

The ultimate husband in Chinese chapter 4241-4250

Chapter 4241

said, the guard kept kowtowing: "The subordinates are not well protected, please atone." It's

over!

Hearing this, King Guangping swayed, his face full of anxiety and depression, and then quickly ordered: "Quick, pass my order, immediately assemble the army and return to Tianqi Imperial City."

Bai Yunfei's identity is special, and he needs to rely on He introduced himself to Demon Venerable, and he must not be allowed to have an accident.

When the voice fell, the guard quickly responded and ran out.

Ugh!

At this moment, King Guangping sat down again, frowning. He couldn't help but sigh, what if he captured the Beiyang Imperial City, without Bai Yunfei, it would be difficult for him to unify Kyushu.

hum!

Just when King Guangping was melancholy, suddenly, he heard a hole in the top of the hall above his head, and then, a slender figure burst out, lightning fast!

It is Ren Yingying!

Before, because of Bai Yunfei, Ren Yingying had been holding back her old hatred and did not attack King Guangping, but now, knowing that Bai Yunfei was captured by Ji Hongshang, Ren Yingying could no longer hold back

!

Rushing to the front, Ren Yingying's demonic soul exploded, and the powerful aura instantly filled the entire hall.

"You...you didn't leave?!"

Feeling the killing intent behind him, King Guangping was shocked and almost jumped up to look back. When he saw Ren Yingying, he was both panicked and angry.

This chapter is provided by . Visit for daily update.

“King Guangping!” Ren Yingying’s delicate face was full of grief, anger and resentment: “You killed my father, now it’s time to pay for your life. Moreover, I’m not afraid to tell you that I did write a secret letter to Xia Yinzong before. , but I didn’t expect that the secret letter would be intercepted by you.”

“But these are not important anymore. Bai Yunfei can’t protect himself now. If I kill you, I don’t have to worry about being found out by him.

“

Mad!

At this moment, King Guangping was furious, staring at Ren Yingying tightly, his heart was extremely furious.

She really betrayed Your Excellency Bai Yunfei.

In his anger, King Guangping didn’t have time to dodge, so he had to use all his internal strength and attacked with one palm. He knew that his strength was too different from Ren Yingying, but he also wanted to fight.

boom!

The palms of the two collided fiercely, and they heard King Guangping screaming. The whole person was shocked and flew out, blood spurted wildly, and flew dozens of meters away. Soft slide down.

Ren Yingying has a demon soul, and even Gonggong is no match, let alone King Guangping.

“Pfft...”

After landing, King Guangping spat out a mouthful of blood again, his face pale and pale, and he clearly felt that all the meridians in his body were broken by shock, and even if Da Luo Jinxian came, it would be difficult to treat.

At this moment, King Guangping looked at Ren Yingying in astonishment, with endless fear and unwillingness in his eyes.

I haven’t ruled Kyushu yet, I don’t want to die like this...

Bass!

At this moment, Ren Yingying drew out her long sword and stared at King Guangping: “Do you remember how you killed my father? Back then, when you hit my father’s heart with a single palm, it hurt my heart. He died tragically.”

“I originally wanted to beat you to death, but I felt that doing so would be really cheap for you.” As

she spoke, Ren Yingying walked over step by step.

The terrifying power of the devil’s soul pervades the graceful and delicate body, and even those eyes are extremely blood red.

At this time, Ren Yingying was like a witch descending to earth.

Gudong!

Feeling the terrifying breath, King Guangping couldn’t help swallowing his saliva and said weakly: “Yingying...no...don’t kill me...whatever I say...you are also your uncle...”

“Back then I will kill your father, take... take the throne... I have no choice but to...”

At this time, King Guangping was extremely weak and had no strength to speak, but under the support of his desire to survive, he continued to speak. beg for mercy.

No one wants to die, even if there is a trace of hope, they must fight for it desperately, and the same is true of King Guangping.

Hehe...

However, where did Ren Yingying listen, she chuckled at the time, “Why did I know it today?” The voice fell, and the long sword swung directly to cut off King Guangping’s head.

In an instant, blood spurted out, staining the ground red.

Chapter 4242

At this moment, the moment the head fell, I saw King Guangping’s eyes wide open, full of unwillingness and astonishment, as if he never thought that he would really die in the hands of Ren Yingying in the end.

