

## The ultimate husband in Chinese chapter 3641-3650

### Chapter 3641

In front of the thousands of soldiers, there was an exquisite and gorgeous carriage, pulled by eight white horses, and the carriage was made of pure gold, with dragons and phoenixes carved on it, full of pomp.

Inside the carriage, a slender figure sat quietly.

It is Long Qianyu.

At this time, Long Qianyu was still wearing the dragon and phoenix robes that participated in the Kyushu Conference, which showed his graceful figure vividly, without losing the royal majesty.

“Sister!”

At this time, Long Qianyu lifted the bead curtain, stared at Long Qianying tightly, and said slowly, “After three years, don’t you miss Nanyun Continent at all? Come back with me!

” Gentle, but indisputable.

While saying this, Long Qianyu couldn’t help but glance at Yue Huaixian, his eyes flashing indifferently.

Although three years have passed and Yue Feng has also been swept away by the chaotic whirlpool, Long Qianyu still has not changed his views on Yue Feng. If it weren’t for him, his sister would not have a dark knot, and the Nayun royal family would not be ashamed. .

Under such circumstances, Long Qianyu did not have the slightest emotion for Yue Huaixian, his nephew.

“Huh...”

Long Qianying took a deep breath, her beautiful face was very indifferent: “I won’t go back, the Ouyang family is my home.”

Hearing this, Long Qianyu’s pretty face changed, and he became anxious all of a sudden. : “Sister, why are you still obsessed? You and Yue Feng didn’t have a wedding, and the child was born secretly. Staying in the Ouyang family will only make other continents laugh.” After

speaking, Long Qianyu said firmly: “Today No matter what, you have to come with me.”

When he left the Kyushu Conference just now, Long Qianyu got news that his sister and child were playing in Mingyue Lake. At that time, Long Qianyu did not hesitate, and led people to block their only way.

This chapter is provided by . Visit for daily update.

In Long Qianyu's heart, the elder sister did not marry Yue Feng and had no status, but living in the Ouyang family was a disgrace to the Nanyun royal family.

Ugh!

Facing her sister's persistence, Long Qianying sighed softly and stopped talking.

"Hey!"

At this time, Sun Dasheng couldn't bear it anymore, and walked forward and shouted at Long Qianyu: "Your sister said that she can't go back, why are you still aggressive? When you become the queen, you can interfere with other people's lives at will?"

"Shut up!" The

voice fell, and a general of the Imperial Forest Army shouted: "How dare you talk to Your Majesty like this?"

At the same time, Long Qianyu frowned, very displeased, and looked at Sun Dasheng coldly Said: "This is a family affair of our Nanyun royal family, it has nothing to do with you, get out of the way!"

Sun Dasheng was hot-tempered and refused to give in an inch, shouting: "This child's name is Yue Huaixian, he is my nephew, why does it have nothing to do with me? I tell You, with me here today, you don't want to take their mother and child away." After

speaking, Sun Dasheng turned back and shouted, "Let's go!"

Shuh!

Seeing this situation, Long Qianyu's beautiful face instantly became extremely ugly, and her delicate body flashed and floated in the air.

"Stop him!" In the

next second, Long Qianyu drew out his sword, and three cold words came out from her red lips!

Whoa!

As soon as the words fell, thousands of imperial guards responded and rushed over quickly to surround Sun Dasheng.

Seeing this scene, Sun Dasheng didn't panic at all, frowned, and smiled at Long Qianyu: "Long Qianyu, you want to catch us all just because of you? You are too confident!"

The voice fell, and Wen Chou Chou next to him also said, "Yes."

This time, less than one hundred people were sent to participate in the Kyushu Conference, Huaguo Mountain, Changsheng Hall, and Tianmen, but less than one hundred people were all of them. The elite of the elite.

Under such circumstances, there was a huge disparity between Long Qianyu and Wen Chou Chou and Sun Dasheng.

"Stop talking nonsense!"

Long Qianyu's face was frosty, and his attitude was very firm: "Today, I must take their mother and son away. Whoever dares to stop them will be killed."

Hearing this, Yue Wuya, who had been silent all the time, couldn't bear it at this time. She said, "Long Qianyu, you care so much about this matter, do you like my father in your heart, but in the end you don't get it, and your heart becomes twisted?"

Chapter 3642

"You... seek death!"

Hearing this, Long Qianyu's face flushed red, and he couldn't express the shame and anger in his heart, then without hesitation, he stabbed at Yue Wuya with a sword.

hum!

Where the sword passed, the air suddenly tore apart, with astonishing power.

Crazy, really crazy!

Seeing the outbreak of Long Qianyu, Yue Wuya did not panic at all, summoned the Overlord Hammer and directly attacked it.

boom!

