

The ultimate husband in Chinese chapter 3911-3915

Chapter 3911

To be honest, Yue Feng didn't want Ti Luoju to be killed, after all, he was framed by himself.

But when I turned around, I thought, since the Nine Heavens God has asked, why not tell the truth and claim my innocence?

Um?

At this moment, Jiutian God frowned and looked at Yue Feng: "Negligence? What is the real situation?"

Hearing the inquiry, Yue Feng explained the real situation in detail.

At the end, Yue Feng said seriously: "In the circumstances at that time, Yue Feng should have been framed, the real murderer is most likely that Bai Yunfei, in this Kyushu, the only one who can kill Luo Jue, except Yue Feng, is that one. Bai Yunfei has flown."

That's it...

Knowing the situation, Jiutian God pondered for a moment, and then said lightly: "Even if Yue Feng is not the murderer, don't take it lightly, you have to be on guard everywhere, you know?"

Mad!

Yue Feng scolded secretly, this Nine Heavens God is really narrow-minded. At the beginning, I impersonated you just to leave the realm of the gods, but you are still brooding, and you are still targeting me even now.

Thinking so in his heart, Yue Feng looked respectful on the surface: "This subordinate understands."

Jiutian God didn't say more, and waved his hand: "Okay, you go to Yuyao Xianyuan to get the glazed water, and hurry up. Go back to Kyushu. You guarded Yuyao Xianyuan before, and you know where the glazed water is."

Yue Feng responded and quickly exited Yutian Palace.

When he got outside, Yue Feng suddenly got into trouble.

Nima, Gong Ao knows where the glazed water is, but I'm a fake, how could I know?

This chapter is provided by . Visit for daily update.

Murmuring in his heart, Yue Feng couldn't go back to ask the Nine Heavens God, so he could only bite the bullet and rush towards Yuyao Xianyuan.

"I have seen the commander of the palace."

At the gate of Yuyao Xianyuan, the guards outside were very respectful and saluted to Yue Feng.

Yue Feng used Yi Rong San, but the Nine Heavens God didn't see it, and even these guards couldn't see it.

At this time, Yue Feng wanted to ask these guards, where is the colored glaze water purification in Yuyao Xianyuan, but then think about it, these guards must not know about the treasure of colored glazed pure water, and if they ask him rashly, it will only cause problems. Suspect.

When you get inside, find a maid and ask.

Thinking to himself, Yue Feng walked into Yuyao Xianyuan.

When passing a garden, he heard the laughter of women inside, Yue Feng's heart moved, and he walked in.

What the hell!

how is she?

After entering the garden, Yue Feng was stunned when he saw the scene in front of him.

I saw that in the beautiful garden, a slender figure was swinging comfortably, with a few maids standing respectfully on both sides.

The woman who was on the swing was dressed in a long lavender dress. She was indescribably charming and innocent. It was the Princess Dongling that Yue Feng had met.

When Yue Feng first came to God's Domain, he was trapped in Yuyao Xianyuan and couldn't get out. At that time, when he met Princess Dongling, he was locked in the Five Dragons Formation, but at that time, Yue Feng survived the hardship, and got easy access to the Five Dragons Formation. Rong San, and then pretending to be the God of the Nine Heavens, will be considered a complete departure.

Although this incident has passed for a while, Yue Feng still remembers the scene at that time.

I thought that some maids were playing in this garden, but I never thought that it was Princess Dongling.

At this moment, Yue Feng didn't have time to think about it, and was about to turn around and leave.

"Gong Ao!"

However, before taking two steps, he heard Princess Dongling's cry.

Yue Feng was very helpless, stopped and looked back, and saw Princess Dongling looking at him with a half-smile, with something indescribable in her eyes.

The next second, Yue Feng squeezed out a smile and said politely, "Princess, what's the matter?"

Princess Dongling didn't answer directly, but waved her hand towards the maids around her, "You guys step back first. "

"Yes, Princess!" The

voice fell, and the maids slowly left the garden.

For a time, Princess Dongling and Yue Feng were left in the entire garden.

Seeing this scene, Yue Feng was stunned.

What is this Princess Dongling doing?

"Gong Ao!"

Just as Yue Feng was muttering to himself, he saw Princess Dongling smiling slightly and waved at him: "What are you stunned for? Come and push me on the swing!"

Princess Dongling said in a tone of voice. Gentleness is obviously very different from the attitude of being aloof.

Chapter 3912

Gudong!

