

The ultimate husband in Chinese chapter 3751-3760

Chapter 3751

Call!

Seeing Bai Yunfei's indifferent attitude, Luo Jue was secretly surprised.

This kid has such a deep inner strength that he can actually withstand the crushing of his own breath, but no matter how strong his inner strength is, he is only a mortal body.

Thinking to himself, Luo Jue's mouth twitched, revealing a contemptuous smile.

"Kacha!"

Feeling Luo Jue's gloomy coldness, Bai Yunfei didn't panic at all. He raised his right hand, accompanied by a crisp sound, a silver horizontal knife, which he firmly grasped in his hand.

I saw that this silver horizontal knife, shining with cold light and suffocating arrogance, turned out to be a purple-rank weapon.

"Hey, a purple-rank weapon."

"The burst of breath is so strong, it seems to be much more sophisticated than the weapon cast by the famous sword villa..."

"I didn't expect that this Bai Yunfei is not only powerful, but also has a purple-rank weapon. ." During the

discussion, everyone's eyes were fixed on the silver horizontal knife in Bai Yunfei's hand.

At this time, everyone did not know that this horizontal knife, called 'Xie Zhan', was a family heirloom of the Baiyun family. Back then, when the ancestors of the Bai family went into hiding in the human world, they accidentally got a piece of meteoric iron from outside the sky. Casting technology to create a horizontal knife.

For thousands of years, this evil war sword has been handed down from generation to generation in the Baiyun family, treasured by the patriarchs of all dynasties, and a symbol of the patriarch's identity.

Bai Yunfei used to be the new patriarch of the Baiyun family, and when he came out to explore Kyushu this time, he brought out the evil war.

Purple weapons?

This chapter is provided by . Visit for daily update.

Seeing Xie Zhan Hengdao, Luo Jue froze for a moment, then sneered disdainfully.

As the messenger of the God's Domain and the leader of the Heavenly Dao Alliance, Luo Jue possessed countless high-quality weapons, and he did not take Bai Yunfei's purple-rank weapons in his eyes at all.

"Looks like you came prepared."

At this moment, Luo Jue said indifferently, then turned his right hand, clenched a long sword of purple rank, and charged directly towards Bai Yunfei.

You can see that the long sword is dark blue, and wherever it passes, it leaves a blue afterimage in the air. It is extremely gorgeous, and it is also a purple-level weapon.

Bai Yunfei chuckled lightly, too lazy to talk nonsense, his figure flew high into the sky, and he and Luo Jue fought fiercely in mid-air!

Huh..

Seeing this scene, many people around are very excited.

"Both sides are purple-ranked weapons!"

"In terms of weapons, neither side has an advantage, but in terms of strength, League Lord Luo is stronger..."

"It's hard to say, why do I think this Bai Yunfei

is not easy." Under the discussion of everyone, the battle between Luo Jue and Bai Yunfei became more and more intense.

I saw the figures of the two of them constantly shuttle back and forth in mid-air, and the burst of breath caused the surrounding air to distort.

Speaking of which, Luo Jue, as a messenger from the Divine Realm, possesses the power of the Primordial Spirit and can easily win!

However, Bai Yunfei fused the power of the demon soul, whether it was explosive power or defense, it was beyond the limits of mortals. In this case, Luo Jue would have a hard time suppressing him.

At the beginning, Luo Jue was still very confident, but gradually he became a little anxious.

This Bai Yunfei is just a human being, how can he stop his divine power from being crushed?

What made Luo Jue even more puzzled was that, after fighting for so long, he still could not perceive Bai Yunfei's cultivation level. The opponent was like a vast ocean, unfathomable.

Luo never knew that Bai Yunfei had hidden the aura of the Demon Soul, and unless it was actively exposed, it would be difficult to detect it.

Under the shock, Luo Jue was completely anxious, and said coldly: "What a Bai Yunfei, really extraordinary, from now on, the deity has to be serious."

Om!

The voice fell, and the air beside Luo Jue suddenly condensed! A terrifying divine power spread out from his body crazily!

"Tianluo Zhenshi!"

Chapter 3752 The

cold four words came out of Luo Jue's mouth, and in the next instant, a golden glow burst out from him, like a scorching sun. In an instant, the entire Tiandao League main altar was covered with a golden glow. shrouded.

I saw that Luo Jue's whole person, under the illumination of this golden light, was indescribably majestic and domineering, which was daunting.

"This...Is this a stunt that only God's Domain has?"

"What kind of skill is this?"

"What a strong breath..."

At this moment, many people looked up and looked at the man who was shrouded in golden light. Luo Jue, one by one was extremely horrified.

Um?

Bai Yunfei also frowned, secretly surprised.