In the next second, the two figures collided in mid-air, and Yue Wuya groaned, and the whole person was directly shaken, flying dozens of meters away, and then fell on the ground in an embarrassment. The long sword cut a wound, and blood spurted out.

Stabilizing his figure, Yue Wuya endured the pain and stared at Long Qianyu, secretly surprised.

I haven't seen you for three years, this woman's strength has become so strong?

At the same time, Sun Dasheng and Wen Chouchou were also taken aback. You must know that over the years, Yue Wuya has devoted himself to cultivation, and his strength is not what it used to be. In particular, he also possesses the Overlord Hammer. adversary.

However, at this time, he was injured by Long Qianyu with one move.

"Take them all!" Long Qianyu shouted coquettishly and came towards Yue Wuya again.

As soon as the words fell, thousands of Imperial Forest Army immediately launched an attack.

Seeing this scene, Wen Chou Chou was shocked and angry, and shouted: "Meet the enemy." When the voice fell, he rushed into the enemy group.

Sun Dasheng also shouted loudly, his figure rose into the sky, rushed towards Long Qianyu, and shouted at the same time: "Long Qianyu, are you embarrassed to deal with a junior? Fight me!"

Seeing Sun Dasheng, Long Qianyu didn't have the slightest expression on his face. As soon as his figure turned around, he and Sun Dasheng fought fiercely in the air.

I go!

As soon as he got started, he sensed Long Qianyu's strength, and Sun Dasheng was secretly surprised. He hadn't seen him for three years, but this Long Qianyu's strength had increased several times.

At this time, Dasheng Sun still didn't know that after Long Qianyu became the queen, he had devoted himself to practicing royal exercises over the years, and his strength was not what it used to be.

call!

Seeing this scene, Long Qianying, who retreated to the side, and Xiao Yuruo's daughters all looked anxious and worried.

In the blink of an eye, Sun Dasheng and Long Qianyu fought for dozens of rounds!

I saw that Long Qianyu's figure was light and agile, and every shot was extremely fierce, and Sun Dasheng easily resolved her killer moves with the Heaven-Opening Axe.

Relying on the power of the opening axe, Sun Dasheng was very relaxed, and at the same time he did not forget to tease Long Qianyu.

"Long Qianyu, have you been caught by my nephew and like Fengzi?"

"Or... You see your sister has a child and you feel unbalanced? Seriously, you look good, How good is it to find a man to marry, why is it so tiring to be a queen?"

"You are still so arrogant, you really want to face life and suffer."

Sun Dasheng said with a smile, waving the sky-opening axe in his hand, constantly blocking the dragon Attack of a thousand words.

Swish!

Listening to Sun Dasheng talking more and more, Long Qianyu was furious, his delicate face was full of coldness, he gritted his teeth and said, "Sun Dasheng! I have to kill you today."

Om!

The words fell, and a terrifying aura was seen continuously erupting from Long Qianyu, and the surrounding air was extremely distorted!

"Chichi!"

Immediately afterwards, she saw thousands of sword shadows condensing and forming in the air, slowly surrounding her!

hiss!

Seeing this situation, Sun Dasheng took a deep breath, his heart was not relaxed, and his expression was instantly solemn. What kind of skill is this, so powerful.

Chapter 3643

Hu...

At the same time, Ren Yingying and everyone couldn't help but sweat for Sun Dasheng.

Long Qianying's body trembled even more, and she couldn't help but exclaimed: "This... This is the 'Ten Thousand Swords Returning Sect' stunt, she actually learned it." When he said this, Long Qianying's eyes were full of eyes. shock.

As soon as the voice fell, Ren Yingying and the others all looked at Long Qianying with curious eyes.

"What Ten Thousand Swords Return to the Sect?" Ren Yingying couldn't help but ask.

Long Qianying breathed a sigh of relief, her whole body trembled with excitement, her eyes looked at Long Qianyu in mid-air, and she said word by word, "Wanjian Guizong is the strongest sword art of our Nanyun royal family. The army has ten thousand horses, but few people have practiced it for thousands of years."

"I didn't expect that it took my sister only three years to practice it..." At the

end, Long Qianying stared at the air. , the tone is full of worry: "Although Sun Dasheng has the opening axe, but facing this move, Wanjian returns to the ancestor, I'm afraid it can't stop it..."

Chi Chi...

Long Qianying's voice just fell, and Seeing the thousands of sword shadows, tearing apart the world, they rushed towards Sun Dasheng. In an instant, all of Sun Dasheng's retreats were blocked.

Nima!

At this moment, Sun Dasheng clenched his fists tightly, and his heart was full of anger.

Crazy, this Long Qianyu is really crazy!

