

## The ultimate husband in Chinese chapter 4016-4020

### Chapter 4016

saw that the Nine Heavens God and the surrounding guests were all sitting there paralyzed, their faces pale, obviously suffering from highly poisonous symptoms. Not only that, but on the wedding stage, there was only the concubine Yuefeng, and the princess was nowhere to be seen.

Pfft!

After being stunned for a few seconds, the patrol leader at the head quickly knelt down, and said to Jiutian God in panic: "Your Majesty, this..."

Before he could finish speaking, Jiutian God interrupted anxiously: "Hurry up, go through the portal, go to Kyushu, and tell Haotian Divine Sovereign to come back."

When he said this, Jiutian God's face was weak, but his tone was unquestionable.

Dongling was taken away by Demon Venerable, and he must find a way to bring her back, but at this moment, all the subordinates in God's Domain have been hit by

Tianluosan, and he can't count on them at all. The only hope is all on Haotian God.

You must know that when Haotian Divine Lord went to Jiuzhou before, he took away hundreds of thousands of divine soldiers and generals, who were the main force of Jiutian God.

"Yes, Your Majesty!" The

voice fell, and the patrol captain didn't dare to neglect, he answered and walked out of Xianyuan quickly.

call!

Seeing this scene, Yue Feng couldn't help taking a deep breath, looking at Jiutian God's eyes with a bit of complexity.

Is God confused these nine days? Before Mozun could pretend to be the God of Haotian and break into the wedding, it proved that something had happened to the God of Haotian.

Under such circumstances, the Nine Heavens God also counted on the God of Haotian to turn the situation around, which is simply a nonsense.

Thinking to himself, Yue Feng closed his eyes and tried again to activate the power of his primordial spirit.

This chapter is provided by . Visit for daily update.

“His Majesty!”

After a while, the patrol leader ran back quickly, sweating profusely, and said in panic: “No, don’t go!”

Jiutian Shen frowned, and had a bad premonition: “What are you panicking? I didn’t let you pass the teleportation. Did the door go to Kyushu? Why did you come back? What happened?”

The patrol captain wiped his cold sweat and stammered: “Your Majesty, all the portals have been destroyed.”

What?

Hearing this, whether it was the Nine Heavens God or the guests around, they were all shocked.

Obviously, it was the Demon Lord Gone who destroyed the portal. The purpose is to disconnect God’s Domain from Kyushu.

Yue Feng was even more shocked and wanted to cry without tears.

Nima, all the portals have been destroyed, can’t I go back too?

For a while, the entire Xianyuan was silent, and a needle could be heard clearly.

“Everyone, don’t panic!”

After more than ten seconds, the God of Nine Heavens looked around and said slowly: “The duration of Tianluosan is no more than twelve hours. Now one day has passed, and the poison will be resolved soon. That’s it.”

Hearing this, both Yue Feng and the surrounding guests quickly held their breaths and tried to mobilize their primordial spirits.

Huhuhu....

After half an hour, I saw that the face of Jiutian God returned to normal. At the same time, the poisonous Tianluosan in everyone present disappeared completely.

At this moment, Yue Feng also felt that the weakness in his body disappeared.

“Bai Yuexingjun!” At this moment, Jiutian God looked around and shouted.

The voice fell, and a figure in the crowd came out and respectfully said to the Nine Heavens God: “This minister is here!”

It was Bai Yuexingjun.

Bai Yuexingjun is good at organ formation and is very appreciated by the Nine Heavens God.

“I ordered you to rebuild the portal immediately.” Jiutian God did not talk nonsense, and ordered: “How long will it take the fastest.” If the hundreds of thousands of divine soldiers and generals of Haotian Divine Sovereign cannot come back, the combat effectiveness of Divine Realm will be greatly weakened. Therefore, the portal must be fixed.

Bai Yuexingjun pondered for a while, then responded: “Avoid, it will take three hours at the earliest.”

Three hours?

Jiutian God frowned, stopped talking nonsense, waved his hand: “You hurry up, hurry up and hurry up.”

“Yes!” Bai Yuexingjun responded and left quickly.

call!

Seeing Bai Yuexingjun leave, Madam Hua Zhao, who was sitting beside her, frowned slightly, as if she couldn't understand, and said softly: “Strange, that Demon Lord Gone, after using Tianluosan to poison us, how good was it then? Chances are, but he didn't do it...”

“And now, he has destroyed all the portals in God's Domain. What he...does is really unpredictable...”

Chapter 4017

Yes!

