

The ultimate husband in Chinese chapter 3791-3800

Chapter 3791

“Mother!”

Nalan Wushuang came over and sat down, holding Nalan Qing’s arm in a coquettish gesture: “I’m back, I miss you so much.”

“I was still with a few elders just now . What about you?” Nalanqing raised his hand, touched Nalan Wushuang’s head lightly, and smiled, “I’m relieved to see that you’re all right.” After

speaking, Nalanqing asked, “You go out. After more than a month, I found out what happened to the Tiandao Alliance?”

Nalan Wushuang tilted his head and thought, and responded, “After the Tiandao Alliance forced the Qinglong clan to surrender, they held a celebration banquet and hosted all the sects in Jiuzhou Jianghu. I wanted to participate in order to establish prestige. I heard that after the banquet, many sects joined the Tiandao Alliance.”

“Also, at the banquet, there was a person named Bai Yunfei who competed with that Luo Jue, and the two sides fought. It became a tie.”

Bai Yunfei?

Hearing this, both Nalanqing and the elders were stunned.

How powerful is a human being? He was able to tie with Luo Jue.

At this time, Nalan Wushuang continued: “By the way, my daughter, in addition to inquiring about the situation of the Tiandao Alliance, has also done a lot of good things to eliminate violence and peace. When I was in Diyuan Continent, I subdued a lot of people who oppressed the people. Pirates. Those pirates, under my rectification, each one is more honest...” The

voice fell, and Xiao Rong also laughed and said: “Yes, Miss, during this time, she has done a lot of heroic deeds. Where’s my son?”

“Really?”

Nalanqing smiled very gratified, nodded approvingly: “Wushuang really grew up.”

Then, Nalanqing asked: “By the way, besides these, is there anything else? In other cases, or, have you run into trouble?”

trouble?

This chapter is provided by . Visit for daily update.

Hearing the question, Nalan Wushuang frowned, thinking of Yue Feng at once, and a bit of shame and anger appeared on her delicate face.

Seeing her expression, Nalanqing hurriedly asked, "Are you really in trouble?"

"No!"

Nalan Wushuang sighed lightly, shook his head and said, "It's just that I met a rogue."

Rogue?

Nalan Qing was stunned.

At this time, Nalan Wushuang did not hide it, and told the story of the fight with Yue Feng in detail. Of course, he didn't say anything about being spanked by Yue Feng. After all, there are a few elders around, how can he be ashamed to say it?

At the end, Nalan Wushuang said angrily: "Mother, that Yue Feng is too hateful. He calls himself the hero of Kyushu and the founder of Tianmen, but his mouth is full of seriousness!" The

voice fell, and Xiao Rong couldn't help but answer: "Yes Ah, when Yue Feng and the young lady were fighting, he was frivolous and frivolous, and he was a total scoundrel!"

Phew...

Knowing this, Nalan Qing frowned, and several elders were also talking about it.

"I've often heard that Yue Feng is a hero who stands tall in the sky, but I didn't expect it to be such a person." "The hero of Kyushu is just a person who seeks fame

and deceives the world

."

When the elder's discussion came, Nalanqing sat there, his expression did not fluctuate at all, and said coldly: "That Yue Feng, is it really so excessive, when he was competing with you, he spoke humiliatingly?"

"It's true." Nalan Wushuang Taking a long sigh of relief, he nodded in response.

Thinking of the scene where he was taken advantage of by Yue Feng, Nalan Wushuang trembled with anger.

The next second, Nalan Wushuang hugged Nalan Qing's jade arm tightly and shook it gently: "Daughter, I really can't swallow this breath. You must let me out." "

Okay, okay!"

With the same request, Nalanqing smiled and nodded and said, "My mother will give you this tone."

After saying that, Nalanqing looked around and said to the elders, "The development of the Heavenly Dao League is so fast, let's Xia Yinzong can't sit still, what do you think?"

Chapter 3792 The

voice fell, and several elders responded.

"Yes, if you wait until the Heavenly Dao Alliance completely controls the Jiuzhou rivers and lakes, everything will be too late!"

"Yes, when the Tiandao Alliance takes control of the Jiuzhou rivers and lakes, we will find out sooner or later. At that time, Xia Yinzong will have no hiding place.

" It is better to plan ahead instead of sitting still."

Hearing this, Nalanqing nodded: "Since everyone agrees, starting from tomorrow, our Xia Yinzong will start to get involved in the arena. By the way, we will arrange it immediately. I want to meet that person. Yue Feng."

"Yes, Sect Master!" Several elders responded in unison.

.....

Ouyang family.

