Chapter 4081

Seeing that he took back what he said before, Liya was in a good mood, she grabbed Yue Feng's hand and said with a smile: "I knew you couldn't bear it, let's go, it is said that the cave is very spacious and suitable for healing. "

Yue Feng smiled and was pulled towards the cave by Liya.

....

On the other side, not far from the demon clan's territory, Gong Ao brought thousands of divine soldiers and generals to camp here to rest.

At this time, in the military tent of the main camp.

Gong Ao sat there with a gloomy expression on his face.

Speaking of which, Gong Ao had already planned to release the 'rescue talisman' when it was dark, attracting the surrounding demon warriors and forcing the demon race to join the war.

But just now, the magic soldiers patrolling outside came to report, saying that the White Tiger King was organizing all the demon clan to transfer the territory. When he heard the news, Gong Ao almost vomited blood!

In anger, Gong Ao wanted to question the White Tiger King, but he held back when he thought that he had only a few thousand troops.

To be honest, Gong Ao has always been very confident in his own strength. Even if he fights against the White Tiger King alone, it is not false.

But if you let the demon clan transfer, you will not have the capital to 'make up for your faults', how can you go back to meet the Nine Heavens God?

Mad!

For a while, Gong Ao became more and more angry, sitting there, drinking non-stop.

Faced with this situation, the god generals standing beside them all had extremely complicated expressions, and they didn't dare to let out the air.

"Command Your Excellency!"

This chapter is provided by . Visit for daily update.

At this moment, a god general came out and couldn't help saying: "Then the White Tiger King really doesn't take us seriously, and he always refuses to see the commander, and now he is quietly taking the demon clan to transfer the territory and command your Excellency, this kind of thing. The White Tiger King has already done it, so we don't need to worry about it."

After speaking, the god raised the corner of his mouth, revealing a hint of gloom: "In my opinion, we pretended to be demon warriors, and in the process of demon clan transfer, constant nuisance, when the time comes, the White Tiger King can't bear it anymore, and he will definitely take the initiative to declare war with the Demon Race." The

voice fell, and the other gods nodded in succession.

"This method is not bad."

"I also think it is feasible... The White Tiger King is not benevolent, and we are not righteous." "

Yes, we cannot let them be successfully transferred."

A circle said coldly: "Don't mention this kind of trick. The White Tiger King is one of the four innate spirit beasts, not the idiots you think. No matter how fake we are, the White Tiger King has a way to see our identity!"

"Moreover, there is also a Xuanwu King beside the White Tiger King."

"Once our counterfeiting is exposed, there will be new grievances between the demon clan and the God's Domain. When that time comes, how do you ask me to explain to His Majesty?"

This...

listen At this point, more than a dozen god generals looked at each other, all embarrassed and speechless.

Just as he was talking, he saw a divine soldier walk in quickly, knelt in front of Gong Ao, and said respectfully: "Your Excellency, there is a team of monsters coming to our camp. The purpose is unknown, we are already on alert."

What?

Hearing this, both Gong Ao and those divine generals were all taken aback.

Isn't the demon clan going to transfer territory? Why did you suddenly send a team over?

Could it be... the demon clan secretly allied with the demon clan?

A few seconds later, Gong Ao took the lead in reacting and waved his hand: "Go, go out and see!" After saying that, he walked out of the tent first.

A dozen gods will quickly follow behind.

Um?

As soon as he arrived outside, seeing the scene in front of him, Gong Ao frowned and couldn't help taking a deep breath.

I saw thousands of monster warriors, rushing in like a tide, imposing like a rainbow, and at the front, a burly figure, suspended in the air, wearing black armor, majestic.

It was Wei An.

Seeing this scene, Gong Ao's expression changed, and he muttered in his heart.

What's the meaning? Are these sent by the White Tiger King? Want to kill yourself?

"Hey!" In the

next second, Gong Ao reacted, his eyes fixed on Wei An, and he sneered: "Who are you? What do you mean by bringing so many monster warriors into my camp?"

"At that time, Gong Ao secretly winked at the dozen or so gods beside him, making them prepare for battle.

Chapter 4082

"Hehe!"

Feeling Gong Ao's hostility, Wei An didn't panic at all, and showed a smile: "Don't be nervous, Commander Gong Ao, my name is Wei An, the son of King Xuanwu, and there is no malice in coming here rashly. I came to form an alliance with you!"

Wei An waved his hand.

In an instant, thousands of Xuanwu warriors around him retreated.

Ally?

Hearing this, Gong Ao was stunned for a moment, then showed a smile, nodded and said, "It turns out to be the son of King Xuanwu, disrespectful and disrespectful." After

speaking, Gong Ao said to the guards around him: "You too Retire."

Gong Ao was very excited at this time, thinking that this Wei An was specially sent by the White Tiger King. After all, he was the son of the Xuanwu King and had an extraordinary position. In the entire demon clan, except for the White Tiger King and the Xuanwu King, who else can command him?

Hearing Gong Ao's order, the gods and soldiers who were ready for battle were secretly relieved, thinking that these monster warriors were here to find trouble. After a long time, it turned out to be an alliance.

"Master Wei An, please come in."

At this moment, Gong Ao smiled at Wei An and made a gesture of invitation.

Wei An was not polite, and with Gong Ao's greeting, strode into the tent.

"Young Master!"

Soon, after taking a seat in the tent, Gong Ao looked at Wei An with a smile: "I came to form an alliance this time, I don't know what conditions the White Tiger King has."