Muttering in his heart, Sun Dasheng hurriedly stimulated his inner strength, swung the Heaven-opening Axe, and formed a protective film around his body.

boom!

That is, at this moment, several sword shadows erupted, slammed into the protective film, and heard a violent vibration, and the protective film shattered instantly!

At the same time, Sun Dasheng was also shaken back a few steps, his face pale.

Chi Chi...

Before standing firm, the rest of the sword shadows in the sky, carrying the momentum of thunder, came to Sun Dasheng again.

Seeing this scene, everyone in Ren Yingying not far away was shocked.

“Be careful...”

“Don’t...” In the

exclamation, Ren Yingying stomped her feet in a hurry. If only Xiao Xi was here, she was the younger sister of the patriarch of the Shenlong clan. She was very powerful. Long Qianyu sent a large army to the Ouyang family to forcibly take Long Qianying away, but Xiao Xi arrived in time to repel the strong enemy.

However, at this time, Xiao Xi was in retreat in the Ouyang family, and far water could not save near fire.

Everyone exclaimed, and Sun Dasheng was also pale and desperate.

Did it die like that? I’m so unhappy.

At this time, Dasheng Sun felt very aggrieved. He thought that he could easily deal with Long Qianyu with the Heaven-opening Axe.

“Go to hell, Sun Dasheng!”

Looking at the thousands of sword shadows and walking towards Sun Dasheng, Long Qianyu’s red lips lightly opened, and he spat out a few words coldly, his delicate face was full of coldness.

This Great Sage Sun dared to blaspheme himself, and it would not be a pity to die a hundred times.

“Sister!”

At this time, Long Qianying, who was not far away, couldn’t bear it any longer, and shouted at Long Qianyu: “Please be merciful and bypass Dasheng Sun.”

In Long Qianying’s heart, Dasheng Sun is Yue Feng’s. Sworn brother, how can I watch him die?

However, Long Qianyu didn’t seem to hear her words, the jade hand slowly raised, and the sword shadow that filled the sky suddenly accelerated.

Chapter 3644

“Great Sage!”

Seeing this scene, Wen Chou Chou roared and was about to rush over, but there were too many imperial guards in front of him.

Sun Dasheng showed a smile and shouted: "Brother Wen, let's be brothers in the next life!" The

voice fell, and Sun Dasheng closed his eyes. Since it is impossible to decipher Long Qianyu's 'Ten Thousand Swords Return to the Sect', he can only choose to accept his fate.

hum!

Seeing the thousands of sword shadows, he was about to pierce Sun Dasheng. Suddenly, a very strong breath came from a distance. Then, a slim figure flew over and blocked Sun Dasheng.

Wearing a light blue long dress, she looks like a fairy, her facial features are exquisite and beautiful, and her whole body is full of extraordinary temperament, which is indescribably beautiful.

It was Miao Ying.

Bang bang bang...

At this moment, Miao Yingyu raised her hand and quickly deployed a protective film out. In an instant, thousands of sword shadows slammed into the protective film and disappeared without a trace.

Whoa!

As soon as Miaoying appeared, whether it was Long Qianyu or both sides in the fierce battle below, they were all stunned. Thousands of pairs of eyes converged on Miaoying at once, and many men's eyes were straight.

What a beautiful woman.

At the same time, when they felt Miao Ying's strength, everyone was shocked.

In such an understatement, Long Qianyu's strongest sword technique was resolved. This woman's strength is very strong.

Long Qianyu was suspended there, his delicate face was extremely red and extremely ugly.

Huh..

At this moment, Sun Dasheng also breathed a long sigh of relief and was in a cold sweat.

It's so dangerous, I almost died just now.

At the same time, Sun Dasheng also looked at Miaoying in astonishment: "You...you are not..." Under the shock, Sun Dasheng stammered and was almost speechless.

Sun Dasheng of course knew Miao Ying, this fairy from the illusory realm. At that time, together with Yue Feng, they were sucked into the vortex of chaos. Everyone thought that they would die. But three years later, Miao Ying came back safe and sound, which made it difficult for them to die. How can Sun Dasheng not be surprised?

This...

At the same time, Ren Yingying, Xiao Yuruo and the others who were not far away also stared at Miaoying blankly, speechless.

Like Sun Dasheng, Ren Yingying and everyone are stupid.

Miaoying and Yue Feng were sucked into the chaotic vortex together, didn't they die? Why did it suddenly appear.

Facing everyone's astonished eyes, Miaoying looked indifferent, looked at Long Qianyu quietly and said, "You and Yue Feng have known each other for a long time, why do you keep dealing with his family?"

When she said this, Miaoying's voice was soft and pleasant. , makes people feel like a breath of fresh air.

