Chapter 4181

Hmm!

At this time, Fairy Pipa came to the front, and after a close observation, she couldn't help but exclaimed: "Strange, there is a fire floating in a place with such a strong yin and evil energy, not only that, but there is also a ray of spirit inside..."

No matter who you are, if you meet me, it is considered a fate for us. Come with me first, and I will see if there is a way to help you reshape your body." The

voice fell, and Fairy Pipa took out a jade bottle, which contained The flame of Yue Feng's spirit was taken in.

After collecting it, Fairy Pipa rose up and disappeared into the sky.

.....

On the other side, the Imperial Palace.

Several hours have passed since the battle, and the traces after the fierce battle have been completely cleaned up, and the entire Yutian Palace is almost completely new inside and outside.

At this time, in the Imperial Palace, it was even more lively.

I saw that in the Imperial Palace, there were more than 100 seats, and many priests sat in sequence, each with a smile.

On the throne, the Nine Heavens God is dressed in a golden dragon robe, and his mood is also extremely comfortable.

In the previous battle, almost all of the hundreds of thousands of Demon Race troops were destroyed and completely defeated. In a short period of time, they could no longer pose a threat to Yutian Palace. Why are you unhappy?

Beside the Nine Heavens God, Empress Hua Zhao sat quietly there.

At this time, Empress Hua Zhao was wearing a gorgeous long dress, which showed her tight figure vividly, and her manners were endless, and she was unbelievably beautiful.

Since the war broke out between the Demon Race and the Divine Realm, Empress Hua Zhao has been hiding in the Yuyao Xianyuan. Now that the Divine Realm has won a big

victory, the Nine Heavens God will hold a celebration feast, so Empress Hua Zhao will naturally not be absent.

But thinking that Princess Dongling's life and death are unknown, although Empress Hua Zhao had a smile on her face, she couldn't be happy in her heart.

In the positions below the throne, there were Divine Sovereign Haotian, Gong Ao...

Haha...

At this time Gong Ao was sitting there, calm on the surface, but indescribably excited.

In this battle, he has made continuous contributions, and His Majesty will definitely not treat him badly.

"Everyone!"

At this moment, Jiutian God slowly got up, raised his glass, looked around and smiled: "Today's battle, everyone has worked hard, this cup, I respect you."

Saying, Jiutian God drank it And do.

"Thank you, Your Majesty, Hong En." The priests responded in unison, and then raised their cups.

After a glass of wine, Jiutian God's mood became more and more cheerful, first glanced at Gong Ao, and laughed: "I want to commend Gong Ao Gong's commander, it was he who investigated the situation of the demons last night, and I changed it just before the war. The innate law formation."

"Without Gong Ao commanding, we will lose the battle today." "So, Gong Ao deserves the first credit. Here, I announce that Gong Ao is named 'Grand Marshal of

Yaotian'."

In the end, Nine Heavens God took out the letter that Gong Ao gave last night, smiled and said: "This is the commander of Gong Ao, the results of last night's investigation of the demon camp, you must take him as an example."

Wow!

When the voice fell, the entire Yutian Palace was in an uproar.

Many priests congratulated Gong Ao one after another.

“Congratulations to the commander of the palace to be promoted to the Grand Marshal.”

“The commander of the palace... oh no, Marshal Gong, it’s really gratifying...”

“Haha, Marshal Gong, I’ll give you a toast.”

Facing the praises of the priests, Gong Ao stood up and responded one by one, almost smiling and feeling very happy.

“Wait!”

However, at this moment, Haotian Divine Sovereign suddenly stood up and said to Jiutian God: “Your Majesty, this letter seems to be wrong. Can you show me?”

When he said this, Haotian Divine Sovereign looked at Staring closely at the letter, his expression was very complicated.

In order to deal with the Demon Lord Gone before, Haotian Shenjun specially conducted a rigorous investigation of the Demon Race army, including the letters in the Demon Race.

At this time, Haotian Shenjun discovered that the paper in the hands of the Nine Heavens God seemed to be exactly the same as the paper used by the demons.

Phew...

At this moment, the entire Yutian Palace was silent.

what’s going on?

Gong Ao was canonized as Grand Marshal, and his status was equal to that of Haotian God. Does this make Haotian God unhappy?

Gong Ao also put away his smile and frowned secretly.

“What’s wrong with the letter?” At this time, the Nine Heavens God was stunned, but he trusted Haotian Divine Monarch very much, and he handed the letter over while asking.

Chapter 4182

Swish!

At this moment, the eyes of the audience also converged on Haotian Divine Sovereign.

Haotian Shenjun carefully observed the letter and said slowly: "Your Majesty, there is something wrong with this paper. I want to ask the commander of the palace, where did you get it from?"

When he said this, Haotian Shenjun looked at Gong Ao. There was some deep meaning in his eyes.

Problem with paper?

Hearing this, the entire Yutian Palace was in an uproar, and many priests were talking about it.

"What's wrong with this paper?"

"Is it poisonous?"

"Shh, don't

talk nonsense." The chatter kept coming, and Gong Ao was inexplicably flustered. You know, this letter was originally sent by Yue Feng, the result was intercepted by himself.

But soon, Gong Ao calmed down and looked at Haotian Divine Monarch with a half-smiling smile: "Your Excellency, the demon army has been defeated by us, what's the point of discussing this now?"

At this time, Gong Ao still had some luck in his heart. .