Seeing Princess Dongling's smiling face, Yue Feng couldn't help swallowing secretly, and his whole body was covered.

What's the matter?

Could it be that there is an unspeakable secret between Princess Dongling and Gong Ao?

In his heart, Yue Feng couldn't refuse directly, so he walked over slowly and pushed Princess Dongling to start swinging.

At this time, Yue Feng did not know that Gong Ao had stayed in Yuyao Xianyuan for five hundred years, and had been in charge of the safety of Yuyao Xianyuan for five hundred years. Under such circumstances, he often met with Princess Dongling.

After a long time, Gong Ao gradually fell in love with Princess Dongling, and Princess Dongling also secretly fell in love with Gong Ao, but the two sides never broke it because of their identity.

A few days ago, Gong Ao told Princess Dongling that she had something to give her, but before it came out, she was sent to Kyushu by God of Nine Heavens.

At that time, Princess Dongling secretly rejoiced and guessed that Gong Ao might be about to confess to herself, so she had been waiting for news from Gong Ao for the past few days. When she saw him coming back, she was naturally overjoyed.

However, Princess Dongling did not know that the person in front of her was not Gong Ao at all, but Yue Feng in disguise.

hiss!

At this moment, Yue Feng was admiring Princess Dongling's perfect curve up close, and at the same time smelling the continuous fragrance, he couldn't help taking a deep breath.

It smells so good...

But soon, Yue Feng reacted.

I came here to get the colored glaze water, how could I appreciate Princess Dongling getting up? Gotta do it right away.

"Gong Ao!"

At this moment, while swinging on the swing, Princess Dongling said softly, "Before you went to Kyushu, you said there was something you wanted to give me. What is it?"

"

When the words fell, Yue Feng was stunned for a moment. He was not the real Gong Ao, how could he know what he was going to give you?

But how dare Yue Feng to show it, he can only pretend to be confused: "Really? I.... I said that before?"

When he said this, Yue Feng was indifferent and very anxious.

Nima, you have to find a way to get rid of this Princess Dongling. Hearing Yue Feng's answer, Princess Dongling got a little angry, Yu hand grabbed the swing and stopped, her eyebrows knitted together: "Didn't you say

it? Gong Ao, what do you mean? Could it be that my dignified Princess Dongling lied?"

, Princess Dongling looked charming: "If you don't know what to say today, I'll see how I punish you."

I'll go!

Seeing this, Yue Feng wanted to cry without tears.

The princess has started to be serious, and now it's troublesome.

In the next second, Yue Feng thought about it and said, "Princess, I have come to Yuyao Xianyuan to get the colored water purified by Your Majesty's will. Time is running out. For other matters, I will explain to you when I come back next time. ."

After saying this, Yue Feng wiped the cold sweat from his forehead and turned to leave.

"Stop for me!" Princess Dongling

stomped her feet angrily, and grabbed Yue Feng: "What is the glazed water purification? What I'm talking about now is the most important thing."

Feng subconsciously was about to break free, but while breaking free, he saw something fall from the golden armor Yue Feng was wearing.

pat...

At this moment, Yue Feng and Princess Dongling looked down at almost the same time.

Seeing this, Yue Feng was stunned.

I saw that this was a letter with flying feathers on it, which was very delicate. In addition, there are several elegant handwriting on it: Her Royal Highness Princess personally opened.

shit.

Seeing this, Yue Feng only felt that his brain was buzzing and blank.

Does Gong Ao really have something to send to Princess Dongling, or is it a private letter?

Princess Dongling was also stunned for a while, then picked up the letter and opened it to read.

While watching, Princess Dongling's red lips lightly parted, and she couldn't help but read softly: "There is a beautiful woman, and I will never forget it. If I haven't seen it for a day, I will think like crazy. "

Swoosh!

After reading a few words, Princess Dongling's beautiful face suddenly turned red, like a ripe apple, and her eyes flashed with endless joy.

Great, Gong Ao finally came to his senses and knew that he had written a love letter to me.

What the hell!

And Yue Feng, who was standing beside him, also widened his eyes and was completely stunned.

This Gong Ao is not small, to show his love to Princess Dongling in this way.

Yue Feng knew the ancient and modern times, and immediately heard that the love poem in the letter was the "Feng Qiu Huang" written by Sima Xiangru in the Han Dynasty in Kyushu. Princess, the purpose is obvious, this is to pursue Princess Dongling.

Chapter 3913

"Gong Ao!"