At that time, Yue Feng opened the portal in God's Domain, and Miaoying was successfully transmitted to the Kyushu Continent. Unfortunately, Miaoying was teleported to a virgin forest in Dongao Continent.

After being teleported to the virgin forest, Miaoying waited for Yue Feng for three days and three nights, but Yue Feng never showed up. Miao Ying knew that Yue Feng must be in trouble. Know how to return to Dominion.

In desperation, Miaoying had no choice but to make a decision to return to the Ouyang family first.

Because Miao Ying was unfamiliar with the environment, she walked for more than ten days before she completely walked out of the virgin forest. Then, she learned that God's Domain had sent divine envoys to hold the Kyushu Conference in Tianqi Imperial City. Miao Ying guessed that when the time came, Ouyang The family would definitely participate, so they rushed over directly.

As a result, after arriving at Tianqi Imperial City, the Kyushu Conference was over, and Miaoying had no choice but to inquire all the way to track the whereabouts of the Ouyang family. Just when she found this place, she saw Sun Dasheng and Ren Yingying's group being besieged by Long Qianyu's army. , Miao Ying didn't even think about it at that time, and came directly to help.

"I want you to take care of it? Go away!"

At this time, when he heard Miao Ying's question, Long Qianyu was very embarrassed and angry. After a coquettish shout, the jade hand clenched the sword and stabbed directly at Miao Ying.

Chapter 3645

Long Qianyu is clear in her heart that Miaoying in front of her is a fairy born from the spiritual energy of heaven and earth, and her strength is no small matter. If it were normal, Long Qianyu would not be so reckless, but Miaoying just rescued Sun Dasheng and let Long Qianyu Faceless, under anger, he can't take care of so much.

call!

Seeing Long Qianyu attacking, Miaoying frowned slightly, then raised her jade hand and attacked.

clang!

Miaoying's shot was light and fluttering, but her speed was extremely fast. She saw her right hand patted on Long Qianyu's sword edge impartially. Long Qianyu only felt an overwhelming force coming, and suddenly her delicate body trembled. , took ten steps back.

At this time, Long Qianyu clearly felt that his dantian aura was disturbed by the shock.

So strong!

After three years of absence, the strength of this woman has increased a lot.

She has already practiced Wanjian Guizong, but she is not her opponent!

Haha...

Seeing this scene, Sun Dasheng's face was full of excitement, and the whole person was very relaxed. This Miaoying came in time. With her to deal with Long Qianyu, I can rest for a while.

"I advise you not to fight!"

At this time, Miao Ying looked at Long Qianyu up and down, and said softly, "You are not my opponent!"

Huh!

Hearing this, Long Qianyu bit his lip tightly, extremely embarrassed and angry. He was the dignified Queen Nanyun, but was so despised by this fairy, where would he put his face in the future?

"I said that today, no matter what, I will take my sister away!" Long Qianyu clenched the long sword with a determined expression.

Ugh!

Miao Ying sighed softly and said slowly, "It seems that you haven't recognized the situation." When the voice fell, Miao Ying slowly raised her jade hand and saw the temperature between heaven and earth plummet.

Immediately afterwards, a ray of light condensed and blasted towards Long Qianyu.

Gudong!

Feeling the terrifying power contained in the light, Long Qianyu's delicate face instantly became solemn.

Could it be that... when Miao Ying made her move just now, she still had reservations and did not use her full strength?

At the moment when he was muttering in his heart, the ray of light had already arrived in front of him. At that time, Long Qianyu didn't have time to think about it. He clenched his sword tightly and placed it in front of him, trying to block the blow.

Bang!

The rays of light slammed on the sword, and when he saw the sword shattered instantly, Long Qianyu let out a groan, and his delicate body was shaken and flew out, flying more than 100 meters before falling heavily to the ground.

Before fighting against Dasheng Sun, Long Qianyu had already consumed a lot of internal energy, and at this time, facing Miaoying's skills, he couldn't resist it at all.

After all, Miao Ying is a fairy, and she has practiced for thousands of years before leaving the illusory realm with Yue Feng, and her background is not comparable to that of Long Qianyu.

"Your Majesty!"

Seeing this scene, the surrounding Royal Forest Army soldiers all changed their expressions, exclaimed in surprise, and rushed over at the same time.

Long Qianyu bit her lip tightly, almost bleeding from the bite. At the same time, she stared at Miao Ying tightly, her heart was shocked and unwilling.

I could have taken my sister away, but I thought, this Miaoying would suddenly appear.

Long Qianyu clearly felt that his dantian internal strength was completely disordered, and he was no longer able to continue fighting.

“go!”

