

## The ultimate husband in Chinese chapter 3891-3900

### Chapter 3891

“Guo Dong, I’m going to smash your corpse into ten thousand pieces!”

Under the grief, Sun Dasheng’s eyes were extremely blood-red, and with a roar, he wanted to stand up and continue to fight, but he was so injured that he was completely powerless.

Guo Dong made a mocking expression: “Cut my corpse into ten thousand pieces? Haha, Dasheng Sun, do you still have this ability now?” After the

voice fell, Guo Dong clenched his long sword and walked step by step.

“Second Uncle!”

At this moment, a loud shout came, and a handsome figure was seen flying rapidly from the air not far away. His handsome and cold face was full of anger.

It is Wen Chou Chou’s son, Wen Xiao Yu.

Wen Xiaoyu was originally in the hall of longevity, and when he learned that the Ouyang family was raided, he rushed over quickly. At this time, when he saw that Guo Dong was going to kill Sun Dasheng, his eyes were red.

“Dare to come to my Ouyang family to make trouble, die!”

Wen Xiaoyu’s inner strength exploded and rushed directly towards Guo Dong.

Wen Chou Chou’s son?

Seeing Wen Xiaoyu rushing towards him, Guo Dong frowned, and then said disdainfully, “A younger generation of Jianghu dares to be presumptuous in front of my Heavenly Dao League protector?” After the words

fell, Guo Dong and Wen Xiaoyu fought fiercely in midair.

If it was a year ago, Guo Dong was not Wen Xiaoyu’s opponent, but after becoming the guardian of the Heavenly Dao Alliance, Guo Dong got Luo Jue’s guidance and his strength improved by leaps and bounds. At this time, he could completely fight against Wen Xiaoyu.

“Xiaoyu.”

At this time, Sun Dasheng, full of grief and indignation, kept shouting: "Kill him!"

Wen Xiaoyu responded and burst out with all his strength, but after a few minutes, Guo Dong was still unable to be suppressed.

At this time, the situation became increasingly unfavorable for the Ouyang family.

High in the sky, Gong Ao was about to break through the siege of the eight saintess of Huanxiang. On the battlefield below, the disciples of the Ouyang family were also retreating under the attack of the elites of the Heavenly Path Alliance.

call!

Seeing this scene, Sun Dasheng hugged Li Nan tightly, his face full of unwillingness.

The Ouyang family, is this really the end?

...

the other side!

In an unnamed valley a hundred miles away from Tianqi Imperial City.

Yue Feng accompanied Ren Yingying and sat there cross-legged.

Ren Yingying only felt that she was in purgatory, endless pain, not soft invasion. However, with her tenacious personality, Ren Yingying always held on.

After an unknown amount of time, Ren Yingying slowly opened her eyes.

At this time, Ren Yingying clearly felt that the pain in her body disappeared, and was replaced by an incomparably full force.

"Yue Feng?"

Under the excitement, Ren Yingying tilted her head to see Yue Feng, and was even more moved.

He has always been by my side to protect me.

"Yingying!"

Seeing that Ren Yingying finally woke up, Yue Feng was very happy and asked with concern: "Your previous situation is really worrying, by the way, how are you feeling now?"

When he said this, Yue Feng asked with concern. Feng sensed the strength of the next Yingying, and was immediately shocked.

It actually broke through the Tribulation Transcendence Realm directly... The power contained in the beads is too terrifying.

“...”

Facing Yue Feng's inquiry, Ren Yingying felt her own situation and was stunned.

Ren Yingying clearly found that her dantian had disappeared and was replaced by a small human figure, which was shrouded in a blood-colored light, which was very strange.

Not only that, but Ren Yingying also had a passage in her mind, as well as the formula of the “Holy Luo Sutra”.

“I am Chiyou, one of the four saints of the demon race. I was ordered by the Demon Lord Gone to avoid the war between gods and demons and sneak into the human world...” These

words sounded in my mind, and Ren Yingying's delicate body trembled. The whole person is covered.

Ancestor Chi You....turned out to be a demon?

Chapter 3892

At this time, seeing Ren Yingying's expression, Yue Feng couldn't help but ask, “What's the matter with you?”

Ren Yingying breathed a sigh of relief and told the situation.

What?

At this moment, Yue Feng froze, staring blankly at Ren Yingying, speechless.

It turned out that Gong Ao was right, Yingying's body is really the power of the demon soul.

But... in the war between gods and demons, apart from the Demon Lord Gone, weren't all the other demons destroyed?

In doubt, Yue Feng thought of the ugly man who broke into the ghost world before. Could it be that that ugly man is also related to Chi You?

“Yue Feng!”

Just when Yue Feng was thinking about this, Ren Yingying bit her lip and said softly, “It turns out that my ancestor was a demon, you...will you come with God Domain to destroy me?”