In Gong Ao's heart, the White Tiger King was always reluctant. Seeing himself, he must be thinking about the conditions, and at this time, Wei An suddenly came with the monster warriors, which means that the White Tiger King has thought about the conditions.

However, Gong Ao didn't know that Wei An was not sent by the White Tiger King at all.

"Your Excellency!"

Wei An showed a smile, looked at Gong Ao and said, "I think you have misunderstood. I brought my hands down this time, not because of the White Tiger King. It doesn't mean the demon clan, but I want to make peace with myself. Your alliance."

Huh?

Hearing this, Gong Ao was stunned for a moment, and felt a little unhappy in his heart.

Mad, thought that this kid was sent by the White Tiger King, and it was his personal wish to do it for a long time.

Thinking to himself, Gong Ao lost his previous excitement, and said in a light tone: "This is interesting, the son can't represent the entire demon clan, so it seems a bit inappropriate to rush to me like this."

"Thousands of demon warriors, but these warriors are all good at fighting." Wei An responded neither humble nor arrogant.

On the way here, Wei An thought about it, Gong Ao knew the truth and would definitely look down on himself.

But the bow did not turn back.

For the sake of my own dignity, since I have taken this step, I will never regret it.

"Haha..."

Gong Ao couldn't help laughing, looking at Wei An's eyes with a bit of mockery: "Young master is burly, he looks like a brave man, this commander doesn't mean to look down on you, I'm just thinking, after forming an alliance with you, you thousands of monster warriors can't change the current situation."

Gong Ao is telling the truth, there are demon warriors activities everywhere around Fengmo Mountain. Those Demon Race warriors were all terrifyingly powerful, and only relying on Wei An and the thousands of Demon Race warriors would not be able to turn the situation around.

call...

Hearing this, Wei An took a deep breath and said with a smile, "What the commander of the palace said is not without reason, but the main purpose of my alliance this time is not to deal with the demons."

Isn't it to deal with the demons?

Gong Ao frowned, and he was very unhappy. Nima, this kid named Wei An, is there something wrong with his brain? If you don't deal with the demons, what are you doing with me?

Noticing Gong Ao's expression, Wei An smiled slightly and continued, "Commander Gong, I take the liberty to ask, is there a festival between you and Yue Feng?"

When he said this, Wei An's expression was indifferent, but his eyes flickering a bit of complexity.

Although Wei An is reckless, he is not a fool. Before Yue Feng and Gong Ao arrived in the demon clan territory together, Yue Feng had a dirty face and was very embarrassed, and he almost changed himself.

At that time, Wei An also noticed that Yue Feng, as the Nine Heavens Profound Sage of the Divine Realm, was originally Gong Ao's immediate boss, but Yue Feng did not

communicate with Gong Ao from beginning to end, and even deliberately kept a distance.

At first, Wei An didn't think anything, but later because of Liya's matter, after thinking about it carefully, he felt that there was something strange about it.

Chapter 4083

Later, in front of Gong Ao, the White Tiger King did not reveal the identity of Yue Feng, and he was also a big hero of the demon clan. Knowing that at that time, Wei An guessed that there must be a grudge between Yue Feng and Gong Ao.

Otherwise, Yue Feng would not deliberately make himself so embarrassed and conceal his identity.

It is precisely because of this that Wei An made a desperate attempt, brought his subordinates, and came to the Gong Ao Alliance. It was just a guess. At this time, when he saw Gong Ao, Wei An still wanted to confirm it.

Swish.

Hearing Wei An mentioning Yue Feng, Gong Ao's face instantly gloomy, and his heart became vigilant.

Mad, this Wei An will not be sent by the White Tiger King, I guess it is his own words?

But after thinking about it, Yue Feng is not here at all. It is impossible for the White Tiger King and the Yaozu to know that they are plotting against Yue Feng. In this case, there is no need for the White Tiger King to do so.

Muttering in his heart, Gong Ao looked at Wei An and said coldly, "Young Master, what do you mean by that? Yue Feng made the Nine Heavens Profound Sage in our God's Domain second only to His Majesty the Nine Heavens, and I admire him very much. I've never been disrespectful at all, where did the festival come from? You can't talk nonsense in the future."

Gong Ao was very cautious, and he didn't want to reveal a single word until he was unsure of Wei An's true purpose.

Hehe...

Hearing this answer, Wei An couldn't help laughing: "It seems that Commander Gong still doesn't believe me."

"How do you say this?" Gong Ao's face changed, and he said lightly.

Wei An took a deep breath and said slowly, "If you don't have a holiday, why would Yue Feng hide his identity from you? Besides, even the White Tiger King has to cover it up for him?"

Huh?

Hearing what he said, Gong Ao's heart was shocked, and he quickly said: "Master Wei An, please make it clearer and don't be sloppy."

At this time, Gong Ao's face seemed calm, but his heart was panicked to death.

Because he got a message from Wei An, that Yue Feng did not die in the blood sacrifice formation at the foot of Fengmo Mountain, but came to the demon clan territory.

Seeing Gong Ao's reaction, Wei An smiled slightly: "It seems that the commander of the palace is really kept in the dark..." After speaking, Wei An explained the situation at that time.

At the end of the story, Wei An looked at Gong Ao with a half-smiling smile and said, "Yue Feng was with Mengya at the time, but unfortunately, not only was you the commander of the palace, but even me and the other demon warriors were all killed. deceived."