In the hall, Yue Feng, Wen Chou Chou, Sun Dasheng, and Ren Yingying all the daughters sat there, sipping tea leisurely, and the atmosphere was indescribably warm.

There have been a lot of good things recently. Not only did Yue Feng return from the God's Domain unharmed, but he also brought Xiao Xi back from the Heavenly Dao Alliance safely. For a time, the entire Ouyang family was beaming with joy.

"Master!" At this moment, the housekeeper walked over quickly and respectfully said to Yue Feng: "The messenger of the Hades, come here to see you!" The

messenger of the Underworld?

Yue Feng frowned, nodded and said, "Please come in!" The

housekeeper responded and walked out quickly.

After a while, I saw a man wearing a black robe walking slowly into the hall, his body was filled with a gloomy aura, it was Yuan Kun, the messenger sent by Bing Yao.

"Everyone is polite!"

When they arrived in the hall, Yuan Kun clasped his fists at Wen Chou Chou and bowed.

Immediately, Yuan Kun said politely to Yue Feng: "I am under the order of His Majesty Pluto. I have something important to report to Your Excellency Yue Feng. Can you

talk about it separately?"

Yue Feng was stunned for a moment, and then he thought of what might be the matter of the Demon Lord Gone, and nodded: "Okay, please follow me to the back."

The matter of the Demon Lord Gone is no trivial matter. Don't let Brother Wen and the others know about it for the time being. good.

Soon, in the study room in the backyard, Yue Feng asked, "What's the matter?"

Yuan Kun took a deep breath and took out Bing Yao's handwritten letter: "Your Excellency Yue Feng, you'll know after reading it."

Phew!

Yue Feng took a deep breath, unfolded the letter and read it, and was stunned.

I saw that the letter read: Demon Lord Gone was trying to break free from the sealed magic mirror, which caused a strong shock in the depths of the netherworld. Not only that, Demon Lord Gone also threatened that his subordinates would soon enter the ghost world and save him. get out of trouble.

Does the Demon Lord Gone still have the remnants of his subordinates?

After reading the letter, Yue Feng looked solemn and looked at Yuan Kun and said, "What else do you have to say to Pluto?" Yuan Kun

thought for a while, then said slowly, "Your Majesty asked me to tell Your Majesty Yue Feng, Demon Lord Gone. It's no trivial matter, and since the Demon Lord Gone said

that, it may not be groundless. Perhaps, outside the ghost realm, there really is a remnant of the devil.”

“Your Majesty hopes that Your Excellency Yue Feng can send someone to Kyushu. Let’s investigate on the mainland. See if you can find the whereabouts of Demon Lord Gone’s subordinates, and take precautions before they happen.”

Hearing this, Yue Feng nodded: “Okay, I understand.

” That’s it.” Yuan Kun stood up, cupped his hands at Yue Feng, and turned to leave.

Nima!

As soon as his forefoot left, Yue Feng sat on the study chair with a confused look on his face.

Demon Lord Gone’s subordinates, what are the characteristics and what they look like, I don’t know anything, how can I find out.

Chapter 3793

However, since it is the subordinate of Demon Venerable, it must be different from ordinary people, especially in appearance, it must be very different from human beings.

Muttering in his heart, Yue Feng walked out of the study and returned to the hall.

When they got to the hall, Wen Chou Chou and Sun Dasheng went to the secret room to practice, leaving only Ren Yingying and Su Qingyan’s daughters chatting there.

“Yue Feng!”

Seeing Yue Feng coming back, Ren Yingying couldn’t help but ask: “Is there something wrong with the sudden visit of the messenger of Hades?”

“Nothing!”

Yue Feng smiled and said casually: “The recent situation in Kyushu Change, Bingyao reminded me, be careful with that Luo Jue.” The matter of Demon Lord Gone cannot be said for the time being, so he can only make up a reason to prevaricate it.

Hearing this, Ren Yingying didn’t ask any more questions.

Afterwards, Yue Feng chatted with the girls. After chatting for a while, Xiao Xi suddenly thought of something and said to Yue Feng, “Young Master, you have been away for three years, I don’t know how much Zhongzhou City has changed.”

“By the way, I just heard from the disciples outside that the antique market in Zhongzhou has just opened, and the young master likes antiques the most, do you want to go and have a look and relax?” Are

there any antique markets in Zhongzhou?

Hearing this, Yue Feng showed a smile and nodded: “Okay, let’s go take a look later.”

After speaking, Yue Feng turned to Ren Yingying and said, “Do you want to go?”

Ren Yingying smiled . : “I won’t go, I’m not interested in antiques, let’s let Qingyan come with you.” The

voice fell, Xiao Yuruo said: “Don’t go shopping for too long, remember to come back for dinner.”