Hearing this, many priests and guests around them also gave their opinions.

“Niangniang's words are not unreasonable. It is really intriguing for the Demon Venerable to do this.”

“Yeah, when I used Tianluosan to fascinate us before, he was completely capable of doing it, but he didn’t, just took Dongling away. Princess...”

“Could it be... what is the bigger conspiracy of Demon Venerable?”

Even Yue Feng frowned secretly.

Everyone’s suspicions are not unreasonable, what is the devil going to do?

The surrounding discussions kept coming, and the Nine Heavens God also fell silent, thinking silently about something.

“Mountain Sealing Mountain?” A

few seconds later, Jiutian God suddenly thought of something, his eyes flashed, and he almost blurted out: “Oops, Demon Lord Gone, he must have gone to Sealing Demon Mountain.” Sealing Mountain is the place where the demons

were buried . place of bones.

Tens of thousands of years ago, a fierce battle broke out between the gods and demons. At that time, the gods relied on their powerful strength to suppress the demons to death, and finally drove them to a mountain range on the border of the gods.

That battle was very tragic. Hundreds of thousands of demon tribes were defeated by demon souls and fell into a pool of blood. Demon Lord Gone was also physically destroyed, leaving only a trace of remnants and fled into the nine heavens.

Later, when God’s Domain cleaned up the battlefield, they buried hundreds of thousands of demon bones at the foot of the mountain, and called that mountain range, called the Sealing Demon Mountain, and deployed a powerful barrier around it.

For the next tens of thousands of years, the Demon Sealing Mountain has always been a forbidden place in the God’s Domain, because the evil spirits and grievances there are too heavy.

Demon Venerable went to Seal Demon Mountain?

At this moment, when they heard Jiutian God’s words, the whole audience was stunned.

Empress Hua Zhao frowned, she was very puzzled: “Your Majesty, what is the Demon Venerable going to do at Fengmo Mountain?”

Shuh!

The voice fell, and the eyes around him were also looking closely at the Nine Heavens God, waiting for his explanation.

Nine Heavens God took a deep breath and said solemnly: "In the war between gods and demons, although hundreds of thousands of demons were wiped out, their bones are still there."

"It stands to reason that those bones have been buried for tens of thousands of years, it is impossible It will be resurrected, but I have heard Master say that the blood of Demon Lord Gone has the ability to bring back the dead."

What?

Hearing this, the audience was dead silent, whether it was Yue Feng, or those priests and guests, they were all stunned.

Can the Demon Lord Gone resurrect the Demon Tribe who have been dead for tens of thousands of years?

It's... unbelievable.

At this moment, the God of Nine Heavens looked around and continued: "The Demon Lord Gone has just reshaped his body in Kyushu, and his strength has not yet returned to its peak state, so even if he used Tianluosan to fascinate us before, he did not Enough strength to completely kill me. There is no way to completely destroy this place."

"So, he took Dongling to inflict trauma on my soul, and then he destroyed all the portals in the God's Domain, that is, Prevent Kyushu from sending support."

Speaking of this, Jiutian God looked extremely solemn: "It will take a few hours for us to repair the portal, and in these hours, Demon Lord Gone has enough time to seal the Demon Mountain. When he resurrects the hundreds of thousands of demon tribesmen, the entire Divine Realm will enter a state of doom."

Phew...

At this moment, both Yue Feng and the surrounding priests couldn't help but take a deep breath.

If that's the case, it's terrifying.

After all, there are hundreds of thousands of demon tribes buried under the Demon Sealing Mountain. This burst of power is enough to destroy the entire God Realm.

"My dear gentlemen..."

At this time, the Nine Heavens God said again: "It is not too late, we must stop the Demon Venerable. Who among you is willing to take the lead and go to the Demon Sealing Mountain to find out

?

" Then, the priests and guests present looked at each other in dismay, and no one dared to stand up.

The atmosphere was also extremely depressing.

They are not stupid. This time they have to face, but the Demon Lord Gone, even the God of Nine Heavens is not an opponent. Who dares to take risks on the Demon Sealing Mountain? If I really met the Demon Lord Gone, it was a dead end.

Seeing that no one stood up, Jiutian God's face was extremely ugly, and he was very unhappy: "What? Usually, everyone is rushing to give allegiance to me. At a critical moment, no one dares to stand up?"

Feeling the wrath of Jiutian God, Numerous priests and guests were extremely apprehensive.

"Your Majesty!"

Finally, a figure slowly walked out, it was Xingri Xingri.