Said At these times, Ren Yingying’s heart was extremely complicated.

The ancestors turned out to be demons, and this matter is unacceptable to anyone.

“Fool!”

Hearing this, Yue Feng showed a smile and held Ren Yingying in his arms: “No matter what you become, you are my Yue Feng’s woman, if God Domain really wants to deal with you, unless you get rid of my corpse Step on it.”

Ren Yingying was moved and hugged Yue Feng tightly, only feeling extremely happy.

Whoa!

At this moment, there was a sound of footsteps not far away, Yue Feng and Ren Yingying instantly became vigilant, and they saw dozens of figures rushing fast, all of them looking anxious.

It is the ugly and ugly people.

“Brother Wen!”

Seeing that it was Wen Chou Chou and the others, Yue Feng was surprised and happy, and couldn’t help shouting.

Ren Yingying was also excited.

When they were in the ancient tomb of Chiyou before, other sect masters at that time lost their minds and killed each other under the influence of the power of the ancient tomb. At that time, Yue Feng and Ren Yingying were very worried about the situation of Wen Chou Chou and others.

Seeing that they were all safe at this time, they were extremely happy.

“Haha...”

Hearing the shout, Wen Chou Chou and the crowd hurried over. When they got to the front, Wen Chou Chou patted Yue Feng’s shoulder: “I knew that you and Yingying would be okay.”

“We entered the ancient world. After the tomb, I accidentally broke into a maze, and finally came out and met people from other sects, only to know that you are being pursued by the Heavenly Dao Alliance...”

Hu!

Hearing this, Yue Feng nodded, and at the same time he was a little surprised.

No wonder Brother Wen and the others did not kill each other. It turned out that they had entered the maze by mistake, and they would not be affected by the power of the ancient tomb if they entered the maze. What a fluke.

As he was talking, Wen Chou Chou sensed Ren Yingying’s strength, and was surprised: “Your breath...”

Ren Yingying hesitated, looked at Yue Feng, and told the situation.

What?

Knowing the situation, whether it was Wen Chou Chou or the others present, they were all stunned.

Thousands of years ago, Chiyou the Great, who galloped the world, turned out to be a demon? And Ren Yingying, got the power of the demon soul?

After being stunned for a few seconds, Wen Chou Chou reacted and said with emotion: “It seems that this is all fate. Who would have thought that the generation of heroes who fought against Xuanyuan Huangdi back then was not a human being.”

After speaking, Wen Chou Chou said seriously to Yue Feng: “Don’t worry, Feng Zi, Ying Ying is your woman. As long as you don’t do anything to harm Kyushu, I, Wen Chou Chou, will always support you.”

Yue Feng showed a smile: “Thank you Wen Brother!”

At this time, Wen Chou Chou thought of something: “By the way, we have to hurry back to the Ouyang family!”

When he said this, Wen Chou Chou’s face was a little worried.

Yue Feng hurriedly asked, “What’s wrong?”

Wen Chou Chou took a deep breath and said, “When we left the tomb, we heard news that the special envoy of the Divine Realm, Gong Ao, had mobilized many elites from the Heavenly Dao League to clear Ouyang Family.”

Nima!

Hearing this, Yue Feng immediately became angry.

This Gong Ao was so bold that he couldn't catch himself, so he grabbed the attention of the Ouyang family...

Chapter 3893

Thinking, Yue Feng hurriedly said: "It's not too late, let's go back quickly!"

Mmm!

Wen Chou Chou nodded, and immediately rushed to Diyuan Continent together with Yue Feng.

...

At this moment, the ghost world.

After Bai Yunfei dived into the ghost world, he rushed directly into the depths of the underworld. This time, Bai Yunfei did not wear makeup.

Although Mingdu City was heavily guarded, it still couldn't stop Bai Yunfei.

Whether it was Bing Yao or the ghost world soldier, none of them would have thought that under such a heavily guarded situation, someone would dare to break in.

Bang bang bang...

Bai Yunfei burst out with all his strength, ramming all the way, almost invincible, and the ghost generals who stopped him couldn't stop even a single move, and he was scattered.

At this time, in front of the stone platform where the magic mirror was placed, Bingyao's figure was flickering, fighting fiercely with Bai Yunfei.

While fighting fiercely, Bing Yao was extremely anxious in her heart.

The opponent's strength is too strong, and it needs Yue Feng's help to defeat it, but he just sent it out to Yue Feng's men to send a letter.

"Haha..."

At this time, Bai Yunfei, with a proud face, laughed at Bing Yao and said, "If I guess right, you want Yue Feng to ask for help, right? However, I advise you to give up. There

is a vision of heaven and earth in the Imperial City of Weather, the ancient tomb of Chiyou is now in the world, and the people of Yue Feng and the Ouyang family have entered the ancient tomb to snatch treasures, and there is no time to support you.” As

he said, Bai Yunfei’s offensive became more and more fierce.

