Chapter 3921

said, Ji Hongshang paused and continued: "This poisonous scorpion is much bigger than the ancient literature records, my plan is very simple, release this poisonous scorpion and lead it to the Tiandao Alliance. The only way to go with the Ouyang family."

"At that time, the Tiandao Alliance and the Ouyang family will definitely fight with the ancient poisonous scorpion. As long as they inhale the poison and become poisonous one by one, they will be completely messed up! "

When she said this, Ji Hongshang's tone was serious, but there was complexity in her eyes.

This plan can perfectly stop the Tiandao Alliance and the Ouyang family, but it is also very inhumane. You must know that there is no cure for the poisonous poison of the ancient poisonous scorpion. Moreover, after the first batch of poisoned people become poisonous people, Hurting other people will turn other people into poisonous people.

In other words, the virulent poison of the ancient poisonous beetle is extremely terrifying. Even the disciples of the Five Poison Sect who are good at poisoning will become poisonous people if they are infected.

So Ji Hongshang was a little hesitant. Although this plan could block the Tiandao Alliance and the Ouyang family, once the poison spreads and spreads to Kyushu, when the time comes, she and Bai Yunfei will become sinners through the ages.

"Hmm..."

At this moment, Bai Yunfei pondered for a while, nodded and said, "Okay, just follow this plan."

Speaking of which, Bai Yunfei knew what the consequences of releasing the ancient poisonous scorpion might be. The safety of the Demon Venerable can only be taken desperately.

In a blink of an eye, it was night.

In a canyon dozens of miles away from the main altar of the Five Poison Sect, more than a hundred thousand people were seen marching forward in mighty ways, all dressed in black, the elites of the Heavenly Path Alliance.

At the front, Guo Dong was riding a war horse, holding a long sword, and he was majestic.

After Luo Jue's death, Guo Dong continued to express himself in front of Gong Ao, and he was more and more used by Gong Ao. This time he learned that Bai Yunfei might be hiding in the Five Poison Sect. Guo Dong strongly recommended himself, and then with Gong Ao's permission, led hundreds of thousands of elites to the Five Poison Sect to contain Bai Yunfei.

And behind the mighty team of Tiandao League, there is a team of tens of thousands of people, it is the Ouyang family.

Half a day ago, Wen Chou Chou got the news and deduced that Bai Yunfei was hiding in the Five Poison Sect, so he and Yue Wuya brought everyone here.

This chapter is provided by . Visit for daily update.

"Uncle Wen!"

At this time, Yue Wuya suppressed his anger and said, "This Guo Dong, who followed Gong Ao before, came to our Ouyang family to show off his power, and now we meet here, don't we take revenge?"

", Yue Wuya glared fiercely at the Tiandao Alliance team ahead.

Wen Chou Chou let out a light sigh of relief and said slowly, "Y'er, you have to calm down. We have a deep feud with the Heavenly Dao Alliance. Sooner or later, the feud will be avenged, but the most important thing in front of us is to find Bai Yunfei."

"You should be clear, Once the Demon Venerable leaves the Sealing Mirror, what does it mean? At that time, the entire Kyushu will be turned into hell. So we have to take the overall situation into consideration and find Bai Yunfei first."

Hearing this, Yue Wuya took a deep breath.

At this moment, in the Tiandao Alliance team ahead.

"Protector!"

An elite disciple approached Guo Dong and said, "The Ouyang family is following us, haha, I thought they would seek revenge from our Heavenly Dao Alliance because of Sun Dasheng's wife, but one of them turned out to be one. More than a coward." The

voice fell, and the other elite disciples around also laughed.

The corners of Guo Dong's mouth twitched, and his eyes were full of contempt: "The Ouyang family? It's just a bunch of rabble, how can they compare with our Heavenly Dao League? What if they have Yue Feng in charge? We have the support of God's Domain, and they dare to come up and ask for trouble. , is courting death."

Haha...

Hearing this, the surroundings burst into laughter.

Mad!

Guo Dong's voice was not loud, but everyone who was a few hundred meters behind Wen Chou Chou heard it.

This Guo Dong is really a villain. The Ouyang family took care of the overall situation, so they did not rashly clash, and this Guo Dong actually made an inch.

"Uncle Wen!"

At this time, Yue Wuya couldn't hold it anymore, his eyes were blood red, and he shouted, "This Guo Dong is too ignorant, I have to teach him a lesson!" The

voice fell, Yue Wuya raised his hand and waved, Grasping the Overlord's Hammer, he soars into the sky.

Chapter 3922

"Y'er, don't be impulsive!"

Seeing this scene, Wen Chou Chou's face changed, and at the same time, he rushed to stop it. It's just that Yue Wuya's speed was too fast, and in the blink of an eye, he reached the top of the Tiandao Alliance team.

Swish!

At this moment, the elite disciples of the Heavenly Dao League sensed the breath coming from the top of their heads, and they all looked at them, and suddenly there was an uproar.

"Tianmen Sect Master Yue Wuya?"

"What does this kid want to do?"

"Are you coming here alone?" While

everyone was talking, Guo Dong also raised his head to lock on Yue Wuya, sneering and mocking: "Boy, do you want to come over and pick something up? "If it was before, Guo Dong was still a little jealous of Yue Wuya, but with the increasing influence of the Heavenly Dao Alliance in Kyushu, at this time, Yue Wuya was not in his eyes at all.

Mad!

Yue Wuya's eyes were blood red, and his whole body was full of anger: "Stop talking nonsense, your Heavenly Dao Alliance has harmed our Ouyang family, causing countless deaths and injuries, and today I will ask you to pay the debt with blood."