Chapter 4018

When he arrived at the front, the star of the sun saluted the God of the Nine Heavens, and slowly said: "This matter is no trivial matter. I am just mediocre. If I really want to meet the Demon Lord Gone, I am not an opponent at all.

" Xingjun looked around and continued: "Wei Chen recommends someone who can take on this role."

"Who?" Jiutian God looked impatient.

Sun Xingjun raised his hand and pointed to Yue Feng: "It's him, the Yulong Consort Yue Feng!"

Yue Feng?

Hearing this, Jiutian God was stunned.

Yue Feng was also shocked, what the hell, why did he suddenly involve me?

“Your Majesty!”

At this moment, Xingri Xingri showed a smile and talked eloquently: “Looking at the entire Divine Realm, the strongest person is naturally His Majesty, but His Majesty’s status is noble, and naturally he cannot rush to Fengmo Mountain.”

“Then It is Haotian Divine Sovereign. However, Haotian Divine Sovereign is in Kyushu at this time, and the portals of the Divine Realm have been destroyed, so His Excellency Divine Sovereign will not be able to come back for a while, so naturally I can’t count on it.”

“Except Your Majesty and Hao . Tianshenjun, the only person who is qualified to go to Fengmo Mountain is Yue Feng. After all, Yue Feng is not only the Jiutian Xuansheng proclaimed by the ancestors, but also the princess’ concubine. Before the demon took the princess, Yue Feng was the concubine. If the concubine can successfully prevent the Demon Venerable from resurrecting the Demon tribe and rescue the princess, it must be a story that will last forever.” After

speaking, the priests and guests around him nodded and said yes. .

Mad!

However, Yue Feng was very speechless, looking at Xingjun Yaori’s eyes, it was even more contemptuous.

This Luminary Xingjun, obviously afraid in his heart, dare not go to Feng Moshan, but his mouth is high-sounding.

Thinking to himself, Yue Feng watched the Nine Heavens God’s reaction closely, Nima, the Nine Heavens God will not really send me there.

Um!

At this time, Jiutian God pondered for a moment, and nodded in agreement: “Xingri Xingjun is right, and the best person to go to Fengmo Mountain is only Yue Feng.” After speaking

, Jiutian God’s eyes fell on Yue Feng On his body, he said with a smile that was not a smile: “Yue Feng, I will now designate you as the general of the Demon Slayer Striker, and then I can lead 50,000 heavenly soldiers to go to the Demon Sealing Mountain to find out the truth. If the Demon Lord Gone really wants to revive the Demon Tribe. , no matter what method you use, you must not let him succeed, you know?” The

voice was not loud, but it was full of majesty, unquestionable.

Swish!

At this moment, the eyes of the audience all converged on Yue Feng.

Under the gazes of the surrounding, Yue Feng wanted to cry but had no tears, so he had to step forward to give the order: "Yue Feng leads the order." To

be honest, Yue Feng wanted to refuse, and he was not sure about the Demon Lord Gone. , but there is no way, if you refuse, it is disobedience, and the end is death.

Left and right are dead, it is better to fight.

"Very good!"

Seeing Yue Feng nodding in agreement, Jiutian God nodded with great relief, and then looked around: "Next, we have to choose a lieutenant to assist Yue Feng, who would you like?" The

voice fell, There was silence again.

No one is stupid, to follow Yue Feng to Feng Mo Mountain is to die.

Seeing this scene, Yue Feng chuckled lightly.

This is still the gods above, and they have no courage at all. They are not as good as those Jianghu sects in Kyushu.

"My subordinates are willing."

However, at this moment, a resounding voice remembered, and then, a figure walked out quickly, wearing a golden armor, majestic and majestic, it was Gong Ao.

At the beginning, Gong Ao decided to sever ties with Princess Dongling, and handed Princess Dongling over to Divine Sovereign Haotian. After that, they returned to God's Domain together.

At this time, Gong Ao strode out and respectfully said to the Nine Heavens God: "My subordinate Gong Ao, I would like to be a lieutenant and assist the Jade Dragon Consort to go to Fengmo Mountain."

When saying this, Gong Ao's face was full of loyalty and seriousness, But there was a bit of evil in his eyes.

Yes, Gong Ao cut off the relationship with Princess Dongling on the surface, but deep down, he still hated Yue Feng. After all, he had admired Princess Dongling for so many years, and it was about to come to an end. The wind kicked in.

What made him even more unbearable was that Yue Feng had taken away Princess Dongling's chastity.

How can this be tolerated?