What?

The lame man who was with Miss Mengya at that time was Yue Feng?

Knowing the situation, Gong Ao's face was gloomy, and his heart was even more annoyed and regretful.

If I had known this earlier, I could easily kill Yue Feng when I first met him by the stream. After all, at that time, Yue Feng had broken a leg, and his whole state was extremely weak.

It's just that it's all over now.

Seeing Gong Ao's expression, Wei An continued: "Commander Gong, the reason why I guess there is a grudge between you and Yue Feng is because you also helped him to conceal your identity at that time, the White Tiger King, perhaps this topic involves your privacy. , so please don't take offense." Hearing this, Gong Ao took a deep

breath

, did not respond, and his face was gloomy.

Finally, after a few minutes, Gong Ao slowly opened his mouth and said, "Young Master Wei An, what do you mean by telling me this?"

Wei An smiled and said, "It's very simple, because Yue Feng and I also have a relationship. resentment."

After speaking, Wei An explained the situation in detail, and at the end, Wei An couldn't hide his anger, and said fiercely: "Ma De, Yue Feng stole my Liya, how could I just let it go? ?" That's

right.

Knowing the situation, Gong Ao's eyes flashed, and he smiled, and asked randomly, "So, do you know where the cave where Yue Feng was recuperating is?"

At this time, Gong Ao was in a very comfortable mood. This Wei An was also robbed of a woman by Yue Feng. If so, he would have nothing to worry about.

"Of course I do." Wei An sat there, took a sip of wine leisurely, and answered without thinking.

Swish.

Gong Ao didn't have time to think, he stood up all of a sudden, his eyes flashed with hot light: "In that case, let's kill it together." Yue Feng's status is extraordinary and his strength is strong, he must not be allowed to regain his strength, let alone let him go alive. See the Nine Heavens God.

Chapter 4084

Once his plot against Yue Feng is revealed, the Nine Heavens God will not forgive him lightly.

However, Wei An sat there without any intention of getting up, but continued drinking and said with a smile, "Commander Gong, what are you in a hurry, Yue Feng is resting in the cave, and he won't be able to run away for a while.

" Then, Wei An looked at Gong Ao with a half-smile, "I really want to know what kind of grievance there is between you and Yue Feng."

This...

Gong Ao frowned and said lightly, "You don't need to know this. Right?"

In Gong Ao's heart, being robbed of Princess Dongling by Yue Feng was the pain of a lifetime, and this matter was about his dignity, how could he say so easily?

Hearing Gong Ao say this, Wei An shook his head and was very disappointed: “Commander Gong, you are wrong, I took the initiative to form an alliance, and I even told my grievances and grievances with Yue Feng, which is full of sincerity. “

But you and Yue Feng’s hatred is hidden from me. If you do this, how can we work closely together?”

“Since we want to cooperate, we must be honest with each other. I tell my secrets, and you tell yours.” It’s fair to keep a secret, what do you think?” The

words were so sensible that they couldn’t be refuted.

Wei An seems reckless, but he is actually very smart. He knows that to cooperate with an existence like Gong Ao, he must have the other party’s handle. Otherwise, the other party is still in the alliance one moment ago, and he may sell himself the next moment. . Pheh

...

At this moment, Gong Ao took a deep breath, hesitated for a moment, and finally nodded and said, “Okay, since Young Master Wei An said so, then I won’t hide it.”

The matter of Princess Ling and the grievances and entanglements with Yue Feng were all spoken out.

Of course Gong Ao loves face, he did not say that Yue Feng took away Princess Dongling’s innocence, only that Yue Feng used despicable means to force Jiutian God to betrothed Princess Dongling to him.

At the end of the story, Gong Ao clenched his fists and said ruthlessly, “That Yue Feng looks benevolent and righteous, but he is actually a hypocrite. He stole my Princess Dongling, and I will make him doomed. To be honest, he was in Fengmo Mountain before. It was I who plotted against Yue Feng, which caused him to faint in the blood sacrifice formation of Demon Venerable, and he also broke a leg. Therefore, he later concealed his identity and infiltrated Miss Mengya’s team. When he saw me, he didn’t dare to expose it. Because he knows that once I see through his identity, he will not be able to live.”

At this time Gong Ao had a look of grief and indignation, but the look in Wei An’s eyes also showed a bit of gloom.

Gong Ao was ten extremely conceited people with strong self-esteem. At this time, Wei An forced him to tell his secrets. It didn’t matter on the surface, but he was actually very upset.

Gong Ao thought about it, and when Wei An cooperated with him to kill Yue Feng, he would get rid of him. You must know that the matter between you and Princess Dongling is no trivial matter, and this secret must not be leaked out.

At this time, Wei An didn't know that he forced Gong Ao to tell the secret, which had already inspired his inner killing intent. But very sympathetic.

“Commander of the Palace.”

At this moment, Wei An raised his glass and said earnestly, “It turns out that you were also taken away by Yue Feng’s beloved woman. It seems that the two of us are really connected by the same fate.”

“In that case, we are here . Blood is an alliance here, and we won't stop until we kill Yue Feng.”

Gong Ao nodded again and again and laughed: “Okay, don't stop until you kill Yue Feng.” After speaking, he and Wei An exchanged a glass of wine.

Haha...

After drinking all the wine in the glass, Gong Ao and Wei An looked at each other and laughed.