This Luo Jue is worthy of coming from the realm of the gods. This trick is very rare. I am afraid that there are very few that can be blocked in Kyushu. However, if you have a demon soul, you don't need to be afraid.

At this moment, Yue Feng, who was sitting below, also had a solemn expression on his face.

I can't see that this Luo Jue is just an emissary sent by God's Domain, and his strength is so powerful that he is not inferior to that Gong Ao.

Muttering in his heart, Yue Feng's eyes fell on Bai Yunfei again.

This Bai Yunfei, who is only a mortal, is not supposed to be Luo Jue's opponent at all, but it was unbelievable that after fighting with Luo Jue for so long, it was still indistinguishable.

Om...

At this moment, the golden light shrouded in the entire sky dyed the entire Tiandao Alliance main altar into a golden color, and everyone present was almost breathless.

Whoosh!

At this moment, Luo Jue slowly raised his right hand and saw the golden light shrouded around him, instantly condensing a golden palm print, flying directly towards Baiyun.

The golden palm print was getting bigger and bigger. When it was about to reach Bai Yunfei's eyes, the diameter reached tens of meters, blocking all his escape routes.

For a time, many people present couldn't help sweating for Bai Yunfei.

Bai Yunfei's face also became solemn, and then he held the Xie Zhan Hengdao tightly, and his power burst out completely. In an instant, a dazzling light flashed out from the Xie Zhan Hengdao.

"Destroying Heaven!" Three cold words came out of Bai Yunfei's mouth.

"Boom!" The

voice fell, and the air in front of Bai Yunfei's eyes suddenly distorted, and then a huge blade shadow burst out from the evil war sword, forming a silver shock, meeting the huge golden palm print.

In the blink of an eye, two forces surged wildly, and over the entire Heavenly Dao League, the sun and the moon dimmed.

The Heaven Extinguishing Art is exactly what Bai Yunfei had learned in the Demon Soul. It contained terrifying explosive power. At this time, it was displayed in conjunction with the Demon Soul in Bai Yunfei's body, and its power was even more astonishing.

boom!

In the blink of an eye, Bai Yunfei's blade shadow and Luo Jue's palm print collided fiercely, and a roar of earth-shattering came out. The entire Tiandao Alliance main altar was shaking. The entire arena was filled with smoke and dust.

Phew...

Seeing this scene, everyone present felt chills down their spines, and their brains were buzzing.

Strong, really strong.

At the same time, Yue Feng was also shocked. This Bai Yunfei was so powerful that he actually blocked Luo Jue's strongest blow. If there is a chance in the future, he must investigate this person carefully.

correct! After coming here for such a long time, I haven't seen Xiandi and the members of the dragon clan, so why don't you take this opportunity to explore inside.

Thinking of this, Yue Feng saw that the dust and smoke on the arena had not completely dissipated, and immediately said to Su Qingyan: "Qingyan, I will go to investigate the Tiandao Alliance, you stay here."

After speaking, Yue Feng's figure flashed, He rushed directly into the hall not far away.

At this moment, Su Qingyan wanted to stop her, but she was still a step behind, and she was in a hurry.

This is the main altar of the Tiandao Alliance, and it is not something that can be explored if one wants to investigate.

It can be seen that Yue Feng has entered the hall, Su Qingyan can't say anything.

Yue Feng's speed was very fast, and everyone present was focused on Luo Jue and Bai Yunfei, and didn't notice it at all.

Chapter 3753

At this time, on the battlefield.

The dust and smoke gradually dissipated, and Luo Jue was seen suspended there, his face was cold, and he was not affected by the huge impact at all.

Not far from him, Bai Yunfei stood proudly dressed in white.

Just like Luo Jue, Bai Yunfei looked as usual, and there was no sign of being injured at all.

Wow...

Seeing this scene, the audience immediately exploded, and a pair of eyes stared at Bai Yunfei, shocked.

This Bai Yunfei had even been tied with Luo Jue.

Strong, really strong, you must know that Luo Jue is a messenger from the Divine Realm, and his cultivation base is not comparable to human beings at all, and Bai Yunfei can actually be on a par with him, how can it not be shocking?

Simply a genius.

For a time, while everyone was shocked, a thought appeared in their hearts.

As soon as Bai Yunfei appeared, it seemed that the pattern of the entire Kyushu rivers and lakes was about to change again.

Listening to the discussions around, Luo Jue's face turned blue and white, indescribably embarrassed and annoyed. It is a great humiliation for the dignified leader of the Heavenly Dao Alliance, known as the existence of the Heavenly Venerate, to be unable to take down a human boy.

But with so many sects around, Luo Jue couldn't show it.

"It's rare..." In the

next second, Luo Jue suppressed the anger in his heart, and looked at Bai Yunfei with a smirk: "Your Excellency is so young, it's really rare to be able to fight this seat for so long without losing."