Thinking of Aunt Li Nan's tragic death, Yue Wuya was furious. Although Yue Wuya didn't return to the Ouyang family until he grew up, everyone cared for him, especially Sun Dasheng's daughter-in-law Li Nan, who regarded him as his own son.

A few days ago, Gong Ao led the elites of the Heavenly Dao League to encircle the Ouyang family, and Li Nan died tragically to protect Sun Dasheng. Yue Wuya was deeply grieved and could not accept this.

And just now, this Guo Dong made a mockery of the Ouyang family, which made Yue Wuya completely unable to bear it.

Hehe...

Hearing this, Guo Dong's face changed suddenly, he stared at Yue Wuya, and sneered: "Want my life? I'm afraid you don't have that ability."

Om!

The voice fell, and a powerful breath permeated from Guo Dong! He suddenly raised his hand and hit Yue Wuya with a palm!

"Clang!"

Yue Wuya's face was gloomy, Moe hesitated, raised his hand and collided with Guo Dong's palms!

Just hear a loud bang! At the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Guo Dong and Yue Wuya groaned at the same time, and both of them were shaken out of the sky. Obviously, no one took advantage of this palm!

But in Yue Wuya's heart, he was suddenly shocked!

You must know that when Yue Wuya was a teenager, he got the Overlord Hammer, and at first he was taught by Lu Jiechen, the leader of the Ming sect, and then he returned to the Ouyang family, and he got the guidance of Wen Chou Chou and Sun Dasheng, and his strength improved by leaps and bounds. , Up to now, it is the late stage of Transcending Tribulation Realm.

As for Guo Dong, who was only the head of a small sect a year ago, he has no name. Now he joined the Tiandao Alliance for only a few months, and his strength has become so strong?

call!

Shocked, Yue Wuya took a deep breath and shouted: “Guo Dong, today is your death!” The voice fell, holding the Overlord’s Hammer tightly in his hand, and rushed over again!

“Although let the horse come over!” Guo Dong snorted coldly, but he was not afraid!

The voice fell, and the two fought fiercely in mid-air.

In the blink of an eye, the two sides fought fiercely for more than ten minutes, and neither could suppress the other.

Yue Wuya has the Overlord Hammer, and is in the late stage of the Tribulation Realm, which is a rank higher than Guo Dong. However, Guo Dong had been appreciated by Luo Jue before, and had practiced some exercises in the God Realm. In the past few days, he was rewarded by Gong Ao with the God Realm Spirit Pill.

In this case, the two sides were evenly matched.

For a time, neither of the two sides could do anything about the other, and they were a little anxious.

“You die for me!”

At this moment, Yue Wuya’s eyes were extremely blood-red, and when he shouted angrily, he saw a red light burst out from the Overlord’s Hammer, like a red thunderbolt, heading directly towards Guo Dong.

hum!

This red light is amazing. Everywhere you go, the air is cut through cracks!

Having owned the Overlord’s Hammer for so many years, Yue Wuya had already understood the essence of the Overlord’s Hammer.

This **** light is the special power contained in the Overlord’s Hammer. At this time, it was urged by Yue Wuya, and it was as terrifying as the thunder of the sky.

“Om!”

At the moment when the blood-colored light appeared, the entire sky was reflected in a blood-red color, and the domineering and unparalleled aura made the people below look extremely frightened!

In particular, everyone in the Ouyang family was extremely excited.

“Young master has made a killing move!”

“Guo Dong, this villain, can force the young master to display his stunt, it is also an honor!”

Chapter 3923

Although Yue Wuya is already the new Sect Master of Tianmen, the Ouyang family is still used to calling him Young Master.

And Wen Chou Chou, who was standing there, frowned secretly.

Although this Guo Dong is arrogant, he is not a fool. If he dares to clamor with Yue Wuya like this, he must have the stunt of pressing the bottom of the box. For a time, Wen Chou Chou really wanted to rush up, but if he did, he would fall into trouble in the Tiandao Alliance, saying that he and Ya'er were two to one, and that the victory would not be possible.

Thinking to himself, Wen Chou Chou suppressed the urge to shoot.

The discussions of the people in the Ouyang family kept coming, but on the Tiandao League side, they frowned, secretly sweating for Guo Dong.

You must know that Yue Wuya became famous much earlier than Guo Dong, and he also possessed the most powerful stunt. I'm afraid... Your Excellency the Dharma Protector can't stop it.

The following discussions kept coming, Guo Dong's eyes showed a trace of relief, and he was not panic at all.

“You want to kill me with this little strength?”

Guo Dong said coldly, then slowly raised his hands, and saw a group of golden lights flickering up. Then, the group of golden lights quickly transformed into a golden shield. In front of Guo Dong.

This is the defensive stunt that Luo Jue had passed on to him before, the Heavenly Armored Shield.

The defensive stunt of the Heavenly Armored Shield was a medium-low skill in the Divine Realm, but in Kyushu, it was a top-level skill.

A shield of inner strength?

Seeing Guo Dong relying on his inner strength to transform the golden shield, Yue Wuya sneered, his eyes full of contempt. This shield looks domineering, but it is only superficial, and it can't stop the blow of the Overlord's Hammer.

However, just as this idea flashed, the scene in front of him made Yue Wuya dumbfounded.

boom!

I saw the red light erupted from the Overlord's Hammer, slammed into the golden shield, and heard a loud noise, and immediately, thick smoke billowed around!

After a few seconds. The smoke gradually dissipated, and the golden shield shattered and disappeared, while Guo Dong stood proudly in mid-air without any damage.

Obviously, the power of the red light that erupted from the Overlord's Hammer was completely blocked by the Heavenly Armored Shield.

What?