A few minutes later, Gong Ao quickly gathered the gods and soldiers of the camp, followed Wei An, and rushed towards the cave where Yue Feng was recuperating.

.....

On the other side, in the

Imperial Palace, the Nine Heavens God was sitting on the throne, his face was extremely gloomy.

Below, Haotian Divine Sovereign and other priests stood there, all of them restless.

A day ago, Haotian God Sovereign was ordered to lead hundreds of thousands of divine soldiers and generals to go to Fengmo Mountain to stop the Demon Lord Gone, but the result was a failure. .

That battle continued all night, and finally ended in a disastrous defeat for Haotian Divine Sovereign. At that time, Haotian Divine Sovereign was frightened and angered, so he had to order the remaining divine soldiers and generals to escape.

Chapter 4085

This was done at the time to reduce casualties, but Haotian Shenjun did not expect that less than 100,000 people have successfully escaped back to Yutian Palace after half a day, while Gong Ao and other god soldiers and generals are completely in harmony with each other. Haotian Divine Sovereign lost contact, and has not come back with news until now.

Huh...

At this moment, the Nine Heavens God looked around and said coldly, "Is there any news from Gong Ao?" The words

fell, and the priests present bowed their heads and said nothing.

puff.

At this moment, Divine Sovereign Haotian walked out quickly, knelt down in front of the Nine Heavens God, and said ashamedly: "Your Majesty, it was all my fault for the battle to seal the Demon Mountain. We won't succeed in resurrecting the demon tribe. And now, we won't be so passive..."

Jiutian God sighed and waved his hand: "Forget it, although you are at fault, you can't blame it entirely..."

Om...

As he was talking, suddenly a strong breath came from the sky outside. The bright sky suddenly became gloomy. Day and night.

what's the situation?

Feeling the powerful aura fluctuations from outside, whether it was the Haotian Divine Sovereign or the surrounding priests, they were all inexplicably shocked.

Jiutian God also frowned, with a bad premonition.

"Your Majesty!"

It was at this time that a patrolling soldier rushed into the Yutian Palace in a panic, his forehead was covered in sweat, and he said in panic: "Your Majesty is not good, the demons... The demons are attacking!"

When he said this, the voice of the magic soldier trembled, and he almost collapsed to the ground!

What?

Hearing this, whether it was the Nine Heavens God, or the Haotian God Monarch and the surrounding priests, their expressions changed.

“Quick.” The

next second, Jiutian God stood up suddenly and shouted: “Quick, gather all the troops and prepare to meet the enemy.” The voice fell, and he walked out of the Yutian Palace quickly.

Haotian Divine Sovereign and many priests did not dare to neglect and followed closely.

hiss!

Arriving outside the Yutian Palace, seeing the scene in front of him, Jiutian God was shocked, he couldn't help taking a breath, and the Haotian God next to him also felt his head buzzing.

I saw an army of hundreds of thousands of demons coming from the sky like a tide. These demonic armies, one by one, wearing black armor and holding blood-colored long knives, surrounded the Yutian Palace in a blink of an eye.

In the sky above the demon army, Demon Lord Gone quietly hovered there, his expression proud and majestic.

Seeing this scene, Jiutian God was indifferent on the surface, but he was a little flustered in his heart.

This Demon Lord Gone came too fast. The previous defeat at the Demon Sealing Mountain, Gong Ao and many gods and soldiers have not yet returned. Now the Yutian Palace has only nearly 100,000 troops, how can he compete with the Demon Lord Gone?

Swish!

At this moment, the Demon Lord Gone, who was suspended in mid-air, suddenly locked his eyes on the Nine Heavens God, with a proud and arrogant expression: “Nine Heavens God, didn't you expect the deity to come so soon?”

“If I guess correctly, Your master, the ancient ancestor of the ancient world, is still practicing in seclusion. Haha... Without the blessing of the ancient ancestor of the ancient world, you are just a waste in my eyes.”

“Those who are sensible, come over and kneel and surrender immediately, otherwise, I will pacify you. The Royal Palace of Heaven.”

When he shouted the last sentence, the Demon Lord Gone stood proudly in the air, his face full of contempt.

Huh?

Hearing this, whether it was the Haotian Divine Sovereign or the many priests around, they were all shocked and furious.

Crazy, this Demon Lord Gone is really crazy.

The Nine Heavens God is also the ruler of the God Realm after all, but at this time he is so contemptuous by the Demon Lord Gone.

“Okay, very good!”

At this moment, Jiutian God also blushed and looked closely at the Demon Lord Gone: “In my heart, you are just a prisoner who escaped from the ghost world by chance, and let you successfully resurrect the demon clan before. My followers, it was just our negligence, and now, you dare to go straight to the Yutian Palace to provoke.”

“Since you are so confident, I want to see how powerful you are.” The

voice fell, and the Nine Heavens God erupted . , the figure turned into a golden glow, heading straight for the Demon Lord Gone.

“Beyond one’s own ability!”

Watching the Nine Heavens God burst out, the Demon Lord Gone chuckled lightly, and then went up to meet him.

Boom boom boom!

In an instant, I saw the Nine Heavens God and the Demon Lord Gone, in the rolling dark clouds, their figures kept colliding back and forth, sending out waves of earth-shattering vibrations.

The ultimate husband in Chinese chapter 4086-4090

Chapter 4086

At the beginning, Jiutian God was still very confident, because during this time, he often comprehends and cultivates in Yuyao Xianyuan, and his strength has improved a lot.

