

The ultimate husband in Chinese chapter 3716-3720

Chapter 3716

When he said this, Jiutian Shangqi had a smile on his face, a humble attitude, and completely lost the aura of God's Domain Master.

What?

Seeing this, Yue Feng only felt a buzzing sound, looking at the woman, the whole person was stupid.

This...this woman is the goddess Nuwa who used to fill the sky with colorful stones? I really did not expect that the real body of Empress Nuwa was so beautiful.

At this time, Yue Feng was almost speechless under the shock of his heart.

You must know that in the underground crystal palace of Beiyong Imperial City, Yue Feng had seen a ghostly image of Nuwa's maiden. At that time, Yue Feng was with Lu Lingshan, and the two were appreciated by Nuwa's maiden. , bestowed the Chaos Yin-Yang Pearl.

It is precisely because of the Chaos Yin-Yang Pearl that the fates of Yue Feng and Lu Lingshan are tightly bound together. Yue Feng will never forget these things in his life, but when he saw the illusion of the Nuwa Empress, Yue Feng was already shocked. People, when I suddenly saw the real body of Empress Nuwa, I was shocked and speechless?

However, what Yue Feng did not expect was that Empress Nuwa was also a disciple of the ancestors of the Great Desolation, and a senior sister of the Nine Heavens God.

"Yue Feng!"

At this moment, Empress Nuwa looked at Yue Feng with a smile: "It seems that when I passed the Chaos Yin-Yang Pearl to you and your wife, this palace chose the right person. I haven't seen each other for a few years, you It completely integrates the power of the Chaos Yin-Yang Pearl, not only that, but also has the Primordial Spirit."

After speaking, Mother Nuwa sensed something, and said in surprise: "You actually have the power of bird ancestors in your body... um... ..You have even mastered the Nine Heavens Holy Profound Art. Not bad, not bad."

When she said this, Empress Nuwa looked at Yue Feng with full of admiration.

wow...

As soon as these words came out, there was an uproar in the audience, and countless pairs of eyes stared at Yue Feng, all stunned.

what's the situation? Mother Nuwa actually knew Yue Feng?

This chapter is provided by . Visit for daily update.

Even the Nine Heavens God was stunned there, looking at Yue Feng with disbelief.

Uh...

Under the eyes of all the people, Yue Feng scratched his head embarrassedly and smiled embarrassedly by being so praised by the goddess Nuwa: "The goddess praised

.

"

Nuwa asked, "Do you know this kid?"

Nuwa nodded and said softly, "Back then I was in the Kyushu Continent, the Crystal Palace below Beiyang Imperial City, and I left a sad thought, guarding the Chaos Yin-Yang Pearl, etc. It is Yue Feng and his wife who have a fate to inherit, and this fate is Yue Feng and his wife."

After speaking, Nu Wa couldn't help but glance at Yue Feng, and continued: "This Yue Feng is talented and intelligent, and his etiquette, loyalty and filial piety are all outstanding. It can be said to be the best among people." After the

voice fell, the ancient ancestor sitting on the lotus platform also looked at Yue Feng with a smile and said: "Little friend, you are Yue Feng, haha, I am traveling nine days away. At that time, I heard Nuwa talk about you, and I saw myself today, and it really is a dragon and a phoenix among people, not bad..."

Hearing

this, Yue Feng was instantly flattered, and quickly rushed to the ancestors of the floods. He bowed deeply: "I have seen the senior." Yue Feng was very shocked when he said that.

Ancestor Honghuang actually knew about me?

At the same time, there was an uproar around him again, and Yue Feng's eyes were extremely complicated and shocked.

A human boy, can he be praised by the ancestors of the flood in public, can he not be shocked?

“Master, Senior Sister!”

At this moment, Jiutian God was in a hurry and couldn't help saying: “Don't be deceived by the appearance of this kid, this Yue Feng is so daring, he not only trespassed into the God Realm, pretended to be the fruit servant of the Lingguo Garden to steal the spirit fruit, but also Impersonate me.”

“And these are nothing. What's more abhorrent is that he released the hundreds of thousands of demon clans from the sealed land, causing chaos in the realm of God.”

“This kid is not a dragon and phoenix among people at all, just a daring act. Disciple.”

After saying this, Jiutian God gave Yue Feng a cold look, his eyes full of gloom.

Chapter 3717

Hearing Jiutian God's angry words, Nu Wa smiled lightly and remained silent.

Ancestor Honghuang frowned.

“Old Ancestor Senior, Mother Nuwa”

At this moment, Yue Feng took a deep breath, adjusted his emotions, and said slowly: “These things are a long story, but because of the negligence of the God Realm, the ghost world Hades destroyed the Kyushu Continent. Barrier...”