“Father...”

At this moment, Ren Yingying took a deep breath, glanced coldly at Meng Lang’s corpse, and then knelt down to the sky outside, her delicate face showing sadness and sadness: “Yue Ying finally I have avenged you, you are in the spirit of heaven, you can finally rest in peace.” The

voice fell, and tears could not help falling from his cheeks.

For so many years, Ren Yingying has always wanted to avenge her father and emperor, but many previous opportunities were delayed because of other things, and now she finally got her wish, why not happy?

“Dangdang...”

After a few seconds, Ren Yingying stood up and went out to ring the big bell outside the hall. This big bell can only be run by the Beiyang Palace in an emergency.

After a while, when the bell was heard, dozens of generals of the apocalypse came quickly.

Huh...

Entering the camp, seeing the scene in front of them, all the generals changed their expressions, only their brains were buzzing, and they were completely stunned.

I saw that King Guangping's body was leaning against the pillar at the door, blood was splattered everywhere, the air was filled with a disgusting smell of blood, and King Guangping's head was more than ten meters away from the corpse. Outside, with a stiff and pale face, facing the sky, his eyes stared, obviously dead.

Your Majesty... dead?

For a time, the same voice sounded in the minds of all the generals.

A few seconds later, a general responded first and asked Ren Yingying, “Your Excellency, what's going on? Who assassinated His Majesty? Where is the murderer at this time?”

This general's name is Nie Yunchong. He is Nie Yunxiao's younger brother. He is strong and loyal to King Guangping. At this time, seeing King Guangping's death so tragically, Nie Yunchong was inexplicably shocked.

At this time, in Nie Yunchong's heart, he did not doubt Ren Yingying at all, thinking that it was King Guangping who was killed by someone else. You must know that Ren Yingying and King Guangping both worked for Bai Yunfei, and it was impossible for them to have internal strife.

Swish!

The voice fell, and the eyes of other generals also converged on Ren Yingying.

“Everyone!”

At this moment, Ren Yingying breathed a sigh of relief, her delicate and beautiful face did not fluctuate in the slightest, and her tone was extremely cold: "You don't have to guess, I killed this traitor."

Saying that, Ren Yingying Holding back his grief, he continued: "In those days when King Guangping committed a crime, killing my father and taking the throne, the method was cruel, and then he started wars everywhere. It can be said that it is hard to describe. Now, as Princess Yueying, I will kill her, too. Follow the way of heaven."

"A person like him is not qualified to be an emperor at all. I hope you all will also correct your position."

When she said this, Ren Yingying's expression was resolute, and her delicate body was filled with strength. Royal majesty.

Phew... I

have to say, Ren Yingying's aura is really too strong, for a while, the expressions of the generals present changed, and they just felt that they couldn't breathe.

At the same time, one by one was extremely shocked.

She turned out to be the one who killed His Majesty...

Quiet!

At this moment, there was a dead silence in the entire hall, and a needle could be heard clearly.

I don't know how long it was silent, Nie Yunchong was the first to react, with endless anger flashing in his eyes, he shouted angrily at Ren Yingying: "Ren Yingying, you are very courageous, you dare to stab Your Majesty, you'd better capture it immediately, otherwise don't blame me for being rude "To

be honest, Nie Yunchong knew what Ren Yingying said was true. King Guangping's throne was indeed disgraceful. At the beginning of the martial arts contest, King Guangping killed Emperor Tianqi in public. It can be said that everyone knows that, in other words. In other words, the throne of King Guangping was snatched, and it was reasonable for Ren Yingying to kill him at this time.

But in Nie Yunchong's heart. The status of myself and my brother was given by King Guangping. Without King Guangping, there would be no achievements of their brothers today.

Moreover, Nie Yunchong and Nie Yunxiao also swore allegiance to King Guangping back then. Now that King Guangping died so tragically, if they turned a blind eye, how would they be seen in the future, and what kind of loyalty would they talk about?

Hehe..

Hearing Nie Yunchong's scolding, Ren Yingying chuckled lightly and looked at Nie Yunchong with great interest: "What? You want to avenge the traitor King Guangping?"

Chapter 4243

"Rebels?" Nie Yunchong shouted with grievance and resentment on his face: "When your father was in power, his political achievements were mediocre, but after His Majesty came to power, the strength of Tianqi Continent did not know how much improved, so only His Majesty is the The real emperor, and you are just a fugitive princess."