But gradually, the Nine Heavens God felt a little tired!

Although the Nine Heavens God is the ruler of the Divine Realm, in the face of the Demon Lord Gone, who reshapes the flesh, he is much inferior and cannot gain an advantage at all!

“Haha! This is the strength of the Nine Heavens God?”

At this moment, the Demon Venerable sneered and mocked, and the figure erupted again.

From a distance, the figure of Demon Lord Gone is like a blood-colored meteor, splitting the world into two worlds, and its power is very terrifying.

Huh...

Seeing this scene, the Haotian Divine Sovereign who was watching the battle from a distance, as well as many priests, couldn't help but sweat for the Nine Heavens God.

At this time, Haotian Shenjun really wanted to rush to help, but he didn't dare to act rashly, because there could be no single mistake in a battle of this level between the Nine Heavens God and the Demon Lord Gone. If Haotian Divine Sovereign joins the battle rashly, it may disrupt the rhythm of the Nine Heavens God.

In this case, Haotian Divine Sovereign could only watch and worry.

“Come on!”

Seeing the Demon Lord Gone erupting again, the Nine Heavens God's face was grim and he roared loudly, the power of the primordial spirit burst out and attacked without fear.

boom!

The two figures collided in the dark clouds high in the sky, and they saw that within ten thousand meters, the dark cloud instantly collapsed.

After a full retreat of a thousand meters, the Nine Heavens God stabilized his figure, his face instantly pale.

powerful!

At this moment, the Nine Heavens God was suspended there, looking at the Demon Lord Gone in shock and anger, his face was full of complexities.

This Demon Venerable has a physical body, and his strength is too strong.

The Demon Lord Gone was cold and arrogant, his eyes were fixed on the Nine Heavens God, showing absolute contempt: "Nine Heavens God, you are not my opponent at all, unless your master shows up, so you should surrender, will Give me the entire Divine Realm."

"Dream!" Jiutian God responded coldly without any hesitation.

"Looking for death!" Demon Lord Gone's face sank, and he stopped talking nonsense. The power of the demon soul exploded. In an instant, the air around the entire Yutian Palace was stagnant!

The violent power of the demon soul swept out, and the Haotian Divine Sovereign who was watching not far away, as well as those priests, were all horrified and could not help but retreat.

"Since you are so stubborn, then I will fulfill you and accept the move."

At this time, the Demon Lord Gone shouted, slowly raised his right hand, and saw the air twist and change, and then condensed a bloody palm Shadow out.

The Devil's Blood Clutch.

This...

Seeing that bloody palm shadow, Jiutian God's face suddenly became solemn.

The Devil's Blood Clutch is a unique skill created by the Demon Lord Gone. In the battle between the gods and demons tens of thousands of years ago, the Demon Lord Gone used this trick to kill nearly 100,000 soldiers and generals. It was very abnormal. Although so long has passed, the entire Divine Realm has not forgotten the scene at that time.

At this time, seeing the Demon Lord Gone again cast the 'Blood Devil Palm', whether it was the Nine Heavens God or the Haotian God, they were all inexplicably panicked.

"Your Majesty!"

"Your Majesty, be careful."

At the same time, those priests couldn't help but exclaimed.

Phew...

Seeing that the shadow of the blood-colored palm was about to approach, the Nine Heavens God didn't have time to think about it, he burst out all the power of his primordial spirit, raised his hand and condensed a golden shield in front of him, and saw

that although the shield was a The power of the primordial spirit is condensed, but it is condensed like a substance, with countless runes flowing on it, and golden light flickering.

It is the unique defensive stunt of the Nine Heavens God, the Qianyuan Golden Shield.

The Qianyuan Golden Shield is a defensive stunt realized by the Nine Heavens God five thousand years ago. After it is displayed, it can resist all forces.

Seeing this scene, whether it was Haotian Divine Sovereign or those priests, all held their breaths and their hearts were raised in their throats.

Your Majesty must win.

boom!

At this moment, the blood-colored palm shadow roared and slammed into the golden shield of Qianyuan. In an instant, the God of Nine Heavens only felt a violent and endless force coming. At that time, he groaned, and the figure was shaken and flew out and smashed heavily. Landed on the square in front of the Imperial Palace.

Chapter 4087

During the fierce battle with Demon Lord Gone just now, the Nine Heavens God had already consumed a lot of internal strength, and at this time, he could no longer stop him when he performed stunts in the face of Demon Lord Gone.

After all, that is the strongest demon clan, and can rival the existence of the ancestors of the prehistoric wilderness.

“Your Majesty!”

Seeing this scene, Haotian Shenjun howled and was about to rush over. Just after rushing a few hundred meters, I saw two blood-colored figures, like lightning, coming quickly and directly intercepting Haotian Divine Sovereign.

Twelve Holy Demon Kings?

Haotian Divine Sovereign was furious, but when he saw the appearance of the other party, he was still secretly surprised.

I saw that the two figures standing in front of them were extremely tall and burly, wearing black and red armor, with a hideous mask on their heads, only showing two blood-red eyes.

There was an evil blood mist all over the body.

It was the Twelve Sacred Demon Kings who made God's Domain terrified tens of thousands of years ago.

The Twelve Sacred Demon Kings are twelve powerful generals under the seat of the Demon Lord Gone. Because of their outstanding military exploits, they were named the Demon Lords by the Demon Lord. In the war between the gods and demons tens of thousands of years ago, all the twelve Sacred Demon Lords were killed by the gods. kill.