"My Tiandao Alliance is at the time of employing people. If your Excellency can join, it will not only be a blessing for my Tiandao Alliance, but also a blessing for Kyushu."

"As long as you join, I will immediately make you the deputy leader, how about that?" Luo Jue looked at Bai Yunfei with a bit of urgency and complexity in his eyes.

Luo Jue is resourceful and far-sighted, and he knows in his heart that if a talent like Bai Yunfei is regarded as hostile, it will be beneficial and harmless, so it is better to draw him over.

Swish!

The voice fell, and the eyes of the audience converged on Bai Yunfei again, and many people showed deep envy in their eyes.

As long as you join the Tiandao Alliance, you are the deputy leader.

This kind of honor is afraid that the entire Kyushu will not be able to find a second person, right?

“Haha...”

Facing Luo Jue’s serious gaze, Bai Yunfei chuckled lightly and said slowly: “Thanks to Alliance Leader Luo, I understand Bai Yunfei’s heart. Speaking of which, the competition just now, no matter whether I win or lose, maybe I will. Join the Tiandao Alliance.”

“However, the two of us fought a tie. It seems that I have no fate with the Tiandao Alliance. Lord Luo, the green mountains will not change, and we will have a future.”

After the last sentence, Bai Yunfei greeted his subordinates . , turned around and left gracefully.

The competition was tied, but Luo Jue gave him a deputy leader. Bai Yunfei has a arrogant temperament, how could he be subordinate to others?

Bai Yunfei thought about it, since his own strength is on par with Luo, instead of staying in the Tiandao Alliance as a deputy leader, it is better to establish a sect by himself.

This...

Seeing this scene, everyone in the audience was stunned.

This Bai Yunfei, the position of the deputy leader, doesn’t even look down on him. Could it be that he really wants to be the leader of the Tiandao Alliance?

But then again, he really has this qualification to be able to draw with Luo Jue.

Huh...

At this moment, Luo Jue’s face was also extremely ugly. He never thought that Bai Yunfei would not give any face at all, so he just left.

After more than ten seconds, Luo Jue regained his senses and smiled at the surroundings: “It’s alright, everyone, continue, you must not be drunk today!”

After speaking, Luo Jue returned to his seat, and the surrounding Everyone, continue to enjoy the wine.

Chapter 3754

At this time, Luo Jue had a smile on his face, as if he didn't care about the competition just now, but his heart was full of anger.

This Bai Yunfei has caused himself to lose face in front of all the sects. If there is a chance in the future, he must teach him a good lesson.

“Heavenly Venerable!”

At this moment, a bodyguard walked over quickly and whispered: “Just now, the Heavenly Jade Order suddenly flashed light, it must be news from God's Domain, please take a look at the Heavenly Venerate!”

” The white jade token was handed over to Luo Jue.

I saw that this white jade token was engraved with cumbersome inscriptions, and there was a faint flickering of light in it, which was very peculiar. It was obviously not something from Kyushu.

This thing is the Heavenly Jade Token, which is what Luo Jue is connected to the Divine Realm. Only by injecting divine power can the message inside be opened.

Luo Jue's face instantly became solemn, he took the Heavenly Jade Order and injected divine power, and suddenly, a message appeared in Luo Jue's mind: “Recently, the ancestor of the Great Desolation has newly named a Nine Heavens Profound Sage, and has returned to Kyushu, Luo Jue. As the messenger of the God's Domain, all affairs must obey the arrangement of the Nine Heavens Profound Sage...”

Nine Heavens Profound Sage?

Hearing this news, Luo Jue's heart trembled and he was extremely shocked.

....

the other side!

After Yue Feng entered the main hall, he passed through the back door of the main hall and entered the main altar of the Tiandao Alliance.

Because a celebration feast was being held on the square in front of the main hall, and the disciples of the Tiandao Alliance were maintaining order near the feast, so there were very few patrolling disciples inside.

In this case, Yue Feng was very safe along the way.

Um!

After entering the main altar, Yue Feng immediately sensed a familiar aura fluctuation, which was the soul contract between him and Xiao Xi.

Of course, at this time, Yue Feng did not know that the young dragon who once established a master-servant relationship with him was Xiao Xi.

Through the induction of the soul contract, Yue Feng quickly arrived at the door of a hidden room.

Squeak!

The moment he opened the door, Yue Feng was stunned.

I saw a delicate and delicate figure sitting on the chair in the room, with finely crafted facial features and a yellow short skirt. .

It was Xiao Xi.

“Xiao Xi?”

After being stunned for more than ten seconds, Yue Feng subconsciously shouted, but his mind was buzzing and blank.

Is this...you are dreaming?