"Not much nonsense, Your Majesty has been very kind to me. If I want you to surrender, how will I see people in the future?"

Om!

The voice fell, and a powerful breath burst out from Nie Yunchong's body, and then he pulled out his long sword, like a shock, and stabbed Ren Yingying straight.

Wherever the long sword passed, the air was torn apart.

Seeing Nie Yunchong burst out, Ren Yingying's delicate face flashed with a hint of complexity, and sighed softly: "I don't know whether to live or die, you Nie brothers are really pedantic." The

voice fell, Ren Yingying urged the power of the demon soul , In an instant, the entire hall was full of killing energy.

Strong...really strong.

Feeling the power of Ren Yingying's explosion, the other generals around were all taken aback.

At the same time, Nie Yunchong was also secretly shocked, but in order to repay King Guangping, he still rushed up.

"Om!"

Seeing that the long sword was about to stab Ren Yingying, at this moment, Ren Yingying's expression did not change in the slightest, she suddenly raised her jade hand, and the two jade fingers directly clamped the tip of the sword.

Yes, with only two jade fingers, the tip of the lightning-fast sword was clamped.

At this moment, the powerful power of Nie Yunchong's eruption also disappeared in an instant.

This...

Nie Yunchong gritted his teeth and wanted to go further, but what made him terrified was that almost all his internal force was mobilized, and the long sword that was caught by Ren Yingying could not be handed out at all.

"Don't bother."

At this moment, a trace of pity flashed in Ren Yingying's eyes, she said a few words softly, and the other hand fluttered out.

This palm seemed to be very slow, but it came to Nie Yunchong in the blink of an eye. At that time, Nie Yunchong wanted to dodge, but the long sword in his hand was tightly grasped by Ren Yingying, and he couldn't draw it out at all.

boom.

In the next second, Nie Yunchong was directly hit by the palm shadow, and he let out a scream, and the whole person was shocked and flew out. When he landed, his face was extremely pale, and a mouthful of blood spurted out, and he died immediately.

Hiss...

Seeing this scene, the other generals around couldn't help gasping for air, looking at Ren Yingying one by one, with awe and fear in their eyes.

This Ren Yingying is indeed an existence that even Bai Yunfei wants to win over, his strength is really too strong.

quiet!

For a while, the entire hall was silent, only the urgent cries of these generals could be heard.

"Everyone..."

At this time, Ren Yingying's beautiful face was incomparably indifferent, she walked to the throne in the main hall step by step, looked around, and said lightly: "King Guangping, the traitor, is dead, the so-called court is not acceptable. There is no king for a day, I, Ren Yingying, as Princess Yueying, will inherit the line from now on and be the queen of the Apocalypse Continent." As

she spoke, Ren Yingying's eyes flashed with determination, and continued: "Although you have always been the most popular King Ping does things, but now as long as you are loyal to me, I can let go of the past, of course, if you want to leave, I will not stop it, but if you want to see it in the future, I will naturally not be soft-hearted."

The voice of the words was clear, but it was indescribably majestic and domineering. These generals present felt stuffy in their hearts and almost breathless.

Speaking of which, Ren Yingying never thought of asking for the Empress Apocalypse, and this idea has just arisen. Ren Yingying thought about it. After becoming the queen, she immediately investigated Bai Yunfei's whereabouts.

He had been passive in his confrontation with Bai Yunfei before, but now he has the initiative, and he will definitely be able to get the secrets from Bai Yunfei.

quiet!

In the entire hall, the silence was terrifying.

Pfft!

Finally, a few minutes later, one of the generals couldn't bear it anymore. He was the first to walk out, kneeling in front of Ren Yingying, and respectfully shouting: "My subordinate Huang Qingyun, see my emperor. Long live my emperor! Long live!"

The general shouted Huang Qingyun was comparable in strength to Nie Yunchong.

Huang Qingyun is a very shrewd person, and she can see clearly the situation in front of her. Ren Yingying, who was able to get the demon soul in the ancient tomb of Chiyu, means that she is the heir to the Tianqi royal family.

More importantly, if you don't accept the situation in front of you, you will be looking for a dead end.

Chapter 4244

Wow..