However, the twelve holy devil kings were also successfully resurrected by the Demon Lord Gone on the Demon Sealing Mountain a day ago.

Mad!

Being blocked by the two holy demon kings, Haotian Shenjun was furious, and did not hesitate at the time, the power of his primordial spirit exploded, and he directly fought with the two holy demon kings in midair.

"Haha!"

Seeing Haotian Divine Sovereign being intercepted by his subordinates, Demon Zun Gone was very proud. After laughing, he stared at Jiutian God with a proud tone in his voice: "Dangtang Jiutian God, this is all about strength. Is it? It's really disappointing..."

"Come, get up and fight again!"

As he said, the figure of the Demon Lord Gone flashed, landed on the square, and then slowly walked towards the Nine Heavens God.

The terrifying demon soul aura filled the entire Yutian Palace!

Jiutian God clenched his teeth tightly and did not respond, but he was very unwilling in his heart.

"Goni, stop it!"

At this critical moment, a coquettish shout was heard in the sky not far away.

At this moment, whether it was the Demon Lord Gone, the Nine Heavens God, and the army of both gods and demons, they all followed the voice subconsciously, and they were all stunned!

I saw not far away, a graceful and charming figure came swiftly like a giant.

Dressed in a pure white dress, with an extraordinary and beautiful face, no matter whether it is the demons or the gods, they can't feel the slightest blasphemy.

It's the Empress Nuwa!

"The goddess is here...."

"It's great..."

"With the goddess Nuwa here, the crisis in the Yutian Palace can be solved..."

At this moment, whether it is the god of Haotian or those priests, and the surrounding tens of thousands of divine soldiers are extremely excited.

This...

and Demon Lord Gone, and the army of hundreds of thousands of Demon Race, frowned secretly one by one.

"Nuwa is here...."

"As expected of the supreme goddess of the gods, she is so beautiful."

Under the shock, many demon warriors stared at the goddess Nuwa, unable to extricate themselves.

Just looking at Empress Nuwa floating in the air, her delicate face and sexy and perfect figure can be said to make all women in the world overshadowed.

Especially the unique temperament on his body makes people intoxicated!

Beautiful, sexy, peerless youth....

all the beautiful words in the world, it seems that they are not enough to describe her.

Among the emotions of the surrounding demon warriors, Demon Lord Gone had a complicated face, and a trace of worry rose in his heart.

You must know that Empress Nuwa is the most proud female disciple of the ancestors of Honghuang, and she has been following the ancestors of the floods.

At this time, Nu Wa suddenly appeared in the Yutian Palace, which means that the ancestors of the Great Desolation may also be nearby. Phew

... Thinking of this, Demon Venerable Gone couldn't help urging the power of the Demon Soul to sense the direction behind Empress Nuwa and the area of 10,000 meters around Yutian Palace. As the Supreme Being of the Demon Race, Gone is not afraid of anything, but he is only afraid of the ancestors of the Great Desolation. But after perceiving for a while, the Demon Lord Gone did not notice the aura of the

ancestors of the prehistoric land. Even so, Gone did not take it lightly. "Junior brother, don't panic, I'm here!" At this moment, the Empress Nuwa was suspended in the sky, smiled at the Nine Heavens God below, and said.

Chapter 4088

At that time, after the ancestor of the prehistoric desolation named Yue Feng as Jiutian Xuansheng, he began to retreat and practice. As the eldest disciple, Empress Nuwa was there to protect the law, always ensuring that the ancestor of the prehistoric desolation would not be disturbed.

Just now, Demon Venerable led hundreds of thousands of troops and came to besiege Yutian Palace. Although the place where the ancestors of Honghuang retreated was far away from the Yutian Palace, the Queen Mother still felt it.

At the beginning, Empress Nuwa thought that God's Domain could block the Demon Lord Gone, but soon found out that the situation was getting worse and worse. At that time, Empress Nuwa didn't have time to think about it, so she rushed to support.

call!

At this moment, seeing Empress Nuwa arriving in time, Jiutian God also had a smile on his face, nodded and said, "Senior sister, it's all up to you."

After speaking, Jiutian God pointed at the Demon Lord Gone: "He reshapes his body. After that, the strength is stronger than before, senior sister must be careful."

Hmm!

After listening to the words of the Nine Heavens God, Empress Nuwa nodded, and then her figure rose up and went straight to the Demon Lord Gone.

"Goni!"

At this moment, the mother Nuwa's red lips lightly opened, and she spit out a few words coldly: "If you want to destroy the Yutian Palace, pass me first." The voice fell, and the divine power exploded, and there was a dazzling expression. The red light shrouded her body like a flaming phoenix,

hehe...

Looking at the swiftly approaching Empress Nuwa, the Demon Lord Gone was suspended there, not moving at all, a contempt permeating his body. All arrogance.

And that pair of eyes also locked the Empress Nuwa tightly, and said coldly: "Nuwa, I admit that you are very powerful, but it is not enough to stop me. If you really want to

solve the crisis in the Yutian Palace, let your teacher Show your respect to the ancestors of the Great Desolation.”

When he said this, Demon Lord Gone looked around and determined that the ancestors of the Great Desolation were not nearby, and his heart suddenly lost his scruples.

