

The ultimate husband in Chinese chapter 3761-3765

Chapter 3761

“Qingyan, let’s take a break here!” Yue Feng showed a smile and pointed at Su Qingyan.

Su Qingyan nodded, and then the three of them walked into the tavern and found a seat by the window to sit down.

Um?

As soon as he sat down, Yue Feng was startled, but he felt a sudden murderous aura!

Yue Feng looked back subconsciously, and saw not far away, dozens of sect disciples, armed with swords, suddenly surrounded the tavern.

These sect disciples, wearing uniform dark green long gowns with a coiled serpent logo embroidered on their chests, are the disciples of the Five Poison Sect in Xicang Continent.

The head is a woman, also wearing a dark green dress, delicate facial features, indescribably charming and charming.

It is the current suzerain of the Five Poison Sect, Ji Hongshang.

At this moment, Ji Hongshang’s eyes were tightly locked on Yue Feng, revealing endless resentment: “Yue Feng, you killed my sister, I will kill you to pay homage to her spirit in the sky.”

Yes, Ji Hongshang is exactly the same. Ji Linglong’s younger sister.

A few years ago, Ji Linglong was taken by Yue Feng with Tongtian Pill and was forced to surrender. After that, Ji Linglong has been working for Yue Feng, and at the same time, every other year, he goes to the Ouyang family to get the antidote.

It was only two years ago that Ji Linglong was entangled by the enemy and failed to go to the Ouyang family to get the antidote in time, and she died of poisoning.

Ji Hongshang was devastated by the tragic death of her sister, and blamed all the hatred on Yue Feng and the Ouyang family. At the banquet of the Heavenly Dao Alliance, Ji Hongshang saw Yue Feng appear and wanted to kill him immediately, but she was just jealous. The strength of the Heavenly Dao Alliance held back at that time.

At this time, in this barren tavern in the wild, when I met Yue Feng again, how could I spare him? !

elder sister! ?

Feeling Ji Hongshang's resentment, Yue Feng looked puzzled: "This beauty, who are you?" Before Ji Linglong died, Ji Hongshang had been practicing in the Five Poison Sect, and seldom walked around the rivers and lakes, so Yue Feng Don't know at all.

Ji Hongshang's beautiful face was full of resentment, and she said word by word, "Yue Feng, don't pretend to be confused. Back then you forced my sister to take Tongtian Pill. Two years ago, she died of poisoning. You said she Your death has nothing to do with you?"

Phew!

Hearing this, Yue Feng was stunned.

It turned out to be Ji Linglong's sister.

At the same time, I was also a little shocked, Ji Linglong actually died?

No, after I let Ji Linglong take Tongtian Pill, I left the antidote in the Ouyang family, and asked Ji Linglong to get it every other year. Under such circumstances, how could Ji Linglong die of poisoning?

Thinking to himself, Yue Feng turned to look at Su Qingyan: "Qingyan, didn't the family give Ji Linglong the antidote?"

Su Qingyan replied softly, "Every time Ji Linglong came, the antidote was given to her. "

Yue Feng frowned and looked at Ji Hongshang: "This is strange, every year the antidote is given to your sister, how could she still die from poisoning?"

"Two years ago, my sister was killed by the enemy's family. The entanglement, the delay in taking the medicine, led to the death of the poison!" Ji Hongshang gritted her teeth and said bitterly: "Yue Feng, if you hadn't given my sister Tongtian Pill, she would not have died, so you have to A life is a life."

I go!

Hearing this, Yue Feng finally understood something, and said with a wry smile: "Since this is the case, it means that your sister's life should be like this. This is God's will, and it has nothing to do with me!" To be

honest, Yue Feng felt a little bit in his heart when he learned that Ji Linglong died. It's a pity, but when I think of what she did in the past, I don't feel too sad. You must know

that Ji Linglong helped Duan Yu, controlled Xiao Yuruo, and instructed Xiao Yuruo to assassinate him.

With Yue Feng's personality, Ji Linglong should have been killed back then, and she should have lived a few more years, which was considered lenient enough.

After saying this, Yue Feng was too lazy to talk nonsense, greeted Su Qingyan and Xiao Xi, and prepared to leave the tavern.

Chapter 3762

"Go? Have you left?"

At this moment, Ji Hongshang shouted: "The disciples of the Five Poison Sect obey the order, kill Yue Feng, and avenge the sect master!" The voice fell, and Ji Hongshang held a jade hand. Lift up, clenching a grotesque weapon.

This weapon, with a curved edge, is like a crawling poisonous snake, and the whole body glows with a faint green light, which is obviously quenched with poison.

