

## The ultimate husband in Chinese chapter 3941-3950

### Chapter 3941

Afterwards, Ji Hongshang called two elite disciples and instructed: "When she wakes up, give him Wangyou Shui, remember, you must hide your identity well, and don't let her know that you are People from the Five Poison Sect."

After saying this, Ji Hongshang turned around and left.

The two disciples of the Five Poison Sect did not dare to neglect, they quickly dressed up, covered their faces, and then quietly waited for Nalan Wushuang to wake up.

Hmm... I

don't know how long it took, Nalan Wushuang woke up faintly.

Mother, mother...

At the moment when he regained consciousness, Nalan Wushuang's mind suddenly showed the scene of his mother being swallowed up, anxious and sad.

Um?

The next second, Nalan Wushuang was stunned when he saw the environment he was in.

I saw myself in a wood, with two masked men in black standing quietly beside me.

what happened? Aren't you in the secret room of the Five Poison Sect?

"Beauty!"

Just when Nalan Wushuang was in shock, one of the Five Poison Sect disciples said with a smile, "Don't be nervous, we passed by unintentionally, and seeing you unconscious, kindly come over and have a look. !"

At the same time, another came over and took out a bottle of potion: "Seeing that you are very weak, come and drink these elixir to recover." The

potion exudes a faint fragrance.

This chapter is provided by . Visit for daily update.

It is Wangyoushui.

Although Nalan Wushuang is unruly, he is not stupid. Seeing the two of them cover their faces, he realizes that it is not good, and his mouth is tight and he refuses to drink.

However, the acupuncture points on her body hadn't been unlocked, and she was powerless to resist, and was soon forced down by the two of them.

hum!

The moment he drank the Wangyou Water, Nalan Wushuang felt the world was spinning, and passed out again.

Haha, success!

At this moment, the two disciples of the Five Poison Sect showed smiles, and then hurried to report to Ji Hongshang.

A few seconds later, Ji Hongshang who got the news came quickly.

When they got to the front, Ji Hongshang first let the two disciples of the Five Poison Sect leave, then squatted there and gently patted Nalan Wushuang's face: "Miss Nalan, wake up..."

After a few pats, Nalan Wushuang When he woke up, his eyes were not as bright as before, but extremely confused.

who I am? where am i?

Seeing this situation, Ji Hongshang knew that Wangyou Shui was effective, and pretended to say, "Miss Nalan, what's wrong with you?"

"Do you know me?" Nalan Wushuang asked curiously.

Ji Hongshang showed a smile: "Of course I know, your mother is the suzerain of the Xia Yin Sect, just now your mother brought you to my Five Poison Sect to discuss important matters, and then a man in black who called himself Yue Feng appeared and appeared in public. Provocative, then you and your mother chased out!"

"Our Five Poison Sect searched around for a long time before we found you."

When she said this, Ji Hongshang looked serious.

Of course, these were all made up by Ji Hongshang. At this time, Nalan Wushuang had lost his memory and had no idea what happened before.

Ji Hongshang's close attitude made Nalan Wushuang have no doubts, and quickly asked: "Then... have you seen my mother?"

Alas!

Ji Hongshang sighed softly, glanced at the cliff not far away, and pretended to say: "We just got the news that someone saw that the man in black who called himself Yue Feng knocked your mother down the cliff. The cliff is ten thousand feet high. Your mother... I'm afraid there is no chance of her surviving."

Yes, after Ji Hongshang gave Nalan Wushuang the Wangyou Water, her final purpose was to frame Yue Feng.

What?

Hearing this, Nalan Wushuang's delicate body trembled, and endless sadness welled up in his heart.

"Sect Master!"

Just as he was talking, a disciple of the Five Poison Sect walked over quickly and respectfully said to Ji Hongshang, "The four elders of the Xia Yin Sect ask to see you."

Hearing this, Ji Hongshang's eyes widened. A strange light flashed, and then he smiled at Nalan Wushuang and said: "Miss Nalan, you can't be resurrected from the dead, I hope you can be strong, now that there are people from your Xia Yinzong, you have to tell them the situation quickly, you can rest assured. , our Five Poison Sect will do our best to help you kill Yue Feng and take revenge."

When she said this, Ji Hongshang's beautiful face was full of seriousness, but her eyes flashed with excitement.

Yue Feng, ah Yue Feng, this time, I have set up the archenemy of Xia Yinzong for you. Let's see how you will gain a foothold in Kyushu in the future.

Chapter 3942

Thinking, Ji Hongshang took Nalan Wushuang back to the main altar hall.

As soon as I entered the hall, I saw Elder Feng sitting there, each with an anxious expression.

Half an hour ago, the fierce battle between the Tiandao Alliance and the Ouyang family reached a white-hot state. When Elder Feng saw the situation, he didn't have time to think about it. He hurried to the Five Poison Sect's main forum to report the situation. Nalan Wushuang goes after a mysterious man.

As a last resort, Elder Feng could only stay at the main altar and wait for news.

“Miss!”

At this moment, seeing Nalan Wushuang and Ji Hongshang coming in, Elder Feng quickly stood up.

Immediately, Elder Feng couldn't help but ask, “Where's the head?”

At the same time, Elder Feng saw that Nalan Wushuang was pale and apathetic, and suddenly had a bad premonition.

Swish!

At the same time, Elder Huo also watched Nalan Wushuang closely, waiting for her response.

Nalan Wushuang bit his lip tightly, first looking around at the elders downwind, and then looking at Ji Hongshang for help, you know, after taking Wangyou Shui, Nalan Wushuang has forgotten everything and can no longer recognize Feng There are several elders.