“Arrogant!” Hearing this, Empress Nuwa bit her lip and retorted coldly: “Goni, you are a little too confident. To deal with a demon like you, there is no need for my master to take action.” The

voice fell, the girl Empress Wa rushed to the front and fought fiercely in mid-air with the Demon Lord Gone.

Huh...

Seeing this scene, both the Nine Heavens God and Haotian Divine Sovereign are extremely excited, but at the same time, they are also a little worried.

Now let's see how long Nuwa can last.

Thinking of this, Jiutian God stopped thinking about it, held his breath and began to recover his divine power.

Nine Heavens God has thought about it, as long as Nuwa holds back the Demon Lord Gone, and when her strength recovers, she can unite with Nuwa to suppress Gone.

Bang bang bang!

Empress Nuwa and Demon Lord Gone fought endlessly in mid-air. For a time, the sky was dark and the sun and moon were dark.

I saw that the Demon Lord Gone was very relaxed, with a contemptuous smile on his face all the time. On the other hand, Empress Nuwa was biting her lip, looking very labored.

“Devil warriors obey orders!”

At this time, while fighting with Nuwa, the Demon Lord Gone ordered the surrounding Demon Race warriors: “Take down the Yutian Palace for this deity, and destroy these hypocritical gods in front of you. Stay.”

“Ow!” The

voice fell, and the army of hundreds of thousands of demons let out a thunderous howl, rushing towards the Yutian Palace like a tide.

Seeing this scene, the priests standing at the gate of Yutian Palace were all panicked.

“Don’t panic!”

At this moment, Haotian Divine Sovereign rushed out quickly and raised his arms:
“Listen to my command, form an array to meet the enemy, even if the battle reaches the last moment, you must keep the Yutian Palace and protect Your Majesty.”

When shouting these, Haotian Divine Sovereign had a determined face, but was extremely worried in his heart.

His Majesty was already injured, and although Empress Nuwa held back the Demon Lord Gone, she was still struggling. The whereabouts of more than half of the army that had been brought to Fengmo Mountain were still unknown.

Under such circumstances, it was almost difficult to stop the army of hundreds of thousands of demons.

But if you can’t stop it, you have to stop it, because once Yutiangong misses, the entire Divine Realm will fall into a state of doom.

“Kill!”

“Swear to defend Your Majesty and Yutian Palace...”

Hearing the call of Haotian Divine Sovereign, tens of thousands of gods and soldiers burst out with a loud roar, directly attacking, and in the blink of an eye, it was with a few A hundred thousand demon armies collided and fought each other.

Chapter 4089

“Ah...”

For a while, screams and the sound of weapons colliding constantly echoed around Yutian Palace.

There are only tens of thousands of troops guarding the Yutian Palace, but there are hundreds of thousands of troops on the Demon Race side, and the strength of the two sides is very different.

In less than a few minutes, I saw thousands of divine soldiers, their souls destroyed by demon warriors, fell to the ground one by one.

“Haha...”

Seeing this scene, Demon Venerable Gone was very proud, and laughed loudly, then looked closely at Empress Nuwa and taunted: “Nuwa, you are not my opponent, and you can’t change today’s situation. In this situation, I advise you not to make such senseless resistance.”

“I have broken this Yutian Palace. The entire Divine Realm will also be mine.”

“So, you should give up.” The

voice was proud and could not be refuted . .

Hearing this, Empress Nuwa chuckled and said coldly, “Let me give up? Dreaming.” When she said this, Empress Nuwa did not flinch at all, but kept urging her divine power to come and fight with Mozun. Nirvana counterbalances.

“Very, very good.”

Demon Venerable Gone sneered, with a bit of admiration and coldness in his eyes: “As expected of the great apprentice of the ancestors of the Great Wilderness, in the face of such a desperate situation, you still won’t let it go.”

“Since you are like this . If you are over yourselves, then the deity has nothing to say.”

Om!

The voice fell, and the Demon Lord Gone slowly raised his right hand, and saw a blood-colored light flashing out, condensing a long knife. Mi Duo long, the moment it took shape, the surrounding dark clouds were dyed blood red.

Seeing this scene, Nu Wa’s delicate body was shocked, she knew that Demon Lord Gone was about to show his true strength.

“Senior sister, be careful...”

At this moment, the Nine Heavens God, who was still recovering his divine power below, felt the terror of the long knife in Gone’s hand, and couldn’t help but exclaimed.

call!

As soon as he finished speaking, he saw Demon Lord Gone clenching the blood-colored long sword, and with a strong swing, he heard a roar that broke out, followed by a blood-colored light like thunder, tearing apart the world. It burst out towards the Empress Nuwa.

Is this the true strength of Demon Venerable!

too horrible.

Feeling the power of the blood-colored sword glow, Nuwa's heart trembled. She didn't have time to think about it, she quickly raised her jade hand and deployed a golden protective film in front of her.

At this time, Empress Nuwa did not dare to underestimate the enemy, and burst out all her divine power.

boom!

In the next second, the blood-colored blade slashed hard on the protective film, and the Empress Nuwa let out a painful snort, her delicate body trembled, and the volley was knocked back several hundred meters.

call!

The moment she stabilized her figure, the delicate face of Empress Nuwa showed a trace of paleness, and at the same time, her eyes were also staring at the Demon Lord Gone, and her heart was shocked.

This Gonie is worthy of being the supreme being of the demon race, and even the master is afraid of it. His strength is really terrifying.

“Niangniang!”

