

## The ultimate husband in Chinese chapter 3961-3965

Chapter 3961

Swish!

Seeing Yue Feng appear, everyone in the hall was stunned.

This Yue Feng's appearance was really timely, just as he was talking about him, he appeared.

However, who is this old man beside him? Never seen it before.

A few seconds later, Elder Huo took the lead in reacting, slapped the table, pointed at Yue Feng and shouted angrily: "Yue Feng, you despicable and shameless villain, how dare you come here? You killed our former head, and I will call you today. Pay for it!"

What?

Hearing this, Yue Feng was stunned and looked at each other with Yutong Xianweng.

I killed Nalan Qing? Where did this come from?

Thinking to himself, Yue Feng looked at Nalan Wushuang who was sitting there: "Your mother died? What's the matter?"

Nalan Wushuang's delicate face was full of grief and anger, and he said fiercely: "Yue Feng, you Don't pretend, before at the main altar of the Five Poison Sect, you dressed up as a man in black, led my mother and me to the back mountain, and then knocked my mother down the cliff."

"Thank you for calling yourself a hero of Kyushu, and you did it yourself. Don't you dare to admit it?" What the hell

!

Hearing this, Yue Feng was completely stunned. When did he go to the Five Poison Sect? Dress up as a man in black?

The next second, Yue Feng smiled bitterly and said, "To be honest, I have been in God's Domain during this time, and I have never been to the Five Poison Sect. Someone must have framed me in this matter."

"Shut up!"

This chapter is provided by . Visit for daily update.

At this moment, the fire The elder's eyes spit fire, patted the table heavily, pointed at Yue Feng and shouted: "You don't have to argue any more, the situation at that time was seen by our head, and you still want to deny it?"

"Such a shameless person, don't need to talk nonsense with him. Today he took the initiative to send him to the door and kill him to avenge the former head!"

"Yes, kill him!"

At this moment, everyone in the hall pointed at Yue Feng Mouth and pen.

Nalan Wushuang has confirmed the murder of Nalan Qing, and he can't be wrong.

Yue Feng ignored the scolding from Elder Huo and others. He came to Xia Yinzong this time to know the whereabouts of the Ouyang clan. Is it in your Xia Yinzong?"

When asked about this, Yue Feng was calm on the surface, but a little nervous in his heart.

He was slandered and killed Na Lanqing, such a blood feud, if the Ouyang family fell into the hands of Xia Yinzong, it would definitely be more fortunate!

"Not bad."

Nalan Wushuang raised his jade neck, his face full of arrogance: "You killed my mother, I arrested your family, what's wrong? Let me tell you, I threw them all into the cave in the back mountain. , the dragon in the cave is a critical period of cultivation, your family and sworn brothers, it is estimated that they have become a pile of bones by now."

What?

Hearing this, Yue Feng's face changed, and his heart suddenly became angry. This Nalan Wushuang was too cruel. He even threw Brother Wen and the others into the cave. You know, the dragon in the cave is about to be transformed into a dragon. Terrible.

Thinking about it, Yue Feng was about to rush out of the hall and go to Houshan to rescue Wen Chou Chou and the others.

"Stop him!"

However, before he turned around, he heard Elder Huo shouting loudly. Then, he rushed over with the others and surrounded Yue Feng.

"If you still want to save people, let's save your life first." Elder Huo shouted.

buzzing...

When the voice fell, Elder Huo and the surrounding people burst into internal energy.

Faced with this situation, Yue Feng did not panic at all, but looked at Nalan Wushuang and said, "I repeat, I didn't kill your mother, you let me see Brother Wen and the others first, don't worry, I will definitely check. Know the truth."

Nalan Wushuang snorted coldly: "Do you think I would believe your nonsense? The revenge of killing your mother is unbearable, go to hell!" He waved his hand.

Whoosh whoosh!

At this moment, Elder Huo and the others all urged their figures to burst out towards Yue Feng.

Yue Feng frowned and felt extremely anxious.

To be honest, he didn't want to fight Xia Yinzong, but the situation in front of him couldn't sit still.

At this moment, a figure flashed out and blocked in front of Yue Feng.

It is Yutong Xianweng.

Um?

Seeing this scene, Elder Huo and everyone stopped one after another, and their eyes suddenly converged on Yutong Xianweng.

The next second, Elder Huo said coldly: "This friend, we have a personal grudge with Yue Feng, please don't intervene. The sword does not have long eyes, so as not to hurt you."

