fact, he wants to control the entire Kyushu rivers and lakes.

Back in the days when Hades had cholera on the Kyushu mainland, I didn’t see your God Domain coming out to govern. Now that everything is over, God Domain sent this Luo Jue here to point fingers at Kyushu rivers and lakes, with a lofty attitude.

really interesting.

“Haha!” Just when Yue Wuya

was thinking about this, Dasheng Sun next to him couldn’t help but chuckle: “After a long time, this divine envoy wants to be the leader of the martial arts alliance in the entire Kyushu continent.”

, Sun Dasheng asked Wen Chou Chou, “Brother Wen, what do you think?”

Wen Chou Chou took a deep breath and said indifferently, "Let's see the situation first."

Wen Chou Chou acted cautiously and decided to wait and see for a while.

At this time, Luo Jue on the high platform said a bunch of high-sounding words, then looked around for a week and smiled: "Okay, if you want to join the Tiandao Alliance, you can start now."

Wow!

The voice fell, and many small sects and factions present couldn't hide their excitement and shouted one by one.

"We will join Liuying Pavilion!"

"We will join Lei Tang..."

"And we..." In the

blink of an eye, dozens of sects expressed their stance that they wanted to join the Heavenly Dao Alliance, one more urgent than the other. And those big sects are all sitting there quietly.

Like Wen Chou Chou, the big sects present were very resistant to joining the Tiandao Alliance. After all, the rivers and lakes in Kyushu are peaceful now, and each of these sects has at least a thousand years of inheritance. Under such circumstances, how could it be possible? Deliver it to your door and let the Tiandao Alliance manage it?

At this time, I saw a figure walking towards the high platform and said loudly: "Our weather royal family also joins the Heavenly Dao Alliance!"

A golden dragon robe with a smile on his face.

It was King Guangping.

In the past, King Guangping did not hesitate to become a puppet of Pluto for hegemony. Later, when Kunlun collapsed, Yanhong took the power of Pluto from Duan Yu and was involved in the vortex of chaos. Lost the powerful backer of the underworld.

Without the support of the underworld, King Guangping suddenly became honest and did not dare to start a war casually, but the ambition in his heart has never been extinguished, and he has been waiting for an opportunity.

Now that God's Domain has sent divine envoys to establish the Heavenly Dao Alliance, King Guangping feels that the opportunity has come.

As long as it joins the Tiandao Alliance and has the powerful backer of the Divine Realm behind it, the Tianqi Royal Family will definitely be able to stand on the top of Kyushu.

Huh...

Seeing this scene, there was an uproar in the audience, but many people looked at King Guangping's eyes with a bit of indifference.

Back then, when King Guangping launched a war, which made life difficult for the people, the major sects in the rivers and lakes did not like him.

"Okay! Very good!"

Seeing King Guangping coming up to express his position, Luo Jue looked approving and smiled: "It seems that His Majesty the Emperor of the Apocalypse Continent is a far-sighted monarch."

Chapter 3639

Speaking, Luo Jue looked at the royal families of other continents: "How about you?"

For a while, the royal families of other continents were silent.

A few seconds later, a charming figure slowly stood up and said softly, "Thank you for the kindness of the envoy. The Nanyun Continent is peaceful and peaceful, and the people live and work in peace and contentment. Therefore, we will not join the Nanyun Royal Family." The

voice was soft and pleasant, but With a majesty that cannot be desecrated.

It is Long Qianyu.

Hearing this, Luo Jue's smile froze on his face, very embarrassed, and at the same time, he was also a little angry.

This queen of the Southern Cloud Continent is so big, she even disdains the Heavenly Dao Alliance.

At this time, Long Qianyu stopped talking nonsense, and said to Luo Jue: "Your Excellency, the envoy, the conference is about to end, we will not wait any longer, farewell!" After the voice fell, Long Qianyu waved his jade hand gently, and brought it with him. Members of the Nagumo Royal Family, slowly meeting.

Wow....

Seeing that the Nayun royal family was the first to leave, the Xicang royal family and the Beiyong royal family also bid farewell to Luo Jue.

Next, there are the major sects.

Seeing this scene, Wen Chou Chou showed a smile and said, "Let's go too." After saying that, he greeted Sun Dasheng and Yue Wuya to get up and leave.

For a time, the entire Temple of Prayer for Heaven was left with a few small sects, which were instantly deserted.

Huh...

Seeing this situation, Luo Jue's face was extremely ugly. He thought that this time, the establishment of the Heavenly Dao Alliance in the name of the Nine Heavens God would be supported and responded by the entire Kyushu, but he never thought that these royal families and big sects, So disrespectful.

"Your Majesty!"

At this time, King Guangping came over and couldn't help but said, "The royal family of Nanyun, the royal family of Xicang, and these sects are simply arrogant. If the envoy is willing, I am willing to send troops to cooperate with the Tiandao Alliance and destroy them one by one. ."

When he said this, King Guangping had a serious face, and his eyes were ruthless.

Luo Jue shook his head: "Thank you for your kindness, Your Majesty, the best way is not to start a war, but to think of other ways to get these royal families and sects to join the Tiandao Alliance voluntarily."

"Okay!" King Guangping was a little disappointed, but Still smiling and nodding.

.....