At this time, Yue Feng had mixed feelings in his heart, both joy and shock. He clearly remembered that when Xiao Xi swallowed the dragon ball by mistake, he was severely injured by Zhang Jiao, and then was thrown into the icy river.

At that time, Yue Feng was so sad and angry that he was almost mad. In the past three years, whenever he thought of Xiao Xi, his heart was cut with grief, and he thought that Xiao Xi had left him forever, but at this time, he suddenly saw Xiao Xi appear alive. In front of you, how not to be shocked?

Swish!

Hearing Yue Feng's voice, Xiao Xi's delicate body trembled, and then she raised her head to look at Yue Feng, and in an instant, the whole person was also stupid.

“Young Master!” In the

next second, Xiao Xi let out a coquettish cry, jumped off the chair, and threw herself into Yue Feng's arms, holding Yue Feng tightly with both hands, crying with joy: “You are back, you are finally back. ...”

At this moment, listening to Xiao Xi's voice and feeling the warmth of her tender body, Yue Feng was excited. He really never thought that he could be reunited with Xiao Xi in this life and this life.

Long time no see, Xiao Xi is still cute and charming, and her strength has become much stronger.

Um?

What surprised Yue Feng even more was that there was a special power fluctuation in Xiao Xi, and this fluctuation was the spiritual link between himself and the dragon spirit beast.

Chapter 3755

How can this happen?

For a time, Yue Feng was completely stunned and looked at Xiao Xi in surprise: "Xiao Xi, what's going on? Didn't you get killed by Zhang Jiao? Also, why do you have the breath of a dragon on you?"

Huh !

Hearing the inquiry, Xiao Xi breathed a sigh of relief and slowly explained the situation: "Master, I didn't die back then, it was Diao Chan who saved me, she fused my soul into the dragon egg..."

" Later, as a dragon, I was born out of my shell and became your dragon spirit beast, you know? I thought at the time that I would grow up quickly, and when I had the ability to transform into a human form, I would be able to communicate with you. At that time, you will know that I am Xiao Xi..."

"But later, you were involved in the chaotic vortex..."

When he said this, Xiao Xi couldn't help but hugged Yue Feng tightly and endured it. He couldn't stop crying and said, "Young Master, do you know? At that time, through the soul contract, I sensed that you were not dead. I was very happy, but I was afraid that you would not come back..."

Since transforming into a human form, Xiao Xi thought about it, I was looking forward to reuniting with Yue Feng, and now my wish has been fulfilled, and all my thoughts have turned into tears!

"Xiao Xi..." Yue Feng was moved beyond words: "In these years, you have suffered, you have suffered..."

When he said this, Yue Feng hugged Xiao Xi tightly, for fear that if he let go, he would come back again. I can't see it anymore. Speaking of which, among all Yue Feng's confidantes, only Xiao Xi is the most special, just like her own sister.

At this moment, Xiao Xi didn't speak, leaned tightly against Yue Feng's arms, feeling the familiar warmth.

"Young Master!"

After a long time, Xiao Xi suddenly thought of something: "How did you come here?" As she spoke, Xiao Xi looked outside, her delicate face showing a little nervousness.

You must know that this is the main altar of the Tiandao Alliance. Although Yue Feng is powerful, he is not an opponent of the Tiandao Alliance.

Haha...

Feeling Xiao Xi's nervousness, Yue Feng showed a smile and was about to answer.

"Okay!"

But at this moment, a sneer was heard from outside the door, and then, a dozen figures poured in, and the headed one had a grim expression, showing a bit of gloom.

It was Guo Dong.

At this time, Guo Dong took a step forward, his face full of contempt: "Yue Feng, you are very courageous and dare to break into our main altar. Do you really think that you were once a hero of Kyushu, so you can have no taboos? Tell you, the current Kyushu is , it is no longer the Kyushu from three years ago!"

When he said this, Guo Dong's face was arrogant.

Just now, Guo Dong was patrolling the banquet and found that Yue Feng was gone, so he immediately took people to search around, and he caught Yue Feng here.

At this time, Guo Dong was not only angry, but also a little excited.

Before the banquet started, Guo Dong wanted to trouble Yue Feng, but was interrupted by Bai Yunfei. At this time, seeing Yue Feng breaking into the main altar again, Guo Dong felt that the opportunity had come.

Seeing this, Xiao Xi instantly became nervous.

Speaking of which, Xiao Xi didn't take Guo Dong in his eyes at first, but since the Qinglong family surrendered to Luo Jue, under Luo Jue's coercion, they all took Luo

Jue's special medicine pill, and the power of Qinglong in each individual was destroyed. suppress.

Xiao Xi also took the medicine pill and was very weak at this time.

A fool!