This Divine Sovereign of Haotian, seeing that my status was on an equal footing with him, was unhappy, so he deliberately made a fuss about the letter, but I read this letter several times at the time, and there was no problem at all, so there is no need to be afraid.

"Haha!"

Facing Gong Ao's rhetorical question, Haotian Shenjun chuckled lightly: "Of course it makes sense, I want to ask you, when you wrote it, where did this paper come from?"

This...

Gong Ao was stunned. After a while, he said casually: "This is the paper I usually use for official business, what's wrong?"

"Really?"

The voice fell, Haotian Shenjun shook his head and said with a sneer: "If this is the case, you have committed the crime of deceiving the king, and you are not qualified to take credit, let alone be a grand marshal."

Gong Ao's face flushed, and he couldn't bear it. Stopped, and said displeasently: "Your Excellency, what do you mean?"

Mad.

Is this Haotian Divine Monarch sick in his head, is he deliberately making trouble for himself?

At the same time, the surrounding priests were also talking about it.

"Haotian."

At this time, the God of Nine Heavens couldn't stand it anymore, and said to the God of Haotian: "Gong Ao is right, the army of demons has been completely defeated by us, at this time at this celebration banquet, everyone is high Happy, why do you have to struggle with a letter?"

When he said this, Jiutian God was also a little dissatisfied, thinking that Haotian God Sovereign was a little too much.

Hu...

Feeling the dissatisfaction of the Nine Heavens God, Haotian Shenjun took a deep breath and said respectfully: "Your Majesty, you don't know something, the biggest problem with this letter is not the content written on it, but this kind of paper. It's not official paper in Yutian Palace, but paper used by demons."

After speaking, Haotian Shenjun completely unfolded the letter, pointed out a code on the lower right corner, and continued: "During this time, I have been investigating demons. I learned a lot about the situation of the clan camp, such as the paper for writing credit, the official paper of our Yutian Palace, there is no mark on it, and the paper of the demon clan has a special code for each piece."

said. At the end, Haotian Divine Sovereign looked back at Gong Ao, his eyes full of doubts: "I want to know, how did Commander Gong get this kind of paper from the demon camp?"

Wow...

the voice fell, and the whole imperial palace Tiangong suddenly exploded, and many priests were extremely surprised.

“Sure enough there is a code.”

“Yeah, if I didn’t look carefully, I really didn’t find it.” “Looking at this situation, is there something else

hidden behind this letter?” The paper on which Gong Ao wrote the credit turned out to be from the Demon Clan Camp? This... Seeing this scene, Gong Ao froze there, only feeling his brain buzzing. How could this be? There is actually a code on the letter that Yue Feng sent? Why didn’t you notice it at the time? Or....Haotian Shenjun deliberately created something out of nothing? “How could there be such a thing?” At this time, Empress Hua Zhao, who had been sitting silently beside her, was also frowning lightly at this time. She leaned over and looked at the paper carefully, and sure enough, she saw a special number on it. And this kind of number is the unique character of the Demon Race. Seeing this, Empress Hua Zhao breathed a sigh of relief, nodded at the Nine Heavens God and said, “The number on this is indeed a character unique to the Demon Race.” Empress Hua Zhao is not only beautiful and intelligent, but also knowledgeable and talented, so she naturally recognizes the Demon Race. Word.

Chapter 4183

With the affirmation of Empress Hua Zhao, Haotian Shenjun showed a smile and threw the letter directly at Gong Ao’s feet.

Speaking of which, Haotian Divine Sovereign and Gong Ao have no grievances or enmity, there is no need to deliberately seek trouble, but Haotian Divine Sovereign is very paranoid and serious.

“Gong Ao!”

Finally, Nine Heavens God reacted, frowned at Gong Ao, and asked coldly: “Gong Ao, tell me, what is going on here?”

“This paper is obviously owned by the Demon Race. Thing, why did you just say that it is the official paper of Yutian Palace?”

Putong!

When the words fell, Gong Ao’s face turned pale, and he was dripping with cold sweat. He knelt there in fear and said: “Your Majesty, I was wrong just now, this letter was written by the secret agent I sent out, and he infiltrated the demon camp at that time. , At that time, the situation was critical, so I threw the paper in the Demon Clan camp and wrote down their plan.”

At this time, Gong Ao was in a panic.

He never thought that a piece of paper could become a clue, and it was also seen by Haotian Divine Sovereign.

Now that it was seen, I quickly figured out a way to fool it.

Written by a spy?

Hearing this answer, Nine Heavens God frowned and pondered.

On the other hand, Divine Sovereign Haotian chuckled, his cold face full of disbelief, and said lightly, "Gong Ao, don't lie, as far as I know, the paper and pens used in the demon camp are all There are special demon warriors watching, it is impossible for the spies you sent to pass through their defenses to steal a few pieces of paper."

Saying that, Haotian Shenjun suddenly sharpened his eyes: "The only explanation is that this letter was not written by your spy at all, but leaked from within the Demon Race. It was just obtained by your chance, right?"

This...this....

Seeing that God Jun Haotian guessed the truth at once, Gong Ao was completely panicked, knelt there trembling all over, unable to speak.

Looking at Gong Ao's reaction, Jiutian God understood instantly. He was very angry at that time, but because of his identity, he did not break out, but said lightly: "Is that so? Gong Ao."

"Yes..."

