

The ultimate husband in Chinese chapter 4161-4165

Chapter 4161

This Luminary Xingjun has an upright personality. If you tell him clearly, maybe he can help deliver the letter.

At this moment, Yue Feng made up his mind and went up to him directly.

“Who is it?”

Because the sky was dark, seeing a figure approaching, the guards of the patrol team immediately became alert and looked at Yue Feng.

Sun Xingjun even directly pulled out his long sword.

Yue Feng?

As the distance got closer and closer, seeing that it was Yue Feng, whether it was Xingri Xingjun or those divine soldiers, they were all stunned.

In the next second, Xingri Xingri reacted, looking at Yue Feng’s eyes, with vigilance flashing: “Stop!”

At the same time as he spoke, Xingri Yao waved his hand.

Whoa!

Those divine soldiers did not hesitate at all, and directly surrounded Yue Feng.

At this time, Xingri Sun, and even these divine soldiers, all believed that the ‘Yue Feng’ in front of him was fake and was sent by the Demon Race to investigate the situation, because the Nine Heavens God had previously said in public that Yue Feng was already dead and died in the Seal the magic mountain.

“Xingri Xingjun!”

In the face of this situation, Yue Feng did not panic at all, and explained with a smile: “I know you are surprised, but I am not fake, I am the real Yue Feng. Die...”

In the next few minutes, Yue Feng quickly explained his experience.

This chapter is provided by . Visit for daily update.

Really Yue Feng?

Hearing this, Xingri Sun was shocked.

At this time, Yue Feng continued: "I am temporarily staying in the Demon Clan camp, and I have no choice. The Demon Clan Gone has found a way to crack the innate magic circle. I have written all the details in the letter. Your Majesty, remember, you must be fast." The

last sentence fell, and Yue Feng handed over the letter.

Phew...

At this moment, Xingjun Yaori took a deep breath, took the letter, and was completely shocked.

Demon Venerable has found a way to crack the innate magic circle? This is no small matter.

But fortunately, Yue Feng came to deliver the news in time, otherwise, the consequences would be disastrous.

In shock, Xingri Xingri looked closely at Yue Feng: "Your Excellency Yue Feng, since you have left the Demon Clan camp, why don't you follow me to see His Majesty and send the letter to him in person?"

"You return now . Isn't the Demon Clan camp dangerous?"

This...

Yue Feng pondered and smiled bitterly: "I have other things to do."

King Xuanwu and the entire Xuanwu Clan are under the control of the Demon Clan. How could Yue Feng leave alone? More importantly, Mozun used Yue Feng to blackmail Jiutian God, but Jiutian God didn't care about Yue Feng's life and death, and declared that Yue Feng was fake.

When he thinks of this, Yue Feng is very chilled, how could he go to see the Nine Heavens with Xingjun Yaori?

"Okay!"

Xingjun Yaori is a smart person. Seeing that Yue Feng hesitated to speak, he knew that he had something inconvenient to talk about, so he didn't ask any further.

Yue Feng was inconvenienced to stay for a long time, and after saying goodbye to Xingri Yaori, he left quickly.

“Continue patrolling!”

Watching Yue Feng go away, Yaori Xingjun took a deep breath, and after instructing those divine soldiers, he immediately returned to Yutian Palace.

“Your Excellency Xingjun!”

When they approached the Nine Heavens Palace of God, they heard a voice from not far away.

I saw that Gong Ao, dressed in golden armor and holding a golden spear, walked slowly.

After the last battle, the Nine Heavens God was severely injured by the Demon Lord Gone, and he has been resting in the palace since then. Gong Ao, as the commander, is responsible for guarding outside.

Sun Xingjun stood on the cloth and showed a smile: “Palace Commander, I have something important to report to Your Majesty.”

Important thing?

Gong Ao frowned and said displeasently: “Xingjun, it’s not like you don’t know, His Majesty said that he was injured, and he is currently recuperating, so he cannot be disturbed. If you have anything to do, tell me directly.”

This...

Sun Xingjun hesitated, then nodded and said: “Okay, I was patrolling outside the Yutian Palace just now, and I met Your Excellency Yue Feng. He said that the Demon Lord Gone found a way to crack the innate magic circle, and will start the attack tomorrow. Yutian Palace.”

“But Your Excellency Yue Feng has already written the details in the letter.”

What?

Hearing this, Gong Ao’s heart was shocked, and he was stunned there.