How is this possible?

Seeing this scene, Yue Wuya's heart was shocked, and he was immediately stunned.

He burst out the strongest blow, but he didn't threaten Guo Dong at all, how could this be?

At this time, Yue Wuya didn't know that what Guo Dong had just used was the defense skills of the God's Domain. Not only that, but during the period of becoming the guardian of the Heavenly Dao League, Guo Dong took advantage of his position to collect a lot of natural materials and treasures to take. The inner strength is extremely strong.

Therefore, Yue Wuya's strongest blow, although powerful, still couldn't hurt Guo Dong.

What?

At this moment, the people of the Ouyang family, who were originally very excited, were also dumbfounded.

The young master's strongest blow was actually... blocked by Guo Dong?

Wow...

and the elite disciples of the Heavenly Dao Alliance were jubilant.

“Your Majesty the Dharma Protector is mighty...”

“Haha, it’s an eye-opener. The Dharma Protector is amazing.”

In the cheers, Guo Dong’s face was full of pride, and his eyes flashed with arrogance and excitement, staring at Yue Wuya: “The dignified Lord of Heaven’s Gate, that’s all, you’ve already taken action, now it’s my turn.”

The words fell, Guo Dong burst out, rushed over, and slapped Yue Wuya’s heart with a fierce palm!

“Bang!”

At that time, Yue Wuya was still in shock, he didn’t react at all, he groaned, the whole person was like a kite with a broken string, and was blown away by several hundred meters! A mouthful of blood spurted out, his face pale and extremely weak.

Mad!

Seeing this scene, everyone in the Ouyang clan was furious and rushed up to guard around Yue Wuya.

“Young Master, how are you?”

“Young Master...”

At the same time, each and everyone looked at Guo Dong coldly, his eyes flashing with anger.

“Ma De, Guo Dong, you want to be shameless, and you actually attacked?”

“If the young master has three strengths and two weaknesses, I will kill you.”

At the same time, Wen Chou Chou also urged his figure, rushed into the air, and confronted Guo Dong.

At this time, listening to the scolding of the people in the Ouyang family, the tens of thousands of elites of the Tiandao League, not to be outdone, started to shout.

“You said that the Protector made a sneak attack? Are you embarrassed?”

“That’s right, it’s clear that Yue Wuya’s skills are not as good as others, and the Lord Law Protector didn’t kill him with the palm of his hand just now. It’s already a big deal.”

“Want to fight? Who is afraid of who? , come anyway!”

Chapter 3924

The scolding from the two sides below, Guo Dong just pretended not to hear it, and looked at Wen Chou Chou with a pair of eyes that were half-smiling but not smiling: “What? Palace Master Wen also wants to come and learn?”

When he said this, Guo Dong’s face was full arrogant.

Anyway, we have already started, why don’t we take this opportunity to take down Wen Chou Chou and Yue Wu Ya. In this way, even if we can’t find Bai Yunfei’s whereabouts later, it will not be a waste of time.

Wen Chou Chou’s face was gloomy and did not respond.

For a time, the atmosphere became solemn, the two sides were drawn to each other, and the war was about to break out.

Whoosh!

However, at this moment, not from the night sky in the distance, there was a sudden aura fluctuation, and then, a figure flew quickly.

From a distance, I can see that the person who came was dressed in white, with a tall and straight body, handsome facial features, and indescribably handsome and unrestrained.

It was Bai Yunfei.

Swish!

Seeing Bai Yunfei, everyone on both sides who were facing off was stunned.

I was looking for this kid, but this kid actually showed up.

Finally, Guo Dong reacted and pointed at Bai Yunfei and shouted: “Bai Yunfei, you scum, you still have the courage to show up?”

Guo Dong said to Wen Chou Chou, “Palace Master Wen, this Bai Yunfei stole the seal. The magic mirror threatens the safety of the world, how about letting go of our grievances for the time being?”

Guo Dong was cunning and cunning, he thought of arresting Wen Chou Chou and Yue Wu Ya first, and then going to search the Five Poison Sect, but unexpectedly, Bai Yunfei suddenly appeared.

In order to prevent the Ouyang family from joining forces with Bai Yunfei, Guo Dong had no choice but to offer a temporary settlement.

Wen Chou Chou coldly snorted, neither agreeing nor denying it.

Guo Dong's thoughts, Wen Chou Chou immediately guessed.

To be honest, Guo Dong injured Yue Wuya, and Wen Chou Chou was very angry, but Bai Yunfei appeared at this time.

However, Wen Chou Chou did not intend to deal with Bai Yunfei with the Tiandao Alliance, but landed down, sat cross-legged, and began to heal Yue Wuya.

The members of the Ouyang family were all around, helping to protect the law.

Seeing this scene, Guo Dong had no worries for the time being. Wen Chou Chou helped Yue Wu Ya to heal, so he didn't have the chance to join forces with Bai Yunfei, and he didn't have to worry anymore.

Thinking to himself, Guo Dong took a deep breath and shouted at Bai Yunfei: "Bai Yunfei, I won't say much nonsense. Immediately hand over the magic mirror and return to the Heavenly Dao Alliance with me."

Guo Dong knew that Bai Yunfei was very powerful, but He led tens of thousands of Heavenly Dao League elites, and consumed energy to kill him.

Ha ha! Hearing this, Bai Yunfei had a relaxed expression on his face, and said slowly, "Those of foxes

and tigers, Guo Dong, with your status, you are not qualified to talk to me."

Come and tell me in person."

When he said this, Bai Yunfei's eyes were full of pride.

At the same time, Bai Yunfei's peripheral vision also looked behind him from time to time.