Yue Feng nodded. , went to change clothes.

Ten minutes later, Yue Feng, Su Qingyan, and Xiao Xi walked out of the Ouyang Family Manor and went to the downtown area of Zhongzhou City.

At this time, it was dusk, and I saw that the street was crowded with people, and it was very lively.

The three Yue Feng were particularly eye-catching in the crowd.

Su Qingyan is sexy and charming.

Xiao Xi is young and energetic.

The two of them walking together are simply a beautiful landscape.

At this time, Xiao Xi was so excited that she hadn’t been shopping with Yue Feng for a long time.

“Young Master... Sister Qingyan, the three of us haven’t been like this for a long time. I still remember that when we were in Tianqi Continent, we fell to the bottom of the volcano together! Later, the son merged with Bailian Lenghuo and created his own exercises. Later , As soon as we came out from the bottom of the volcano, we visited the Tianqi Imperial City, alas, I miss those years.”

“Xiao Xi, you have a good memory, but although the memories are good, they are not bad now!”

“Yes!”

The three talked and laughed along the way, and soon, they arrived at the antique market.

Phew...

The moment he entered the antiques market, and seeing the scene in front of him, Yue Feng couldn't help taking a deep breath, and his mood was indescribably comfortable.

I saw that the newly opened Antique Street in front of me occupies an entire main road. There are many antique shops on both sides, and the roadside is also full of stalls. In Yue Feng's memory, Fenglin Street in Donghai City is the largest in scale. There is a street of antiques, and this one is even more prosperous than Fenglin Street.

At the same time, seeing such a bustling Antique Street, Xiao Xi and Su Qingyan also became interested in an instant.

As soon as the three of Yue Feng appeared, they instantly became the focus of the entire Antique Street!

Of course, all eyes were focused on Su Qingyan and Xiao Xi.

Xiao Xi is wearing a yellow short skirt, her figure is petite and exquisite, bright and moving.

Su Qingyan, on the other hand, was wearing a long purple dress, which showed her perfect and charming figure incisively and vividly, looking dignified and sexy. The almost S-shaped curve made the eyes of many men present straight.

Chapter 3794

"Beautiful, two beautiful women."

"These two seem to be from the Ouyang family..."

"Really? No wonder they are so outstanding."

While many men were amazed by Su Qingyan, they looked at Yue Feng's eyes also revealed a bit of envy and jealousy.

"Who is this man?"

"I don't know...."

"He looks pretty decent, but this outfit is obviously not a big man, and he can make the two beauties of the Ouyang family accompany each other. It's really not long. Eyes." During the

discussion, no one recognized Yue Feng, let alone that this man was the hero who once saved the situation in Kyushu. You must know that Yue Feng was involved in the vortex of chaos three years ago, and his life and death are unknown since then.

And these three years are enough for these ordinary people to forget Yue Feng's deeds completely.

The surrounding discussions kept coming, Yue Feng looked indifferent and didn't take it to heart at all.

Su Qingyan and Xiao Xi also looked as usual, and they were not uncomfortable because of the gazes around them. On the contrary, they had long been accustomed to this kind of attention.

"I'm going..."

At this moment, someone in the crowd shouted, and then there was a restlessness around, and all eyes were directed towards the entrance of Antique Street.

I saw two slim figures, accompanied by several bodyguards, slowly walked in. These bodyguards, wearing uniform black suits and sunglasses, are very stylish.

And the two women were even more energetic.

One of them, looking in his thirties, was dressed in black business attire, stepped on high heels, and was filled with the momentum of a business boss. He had a wavy shawl and a delicate face, which was indescribably sexy.

It is the president of Estee Group, Chen Shishi.

The other, around the age of 20, was wearing a long black dress and had beautiful facial features, but there was a bit of arrogance between his brows.

This girl is Chen Shishi's cousin, Chen Ting.

Speaking of which, Chen Shishi is not interested in this kind of antique street, but her cousin Chen Ting likes antiques very much. When she learned that the antique street in Zhongzhou opened today, she pulled Chen Shishi softly and hard.

Whoa!

As soon as Chen Shishi appeared, the entire Antique Street was incomparably shaken.

You must know that a few years ago, Estée Group was a big company in the entire Diyu Continent, and its cosmetics were sought after by almost all young women.

In the past few years, the Estee Group has continued to grow and expanded, and branches have opened all over the continent of Kyushu. It can be said that if there is a list of the richest people in the continent of Kyushu, Chen Shishi is definitely in the top five.

At this time, this powerful woman in the business world, who is extremely wealthy, came to Antique Street, how could it not make people shocked?