Chapter 4162

For a time, Gong Ao stood there, unable to calm down for a long time.

Mozun found a way to crack the innate magic circle, which shocked him. You must know that the three innate magic circles around the Yutian Palace were deployed by the ancestors of the prehistoric, mysterious and powerful.

In the realm of the gods, no one can understand.

And this Demon Lord Gone, it took just a few days to find a way to crack it, which is really incredible.

But what shocked Gong Ao more was Yue Feng.

At that time, the Demon Lord Gone used Yue Feng to threaten the surrender of the Nine Heavens God. After the failure, he did not execute Yue Feng... Mad, this Yue Feng's life is too big, right?

“Commander of the Palace?”

Seeing Gong Ao standing there, his face changed and his eyes flickering, Xing Sun couldn't wait any longer, so he couldn't help reminding him: “Can you help me pass a message to Your Majesty, this is a very important matter at this time, so it's a delay. No.”

When he said this, Xingri Sun was anxious.

He really wanted to break in directly, but he didn't have the guts. You know, when the Nine Heavens God was recuperating, he didn't like to be disturbed the most.

“Oh...”

Gong Ao reacted with a smile: “Xingjun is right, this time is no trivial matter, I should help you spread the word, but Your Majesty is recuperating from his injury and is in a critical period.” Speaking, Gong Ao's eyes turned, with a sincere look: “Well, you give me the letter, before dawn, I will find a chance to show it

to His Majesty.” Xingjun pondered for a while, and had no choice but to nod and say: “Alright. That will trouble the commander of the palace.” After speaking, he handed over the letter.

Immediately, Xingri Sun turned around and left.

To be honest, Xingjun Dayun really wants to hand over the letter to the Nine Heavens God in front of him, but Gong Ao said it well. Recently, because of the urgency of the war, the Nine Heavens God is already upset. In addition to being injured and recuperating, it is most annoying to be disturbed by others. Xingjun does not want to offend Shengwei.

Ha ha....

Watching the star of the sun go away, Gong Ao's mouth twitched, showing a sneer, then turned around and entered the palace.

When he arrived in the palace, Gong Ao opened the mechanism, opened a secret stone door in the secret room, put away his smile, and walked in carefully.

Although it is a secret room, the space is very large and the decoration inside is magnificent.

In the central position, there is a white jade bed, surrounded by gauze curtains, and the Nine Heavens God, dressed in a white robe, sits there quietly, his eyes are slightly closed, and he is quietly cultivating.

Even if he didn't wear a dragon robe, his whole body was filled with a powerful aura.

call!

Seeing this scene, Gong Ao took a deep breath, adjusted his nervousness, and said softly, "Your Majesty?"

Shuh!

The voice fell, Jiutian God suddenly opened his eyes, locked Gong Ao at once, frowned, and said very displeased: "Gong Ao, I asked you to stay outside to prevent others from disturbing me, why did you come in?"

When saying this, the Nine Heavens God suppressed his anger.

He was severely injured by the Demon Lord Gone before, and he has been resting here for a day and a night. At a critical moment, he was disturbed by Gong Ao. How can he not be angry?

Pfft...

Feeling the wrath of the Nine Heavens God, Gong Ao trembled, knelt down quickly, and said in panic, "Your Majesty, calm down, this subordinate did not intend to come in to disturb you, but to report something important."

"Speak!" Jiutian God said with a cold face.

Gong Ao took a deep breath and said slowly: "In the past two days, my subordinates have been secretly sending people to investigate the situation in the Demon Clan camp. Just half an hour ago, Demon Venerable found a way to crack the Innate Great Array and has already deployed it. With the battle plan in place, we are going to launch an attack on the Imperial Palace early tomorrow morning."

What?

Hearing this, Jiutian God trembled in his heart and was shocked.

“But...”

At this moment, Gong Ao Yu turned around and showed a pleasing smile: “My subordinates have already sent someone to write the detailed battle plan of Demon Venerable in the letter.”

Said Then, Gong Ao took out the letter that Xingjun had just handed to him, and presented it respectfully to the Nine Heavens God.

When he took out the letter, Gong Ao had a smile on his face, but there was a sinister glint in his eyes.

That’s right, Gong Ao didn’t plan to tell the truth, let alone tell Jiutian God that this letter was brought out by Yue Feng from the Demon Clan’s camp.

Chapter 4163

In Gong Ao’s heart, no matter what the purpose of Yue Feng is, he can’t let him get his wish.