Chapter 3962

When he said this, Elder Huo's eyes were full of contempt.

In his eyes, although Yutong Xianweng has a special temperament, he has no fame in the Kyushu rivers and lakes, and is obviously a nobody.

Ha ha!

Feeling the contempt of Elder Huo, Yutong Xianweng was not angry at all, but waved his hand and said with a smile: "Don't fight, don't fight, this matter must be a misunderstanding!"

Said, Yutong Xianweng He glanced at Yue Feng and explained to him: "One day ago, Yue Feng and I just met at Yuyao Xianyuan in the God's Domain, and then we returned to Kyushu together. Before coming to your Xia Yinzong, I was with him, you guys. Say, how could he have time to kill your former head?"

Hu...

Hearing this, Elder Huo frowned, and looked at Nalan Wushuang and the others.

Where did the crazy old man come from?

The next second, Elder Feng reacted and looked at Immortal Yutong: "You said just now that you and Yue Feng knew each other in God's Domain?"

"Yes!" Immortal Yutong nodded with a serious look on his face.

Elder Feng's face became cold: "So, you are a priest of the God Realm, and you are doing things for the Nine Heavens God?" The entire God Realm is ruled by the Nine Heavens God. This old man is from the God Realm, isn't he a subordinate of the Nine Heavens God?

This....

Yutong Xianweng scratched his head and said with a complicated expression: "It's impossible to talk about doing things for the Nine Heavens God, but I have some friendship with his master."

Yutong Xianweng said it rightly, when the ancient ancestors traveled to the Nine Heavens Outside, I met Yutong Xianweng, both of whom have like-minded interests and are friends.

What the hell!

At this moment, Yue Feng's heart was shocked, and he stared blankly at Yutong Xianweng, speechless.

Does he have friendship with the ancestors of Honghuang?

Yue Feng is too aware of the status of the ancestors of Honghuang in the realm of the gods. That is the master of the Nine Heavens God and Nuwa, the existence that the gods look up to, and this jade boy fairy, can climb up friendship with the ancestors of Honghuang, can he not let go? People are shocked?

Whoa!

However, the surrounding Elder Huo people were in an uproar, glaring at Yutong Xianweng one by one, and their bodies were filled with thick hostility.

Xia Yinzong originally had a grudge with Divine Realm, which was almost inexorable. And this Yutong Xianweng, since he is friends with the ancestors of Honghuang, is naturally the enemy of Xia Yinzong.

In anger, Elder Huo glanced at Yue Feng coldly: "Well, you Yue Feng, no wonder you dare to break into my Xia Yinzong so arrogantly. It turns out that there is God's Domain to help you." The

voice fell, and Nalan Wushuang also spoke coldly . Said: "Yue Feng, do you think that you can do whatever you want with a helper from God's Domain? You too underestimate our Xia Yinzong."

This...

Seeing that the situation is getting more and more stiff, Yue Feng is almost crying tears.

"Sect Master!"

At this moment, Elder Huo shouted and said to Nalan Wushuang: "Don't talk nonsense with them, just go ahead, if you can't catch them alive, just kill them." The

voice fell, and Elder Huo 's inner strength Running, raising his hand and waving, a flame burst out, coming directly towards Yutong Xianweng.

Seeing this scene, Yue Feng suddenly hung up, and he was about to rush over to help Yutong Xianweng resist.

However, Yutong Xianweng did not panic at all, but looked at Elder Huo with great interest: "Playing with fire in front of me? Your qualifications are still far behind."

Hu!

The voice fell, Yutong Xianweng took a deep breath, and then blew it towards the fire. In an instant, the seemingly incomparably violent flame went out directly.

What?

Seeing this scene, both Elder Huo and everyone else around were stunned.

The strength of this old man is so terrifying, with just one breath, he extinguished the flame of the fire elder? You must know that Elder Huo has cultivated the cultivation

method of the fire attribute since he was a child, and his research on fire has reached the pinnacle of the realm.

But the flame of Elder Huo was easily extinguished by this old man?

It's incredible, if you hadn't seen it with your own eyes, who would have believed it?

"You..."

Finally, Elder Huo reacted and stared closely at Immortal Yutong, almost getting angry: "I have some skills, come again!" After saying that, Elder Huo broke out, facing Immortal Yutong directly. pounce.

Looking at the rushing elder Huo, Yutong Xianweng shook his head, and said with no interest: "You are not strong enough, it is not fun to fight with you!"