Done!

Hearing this, Bing Yao’s delicate face was full of despair.

boom!

Taking advantage of Bing Yao’s panic, Bai Yunfei pushed Bing Yao back with a palm, then turned around and grabbed the Demon Sealing General and rushed outside.

By the time Bing Yao reacted, Bai Yunfei had already left.

At this moment, Bing Yao’s delicate face was filled with indescribable anger, and at the same time she was extremely worried.

Oops, the Demon Lord Gone was rescued, and the world is about to be in chaos.

.....

On the other side, the Ouyang family.

At this time, the Ouyang family was still fighting fiercely with the Heavenly Dao League, and they saw that many Ouyang family disciples fell in a pool of blood under the siege of the Heavenly Dao League elites.

In mid-air, Gong Ao also rushed out of the encirclement of the eight saintess of Huanxiang.

puff!

At this moment, Gong Ao seized the opportunity and stabbed the golden spear out of his hand, directly piercing Zi Yan’s heart.

In an instant, Zi Yan’s face was pale, blood sprayed, and the whole person fell directly from the sky.

Although Zi Yan, as a nine-day saint, is very powerful, she still can’t stand against Gong Ao. After all, the golden spear in Gong Ao’s hand is a divine weapon.

“Zi Yan!”

“Zi Yan...”

Seeing this scene, Huanxiang and the other saintess all screamed tenderly, and immediately rushed down, supporting Zi Yan with all hands and feet, each one of them mourning endlessly.

Just saw that Zi Yan’s heart was completely pierced, and her primordial spirit was also fragmented.

The eight saintess, who share the same love as sisters, will be heartbroken when they see Zi Yan disappear.

“Hahaha!”

Gong Ao was suspended in the air, his face full of arrogance, and he said to Huanxiang and the other saintess: “Betraying God’s Domain, this is the end. Since you two have such a good relationship, I will send you on the road together. “The

voice fell, Gong Ao clenched the golden spear and waved a golden beam, coming directly towards the seven saintess of Huanxiang.

chi chi...

Chapter

3894 saw that where this golden light passed, it seemed to split the world into two worlds, and its power was amazing.

Seeing this golden light coming, Huanxiang and the other saintess closed their eyes in despair.

After fighting with Gong Ao for more than an hour just now, Huanxiang and the other saintess had lost too much strength. Facing Gong Ao’s outbreak again, none of them could dodge.

Sun Dasheng, Wen Xiaoyu and the others were also in a hurry. They wanted to come and help, but they were helpless.

hum! hum!

At this critical moment, suddenly two dazzling rays of light erupted from the sky not far away, one red and one green, dazzling.

Two streams of light, like lightning, intercepted Gong Ao’s golden glow in mid-air.

boom!

The three forces collided in mid-air, and with a loud noise, Gong Ao only felt a powerful vibration coming, and was directly knocked back by the volley.

“Who is meddling?”

Gong Ao at this time, furious, roared, and looked at the distant sky at the same time.

At the same time of anger, Gong Ao was also a little uneasy in his heart, wouldn't it be Yue Feng coming back?

Swish!

The people below also looked up.

Seeing this, the disciples of the Ouyang family were all excited.

I saw two figures coming quickly, one with a slender figure and delicate facial features, and the other wearing a white robe, suave.

It was Chang'e and Zhu Bajie who had not seen each other for a long time.

Back then, Zhang Jiao controlled Chang'e and held a martial arts conference in Beiming Imperial City in the name of Chang'e, but was destroyed by the Rakshasa traitor Jie De, who took advantage of the chaos to rescue Chang'e, and encountered Zhu Bajie in the underground secret passage of the palace.

At that time, Chang'e was in critical condition, so Yue Feng handed her over to Zhu Bajie, and asked him to take Chang'e to find an expert for treatment.

Later, Zhu Bajie successfully found the place where Shennong lived in seclusion, and Chang'e was rescued. After that, Chang'e and Zhu Bajie temporarily lived in the place where Shennong lived in seclusion.

Until recently, a vision of heaven and earth appeared in the Tomb of Emperor Tianqi, and Chang'e and Zhu Bajie came out to see it. When they passed through Zhongzhou City, they found that there was a fight in the Ouyang family, so they rushed over immediately.

Whoa!

At this moment, whether it was the elites of the Heavenly Dao Alliance or the disciples of the Ouyang family, their eyes were all focused on Chang'e, and they were all amazed.

“Miss Chang'e...”

“It’s so beautiful!”

“Five years ago, I was fortunate enough to meet Mother Chang’e once. At that time, I was shocked. I didn’t expect to see it again after so many years.

” When it came, Gong Ao frowned secretly.