Ji Hongshang showed a smile and looked very concerned: “Miss Nalan, these are the elders of your Xia Yinzong.”

After speaking, Ji Hongshang continued: “You don't have to be too sad. , tell the elders about the situation.”

Wow!

When the words fell, Nalan Wushuang could no longer restrain his emotions, and burst into tears, and said to Elder Feng: “My mother is dead... A masked man who called himself Yue Feng was knocked off the cliff. . . .”

Because of taking Wangyou Shui, Nalan Wushuang's memory was cleared, and he mostly believed in the things Ji Hongshang told before, and at this time, he told them to the elders of Feng.

At this time, Nalan Wushuang didn't know that he was already under the control of Ji Hongshang.

What?

Knowing these circumstances, whether it was Elder Feng or Elder Huo and others, they were all shocked.

The suzerain died, or died at the hands of a man in black who called himself Yue Feng...

Under the shock, the elders of Feng were all extremely angry.

It's really abominable, that Yue Feng first had a holiday with the eldest lady, and then rejected the alliance of the sect master, and did not take Xia Yinzong in the slightest, and now, he killed the sect master.

This revenge must be avenged.

In anger, Elder Feng clenched his fists and asked Nalan Wushuang: "Miss, what about the man in black who killed the Sect Master? Where is he now?"

"I..."

Nalan Wushuang frowned. , There was a bit of confusion on his delicate face, and he didn't know how to respond for a while. After taking Wangyou Shui, how could she know the details?

At this time, Ji Hongshang breathed a sigh of relief and said slowly: "Several elders, when we found Miss Nalan, she was still in a coma, as for the man in black, I have already sent the disciples of the Five Poison Sect. Searching everywhere!"

After hearing this, Elder Feng and Elder Huo looked at each other and fell silent.

"No..."

After more than ten seconds, Elder Feng said with a frown, "As far as I know, Yue Feng acts in an upright manner, how could he dress up as a man in black?"

Speaking, Elder Feng looked at Nalan Wushuang: "Miss, did you see his face when the Sect Master fought with him?"

Nalan Wushuang shook his head. At this time, Elder Huo couldn't help but say: "This is very strange. As far as we know, Yue Feng left the Ouyang family a few days ago. It is said that he went to God's Domain, so why did he suddenly come to the Five Poison Sect

?"

Falling down, Elder Feng nodded in succession.

Oops!

Seeing this situation, Ji Hongshang became nervous all of a sudden. The elders of the Xia Yinzong were not ordinary people. They saw the key so quickly.

But soon, Ji Hongshang calmed down and said with a chuckle: “Several elders, although you have dealt with Yue Feng, you only know the surface and don’t know the real person of Yue Feng, this person is the most cunning. “

As far as I know, many years ago, in order to get the Panlong Jing, Yue Feng concealed his identity and went to the Fang family in Xuanye Continent, where he became a small bodyguard, and later successfully snatched the Panlong Jing.”

And such a thing?

Hearing this, Elder Feng and Elder Huo looked at each other, and their moods became complicated.

Xia Yinzong has been avoiding the world until recently, so he didn’t know much about Yue Feng’s past. It was the first time he heard about Panlongjing.

Chapter 3943

Seeing the expressions of Elder Feng and several others, Ji Hongshang showed a smile and said slowly: “So, this Yue Feng is the most cunning. Back then, he was able to sneak into the Fang family to snatch the Panlong Jing, but now he can completely disguise himself. , come to my Five Poison Sect and attack the head of Nalan!”

Bang!

The voice fell, and Elder Huo was full of anger, slapped the table with a slap, and shouted: “In this case, the murderer must be Yue Feng, Ma De, I, Xia Yinzong, have no deep hatred with him, but he is so vicious. If I don’t kill Yue Feng, I, Xia Yinzong, will never give up.”

The elders of Feng were also furious.

There are various indications that it was Yue Feng who killed the Sect Master, how can he not be angry?

At this time, they didn’t know that they were completely blinded by Ji Hongshang. Nalanqing didn’t die at the hands of Yue Feng at all, but was swallowed up by Demon Lord Gone’s body of pure yin.

“Miss!”

Elder Feng walked out slowly, his face full of grief, and said to Nalan Wushuang: “The head of the sect died tragically, but our Xia Yinzong can’t be without a master for a day. You can take over as the head of the sect.” The

voice fell, and the elders of Huo all agreed.

“Elder Feng is right.”

“Also invite the eldest lady, and you can take over as the head of the sect.”

Facing the support of several elders, Nalan Wushuang did not feel the slightest joy. She was dazed, and after taking Wangyou Shui, she had forgotten what the situation of Xia Yinzong was.

However, Nalan Wushuang did not reject the general trend in front of him, nodded and said, “Okay!”

Puff!

Seeing her promise, Elder Feng did not hesitate, and knelt down together: “I’ll wait to see the new head.”

Nalan Wushuang raised his jade hand and said softly, “Several elders, immediately pass my order to catch Yue Feng as soon as possible and avenge my mother’s revenge.”

“Yes!” Elder Feng agreed in unison.

Seeing this scene, Ji Hongshang showed a smile.

Great, everything is going according to plan. Nalan Wushuang has become the new head of Xia Yinzong. Next, she can be used to deal with Yue Feng and the Ouyang family.

At this moment, a handsome figure slowly walked out of the hall.

It was Bai Yunfei.

“Miss Nalan!”

Bai Yunfei slowly walked to the front and said regretfully at Nalan Wushuang: “I am very sorry about your mother, and I would like to express my condolences.” Points of indifference.