For a time, the eyes of the whole street were focused on Chen Shishi and Chen Ting, and they all became stupid.

Many men have difficulty breathing, this Chen Shishi's aura is simply too strong. So attractive! Although she is only a woman, her aura is enough to overwhelm all the men present!

Only Yue Feng looked indifferent.

However, Yue Feng was also very surprised when he saw Chen Shishi.

Is it her?

I haven't seen each other for a few years, and this Chen Shishi is even more charming.

"Let me go!" After entering Antique Street, several bodyguards guarded Chen Shishi in the middle, constantly dispersing people who were in the way. This row of faces was like a big star appearing.

However, no one dared to question them, and they all gave way. Only the three Yue Feng were still standing in place.

"Hey!"

One of the bodyguards locked Yue Feng tightly and said coldly, "Let's go, don't you understand?"

Chapter 3795

Yue Feng smiled and did not respond, but looked at Chen Shishi with a smile on his face.

Mad!

Seeing Yue Feng's eyes, who kept staring at the boss, the bodyguard suddenly became angry: "Boy, where are you looking at?" He

raised his fist, and was about to teach Yue Feng a lesson.

At the same time, Chen Ting also noticed Yue Feng's gaze and kept staring at her cousin. She frowned and muttered contemptuously: "Where is the poverty? It's really unruly."

Chen Ting just graduated from college, Relying on Chen Shishi's relationship, he is arrogant, considers himself superior, and does not put ordinary people in his eyes at all.

At this time, in Chen Ting's eyes, Yue Feng was a poor man, and it was disgusting to dare to look directly at his cousin with such eyes.

Whoa!

Seeing the situation here, the surrounding passers-by also talked a lot.

"This kid dares to stand in the way of Chen Shishi, is he tired of living?"

"Yeah, it seems unfortunate to look at others with this kind of eyes."

Under the discussion, no one sympathized with Yue Feng, thinking that he deserved it.

"Stop!"

Seeing the bodyguard's fist, he was about to hit Zhong Yuefeng, and at this critical moment, Chen Shishi suddenly let out a coquettish cry. The next second, Chen Shishi stepped on her high heels and walked quickly to Yue Feng, unable to hide her excitement, she said

respectfully, "Second Young Master, is it you? Is it really you?"

Almost cried with joy.

Three years ago, the news that Yue Feng was involved in the vortex of chaos spread, and Chen Shishi was very sad at that time. You must know that when he was the owner of Yue Feng, Chen Shishi opened the company. It can be said that without Yue Feng, there would be no Chen Shishi today. .

In order to cherish the memory of Yue Feng, for three years, Chen Shishi had enshrined the portrait of Yue Feng in his office, but at this time, he suddenly saw Yue Feng appear alive in front of him, why was he unhappy?

When I first met, Yue Feng was still the second young master of the Yue family. Although Chen Shishi was still used to being called the second young master, despite all these years.

What?

Second Young Master?

Seeing this scene, both Chen Ting and the passers-by around were stunned.

what's going on? Chen Shishi, who is in the shopping mall, is so respectful to this man, and he even calls him the second young master? What is this man's identity?

Feeling Chen Shishi's excitement, Yue Feng smiled slightly: "It's me. Chen Shishi, long time no see."

"That's great!"

Hearing Yue Feng's voice, Chen Shishi was overjoyed, happy like a little girl: "I'll just wait a minute. Call Li Heihu, Xiang Riyue and the others, if they know that the second young master is still alive, they will be so happy that they won't be able to sleep."

At this time, the bodyguard who was about to act just now was completely stupid.

The person in front of you is Yue Feng? Tianmen Sect Master, Jiuzhou Hero...

"In front of the Second Young Master, you can't be unruly!" Chen Shishi breathed a sigh of relief, and said to several bodyguards: "All retreat."

"Yes." Several bodyguards were terrified, quickly stepped aside.

At this time, Yue Feng pulled Su Qingyan and Xiao Xi to his side, and introduced with a smile: "These two are Su Qingyan and Xiao Xi, both of whom are my confidantes."

"This is Chen Shishi, the president of Ase Group."

After hearing the introduction, Su Qingyan and Xiao Xi both smiled and nodded at Chen Shishi.

Chen Shishi's delicate face showed a bit of politeness: "I have heard the names of the two young ladies, but I have never seen them before. I was fortunate to see them today, and they are indeed peerless youth, one is more beautiful than the other."

"Sister! "

The ultimate husband in Chinese chapter 3796-3800

Chapter 3796

was talking, and an indifferent voice sounded next to him: "He is Yue Feng, there is nothing special about him."