After saying that, Yutong Xianweng pointed at the elder Huo: "Sure! "

Chapter 3963

Om!

At the moment when the last word fell, Elder Huo only felt a terrifying and invisible force attacked, and then his body shook, and he could not move at all.

How could this be?

At this moment, Elder Huo's brain was buzzing, and he was even more shocked when he looked at Yutong Xianweng's eyes.

As soon as the other party raised his hand, he couldn't move.

How did he do that?

I go!

At the same time, Yue Feng was also stunned, watching Yutong Xianweng unable to speak, his heart was full of amazement.

This...is this the rumored acupuncture?

According to rumors, cultivators have reached a very high level, and they can hold the enemy in place without getting close, but this kind of stunt only exists in ancient books and documents, and even the gods of the gods can't use it, but how? Unexpectedly, today it opened my eyes on Yutong Xianweng.

Hiss...

The people around Elder Feng were also dumbfounded. Before Elder Huo got close, was he clicked on the acupuncture point?

How is this possible?

In shock, Nalan Wushuang's delicate face flushed red, and then he shouted: "Let's go together!" The

dignified Yinzong has been inherited for nearly ten thousand years. If he can't win even an old man, how can he gain a foothold in Kyushu in the future?

Whoa!

As soon as the voice fell, the surrounding Elder Feng and the crowd recovered one by one and rushed towards Yutong Xianweng.

Seeing this scene, Yue Feng consciously stepped back. If it was normal, he would definitely come to help as soon as possible, but after seeing the real strength of Yutong Xianweng, he gave up his plan to take action.

Ugh!

At this moment, Yutong Xianweng smiled and sighed softly, then raised his right hand, and suddenly, an invisible breath swept out towards the surroundings.

In an instant, under the shroud of this power, Elder Feng and everyone only rushed halfway, and they were locked there one by one.

quiet!

In the entire main altar hall, there is a dead silence, whether it is Nalan Wushuang or Elder Feng and everyone else, they are all stupid.

Total shock.

This old man's strength is too terrifying. With so many people, he can't even touch his clothes. He is not a level opponent at all. How can he fight?

Haha....

Seeing this scene, Yue Feng smiled and felt extremely comfortable.

I thought that it would take a lot of hard work to go to the forbidden area in the back mountain to save Brother Wen and the others, but I didn't expect that Yutong Xianweng could deal with Nalan Wushuang and the others so easily.

Excited, Yue Feng clenched his fists at Yutong Xianweng and said gratefully: "Thank you, senior for helping me."

Yutong Xianweng smiled lightly and waved his hands: "You are welcome, please invite me to drink and eat delicious food, I will help you. Dealing with trouble is also what it should be."

Hearing this, Yue Feng couldn't help but smile, then rushed out of the hall and rushed towards the forbidden area of the back mountain.

Yutong Xianweng didn't have time to think about it, and followed closely.

call!

Soon, in front of the cave in the forbidden area of the back mountain, seeing the situation below, the stone hanging in Yue Feng's heart finally fell to the ground.

I saw that at the bottom of the cave, the huge figure of Jiaolong was lying there cross-legged, and around it, Wen Chou Chou and others were sitting cross-legged, holding their breaths and recovering.

No one is hurt.

Seeing this scene, Yue Feng was overjoyed and quickly jumped down.

"Brother Wen, Yingying..."

When approaching the bottom, Yue Feng couldn't help shouting.

Whoa!

Hearing the shouting, Wen Chou Chou, Ren Yingying, Ye Zhixin and others opened their eyes one after another. After seeing Yue Feng, they couldn't hide their excitement.

"Yue Feng!"

"Brother Yue Feng!"

"Fengzi..."

Excited, everyone quickly gathered around them, each with an undisguised joy on their faces.

Yue Feng took out the glazed purified water on his body and handed it to Dasheng Sun: "Dasheng, I have successfully obtained the colored glazed purified water. You and Xiaoyu should take it quickly."

Great!

Wen Chou Chou and others were extremely excited when they saw the colored glaze water.

Sun Dasheng and Wen Xiaoyu did not hesitate at all, and directly took the colored glaze water. In an instant, after taking the colored glazed water, they only felt that their bodies were incomparably light and transparent.

"Pfft..." In the

next second, Sun Dasheng and Wen Xiaoyu frowned at the same time, and then opened their mouths and spat out two bloody bugs. They saw that the bugs were the size of a fingernail and their whole body was blood red, which was very strange.