Gong Ao He lowered his head and dared not look at the Nine Heavens God, and said tremblingly: "Yes, at that time, this letter was found outside the demon camp when my subordinate was on patrol at that time. Your Majesty, I was wrong."

"I read the letter at the time . After that, I was very excited, in order to make merit, I lied that I wrote it myself, Your Majesty, I was greedy for profit and committed this crime, I begged Your Majesty to forgive me this time."

When saying this, Gong Ao His face was sincere, but his heart was secretly lucky.

Anyway, Yue Feng is no longer there, and Xingri Sun is also dead. As long as he keeps his mouth shut, the Nine Heavens God cannot find out the truth at all.

As for the crime of 'deceiving the king', as long as he is sincere, His Majesty will definitely take it lightly.

Whoa!

Seeing this scene, the surrounding priests shook their heads one after another, with disappointment and contempt on their faces.

“It turns out that he picked up this letter.”

“Yeah, I thought he really had such great ability to probe the secrets from the demon camp.”

“Oh, I really can’t imagine that the always arrogant palace commander would be this one. This kind of person, for the sake of credit, dare to deceive Your Majesty.”

The surrounding discussion, you and I came, Gong Ao knelt there, feeling ashamed and depressed.

“Okay!”

At this time, Jiutian God nodded slowly, looked at Gong Ao, and couldn’t hide his anger: “Gong Ao, just admit it, I have such high expectations for you and trust you so much, but I didn’t expect that you How dare you deceive me.”

Feeling the wrath of the Nine Heavens God, Gong Ao trembled all over, he didn’t dare to let out a breath, and the cold sweat kept shedding.

Seeing him like this, Jiutian God was a little unbearable, and continued: “If you admit your mistake in time, I will not care about you, but the credit is taken back, you don’t need to take the seat of the Grand Marshal.” Seriously

. Yes, if it was someone else, Jiutian God would definitely kill him directly, but he had always trusted Gong Ao and reused him, so he couldn’t bear to kill him directly.

“Thank you, Your Majesty, Hong En.”

Gong Ao responded quickly, his face full of gratitude.

Although it’s a pity not to be a grand marshal, but it’s not bad to be able to save a life.

Chapter 4184 The

Nine Heavens God is too lazy to talk nonsense any more, he waved his hand, signaling Gongao to get up.

Gong Ao didn’t dare to be negligent, got up quickly, and sat on his seat tremblingly.

“Haotian.”

This is, Jiutian God's eyes fell on Haotian God Sovereign, and smiled: "Fortunately, your eyes are bright, otherwise, I would have been kept in the dark."

"Your Majesty is polite." Haotian God Sovereign slowed down He took a seat and nodded politely: "This is what I should do."

After speaking, Haotian Shenjun glanced at Gong Ao, and said lightly: "Gong Ao, don't blame me, I have always been fair and strict, not right to people. , I didn't mean to target you just now." Gong Ao sneered, and at this time he was completely complacent, and said humbly: "Your Majesty is

polite, I made a big mistake, how dare I blame you?"

"Your Majesty!"

Saying that, at this moment, a divine soldier hurriedly walked in and said to the Nine Heavens God in a complicated way: "Report to Your Majesty, Lun Ri... Xingri Sun, shouting grievances outside the hall."

What?

At this moment, Gong Ao stood on the spot as if struck by lightning, his brain buzzing.

Sun Xingjun is not dead?

Impossible, at that time, in front of His Majesty, he directly destroyed his primordial spirit, and then ordered his subordinates to bury him on the mountain a few miles north of Yutian Palace...

Wow...

At the same time, the entire There was also an uproar in Yutian Palace, and many priests whispered and talked a lot.

"Xingri Xingjun shouting injustice?"

"I was surprised just now, why didn't I see Xingri Xingri..."

"Yeah, I'm also puzzled."

When they said this, many priests were puzzled. Last night, Gong Ao executed Xingri Xingjun in the secret room. knowledge.

At this time, Jiutian God also frowned, then raised his hand: "Let him come in."

"Yes, Your Majesty." The magic soldier responded and walked out quickly.

Soon, the magic soldier came back, followed by a embarrassed figure, his body was covered with mud, his hair was fluffy, his face was pale and very weak.

But those eyes twinkled unwillingly.

It is the sun star.

Speaking of which, Xing Sun did indeed die last night, but he had taken the 'Returning Divine Pill' before, so he was resurrected again.

Before, the demon army camped a few miles away and stared at the Yutian Palace. At that time, not only Xingri Sun, but all the priests and hundreds of thousands of gods and soldiers felt unprecedented pressure. At that time, Xing Sun had a premonition that once the war broke out again, and Yutian Palace was captured by the demons. Everyone could not escape, and he would become the ghost of the demons.

Therefore, before meeting Yue Feng last night, Xingjun Yaori took a 'Returning God Pill'.

Returning the Divine Pill, as the name suggests, can save a life, but after resurrection, its strength is less than one-tenth of the previous one.

As a result, after taking the magic pill, Xingri Sun met Yue Feng, who came to deliver the letter, and was framed by Gong Ao. After that, he was killed by Gong Ao in the secret room.

Done.

Completely finished.

At this moment, seeing that Xingri Xingjun was really not dead, Gong Ao's face was extremely pale, and he slumped on the ground in panic.

"Sunday."

At this time, Jiutian God reacted, looked at Xingri Xingjun, and said indifferently: "Do you still have the face to see me?"