Just now, Ji Hongshang had sent someone to tell Bai Yunfei about the situation in detail.

Nalan Wushuang nodded, did not respond, and was still immersed in sadness at this time.

“A few elders!”

Bai Yunfei tilted his head to look at the elders Feng: "How is the situation on the side of the Tiandao Alliance and the Ouyang family?"

Phew!

Hearing the question, Elder Feng glanced at each other.

In the next second, Elder Feng took a deep breath and said slowly: "The Heavenly Dao Alliance has an absolute advantage, and the Ouyang family, Danzong, and Mingjian Villa can't hold it anymore." The

voice fell, and the hot-tempered Elder Huo shouted. Said: "Yue Feng killed our head, and it is God's will that his Ouyang family was destroyed!"

Hehe...

Hearing this, Bai Yunfei laughed and said to Elder Huo: "This elder has a clear love and hatred, and he is indeed a man of temperament."

After speaking, Bai Yunfei looked at Nalan Wushuang and said, "You Xia Yinzong, How do you plan?"

This...

Nalan Wushuang bit her lip tightly, and she was uncertain for a while, she just sat in the position of the head, how could she have experience in dealing with such a situation?

At this time, Elder Huo couldn't bear it any longer: "Sect Master, is there any need for hesitation? Yue Feng killed your mother, and we will take the opportunity to destroy the Ouyang family."

At this time, Elder Huo was full of anger. filled.

And Elder Feng frowned, shook his head and said: "This is inappropriate, now the entire Kyushu knows that our Xia Yinzong and Tiandao Alliance are not inseparable, if we help Tiandao Alliance destroy the Ouyang family, other sects will definitely say Let's face it."

Elder Huo was very dissatisfied, staring at him and said, "Then what do you say?"

"I..."

Elder Feng opened his mouth and was a little dumb for a while.

Yes, the current situation is too embarrassing. Both the Tiandao Alliance and the Ouyang family have a grudge with the Xia Yinzong. In this case, it is impossible to help either side.

## Chapter 3944 Haha

....

Seeing this situation, Bai Yunfei couldn't help laughing, and then came over to comfort him: "The two elders don't need to be irritable, it's actually very simple."

For a few days and nights, it is now the end of the shot. Even if the Heavenly Dao Alliance has an advantage, it has also lost a lot of strength. Since both sides are enemies of your Xia Yinzong, the best way is to kill them all."

Hu...

Hearing this, Elder Feng and Elder Huo all looked at each other.

Although Bai Yunfei's method is good, the Tiandao Alliance and the Ouyang family are not weak, and it is difficult to defeat them together by relying on Xia Yinzong alone.

Aware of their worries, Ji Hongshang, who was silent next to him, smiled lightly and said, "Don't worry, elders, as long as you are willing, my Five Poison Sect will fully support you!"

Elder Feng pondered for a while, but did not respond immediately. It was looking at Nalan Wushuang: "Master, what do you think?"

"I..."

Nalan Wushuang hesitated, looked at Ji Hongshang and said, "Since there is the help of the Five Poison Sect, I think there is no problem. "

Speaking, Nalan Wushuang's eyes gradually firmed, and he ordered: "Pass my order, immediately mobilize everyone in the Xia Yinzong, enter the battlefield as quickly as possible, and wipe out the Tiandao League and the Ouyang family."

"Yes, Sect Master!" The

voice fell, and Elder Feng responded in unison, and then quickly went to prepare.

A few minutes later, tens of thousands of Xia Yinzong members quickly gathered and marched in the direction of the battlefield.

At the same time, Ji Hongshang also mobilized tens of thousands of elites from the Five Poison Sects, followed closely behind.

.....

On the other hand, God's Domain.

Yuyao Xianyuan, in the room.

Yue Feng walked around in disbelief, like ants on a hot pan.

Princess Dongling has been away for two hours, and there is no news at all. Could it be that she was discovered when she took the glass to purify water?

Squeak!

Just when Yue Feng was thinking about it, the door was gently pushed open, and then, a slender figure walked in quickly.

In a gorgeous long dress, the beauty is inexhaustible, it is Princess Dongling.

I saw that Princess Dongling was holding two packages in her hands, her expression seemed calm, but her eyes flashed with nervousness.

call!

Seeing Princess Dongling, Yue Feng breathed a sigh of relief and said with a smile, "You've come back. Have you got the colored glaze water?"

Princess Dongling was too lazy to talk nonsense, and threw one of the packages to Yue Feng: "The colored glaze water is just Inside, there is another set of clothes, you can quickly change."

Hearing this, Yue Feng opened the package and saw a jade bottle filled with some light blue water, not only that, but also a set of magic weapons. Guard's armor.

Glazed water!

Seeing the jade bottle containing light blue water, Yue Feng was indescribably excited.

Nima, this time I came to God's Domain. Although I went through many twists and turns, I finally got the glazed water.

Excited, Yue Feng picked up the suit of armor: "What is this for?"

Princess Dongling said angrily: "Yuyao Xianyuan is heavily guarded, if you don't disguise yourself, you won't be able to get out at all, so quickly change your clothes. Come on."

Having said that, Princess Dongling turned around and did not look at Yue Feng, her expression very impatient.

disguise?

Hearing this, Yue Feng was stunned for a moment, then nodded silently in approval.

This Princess Dongling seems to be unreasonable and unreasonable, but when it comes to the critical moment, she still has a brain.

Thinking to himself, Yue Feng quickly put on his armor and said with a smile: "Okay!"