The next second, Gong Ao looked at Zhu Bajie, then at Chang’e, and said coldly: “Who are you? Dare to take care of my God’s Domain?”

“Alas!”

Zhu Bajie sighed, Angrily, he said, “I don’t even know about my handsome Zhu Bajie and the beautiful Chang’e, so why are you still in Kyushu?”

Chang’e and Zhu Bajie?

Hearing the answer, Gong Ao frowned and his expression became solemn.

Although Gong Ao came from the realm of the gods, Chang’e and Zhu Bajie were both well-known figures in Kyushu. Although Gong Ao had never seen them, he had already heard of them.

A few seconds later, Gong Ao reacted and said indifferently: “I heard that you live in seclusion and never ask anything about the world. Today, I represent the Divine Realm to exterminate the Ouyang family. I hope you can understand the situation and don’t get caught up in it.” Big, but indisputable.

“Haha!”

Hearing this, Zhu Bajie couldn’t help laughing, with a cynical look on his face: “Yue Feng and I are brothers, you want to destroy his home, you say I don’t care?”

Immediately, Zhu Bajie said: Bajie looked at the tragic death of Zi Yan, and the weak Huanxiang and others, with deep pity in his eyes: “What a sin, such a flower-like jade, the Nine Heavens Saintess, you are so cruel and ruthless, it’s really a bit I don’t understand Lianxiang and Xiyu.” After

speaking, Zhu Bajie shouted at Huanxiang with a smile: “Several beauties, don’t be afraid, I am here, Zhu Bajie, you will be fine.”

Chapter 3895

Swish!

Hearing Zhu Bajie’s words, whether it was Huanxiang or the other saintess, all blushed.

Speaking of which, the Nine Heavens Saintess and Zhu Bajie are not very familiar, but I have heard from Yue Feng, and I know that this Zhu Bajie is very lecherous, and his words are not serious.

But I didn't expect that Zhu Bajie would still be able to smile on such an occasion.

"Zhu Bajie..."

At this moment, Chang'e on the side was also blushing, and she frowned, "Can you be more serious?"

Speaking of which, Chang'e has always been disgusted with Zhu Bajie, but since Zhu Bajie After taking Chang'e out of the secret passage of Beiming Imperial City, and then finding Shennong and helping Chang'e to treat her, Chang'e's view of Zhu Bajie changed a little.

But even with some improvement, Chang'e still couldn't get used to Zhu Bajie's lewdness.

In Chang'e's eyes, the situation in front of her is very serious, but Zhu Bajie still has the heart to tease the Nine Heavens Saintess.

"Okay, okay!"

Seeing Chang'e speak, Zhu Bajie scratched his head and said with a smile, "I'm serious..."

Zhu Bajie was not afraid of the sky, nor the earth, just that Chang'e would be unhappy.

With that said, Zhu Bajie took a step forward slowly and shouted at Gong Ao: "What kind of special envoy of the Divine Realm are you, right? I don't care how strong the forces behind you are, this Ouyang family is the home of my brother Yue Feng. , if you are a little more sensible, then take your subordinates to get out, otherwise, don't blame me, Lao Zhu, for being rude."

Om!

The voice fell, and a powerful breath burst out from Zhu Bajie, sweeping out towards the surroundings, and in an instant, the sky was distorted!

So... so strong!

Feeling the strength of Zhu Bajie, all the people in the audience couldn't help but gasp!

In particular, the many disciples of the Ouyang family were extremely excited.

I haven't seen him for a few years, but Zhu Bajie's strength has obviously grown a lot stronger, and he has already broken through the Tribulation Transcendence Realm...

Gong Ao was also stunned.

Is this Zhu Bajie so strong?

But soon, Gong Ao reacted and said coldly to Zhu Bajie: "It's not small, it's up to you?"  
The

voice fell, and Chang'e's red lips parted lightly: "And me."

Hu!

At this moment, Gong Ao took a deep breath and his face became completely solemn.

This Chang'e and Zhu Bajie have both broken through the Tribulation Transcendence Realm. Facing such a powerful enemy, this is a bit tricky.

"Go!" In the

next second, Gong Ao glanced coldly at the audience, greeted the members of the Tiandao Alliance, and left quickly.

Speaking of which, with Gong Ao's strength, he is not afraid of Chang'e and Zhu Bajie at all, but just after a few hours of fierce battle, Gong Ao's strength has consumed a lot. Under such circumstances, facing Chang'e and Zhu Bajie's alliance, Gong Ao had no chance of winning.

More importantly, after so long, Yue Feng should be back.

Wow...

In the blink of an eye, Gong Ao and tens of thousands of Heavenly Dao League elites walked cleanly.

Not long after leaving, I saw dozens of figures coming from the sky, it was Yue Feng, Wen Chou Chou, Ren Yingying and others.

This....