Until this time, God Jiutian thought that Xingri Xingjun colluded with Yue Feng and wanted to betray God's Domain.

Having said that, the Nine Heavens God looked up and down Xingri Xingjun, and continued: "I didn't expect you to take the pill, did you know that your betrayal would be exposed, so you took the pill and kept it for yourself? A way back?"

As the ruler of the Divine Realm, the Nine Heavens God could see at a glance from the state of Xingri Xingri at this time that last night, before he was killed by Gong Ao, he took the Divine Pill.

Still a god?

Hearing this, Gong Ao, who was already terrified, was even more shocked.

Mad, this Luminous Sun Xingjun took the magic pill last night. I was really careless, why didn't I think at that time that he would completely destroy his corpse?

Swish!

At this moment, Haotian Divine Sovereign, as well as the eyes of many priests around him, will all gather on the body of the Sun Star Sovereign.

Chapter 4185

Because they don't know the situation, no one dares to ask rashly.

In the entire Yutian Palace, it was silent, and even a needle could be heard clearly.

"Your Majesty."

Faced with such a scene, Xingjun Yaori did not have the slightest fear, but was unable to express his unwillingness. He knelt there and shouted weakly, "Your Majesty, I am wronged, I did not collude with Yue Feng, and more I never thought of betraying God's Domain, betraying Your Majesty."

When he said this, Xingri Sun was full of grievances.

He is loyal and loyal, but His Majesty does not believe in him.

"Really?"

Jiutian God's face did not fluctuate at all, and he said lightly: "Then why did Gong Ao say that he saw you secretly meeting Yue Feng with his own eyes?"

What?

Hearing this, Yaori Xingjun trembled, looked around immediately, and finally locked Gong Ao tightly.

For a time, Xingri Sun's eyes were extremely blood red, and his heart was also extremely resentful.

It turned out... it turned out that he slandered himself.

“Your Majesty!”

Thinking to himself, Xingjun Xingri knelt up instantly, pointed at Gong Ao and shouted, “Gong Ao slandered me, I didn’t have a secret meeting with Yue Feng at all. Last night, I was patrolling outside Yutian Palace. I met Yue Feng....”

“You are talking nonsense.”

However, just halfway through, Gong Ao reacted and almost jumped up and shouted: “Xingjun Yaori, have you ever had a secret meeting with Yue Feng? I want to make a quibble. Not to mention that I slandered you.”

At this time, Gong Ao looked very angry on the surface, but he was panicked in his heart.

The truth must not be known to His Majesty, otherwise, everything will be over.

“Gong Ao.”

In the face of the anger, Xingjun Xingri laughed in anger and looked at Gong Ao closely: “I have no enmity with you, why did you frame me like this?”

“You...”

Gong Ao I was so anxious that I wanted to refute, but I didn’t know how to speak.

After all, he did slander others, and he was at a loss.

“Gong Ao!”

This is, Jiutian God gave Gong Ao a cold look: “Let Xingri Sun finish the sentence, without my permission, you are not allowed to interrupt.” When saying this, Jiutian God’s face was extremely gloomy, and his tone was even more serious. It’s undeniable majesty.

At this time, the Nine Heavens God had vaguely understood something.

Because in the secret room last night, Sun Xingjun had not explained, but Gong Ao shot to destroy the primordial spirit. At that time, he thought that Gong Ao was just angry and would be so reckless.

But thinking about it now, the scene at that time was suspicious.

And these doubts are all on Gong Ao.

Seeing Jiutian God speak, Gong Ao was like a deflated ball, his face was extremely pale, and he bowed his head and replied: "Yes, Your Majesty!"

Immediately, he stepped aside.

At this time, Sun Xingjun did not hesitate at all, and explained the situation in detail: "Your Majesty, after I met Yue Feng at that time, Yue Feng gave me a letter, saying that it was the battle of the Demon Lord Gone. The plan..."

"Later, I was going to give the letter to Your Majesty, but I ran into Gong Ao, who stopped me at the time and said he wanted to help hand it over..."

"But I never thought that Gong Ao would be so insidious, slandering me and Yue Feng for colluding, and betraying His Majesty." At the

end of the story, Yaori Xingjun knelt there and shouted apologetically: "Your Majesty, I was wronged. , I beseech Your Majesty to be clear."

Wow!

The voice fell, and the entire Yutian Palace suddenly exploded.

This palace arrogance is really hateful, not only deceiving His Majesty, but also slandering Xingri Sun. This kind of scum, staying in the realm of the gods is simply an insult to the realm of the gods.

"Bastard!"

At this moment, Jiutian God was full of anger, slapped the throne heavily, stood up instantly, pointed at Gong Ao and shouted angrily: "You bastard, you really disappointed me."

"Your Majesty, this kind of scum, Let's execute it directly."

"Yes, Gong Ao is so evil, it really loses the face of our God's Domain."

For a time, the surrounding priests also criticized Gong Ao, and they were full of righteous indignation and anger.

"Gong Ao, die." Haotian Shenjun shouted angrily, without any hesitation at the time, the figure erupted, like a bolt of lightning, coming straight towards Gong Ao.

It's over, it's over now.

Seeing Haotian Divine Sovereign's return, Gong Ao's face was pale, his legs were weak, and he could hardly stand still.

The ultimate husband in Chinese chapter 4186-4190

Chapter 4186

In the blink of an eye, Haotian Divine Sovereign arrived in front of Gong Ao, without the slightest emotional fluctuations on his face, cold and ruthless: "Your Majesty, frame others, you will shame our entire Divine Realm, go to hell

!"