Just when Yue Feng was secretly shocked, he heard Princess Dongling's coquettish cry, then threw himself into Yue Feng's arms, and said with joy: "You fool, you have only begun to express your heart to me now. "

Don't you know, I've been waiting for this day."

Princess Dongling has a straightforward personality, she already had a good impression of Gong Ao, and when she saw this confession, she felt overwhelmed and said what she said in her heart. came out.

This...

Feeling the soft fragrance in his arms, Yue Feng was completely stunned.

I thought that Gong Ao's letter would make Princess Dongling angry, but she never thought that Princess Dongling would accept Gong Ao's confession, which is really unexpected.

But I'm not Gong Ao, what should I do?

Thinking about it, Yue Feng was in a hurry, like an ant on a hot pot.

"Go, go to my bedroom!"

At this moment, Princess Dongling left her embrace, took Yue Feng's hand, and walked towards the palace not far away with a happy face. , there is the palace where Princess Dongling rests.

At this time, Yue Feng was confused, and before he could react, he was pulled into the bedroom by Princess Dongling.

"Gong Ao!"

After entering the palace and sitting down, Princess Dongling smiled lightly: "I'm so happy today, how about you have a few drinks with me?"

This...

Yue Feng reacted and squeezed out a complicated expression. Smile: "Let's have a bar another day. I have to go back to Kyushu to do something very important..."

At this time, Yue Feng was almost on the verge of crying without tears. What happened today is really a coincidence. I knew that Gong Ao had a love letter hidden in his golden armor, so I didn't wear it at that time.

When the words fell, Princess Dongling was full of displeasure and pouted, "Is the matter of Kyushu more important than me?" She took Yue Feng as Gong Ao, and acted like a spoiled brat.

Facing this situation, Yue Feng scratched his head, very helpless.

At this time, Princess Dongling called the two maids: "Go and prepare some food and drinks. By the way, no one should tell me about Gong Ao's stay here, you know?"

"Got it, princess!" The

two maids He responded and went out to prepare.

After a while, several delicate side dishes were ready. Princess Dongling was in a good mood. She opened two jars of fine wine and filled Yue Feng herself, and the aroma of the wine was overflowing for a while.

At this time, after Princess Dongling asked the maid to retreat, she picked up the wine and said to Yue Feng, "Come on, let's have a drink."

Faced with this situation, Yue Feng couldn't refuse, so he had to pick up the wine glass and have a drink. Princess Dongling touched it and drank it.

Yue Feng thought about it, since Princess Dongling regarded him as Gong Ao he liked, he would be wrong, accompany her for a few drinks, and then take the opportunity to leave when Princess Dongling is drunk.

However, Yue Feng didn't know that at this time he and Princess Dongling were drinking the unique 'Jade Palace Qiong Brew' in the realm of the gods. This wine can only be enjoyed by the God of Nine Heavens, as well as Empress Hua Zhao and Princess Dongling.

Moreover, Yugong Qiongnian smells quiet and elegant, but it has a lot of stamina.

For a time, Yue Feng smiled and chatted with Princess Dongling while drinking.

"Gong Ao, when are you going to tell my father about our affairs?" Princess Dongling asked with a smile.

At this time, Princess Dongling had drunk a few glasses of wine, her delicate face was flushed red, and she was indescribably charming.

Yue Feng was stunned for a moment, not knowing how to answer.

Although Gong Ao has some prestige in the realm of the gods, he is only a commander. He pursues Princess Dongling, does he dare to tell the Nine Heavens God?

"Pfft!"

Seeing Yue Feng's tangled face, Princess Dongling couldn't help laughing, with a sly look on her face: "I'm teasing you, I know you don't have the guts to tell my father and emperor, I'll talk about it myself! "

Speaking, Princess Dongling leaned over and took Yue Feng's arm: "Don't worry, the royal father loves me the most, and will definitely help us."

Yue Feng squeezed out a smile, trying to break free, but he couldn't. Dare to show it.

For the next half an hour, Yue Feng chatted with Princess Dongling casually, but he never forgot about the glass water purification.

At the beginning, Yue Feng didn't feel anything, but slowly, he felt that something was wrong.

I go! !

At this moment, Yue Feng only felt that his whole head was dizzy, and his whole body, under the anesthesia of alcohol, was soft, and he could hardly sit still.

What kind of wine is this, the stamina is too big, right?

Chapter 3914 In the

next second, Yue Feng held his forehead and said, "Princess, it's almost time, I should go!"

Hiss.