When they got to the front, they saw the scene in front of them. Whether it was Yue Feng or Wen Chou Chou, they were all stunned and their anger rose.

I saw that the entire Ouyang family was in a mess, the door was broken, and many disciples of the Ouyang family were lying there, dead and wounded.

Not only that, not far away, Sun Dasheng hugged a slender figure tightly, his face full of tears, and he almost fell into madness.

It was Li Nan who was in Sun Dasheng's arms.

Seeing Li Nan was covered in blood, his whole heart was pierced, his white face was dyed red, his face was pale, his eyes were closed, and he had already lost his breath.

Li Nan is dead?

## **The ultimate husband in Chinese chapter 3896-3900**

Chapter 3896

Seeing this scene, Yue Feng's mind was blank, and his heart was extremely guilty.

I came back late, if I was one step faster, maybe Li Nan would not die.

The next second, Yue Feng looked around, his head buzzed, and his whole body trembled uncontrollably.

I saw Huanxiang and the other saintess guarding a corpse, each with tears streaming down their faces, sad, and that corpse was Zi Yan.

Zi Yan is also dead?

Yue Feng's eyes were instantly blood red, and Li Nan's death had already made Yue Feng very uncomfortable. Seeing Zi Yan's body again at this time, his whole mind was instantly filled with anger.

"Brother!"

At this time, Zhu Bajie walked over quickly and said to Yue Feng, "I haven't seen each other for a few years, but the style of my brother is still the same."

At the same time, Chang'e also walked slowly and nodded at Yue Feng. , said hello.

Yue Feng nodded, his heart was bitter.

Seriously, seeing Zhu Bajie and Chang'e, Yue Feng was very pleasantly surprised. It was just the situation in front of him. How could he be happy?

"Wife, don't leave me... Please open your eyes, please..." At this moment, Dasheng Sun kept roaring, his voice was hoarse, and his whole body was shaking!

"Ah!"

Under the endless grief, Sun Dasheng looked mad and completely lost his senses. With a roar, he directly pulled out the axe and slashed at the surrounding Ouyang family disciples.

“I’m going to kill you, kill you...”

This chapter is provided by . Visit for daily update.

Because it was too sad, the soul-devouring bloodworm hidden in the Great Saint was also affected, and became violent in an instant, and then controlled the thinking of Sun Dasheng.

Oops!

Seeing this scene, Yue Feng and Wen Chou Chou looked at each other, both pale in shock, then rushed over and joined hands to restrain Sun Dasheng.

However, the aura that the mad Sun Dasheng burst out was very amazing, and with the opening axe in his hand, it was difficult for Yue Feng and Wen Chou Chou to get close for a while.

In this case, Zhu Bajie also hurried to help.

Soon, Sun Dasheng was restrained by Yue Feng and several others, and he couldn’t hold it any longer. As soon as his eyes darkened, he fainted.

“Quick!”

Wen Chouchou was sweating profusely, and ordered to the people around him: “Hurry up and help the Great Sage into the room to rest, and a few more people will watch him.”

Several people responded and sent Sun Great Sage into the room.

Watching Sun Dasheng being taken away by everyone, Wen Xiaoyu next to him, thoughtfully, couldn’t help but say, “Uncle Dasheng’s situation seems to be a soul-eating bloodworm.”

When he said this, Wen Xiaoyu was very heartbroken. It was a shock, because after taking the soul-devouring bloodworm, he occasionally had a mental disorder.

It was not loud, but everyone around could hear it.

Wen Chou Chou looked solemn, and quickly asked Wen Xiaoyu: “Xiaoyu, what kind of soul-devouring bloodworm?”

“Father, I...”

Wen Xiaoyu suddenly became nervous, opened his mouth, and didn't know for a moment. How to speak.

Half a month ago, Wen Xiaoyu was forced by Bai Yunfei to take the soul-devouring bloodworm. In desperation, he stole the ghost token that Wen Chouchou had sealed up. Wen Xiaoyu never dared to say this.

Seeing Wen Xiaoyu faltering, Wen Chou Chou became even more suspicious.

“The messenger of Hades asks to see Your Excellency Yue Feng!”

At this moment, a shout came, followed by a figure that came quickly like a ghost.

He was dressed in black robes and filled with a gloomy aura. It was the messenger of Hades sent by Bing Yao.

The messenger of Hades! ?

Seeing the messenger sent by the ghost world, Wen Chou Chou and everyone around were stunned.

What is the messenger of Hades coming to do at this time?

Yue Feng was also stunned, and he had a bad premonition in his heart.

Chapter 3897

“Your Excellency Yue Feng!”

At this time, the messenger walked quickly and said anxiously at Yue Feng: “The big thing is bad!”

Yue Feng took a deep breath and said, “What's the matter, take it slow Say, don't panic!”