!

The voice fell, and a terrifying aura erupted from the body of Haotian Divine Sovereign. In an instant, the temperature of the entire Yutian Palace plummeted.

The terrifying and powerful coercion makes people panic.

The next second, Haotian Shenjun suddenly raised his right hand and hit Gong Ao with a palm.

Did it die like that?

Feeling the explosive power of Haotian Divine Sovereign, Gong Ao's face was pale, and despair rose in his heart.

No, I can't die.

Never die!

In the next second, a desire to survive rose from the bottom of Gong Ao's heart, the light in his eyes flickered, and all the divine power in his body burst out directly, and he greeted him with a palm.

boom!

When the palms of the two sides touched, they heard Gong Ao's miserable howl, and the whole person was shocked and flew out, raining blood in the air, and finally fell heavily on the steps outside the Yutian Palace.

The strength of Haotian Divine Sovereign is second only to the God of Nine Heavens. At this time, with all his strength, Gong Ao is not an opponent at all.

Whoops!

At this moment, Haotian Divine Sovereign, as well as all the priests present, rushed out one after another, each with a look of indifference. No one sympathized with Gong Ao.

“Gong Ao.”

At this time, God Sovereign Haotian stared at Gong Ao closely, with a cold tone: “Are there any last words? If not, get ready to go.” As he

spoke, God Sovereign Haotian slowly walked towards Gong Ao. Come.

A terrifying aura filled the whole world.

At this time, Gong Ao, half of his body was stained red with blood. Facing the strength of Haotian Divine Sovereign, he secretly gritted his teeth and did not respond. At the same time, he quietly touched his pocket with one hand.

In his pocket, there are five ‘Sky Thunder Orbs’.

The Sky Thunder Orb is a unique hidden weapon in God’s Domain. It is only the size of an elixir, but it contains the power of Sky Thunder.

Swish swish...

Seeing that Haotian Divine Sovereign was about to come to him, Gong Ao didn’t have time to think about it, he raised his hand and waved, and saw five celestial thunder beads roaring out, like lightning, towards Haotian Divine Sovereign.

Haotian Divine Sovereign reacted quickly.

Boom boom boom... As

soon as I avoided it, the five Sky Thunder Orbs exploded, making a violent roar, and then, I saw one after another thunder and lightning, raging at the gate of Yutian Palace.

Tianleizhu?

Seeing this scene, Haotian Shenjun frowned, and quickly shouted at the surrounding priests: “Quickly move away.” The power of the Tianleizhu is powerful, and once it is hit, it will not die or be disabled.

Hearing the call, many priests ducked into the distance.

call!

Seeing this scene, Gong Ao didn’t have time to think about it, he endured the severe pain on his body, soared into the sky, and fled into the distance.

That's right, Gong Ao cast the Sky Thunder Orb just now. He didn't intend to hurt Haotian Divine Sovereign, but created an opportunity to escape.

In the blink of an eye, Gong Ao disappeared into the sky.

hateful!

Seeing this scene, Haotian Shenjun wanted to chase, but it was too late, so he slapped the pillar at the door with a fierce palm.

At this time, the Nine Heavens God walked out quickly, and when he saw the scene in front of him, he was also furious.

“Pass on my will and pursue Gong Ao with all my strength, regardless of life or death!”
In the

next second, Sen Leng's voice came from Emperor Tianqi's mouth, his face was extremely cold and indescribably annoyed.

This Gong Ao, first committed the crime of deceiving the emperor, and then slandered Xingri Xingjun.

But now, he has been allowed to escape in full view of the public.

“As ordered!”

In an instant, Haotian Divine Sovereign and all the priests responded in unison.

.....

On the other side, the False Mountain.

The False Mountain is located at the border of the God's Domain connecting the nine heavens.

At this time, on the top of the false mountain, sat a graceful figure.

She was wearing a long white dress, floating like a fairy, and her facial features were beautiful and moving, but there was a bit of sadness between her brows.

It was Princess Dongling.

Under a tree next to her, Yutong Xianweng leaned there, holding a jug in one hand and a few precious fruits in the other, drinking happily.

Since ten days ago, Yutong Xianweng, after saving Princess Dongling from Demon Lord Gone, helped her treat her injuries. Now that more than ten days have passed, Princess Dongling has basically recovered.

However, her primordial spirit was shattered by the Demon Lord Gone, and there was no possibility of self-recovery.

Chapter 4187

“Senior!”

At this time, Princess Dongling’s delicate face was full of confusion, and she asked Yutong Xianweng: “We have been here for a long time, what are we going to do? “

When asked, Princess Dongling was full of doubts.

A day ago, Yutong Xianweng said that he would take her to find a way to reshape the primordial spirit, but when he came to this illusory mountain, he stopped leaving.

Hehe...

Yutong Xianweng smiled, then took a sip of wine, squinted his eyes, and said mysteriously: “Of course I’m waiting for people here, you think this old man likes to be in this kind of place, drinking by himself. Ah.”

As he said, Yutong Xianweng looked around.

wait?

Hearing this, Princess Dongling was stunned for a moment, and couldn’t help but ask again, “Who are you waiting for?”

Isn’t this Yutong Xianweng trying to help him reshape his primordial spirit, what are you waiting for here?