Princess Dongling looked back at him and said coldly, "Now it's time for this princess to change her clothes, you turn around and don't peek. , otherwise, I will gouge your dog's eyes."

When saying this, Princess Dongling's beautiful face was full of contempt.

If it weren't for the purpose of going to Kyushu to see Gong Ao, he wouldn't have gone to Yue Feng's room to change his clothes. These were all harmed by Yue Feng, and naturally he didn't look good on him.

What the hell!

Hearing this, Yue Feng was very upset.

It's not my fault that caused such a situation, but this Princess Dongling treats me like a slave, why?

Thinking to himself, Yue Feng did not turn around, but looked up and down Princess Dongling.

I have to say that this Princess Dongling's figure is really tight and the curves are perfect.

Chapter 3945

Swish!

Princess Dongling was already in a bad mood, but seeing Yue Feng staring at her unblinkingly made her even more angry, she said coldly, "Yue Feng, if you look at me like this again, believe it or not, I will kill you. ?"

Kill me?

Yue Feng smiled lightly and said: "Kill me, who will take you to Kyushu to find Gong Ao?"

After saying that, Yue Feng looked cynical: "And let me tell you, I have no interest in you at all, you want to You know, in the Kyushu mainland, I have many confidantes, all of them are beautiful, gentle and graceful, many times better than you don't know. If you really want me to see it, I don't want to see it." The

last sentence After the words fell, Yue Feng closed his eyes.

"You..."

Hearing this, Princess Dongling's face flushed red and she couldn't be more angry.

This Yue Feng is really a bastard, he obviously took advantage of him and said sarcastic words.

However, looking at Yue Feng's posture that a dead pig is not afraid of boiling water, Princess Dongling has nothing to do. After all, she still needs to rely on Yue Feng to go to Kyushu.

Depressed, Princess Dongling bit her lip tightly and began to change her clothes.

call!

Finally, Princess Dongling changed her clothes and said coldly to Yue Feng: "Okay, now we can go out, but before leaving Yuyao Xianyuan, you have to listen to me, not to mention the patrolling guards. Speak."

Princess Dongling grew up in Yuyao Xianyuan since she was a child, and knew the environment here very well, so she was afraid that Yue Feng would not cooperate.

"Okay, everything is up to you." Yue Feng nodded with a smile.

With that said, Yue Feng followed Princess Dongling out of the room.

call!

When he got outside, seeing the scene in front of him, Yue Feng couldn't help but take a deep breath.

It was already late at night, but because the wedding was approaching, the entire Yuyao Xianyuan was still brightly lit, and many maids were still busy, busy deploying the wedding scene.

In this case, Princess Dongling and Yue Feng were also regarded as busy and scary people, and they were not suspected at all.

Soon, Princess Dongling took Yue Feng and arrived near the back door of Xianyuan.

At this moment, Princess Dongling was very excited, and said softly, "Let's leave Yuyao Xianyuan completely after leaving this door."

Yue Feng nodded, also very excited.

Mad, you can finally leave.

Boom, boom, boom!

However, at this moment, I heard a sound of vibration, coming from outside the door, and then, a huge figure appeared in the line of sight.

What the hell!

Seeing that thing, Yue Feng was shocked and completely stunned.

I saw that the huge figure was more than three meters high, and its appearance was like a black bear, but its head was like a unicorn, and its limbs were similar to those of apes. .

What the hell is this? It looks like four different things.

"Kunmeng?"

Just when Yue Feng was muttering secretly, Princess Dongling also trembled, and couldn't help but let out a low voice. At the same time, deep fear flashed in her eyes.

Yue Feng frowned: "What is Kunmeng?"

Princess Dongling rolled her eyes and glanced at Yue Feng, as if looking at an idiot: "Kunmeng doesn't know, you're still the Nine Heavens Profound Sage."

Having said that, Princess Dongling thought for a while and continued: "After Pangu opened up the world, many spirit beasts were born in the world, the most famous are the four innate spirit beasts, Qinglong, Baihu, Suzaku and Xuanwu, and this Kunmeng, famous Although it is not as loud as the four innate spirit beasts, its strength is not weak."

"Kunmeng is not only powerful, but also extremely loyal. As early as five thousand years, when the realm of the gods was just formed, the gods completely tamed Kunmeng. After that, Kunmeng became the royal beast of my father." At the

end, Princess Dongling looked at Kunmeng who was wandering outside the door, her delicate face was complicated: "Usually, Kunmeng It was sent outside by my father to patrol the Divine Realm with the patrolling soldiers, but today it was arranged in Yuyao Xianyuan, it seems that we can't get out."

What?

Yue Feng was stunned for a moment, and couldn't help saying: "This Kunmeng looks stupid, let's sneak away quietly, it shouldn't be found."

Princess Dongling shook her head: "You don't know, Kunmeng is very sensitive, Especially for me, because it watched me grow up, and no matter what I dress up as, it can tell at a glance."

FUCK!

so smart?

Hearing this, Yue Feng was dumbfounded. If so, wouldn't it be impossible to leave today?

"Ouch..."

At this moment, Kunmeng, who was wandering outside the door, seemed to sense Princess Dongling's breath, turned around, his eyes were like electricity, and he directly locked Princess Dongling.

## **The ultimate husband in Chinese chapter 3946-3950**

Chapter 3946 Terrible

!

At this moment, Princess Dongling's delicate body trembled, and she hurriedly said to Yue Feng: "Quick, run!" After the voice fell, Princess Dongling turned around and ran towards the palace not far away.

Kunmeng must not be allowed to discover himself, otherwise, the royal father will know the situation, and the consequences will be disastrous.