Half an hour ago, Bai Yunfei led the ancient poisonous scorpion out according to the plan. It's just that Bai Yunfei is fast, leaving the ancient poisonous scorpion behind.

According to the speed of the ancient poisonous scorpion, it will take a few minutes to get here. In these few minutes, Bai Yunfei only needs to hold the Tiandao League people.

Mad!

Feeling Bai Yunfei's contempt, Guo Dong only felt that he had been greatly humiliated, and his face was extremely ugly.

"Everyone in the Tiandao Alliance listens to the order!" In the

next second, Guo Dong howled loudly: "No matter what the cost is today, Bai Yunfei will be captured alive."

Whoa!

As soon as the voice fell, tens of thousands of Heavenly Dao League elites mobilized their inner strength, pulled out their long swords, and surrounded Bai Yunfei.

Facing this situation, Bai Yunfei looked as usual, and smiled lightly: "There are a lot of people, I'm afraid that you will not only be unable to catch me tonight, but also fall into a situation of doom."

After speaking, Bai Yunfei glanced behind him, revealing that A smile.

Ancient poisonous beetle, it's up to you later.

arrogant.

Hearing this, Guo Dong was so angry that he ordered to do something.

Hissing...

But at this moment, a hissing sound came from the night sky not far away. The sound was very strange and made one's scalp tingle.

hiss!

In an instant, whether it was Guo Dong and everyone from the Tiandao Alliance, or the Ouyang family and others not far away, they all looked towards the night sky. Seeing this, everyone gasped.

Chapter 3925 I

saw that a huge figure came quickly.

It is the ancient poisonous beetle.

This ancient poisonous scorpion is more than one hundred meters long, with two hundred long legs on both sides. It is covered with dark green scales, and a pair of eyes flashes with bloodthirsty light.

Not only that, there are two pairs of wings on the back, and the huge body is filled with green flames.

These green flames were burned by the highly poisonous poison discharged from the body of the ancient poisonous scorpion.

For a time, the moment the ancient poisonous scorpion appeared, the temperature of the surrounding air suddenly dropped. At this time, it was spring, but it gave people the feeling that it was like late autumn.

In shock, everyone felt chills down their spines.

“What a big centipede.”

“My God, how many years has this centipede cultivated to grow so big, with a green flame on its body...”

For a while, many people couldn't help but exclaimed in a low voice, thinking that , The huge thing in front of me is a centipede, but I don't know that this is an ancient poisonous beetle.

At the same time, Yue Wuya, who was sitting cross-legged and healed, couldn't help but sigh: “This is the first time I've seen such a big centipede!” After the words

fell, Wen Chou Chou next to him shook his head and said solemnly. : “This is not a centipede, it seems to be an ancient poisonous cockroach!”

When he said this, Wen Chou Chou's heart trembled and his voice trembled.

Wen Chou Chou is erudite and talented, and the behemoth in front of him is unknown to others, but he recognizes it at a glance.

The poison in the body can form a flame, and only the ancient poisonous scorpion can achieve this level.

However, what shocked Wen Chou Chou was that according to ancient books, the largest body length of the ancient poisonous scorpion was only tens of meters, but the one in front of him actually reached 100 meters. Not only that, but also two wings grew on its back.

Incredible.

Ancient poisonous beetle?

Hearing this, both Yue Wuya and the others around him were stunned.

In the next second, Yue Wuya couldn't help but ask: "Uncle Wen, what is the ancient poisonous scorpion?"

Wen Chouchou took a deep breath and said slowly: "The ancient poisonous scorpion is a poisonous insect that lived in the ancient times. The poison is very domineering, and all the living beings are charred. According to rumors, as long as you inhale the poison of the ancient poisonous scorpion, you will become a poisonous person, and there is no cure."

"It can be said that this is a change of color Horror exists, even the Shenlong clan will be afraid of it when they see it, but this ancient poisonous insect disappeared thousands of years ago, I didn't expect that there are still near the five poisonous sects!"

So terrifying?

Hearing this, Yue Wuya and the surrounding Ouyang family couldn't help but gasp, and they were completely stunned.

I thought it was a centipede, but I didn't expect it to be so big.

"Bai Yunfei!"

At this moment in midair, Guo Dong recovered from his shock, and mocked at Bai Yunfei: "How many accomplices do you think you have, and you speak so arrogantly, it turns out to be a big centipede!"

Guo Dong With limited cognition, it is impossible to see at all. The behemoth in front of him is a poisonous beast that only existed in ancient times. Like everyone around him, he thought it was just a centipede.

Bai Yunfei chuckled and did not respond, but took out a bag from his body and sprinkled it directly into the crowd of Tiandao Alliance.

This is a packet of rosemary pollen.

In an instant, the pollen was flying all over the sky, and the charming fragrance filled the Tiandao League crowd in an instant.

Bai Yunfei did this because the aroma of rosemary can stimulate the ancient poisonous beetle.

Of course, most people don't know about this, and it is only recorded in the secret tome of the Five Poison Sects.

After doing this, Bai Yunfei looked relaxed, and said lightly to Guo Dong: "You guys can play with this big centipede, forgive me for not accompany, farewell!" The

voice fell, Bai Yunfei urged the figure, towards the distant night sky fly away.

Want to run?

Seeing this scene, Guo Dong will gather the elites of the Heavenly Dao Alliance to chase after Bai Yunfei.

"Hiss..."

However, at this time, under the stimulation of rosemary, the ancient poisonous scorpion became violent in an instant, making a hissing sound, and rushed into the Tiandao League crowd.

Just saw the hundreds of long legs on both sides of the ancient poisonous scorpion, waving frantically, like a long line of sharp knives, where blood flew everywhere.