For the next half an hour, Yue Feng told all his experiences.

“Afterwards, I found the place where Senior Fuxi was sitting in the Roland Continent, and after finishing the unfinished formation, it was passed on to God's Domain.”

“At that time, I thought of leaving God's Domain as soon as possible and pretending to be His Majesty the Nine Heavens God. As for releasing these monsters, I have no choice but to be trapped in that sealed place forever, right?”

When he said this, Yue Feng took a deep breath and looked at the White Tiger King on the execution platform. The crowd continued: “Speaking of the grievances between the demon clan and the gods, I think the battle of the gods can be completely avoided. However, in order to consolidate his rule, the God of the Nine Heavens forced these demon clans to surrender. He did not hesitate to destroy the peace. Start a war.”

“Although I, Yue Feng, are only a human being, I also know that the way of heaven makes all living beings equal. Here I would like to ask the Nine Heavens God, what is your way of heaven?”

“

“You...”

Hearing this, Jiutian God's face was extremely ugly, and he glared at Yue Feng and roared: “You are just an ant-like existence, you know what the way of heaven is? Nonsense, nonsense.” The

voice just fell, the execution platform The White Tiger King on the top could not help but retort loudly: “Nine Heavens God, Yue Feng is right, why don't you dare to admit it? If you hadn't forced us monsters to surrender, that war would not have been possible. occur.”

Qi Cai Lingfeng bit her lip and said, “Yes, you are kind on the surface, but you are actually the most ruthless. You talk about peace, but you always adhere to the principle of ‘those who obey me prosper and those who oppose me perish’. Back then, we monsters The clan does not surrender, you launched a divine war and sealed us up, and now we have managed to escape with the help of Your Excellency Yue Feng, and you still have to kill them all.”

“Just like you, being able to sit on the master of the gods is simply It's a big joke.”

Shuh!

Seeing the White Tiger King and Qi Cai Lingfeng, they were both helping Yue Feng to speak. It's to maintain the divine prestige.”

Hehe...

Hearing this, Yue Feng couldn't help but chuckle and retorted: “That's nice, I think you're just defending your status and domination.”

“You What do you mean?” Jiutian God glared angrily and said coldly.

Feeling the wrath of the Nine Heavens God, Yue Feng did not panic at all, and said slowly: “Thirty thousand years ago, the Divine Realm was ruled by your senior brother Brahma Emperor, but if you were not convinced, you made a bet with Brahma Emperor in public, using disgraceful The bet was won by the means, forcing the Brahma Emperor to enter the Immortal Tomb.”

“You used disgraceful means to seize the seat of dominion in the Divine Realm, causing the Brahma Emperor to be trapped for 30,000 years, but you have no guilt at all.”

“The dignified ruler of God's Domain, full of benevolence, righteousness and morality, hehe, that's just that.”

After saying the last sentence, Yue Feng couldn't hide the contempt in his eyes.

“You’re courting death!”

Jiutian God was completely furious, a terrifying aura burst out from his body, and he slapped Yue Feng with a palm.

He is the dignified ruler of the realm of the gods, but he is pointed at by a human boy, and he is still in front of his master. If he swallows his breath, how will he lead the gods in the future?

Seeing the Nine Heavens God calling, Yue Feng looked indifferent and did not panic at all.

Chapter 3718

Speaking of which, if it was half an hour ago, Yue Feng would not have dared to anger the Nine Heavens God so blatantly, but now it is different. Empress Nuwa is watching, she will definitely not stand by.

“Stop!”

“Junior brother, calm down.”

Sure enough, seeing that this palm was about to hit Yue Feng, I heard the ancestors of Honghuang and Empress Nuwa scolding in unison.

call.

Hearing the master’s opening, the Nine Heavens God forcibly withdrew his palm and looked at the ancestors of Honghuang, very puzzled: “Master? Do you believe the words of a human boy?” The

ancestors of Honghuang pondered and said lightly: “Although I have always You travel nine days away and rarely return to God’s Domain, but the situation in God’s Domain can’t be hidden from me, when you and your brother made a bet and secretly used small tricks, you really don’t know what a teacher?”

What?

Hearing this, Jiutian God’s heart trembled and he was terrified.

Master actually knew?

At this moment, the ancestors of Honghuang continued: “Although your methods were disgraceful at the time, I didn’t blame you for being a teacher. After all, your senior brother is too straight, behaves stubbornly, and never listens to other people’s opinions.

Therefore, for the teacher, At that time, I thought that it would be okay for you to be the ruler of the God Realm.”