“Senior sister...”

Seeing this scene, whether it was the Nine Heavens God, the Haotian Divine Sovereign not far away, or the gods and soldiers who were fighting fiercely with the demon warriors, all of them couldn't help exclaiming. .

Especially the Nine Heavens God, who was shocked and angry, stood up abruptly, and was about to rush to help.

In Jiutian God's heart, he originally planned to let Nuwa hold the Demon Lord Gone in order to give himself a chance to recover his divine power, but now it seems that he can't wait for that time.

After all, the strength of the Demon Lord Gone is too terrifying, if it drags on for a while, senior sister will be in danger.

“Don't come...”

However, at the moment when Jiutian God was about to explode, Nuwa's voice sounded in his ears. This voice could only be heard by Jiutian God alone.

It is the unique secret technique of the ancestors of the Great Desolate 'Ten Thousand Miles of Voices'.

Hearing this, Jiutian God was stunned for a while, and then he also used 'Ten Thousand Mile Voice Transmission', and responded to Empress Nuwa, "Why?"

"Thousands of Miles of Voices'.

"Junior brother!"

Empress Nuwa took a deep breath and responded, "Your divine power has not fully recovered, and rushing over won't change the situation, so let me hold the Demon Venerable for a while."

Chapter 4090

"What you have to do now is to find a way to open the innate formation around Yutian Palace."

Innate formation?

Hearing this, Jiutian God was stunned for a moment, then his eyes lit up and he was very excited.

Yes, there are three innate formations around Yutian Palace, how could I forget.

The Innate Formation was tens of thousands of years ago, after the war between the gods and the demons, the ancient ancestors of the prehistoric deployed around the Yutian Palace. There are three formations in total, and each formation contains supreme divine power.

At that time, the ancestors of Honghuang did this to protect the Yutian Palace. Because the power of the three formations was too powerful, the rules were set at the beginning, and they should not be opened unless it was a last resort.

However, these three innate formations have not been used for more than 9,000 years since they were deployed, so the Nine Heavens God has almost forgotten them. At this time, I was reminded by the goddess Nuwa, and I suddenly woke up.

"Quick!"

At this moment, the Nine Heavens God reacted and shouted at the dozens of divine soldiers around him: "You guys, hurry up and smash the glazed orbs on the roof of Yutian Palace, hurry up..."

shouting these words At that time, the Nine Heavens God was extremely anxious.

The three innate law formations, the outermost one is the Nine Heavens Profound Thunder Formation, and the way to open it is to destroy the nine glazed orbs on the roof of Yutian Palace.

Of course, only the God of Nine Heavens and Empress Nuwa knew about this secret.

This...

Hearing the order, the dozens of divine soldiers looked at each other in dismay, all stunned there.

What's the matter, Your Majesty? Now that the situation is so critical, he has no idea how to deal with the Demon Lord Gone, but let himself and his people destroy the glazed orb on Yutian Palace.

Are you too desperate and have mental problems?

Confused, one of the divine soldiers couldn't help it, and said to the Nine Heavens God, "Your Majesty, calm down." The

voice fell, and the other divine soldiers also discouraged them. "Your Majesty

, we haven't reached the point where the mountains and rivers are exhausted. We don't need to destroy the Yutian Palace first."

Those demon warriors are approaching."

In the hearts of these divine soldiers, they all believed that the Nine Heavens God was mentally ill, and that would allow them to destroy the glazed orbs on the Yutian Palace. Those glazed orbs were all rare treasures and symbolized the Nine Heavens God. It would be a pity if it were destroyed.

"Shut up!"

Jiutian God was too lazy to talk nonsense, and shouted: "Follow what I say, otherwise, you will be convicted of deceiving the king, hurry up.

"

Seeing that the Nine Heavens God was angry, those divine soldiers did not dare to neglect, they burst out and rushed to the roof of Yutian Palace, and then began to destroy the glazed orbs above.

It's just those glazed orbs, each of which is protected by divine power. It is very difficult for these divine soldiers to completely destroy them.

boom!

It took a full two minutes and dozens of divine soldiers worked together to destroy a glazed orb. One by one was exhausted, and at the same time, one by one was puzzled, but he did not dare to ask more, and continued to try to destroy the second one. .

Hehe...

Seeing this scene, the Demon Lord Gone above the sky couldn't help laughing contemptuously, and then taunted her mother Nuwa: "Nuwa, did you see it, you are here? Desperately resist, your junior brother has given up."

In the heart of the Demon Lord Gone, he thought that the Nine Heavens God did this to destroy the Yutian Palace, but he was completely unaware that the other party was opening a formation.

"Not bad!"

Hearing this, Empress Nuwa snorted coldly: "Even if we are not your opponents, we will destroy this place and make you get nothing."

When she said this, Empress Nuwa looked delicately at it. Going up is very angry, but secretly chuckles in his heart.

This Demon Venerable still doesn't know that the glazed orb on Yutian Palace is the key to opening the innate magic circle.

"It's all ruined?!"

At this moment, the Demon Lord Gone stared at Empress Nuwa with absolute confidence and arrogance: "As long as I occupy the entire God's Domain, what is a mere imperial palace?"

"If you want to break the cauldron and sink the boat, then I will do what you want." As he

spoke, the Demon Lord Gone, holding the blood-colored long knife, volleyed into the air and quickly approached the Empress Nuwa.

The powerful demon soul aura permeated the whole world.