As he said that, Yue Feng raised his eyes to look at Princess Dongling. When he saw it, he couldn't help but take a deep breath, and the whole person was dumbfounded.

I saw that Princess Dongling leaned sideways on the soft couch, and at some point she ripped off her long skirt, leaving only the underwear inside. The charming curves were looming. And that beautiful face, because of drinking alcohol, showed a charming blush at this time, which was extremely sexy.

Gudong!

Seeing this scene, Yue Feng couldn't help swallowing his saliva, sighing inwardly, he couldn't see that Princess Dongling's figure was so perfect.

That Gong Ao is really blessed to be favored by Princess Dongling.

Thinking to himself, Yue Feng stepped forward cautiously and said softly: "Princess, you are drunk, rest first, I should go too!" After the words

fell, Yue Feng shook his head, wanting to wake up a little, so he was ready to leave .

Swish!

But at this moment, Princess Dongling hugged Yue Feng!

Speaking of which, Princess Dongling seldom drank. She drank a lot with Yue Feng just now. She was already drunk at this time.

“Gong Ao, don’t go, can you stay with me tonight!” Princess Dongling was drunk and misty, and said softly to Yue Feng.

“Princess, calm down...” Yue Feng was startled.

As he said that, Yue Feng was about to break free, but the alcohol in his body broke out, and he couldn’t exert his strength at all.

The next second, Yue Feng was about to speak, but at this moment, Princess Dongling’s red lips kissed Yue Feng!

At this time, Princess Dongling completely let go of her restraint under the stimulation of spirits.

Pfft!

Yue Feng was completely stunned, his mind went blank, and then, Princess Dongling threw him at once, and the two instantly rolled on the soft slump.

“Princess, you...” Yue Feng’s head was in a mess, and he was very anxious. At the same time, I wanted to push Princess Dongling away, but under the anesthesia of spirits, she couldn’t push it away at all.

At this time, Princess Dongling couldn’t hear Yue Feng’s voice at all, and now she only had one thought in her mind, to make the ‘Dongao’ in front of her truly become her man.

She hugged Yue Feng tightly, untied the golden armor on Yue Feng’s body, her mind went blank, she bit her lip and sat down.

“Yeah!”

An intoxicating low voice echoed in the bedroom.

After an unknown amount of time, Yue Feng and Princess Dongling finally returned to peace.

At this time, the drinking power gradually receded, and Yue Feng’s consciousness slowly sobered up.

Oops.

After waking up, Yue Feng was in a bad mood.

At this time, Yue Feng was almost in a cold sweat, and he actually had an affair with Princess Dongling. This...isn’t this completely over? If the Nine Heavens God knows, the consequences cannot be imagined.

At this time, under Yue Feng's body, there was still a trace of blush on Princess Dongling's delicate face, and her eyes were fixed on Yue Feng, revealing a bit of shyness and joy.

"Gong Ao..."

Princess Dongling also woke up at this time, but she didn't regret the impulse just now, but hugged Yue Feng and said softly: "We have already done the courtesy of Zhou Gong, you will always be in the future. Be nice to me."

Hmm!

Yue Feng responded, but he couldn't help laughing and crying.

This was done by impersonating Gong Ao, and by chance, he had a relationship with Princess Dongling.

But on second thought, this Princess Dongling doesn't know her identity anyway, so what are you afraid of?

Thinking to himself, Yue Feng slowly opened his mouth and said, "You are so affectionate to me, and I will naturally treat you forever. By the way, do you know where the glazed water is?"

Princess Dongling smiled lightly and leaned against the Yue Feng said in his arms: "You have been guarding Yuyao Xianyuan for so long, why did you go to Kyushu and forget where the colored glaze water is?" After

speaking, Princess Dongling continued: "The colored glazed water is in the Five Dragon Array. In the forbidden area behind."

Five Dragons Formation!

Hearing this, Yue Feng's eyes lit up.

Of course, he knew that Yue Feng was imprisoned in the Five Dragons Formation by Princess Dongling at the beginning, but he did not expect that there was a forbidden area behind the Five Dragons Formation, and the glazed water was inside.

"Gong Ao, it's getting late, you can rest here." Princess Dongling hugged Yue Feng with a gentle face: "I explained it just now, no one knows you are here with me. I will wait until tomorrow morning. Go to the emperor, and I won't let you go to Kyushu, okay?!"

Chapter 3915

What?

Hearing this, Yue Feng was shocked.