“Afterwards, you forced the demon clan to surrender and start a war of gods. I also know that, but the situation was not so serious, so I ignored you all the time, but I didn’t expect you to quote today. Tianlei will destroy all the demon clan.”

When he said this, the grandfather’s tone was indifferent, but he gave people a breathless majesty.

“Master, I...” Jiutian God blushed and wanted to refute, but opened his mouth, but couldn’t say a word.

call...

At this time, the ancestor of Honghuang waved his hand and said lightly: “Okay, there is no need to say anything, everything will end here.” After speaking, the

ancestor of Honghuang showed a smile and smiled at Yue Feng. Said: “Haha, boy, you are really not simple. A boy from Kyushu can make such a big noise in the realm of the gods, which alarmed me, not bad.”

Hearing this, Yue Feng stood There, the whole body trembled suddenly. .

What does the ancestor of Honghuang mean by saying this?

At this moment, I saw the ancestor of Honghuang looking around the audience and said: “The rules and regulations of God’s Domain have to be changed. Whether it is a human, a monster, or a god, they are all equal.”

“Speaking of which, there have always been many problems in the Divine Realm, but I have been out for nine days, and I have no time to take care of it. I was so troubled by Yue Feng today, I think it is time to rectify it. God’s Domain.” The

ancestor of Honghuang didn’t say much, but it spread throughout the entire Yutian Palace, and the mighty power shocked the depths of the soul.

quiet.

For a time, inside and outside the Yutian Palace, and even the entire Divine Realm, was silent.

“How to rectify it, I need to think carefully.” The ancestor of Honghuang said, his eyes finally fell on Yue Feng: “But now, I need to announce one thing, Yue Feng is very courageous and has a kind heart, So I decided to make him the Nine Heavens Profound

Sage, second only to the Nine Heavens God, and his main responsibility is to deal with matters between the Divine Realm and the human world.”

What?

Hearing this, the whole audience was shocked.

Chapter 3719

At this moment, whether it was the Nine Heavens God, or the many priests around, and the White Tiger King on the execution platform, they were all dumbfounded, staring at Yue Feng, speechless.

This... this ancient ancestor, actually sealed Yue Feng as the Nine Heavens Profound Sage?

The status is second only to the Nine Heavens God.

Since Pangu created the world, this is a unique thing. You must know that even though Yue Feng has a primordial spirit and has practiced the Nine Heavens Holy Profound Art, he is still a human being.

This...

Yue Feng was also stunned, his mind was blank.

what's going on? I thought it would be good to get a life back, but I didn't expect the carp to jump over the Dragon Gate, and in a blink of an eye, I became the Nine Heavens Profound Sage.

Haha....

After a brief shock, the White Tiger King was the first to react and laughed at Yue Feng: “Congratulations to Your Excellency Yue Feng... Haha...” Yue Feng is an ally of the demon clan, At this time, I have become the Nine Heavens Profound Sage, can I not be happy for him?

At the same time, Qicai Lingfeng and other demon tribesmen also started to congratulate each other, and they were all excited.

Huh...

And the many priests around, as well as those god soldiers and generals, have extremely complicated expressions.

Especially the God of Nine Heavens, his expression turned blue and white, as if he had eaten a fly.

The next second, Jiutian God couldn't help but said: "Master, you want to reorganize the gods, the disciple has no opinion, but this Yue Feng is only a human, what qualifications does Jiutian Xuansheng have?"

When he said this, Jiutian God glanced at A glance at Yue Feng, his eyes are full of contempt and contempt.

You must know that the Nine Heavens God has experienced 9,981 calamities, possessed a body of life, and then through unremitting efforts, he took the position of the Nine Heavens God, and this Yue Feng, just a human being, will be named by Master Nine Heavens Profound Sage?

As soon as Jiutian God's voice fell, Ao Lin and many priests next to him also spoke.

"Yeah, this Yue Feng is only a human being, how can he be the Nine Heavens Profound Sage...."

"This Yue Feng ignores the rules of heaven and leads the demon clan to make a riot in the Yutian Palace. With such no rules, how can he take on such a heavy responsibility?"

"Also, please think twice!"

At the same time as saying this, many priests knelt down and kept kowtowing to the ancestors of Honghuang.

Seeing this scene, the ancestor of Honghuang did not have the slightest expression on his face, and quietly looked at the Nine Heavens God: "What? You are now the ruler of the God Realm. With great power, you can disobey the teacher's order?" The

voice was indifferent, but invisible, but There is a strong coercion.

"Disciple..."

Facing the eyes of the ancestors of Honghuang, the Nine Heavens God was inexplicably frightened, and quickly knelt on the ground, his voice trembling: "Disciple dare not..."