It was Chen Ting.

When speaking, Chen Ting looked up and down at Yue Feng, with unconcealed contempt in her eyes.

Of course Chen Ting has heard of Yue Feng, especially in Chen Shishi's mouth, he has heard a lot about Yue Feng's deeds, but seeing Yue Feng at this time, Chen Ting is a little disappointed.

The Yue Feng in front of him was dressed just like an ordinary person. Even if he looked a little more outstanding, he didn't seem to have anything special, and it was far from what he imagined.

"Chen Ting!"

Chen Shishi frowned slightly, and said displeasedly, "Don't be rude."

Chen Ting stuck out her tongue and didn't speak, but her expression was very reluctant.

Immediately, Chen Shishi smiled bitterly at Yue Feng: "Second Young Master, this is my cousin Chen Ting, who has just graduated from college and is young and ignorant. Don't take it offense."

Yue Feng waved his hand and said with a smile, "It's okay."

He It can be seen that this Chen Ting is still very young, just set foot in the society, so she doesn't care.

At this time, Chen Shishi thought of something, and he stopped talking: "Second Young Master, you are very accomplished in antiques, why don't you help me find an antique later, okay?"

Then, Chen Shishi directed at Su Qingyan and He Xiao Xi said apologetically: "Two young ladies, I won't delay the second young master too much time."

When he said this, Chen Shishi's eyes were full of expectations.

Chen Shishi admires Yue Feng very much. In her heart, she dreams that Yue Feng will help her choose an antique. You must know that the antique that Yue Feng likes can never be fake. More importantly, it is very memorable.

This chapter is provided by . Visit for daily update.

Su Qingyan and Xiao Xi looked at each other and nodded with a smile.

"Of course you can!"

“You asked the young master to help you choose antiques, but you found the right person.”

After saying this, Su Qingyan smiled at Yue Feng and said softly, “Yue Feng, since President Chen said so, you can help her pick out an antique, Xiaoxi and I will go shopping first.” With

that, Su Qingyan took Xiaoxi and walked towards an antique shop not far away.

Su Qingyan Bingxue is smart and very understanding. She could see that Chen Shishi was a little uncomfortable with Xiao Xi on the side, so she simply took Xiao Xi to go shopping first.

call!

Seeing this scene, Yue Feng smiled and had no choice but to nod at Chen Shishi: “Okay, I’ll pick one for you later.”

Hearing this, Chen Shishi was very excited and nodded again and again.

Chen Ting, who was next to him, disagreed and couldn’t help but said, “Sister, he’s just a junkie, does he understand antiques?”

In Chen Ting’s mind, the practitioners who walk around the rivers and lakes are all rude people, so how could they know antiques? calligraphy?

Chen Shishi didn’t respond, but glared at her.

Chen Ting stopped talking, but her face was a little unconvinced.

Feeling Chen Ting’s contempt, Yue Feng just pretended that he didn’t see it, chatting with Chen Shishi while walking and visiting the antiques on the roadside stalls.

“Come here to see, they are all good things.”

“Calligraphy and painting jade, everything is fine...”

“Handsome guy, come and see...”

Every stall, those stalls, are extremely enthusiastic greeting.

However, Yue Feng just glanced at it slightly and didn’t stop at all.

In a blink of an eye, the stalls in the entire Antique Street were almost finished. Chen Ting looked at Yue Feng and couldn’t help rolling her eyes and said, “There are so many stalls, but I haven’t picked any of them. I think you really don’t understand.”

Chapter 3797

“Chen Ting!” Chen Shishi frowned.

Yue Feng smiled and looked at Chen Ting seriously: “You are still too young to know how deep the water is on the antique street, let me tell you, there are many fakes in the antique street like this just opened, so Be cautious. Do you understand?”

Seeing his old-fashioned attitude, Chen Ting pouted in disdain: “According to you, the things on these stalls are not real?”

Yue Feng smiled and stopped talking. , keep going.

Um?

Just after walking a few steps, Yue Feng stopped at a booth.

This booth is full of porcelain, blue-and-white porcelain, Jun porcelain, everything, all of them are colorful and dazzling.

Chen Shishi was excited, and there must be something good that can make the second young master stop.

Chen Ting also stood there, and began to admire the porcelain on the stall. The porcelain on this stall was beautifully shaped, and there should be real things.

“My friend, I have all the good stuff here, let’s take a look!” At this time, the stall owner also stood up and greeted warmly.

Yue Feng nodded, glanced around, and pointed to an inconspicuous jade bottle in the corner of the booth: “How much

is this?” He saw that the jade bottle was light blue, not very smooth, and the mouth of the bottle was still There was a small gap, and it was tattered compared to the bright china around it.