The next second, Long Qianyu issued an order, very unwilling in his heart, but there was no way, this fairy named Miaoying was too strong. Keep hitting and the damage will get worse.

Whoops!

The voice fell, and many soldiers and soldiers quickly evacuated while protecting Long Qianyu.

call!

Seeing this scene, whether it was Sun Dasheng, Ren Yingying and others, they were all secretly relieved.

The next second, everyone’s eyes focused on Miao Ying again.

Wen Chou Chou couldn’t hide his excitement and doubts, and took the lead in speaking to Miao Ying: “Miao Ying, what the hell is going on, three years ago, you and Feng Zi were not involved in the vortex of chaos together, how did you come back? Also, what about Fengzi? Have you been with him?”

Wen Chou Chou’s eyes were full of urgency when he asked these questions.

### **Chapter 3646**

At the same time, Ren Yingying and Xiao Yuruo also looked closely at Miaoying, waiting for her answer.

“Yue Feng...”

Facing everyone's gaze, Miao Ying bit her lip lightly and said slowly: "He's fine, it's just... When we teleported back from God's Domain, something went wrong... ."

In the next half hour, Miao Ying explained in detail the experience of herself and Yue Feng during this period.

Wow...

The audience was boiling when they learned that Yue Feng was not dead.

"I knew, I knew..." Wen Chou Chou burst into tears and said excitedly, "I knew Feng Zi wouldn't die so easily."

Ren Yingying and Xiao Yuruo next to him were also very excited. Tears of joy were shed.

"Haha..."

Sun Dasheng even looked up to the sky and laughed, and then said to Wen Chou Chou: "This style has made us sad for three years. When he comes back, we must drink him 3,000 glasses of wine.

"Then, Sun Dasheng suddenly thought of something, and turned his head to look at Miaoying: "By the way, you said just now that you were originally sent back to God's Domain together, but only you came back?"

Hmm!

Miaoying nodded, and her delicate face showed a bit of worry: "I feel that he must be in trouble in God's Domain."

Hearing this, Wen Chou Chou and Sun Dasheng looked at each other, and their expressions became solemn. .

If it was what Miao Ying had guessed, it would be a little troublesome.

"Let's go!" In the

next second, Wen Chou Chou looked around and said, "This matter can't be rushed, let's go back and have a good discussion."

After that, Wen Chou Chou ordered again: "By the way, the news that Feng Zi is not dead must be kept strictly and must not be leaked." You

must know that Yue Feng is famous in the Jiuzhou rivers and lakes, and once the news spreads that he is not dead, it will definitely cause a shock in the rivers and lakes. More importantly, Yue Feng is in the Kyushu, and there are many hostiles. Therefore, the news must not be leaked before Yue Feng returns.

Hearing this, everyone nodded.

...

the other side!

The Demon Sealed Land.

The White Tiger King led the Beast Alliance to pursue the Jinpeng clan all the way. However, the Jinpeng clan was very capable of flying in the sky, and the White Tiger King chased to the end and failed!

“Trash!”

At this time, the White Tiger King stood on a hill with a gloomy expression on his face, and cursed: “What a bunch of trash, so many people, let the Jinpeng family run away!

” Everyone stood there with their heads bowed, trembling, not daring to take a breath.

The White Tiger King was too lazy to talk nonsense, and waved his hand:

“Comprehensive search, we must find Jinpeng’s hiding place no matter what .

” the other side. In a dense forest, Jin Peng, with his subordinates, and three Yue Feng, were walking fast. call! Seeing the absence of the White Tiger King behind him, Jin Peng breathed a sigh of relief, Ma De, finally got rid of the pursuers. “Everyone, stop!”

In the next second, Jin Peng raised his hand, signaled everyone to stop, and then ordered, “Bring the three Lanling Peacocks to me!” The

voice fell, and Yue Feng and the three Lanling Peacocks were brought over. .

Jin Peng looked up and down at Yue Feng, and the corner of his mouth raised a hint of gloom.

Immediately, Jin Peng turned his head and ordered his subordinates: “Go prepare dry wood and a pill stove.”

Jin Peng knew that it was impossible for Yue Feng to pass on the power of Bird Ancestor to himself. The best way was to pass him Throw in the pill furnace and train the power of Bird Ancestor into pills.

## Chapter 3647

“Follow the order!” After

hearing the order, several Beast League members responded and hurried to prepare.

After a while, a fire was lit in the open space outside, with a huge pill stove on it, and the fire was burning red.

Immediately afterwards, Yue Feng was brought to the Pill Furnace.

Nima!

The scorching temperature of the fire rushed towards his face, Yue Feng was shocked and furious, then looked at Jin Peng and said, “Jin Peng, don’t go too far.”

Nima!