The messenger was crying anxiously, his head covered in cold sweat, and he said extremely anxiously: “Your Excellency Yue Feng, someone broke into the depths of the underworld and stole the magic mirror!”

What? !

Hearing this, both Yue Feng and Wen Chou Chou were all stunned.

Especially Yue Feng was shocked.

Last time, the ugly man forced his way into the depths of the underworld, and was repelled by him and Bingyao together. After that, the ghost world strengthened its vigilance. How could anyone dare to break through?

As for Wen Chou Chou and everyone, when they reacted at this time, they were all puzzled.

What is the magic mirror?

Because they don't know about the Demon Lord Gone, Wen Chou Chou and others still don't know what the magic mirror is. But looking at the anxious look of this messenger, it is obviously not an ordinary thing.

Aware of everyone's doubts, Yue Feng explained the matter of Demon Lord Gone in detail.

Huh...

Knowing the situation, Wen Chou Chou and everyone were stunned, their hearts were shaking, and they were speechless for a long time.

On the other hand, Ren Yingying, who was standing aside, had a complex expression on her delicate face.

His ancestor, Chi You, was a subordinate of the Demon Lord Gone. Now, the magic mirror that sealed the Demon Lord was rescued from the depths of the underworld. Will it affect him?

Mad!

Wen Xiaoyu, who was standing on the other side, clenched his fists and spoke out of anger.

It turned out... Bai Yunfei wanted me to steal my father's ghost token, to go into the realm of the gods to save the Demon Lord Gone...

Under the anger, Wen Xiaoyu couldn't tell the regret.

If I had known this earlier, even if I died at that time, I would not compromise with Bai Yunfei. But it's too late to say anything now.

quiet!

For a while, the audience was silent, and a depressing atmosphere enveloped everyone.

Finally, Yue Feng calmed down and asked the messenger, "Do you know who that person is?" The

ugly man last time, Yue Feng used the relationship between Tianmen and Tiandao Alliance, and searched the entire Jiuzhou rivers and lakes. No clue.

The messenger did not hesitate, and immediately responded: "That person is called Bai Yunfei." After

speaking, the messenger's face showed a bit of grief and anger, and continued: "When Bai Yunfei broke into the ghost world, he personally admitted that last time the ugly The man was also him. At that time, he asked his subordinates to hold the ghost token to first check the location of the sealed magic mirror. After finding out the location, Bai Yunfei put on makeup and went straight to the depths of the netherworld. By the way, the netherworld order that Bai Yunfei's subordinates took. The card belongs to Your Excellency Wen Chou Chou."

Bai Yunfei?

Hearing this, Yue Feng only felt his brain buzzing.

Mad, it turned out to be him.

No wonder the whereabouts of the ugly man had never been found before, it turned out to be Bai Yunfei in disguise.

And... How could Bai Yunfei's subordinates have Brother Wen's Nether Token?

Thinking to himself, Yue Feng subconsciously looked at Wen Chou Chou.

My ghost token?

Wen Chou Chou was also taken aback, how could this be possible? Since he got rid of the control of the previous generation of Hades three years ago, the ghost token has been hidden in the secret room of cultivation, and has never been taken out. How could it have been in the hands of Bai Yunfei's subordinates?

Thinking to myself, Wen Chou Chou was a little worried, and hurried to the backyard secret room.

Seeing this, Yue Feng and the others followed closely behind.

Chapter 3898

What?

Soon, after arriving in the secret room, Wen Chou Chou was stunned.

I saw that the box where the ghost token was placed was empty, and the ghost token was gone.

Huh...

For a while, Yue Feng and the others were also stunned there.

Brother Wen's token is really gone. At this time, Wen Chou Chou, his face was extremely ugly, his heart

was full of anger, and he said in a low voice: "This Bai Yunfei is really not easy, he was able to steal the token from the secret room where I practiced."

Secretly muttered.

Even if Bai Yunfei is very strong, it is impossible to steal the token without disturbing the Ouyang family. After all, this secret room is very hidden, and even many disciples of the Ouyang family do not know how Bai Yunfei found it?

Seeing the change in Wen Chou Chou's expression, Yue Feng pondered and said slowly, "Bai Yunfei is the mastermind behind stealing the Ghost Token, but I suspect that there are accomplices around him, and they are in our Ouyang family.

" With that, Yue Feng subconsciously looked around.

Yue Feng was very thoughtful. When he saw Wen Chou Chou's secret room being stolen, he immediately thought that the Ouyang family had an inner ghost. You must know that Wen Chou Chou's secret room was very secretive. The ghost token was taken away with a sound.

call!

Hearing this, everyone around was shocked.

Wen Chou Chou was also shocked, looking at Yue Feng and said, "Fengzi, you mean that there is someone in our Ouyang family who secretly colluded with Bai Yunfei?"