Not only that, if what was written in the letter is true, Gong Ao has done a great job, so why not do it.

Huh... Nine Heavens God took the letter and didn’t open it directly. Instead, he glanced at Gong

Ao and said coldly, “You sent someone to the Demon Camp to investigate the situation? Why don’t you know?”

Facing an unprecedented crisis, Gong Ao acted without authorization, but it was a big taboo.

Gong Ao hurriedly said: “This subordinate did this, completely thinking of helping His Majesty’s worries. At that time, His Majesty was in retreat to recover from his injuries, so the subordinate did not ask for instructions in advance, and asked His Majesty to forgive.”

Seeing his panic, Jiutian God no longer cares , waved his hand: “Okay, okay, this kind of thing won’t happen again, get up.”

“Thank you, Your Majesty!”

Gong Ao breathed a sigh of relief and stood up quickly, but he was still a little nervous.

At this time, Jiutian God no longer spoke, but opened the letter and read it carefully.

For a while, the room was extremely silent.

The atmosphere is also a little dull.

This...

Nine days God became more and more frightened as he looked at it, and in the end, he could hardly sit still.

The letter clearly stated that Demon Lord Gone's detailed method to decipher the innate magic circle, not only that, but also made detailed arrangements for tomorrow's attack.

This Demon Lord Gone is really not simple.

After reading the letter, Jiutian God's face changed and he was secretly shocked.

Without this letter, Yutian Palace would definitely not be able to hold back when the demon army attacked tomorrow. Fortunately, Gong Ao was witty and knew that he secretly sent people to investigate the situation in the Demon Clan camp, otherwise, the consequences would not be imagined.

Speaking of which, the Nine Heavens God's skill in fighting the law and the first technique is 108,000 miles worse than that of the ancestors of the prehistoric wilderness. They all told the Nine Heavens God.

Not only that, but at that time, Empress Nuwa, considering that Demon Zun Gone might find a way to solve it, she also told the Nine Heavens God about the way to deal with it.

In this case, the Nine Heavens God already had a deep understanding of the innate magic circle.

At this time, the God of Nine Heavens clearly saw that what was written in the letter, the law enforcement by the Demon Lord Gone, was exactly the same as what the Empress Nuwa said, so why not be shocked?

However, Jiutian God didn't know that this letter was not due to Gong Ao at all, but was sent by Yue Feng.

Phew...

I thought to myself, the Nine Heavens God took a deep breath, smiled at Gong Ao, and praised: "Gong Ao, you did a good job this time, you really did a great job, when you defeat the demons, I will definitely There are many rewards."

"Your Majesty is serious, this is what your subordinates should do." Gong Ao said quickly.

When he said this, Gong Ao's face was calm, but he was secretly relieved and excited.

Haha...

I thought that Sun Xingjun was alarmist, but I didn't expect that what he said was true.

Yue Feng, Yue Feng, you have sent important information through all your hard work, but you never thought that the last credit would be robbed by me.

Excited, Gong Ao cautiously leaned forward and asked the Nine Heavens God, "Your Majesty, the Demon Lord has a way to crack the innate magic circle, how should we deal with it?"

Hehe...

Hearing this, the Nine Heavens God showed a smile and said confidently: "Don't panic, Senior Sister Nuwa Niangniang had long expected that the Demon Lord Gone might find a way to solve it, so put it away. The countermeasures have also been told to me." After speaking

, Jiutian God's eyes flashed a little bit of coldness: "Tomorrow, before the demons attack, we will slightly modify the innate magic circle, and then they will be defeated and return. "

Great.

Gong Ao was a little worried at first, but when he heard Jiutian God say this, he immediately smiled.

"Go!"

This is, the God of Nine Heavens got off the white jade bed, and ordered Gong Ao: "Give me a paper and a pen."

Gong Ao did not dare to neglect, and hurried to prepare.

After getting the paper and pen, Jiutian God did not hesitate, and wrote down all the methods of coping that Mother Nuwa said at the beginning, and then handed it over to Gong Ao to instruct: "According to what is written on this, remember, don't go out. A little mistake, do you know?"

"Subordinates keep this in mind."

Gong Ao respectfully responded and hurriedly took it.

Chapter 4164

However, Gong Ao did not leave, but stood there, hesitating to speak.

You must know that the letter to Jiutian God just now was given to Xingjun by Yue Feng, but Gong Ao took the credit for himself. Jiutian God will know about this sooner or later.