Seeing Huang Qingyun taking the lead, the other generals no longer hesitated, knelt down one after another, and then shouted in unison.

“See Her Majesty the Queen.”

“Long live, long live, long live, Your Majesty...”

When they shouted loudly, the expressions of these generals were extremely respectful, and their attitudes became more sincere.

No one is stupid. King Guangping is dead, and Ren Yingying is already the general trend. Who dares to object?

Um!

Seeing this scene, Ren Yingying showed a charming smile, and nodded with satisfaction: “All soldiers and soldiers, get up! I hope you will do your best in the future and do more for my Apocalypse Continent.” The

voice fell, Huang Qingyun and everyone stood up one after another. .

“Your Majesty.”

After getting up, Huang Qingyun thought for a while, and asked a step forward: “Now our Apocalypse army has successfully occupied Beiyang Imperial City. If nothing else happens, within three days, we will be able to control the entire Beiyang Continent. I don’t know what your plan is next, Her Majesty the Queen?”

Huo!

Hearing this, Ren Yingying breathed a sigh of relief, and ordered: “Let the soldiers rest first, by the way, send someone to inquire about Ji Hongshang’s whereabouts immediately!”

When she said this, Ren Yingying’s expression was calm, but her eyes were not concealed. Live anxiously.

The original plan was to help the Tianqi army and contribute to the Beiyang Imperial City, Bai Yunfei would give the secret book to Ren Yingying, who knew that Ji Hongshang suddenly betrayed Bai Yunfei, not only that, but also injured Bai Yunfei and brought out Tianqi Royal Palace.

In Ren Yingying’s heart, although it was worth celebrating after killing King Guangping and regaining the throne, what was more important was Bai Yunfei’s whereabouts.

After all, the taste of demon soul backlash is too painful, Ren Yingying doesn’t want to be tortured forever.

“As ordered...”

Hearing this, Huang Qingyun and other generals agreed, and then quickly walked out of the hall to deploy.

...

on the other side, God's Domain.

Below the abyss, Princess Dongling was covered in blood and opened her eyes weakly.

Didn't you die?

Seeing the surrounding environment, Princess Dongling was both happy and aggrieved. She fell off a cliff before, she thought she would be smashed to pieces, and she was dead, but she did not expect that there was a pool under this abyss.

However, in addition to the water pool below this abyss, the sky is also covered with a thick fog that cannot be dispelled, and the line of sight is blocked, and there is no way out.

But Princess Dongling didn't think much about it, she swam to the edge of the water pool and started to check the things on her body.

Done!

At this moment, Princess Dongling's delicate body trembled, and she almost cried when she realized that Tian Qingzhu and Qicai Ruyi had fallen for some unknown reason. At this moment, there was only the jade bottle with a strange flame inside.

At this time, Princess Dongling was in a bad mood.

It doesn't matter if Qi Cai Ruyi is lost, but Tian Qingzhu can help him reshape his primordial spirit.

Depressed, Princess Dongling took out the jade bottle and looked at the flames jumping up and down inside, dazed.

Strange, how this flame gives a very familiar feeling.

At this time, Princess Dongling still didn't know that the flame in the jade bottle was exactly what Yue Feng left behind after his death.

whoosh...

Just when Princess Dongling was secretly surprised, suddenly, there was a wave of breath above her head, and then, a slightly fat figure fell into the pool with a thud.

“Ouch...”

The figure shouted for a while, very embarrassed: “Why is there a water pool below this? It’s sloppy.”

The man muttered and quickly swam to the side of the water pool.

Suddenly someone fell, Princess Dongling was very nervous at first, but when that person got to the edge of the water pool and saw his face clearly, Princess Dongling was stunned for a moment, and then she couldn’t help laughing out loud.

Pfft...

At this moment, Princess Dongling looked at the person who came, and said with a smile: “Senior Yutong, how is it you?”

Yes, this person is Yutong Xianweng.

“Aiya.”

Hearing the voice, Yutong Xianweng looked over immediately and found out that it was Princess Dongling, and was immediately surprised and delighted: “Girl, you are really down here, I am relieved to see that you are all right. .”

Saying that, Yutong Xianweng raised his hand and waved, and a flame burned out of thin air, quickly drying his and Dongling’s wet clothes. They swam out of the pool one after another, each more embarrassed than the other, and there were differences between men and women, so they had to dry their clothes.