"Ah!"

All this happened so suddenly that many elites of the Heavenly Dao League couldn't react in time, they screamed and fell in a pool of blood.

The ultimate husband in Chinese chapter 3926-3930

Chapter 3926

Huhuhu...

Not only that, the ancient poisonous scorpion opened its big mouth and spewed green flames. These flames contained highly poisonous. In the blink of an eye, there were hundreds of Tiandao League elites, in green In the flames, it turned into bones, which looked terrifying.

Seeing this scene, Guo Dong was furious, and quickly urged his inner strength to deploy a shield in front of him in an attempt to block the green flame.

Chi Chi Chi!

In an instant, the green flame hit the Tianjia shield, and the Tianjia shield was quickly eroded and melted away little by little.

At this time, the ancient poisonous scorpion suddenly swung its body, and its tail slammed towards Guo Dong.

Guo Dong didn't have time to dodge, and was directly pulled out. He flew more than a hundred meters before he fell heavily to the ground, and a mouthful of blood spurted out.

Mad!

Guo Dong struggled to get up, his eyes were blood red, staring at the ancient poisonous scorpion.

I was a dignified guardian of the Heavenly Dao Alliance, but was injured by a centipede. Where would I put my back? If you don't cut it into eight pieces, it's hard to solve the hatred in your heart.

This!

At this time, seeing the power of the green flame, the disciples of the Tiandao League present were all shocked.

"This green flame is so strong, even the golden shield of the protector can't resist..."

"Yeah, what is the origin of this big centipede?"

"They all have complex expressions."

This chapter is provided by . Visit for daily update.

This ancient poisonous scorpion is so terrifying, I wonder if these tens of thousands of Heavenly Dao League elites can stop it.

"Hiss..."

At this time, the ancient poison of Huoshang became more and more crazy, with a long tongue in his mouth, and rushed into the elite crowd of Tiandao League again.

"Ah!"

A scream came, and hundreds of other disciples of the Heavenly Dao League fell in a pool of blood.

Mad!

Seeing this situation, Guo Dong was completely angry, and he shouted: "How dare you dare to be mad?" The voice fell, and the long knife in his hand suddenly swung, and

saw a dazzling sword light, cut through the air, and slashed into ancient times.
Poisonous beetle.

boom!

The golden sword glow, seemingly unmatched in power, slammed into the ancient poisonous scorpion without leaving a single scar.

This time, Guo Dong was completely stunned, Mad, how powerful is this giant centipede's defense?

Being raided by Guo Dong, the ancient poisonous scorpion went completely crazy, Yangtian screamed, and his huge body turned, and rushed towards Guo Dong directly.

Guo Dong clenched the long sword tightly, but at this time he also went out of his way. Instead of retreating, he jumped up to meet the attack.

Until this time, Guo Dong didn't know what kind of terrifying existence he was facing, thinking that with his own strength, he could subdue it.

"Pfft!" In the

next second, Guo Dong, relying on his agility in movement, avoided the attack of the ancient poisonous scorpion, jumped directly on the back of the ancient poisonous scorpion, and stabbed its head with a long knife.

This knife stabbed, and a jet of green blood shot out, and the ancient poisonous scorpion screamed in pain, and the huge body swayed wildly.

Haha...

Guo Dong held the long knife tightly to prevent himself from being thrown off, and at the same time laughed loudly: "A mere centipede should be presumptuous in front of this protector... ah..."

Just as he was talking, Guo Dong suddenly screamed, and saw that the green blood spurting from the wound of the ancient poisonous scorpion splashed onto Guo Dong's face, and thick smoke rose up, almost in the blink of an eye. The skin instantly turned dark blue.

"Ah!"

Guo Dong howled in pain, let go of the long knife, his body fell from the ancient poisonous scorpion, and he rolled on the ground.

This...

Seeing this scene, the surrounding Tiandao League disciples were extremely frightened. They wanted to go around to check the situation, but they didn't have the courage, because at this time Guo Dong's skin was green and green, and it was too scary. .

At the same time, Yue Wuya and everyone in the Ouyang family couldn't help gasping for air.

As expected of the ancient poisonous scorpion, this poison is too overbearing.

call!

Wen Chou Chou took a deep breath and said solemnly: "It seems that the records in ancient books and documents are good, once you get poisoned by the ancient poisonous scorpion, you will become a poisonous person. This Guo Dong's poisoning is too deep, and he will soon change. It's over!"

When he said this, Wen Chou Chou looked at Guo Dong's eyes, full of indifference.

People like Guo Dong, insidious, despicable, arrogant, and arrogant, deserve such an end, and deserve no sympathy.

Chapter 3927

"Hoho!"

Just as he was talking, he saw Guo Dong slowly stand up. At this time, his face turned dark blue, his eyes shone with evil light, and bursts of tears and laughter came out of his mouth. the sound of.

Hiss...

Seeing this scene, both the Ouyang family and the elite disciples of the Heavenly Dao League couldn't help but gasp.

Wen Chou Chou is right, Guo Dong was poisoned by the ancient poisonous cockroach, and at this time he has become a poisonous person. After becoming a poisonous person, he loses his own thoughts, and his mind is full of killing.

"Hoho..." In the

next second, Guo Dong looked around, yelled like a beast, and rushed into the crowd of Tiandao League.

Kill, kill, kill! At this time, Guo Dong lost his mind, and only this word echoed in his mind!

“Ah...”

Guo Dong, who became a poisonous man, was like a monster. He cut down on anyone he saw, and even bitten a lot of people. In the blink of an eye, dozens of elites from the Heavenly Dao League fell in a pool of blood.