Seeing her puzzled face, Yutong Xianweng shook his head and smiled bitterly: “Thank you for being the daughter of the Nine Heavens God, don’t you know that after the primordial spirit is destroyed, it is difficult to reshape it?”

“Even if there is a way, some rare treasures are needed. Although I have been traveling around, I have too few treasures on my body, so I can only find a way to borrow it from others.”

Speaking of which, Yutong Xianweng touched his red nose and continued: “According to the old man You know, Fairy Pipa has a treasure called ‘Tianqingzhu’. This Tianqingzhu is a spiritual thing that was bred from the heaven and earth after Pangu

opened up the world. Like the Chaos Spirit Pearl, it captures the fortune of heaven and earth.”

“As long as you get the ‘Tianqingzhu’ Qingzhu’, if you want to rebuild the primordial spirit, it will be much easier.”

At this time, Yutong Xianweng seemed to be intoxicated, but his face was extremely confident.

Yes, Yutong Xianweng brought Princess Dongling to this False Mountain, just waiting for Fairy Pipa.

Yutong Xianweng and Pipa Fairy are both immortals from outside the sky. They are familiar with each other and have some friendship. Half a day ago, Yutong Xianweng learned that Pipa Fairy had arrived in the Divine Realm, so he rushed to the False Mountain with Princess Dongling.

Because the False Mountain is the only way to leave the God Realm and go beyond the Nine Heavens.

Pipa Fairy?

At this moment, Princess Dongling was stunned, her delicate face couldn’t hide her joy: “Is Fairy Pipa very powerful?”

Yutong Xianweng couldn’t help laughing: “Haha.... The question is, Fairy Pipa, like me, is an immortal from outside the sky, so she is naturally powerful, not only powerful, but also very beautiful.”

Oh...

Princess Dongling responded, and then she thought of something, and continued: “Then... ..will she give us the ‘Tianqingzhu’?”

Yutong Xianweng finished the last sip of wine, stood up and patted his chest, and said confidently: “You don’t have to worry about this, you think that the relationship with her, don’t saying ‘Tianqingzhu’ is a better treasure, and she will give it to me.”

After saying this, Yutong Xianweng’s heart was complicated.

After all, although he and Fairy Pipa knew each other well, they weren’t really good friends. They just couldn’t lose face in front of Princess Dongling.

Whoosh!

Just as he was talking, he saw a wave of aura coming from the horizon not far away, and then, a slender and charming figure flew over quickly. Wearing a long colorful dress with beautiful facial features, carrying a pipa on her back, her charming body exudes an undeniably powerful aura.

It is the Pipa Fairy.

Swish!

Seeing Fairy Pipa appearing, Fairy Yutong was very excited and hurried up to meet her. At the same time, he didn't forget to turn his head and explain to Princess Dongling: "Fairy Pipa is here, don't talk nonsense later, this woman has a weird personality. If you annoy her, I'm afraid you won't hand over the Tiantian Qingzhu."

Princess Dongling responded quickly.

In the blink of an eye, Yutong Xianweng arrived in front of Fairy Pipa, bowed first, and then said with a smile: "Fairy Pipa, stay safe, remember the last time we met, it was in the void nine days away, I didn't expect to be in a hurry It's been five hundred years since we said goodbye."

When greeting, Yutong Xianweng was full of smiles, but complex eyes flashed.

Um!

Fairy Pipa nodded, and then said softly, "It's true that we haven't seen each other for a long time. Time flies so fast, five hundred has passed in a blink of an eye. By the way, why did you suddenly appear here?"

Chapter 4188

Speaking, Fairy Pipa couldn't help but look at Princess Dongling who was not far away: "Who is this girl doll?" Although Princess Dongling is sexy and charming, in Fairy Pipa's eyes, there is no doubt that she is with the little girl.

After all, Fairy Pipa and Fairy Yutong have lived for nearly 10,000 years. Even if the Nine Heavens God comes, they will call out their predecessors.

"Haha..."

Upon hearing the question, Yutong Xianweng scratched his head and smiled, and said casually, "She is the ruler of the Divine Realm, the daughter of the

Nine Heavens God." The daughter of the Nine Heavens God?

At this moment, Fairy Pipa was stunned for a moment, her eyebrows wrinkled slightly, she was very surprised, but she was not shocked at all. In her capacity, Jiutian God came in person, and there would be no waves in his heart, let alone his daughter.

In the next second, Fairy Pipa asked curiously, "Don't you like to wander around and have nothing to do with any forces? Why would you bring the daughter of the Nine Heavens God?"

When asking these questions, Fairy Pipa couldn't help looking up and down at Dongling Princess.

This girl doll is really beautiful, slim and full of fairy spirit.

It's just a pity that there is no primordial spirit.

Uh...

Yutong Xianweng scratched his head and smiled awkwardly: "It's nothing, this girl has something to do with me. She was in trouble before, and I happened to meet her, so I saved her."

"That's it." Fairy Pipa responded lightly, and her delicate face did not fluctuate in the slightest.

Like Yutong Xianweng, Pipa Fairy has no desires or desires, so when she heard that Princess Dongling was in trouble, she couldn't make any waves in her heart.

"Speak up."

This is, Yutong Xianweng touched his nose, hesitating to say anything, with a very embarrassed look: "I learned that you came to the Divine Realm before, so I am waiting for you here."

Pipa Fairy smiled lightly: "Really? You are waiting for me here, but do you have any advice?"