Chapter 4019

It's just that it is an indisputable fact that Yue Feng was named Jade Dragon Consort by the Nine Heavens God, and his status has risen, so Gong Ao has kept this anger deep in his heart.

At this time, seeing that the Nine Heavens God was going to send Yue Feng to investigate Fengmo Mountain, Gong Ao knew that his chance for revenge had come.

"Okay!"

Seeing Gong Ao taking the initiative to come out, Mao Sui recommended himself. Jiutian God was very happy and nodded in approval: "Gong Ao, you really did not disappoint me, so I will appoint you as a lieutenant, and quickly prepare to go to Feng Mo Mountain."

"Yes, Your Majesty!"

Gong Ao responded and left Yuyao Xianyuan with Yue Feng.

When walking out of Yuyao Xianyuan, Yue Feng did not speak, but his eyes kept on Gong Ao.

At this time, Yue Feng was also very puzzled.

This Gong Ao, I robbed Princess Dongling that he liked, but instead of showing any resentment, he offered himself to help me... It's really unexpected.

Yue Feng's gaze made Gong Ao feel uncomfortable, but he didn't dare to show it.

"Your Majesty!"

Soon, after leaving the Yuyao Xianyuan, Gong Ao cautiously said, "Why are you looking at me like this? Is there something wrong?"

Yue Feng was not polite, and directly said what he thought. came out.

Phew ...

At this moment, Gong Ao took a deep breath and said with a smile: "Your Majesty, you are really worrying too much. You and the princess are so talented and beautiful, how can I feel resentment?"

"I really like the princess, but I don't dare to have excessive expectations. I'm just a small commander, how can I be a princess? You are different. You are the God of the Nine Heavens proclaimed by the ancestors, and you are powerful, and you are the same as the princess. The door is right."

When he said this, Gong Ao's face was full of sincerity, and at the same time he always paid attention to the changes in Yue Feng's expression.

Yue Feng naturally didn't believe it, and looked at him with a half-smile, "Really?"

Pfft!

Gong Ao was stunned for a moment, then he pretended to be very flustered, and quickly knelt on the ground: "Your Majesty, the concubine has a clear view, what your subordinate said is true, if there is any falsehood, teach me to destroy the primordial spirit." After speaking

, Gong Ao After thinking for a while, he continued: "I know that Your Majesty has some suspicions about me. Speaking of

which , my subordinates do not dare to have any extravagant expectations for the princess. This time I took the initiative to recommend myself, just to make military achievements and be appreciated by Your Majesty." .

Seeing Gong Ao's terrified look, Yue Feng completely let go of his suspicions. He smiled slightly and raised his hand and said, "Commander Gong, I'm just asking casually, you don't need to be nervous, get up quickly."

After that, Yue Fengshen said Taking a breath, his expression gradually became solemn: "It's not too late, let's quickly gather the army and go to Fengmo Mountain."

At this time, Yue Feng was calm on the surface, but his heart was extremely uneasy, and he kept praying secretly.

I hope that the God of the Nine Heavens guessed wrong, and the Demon Lord Gone was not in the Demon Sealing Mountain.

Speaking of which, Yue Feng had thought about using the Spirit Bone, but he finally held back. When he was in the prison, he had already used one, and this last one could not be used casually.

"Follow the order!" Gong Ao responded, and hurriedly went to assemble the army.

Dong Dong Dong... A

few minutes later, tens of thousands of divine soldiers were assembled, and under the leadership of Yue Feng, they marched mightily towards Feng Mo Mountain.

...

On the other side, Feng Mo Mountain.

Fengmo Mountain is located on the northwestern border of God's Domain. On the other side of the mountain range is the Primal Chaos Void. After the Primal Chaos Void is nine days away, the environment here is harsh, with gloomy air all year round, and the air is filled with a strong evil spirit.

This is a forbidden area in the forbidden area. Even if the patrolling soldiers come to this area, they will deliberately bypass the Fengmo Mountain.

hum!

At this moment, a terrifying aura erupted from the distant horizon, and then, a figure stood proudly atop the top of Fengmo Mountain, like lightning.

It was the Demon Lord Gone.

The Nine Heavens God guessed it well. The Demon Lord Gonie used Tianluo San to fascinate the Nine Heavens Gods, but he didn't make a move after that because he had just reshaped his body and had not recovered to his peak strength.

As for destroying all the portals in God's Domain, it is to buy time for the resurrection of the demon tribe.

"How many years."

At this moment, Demon Venerable stood there, staring at a depression at the foot of the mountain, his tone was full of emotion and excitement: "This Venerable is finally back, my subjects and warriors, you don't need to sleep in That's it."