Yue Feng did not hesitate and followed Princess Dongling closely.

Dong Dong Dong ...

That Kunmeng has a very high IQ. Seeing Princess Dongling and Yue Feng turn around and run away, they immediately followed up without any hesitation.

Seeing Kunmeng chasing after him, Princess Dongling became even more anxious, and greeted Yue Feng and rushed directly into the palace in front of her.

This palace is called Yushan Palace. It is the place where fairy chefs prepare meals. Because it is near the wedding, it is filled with rare and precious ingredients. The moment Yue Feng entered, he only felt an intoxicating fragrance blowing towards his face.

What the hell!

At this time, Yue Feng was very shocked.

God of the Nine Heavens and Empress Hua Zhao really enjoyed it very much. There are so many delicious delicacies in this imperial dining palace, I am afraid that there are tens of thousands of kinds, and they will not be able to eat them for a few years.

Dong Dong....

At the same time with emotion, I heard that Kunmeng also chased outside the Imperial Kitchen Palace, but Yuyao Xianyuan has regulations, Kunmeng is a spirit beast and cannot enter the Imperial Kitchen Palace, so Kunmeng can only stay in the palace outside the door.

That is, at this moment, a team of patrolling soldiers passed by, and when they saw the situation, they rushed over.

“What’s the situation?”

This chapter is provided by . Visit for daily update.

“Looks like this, who should have broken into the Imperial Dining Palace, that’s why Lord Kunmeng lingered outside the door.”

“Go, go in and have a look.”

After a few patrolling soldiers discussed, they entered the Imperial Kitchen Palace one after another.

Hearing the footsteps, Yue Feng and Princess Dongling were in a hurry.

In the next second, Yue Feng saw a long jade table not far away, covered with a long tablecloth, on which dozens of delicious delicacies were placed, and without any hesitation, he got in at once.

The tablecloth was so long that it almost dragged to the floor, making it a great place to hide.

While getting in, Yue Feng did not forget to shout to Princess Dongling, “Come in.”

This...

Princess Dongling hesitated, her delicate face full of complexity.

Her dignified princess, with golden branches and jade leaves, actually wanted to hide under the table of the Imperial Palace, what kind of decency?

But once discovered by those patrolling soldiers, his plan to escape was completely revealed.

Thinking of this, Princess Dongling hurriedly bent down and got in.

However, the space under the table was small, and the moment Princess Dongling came in, she fell into Yue Feng's arms.

call!

With the soft fragrance in his arms, Yue Feng was immediately blinded, and he couldn't help taking a deep breath.

So soft, so fragrant.

Princess Dongling was embarrassed and angry, and wanted to go out very much, but when she thought of the patrolling magic soldiers, she was searching nearby, and she could only endure it, but her body collapsed tightly.

At this time, Princess Dongling was very depressed.

I thought about going to Kyushu with Yue Feng, and I forgot about the unpleasantness before, but I never thought that I would be so close to him before leaving Yuyao Xianyuan.

Princess Dongling became more and more aggrieved, and couldn't help but said, "Yue Feng, stay away from me!"

"This place is so small, how can I stay away from you? If I'm not careful, I'll be discovered."

"Then don't move!"

"Why am I moving? Are you wiggling around? "

"You..."

"Shh... those magic soldiers are about to search here, let's bear it for a while."

After I don't know how long, a few patrolling magic soldiers searched around and found no suspicious places. , left.

call!

Hearing the sound of footsteps leaving, Yue Feng secretly breathed a sigh of relief. Princess Dongling's hanging heart finally fell.

Immediately, the two were about to come out from under the table.

Shasha...

But at this moment, a slight footstep sounded, and soon, it came to the table.

What the hell!

At this moment, Yue Feng and Princess Dongling were both nervous.

Has the whereabouts been found?

Just when Yue Feng and Princess Dongling were extremely nervous, they heard the delicacies on the table being turned over one by one, and then someone picked up chopsticks and began to taste them.

As the visitor tasted it, he sighed with emotion: "God will really enjoy these nine days. It takes so much to eat a late-night snack. I'll try it first..."

This....

Hearing this, Yue Feng was stunned. Oh, who is this? He is so bold that he dares to act at the supper of the Nine Heavens God.

Chapter 3947

While shocked, Yue Feng was even more shocked when he sensed the opponent's strength across the tablecloth.

It was unfathomable and unperceptible...

And at this time, the person outside was still feasting on it, while tasting it, he kept admiring it.

"This pastry is good!"

"Well... this wine is also quite mellow." The

praises kept coming, and Yue Feng was both emotional and curious.

Who the hell is this? With such a strong strength, he came to Yuyao Xianyuan to steal something to eat.

On the other side, Princess Dongling's beautiful face was also extremely complicated, and her eyes showed a bit of anger.

This person is so arrogant that he even came to the Imperial Palace to steal something to eat.

Princess Dongling was chased by Kunmeng just now. At this time, she and Yue Feng were hiding under the table, and she was already angry. When she saw someone coming in to steal food, she couldn't help it.

In a fit of anger, Princess Dongling forgot her own situation, and suddenly got out from under the table, coquettishly said: "Who is so bold, dare to steal food here?"

"

Seeing this situation, Yue Feng was taken aback, Princess Dongling was too impulsive, so she went out like this. Has her whereabouts been exposed soon?

Muttering in his heart, Yue Feng also got out with a helpless expression on his face.

"Who?"

Hearing Princess Dongling's coquettish drink, the thief was also taken aback and almost jumped up on the spot. His eyes turned back and forth on Yue Feng and Princess Dongling.