On the other side, Wen Chou Chou, Sun Dasheng, and Yue Wuya, after leaving Tianqi Imperial City, did not directly return to the Diyuan Continent, but went to Mingyue Lake not far away.

Mingyue Lake is a famous tourist attraction outside Tianqi Imperial City.

At that time, Emperor Tianqi held a martial arts contest for Ren Yingying, which caused a sensation in the entire Kyushu continent. At that time, in order to hide people's eyes and ears, Yue Feng disguised himself and used the fake name of Hu Mingyue, which was related to Mingyue Lake.

It was noon at this time, the sun was shining, and many people came to Mingyue Lake to play, which was very lively.

In a beautiful bay, within a few hundred meters, no one came close.

I saw that dozens of members of the Heavenly Sect were guarding around the water bay, waiting in full force, and at the edge of the water bay, a few charming figures were teasing a chubby little boy.

A few charming figures are Ren Yingying, Xiao Yuruo, Er Qing, and Long Qianying.

The little boy is the child of Long Qianying and Yue Feng.

Three years ago, Long Qianying was still the Queen of Nagumo. Later, due to the turmoil of pregnancy, he was forced to give up the throne. After several twists and turns, he finally stayed in the Ouyang family.

When the child was born at that time, in order to remember Yue Feng, Long Qianying specially named the child Yue Huaixian. In Long Qianying's heart, Yue Feng, like an immortal, is omnipotent.

Yue Huaixian is smart, clever, and cute. Not only does Long Qianying dote on her, but she is also liked by Ren Yingying and Xiao Yuruo.

Today, Wen Chou Chou, Yue Wu Ya, and Sun Da Sheng came to attend the Kyushu Conference. Long Qianying and Ren Yingying also brought their children with them. The purpose was to go out for a sightseeing tour and relax.

“Huixian.”

Chapter 3640

At this time, Ren Yingying hugged Yue Huaixian, looked at the scenery in front of her, and said with a smile, “Is it beautiful here?”

“Beautiful!”

Yue Huaixian nodded, and then said in a milky voice: “But Mother, Aunt Yingying, and Aunt Yuruo...you are more beautiful.”

Hearing

this, whether it was Ren Yingying or Long Qianying, they couldn't help laughing. A very happy mood.

“Little devil!” Ren Yingying touched Yue Huaixian’s head, and said coquettishly, “How old you are, you can learn to coax girls. It’s really like your father...” When she said that, Yue Feng appeared in Ren Yingying’s mind. The figure suddenly felt a pain in his heart.

Yue Feng, it would be great if you were still here.

At the same time, the faces of Long Qianying and Xiao Yuruo were all filled with sadness. Yue Feng was at the top of Kunlun, and was involved in the vortex of chaos. In their hearts, this matter is eternal pain.

For a time, the cheerful atmosphere turned a little sad.

“Haha...”

At this moment, a loud laugh came from not far away, it was Sun Dasheng, along with Wen Chou Chou and Yue Wu Ya.

When he got to the front, Sun Dasheng took Yue Huaixian and raised his head: “Huaixian, my name is Uncle.”

Yue Huaixian hurriedly shouted: “Uncle Dasheng, I’m afraid of heights...” As he spoke, his chubby little hands tightened his grip. He hugged Sun Dasheng’s neck tightly, for fear of falling.

Haha...

Seeing Yue Huaixian’s appearance, everyone around couldn’t help but laugh.

At this time, Ren Yingying couldn’t help but ask, “Brother Wen, Great Sage, is the Kyushu Conference over?” Because they were female dependents, Ren Yingying and Long Qianying didn’t attend, but they couldn’t help but want to ask Just ask.

When the words fell, Long Qianying and Xiao Yuruo also looked at Wen Chou Chou curiously.

Wen Chou Chou smiled and explained the situation in detail.

Huh...

Knowing the situation, Ren Yingying and Xiao Yuruo couldn’t help but breathe a sigh of relief, and their expressions became complicated.

The next second, Ren Yingying said, "Shenyu established the Heavenly Dao Alliance on the mainland of Kyushu, which seems to be a good thing, but the world is unpredictable, I am afraid that the rivers and lakes of Kyushu will be turbulent again."

Xiao Yuruo also nodded: "Yes, let's Tianmen, Huaguoshan, and Longevity Hall have not joined the Tiandao Alliance, I am afraid it will cause the dissatisfaction of the envoy."

As soon as the voice fell, Sun Dasheng shook his head nonchalantly: "Never mind, there are other sects besides us anyway. The door, and several royal families, did not join."

At this time, Yue Wuya came over and smiled: "Okay, don't mention this matter, this time I finally came out, let's play for a few more days, and then return to the garden. Continent."

Hearing this proposal, everyone nodded in agreement.

After playing in Mingyue Lake for two hours, Yue Wuya and Wen Chou Chou left.

Um?

After walking a few miles, Sun Dasheng, who was leading the team at the front, suddenly frowned, and then raised his hand to signal to stop.

"What's wrong?" Wen Chou Chou couldn't help asking, and at the same time, looked forward.

Ren Yingying and Long Qianying's daughters also got out of the car one after another.

Swish!

At this moment, when they saw the scene ahead, everyone was stunned for a moment, and then they saw that at the intersection ahead, an army of several thousand people gathered there, uniform armor, each holding a long knife.

It is the Imperial Forest Army of the Southern Cloud Continent.