Yutong Xianweng quickly shook his head: "I don't dare to give advice, don't you have a sky blue pearl on your body? You saw it just now, this girl has no yuan. God, it's very miserable and desolate, I just want to help her rebuild her primordial spirit."

Without waiting for Fairy Pipa to respond, Fairy Yutong continued: "But don't worry, I don't want you for nothing, we can fight. A bet, or a test, if you lose, give me the Sky Blue Pearl."

"If I lose, you can let me do anything." The

last word fell, and Yutong Xianweng looked at the pipa closely . Fairy, her eyes are full of anticipation.

To be honest, with the relationship between the two sides, Yutong Xianweng can completely borrow it, but he has a arrogant personality, and if he really wants to borrow it, it will be too shameless.

After thinking about it, Yutong Xianweng made a bet with Pipa Fairy, so that even if he lost, he would not lose face.

Huh...

After hearing this, Fairy Pipa sighed slightly and smiled: "After talking for a long time, it turns out that you want Tianqingzhu to help the daughter of Jiutian God."

"Yutong Xianweng, you used to It's not like this, I've never seen you help an outsider like this, but you make me look up to you."

Uh...

Hearing this, Yutong Xianweng scratched his head, a little embarrassed.

Fairy Pipa is right, Yutong Xianweng has always been alone, and has never made friends with anyone. Today's actions are indeed unexpected.

However, Fairy Pipa didn't know that Yutong Xianweng had been invited by Yue Feng to taste delicious food in the mainland of Kyushu. Yutong Xianweng liked nothing more, so he was very grateful to Yue Feng and almost became a confidant.

And Princess Dongling is Yue Feng's woman. Now that she is in trouble, Yutong Xianweng will naturally not sit idly by.

It's just this kind of thing, how can Yutong Xianweng say it?

"Okay!"

At this moment, Fairy Pipa smiled lightly and took out the azure pearl from her body: "Since you want the azure pearl, go and help the daughter of the Nine Heavens God reshape the primordial spirit, I will give it to you, We don't need to bet on the competition, anyway, this Tianqingzhu is of no use to me. I will be a favored favor and give it to you."

Said, the Pipa Fairy handed the Tianqingzhu over.

"Oh, this can't be done..."

However, Yutong Xianweng didn't take it, but shook his head and said, "This is absolutely impossible, how can I ask for your things for nothing? Let's make a bet and have a try. ."

Yutong Xianweng is not only proud, but also does not like to owe others favors.

Chapter 4189

Oh!

Seeing him like this, Fairy Pipa was speechless, shook her head and smiled bitterly.

This Yutong Xianweng really hasn't changed at all. He has a strong self-esteem and a good face. He even decided to give it to him, but he didn't want it.

Princess Dongling, who was not far away, was also dumbfounded.

What is Senior Yutong doing, the other party has given it away for nothing, so he still has to try?

Really worthy of his title, Yutong, like a child, he likes to play around...

"Okay!"

At this time, Fairy Pipa came back to his senses, temporarily put away the Tianqingzhu, and then looked at Yutong Xianweng said with a smile: "How do you want to compare?"

Hmm....

Yutong Xianweng stroked his beard, pondered, and then turned his head to see two stone peaks not far away, his eyes suddenly lit up, With a smile, he said, "Well, these two stone peaks are about the same size and height. Let's use immortal power to

carve into our own shape. Whoever uses the shortest time wins." He was excited about his proposal and looked very urgent: "How is it?"

Although Yutong Xianweng has lived for nearly 10,000 years, he has always maintained a childlike innocence. In the eyes of others, seemingly boring things, in his heart, But it is very interesting.

What?

Hearing this, Princess Dongling, who had been silent for a while, suddenly trembled.

At the same time, she tilted her head to look at the two stone peaks, and Princess Dongling's delicate face also revealed a look of confusion.

Senior Yutong is crazy.

These two stone peaks are towering into the clouds. He actually wants to carve into his own shape. How much time and immortal power does it take?

At this time, Princess Dongling still didn't know that the abilities of immortals outside the sky were far beyond her imagination.

"Okay."

Feeling Yutong Xianweng's expectant gaze, Pipa Fairy seemed a little helpless, but she still smiled: "It's up to you, you choose first."

Seeing her agreement, Yutong Xianweng was very excited . , pointing to the one on the left: "I choose this one."

Fairy Pipa nodded: "Okay, then I'll take the other one. Let's start."

Om!

When the last word fell, he saw Yutong Xianweng rising into the sky, and a powerful breath burst out from him. This force was like a sea of smoke, filling the world in an instant.

"Wind and thunder..." The

next second, Yutong Xianweng shouted in the sky. At what time, it was a clear sky, but a gust of wind suddenly blew, and then the sky also quickly gathered a series of dark clouds.

Immediately afterwards, among the dark clouds, thunder and lightning ripped apart the world, shocking people.

Phew...

Seeing this scene, Princess Dongling's body trembled, and she was so shocked that she could barely stand still.

powerful!

What a powerful force.

Speaking of which, this is the first time Princess Dongling has seen Yutong Xianweng show her strength. In her heart, Yutong Xianweng is an immortal from outside the sky, but in terms of strength, it should be inferior to her father, the Nine Heavens God, after all. , the Nine Heavens God is the master of the Divine Realm.

However, at this time, seeing Yutong Xianweng's light-hearted words triggered a vision of heaven and earth, Princess Dongling's inner cognition was suddenly overturned.