The Five Poison Sect is good at using poison to kill invisible. This weapon of Ji Hongshang is called 'Heart Eater', a blue-level weapon. It is said that when it was cast, it was soaked in the venom of one hundred and eight poisonous insects for a full year. time.

It can be said that this 'heart eater' is extremely poisonous. As long as the wound is cut, it will attack the heart and die.

Whoa!

The words fell, and the disciples of the Five Poison Sect behind Ji Hongshang drew their weapons one after another, rushed over quickly, and stopped in front of Yue Feng.

Yue Feng frowned, and without looking at the disciples of the Five Poison Sect, he chuckled at Ji Hongshang: "I said just now that your sister's death is God's will, please don't make trouble for nothing!"

" People from all corners of the world came out to watch the fun.

"I'm going, isn't this Yue Feng? It seems to be fighting with the Five Poison Sect!"

" You can seduce your soul."

"Shh, keep your voice down, the Five Poison Sects are not easy to mess with." During the

discussion, many men's eyes were locked on Ji Hongshang, looking up and down, their eyes were straight.

Ji Hongshang didn't care about the surrounding discussions, but stared at Yue Feng and said coldly: "Yue Feng, you don't need to talk nonsense, no matter what today, I will seek justice for my sister! "

Nima!

Hearing this, Yue Feng was speechless, this Ji Hongshang was simply making trouble.

Thinking to himself, Yue Feng smiled bitterly: "Although you have a lot of people, you are not my opponent. In the end, you are just asking for trouble, why bother?"

Ji Hongshang bit her red lips tightly and said word by word: "I Knowing that you are very strong, even if I can't kill you today, you will have to pay a little price!"

After saying that, Ji Hongshang glanced at Su Qingyan and Xiao Xi: "They are all your confidantes, you say, they can You can't stop my poisonous art!" The

last word fell, Ji Hongshang's inner strength exploded, her jade hand raised, and in an instant, a green poisonous mist quickly shrouded Su Qingyan and Xiao Xi.

Whoosh!

I saw that where the poisonous fog filled the air, there was a chirp in the air, and the grass on the ground withered instantly.

Hiss, what a powerful poisonous mist!

Seeing this scene, the people around the rivers and lakes changed their faces and stepped back one by one.

Mad!

Yue Feng's expression also changed, and his anger rose in an instant. He didn't have time to think about it at the time, he urged his figure to rush over, raised his hand to condense a protective film, and blocked it in front of Su Qingyan and Xiao Xi.

The next second, Yue Feng glared at Ji Hongshang: "You are courting death!" To

be honest, Yue Feng is not afraid of Ji Hongshang's trouble, and he doesn't even blame Ji Hongshang. After all, Ji Linglong's death is indeed related to him. .

In Yue Feng's heart, Ji Hongshang can do anything to him, but it is absolutely impossible to take action against Su Qingyan and Xiao Xi. You must know that Su Qingyan and Xiao Xi are his family.

When Ji Hongshang took action against them, it offended Yue Feng's iniquity.

Chapter 3763

"Om!"

Under the surging anger, Yue Feng did not hesitate, slowly raised his hand, a crimson flame jumped out of his palm, tossing up and down, and in an instant, the surrounding air was instantly distorted by the high temperature .

It is Tianque Lingyan.

Of course, in order to avoid hurting innocent people around him, Yue Feng did not push the power of the Heavenly Sparrow Spirit Flame to the extreme.

However, even so, feeling the incomparably hot temperature, the faces of the people around the world changed greatly, they whispered, and then avoided them in the distance.

Yue Feng looked cold and said coldly to Ji Hongshang: "If you want revenge, come to me, dare to touch my family, I will never forgive you!"

The moment the words fell, Yue Feng raised his hand and waved, Tianque Lingyan threw it directly to Ji Hongshang!

hum!

I saw that the air was burning wherever the Heavenly Sparrow Spirit Flame passed!

This...

Seeing the flying sky bird spirit flame, Ji Hongshang's beautiful face suddenly became solemn, and her heart was also extremely frightened. A protective barrier.

boom!

It was at this moment that the Sky Sparrow Spirit Flame erupted, slammed into the protective film, and made a loud noise. The terrifying heat swept out, and the entire tavern burned.

Click!

In the next second, a cracking sound was heard, the protective film completely collapsed, and under the violent impact, Ji Hongshang even groaned, and was directly shaken and flew out, flying more than 100 meters away. It landed heavily, and a mouthful of blood spurted out!

Seeing this scene, the people in the rivers and lakes who retreated not far away all focused on Yue Feng and were extremely shocked.

powerful.

This Yue Feng, worthy of being a former hero of Jiuzhou, has not seen him for three years, and his strength is even more terrifying. In one move, he defeated the head of the Five Poison Sects.