What is shocking is that the wounds of the Heavenly Dao League elites were bitten, not bright red blood, but a green color.

Obviously, after being bitten by Guo Dong, these Heavenly Dao League elites were also infected with highly poisonous, and even if they didn't die, they would become poisonous people.

Faced with this situation, the other Heavenly Dao League elites were all stunned, panicked and puzzled.

what's going on?

Is Your Excellency the Protector crazy? How did you kill yourself?

In shock, many people approached cautiously and tried to block it.

“Lord Protector, calm down...”

“Guardian...”

However, before these people approached, they were knocked to the ground by Guo Dongzhen and passed out one by one.

“Hiss...”

At the same time, the mad ancient poisonous scorpion opened its bloody mouth and spewed out poisonous juice. When the poisonous juice met the air, it instantly turned into a poisonous mist, and it quickly moved towards the surroundings. diffusion.

The speed of the poisonous mist was very fast. After inhaling it, many elites of the Heavenly Dao League felt that they could not breathe.

Immediately afterwards, as the poisonous gas spread into the body, these Tiandao League disciples also became like Guo Dong, their skin was blue, their spirits were crazy, and they finally became poisonous people.

For a time, the situation was extremely chaotic, screams, hoarse shouts, mixed together, like hell.

Gudong!

Seeing this scene, everyone in the Ouyang family also felt that their legs were weak.

As expected of the ancient poisonous scorpion, this is too terrifying. As long as the poison infects a person, and this person loses his mind, he will infect other people.

According to this rhythm, the tens of thousands of Tiandao League elites in front of them will all become poisonous within ten minutes.

“Withdraw!”

At this time, Wen Chou Chou was the first to react and made a decisive decision: “Quick, get out of here.” The ancient poisonous scorpion spewed poisonous mist, and within a radius of 1000 meters, it became a dangerous area. If you don’t leave, it will be too late.

Speaking of which, Wen Chou Chou also wanted to help these Heavenly Dao League elites, but this ancient poisonous beetle was too powerful and completely powerless.

Hearing this, Yue Wuya and the others did not hesitate, and quickly evacuated with Wen Chou Chou.

call!

A few minutes later, Wen Chou Chou and the others retreated to a hillside a dozen miles away. When they looked back and saw the canyon where the ancient poisonous scorpion was located, everyone couldn’t help but take a deep breath, each with a complicated expression.

I saw that the canyon was completely shrouded in green poisonous fog.

“Uncle Wen!”

At this time, Yue Wuya couldn’t help but said, “What should we do next? Bai Yunfei deliberately attracted the ancient poisonous scorpion, just to hold us and the Tiandao Alliance. It can be seen that he must be hidden in the Five Poison Sect.”

Wen Chou Chou nodded: “Yes, that canyon is the only way to enter the Five Poison Sect, and now it is shrouded in poisonous fog, we can’t get through it at all. More importantly, this ancient poisonous scorpion is too strong, I’m afraid no one in Kyushu can control him.” After

speaking, Wen Chou Chou suddenly thought of Yue Feng, and said with emotion: “If only Feng Zi was here now.”

Thinking of Yue Feng, Wen Chou Chou was not only secretly worried. Wake up, it has been five days since Yue Feng went to God’s Domain, but there is no news at all.

When the voice fell, everyone looked at each other, and everyone became anxious.

Because Wen Chou Chou was right, as soon as this ancient poisonous scorpion appeared, it would destroy Guo Dong and tens of thousands of elites of the Heavenly Dao League. Once they left the valley, Kyushu would be in chaos.

Chapter 3928

Bai Yunfei didn't catch it, and now another ancient poisonous cockroach has appeared.

The situation is getting worse and worse.

"You guys!"

At this time, Wen Chou Chou thought of something, and immediately ordered to the people around him: "I immediately send a request to the major sects for help, and tell the truth about the situation here. In addition, quickly invite the senior Shennong over. Hurry up."

At that time, Wen Chou Chou and Yue Wu Ya brought people to the Five Poison Sect, and they did not let Shen Nong come, but let him stay with Zhu Bajie and Chang'e in the Ouyang family.

Regarding the matter of the ancient poisonous scorpion, Yue Feng was away, so he could only pin his hopes on Shennong.

After all, Shen Nong was called the ancestor of medicine by the world, and he probably knew how to deal with the ancient poisonous scorpion.

"Yes!"

After being instructed, several disciples of the Ouyang family left quickly.

But Wen Chou Chou, Yue Wu Ya and others stayed on the hillside, always keeping an eye on the movement of the ancient poisonous beetle.

...

On the other side, the Five Poison Sect!

Bai Yunfei made a big circle in the sky, making sure that no one was chasing him, so he returned to the Five Poison Sect.

"Sect Master!"

As soon as he landed, Ji Hongshang hurried up to meet her, her delicate face full of anticipation: "How is the situation?"

Speaking of which, Ji Hongshang should go to the matter of bringing out the ancient poisonous scorpion. It's just that the ancient poisonous scorpion is very powerful, and Ji Hongshang is completely unsure to lead the ancient poisonous scorpion to the canyon, so Bai Yunfei can only go out in person.

Hearing the question, Bai Yunfei smiled slightly: "Successful, the ancient poisonous scorpion not only dragged the Tiandao Alliance into the canyon, but also dragged the Ouyang family."

"Now that canyon is completely shrouded in poisonous fog, and it has become a dangerous area. In a short period of time, no one can safely pass through it"

Great!

Hearing this, Ji Hongshang was very happy, and immediately thought of something: "Sect Master, I heard that Yue Feng went to the God's Domain, and it seems that he wants to get the glazed water to relieve the soul-eating bloodworms of Sun Dasheng and Wen Xiaoyu.