What?

At this moment, Chen Ting was stunned and couldn’t help but said, “You picked this thing for a long time?”

With so many porcelains around, picking any one is better than this one.

What a vision.

“My friend has good eyesight.” The

stall owner was also stunned for a while, and then said out loudly: "This thing is sold here by my friend. I just dug it out..."

Yue Feng interrupted him directly and asked, "Don't say so much, how much is it?"

No one could see this bottle, but Yue Feng recognized it at a glance, it was Yuan. Although the bottle mouth is flawed, it does not affect its own value. If it is placed at an auction, it will cost at least tens of millions.

More importantly, things from official kilns in the Yuan Dynasty are extremely rare, so they are of great collection value.

This.... The

stall owner scratched his head, pondered, and said, "Fifty thousand!"

When answering, the stall owner's face was sincere, but his eyes flashed treacherous.

This jade bottle was collected by the stall owner for thousands of dollars the day before yesterday. At that time, an expert was found, but the result could not be identified. In desperation, it had to be left in the corner of the stall. Unexpectedly, Yue Feng's attention at this time is accompanied by the beautiful president Chen Shishi. Of course, he will make a fortune.

"Fifty thousand?"

As soon as she finished speaking, Chen Ting couldn't help shouting, "Is this broken bottle worth fifty thousand?"

Chen Ting said to Yue Feng, "Do you understand antiques? It took me a long time to choose. , just pick such a broken bottle?"

Yue Feng looked indifferent and ignored it.

Chen Shishi couldn't help but pull Chen Ting: "Don't talk, the second young master knows!"

At this time, Yue Feng smiled at Chen Shishi: "That's it, pay! The antiques are selected for you, I'll go. Find them."

When the words fell, Yue Feng said goodbye to Chen Shishi, and turned to look for Su Qingyan and Xiao Xi.

Chen Shishi did not hesitate, and immediately paid the stall owner.

"Sister!"

Chen Ting stomped her feet in a hurry: "You just believe in Yue Feng, is this broken bottle worth 50,000 yuan?"

"Second Young Master, don't recognize me as a cousin in the future!" When

Yue Feng was present just now, Chen Shishi didn't feel good, but now Yue Feng was gone, and he couldn't bear it any longer.

This cousin is so ignorant.

Chapter 3798

After saying this, Chen Shishi took the jade bottle, turned around and left.

Chen Ting was stunned for a moment, and quickly chased after: "Sister, wait for me..."

...

On the other hand, Su Qingyan and Xiao Xi finished shopping at the street stalls and entered an antique shop.

This shop is very large and decorated in antique style. Walking in it, there is a feeling of going through ancient and modern times, and it has a strong sense of history.

The two walked around, Su Qingyan was attracted by a jade fan, and asked the boss, "How much is this?" The

boss hurried up and introduced attentively: "This beautiful lady, you have such a good eye. , This jade fan is something of the court of the Song Dynasty, you look at the carvings, it is beautiful, it will open on the first day today, I will give you a preferential price, two million!"

Hearing this, Su Qingyan raised her eyebrows. Moaning lightly, he picked up the jade fan and looked at it.

The jade fan is very beautiful, but it is difficult to say that it is not from the Song Dynasty. You must know that Su Qingyan is from Dongao Continent and doesn't know much about the history of Diyu Continent.

Next to Xiao Xi, she couldn't help but said, "Two million is so expensive."

"Aiya! Isn't this Miss Qingyan?"

Just as she was talking, she heard a surprised sound from outside the door, followed by , a handsome figure walked in slowly.

Dressed in white, he is unspeakably handsome.

It was Bai Yunfei.

A day ago, Bai Yunfei forced Wen Xiaoyu to surrender and let him steal Wen Chou Chou's ghost token for ten days. During these ten days, Bai Yunfei temporarily stayed in a hotel in Zhongzhou City. Today, he was bored and came out alone. Turning around, I didn't expect to see Su Qingyan as soon as I entered an antique store.

Walking into the store, Bai Yunfei looked at Su Qingyan with a smile: "Miss Qingyan, we are really destined to meet again."

At the Celebration Banquet of Tiandao Alliance, Bai Yunfei admired Su Qingyan at first sight, and then it was almost a dream, but now that I met it again, I couldn't be more excited.

To be honest, Bai Yunfei knew that Su Qingyan was Yue Feng's woman at this time, but Bai Yunfei didn't care about this, he only knew that the woman he liked must be caught.

Bai Yunfei?

Seeing Bai Yunfei, Su Qingyan frowned, and she was both surprised and disgusted.