Once the Nine Heavens God knew the truth, he would not spare him lightly, so how could Gong Ao not panic?

“Why don’t you go?”

Seeing Gong Ao standing there motionless, Jiutian God frowned: “Is there something else?”

Uh...

Gong Ao pondered, and made an indescribable look: “Your Majesty, There is something, I don’t know if I should say it or not.”

Jiutian Shen exhaled, and said angrily: “If you have anything, say it quickly, don’t talk to your mother-in-law.”

“Yes!”

Gong Ao nodded, with a complicated expression: “Avoid, My subordinates heard that Yue Feng joined the Demon Race.”

Jiutian God’s eyes flashed with a cold light, but he didn’t answer.

Gong Ao continued: “Your Majesty, the previous matter of sealing the Demon Mountain was the fault of my subordinates. I didn’t stop Yue Feng in time, which made him trapped in the blood sacrifice formation. My subordinates thought he was really dead. Nie took him to threaten His Majesty, and I also thought he was fake.”

At this time, Gong Ao was talking eloquently, and at the same time, he kept noticing the changes in Jiutian God’s face.

Um!

Hearing this, the Nine Heavens God had no expression on his face and responded lightly.

Speaking of which, when the Demon Lord Gone was using Yue Feng to coerce, Jiutian God knew that that was the real Yue Feng at that time, but for the sake of dignity and the safety of Yutian Palace, Jiutian God never made a statement easily.

Until Gong Ao suddenly appeared and said that Yue Feng was fake, Jiutian God did not hesitate at all, and directly adopted Gong Ao's point of view.

In this way, it not only saves face, but also protects Yutian Palace.

At this time, seeing Gong Ao talking about this matter again, Jiutian God is not a fool, so he said along the way: "According to you, that Yue Feng was real at that time, and now he has taken refuge with the demons?"

"Yes . Yes!"

Gong Ao nodded with a pretentious look: "According to his subordinate's guess, when Yue Feng saw that we didn't save him, he also said that he was fake, and he must have resentment, so he turned to the Demon Race. "

Speaking, Gong Ao knelt down again, and said ashamed: "Your Majesty, this is all my fault, I beg Your Majesty to punish."

Alas!

Jiutian God sighed and waved his hand: "Forget it, you didn't know the situation at the time, and it was also to protect Yutian Palace, no wonder you."

Immediately, Jiutian God thought about it and said with emotion: "Perhaps this is Yue Feng's fate, at that time If I knew that he was the real Yue Feng, and I saved him, Yutian Palace would not be able to keep it. Forget it, I won't mention it in the future."

In the heart of Jiutian God, since he had given up Yue Feng before, Yue Feng would not be able to keep it. Where the wind goes, it has nothing to do with God's Domain.

"Yes, Your Majesty!"

Gong Ao responded quickly, and said with tears of gratitude: "Thank you for your generosity." After speaking

, Gong Ao slowly stood up and said with a complicated expression: "There is one more thing."

"Speak!" Nine Heavens God said lightly.

Gong Ao hesitated and said, "Your Majesty, since the last battle with the Demon Race, although we defeated the Demon Venerable by relying on the Innate Magic Array, the morale of the soldiers and generals below has always been demoralized, and the hearts of the entire Yutiangong have been lost. apprehensive."

“Privately, I have heard a lot of rumors that the Demon Lord Gone will break through the Yutian Palace sooner or later.”

“I also said that if we are at a stalemate with the Demon Race like this, we might as well surrender sooner rather than later.” Shuh

!

Hearing this, Jiutian God was furious, his eyes almost spitting fire: “Who are these rumors spreading? Damn, it’s a crime that deserves death.”

It is a taboo to disrupt the morale of the two armies against each other. How can the nine-day God not be angry?

“Your Majesty.”

Feeling the wrath of the Nine Heavens God, Gong Ao was taken aback, and quickly said: “Your Majesty, calm down, these rumors have been spreading in Yutian Palace this day, and my subordinates are also investigating.”

Afterwards, Gong Ao looked at Flickering, he said cautiously: “However, when my subordinates were investigating this matter, they accidentally discovered a situation.”

“What’s the situation?” Jiutian God’s face was gloomy.

call!

Gong Ao took a deep breath and said slowly: “My subordinates found out that Xingri Sun secretly met with Yue Feng in private. My subordinates guessed that Xingri Sun had no confidence in Yutian Palace. I want Yue Feng to be the introducer, and I also want to join the Demon Race.”