", Ji Hongshang tentatively said: "While Yue Feng is not here, we might as well destroy the Ouyang family in one fell swoop."

Killing Yue Feng and destroying the Ouyang family is Ji Hongshang's old grudge, and he has never forgotten it.

call!

Bai Yunfei took a deep breath and frowned, "No, it's still useful for me to keep the Ouyang family."

Immediately, Bai Yunfei instructed, "There are still three days before Your Excellency Mozun leaves the Sealing Mirror, so the most important thing now is to Do your best to protect the safety of Demon Venerable, understand?"

After saying this, Bai Yunfei turned around and left.

Ji Hongshang stood there and responded with a respectful expression on her delicate face, but she was somewhat dissatisfied.

This Bai Yunfei clearly promised to help me get rid of Yue Feng. But after so long, every time he shied away perfunctorily with reasons.

no!

In this matter, we can't rely on Bai Yunfei for everything, we have to find a way by ourselves.

Thinking to herself, Ji Hongshang's eyes flashed coldly.

...

on the other side, God's Domain.

In a teleportation array not far from Yutian Palace, after a flash of light, a figure emerged, dressed in golden armor, and the whole body was filled with a rebellious aura.

It was Gong Ao.

When he left God's Domain before, Gong Ao kept thinking about this matter because he didn't hand over the letter he wrote to Princess Dongling, but because Bai Yunfei stole the magic mirror, he couldn't get away.

A day ago, Gong Ao got the news that Bai Yunfei might be in the Five Poison Sect. At that time, Gong Ao sent Guo Dong to take someone to the Five Poison Sect, while he himself took this opportunity to quietly return to the Divine Realm, intending to give the letter to the Five Poison Sect. Princess Dongling.

However, what made Gong Ao extremely annoyed was that the golden armor that put the letter was lost, and the letter disappeared.

At this time, Gong Ao had thought about it. Since the letter was lost, he would confess to Princess Dongling himself, but after this matter, he would thoroughly investigate the theft of the golden armor.

Thinking about it, Gong Ao moved his figure, bypassed Yutian Palace, and rushed towards Yuyao Xianyuan.

Um?

When he was about to arrive, Gong Ao couldn't help frowning secretly when he saw the scene in front of him.

what's going on?

I saw that the entire Yuyao Xianyuan was decorated with lanterns and lanterns, and many places were holding red ribbons and sticking the big red happy words. Many maids were busy back and forth, which was a festive scene.

In doubt, Gong Ao moved his figure and entered Yuyao Xianyuan.

“Your Excellency!”

When they arrived at the palace where Princess Dongling lived, several busy maids greeted Gong Ao politely when they saw Gong Ao.

Gong Ao frowned and asked, “What’s going on in Xianyuan? How come the lights are so colorful?”

Chapter 3929

Several maids looked at each other and laughed.

The next second, one of the maids said, “Your Excellency Commander, you don’t know yet. In two days, it will be the wedding day of Her Royal Highness Princess Dongling.”

Big wedding?

Hearing this, Gong Ao’s body was shocked, but his mind was buzzing.

How is this possible?

At this time, Gong Ao was in a mess.

Although he hadn’t confessed to the princess, he knew in his heart that Princess Dongling also liked him, and he had never heard that Princess Dongling had any other favorites.

Why did you suddenly get married?

Seeing Gong Ao froze there, the maids didn’t care and continued to work.

call!

Finally, Gong Ao came to his senses and was so anxious that he broke into the palace of Princess Dongling directly.

“Commander stay!”

As soon as they arrived outside the palace gate, the guards guarding the guards stopped Gong Ao.

Gong Ao was so anxious that he said angrily: “You dare to stop me?”

The maid in the lead was embarrassed and smiled bitterly: “Your Majesty has an order that you are not allowed to see anyone before the princess’s wedding, command Your Excellency, don’t be embarrassed We.”

Hearing this, Gong Ao couldn't help but hold back his anger, so he had to endure the impulse and turned around and rushed to Yutian Palace.

At this time, in the Royal Heaven Palace, the Nine Heavens God had just discussed with many priests about the wedding.

“okay!”

Everything was arranged properly, Jiutian God waved his hand: “This wedding in Dongling, there must be no mistakes, you all go to prepare.

” As soon as his forefoot left, Gong Ao hurried in and knelt down respectfully: “Gong Ao sees Your Majesty.” At this time, Gong Ao looked respectful, but his eyes were extremely complicated. On the way to Yutian Palace just now, Gong Ao also found out through some patrolling soldiers that it was Yue Feng who held the wedding with Princess Dongling two days later. This made Gong Ao both shocked and angry. This Yue Feng killed Luo Jue, publicly betrayed God's Domain, and robbed his own Princess Dongling at this time. This is absolutely unbearable. Um? Seeing Gong Ao, Jiutian God frowned and was very displeased: “Gong Ao, why are you back?” Back again? Gong Ao was stunned for a moment, very puzzled, why did His Majesty say that he was back? After I went to Kyushu by myself, this was the first time I came back. Seeing Gong Ao's confused face, Jiutian God was even more angry: “What kind of confusion are you making for me? I asked you to bring Liuli purified water and hurry back to Jiuzhou. You're better, you haven't gone back until now, right?” Liulijing water? Hearing this, Gong Ao was completely stunned. However, Gong Ao was quick-witted, and quickly guessed that someone stole his golden armor and pretended to be his own God Realm to meet the Nine Heavens God. And this person must be Yue Feng. Thinking of this, Gong Ao was furious, and then his heart was swayed, and he said boldly: “Your Majesty, the minister leaves and returns, there is only one thing to ask for.”