Yue Feng frowned secretly, and after scolding, he patted Xiao Xi's shoulder to signal not to panic.

The next second, Yue Feng walked to the side and sat on the chair with a leisurely and calm attitude.

Mad!

Seeing Yue Feng's attitude, Guo Dong immediately became furious and shouted, "Are you looking for death?"

This Yue Feng was too arrogant. He didn't say anything when he broke into the main altar. Take yourself seriously, it's hard for anyone to calm down.

Guo Dong shouted and drew his long sword at the same time.

The ultimate husband in Chinese chapter 3756-3760

Chapter 3756

Wow!

At the same time, more than a dozen elites of the Heavenly Dao Alliance behind him also surrounded Yue Feng.

In the face of this situation, Yue Feng did not panic at all, and looked at Guo Dong with a half-smiling smile: "Guo Dong, do you think you can take me down?" As he

said, Yue Feng picked up the side of a jade plate, play leisurely.

"You..."

Guo Dong's face flushed, a little embarrassed.

This Yue Feng is a well-known hero of Kyushu, and his strength is extremely powerful. If he really wants to fight, he and a dozen elite disciples alone, I am afraid that he is not an opponent.

Thinking to himself, Guo Dong secretly winked at a disciple next to him, telling him to hurry up and inform Luo Jue.

The disciple understood and immediately rushed to the grand banquet hall.

Yue Feng saw these in the bottom of his eyes, laughed secretly in his heart, and sat there calmly.

Guo Dong looked proud and said coldly: "Yue Feng, don't pretend to be in front of me, you dare to break into our main altar, you are dead, wait for our Tianzun to come, even if there is Daluo Jinxian. I can't save you."

Yue Feng smiled and ignored it.

"What's the matter?"

At this moment, a low voice came from outside, and then, Luo Jue walked in slowly.

At this time, Luo Jue's face was full of sullenness. He competed with Bai Yunfei before, and the result was a tie. He was a little suffocated. At this time, before the banquet was over, he was called by Guo Dong, and his mood was even worse.

This chapter is provided by . Visit for daily update.

Swish!

After entering, Luo Jue's eyes were locked on Yue Feng at once, and his face became even more gloomy.

Who is this person? How come here?

"Tianzun!"

Seeing Luo Jue's arrival, Guo Dong suddenly felt confident and shouted: "His name is Yue Feng, the former Tianmen sect master, this person has always been very arrogant. Just now, he trespassed inside the main altar and was arrested. After I gave a warning, I also said mad..."

When he said this, Guo Dong looked at Yue Feng very proudly.

When Tianzun arrives, you just wait to die.

Hearing these words, Luo Jue looked up and down at Yue Feng, looked at it for a long time, and said in a cold and arrogant tone: "You are Yue Feng?" Yue Feng was famous in Kyushu back then, and Luo Jue had certainly heard of it.

But that was all in the past. The current Jiuzhou Jianghu is the world of the Heavenly Dao Alliance. Moreover, Luo Jue came from the Divine Realm and did not take Yue Feng seriously at all.

“Yes, it’s me!” Yue Feng smiled and nodded.

Although Luo Jue was very imposing, Yue Feng still looked calm.

“Young Master!”

At this moment, Xiao Xi couldn’t help pulling Yue Feng and whispered, “Be careful, this Luo Jue is very cunning!” When saying this, Xiao Xi couldn’t help but look at Luo Jue. At a glance, there was a bit of fear and anger in his eyes.

Xiao Xi had personally experienced this Luo Jue’s method. A few days ago, if it wasn’t for Luo Jue’s trickery, Shenlong Island would not have been breached.

Yue Feng smiled slightly, and comforted Xiao Xi: “Don’t be afraid, there is me.”

Seeing the two of them talking in front of him as if no one else was talking, Luo Jue’s heart was filled with anger, and he said coldly: “Yue Feng, you have the guts. Not small, dare to trespass inside my Heavenly Dao Alliance.”

Huo!

Yue Feng breathed a sigh of relief, and said lightly to Luo Jue: “The Qinglong family is my allies, but you have breached Shenlong Island. Do you think I will sit back and watch?”

Chapter 3757

When he said this, Yue Feng’s tone was indifferent, but there was no doubt.

Feeling Yue Feng’s aura, Luo Jue was stunned for a moment, and then he couldn’t help but chuckle: “Tsk tsk, worthy of being a former hero of Kyushu, he really has a lot of courage!”

After speaking, Luo Jue looked at Yue Feng with interest. : “However, your Tianmen’s reputation in the Jiuzhou rivers and lakes has plummeted, and you are only one person now, I want to see, what are you going to do?”

Om!

The last word fell, and a terrifying aura erupted from Luo Jue’s body.