Chapter 4165

When he said this, Gong Ao looked serious, but his eyes were full of treacherousness.

Yes, Gong Ao said so much before, the main purpose is to frame Xingri Sun.

You must know that the truth of Yue Feng’s letter is known only to Xingri Xingri, but Gong Ao takes the credit for himself. In order to keep the secret, he can only find a way to get rid of Xingri Xingri.

As long as Xingri Xingri died, no one in Yutian Palace would know the truth.

What?

Hearing this, the Nine Heavens God was so angry that he stood up abruptly, and said angrily, "What you said is true?"

That Sunstar Xingjun dared to betray God's Domain.

It really deserves death.

"Yes, this subordinate saw it with his own eyes."

Gong Ao nodded, with a determined look on his face: "It was just dark and the distance was far, but the subordinate saw it clearly, Xingri Xingjun did meet Yue Feng.

", Gong Ao looked at Jiutian God's face: "Your Majesty, this Luminary Xingjun is obviously going to betray God's Domain, and he must be executed as soon as possible."

Hu!

Jiutian God took a deep breath and couldn't hide his anger: "Go, immediately call the star of the sun, and I will ask him in person."

"Yes!"

Gong Ao responded, and quickly walked out of the secret room, ordering the guards outside. Soldier, summon Sun Xingjun.

At this time, Gong Ao was calm on the surface, but panicked in his heart.

Oops!

His Majesty wants to personally interrogate Xingri Sun, which is troublesome. In case Luminary Xingjun tells the truth, he will turn over a heinous crime.

However, Gong Ao Chengfu was very deep, and he quickly thought of a countermeasure.

After a while, Xingri Sun was summoned, went to the secret room, knelt down respectfully, and said to the Nine Heavens God: "Xingri Sun, see your majesty."

When he said this, Xing Sun was inexplicably nervous. Because he saw that the Nine Heavens God was sitting on the white jade bed with a gloomy and frightening face.

Gong Ao, who was standing on one side, also had a gloomy expression on his face.

what's going on?

Seeing this scene, Xingri Xingri felt even more uneasy. Could it be that there is something wrong with the letter that Yue Feng gave?

“Xingri Xingjun.”

At this moment, Jiutian God looked at Xingri Xingri closely, and asked coldly: “I ask you, how do I treat you?”

Xingri hurriedly said: “Your Majesty is very kind to me. Righteousness is heavy, and you have the grace of knowing and meeting with me.”

Phew!

Hearing the answer, Jiutian God sneered and shouted angrily: “Even so, why did you betray me?”

When saying this, Jiutian God’s eyes almost burst out with fire.

What?

Sun Xingjun was terrified, almost paralyzed on the ground, and said in fear: “Why did your majesty say this? I am loyal to your majesty, how can there be a heart of betrayal?”

” He shouted: “I still don’t recognize it, so let me ask you, have you met Yue Feng before?”

Xingjun Yao’s heart trembled, and he said in a panic, “Yes.”

“Even so, you still said that you are not going to betray me? Jiutian God was so angry that he pointed at Xingri Xingjun and said angrily: “Do you think that Yutian Palace can’t hold it anymore, and in order to protect yourself, you want Yue Feng to introduce you so that you can meet the Demon Lord Gone?”

“No, nothing at all.”

At this moment, Yaori Xingjun suddenly panicked, and hurriedly shouted to explain: “That’s the truth, it’s Yue Feng...”

At this time, Yaori Xingjun, almost scared to death.

He never thought that he would become a traitor in the eyes of Jiutian God just by helping Yue Feng pass a letter.

“Shut up!”

Just before Yaori Xingjun could say it, he saw Gong Ao shouting loudly, and then he rushed over, shot like electricity, and slapped Yaori Xingjun fiercely.

Yes, Gong Ao is waiting for this moment.

“Commander Gong, you...”

Seeing Gong Ao’s palm calling, Xingri Sun was furious and wanted to dodge, but it was too late.

boom!

This palm contained all of Gong Ao’s divine power, and he heard Xingri Xingri groaning, the primordial spirit in his body was instantly scattered, and his figure flew out like a kite with a broken string, and finally collided with the entrance of the secret room. On the stone door, it slid down softly.

However, this was not enough for Gong Ao. At that time, he rushed over quickly, grasped the golden spear tightly, and pierced Xingri Sun directly.