It is the soul-devouring bloodworm.

Chapter 3964

Soon, the two soul-eating bloodworms turned into a blood mist and disappeared under the gaze of everyone.

"Ma De!"

At this moment, Sun Dasheng clenched his fists and said ruthlessly: "It really is Bai Yunfei's ghost, I said, why do I feel that there is something wrong with this time." The

voice fell, Wen Chou Chou came over and pointed at Yue Feng Dao: "Fengzi, when you came down, you were not blocked by Xia Yinzong?"

Yue Feng smiled: "I have a senior to help, Xia Yinzong can't help me at all."

Senior?

Wen Chou Chou and Ren Yingying were all stunned.

Whoosh...

At this moment, a figure descended from mid-air, it was Yutong Xianweng.

Seeing Yutong Xianwen coming down, Yue Feng showed a smile, and quickly introduced to everyone: "Brother Wen, Yingying, this is the senior I said, Yutong Xianwen..."

Then, Yue Feng put the jade Tong Xianweng's origin was revealed.

What? Is this old man an immortal?

For a while, whether it was Wen Chou Chou or Ren Yingying, everyone was stunned, unable to speak for a long time.

After being stunned for more than ten seconds, Wen Chou Chou and other talents recovered and greeted Yutong Xianweng politely. At the same time, in his heart, he was also happy for Yue Feng.

Yue Feng met such a powerful friend, can you be unhappy?

At this time, Yue Feng thought of something and couldn't help but ask: "By the way, what the hell is going on? Why does Xia Yinzong believe that I killed Nalanqing."

Huh...

Hearing the question, Wen Chou Chou looked at each other in dismay.

The next second, Ren Yingying bit her lip lightly and said slowly, "I suspect that this matter is related to Bai Yunfei. At that time, we were besieged by the Tiandao Alliance, and then Bai Yunfei appeared with Xia Yinzong..."

In the next few minutes, Ren Yingying explained the situation in detail.

Mad!

Knowing the situation, Yue Feng's face was gloomy, and his heart was filled with anger. There are various indications that Bai Yunfei cannot escape Nalanqing's death.

Thinking of Bai Yunfei, Yue Feng was extremely annoyed.

This Bai Yunfei first took Su Qingyan away by despicable means, and then used the soul-eating bloodworm to control the Great Sage and Xiaoyu, and now, he blamed himself for killing Nalanqing.

"Fengzi!"

At this moment, Sun Dasheng said: "Don't think so much, all this is the ghost of Bai Yunfei, since you are back, let's kill the Five Poison Sect together and capture Bai Yunfei alive, when the time comes, all the natural truth is revealed." The

voice fell, Wen Chou Chou also nodded and said: "Yes, the culprit is Bai Yunfei, we can't let him go unpunished."

Hu...

Yue Feng took a deep breath, pondered, then nodded and said: "Okay, then let's go to the Five Poison Sect." After speaking, he was about to leave the cave with everyone.

"Wait!"

But at this moment, Yutong Xianweng, who had been silent next to him, suddenly stopped everyone.

The next second, Yutong Xianweng changed his playful attitude and said seriously to Yue Feng: "Then Bai Yunfei has planned so many things in the dark, so he must have been prepared, and will fall into his trap."

When Yue Feng heard it, he quickly said: "Senior, what should I do as you said?"

Before, Yutong Xianweng, in an understatement, fixed Elder Huo and everyone, shocked the audience, Yue Feng admired him, and saw him speak at this time, immediately ask for advice humbly.

Hmm...

Yutong Xianweng pondered for a while, and said slowly: "Let me make a divination." After saying that, he squatted on the ground, picked up a few stones, and began to do the divination.

I go!

Seeing this scene, Yue Feng was secretly shocked.

The divination technique of this Jade Boy Xianweng seems to be simple, but it has hidden secrets.

Yue Feng is no stranger to the art of divination, because Guiguzi is a well-known master of divination. It can be said that Guiguzi's accomplishments in the art of divination have been around for thousands of years in the entire Kyushu.

At this time, Yue Feng found out that the Yutong Xianweng in front of him was much more skilled in the art of divination than Guiguzi.

When Yue Feng was secretly shocked, Wen Chou Chou and everyone were stunned.

what's the situation?

What is this senior Yutong Xianweng doing?

However, under the doubts in their hearts, Wen Chou Chou did not dare to ask more questions.