At the same time, Yue Feng and Princess Dongling were also looking at the thief.

I saw that this thief turned out to be an old man with white beard and hair, a gray robe, a fat body, and a kind-hearted brow.

Yue Feng noticed that there was a faint mark of auspicious clouds between the old man's eyebrows.

For a time, Yue Feng couldn't help frowning secretly, full of doubts in his heart.

This is Yuyao Xianyuan, a forbidden place in the God's Domain, and this old man in gray doesn't belong here, just who is he, and where did he come from?

"Aiya!"

Just when Yue Feng was secretly surprised, the old man in gray came to his senses and said with a smile, "Scare me, I thought they were discovered by the patrolling soldiers outside, it turned out to be a young couple. ."

In the heart of the gray-clothed old man, Yue Feng and Princess Dongling were hiding under the table, subconsciously thinking that they were dating.

Swish!

Hearing this, Princess Dongling's delicate face suddenly flushed red, and she was indescribably shy.

The next second, Princess Dongling looked up and down at the old man in gray. Finally, his eyes fell on the auspicious cloud mark on the old man's eyebrows: "You...you are an immortal?"

Princess Dongling was very shocked when she said this.

You must know that outside the realm of the gods, there is a vast void world beyond the nine heavens. According to rumors, after Pangu opened up the world, there were many powerful immortals who escaped from the gods and went to practice beyond the nine heavens, so they are called immortals outside the sky. , The immortals from outside the sky are omnipotent, and their strength is much stronger than the gods of the gods, but these immortals are indifferent to fame and fortune, and they are devoted to the Tao, and never participate in the affairs of the gods and human beings.

And these immortals from outside the sky have a very obvious feature, that is, there is a special mark between the eyebrows. Princess Dongling has heard the legend of the Immortals from Heaven and Beyond since she was a child, but she has never seen them before. When she saw the auspicious cloud mark on the eyebrows of the old man in front of her, she immediately thought of Immortals from Beyond Heaven.

You must know that the Yuyao Xianyuan is heavily guarded, and this old man can enter the Imperial Kitchen Palace without disturbing the patrolling guards. His strength is extraordinary, and he must be an immortal from heaven.

Heavenly Immortal?

Hearing this, Yue Feng was stunned. What kind of existence is this, why haven't I heard of it?

Thinking to himself, Yue Feng couldn't help but ask Princess Dongling in a low voice, "What is an immortal outside the sky?"

Princess Dongling looked contemptuous, and said in a bad mood, "Thanks you are still the Nine Heavens Profound Sage, not even an immortal outside the universe. Have you

heard of it?" Although he despised it, he still briefly explained the matter of the Immortal Beyond the Heavens.

What the hell!

Knowing these circumstances, Yue Feng was stunned for a while, staring blankly at the old man in front of him, unable to speak for a long time.

I thought it was just a greedy thief, but I didn't expect the other party's origin to be so special.

Chapter 3948

Haha...

At this moment, I heard the old man burst into laughter, and praised Princess Dongling: "The girl's eyes are so good, she even guessed my origin at once, yes, I come from outside the Nine Heavens, nicknamed Yutong Xianweng. Recently, I traveled through the Nine Heavens and passed through the Divine Realm. When I saw the lanterns here, I came in curiously. I came in and found out that it was the Nine Heavens God who was going to marry his daughter."

Said, Jade Tong Xianweng's face was slightly red, and he was embarrassed to continue: "You two don't know, I have two hobbies, one is cultivation, and the other is like to taste the delicious food in the world. I smelled the fragrance here just now, and I couldn't hold back. .."

Finally, Yutong Xianweng did not forget to pick up a piece of cake and stuff it into his mouth, enjoying it very much.

Interesting...

Seeing this, Yue Feng couldn't help but be happy.

This Jade Boy Xianweng looked old, but it was very interesting to talk, just like a child who didn't grow up, it was very interesting.

At the same time, feeling the sincerity of Yutong Xianweng, Princess Dongling also breathed a sigh of relief. Since this Jade Child Xianwen also sneaked in, she didn't have to worry about her whereabouts being exposed.

"I'm so sorry!"

At this time, Yutong Xianweng said while tasting the delicious food, "I didn't know that the two of you were dating down there just now. Please forgive me for disturbing you!"  
After

speaking, Yutong Xianweng was curious. Asked: "I don't know the identities of the two."

Yue Feng smiled and replied: "In Xia Yuefeng, this is Princess Dongling."

Like Princess Dongling, Yue Feng at this time also let go. Be vigilant, after all, this Jade Child Immortal Weng is from nine days away, and there is no conflict with himself, so there is no need to conceal his identity.

Oh!

Hearing the introduction, Yutong Xianweng looked stunned, smiled and said: "It turns out that it is the groom and the bride at the wedding tomorrow." Before entering the Imperial Palace to taste the food, Yutong Xianweng secretly listened to some of the maids' chat, So I know Yue Feng and Princess Dongling.

Saying that, Yutong Xianweng showed a bit of playfulness in his eyes, and joked: "The two of you are in such a good relationship, the wedding is going to be held tomorrow, and they are still secretly dating, haha.... Really answered that sentence" I only envy the mandarin ducks, not the immortals' ah."

Shah!

When the words fell, Princess Dongling blushed and stomped her feet anxiously: "You...don't talk nonsense, who is dating him!"

When saying this, Princess Dongling couldn't help but glared at Yue Feng, Very ashamed.

It was this Yue Feng who caused himself to be misunderstood.

Uh...

Yue Feng was also embarrassed, smiled bitterly, and said to Yutong Xianweng: "Senior misunderstood, we are not dating."