Although Bai Yunfei was very powerful, he was contemptuous of Yue Feng at the Celebration Banquet of the Heavenly Dao Alliance, so Su Qingyan did not have the slightest affection for him.

Feeling Su Qingyan's indifference, Bai Yunfei didn't care at all and said with a smile, "Since Miss Qingyan likes this jade fan, why don't I buy it for you."

Help me buy it?

Su Qingyan was stunned for a moment, and she refused without thinking: "Thank you, no need!"

She is Yue Feng's woman, how can she let other men send gifts?

Seeing Su Qingyan's refusal, Bai Yunfei looked serious: "Miss Qingyan, why are you being so polite? I can see that you like this jade fan very much. I will buy it for you. It is also the beauty of an adult.

"A good opportunity, how could it be missed?"

"It's really not necessary." Su Qingyan replied lightly, and then put the jade fan back into the distance.

At the same time, Xiao Xi couldn't bear it anymore, and said to Bai Yunfei: "You are so strange, Sister Qingyan said that she didn't need it, why are you still entangled? Besides, we are not short of these two. Millions, if you really want to buy it, you don't need to pay for it."

Xiao Xi Bingxue was smart and could see at a glance that the man in front of him wanted to pursue Sister Qingyan.

Hearing this, Bai Yunfei didn't care, and his eyes were always on Su Qingyan.

"Miss Qingyan!" Bai Yunfei showed a harmless smile and said sincerely: "I have no other intentions, I just want to be friends with you."

"I..."

Su Qingyan bit gently lips, not knowing how to respond.

"Light smoke!"

At this moment, a faint voice sounded outside the door: "Since he is so sincere, let him buy it." The voice fell, and a cold figure walked in slowly.

It was Yue Feng.

Chapter 3799

"Young Master!"

Seeing Yue Feng appear, Xiao Xi let out a coquettish cry, walked over to hold Yue Feng's arm, and said, "This person seems to be plotting against Sister Qingyan, you have to be careful."

After saying this, Xiao Xi did not forget to stare at Bai Yunfei.

Haha...

Hearing this, Yue Feng showed a smile and reached out to touch Xiao Xi's head.

After so many years, Xiao Xi is still so cute.

The next second, Yue Feng's eyes fell on Bai Yunfei, and he said lightly, "Bai Yunfei, stay safe."

When he said this, Yue Feng's smile did not show any signs of Bai Yunfei's pursuit of Su Qingyan. A little dissatisfied, on the contrary, Yue Feng is very calm.

You know, Yue Feng and Su Qingyan have gone through several years of ups and downs, and they lived and died together. It can be said that they are more in love than Jin Jian, so Yue Feng is not worried at all that Su Qingyan will betray him.

mad.

At this moment, Bai Yunfei frowned, and the originally good mood suddenly turned bad.

I thought I could take the opportunity to get in touch with Su Qingyan this time, but I never thought that at a critical moment, Yue Feng appeared.

It's really a sight to behold.

Thinking to himself, Bai Yunfei squeezed out a smile and made a free and easy look: "It turned out to be Yue Feng, huh, don't be ill, I passed by here by accident just now, and saw Miss Qingyan admiring the jade fan, I immediately Come in and have a look."

Immediately, Bai Yunfei's eyes fell on Su Qingyan, and he said sincerely: "I met Miss Qingyan right away and wanted to make friends, so I planned to sell this jade fan and give it to Miss Qingyan."

After saying this, Bai Yunfei took out a card from his body and threw it directly to the shop owner: "Wife, please wrap it up!"

Alright!

The owner of the store was very happy, so he hurriedly swiped his card. It just opened today and sold two million. Can you be unhappy?

At this time, Bai Yunfei looked at Su Qingyan and said in a pleasing manner, "Miss Qingyan, I sincerely want to make you a friend. I have already bought the jade fan, I hope you will not refuse it!"

Bai Yunfei glanced at the corner of his eyes as he spoke. He glanced at Yue Feng, showing a bit of contempt.

He was just the former Sect Master of Tianmen, and his reputation has long since ceased to exist. How could he be able to let Miss Qingyan, who is so beautiful and fragrant, accompany her? Today, no matter what, we must win the favor of beautiful women.

Bai Yunfei held his own strength and didn't take Yue Feng into his eyes at all, so he blatantly ignored Yue Feng when he was by his side.

Ha ha...

Seeing this, Yue Feng secretly sneered.

This Bai Yunfei is so confident. He dares to stand in my way and show his favor to Qingyan. If I don't teach you a lesson later, how can I stand in Kyushu in the future?

At this time, in the face of Bai Yunfei's favor, Su Qingyan's delicate face also flashed a trace of impatience.