This Jinpeng is too ruthless. In order to gain the power of Bird Ancestor, he even wants to train me into an elixir.

At the same time, Lan Ling Peacock and Colorful Lingfeng next to him were also shocked and angry.

“Excessive?”

Jin Peng’s face sank, and he said coldly to Yue Feng: “At the bottom of the abyss, I was about to succeed, but I was stabbed by you. This power of the ancestor of the bird should belong to me. What’s wrong with me taking it back from you now?” In the

last sentence, Jin Peng almost roared.

Feeling Jin Peng’s madness, Yue Feng took a deep breath and said slowly: “Jin Peng, think about it clearly, if you make me into a medicinal pill, you will never be able to leave this place.”

“Only I can break this place . Besides, I have already broken the magic circle in the west...”

Hearing this, Jin Peng frowned, his eyes flickered, and then sneered: “Don’t follow me, as long as I get the bird The power of the ancestors defeated the White Tiger King, and I am the ruler here.”

“At that time, the entire demon clan will be united under my leadership and will definitely find a way to leave here. You don’t need any human help at all.”

The last sentence fell, and Jin Peng waved his hand.

Whoops!

Several subordinates hurriedly surrounded him, grabbing Yue Feng tightly, and about to throw him into the pill furnace.

“Jin Peng, stop...”

“Stop!”

Seeing this scene, Lan Ling Peacock and Qi Cai Lingfeng couldn't help but shout.

I had misunderstood Yue Feng before, and Lan Ling Peacock had already regretted it. How could they just watch Yue Feng being alchemy?

However, Jin Peng simply ignored it.

boom!

Seeing that Yue Feng was about to be thrown into the fire, just at this critical moment, he heard a vibration, and then, he saw Qi Cai Lingfeng break the golden feather cable.

The golden feather cable was extremely tenacious, and the colorful spirit phoenix struggled to break it, and a pair of jade arms were directly strangled with two bloodstains, dripping with blood.

In the next second, before Jin Peng's group could react, the colorful phoenix flew up, turned into a phoenix, and rushed towards Yue Feng.

call!

Seeing this scene, Yue Feng was stunned.

I saw that the phoenix form of the colorful phoenix was dozens of meters long, and it was covered with colorful feathers.

However, because of the power consumption, the colorful Lingfeng at this time seems to be fast, but it is extremely weak.

In the blink of an eye, the colorful phoenix grabbed Yue Feng, fluttered its wings, and flew away quickly.

In the heart of Colorful Phoenix, Yue Feng was taught the power of bird ancestors by Queen Suzaku in order to protect Queen Suzaku.

Qi Cai Lingfeng thought about it, and today she will try her best to take Yue Feng out safely.

All this happened so quickly that Jin Peng and his subordinates were completely unable to react.

mad.

Two seconds later, Jin Peng calmed down, extremely frightened, and roared at the surrounding: "What are you doing, chase me!"

Jin Peng was very angry at this time, he never thought that Qi Cai Lingfeng would not hesitate to Injured, broke the golden feather cable, and took Yue Feng away in front of so many of his subordinates.

Wow...

the voice fell, and hundreds of members of the Jinpeng clan rose into the sky one after another, chasing after the colorful Lingfeng.

Lan Ling Peacock, who was tied there, watched the figure of the colorful Lingfeng go away, and couldn't help but pray secretly in his heart.

Chapter 3648

Colorful Lingfeng, you must protect Yue Feng's safety.

At this moment, Yue Feng is here.

Huhuhu...

Yue Feng was held tightly by the colorful phoenix, only to hear the wind whistling in his ears, and the scenery on both sides retreated rapidly, the speed was almost a thousand miles in an instant.

For a time, Yue Feng couldn't help feeling secretly.

This colorful phoenix is worthy of being the right-hand man of the Queen of Suzaku. After suffering such a serious injury, she can still fly so fast. At the same time, there are some concerns. Because Yue Feng clearly felt that the power of the colorful spirit phoenix was rapidly passing away.

"Leave me alone!" Yue Feng couldn't help but said.

If this continues, Jinpeng will soon catch up.

Qi Cai Lingfeng responded, "No, I must take you safely away."

Just as he was talking, he saw a mountain peak in front of him. The mountain peaked into the clouds and was steep and dangerous. There, the sky shines.

hiss.

Feeling the power of that piece of thunder, Yue Feng was secretly surprised, and couldn't help taking a deep breath.

Oops!

At the same time, Qi Cai Lingfeng was stunned for a while, and couldn't help but say, "How did you get here? This is the magic circle in the south." As he spoke, he was about to avoid this mountain.

Huhuhu....

However, at this time, I heard a wave of breath coming from behind, and I saw Jin Peng with hundreds of subordinates, quickly approaching.