“Sect Master...”

Seeing this scene, the surrounding disciples of the Five Poison Sect exclaimed in surprise, and then rushed towards Yue Feng.

“Get out of here!”

At this moment, I saw Yue Feng raise his hand again, and a powerful wave swept out in an instant. I saw that the disciples of the Five Poison Sects were all shaken out, and their faces were pale. Lost combat effectiveness.

“Ji Hongshang!”

Yue Feng stared at Ji Hongshang, his body was filled with powerful killing intent: “I didn’t want to kill you, you forced me.” The

voice fell, Yue Feng slowly moved towards Ji Hong Chang came.

A strong breath swept the audience.

Phew...

Feeling the terrifying aura that erupted from Yue Feng’s body, Ji Hongshang bit her lip tightly, her eyes flashed with humiliation and unwillingness, and her delicate body trembled faintly.

I thought I could avenge my sister this time, but I never thought that Yue Feng had disappeared for three years and returned, and his strength has become so terrifying.

My sister didn’t avenge her revenge, and she took her own life here.

I’m so unhappy.

Thinking to herself, Ji Hongshang's tears fell gently, incomparable despair.

At this time, Yue Feng had already walked up to him, raised his right hand, and patted Ji Hongshang's head directly.

What Yue Feng said just now was right. He didn't plan to attack Ji Hongshang, but when the other party used poison art on Su Qingyan and Xiao Xi, Niscale was angered, and he had to kill her at this time.

"Young Master!"

However, at this critical moment, Xiao Xi suddenly shouted, and then ran over to stop Yue Feng.

Yue Feng frowned: "Xiao Xi, what are you doing?"

Chapter 3764

Xiao Xi breathed a sigh of relief, glanced at Ji Hongshang who was extremely weak, and said in her heart, "Young Master, please forgive her."

What?

Hearing this, Yue Feng was stunned and looked at Xiao Xi in confusion: "She was going to kill you just now, but you still want to save her?"

Xiao Xi sighed softly and said in a low voice, "This matter, Although it's her fault, she can't be blamed entirely, her sister died of poisoning, it's already very pitiful, son, please forgive her this time."

When she said this, Xiao Xi's eyes were full of complexity.

Speaking of which, Ji Hongshang suddenly shot at herself and Su Qingyan just now, Xiao Xi was also very angry, but thinking of Ji Hongshang's situation, she felt a little sympathetic.

This...

In the face of Xiao Xi's request, Yue Feng was dumbfounded, standing there, hesitating.

Ji Hongshang was also stunned, staring at Xiao Xi, speechless, she never thought that Yue Feng's confidante would plead for her.

"Young Master, please, give her a chance." Xiao Xi hugged Yue Feng's arm and said coquettishly.

Yue Feng took a deep breath, couldn't bear to refuse, nodded and said, "Okay!" After saying that, Yue Feng turned his head to look at Ji Hongshang, and said coldly: "Ji Hongshang, today, because of Xiao Xi's face, I will Spare your life, if you dare to make trouble next time, I won't forgive you."

Having known Xiao Xi for so many years, this is the first time that Yue Feng can't bear to refuse.

"I..."

Facing Yue Feng's warning, Ji Hongshang's face flushed, but she didn't know how to respond.

At this time, Ji Hongshang's heart was filled with grief and anger, and despair.

After being spared by the enemy, how can I stand on the rivers and lakes in the future, and how can I face the spirit of my sister in the sky? But what can he do if he is not reconciled, Yue Feng is powerful, and he is not an opponent at all.

For a time, Ji Hongshang sat there paralyzed, looking dazed and pitiful.

Yue Feng was too lazy to talk nonsense, greeted Xiao Xi and Su Qingyan, and strode away.

Huh....

Seeing this scene, the people from the rivers and lakes who were watching not far away also dispersed.

"Who is making trouble here?"

However, at this moment, only a shout was heard. From a distance, hundreds of elite disciples of the Heavenly Dao League came quickly, the leader looked arrogant and arrogant!

It was Guo Dong.

This place belongs to the jurisdiction of the Tiandao Alliance. When Yue Feng and Ji Hongshang fought, Guo Dong was not far away, and when he heard the movement, he rushed over immediately.

Seeing the Tiandao Alliance coming, all the people in the arena were full of fear, and at the same time, they all looked at Ji Hongshang subconsciously.

Swish!

At this moment, Guo Dong's eyes locked on Ji Hongshang, and his eyes were straight.

Isn't this the head of the Five Poison Sect?

So sexy.

Guo Dong had already met Ji Hongshang at the Celebration Banquet of the Heavenly Dao Alliance before, and was deeply attracted at the time, but at this time, his soul almost flew away when he admired it up close.