Chapter 4020

Om!

The voice fell, and the figure of Demon Venerable slowly floated up. Then, a violent and unparalleled force erupted. In an instant, lightning flashed and dark clouds rolled over the entire Demon Sealing Mountain.

Immediately, the power that Demon Lord Gone erupted quickly condensed in the air, forming eighteen black dragons, madly submerging into the depression below.

Rumbling...

In an instant, I saw that the depression vibrated violently, the vibration became stronger and stronger, and the entire Fengmo Mountain shook violently, as if the end of the world.

Kachacha.... The

violent vibration lasted for more than ten minutes, and I saw stone pillars bursting out of the ground around the depression. These stone pillars were extremely huge, several meters in diameter, and there were 18 in total, forming a huge circle. shape.

The stone pillar slowly rose until it reached a height of 100 meters before it stopped.

At this time, the Demon Lord Gone did not hesitate at all, his figure flashed, suspended above the center of the eighteen stone pillars, his eyes flashing with terrifying light.

In the next second, Demon Lord Gone cut his wrist, and blood spurted immediately. However, the spurting blood did not land directly, but was pulled by an invisible force, turned into eighteen blood lines, and flowed to the surrounding eighteen. On the huge stone pillar, then, blood was left along the stone pillar, forming strange runes.

That's right, what Demon Lord Gone deployed at this time was the top-secret formation only possessed by the Demon Race: the Demon Blood Sacrifice.

Huhuhu....

Eighteen stone pillars, after the blood-colored runes appeared, the blood continued to stay and penetrated deep into the underground soil. In an instant, the entire blood-stained magic circle was filled with an incomparably sinister power fluctuation. .

Not only that, the billowing dark clouds above his head also seemed to be affected and gradually turned bloody.

The blood-colored clouds shrouded the entire Demon Sealing Mountain, which looked extremely strange.

At this time, not far from Fengmo Mountain, Yue Feng and Gong Ao led tens of thousands of divine soldiers to come quickly.

hiss!

When they approached Fengmo Mountain, they were all stunned when they saw the scene in front of them, whether it was Yue Feng, Gong Ao and those divine soldiers.

I saw that the entire Demon Sealing Mountain was shrouded in a blood-colored cloud.

Not only that, but eighteen huge stone pillars stood around the depression below the Demon Sealing Mountain, and blood lines were connected between the stone pillars.

And at the intersection of these blood lines, a figure hovered proudly there, and the whole body was filled with the terrifying power of destroying the sky and destroying the earth.

It was the Demon Lord Gone.

Seeing this scene, Yue Feng and Gong Ao were extremely shocked.

Oops, the Demon Venerable is really here.

Moreover, the Nine Heavens God did not guess wrong, the Demon Venerable really wanted to resurrect the Demon Tribe who were buried here.

call!

At this moment, Gong Ao took a deep breath, calmed down, and said to Yue Feng: "Consort, this Demon Venerable is resurrecting his followers. Seeing that the situation is at a critical moment, we can just make a surprise attack."

Hearing this After saying this, Yue Feng's eyes were calm and he shook his head: "Don't make a move rashly. We don't know what the situation is with these eighteen stone pillars."

When he said this, Yue Feng's face was solemn.

At this time, Yue Feng was very shocked. He could see that the eighteen huge stone pillars in front of him were a formation, but this formation was too suffocating, and there was no record in "Bai Qi Shen Formation".

It can be said that it was the first time that Yue Feng had seen such a terrifying and strange formation, and of course he did not dare to act rashly.

Seeing that Yue Feng was not planning to take action, Gong Ao's eyes flashed with gloom.

As the highly respected commander of the Nine Heavens God, Gong Ao was not stupid, and he saw the power of the formation in front of him. The reason why he encouraged Yue Feng to take action was to make Yue Feng make mistakes. At that time, Gong Ao

could find an opportunity to get rid of Yue Feng. Feng, the shame that Princess Snow was robbed.

If he failed, Gong Ao turned his eyes and looked very anxious: “Concubine, the situation is urgent. When Demon Venerable resurrects his followers, it will be too late. At this time, you must be decisive.”

With that said, Gong Ao turned his head and shouted at tens of thousands of divine soldiers, “Quick, rush in and stop the Demon Venerable from doing what he did.”  
Swoosh,

swish... The

voice fell, and thousands of divine soldiers erupted one after another, heading towards the air. The Demon Venerable in rushes away.