How to do?

Seeing this scene, Qi Cai Lingfeng was in a hurry. Jin Peng caught up so quickly, and there was no way to detour. However, Yue Feng was finally rescued, and Jin Peng could no longer be taken back.

At this

moment, Yue Feng couldn't help but said, "Quick, enter the magic circle." The situation was critical, and there was no other way. The only way to get rid of Jinpeng and his men was to enter the magic circle in front of him.

"You're crazy!" The

voice fell, and Qi Cai Lingfeng's body was shocked: "Let's rush in, I'm afraid it will be ashes in an instant." When saying this, Qi Cai Lingfeng looked at the thunder, with deep eyes. fear.

Yue Feng took a deep breath and said seriously, "Don't panic, just listen to me."

Although the time was short, Yue Feng could see at a glance that the thunder light on the top of the mountain in front of him was a 'five thunders to kill the sky', and the sky Like the Annihilation Array, the Five Thunder Heaven Absolute Array is also a top-level formation, with infinite power.

“Haha...”

As he spoke, he saw that Jin Peng had already rushed up with his subordinates, with a very proud expression: “Qicai Lingfeng, can’t you escape?”

Huh!

Hearing Jin Peng’s mockery, Qi Cai Lingfeng no longer hesitated, and with Yue Feng, flew directly into the Five Thunder Execution Formation.

Although Qi Cai Lingfeng didn’t believe in Yue Feng, it was better to die in this thunderstorm than to be caught by Jin Peng.

Mad!

Seeing this scene, Jin Peng’s smile froze on his face, and he was furious.

This colorful phoenix would rather die than be caught by me.

Phew...

At the same time, Jin Peng’s subordinates all around couldn’t help but exclaimed.

“They actually entered the thunder array...”

“This colorful phoenix is really too strong, I would rather be killed by thunder than fall into our hands...”

“Shh, be quiet.”

Wu Lei Zhu in the sky. Kachacha

... As soon as the colorful Lingfeng and Yue Feng rushed in, they saw several purple lightning strikes. Done. Seeing a few thunderbolts, Qi Cai Lingfeng closed her eyes in despair, this time it was doomed.

Chapter 3649

“Don’t panic!”

At this moment, Yue Feng said eagerly: “Two steps back, then five steps to the left...”

When he said this, Yue Feng’s tone was firm, but his heart was full of seven Up and down. You must know that there are only sporadic records in the Baiqishen formation in front of the Five Thunders Execution Formation.

In other words, it was the first time that Yue Feng saw the Five Thunder Execution Formation, and he had never cracked it.

But the situation is critical right now. If you don't try it, you will be killed by these lightning bolts.

Whoosh!

Hearing Yue Feng's words, Qi Cai Lingfeng didn't hesitate, moved her figure, immediately took two steps back, and then moved five steps to the left.

Boom ....

just took a few steps, and saw a few thunderbolts slamming in their original positions.

At this moment, Qi Cai Lingfeng was both happy and shocked: "Yue Feng, let's avoid it..."

Yue Feng also showed a smile, and at the same time secretly relieved.

Speaking of which, Yue Feng hurriedly broke into this Five Thunder Punishment Formation, and Yue Feng didn't have time to study it. He completely relied on his skills and instinct to instruct the colorful spirit phoenix, but he did not expect that he really avoided it thunderbolt.

The first step was successful, Yue Feng was instantly full of confidence, he quickly looked around, and continued: "Two steps to the left, and then go forward..."

Yue Feng could see that this five thunderbolt killing array looked at It seems terrifying, but the center of the formation is a safe area. As long as you enter the center of the formation, you will be completely safe.

Hearing Yue Feng's instructions, Qi Cai Lingfeng didn't slack at all, and hurriedly stepped forward, feeling nervous and excited at the same time.

I thought I was going to die here, but I didn't expect that Yue Feng could break this formation.

Time passed by minute by minute.

Unconsciously, Qi Cai Lingfeng and Yue Feng finally crossed the most dangerous area of lightning and came to the center of the formation.

call!

At this moment, seeing the surrounding scene, whether it is Colorful Lingfeng or Yue Feng, can't help but take a deep breath, incomparably amazed.

You can see that the center of this array is only half the size of a basketball court, and it is a completely hollow area. Around this area, there are more than a dozen huge iron pillars, between the iron pillars, and an area of several hundred meters outward. , lightning flashes, intertwined into a terrifying grid.

At this time, the colorful Lingfeng stayed there, shocked.

Such a terrifying thunder formation is simply unimaginable. Fortunately, there is Yue Feng, otherwise, it would have disappeared long ago.