The next second, Guo Dong approached slowly and looked at Ji Hongshang up and down: "Master Ji, you lead the disciples to make trouble in our Tiandao Alliance, have you thought about the consequences?" As he

said, Guo Dong Her eyes kept moving on Ji Hongshang's charming curves.

Speaking of which, Guo Dong knew that the Five Poison Sect was good at using poison. If it was normal, he would never be so frivolous to Ji Hongshang, but at this time, Guo Dong clearly felt that Ji Hongshang was injured and extremely weak. No worries.

Huh...

Guo Dong's gaze made Ji Hongshang feel uncomfortable, bit her lip, and said lightly: "I lead my disciples to seek revenge on Yue Feng, it is a private matter between us, and it has nothing to do with your Heavenly Dao Alliance, right? "

While saying this, Ji Hongshang silently used her internal strength to regulate her dantian. She was injured by Yue Feng's blow just now, and she just wanted to recover a little, and then left quickly.

Chapter 3765

What?

Hearing this, Guo Dong's originally smiling face was instantly stunned, and then he became solemn.

This Ji Hongshang, just played against Your Excellency Yue Feng?

Muttering in his heart, Guo Dong looked around and asked those people in the rivers and lakes not far away, "Is that so?"

Yue Feng is an honored guest of the Tiandao Alliance, and even Luo Jue is polite when he sees him. Ji Hongshang was looking for trouble on the site, and this matter must not be ignored.

In the face of Guo Dong's inquiry, the people around Jianghu did not dare to hide it, and nodded in succession.

"That's true!"

"The two sides shot just now, and we all saw it."

"The three of Yue Feng, just left..."

Hearing these words, Guo Dong nodded silently.

In the next second, Guo Dong looked at Ji Hongshang with a half-smiling smile: "If it is a personal grievance, it is really inconvenient for our Tiandao Alliance to intervene, but if it is Yue Feng, then it can't be ignored." After speaking

, Guo Dong waved his hand. Start: "Come on, tie all these people from the Five Poison Sects to me."

Whoa!

As soon as the voice fell, hundreds of elite disciples of the Heavenly Dao Alliance rushed up and surrounded the people of the Five Poison Sect. Soon, one by one was tied up with five flowers.

Previously, under the impact of Yue Feng's power, these disciples of the Five Poison Sect were all injured. At this time, facing the elites of the Tiandao Alliance, they had no resistance at all.

"You..."

Seeing this situation, Ji Hongshang's body trembled and she was furious. She then shouted at Guo Dongjiao, "Guo Hufa, what do you mean?"

At this time, Ji Hongshang was very angry, and she never thought that Guo Dong would do it when he said he would do it.

Phew...

At the same time, the people in the surrounding rivers and lakes couldn't help but talk a lot.

"What's the situation?"

"How did you capture all of the Five Poison Sects?"

Guo Dong ignored the discussions around him, sneered, and said to Ji Hongshang, "Hehe, I forgot to say just now, Your Excellency Yue Feng is our Heavenly Dao. VIP of the alliance, you are in the realm of our Tiandao alliance, and you are looking for trouble with Yue Feng, you say, how should our Tiandao alliance deal with it?"

What?

Yue Feng is the VIP of the Tiandao Alliance?

Hearing this, Ji Hongshang's delicate body trembled, and the whole person was blinded.

She clearly remembered that when the Celebration Banquet of the Tiandao Alliance had not yet started, Guo Dong was still looking for trouble with Yue Feng in public. Many people saw it on the spot. .

At the same time, the people around the rivers and lakes were also stunned there.

After a long time, Yue Feng is a VIP of the Tiandao League. No wonder this Guo Dong will take action against the Five Poison Sect.

"Everyone!"

At this moment, Guo Dong looked around and said in a cold and arrogant tone: "Heavenly Dao Alliance is doing business, no one should retreat immediately, so as not to cause trouble."

Ma De, so many people are watching, it is inconvenient to do anything. Better to drive them all away.

Wow...

the voice fell, and the people around the rivers and lakes looked at each other without hesitation.

The Tiandao Alliance has been established in just a few months, and its strength is at its peak. Who dares to provoke it.

"Guo Hufa!"

Seeing Guo Dong driving away the onlookers, Ji Hongshang was inexplicably flustered, and couldn't help but say, "What do you want?"

Guo Dong came over, grabbed Ji Hongshang's hand, and said with a smile: "Don't be nervous, you are the head of the dignified Five Poison Sect, and you have an extraordinary position. What can I do to you?"

Saying this, Guo Dong's eyes were looking at Ji Hongshang unscrupulously.