Isn't it?

Hearing this, Yutong Xianweng was stunned for a while, his eyes full of doubts: "If you don't date, what are you two doing hiding here? Is there something fun under the table?"

After speaking, Yutong Xianweng was about to drill Look under the table.

What the hell!

Seeing this scene, Yue Feng couldn't help laughing and laughing, this Yutong Xianweng is too old to play, right?

I thought that Yue Feng was about to stop him, but Yutong Xianweng had already got in.

Immediately, Immortal Yutong got out and muttered: "The space inside is so small, there is nothing."

After speaking, Immortal Yutong stroked his beard and said with certainty, "You two dolls. Lie to me, it's obviously a date, but you have to admit it."

At this...

At this moment, Princess Dongling was completely anxious and said with a blushing face: "We are hiding here because we want to escape from Yuyao Xianyuan." After

speaking, Princess Dongling pointed to Yuefeng: "This princess doesn't like him at all, how could she marry him and still date here?" The

voice fell, and Yue Feng also said: "Yes, senior, you really misunderstood, we are going to run away from marriage together, it's not you. That's what you think."

What?

Run away from marriage together?

Hearing this, Yutong Xianweng was stunned, looked at Yue Feng, and then at Princess Dongling, his mind was in a mess.

It is not uncommon to escape marriage, but generally escape marriage, it is unilateral, either the man or the woman, and the men and women who escape marriage together are the first time they see each other.

It's really big in the world, there are no wonders.

Seeing Yutong Xianweng's puzzled expression, Yue Feng took a deep breath and said, "Senior, our wedding was a complete misunderstanding. The princess has another sweetheart, and I continue to return to the Kyushu mainland.

" Feng briefly explained the misunderstanding, and of course, the intimate affairs with Princess Dongling were concealed.

Chapter 3949

So it turns out.

Yutong Xianweng nodded suddenly, and then thought of something, his eyes flashed with a strange brilliance: "I heard that the continent of Kyushu is vast and rich, and there are countless delicious delicacies! But is it true?"

Yue Feng smiled and nodded: "Yes, nine continents. Everyone has their own customs, and as for the delicious food, there are countless others."

Tsk tsk...

Hearing this, Yutong Xianweng's eyes lit up, and he couldn't help smacking his lips.

Seeing his greedy look, Yue Feng couldn't help but smile.

Haha... This Yutong Xianweng is so greedy when it comes to delicious food. It's really interesting.

But Princess Dongling, who was standing beside her, was in a hurry.

When is this Yue Feng, and he still wants to talk to Yutong Xianweng about delicious food.

Thinking to herself, Princess Dongling couldn't help pinching Yue Feng secretly.

hiss!

Yue Feng couldn't help taking a breath of cold air, and looked at Princess Dongling speechlessly: "What are you doing?"

Princess Dongling said angrily, "We are trapped here now, you still have the heart to talk about delicious food. , I really don't know what the Master thought at that time, he will make you a Nine Heavens Profound Sage."

Yue Feng was very helpless, and looked outside, and saw that Kunmeng was still wandering at the entrance of the Imperial Palace.

In the next second, Yue Feng said to Yutong Xianweng: "Senior, is there any way you can lead the Kunmeng outside? As long as you can help us leave Yuyao Xianyuan, I invite you to eat in Kyushu. Food ."

"To be honest with the seniors, we have a lot of delicious food in Kyushu. For one round of our Diyuan Continent, there are ten famous dishes, such as Dongpo pork, steamed preserved meat, and Feilong soup... .."

"Really?" Yutong Xianweng suddenly became interested.

To be honest, Yutong Xianweng didn't want to worry about Yue Feng's affairs. After all, they met by chance, but his love for food reached the point where he was intoxicated. attracted.

Yue Feng nodded: "Senior is an expert, how dare I deceive?"

Haha...

Hearing this, Yutong Xianweng was very happy, and said to himself: "Leaving Yuyao Xianyuan is too simple." Saying that, Yutong Xianweng raised his hands slowly.

hum!

The next second, a strange light burst out from Yuyao Xianweng's body, and then the light gradually expanded, surrounding Yue Feng and Princess Dongling.

I go!

At the moment of being surrounded by light, Yue Feng was both happy and shocked.

Originally thinking that Yutong Immortal Weng would lead Na Kunmeng away, I and Princess Dongling took the opportunity to leave Yuyao Xianyuan, but I never imagined that the strength of this Yutong Immortal Weng was so terrifying that he could directly bring himself and Princess Dongling away. Princess Dongling teleported away.

At the same time, Princess Dongling was also shocked.

This Yutong Xianweng, worthy of being an immortal from outside the sky, was able to start teleportation in the Imperial Palace. You must know that Yuyao Xianyuan is a forbidden place in the realm of the gods. There are several enchantments around, not to mention those ordinary gods. Nine Heavens God, it is impossible to deploy teleportation here, but Yutong Xianweng did it easily.

It can be seen that the strength of this jade boy fairy has reached an unimaginable level.

While shocked, Princess Dongling looked at Yue Feng with complicated eyes.

This Yue Feng is really incomprehensible. Just now I thought he was just chatting with Yutong Xianweng, but he didn't expect that with a few words, he won Yutong Xianweng's favor.

"Haha!"

As the light became stronger and stronger, Yutong Xianweng also came out, smiled at Yue Feng and said: "The teleportation will start immediately, Yue Feng, go to Kyushu, whether the old man has a good meal depends on you. It 's gone."

“Senior, don’t worry!”

Om!