Pfft!

Yue Feng was about to respond, but at this moment, he saw a figure kneeling directly in front of Wen Chou Chou, his handsome face full of fear and guilt.

It was Wen Xiaoyu.

Um?

what's the situation?

Seeing this scene, Yue Feng and the people around were stunned.

Wen Chou Chou was also full of doubts, frowning at Wen Xiaoyu: "Xiaoyu, what are you doing?"

Wen Xiaoyu knelt there and whispered: "Father, I took your ghost token, and I gave it to you. Bai Yunfei!"

What?

Hearing this, Yue Feng and the people around were shocked.

The ghost token in the secret room... turned out to be taken by Wen Xiaoyu...

At the same time, Wen Chou Chou also froze there instantly, and then became furious.

"Crack!" In the

next second, Wen Chou Chou slapped Wen Xiaoyu fiercely, trembling with anger: "Why do you do this? Do you know that if you help Bai Yunfei save the Demon Venerable, the whole world will When the chaos comes, I don't know how many innocent people have lost their lives, and you are a sinner through the ages."

After speaking, Wen Chou Chou drew his sword and shouted angrily, "I will kill you, you wicked son." The

last word fell, Wen Chou Chou Holding the long sword tightly, he stabbed directly at Wen Xiaoyu's heart. To be honest, Wen Chou Chou has always loved this son very much, and he planned to pass the head of the Hall of Longevity to him in a few years, but now, The son actually helped Bai Yunfei save Mozun.

This is a major matter related to the whole world. If you condone and cover up, what face will you have to face the people of Kyushu in the future?

Seeing the long sword piercing, Wen Xiaoyu's eyes were full of tears, and he knelt there straight, without any intention of dodging.

He knew that he had committed a heinous crime, and it was right for his father to take his own life.

"Brother Wen! Don't!"

Yue Feng was taken aback, and hurriedly came over, raised his hand and hit Wen Chou Chou's long sword, and comforted: "Why are you so impulsive? There must be something else hidden in this matter."

Said With that, Yue Feng glanced at Wen Xiaoyu, and continued: "Xiaoyu was brought up by us, and he has an honest character. I believe that it is impossible for him to be in the same boat as Bai Yunfei. Tell us the details and make a decision."

## Chapter 3899

When he said this, Yue Feng looked serious.

call!

Hearing this, Wen Chou Chou put away his long sword and looked at Wen Xiaoyu angrily: "You bastard, why don't you explain it quickly?"

Wen Xiaoyu did not dare to neglect, and honestly told the situation at that time.

At the end, Wen Xiaoyu was full of remorse: "Father, my girlfriend's life was in Bai Yunfei's hands, and I had to agree to his request."

"I thought he needed the ghost token, but it was convenient to enter. God's Domain, who knew that his goal was actually Demon Venerable, if I knew this earlier, even if I died, I would not agree to him."

"Also, before the sudden madness of the great sage, it was also the performance of the soul-eating bloodworm. Obviously, Bai Yunfei's promise to Aunt Qingyan at that time to save the Great Sage was a trap."

Hearing

this, Wen Chou Chou clenched his sword and fell silent.

At the same time, Yue Feng and the people around him were also extremely angry.

Especially Yue Feng, the anger in his heart was rising.

Mad, this Bai Yunfei is too despicable, it's just that Lawen Xiaoyu went into the water, and he even deceived Qingyan and secretly harmed the Great Sage.

When he thought of Su Qingyan, Yue Feng felt his heart twitched.

Qingyan, you are so stupid, you don't even know that you were deceived by Bai Yunfei.

A few seconds later, Yue Feng calmed down and comforted Wen Chou Chou: "Brother Wen, calm down, this matter is mainly about Bai Yunfei, and Xiao Yu is innocent. The most important thing now is to find a way to expel him and him. The soul-eating bloodworm on the Great Sage."

Hmm!

Hearing this, Wen Chou Chou nodded.

After understanding what happened, Wen Chou Chou also understood that in the whole thing, his son Wen Xiaoyu was innocent. He was too young and had no experience in the arena to be played by Bai Yunfei.

At this time, Yue Feng turned to look at the messenger of Hades, with an apologetic expression: "Our Ouyang family is responsible for being rescued. Please go back and tell Hades. Our Ouyang family will find Bai Yunfei and Demon as soon as possible and make every effort to remedy

them ." At the time, Yue Feng looked serious, but his heart was extremely uneasy.

Once the Demon Venerable is rescued, is there still a chance to make amends?

...

On the other side, on the Xi Cang Continent, the Five Poison Sect's main altar.

After Bai Yunfei left the ghost world, he brought the magic mirror and went directly to the Five Poison Sect. He had explained to Ji Hongshang before that he wanted to meet here.

At this time, in a secret room in the backyard of the main altar.