Chapter 3965

“Haha, okay!”

After a few minutes, Yutong Xianweng clapped his hands and stood up, smiled at Yue Feng and said: “It’s useless for you to go to the Five Poison Sect now, the most important thing now is to go to the north The Sacred Sect of the Ying Continent, go to rescue the Sacred Sect’s Sacred Master Lei Shengyun.”

Going to the Sacred Sect?

Hearing this, Yue Feng frowned and his mind was a little messy.

Wen Chou Chou and everyone are also a little suspicious.

At this time, Yutong Xianweng took a deep breath and continued: “I saw from the hexagram just now that Bai Yunfei threatened Princess Dongling and asked her to catch the person with the body of pure yang to help the Demon Lord Gone. Body shaping.”

“Just now, Princess Dongling has found out that the current Sect Master Lei Shengyun is the body of pure yang.”

Is there such a thing?

Hearing this, Yue Feng was shocked.

As for Wen Chou Chou and others, they stared blankly at Yutong Xianweng and were shocked.

All these situations can be calculated, this Jade Child Immortal Weng’s divination technique is too powerful, right?

Finally, Yue Feng reacted and looked at the crowd and said, “Since the senior said so, let’s go directly to the Holy Sect!” Demon respect for life is no trivial matter, and there must be no delay for a moment.

As soon as he finished speaking, Yutong Xianweng shook his head and said: “No, they can’t go, you can only go alone.”

Yue Feng was stunned: “Why?”

Yutong Xianweng pointed to the hexagram on the ground, which was meaningful. He said, "The hexagram says very clearly, if you go alone, you can turn bad luck into good fortune. If you take them with you, you will never be saved."

Saying that, Yutong Xianweng looked at Wen Chou Chou and everyone, and continued: "They have been fighting for a few days before, and they have been severely exhausted. It is best to stay here and continue to recover. There is a dragon guard here, so don't worry about safety." Ah...

Hearing this, Yue Feng nodded.

Yutong Xianweng is an immortal from outside the sky, and Yue Feng is convinced of his words.

However, Wen Chou Chou and everyone were a little worried.

Ren Yingying came over, her delicate face couldn't hide her worry, and said to Yutong Xianweng: "Senior, Yue Feng alone, is it really okay? Are you wrong?"

"Wrong?"

Yu Tong Xianweng was very excited, blowing his beard and shouting: "I specialize in divination, and I have never missed it, little girl, you can't talk nonsense."

Although Yutong Xianweng is old, he has always been Retaining the urchin nature, seeing Ren Yingying not believing in herself at this time, she was a little anxious.

Ren Yingying has a quick mind, and when she encounters something she can't understand, she will ask the question to the end: "Senior said it's not a miss, then tell me, why do we go together, it's doomed, he alone can turn bad luck into good fortune. What?"

Huh!

The words fell, and the eyes of Wen Chou Chou all converged on Yutong Xianweng.

Yutong Xianweng looked embarrassed, scratched his head and said: "This.... I can't say the specific situation. I said so much just now, and the secret has been revealed." After speaking

, Yutong Xianweng glanced at Yue Feng: "If he hadn't invited me to drink and eat delicious food, I wouldn't risk revealing the secrets and give you a fortune-telling."

Seeing what he said, Ren Yingying couldn't ask any more questions.

This is, Yue Feng looked around: "Okay, since the senior said so, then you should stay here first, and I will go to the holy sect alone."

Immediately, Yue Feng looked at Yutong Xianweng: "Senior, Do you want to come with me?"

Yue Feng's eyes were full of anticipation when he said this.

Yutong Xianweng is so strong, with him following, everything will be done with half the effort.

However, what made Yue Feng disappointed was that Yutong Xianweng shook his head and refused: "I won't be with you, sigh, I originally wanted to come to Kyushu with you to enjoy delicious food, who knew the situation here was so unstable, just now I The secret has been leaked, I can't follow you anymore!"

Saying that, Yutong Xianweng thought of something, took out two oracle bones from his body, and handed them to Yue Feng: "You and I are like old friends, these two peeping spirit bones, just I gave it to you."

Peeping the Heavenly Spirit Bone?

Yue Feng took the oracle bone and thanked him politely: "Thank you, senior!"

At the same time, Yue Feng looked at the oracle bone in his hand, and saw that the two oracle bones were both oval and covered with hexagonal lines. Apparently, both pieces are turtle carapaces.