Jiutian God said coldly: “What's the matter?”

Huh!

Gong Ao took a deep breath and asked, “This subordinate wants to beg Your Majesty to cancel this wedding!”

What?

The voice fell, and the face of Jiutian God changed suddenly. This Gong Ao is really bold. How can the princess's wedding be cancelled if it is cancelled?

In the face of Jiutian God's wrath, Gong Ao felt up and down in his heart, but he still said: “Your Majesty, this is the case, this subordinate and Princess Dongling have a good impression of each other. When I went to Kyushu before, my subordinate wrote A letter... But later, both my golden armor and the letter disappeared.”

"I suspect that Yue Feng stole my golden armor and came to God's Domain to pretend to be me, and at the same time asked His Majesty for glazed water. , and also lied to the princess."

At the end, Gong Ao took a deep breath: "Please, Your Majesty, be clear!"

Yue Feng pretended to be Gong Ao?

Hearing this, Jiutian God's face was gloomy and uncertain, and then he frowned: "Gong Ao, if you like Dongling and deliberately made up these words, I don't blame you, but a big marriage is not a child's play." After speaking, Jiutian

God waved: "Okay, you retire."

At this time, the God of Nine Heavens did not believe what Gong Ao said, because when I went to see Princess Dongling with Empress Hua Zhao, it was Yue Feng who was there, and I didn't see Yue Feng at all. Make up to look like Gong Ao.

Chapter 3930

Nine Heavens God thinks that Gong Ao deliberately fabricated this because he liked Princess Dongling in order to cancel the engagement.

"Your Majesty!"

Seeing that Jiutian God didn't believe in him, Gong Ao suddenly became anxious: "Everything my subordinate said is true, the princess can't marry him, actually I..."

Gong Ao at this time , almost crying. The princess you like is about to marry someone else, who can stand it?

"Shut up!" Before

he could finish speaking, he was interrupted by a violent shout from the Nine Heavens God: "Gong Ao, I have always used you very much, but don't make up facts just because I appreciate you. , unreasonably making trouble."

"Yue Feng and the princess are in love with each other, and they are in the same household. I agree with this marriage very much, so don't say more, even if you like the princess, you can only say that you have no fate."

"If you continue In this case, I will remove your command and never use it again!" At the end, Jiutian God waved his hand: "Okay, the affairs of Kyushu still need you to deal with it, especially the magic mirror, which must be recovered. Come, don't let me down."

“My subordinates retire!”

Gong Ao responded, and walked out of the Yutian Palace in despair, his face full of gloom.

Yue Feng, you rob my princess, you want you to never be saved.

.....

On the other side, the continent of Kyushu!

Bai Yunfei drew out an ancient poisonous scorpion that turned Guo Dong and tens of thousands of Tiandao League elites into poisonous people, and soon spread throughout Kyushu, and all sects were shocked in an instant.

Afterwards, under Wen Chou Chou’s request for help, many sects from various continents came to support them one after another. Among them, there were Dan Zong, Mingjian Villa, and the Western Cang Royal Family.

Not only that, after getting the news, Shennong, Zhu Bajie, and Chang’e also came quickly.

At this time, on the hillside dozens of miles away from the Five Poison Sect, the major sects gathered together, hundreds of thousands of people, the scene was very vast, but the expressions on everyone’s faces were very solemn.

Just a few kilometers away from the hillside, the only canyon that leads to the Five Poison Sect, at this time, the poisonous mist is lingering, there is a dead silence, and there is no sign of life, just like a strange domain.

At the entrance of the canyon, I saw the huge body of the ancient poisonous scorpion, lying there, and went into a short hibernation.

Around it, a dense crowd of people were wandering around, their skin was emerald green, their eyes were empty, but there was a kind of evil spirit, like a walking corpse.

It was Guo Dong, who was poisoned, and tens of thousands of elites from the Heavenly Dao League.

call!

Seeing this scene, the masters of the major sects present were secretly shocked.

Terrible, just like hell. Especially thinking that after being poisoned by the ancient poisonous scorpion, he would become a thoughtless poisonous person, and everyone felt a chill in their hearts.

“Senior Shennong!”

At this time, Wen Chouchou came out and respectfully said to Shennong: “This ancient poisonous scorpion is extremely poisonous, domineering and violent. I wonder if senior can solve it?”

“

The voice fell, and the eyes of everyone around him also converged on Shennong.

Shen Nong shook his head and said solemnly: “The poison in the body of the ancient poisonous scorpion, there is no way to decipher it in the ancient literature. The old man has studied medical theory for so many years, and he has tried to decipher the poisonous poison of the poisonous scorpion, but unfortunately, there has never been a way to decipher it. Progress...” It’s

over!

Hearing this, Wen Chou Chou and the people around them looked at each other in dismay, and their moods sank to the bottom.

If even Yaozu Shennong can’t do anything, it seems that this catastrophe cannot be avoided in Kyushu.

Thinking of this, everyone present was demoralized.

“However!”

At this moment, Shennong turned his head and said indifferently: “Although this ancient poisonous scorpion is huge and poisonous, it is not impossible to deal with it.”

“As long as we put a huge giant at the exit of the canyon Trapped in the formation, blocking the ancient poisonous scorpion and the tens of thousands of poisonous people in it can temporarily stabilize the situation.”

“After trapping the ancient poisonous scorpion, I will study the method of restraining the poison.”

Wow...

this In an instant, everyone around was overjoyed.

Especially Zhu Bajie, couldn’t help laughing and said: “Haha, Shennong still has a way, why didn’t I think of it, no matter how powerful this ancient poisonous scorpion is, it is still a beast. Problem solved for now.”