While speaking, the light became more and more intense, and then, Yue Feng only felt that his eyes were dark, and he was teleported away together with Princess Dongling and Yutong Xianweng.

.....

On the other side, in the battlefield a few miles away from the Five Poison Sect.

The battle between the Tiandao Alliance and the Ouyang family has come to an end.

After a few days of fierce battles, it was seen that the three forces of the Ouyang family, Mingjian Villa, and Danzong had added up to less than 100 people at this time.

On the Tiandao Alliance side, there are nearly tens of thousands of elites.

On the battlefield, Wen Chou Chou was covered in blood and his face was pale. After several days of fighting, his internal strength was almost exhausted, and he was so weak that he could barely hold on.

At the same time, Sun Dasheng, Ye Zhixin, Zheng Chunqiu and others who were not far away were also extremely weak.

Chapter 3950

“Hahaha...”

In midair, Gong Ao clenched his golden spear with a grim expression on his face: “All accept your fate, from today, the Ouyang family, Danzong, and Famous Sword Villa will no longer be in Kyushu rivers and lakes. Existence.”

Hearing this, Wen Chou Chou clenched his fists and was extremely angry.

You can see the surrounding, the death of one’s own people, the wounds of the wounds, the ugly and incomparable despair.

Is there really no room for redemption?

I’m so unhappy.

Whoa!

However, at this time, I heard a wave of breath in the sky not far away, and then, I saw tens of thousands of disciples of the Five Poison Sect, coming from the sky.

The two headed, one handsome and handsome, the other charming and charming.

It was Bai Yunfei and Ji Hongshang.

Swish!

Seeing Bai Yunfei, Gong Ao's grim face suddenly turned gloomy, and he said coldly, "You are Bai Yunfei?" Before Luo Jue died, because of searching for Bai Yunfei's whereabouts, he stayed at the main altar of the Tiandao Alliance. With the portrait of Bai Yunfei, Gong Ao recognized it at a glance.

"Haha!"

Bai Yunfei smiled and looked at Gong Ao up and down: "You are the new envoy of the Divine Realm, aren't you? During this time, haven't you been sending the elites of the Heavenly Dao Alliance to arrest me? Actually, it doesn't need to be that troublesome, I'll come now. It's over!"

When he said this, Bai Yunfei's face was calm and arrogant, and he didn't take Gong Ao in his eyes at all.

Swish!

Feeling Bai Yunfei's contempt, Gong Ao's face turned gloomy, and murderous intent flashed in his eyes.

How can he endure being despised by a remnant of the Demon Race, his dignified envoy of the God Realm?

In anger, Gong Ao looked at the tens of thousands of Poison Sect elites behind Bai Yunfei, smiled contemptuously, and said coldly: "Bai Yunfei, you are very kind, but if you think that you can bring such people, you will be able to sit and accept. The benefit of the fisherman is a big mistake."

Gong Ao was not stupid, seeing Bai Yunfei's appearance at this time, he knew that the other party was here to clean up the mess.

Ha ha!

Hearing this, Bai Yunfei smiled slightly: "You're right, but a person like the Five Poison Sect is certainly not enough to wipe out both of you."

Whoa!

As soon as the voice fell, I heard a breath of vibration from the rear of the Five Poison Sect, and then, Nalan Wushuang and the elders of Feng came with tens of thousands of Xia Yin Sect disciples.

What?

Does Bai Yunfei have allies?

Seeing the people of Xia Yinzong, Gong Ao's expression changed.

Speaking of which, Gong Ao still didn't know Nalan Wushuang's identity, but he also clearly sensed that Nalan Wushuang, Elder Feng and others were not weak.

At the same time, Wen Chou Chou and others on the other side of the battlefield were also shocked.

Xia Yinzong is also here?

Xia Yinzong and Bai Yunfei have joined forces, and this is over.

"Let me come and see, the strength of your special envoy of the God's Domain!"

At this time, Bai Yunfei stopped talking nonsense, said a word, and then the figure erupted and went straight to Gong Ao.

While rushing into the air, Bai Yunfei tilted his head and smiled at Nalan Wushuang: "Miss Nalan, I will deal with the Heavenly Dao Alliance, and I will leave it to you for the Ouyang family!"

Well!

Nalan Wushuang nodded, and then shouted at Elder Feng and everyone: "Everyone in Xia Yinzong listens to the order and wins everyone in the Ouyang family, not one of them can be missed!"

"Yes, the head!" The

voice fell, Elder Feng Everyone responded in succession, and then rushed towards Wen Chou Chou and others.

what's the situation?

Seeing Xia Yinzong and the others rushing in, whether it was Wen Chou Chou or Ye Zhi Xin and the others, they were all stunned.

Isn't this Xia Yinzong supposed to deal with the Tiandao Alliance? How did you join forces with Bai Yunfei to deal with the Ouyang family? Moreover, when did Nalan Wushuang become the head of Xia Yinzong?

Just when the crowd of Wen Chou Chou was in shock, the crowd of Xia Yin Zong had already rushed in front of them.

At this moment, Wen Chou Chou didn't have time to think about it, and hurriedly greeted everyone to fight back.

And in the sky.

Bai Yunfei was as fast as lightning, and in the blink of an eye, he was in front of Gong Ao, and said coldly, "Don't you want to kill me and take back the magic mirror? I'll give you this chance today!"

Om!

The voice fell, Bai Yunfei burst out with the power of the devil's soul, and suddenly a terrifying breath swept out, and the surrounding air seemed to be stagnant!

The next second, Bai Yunfei slowly raised his right hand and hit Gong Ao with a palm!