Seeing this situation, Guo Dong was very excited and couldn't help shouting: "Tianzun, don't talk nonsense with him, just kill him."

Immediately, Guo Dong was very proud and shouted at Yue Feng: "Yue Feng, I have said long ago that the Kyushu at this time is not the Kyushu three years ago, and if you break into our main altar, you will find your own way of death."

Feeling Guo Dong's pride, Yue Feng ignored it.

"Luo Jue, before we start, can we talk about it alone?" Yue Feng calmly said, "You guys are too noisy."

Huh?

Luo Jue frowned, this Yue Feng, facing such a desperate situation, can still be so calm, it is really extraordinary.

Thinking to himself, Luo Jue nodded and said, "Okay, I'll see what tricks you're going to play, Guo Dong, you go out first." This is the main altar of the Tiandao Alliance, so he's not afraid of Yue Feng playing tricks.

Seeing that Luo Jue promised to talk to Yue Feng alone, Guo Dong was in a hurry.

It can be seen that Luo Jue's face is serious, Guo Dong did not dare to go against it, so he had to take a dozen elite disciples of the Heavenly Dao League and quickly exit the room, but when he walked out of the door, he did not forget to give Yue Feng a stern look.

"Yue Feng!"

As soon as his forefoot left, Luo Jue looked impatient and said to Yue Feng: "If you have your last words, you can say it now."

Yue Feng smiled slightly: "Luo Jue, you are the messenger sent by God Domain to the Kyushu Continent. , Have you received any news from God's Domain recently?"

Shuh!

Hearing this, Luo Jue frowned: "What did you say? What news?"

Yue Feng looked leisurely: "For example, the return of Jiutian Xuansheng to Kyushu..."

What?

Hearing those four words, Luo Jue's face changed greatly, and his heart was even more shocked. He stared at Yue Feng closely: "You... How do you know about Jiutian Xuansheng?"

At this time, Luo Jue, in his heart Shocked.

You must know that only Luo Jue knows about the news that God's Domain has spread to Kyushu. Moreover, the matter of Jiutian Xuansheng has just been learned. How did this Yue Feng know?

Thinking to himself, Luo Jue's eyes were solemn, and he said coldly to Yue Feng: "How do you know about the Nine Heavens Profound Sage? You'd better tell me exactly, otherwise, I will make you die without a burial place!"

After saying this, Luo Jue's whole body was filled with aura, as if he wanted to do something at any time.

call!

Seeing this scene, Xiao Xi, who had been silent beside her, was inexplicably nervous, and hugged Yue Feng's arm tightly at the same time.

Facing Luo Jue's glare, Yue Feng didn't panic at all, but sighed softly and said slowly: "I've said it so clearly, haven't you seen it yet? Forget it, let me just say it directly, I am The Nine Heavens Profound Sage, who was just conferred by the ancestors of the Great Wilderness, is mainly responsible for dealing with matters related to the Divine Realm and the human world."

"In other words, even if you are the Heavenly Venerate of the Heavenly Dao Alliance, you have to obey my arrangements, understand?"

What?

This Yue Feng... is the Nine Heavens Profound Sage?

Hearing this, Luo Jue's heart trembled, and the whole person froze there, unable to recover for a long time.

Xiao Xi was also stunned, her delicate body trembled faintly, and she stared at Yue Feng blankly.

Chapter 3758

"Haha..."

Finally, Luo Jue reacted, as if he heard a big joke, and sneered at Yue Feng: “What did you say? You are Jiutian Xuansheng? Haha.... You have What qualifications do you have to be a Nine Heavens Profound Sage... eh?”

Luo Jue suddenly fell silent after taunting him halfway through.

I saw that Yue Feng smiled and slowly raised his hands, followed by a golden glow, condensing a golden phantom. Although this phantom was an illusion of power, it gave people a feeling of sacredness and inviolability. .

It is the Yuanshen of Yue Feng.

soul?

Seeing this, Luo Jue blushed and was speechless in shock.

This... This Yue Feng is just a mortal body, but he actually possesses a primordial spirit?

Just when Luo Jue was muttering secretly, a scene that shocked him even more appeared in front of him.

Om...

I saw Yue Feng wave his hand gently, and a crimson flame jumped out, and then a fireball condensed in mid-air. As soon as the fireball appeared, the temperature of the entire room suddenly increased a lot.

Not only that, Luo Jue clearly saw that in the fireball, there was a faint flickering of a spirit bird.

“This...is this the power of the ancestors of the Suzaku clan?” Luo Jue opened his eyes wide and stuttered. As the messenger of God’s Domain, Luo Jue immediately recognized that the fire that Yue Feng had driven out was the power of the ancestors of the Suzaku family.