Yue Feng also took a deep breath, and a big stone in his heart finally fell to the ground.

I guessed right, the center of this formation is the safety zone.

“Yue Feng!”

Finally, Qi Cai Lingfeng reacted and looked at Yue Feng with great joy: “We succeeded!” When saying this, Qi Cai Lingfeng looked at Yue Feng's eyes with a strange brilliance.

Speaking of which, Qicai Lingfeng is extremely aloof, and there are very few people who can make her admire, and Yue Feng is an exception.

Yue Feng nodded, then said weakly, “Okay, I'll start practicing now and restore my strength. You should also rest.” Yue Feng was seriously injured by Jinpeng's surprise attack before.

When the words fell, Yue Feng sat there cross-legged, and began to close his eyes to rest and restore the power of his primordial spirit.

Um!

Qicai Lingfeng nodded, then transformed into a human figure and sat beside Yue Feng, recuperating from the injury.

I don't know how long it has been!

Finally, Yue Feng slowly opened his eyes, and his body was filled with pure power.

call!

Yue Feng took a deep breath, indescribably excited.

Unexpectedly, after obtaining the power of bird ancestors, the speed of power recovery is faster than before. Not only that, when I recovered just now, I also absorbed the power of lightning around...

## Chapter 3650

In this case, not only did Yue Feng's strength recover, but his strength was also much stronger than before.

Excited, Yue Feng slowly stood up, looked around at the Five Thunder Execution Formation in front of him, and began to slowly crack it.

the other side.

On the hillside a few miles away from the Five Thunder Executioner Array, Jin Peng led his men to set up camp while watching the situation of the Five Thunder Heaven Execution Array.

Jin Peng knew that even if Yue Feng was killed by Lei Zhen, the power of Bird Ancestor would not disappear.

What he has to do now is to wait quietly near the Thunder Array.

However, what made Jin Peng depressed was that after Qi Cai Lingfeng and Yue Feng entered the thunder formation, several hours had passed, but there was no movement at all.

"Your Excellency Chief!"

At this time, a subordinate came over and couldn't help but said to Jin Peng: "I haven't moved for so long, is it because the power of Bird Ancestor, and the two colorful Lingfeng, disappeared under the bombardment of thunder and lightning?"

Impossible!" Jin Peng shook his head with a serious face: "The power of Bird Ancestor is extraordinary, how could it be scattered by lightning?"

In Jin Peng's heart, Qi Cai Lingfeng and Yue Feng must have been struck by lightning. After he died, the power of Bird Ancestor must still be floating in the thunder array after it escaped from Yue Feng's body. Because the lightning inside is too dense, it has not yet floated out.

boom!

However, Jinpeng's voice just fell, and only a violent vibration was heard, which came from not far away!

This loud noise is like a thunderbolt!

Jin Peng's expression changed, and he quickly looked towards the thunder array not far away.

At the same time, thousands of subordinates around also followed Jin Peng's gaze and went to see it.

hiss!

Seeing this, both Jin Peng and the surrounding subordinates couldn't help but take a deep breath.

I saw that on the top of the mountain not far away, the terrifying Five Thunders Heaven Execution Formation fell apart and became a ruin. The gathered thunder and lightning had disappeared, replaced by a cloud of dust and smoke.

And in the mid-air, above the dust and smoke, two figures were quietly suspended.

One handsome and straight, the other slim and charming!

It is Yue Feng and Colorful Lingfeng.

At this time, Yue Feng's eyes were shining brightly, and around his body, there were continuous waves of internal force fluctuations, which was extremely powerful!

The seven-colored phoenix next to her was completely healed, and her delicate face showed a charming brilliance.

This...

Seeing this scene, Jin Peng was both shocked and annoyed.

I thought that Yue Feng and Qi Cai Lingfeng would be struck to death by the thunder array, but they never thought that instead of dying, they broke the five thunders.

If you hadn't seen it with your own eyes, who would have believed it?

And behind Jin Peng, the thousands of subordinates were even more stunned.

And Lan Ling Peacock, who was tied there, was even more excited, biting his lips tightly, looking at Yue Feng two in midair, tears of joy flashing in his eyes! The body trembles!

Great, they're fine.

“Jin Peng!”

At this time, Yue Feng looked closely at Jin Peng, and his voice rolled in: “Let the Lanling Peacock go immediately.”

When he said this, Yue Feng wanted to rush over directly, but he saw the Lanling Peacock around. , With Jinpeng’s men heavily guarding it, he held back.

“Haha...”

Hearing this, Jin Peng sneered, his eyes full of disdain: “Boy, your life is so big, this thunder array didn’t kill you, but even if you and Qi Cai Lingfeng have recovered Strength can’t escape my palm.”