Kacha Kacha...

Just when Princess Dongling was shocked, she saw that lightning bolts fell from the dark clouds and landed on the Shi Feng on the left.

After more than a dozen lightning bolts fell, Princess Dongling saw that the outline of a human head had appeared on the top of Shi Feng...

and the outline of this human head was exactly what Yutong Xianweng himself looked like.

Great, so great.

Seeing this, Princess Dongling's heart trembled, she was shocked and admired.

This Jade Child Immortal Weng actually used thunder and lightning to carve his own appearance on Shi Feng.

Simply amazing.

However, what shocked Princess Dongling was still behind.

hum!

At this moment, I saw the Pipa Fairy, and she also rose up, and the graceful figure blinked to the sky, agile and elegant, like a crane.

Immediately afterwards, Fairy Pipa picked up the pipa on her back, and her jade fingers waved slightly, and she heard a crisp and melodious sound of the pipa. Peak away.

Chapter 4190

"Small, small..."

While playing the pipa, the pipa fairy's red lips gently opened, and she gently recited a series of incantations.

Whoosh!

At this moment, Princess Dongling was surprised to find that after Fairy Pipa recited the incantation, the Shi Feng on the right seemed to have a special spirituality, and it quickly shrank.

In the end, Shi Feng shrank to the size of a palm, flew away suddenly, and landed on Fairy Pipa's jade hand.

In the next second, Fairy Pipa took out a delicate jade knife and began to carve carefully on the smaller pinnacle.

I have to say that Fairy Pipa is not only beautiful, but also strong and ingenious. When she saw her jade hand move gently, the jade knife quickly carved a graceful figure on Shi Feng.

This...

seeing this scene, Princess Dongling was completely dumbfounded, shocked and admired.

Is this the power of the Immortals from Outside Heaven?

It's really incredible, if you hadn't seen it with your own eyes, who would have believed it?

Whether it is Yutong Fairy or Pipa Fairy, their methods are truly amazing.

Under the shock, Princess Dongling watched quietly, not daring to blink, for fear of missing a more exciting moment.

Time passed by minute by minute.

Soon, ten minutes passed, and I saw Yutong Xianweng floating in the air, manipulating thunder and lightning, and constantly carving on Shifeng. Fairy Pipa was also holding the jade knife tightly, not in a hurry.

The progress of the two sides is similar, but Princess Dongling noticed that Fairy Pipa seems to be faster.

If nothing else, in this competition, the Pipa Fairy should win in the end.

Ugh!

Discovering this, Princess Dongling was very melancholy and couldn't help sighing in her heart.

If Yutong Xianweng loses, he will not be able to get the Sky Blue Pearl. Without the Sky Blue Pearl, it will be difficult for him to rebuild his Primordial Spirit.

This Jade Boy Fairy is also true. When the Pipa Fairy gave it away for free, why didn't you accept it? Why don't you try it?

Um?

Just when Princess Dongling was depressed, she saw the Pipa Fairy suddenly stop, and she saw that the Shi Feng in her hand had been carved into the appearance of a graceful fairy, but there was still one pair of feet left untouched.

How did she stop?

Seeing this scene, Princess Dongling was very puzzled.

Aware of Princess Dongling's gaze, Fairy Pipa met her gaze without speaking, but showed a meaningful smile.

At this moment, Princess Dongling instantly understood something, Fairy Pipa did it on purpose, she wanted to lose to Yutong Xianweng on purpose.

That's right, Fairy Pipa knew that Immortal Yutong had a strong self-esteem, and he would definitely not accept it if he gave Sky Blue Pearl directly, so at the last key point of the competition, he stopped and planned to lose the competition.

After all, Yutong Xianweng needs Tianqingzhu very much.

Boom boom boom!

At this time, with the sound of the last few thunder and lightning, Yutong Xianweng slowly landed, and said with a big smile: "You're done."

Princess Dongling quickly looked over, and saw Shi Feng on the left, which had been carved into a jade child fairy. The appearance, facial features and demeanor, all seem to be real, lifelike.

"Haha..."

Just when Princess Dongling was fascinated, she heard Yutong Xianweng laugh proudly.

"Pipa Fairy."

At this time, Yutong Xianweng looked at Shi Feng in Pipa Fairy's hands, and said leisurely: "I thought I was going to lose, but I didn't expect you to be one step behind me in the end."

Yutong Xianweng saw that Pipa Fairy's Shi Feng was only one foot away from carving. Obviously, he won this match.

However, he didn't know that at the last moment, Fairy Pipa deliberately stopped.

Um!

Seeing Yutong Xianweng as happy as a child, Fairy Pipa didn't say much. She smiled lightly and said, "You win, I will give you the Tianqingzhu." After speaking,

Fairy Pipa took out the Tianqingzhu and threw it to you. Jade boy fairy.

"I still have something to do, let's take a step first, we will have a date later." The

next second, Fairy Pipa's red lips lightly opened, and after saying a few words, her figure rose up and was about to leave.

Yutong Xianweng nodded and waved goodbye to Fairy Pipa.

Afterwards, Yutong Xianweng turned his head and looked at Princess Dongling with a smile: "Haha, how is it? The old man's words are counted, and this day, the Azure Pearl has been obtained."

"Speaking of which, this Pipa Fairy is very powerful, but with the old man It's still a little underwhelming in comparison."