At this moment, Luo Jue was completely dumbfounded. He stared at Yue Feng blankly, only to feel that his legs were weak and he could not stand still.

This Yue Feng not only possesses Primordial Spirit, but also possesses the power of Bird Ancestor, which is very consistent with the message from God Domain. It seems that he is Jiutian Xuansheng.

“How is it?”

At this moment, Yue Feng showed a smile, looked at Luo Jue and said, "Believe in my identity now."

Hearing this, Luo Jue calmed down, quickly accompanied the smiling face, and said respectfully: "Your Excellency Xuansheng, I really didn't know Mount Tai before, please be generous and don't care about it."

Luo Jue had a smile on his face when he said this, but he was extremely terrified.

It was over, this Yue Feng turned out to be the Nine Heavens Profound Sage, and he was thinking of attacking him just now, and now he is in big trouble.

Um!

Seeing that his attitude was not bad, Yue Feng nodded, sat on the chair, and said lightly: "I'll take Xiao Xi out later, no problem."

"No problem, no problem!" Luo Jue wiped his face. Cold sweat, the chicken nodded again and again like a chicken pecking at rice.

Yue Feng continued: "There is also the matter of the Qinglong family, which also needs to be redefined."

At this time, Luo Jue dared to violate the slightest: "Everything is subject to the arrangements of Your Excellency Xuansheng."

"Also, I am Jiutianxuan . The matter of the saint must be kept a secret."

"Understood, understand..." After the

explanation was almost done, Yue Feng slowly stood up.

At this time, Luo Jue's heart that had been hanging on it finally fell to the ground, and then shouted out the door: "Guo Dong." However, he gave the Qinglong family medicine pills to suppress their dragon power.

Before Yue Feng gets angry, let Guo Dong deliver the antidote to the Qinglong family.

Whoa!

When the words fell, Guo Dong rushed in with a dozen elites of the Heavenly Dao League.

At the moment of rushing in, Guo Dong shouted with a look of flattery: "Tianzun, this subordinate will take Yue Feng down." The voice fell, and he rushed towards Yue Feng.

At this time, Guo Dong thought that Luo Jue called him in because he wanted to do something to Yue Feng.

Chapter 3759

“Bastard!”

At this moment, Luo Jue was almost scared to death, right, is this Guo Dong pig brain? He actually did something to Jiutian Xuansheng? In his anger, Luo didn't have time to think too much.

“Crack!”

This slap used almost all his strength, Guo Dong turned around seven or eight times, and finally sat on the ground, his face swollen high.

“Your Excellency Tianzun!”

Guo Dong was immediately befuddled, and stared at Luo Jue blankly, with fear and confusion at the same time: “This Yue Feng is daring and trespassing inside our main altar, and I want to give him some color.”

“Crack!”

Before he finished speaking, Luo Jue couldn't do anything, slapped him again, and scolded: “Shut up for me, Your Excellency Yue Feng came to Tiandao Alliance this time to discuss with me. The future of the Jiuzhou rivers and lakes is the honored guest of the Heavenly Dao Alliance. Do you understand, if you neglect the honored guest, you just don't take me seriously.”

Just now Yue Feng said that if he wanted to hide the identity of Jiutian Xuansheng, how could Luo Jue dare to say it? It can only be said that Yue Feng is his guest.

What? VIP? !

Hearing this, Guo Dong covered his face, his whole body was covered, and his brain was buzzing.

What's the matter?

Your Excellency Tianzun, I was planning to take action against Yue Feng just now. How could Yue Feng become a distinguished guest in the blink of an eye?

Seeing that Guo Dong was stunned, Luo Jue didn't get angry, and shouted angrily, “You poor-eyed servant, you have been disrespectful to Your Excellency Yue Feng before, why don't you come to apologize?”

Om!

Hearing this roar, Guo Dong's face was instantly pale, and there was no blood at all!

Tianzun wants to apologize to Yue Feng?

At this time, Guo Dong was very resistant, but seeing Luo Jue's gloomy expression, he was so frightened that he couldn't say a word.

"Your Excellency Yue Feng..."

After two seconds, Guo Dong took a deep breath, walked slowly to Yue Feng, and said reluctantly, "I have offended a lot before, please forgive me."

When he said this, Guo Dong's tone was full of humiliation .

He never thought that, as the guardian of the Heavenly Dao Alliance, he would apologize to Yue Feng. You know, Yue Feng disappeared for three years, and his prestige is far from before. In fact, Yue Feng was almost completely forgotten on the rivers and lakes.

And himself, as the guardian of the Heavenly Dao Alliance, is in the limelight.

A fool!

Facing Guo Dong's apology, Yue Feng was expressionless and said lightly, "Guo Dong, before the banquet started, you asked me to kneel down and apologize to you..."

Shuh!