Bai Yunfei placed the magic mirror on the stone table respectfully, feeling indescribably happy.

Finally, His Excellency Mozun was successfully brought out of the ghost world.

In the next second, Bai Yunfei said politely to the magic mirror: "Your Excellency Mozun, we are temporarily safe now, you can tell me how to release you from the magic mirror."

"Haha, good!" The

voice fell, The magic mirror twisted and changed, and then the face of the Demon Lord Gone appeared, and he laughed in approval: "Very good, as expected of the descendants of my Demon Race, and did not disappoint the deity!"

Speaking, Demon Lord Gone's tone He became solemn: "This magic mirror is the magic weapon of the ancestors of the Great Wilderness. It is very powerful. It is not an easy task to release me from it."

"I need to help me find seventy-two virgins. After Fang Gan donated blood, he soaked the magic mirror in it for seven days and seven nights. At that time, I can leave the magic mirror. Of course, these are not enough. It's just a stray thought, and I need to reshape my body, so after I get out of the magic mirror, you still need to help me find two people!" Hearing this, Bai Yunfei

quickly asked, "Who?"

Ruowu smiled and said word by word: "A man and a woman, if a man has a body of pure yang that is just as strong as yang, and a woman needs a body of pure yin that is extremely yin and soft. As long as you absorb the body of pure yang. With the essence of the body and the pure yin body, I can reshape the physical body."

"My subordinates, keep this in mind!" Bai Yunfei responded and hurried to take care of it.

## Chapter 3900

After half a day, Bai Yunfei, as required, arrested 72 boys and girls and sent them to the secret room. For a time, the 72 children were panicked, and their cries continued to echo in the main altar of the Five Poison Sect.

Hearing the cry, Su Qingyan in the garden next door secretly frowned.

strangeness!

What the hell is Bai Yunfei doing? After returning from the ghost world, he came to the main altar of the Five Poison Sect, doing everything mysteriously, and now he has arrested so many children.

Just thinking about it, I saw Bai Yunfei walking slowly.

"Qingyan!"

When he came to the front, Bai Yunfei showed a smile: "How is it? The scenery of the five poisonous sects is not bad, right?"

Su Qingyan snorted, and then asked: "Bai Yunfei, you arrested so many children to do it. What?"

This...

Bai Yunfei's expression revealed a hint of complexity, and he said unnaturally: "Child? I don't know, it should be the new apprentice of the Five Poison Sect, but the grade is a little younger... This is a matter of the Five Poison Sect, let's not get involved." The

Demon Venerable needs to be soaked in the blood of virgins and girls before leaving the Sealing Magic Mirror, this is too bloody, and it is best not to let Su Qingyan know about it. Okay.

However, the more Bai Yunfei was like this, the more curious Su Qingyan became.

In a blink of an eye, it was night.

Taking advantage of the departure of the patrolling disciples of the Five Poison Sect, Su Qingyan quietly left the room, and based on the memory of the day, she found the secret room where the crying was heard.

Before reaching the entrance of the secret room, I could see from a distance that there were dozens of disciples of the Five Poison Sect guarding it, which could be said to be heavily guarded.

But it was too late, and the mental state of these disciples was not good, and they all stood there dozing off.

Whoosh!

Taking advantage of the opportunity for these disciples to take a nap, Su Qingyan moved her figure and quickly entered the secret room.

This...

the moment she entered the secret room, seeing the scene in front of her, Su Qingyan's delicate body trembled, her whole body was terrified, and her face was almost pale.

I saw that the secret room in front of me was very large, about the size of three or four basketball courts.

In the center of the secret room, there is a large circular pool. The pool is filled with blood-red liquid. The entire secret room is filled with a strong bloody smell.

Yes, the entire pool is full of blood.

And in the blood pool, there is something soaked.

Su Qingyan took a closer look and found that it was a strange mirror. The mirror was facing upwards, and it was constantly absorbing the bloody aura in the secret room. It gave people a very strange feeling.

At this time, Su Qingyan didn't know that the magic mirror was in the blood pool.

After a few seconds, Su Qingyan calmed down and looked around, suddenly shocked and completely dumbfounded.

I saw that there were dozens of corpses piled up in the corners all around, and they didn't move. Each of them was skin and bones. It was obvious that the blood in the body had been drained. It was the boys and girls who were sent in during the day.

For a time, Su Qingyan's brain was buzzing, she only felt her legs were weak, and her heart was also extremely fearful.

What the hell is going on here?

Too cruel, these are still children.

“Ugh...”

Just when Su Qingyan was extremely frightened and angry, suddenly, a dull breath came from the blood pool, and then, the magic mirror soaked in the blood pool, the face of Demon Lord Gone emerge.

Swish!

At this moment, Gone's gaze instantly locked on Su Qingyan.