At the same time, many priests around also hurriedly closed their doors. Mouth, silently backed away. You must know that the ancestors of Honghuang have an unshakable position in the realm of the gods. Moreover, even the God of Nine Heavens and Empress Nuwa are his disciples. Who would dare to disobey his words?

At this moment, Empress Nuwa looked around and said softly: "Perhaps, in your hearts, this Yue Feng is just a human being, and he is not qualified to enter the realm of the gods at all, but, by his own strength, he will destroy all the demons. Clan, who came out of the sealed zone, who can do it?"

"Moreover, he also received the inheritance of the Brahma Emperor and learned the Nine Heavens Profound Sage. No matter what, he is qualified to be the Nine Heavens Profound Sage."

The words were soft and pleasing, but unquestionable.

At this moment, both the Nine Heavens God and the surrounding priests closed their mouths and stopped speaking out against it.

"Okay!"

At this moment, the ancestor of Honghuang looked around and said to the God of Nine Heavens: "Remove the execution platform and let the White Tiger Kings go."

Chapter 3720

"Yes, Master!" Jiutian God responded, and immediately ordered the surrounding gods and soldiers to withdraw from the execution platform and untie the White Tiger King.

To be honest, Jiutian God was very reluctant to release the rebellious White Tiger Kings, but there was no way, the teacher's order could not be disobeyed.

After regaining his freedom, the White Tiger King was very excited, and bowed to the ancestors of the Great Desolation: "Many thanks to the ancestors."

"Thanks to the ancestors!"

At the same time, Qi Cai Lingfeng and other demon tribesmen also saluted.

The ancestor of Honghuang smiled slightly, nodded and said: "No need to be more polite, everything before is over, from now on, you can help Yue Feng well."

"Yes!" White Tiger King nodded quickly.

Speaking of which, the White Tiger King, as one of the four innate spirit beasts, has an arrogant personality and has never obeyed anyone else's arrangements, but the ancestors of the Great Desolation are different. His status is second only to the existence of the Great God Pangu, so he dare not ignore his words.

More importantly, all the monsters were rescued by Yue Feng, and the White Tiger King was extremely happy to assist Yue Feng.

“That’s right!”

At this moment, Yue Feng thought of something, looked at Jiutian God and said, “Now it’s time to let go of my master and Mr. Guigu.”

Yue Feng’s attitude made Jiutian God very unhappy, but Because the ancestor of Honghuang was watching, it was not easy to attack, so he waved at Ao Lin next to him.

Ao Lin understood and hurriedly said: “I’ll go to the Heavenly Prison and release Mr. Guigu.” As

soon as he finished speaking, Yue Feng said, “I’ll be with you!” With just a few words, there was no doubt.

In Yue Feng’s heart, what he did in the Divine Realm during this time was out of helplessness, but no matter what, it also affected the master.

Under the guilt, Yue Feng decided to go to the prison in person to pick up Guigu.

Seeing Yue Feng speak, Ao Lin didn’t dare to say anything more, so he quickly led the way and took Yue Feng to the Heavenly Prison. You must know that Yue Feng at this time is the Nine Heavens Profound Sage, his status is second only to the Nine Heavens God, how dare Ao Lin dare to snub?

After Yue Feng and Ao Lin left, the White Tiger King and the demon clan also retreated to heal their injuries. After fighting fiercely with God’s Domain for several days and nights, the demon clan’s vitality was severely damaged, and it would take at least a month to recuperate.

For a time, the surrounding area of Yutian Palace returned to its former calm.

The ancestors of Honghuang and the goddess Nuwa were respectfully invited by the Nine Heavens to enter the Imperial Palace.

“Master!”

At this time, after asking the ancestors of Honghuang to take the seat, the Nine Heavens God looked uneasy: “How the entire Divine Realm will be rectified, please also ask the master to show you...”

Many priests standing on both sides of the bottom, their eyes are also at this time. All gathered on the ancestors of the Great Desolation.

Huh....

Honghuang Patriarch breathed a sigh of relief, did not respond, but glanced at Empress Nuwa.

Empress Nuwa bit her lip lightly, and her flawless face showed a bit of solemnity: “Junior Brother, Master and I have returned from outside the Nine Heavens this time. In addition to rectifying the realm of the gods, there is one more important thing.”

“What’s the matter?!” Jiutian God asked subconsciously.

Empress Nuwa frowned, and her eyes showed a bit of worry: “When Master and I came back, we sensed the breath of the Demon Lord Gone from nine days away... Eighty thousand years ago, we all thought the devil was a demon. The clan was completely wiped out, and as a result, we were all wrong... That Demon Lord Gone was not completely destroyed.”

What?

Hearing this, whether it was the Nine Heavens God or the many priests below, their expressions changed drastically.