Hearing this, Guo Dong shuddered and almost cried: "Your Excellency Yue Feng, I was confused before, I was wrong..."

Putong.

While talking, Guo Dong knelt directly in front of Yue Feng.

To be honest, Guo Dong didn't want to kneel, but he really had no choice. If he didn't get Yue Feng's forgiveness, Luo would never let him go.

Seeing this scene, Yue Feng nodded with satisfaction: "Okay, don't do this kind of bullying in the future."

"Yes, yes, what Your Excellency Yue Feng taught is." Guo Dong was dripping with sweat and knelt down. There he kept nodding.

At this time, Luo Jue came over and kicked Guo Dong fiercely: "Remember the teachings of Your Excellency Yue Feng, if I commit this again, I will not forgive me lightly, get down quickly, and send the antidote to the Qinglong family."

Guo Dong did not dare to disobey, let alone ask more questions, so he got up and walked out.

Chapter 3760

"Okay!"

At this time, Yue Feng breathed a sigh of relief, and said to Luo Jue: "Now the banquet is almost over, I can't stay longer, if there is anything in the future, just send someone to the Ouyang family to ask me for instructions. Good."

Saying that, Yue Feng took Xiao Xi and strode out.

To be honest, Yue Feng thought about bringing all the Qinglong clan to the Ouyang clan, but this would definitely cause a shock in Kyushu. In order not to attract attention, let them stay in the Tiandao Alliance.

After all, Luo Jue knew his identity and did not dare to do anything to the Qinglong family.

"Young Master!"

On the way back to the banquet, Xiao Xi couldn't help but wonder: "Are you really the Nine Heavens Profound Sage? What kind of identity is that? It's amazing. That Luo Jue is very arrogant. It 's like a little turtle."

From acquaintance until now, Xiao Xi is still used to being called Young Master Yue Feng.

Haha...

Hearing Xiao Xi's description, Yue Feng couldn't help laughing out loud, and then responded: "The Nine Heavens Profound Sage, whose status is second only to the Nine Heavens God, is of course powerful..." After

that, Yue Feng said He talked about his being named the Nine Heavens Profound Sage.

At the end, Yue Feng said seriously: "Xiao Xi, it's good for you to know about this matter alone. Don't tell Qingyan and Brother Wen for the time being, do you know?"

"Why?" Xiao Xi looked puzzled: " Don't you believe in Brother Wen and the others?"

Yue Feng shook his head with a serious face: "It's not that I don't believe Brother Wen and the others, but the Ouyang family has too many people, so many people talk about it, my identity is not trivial, I don't want to be so fast. Expose."

Xiao Xi nodded in understanding.

While talking, it was already at the banquet, and from a distance, Su Qingyan was sitting there, looking around, her delicate and beautiful face, unable to hide her worry.

Yue Feng has been gone for so long, and he doesn't know what's going on. Can you not worry?

"Yue Feng."

At this moment, seeing Yue Feng, Su Qingyan's face was overjoyed, and she hurried up to greet him.

When she got to the front, Su Qingyan couldn't hide her urgency and excitement, and said softly: "Yue Feng, you're finally here."

Then, seeing Xiao Xi next to her, she was even more delighted: "Xiao Xi, seeing you all right Son, I'm relieved. By the way, how did you come out? The people of the Tiandao Alliance, why didn't you stop you?"

Yue Feng smiled slightly: "I and Luo Jue reached an agreement, in the future Tiandao Alliance and Tianmen, as well as Huaguoshan, and the Hall of Longevity, do not invade each other, and then Luo Jue agreed to let me take Xiao Xi away."

When he said this, Yue Feng looked relaxed.

So simple?

Hearing this, Su Qingyan was stunned.

In her cognition, Tiandao Alliance is not so easy to talk about.

At this time, the banquet was about to end, Yue Feng smiled: "The specific situation, I will tell you later, the banquet is almost over, let's go."

Seeing that Yue Feng was not talking, Su Qingyan didn't ask any more. After having known each other for so many years, Su Qingyan unconditionally believed in Yue Feng. She knew that what Yue Feng did had his reasons.

Leaving the main altar of the Tiandao Alliance, Yue Feng, Su Qingyan, and Xiaoxi traveled all the way, talking and laughing.

Speaking of which, Yue Feng had just returned to Kyushu, and he still had a lot of things to do, but after being separated from Su Qingyan and Xiao Xi for so long, this time he took the opportunity to relax.

After playing for a few hours, I saw a tavern not far ahead. At this time, there were a lot of guests sitting in the tavern, almost all of them were people from Jianghu who attended the Tiandao League banquet.

“Master, there is a tavern in front.” Xiao Xi shouted, very excited.

I was tired and thirsty after walking for a few hours just now.