"Yue Feng..." Su Qingyan gently pulled Yue Feng: "Look..."

Before she could finish speaking, Yue Feng smiled slightly, hugged Su Qingyan's fragrant shoulders, and said lightly: "Qingyan Yan, since this brother Bai is so sincere, you should accept this gift." As he

spoke, Yue Feng glanced at Bai Yunfei and said with a half-smile, "I spend two million to buy a fake, such a great deal, I still think it's the first time I've seen you!"

At this moment, Yue Feng, looking at Bai Yunfei, couldn't hide his mockery.

Yes, the moment he came in, Yue Feng could see that the jade fan was not a product of the Song Dynasty court at all, but a fake made by later generations, but the counterfeiting skills were very sophisticated, and ordinary people could not see it at all.

But who is Yue Feng? When he was the second young master of the Yue family, he was taught by Kang Lianping, a master of Chinese studies, and his accomplishments in antiques almost looked down upon the entire Diyu Continent.

Therefore, Bai Yunfei had to spend two million to buy this jade fan for Su Qingyan, but Yue Feng did not object.

Chapter 3800

Since the other party is going to take advantage of it, give him this opportunity, it's not his own money anyway.

Phew...

At this moment, Su Qingyan secretly breathed a sigh of relief, and there was a smile on her face. Speaking of which, when Yue Feng asked her to accept this gift, Su Qingyan was very unhappy.

I'm your woman, and you're making me accept gifts from other men. It's a shame.

But at this time, Su Qingyan was instantly relieved after learning from Yue Feng that the jade fan was fake. She was talented and intelligent, and immediately understood that Yue Feng was deliberately playing tricks on Bai Yunfei by doing this.

Swish!

Hearing Yue Feng's words, Bai Yunfei's face changed, and a trace of anger flashed in his eyes.

Mad, this Yue Feng dared to mock himself, saying that the jade fan he bought was fake?

Especially seeing Yue Feng's hand holding Su Qingyan's fragrant shoulder all the time, Bai Yunfei's heart was full of disgust, and his anger grew even stronger.

A guy without fame, dare to mock me? court death.

Thinking to himself, Bai Yunfei resisted his anger and sneered: "Yue Feng, do you think the jade fan I bought is fake? It's really interesting, how could such a big store sell fake products?"

"Miss Qingyan likes this . Jade fan, if you can't afford it, you deliberately say it's fake, right?"

After saying the last sentence, Bai Yunfei looked contemptuous.

Yue Feng smiled without saying a word.

At this moment, hearing the movement here, many people gathered around the door, watching the excitement one by one curiously.

"I'm going, what's the situation?"

"The one who was accompanied by two beauties was the former Tianmen Sect Master Yue Feng?"

"Who's on the other side? He looks so handsome, and he's so rich, he actually spent two million to buy a jade fan..."

"I'm rich, but on the first day when Antique Street opened, antiques were mixed. , I don't know if this jade fan is genuine?"

Seeing a lot of people outside the door, Bai Yunfei didn't panic at all, but showed a smile. The more people, the better. When Yue Feng loses face, his reputation will plummet.

Muttering in his heart, Bai Yunfei looked at Yue Feng with a smile that was not a smile: "Yue Feng, if you don't say anything, just admit that you were talking nonsense just now. Well, if you can buy this jade fan for two million, I have nothing else to do. In other words, leave immediately!"

Let me buy it?

Hearing this, Yue Feng couldn't help laughing, and said lightly: "I'm not sick, why should I spend two million to buy a fake?"

With Yue Feng's current status, money is no longer important, he said Get up, what Su Qingyan likes, no matter if it's true or not, let alone two million, Yue Feng won't frown, but when it comes to Bai Yunfei, it's different.

After all, this is the dignity of a man.

"You..."

Bai Yunfei's face became gloomy, and his eyes flashed coldly.

This Yue Feng, actually scolded me for being out of my mind? At this moment, the shop owner finished swiping the card, Bai Yunfei

looked gloomy, and said coldly: "Boss, is your jade fan real? This Yue Feng can be said to be a fake!"

Ten thousand years, it wasn't until a few days ago that Bai Yunfei set foot in the arena for the first time. It can be said that he knew nothing about antiques. At this time, seeing Yue Feng's serious appearance, he also began to doubt in his heart, so he began to question the shop owner.

"How can it be!"

Faced with Bai Yunfei's questioning, the shop owner shouted excitedly: "This is the first time my shop opened, how could it be possible to sell fakes?"

"My ancestors belonged to a family of antiques. When I was five years old, I It has been thirty years since I entered the industry."