What a joke, he is not the real Gong Ao at all, if he does not return to Kyushu, he will be completely exposed.

It's just these words, Yue Feng can't say it, so he can only squeeze out a smile and say: "Okay, you go to sleep first, I'll watch over you."

Well!

The princess smiled and nodded: "Gong Ao, you are so kind!" After speaking, she snuggled up on Yue Feng's body, closed her eyes and rested.

Yue Feng lay there, not daring to act rashly, just waiting for Princess Dongling to fall asleep, leave the palace, and go to get the glazed water.

Seeing that Princess Dongling was completely asleep, Yue Feng was full of excitement and was ready to get up.

"Your Majesty, your majesty is here!"

At this moment, a shout came from outside the palace, followed by footsteps.

What the hell!

Nine Heavens God and Empress Hua Zhao are here?

Hearing the call, Yue Feng's heart was shocked, and he panicked instantly.

At the same time, Princess Dongling also trembled and woke up suddenly.

"Gong Ao"

looked at Yue Feng's flustered look, and Princess Dongling comforted her: "Don't be afraid, I will explain to the father and mother later." While talking, Princess Dongling quickly sorted out the messy clothes.

Yue Feng was also in a hurry to get dressed.

Just as he was wearing it, he saw the Nine Heavens God and Empress Hua Zhao, surrounded by several maids, slowly walked in.

Yue Feng didn't have time to think about it, and turned around quickly. Although he changed his appearance to Gong Ao, the situation in front of him couldn't be seen by the Nine Heavens God and Lady Hua Zhao.

The moment he turned around, through the bronze mirror not far ahead, Yue Feng could vaguely see that the Nine Heavens God was dressed in a golden dragon robe, with a powerful aura.

Empress Hua Zhao, who was accompanying her, was also dressed in a gorgeous phoenix robe. Her delicate figure was vividly displayed under the foil of the phoenix robe, making her look extremely dignified and elegant.

And in the gentle and charming temperament, there is no loss of prestige.

It's just that Yue Feng was in no mood to appreciate it at this time, his head was full of cold sweat, and his heart suddenly sank to the bottom.

It's over, it's over.

Although Princess Dongling was protecting him, but he and Princess Dongling were disheveled. In such a state, the Nine Heavens God would definitely be furious.

Swish!

At this moment, seeing the situation in front of them, Jiutian God and Empress Hua Zhao were both stunned.

I saw Princess Dongling's clothes were messy, with a hint of flushing on her face, and next to her, a man stood with his back to him, also disheveled.

Because Yue Feng turned his back in time, he couldn't see his face, but even so, Jiutian God's face suddenly darkened, and his anger rose.

Who is this, such a daring man, who dares to have a private meeting with the princess, and also...

At the same time, Madam Hua Zhao's delicate face is also very wonderful, first she looked at Yue Feng, then at Princess Dongling, embarrassed.

What's the matter with my daughter, she is in the bedroom with a man... It's just ridiculous.

"Father, Queen Mother!"

Seeing this situation, Princess Dongling hurriedly said, "Don't get angry, listen to your daughter's explanation..."

"Shut up!" Before the words

were finished, the Nine Heavens God shouted violently. Immediately, he suddenly raised his hand and hit Yue Feng with a palm.

This palm contained incomparably overbearing power, Yue Feng did not dare to take it hard, but turned around and rushed out of the bedroom.

Yue Feng had seen the strength of the Nine Heavens God and knew that he was not an opponent, so he could only run away.

Phew...

Nine Heavens God was full of anger and chased after him.

“Royal Father!”

Seeing this scene, Princess Dongling was so anxious that she wanted to chase out, but was stopped by Empress Hua Zhao.

“Dongling!”

At this time, Empress Hua Zhao’s delicate face was full of anger: “You have been very self-willed since you were young, and your mother and queen are all up to you, but I didn’t expect that you are getting more and more courageous, and you are actually in the palace. “...”

As she said, recalling the scene just now, Empress Hua Zhao blushed.

Pfft!

At this moment, Princess Dongling woke up completely, realized the seriousness of the matter, and quickly knelt down: “Mother, it was my daughter who asked him to stay in the bedroom, please don’t blame him and the father.”

What?

Hearing this, Empress Hua Zhao frowned: “You two...” Before she

finished speaking, Princess Dongling said quickly: “Mother, we are in love with each other, and we have already made a private life, but my daughter has never been with her. You said it.”

“Tonight, my daughter forced him to drink, and he was too drunk at the time, and then it happened.”