Chapter 4245

At this moment, Princess Dongling’s face turned a little red, but in her heart, Yutong Xianweng was a senior, so she didn’t care much.

“Senior!”

Princess Dongling couldn’t help but ask, “How do you know I’m down there? Also, what about that Pipa Fairy?”

Alas!

Hearing the question, Yutong Xianweng waved his hand, looking very depressed: “Don’t mention this, that Demon Lord Gone, relying on the number of people, wanted to capture me and Pipa Fairy alive, but who are we? Heavenly Immortals, can you be caught by him?”

“Didn’t I tell you to run first? I saw a guy chasing you. I was worried, so I discussed with Fairy Pipa and asked her to divert the enemy away, and then I looked for a chance. Leave the battlefield.”

“I followed the direction you walked all the way to the vicinity, and found your traces disappeared on the cliff, I guessed that you might have fallen.” At the

end, Yutong Xianweng’s face He was proud: “It now seems that my guess is not false at all, haha...”

Hearing

this, Princess Dongling was very moved, looked at Yutong Xianweng and said: “Senior, you come to me , is it okay to let Fairy Pipa contain so many people from the Demon Clan by herself?”

Although she and Fairy Pipa are not very close, Princess Dongling also knows that Fairy Pipa is kind-hearted, otherwise, she would not have deliberately lost to Jade before. Tong Xianweng, willingly handed over the Azure Pearl.

At this time, when she learned that Fairy Pipa was alone to contain the demons, how could Princess Dongling not be worried?

Haha...

Seeing her worried face, Yutong Xianweng smiled and shook his head disapprovingly: “Girl, you are really worrying too much, Fairy Pipa alone might not be able to stop the siege of the demons, but she wants to If you leave, the Demon Venerable can’t stop him.”

Saying that, Yutong Xianweng touched his nose and changed the subject: “Well, let’s not talk about this, let’s get out of here quickly, and then use the Sky Blue Pearl to help you reshape the body.”

Sky Blue Pearl...!

Hearing this, Princess Dongling’s eyes drooped down, with a melancholy look that was pitiful.

“What’s wrong?” Yutong Xianweng was stunned and couldn’t help asking.

Ugh!

Princess Dongling sighed softly and said bitterly: “The Sky Blue Pearl is gone, and I also lost your Qicai Ruyi...” After that, she explained the situation again.

At the end of the story, Princess Dongling smiled bitterly at Yutong Xianweng: "Maybe this is my destiny. I lost the Sky Blue Pearl, and I am destined to be unable to reshape the Primordial Spirit."

What?

Hearing this, Yutong Xianweng's eyes widened, and he looked helpless: "You lost the Tianqingzhu? Oh, it's troublesome."

After speaking, Yutong Xianweng wanted to comfort a few words . . . However, at this time, when he saw the jade bottle in Princess Dongling's hand, he immediately frowned.

The flame in this jade bottle is a bit strange.

When he competed with Fairy Pipa before, Yutong Xianweng only thought about how to win, so when Fairy Pipa took out the jade bottle, he didn't pay attention to the fire inside.

At this time, seeing the flame in the jade bottle up close, Yutong Xianweng became interested.

"Come!" The

next second, Yutong Xianweng stretched out his hand and said impatiently, "Show me."

Princess Dongling responded and handed the jade bottle over.

call...

At this moment, Yutong Xianweng took the jade bottle and looked over and over, and the more he read, the more he read the Heart Sutra, and at the end he couldn't help but exclaim: "It is rumored that the Suzaku family has the power to rebirth, especially Queen Suzaku, who is almost a With an immortal body, even if it is destroyed, it can be reborn with powerful power."

"I have always been curious about the power of this rebirth, but I have never been able to see it, but I didn't expect it to be in a small I met it in the jade bottle."

When he said this, Yutong Xianweng's eyes were full of brilliance, and he couldn't hide his excitement.

As an immortal from outside the sky, Yutong Xianweng has learned from ancient times and modern times, and knows almost everything. At this moment, he can see at a glance that the essence fire in the jade bottle is related to the power of the Suzaku family.

You know, apart from the power of the ashes, ordinary flames cannot burn forever.

What?

Hearing this, Princess Dongling's delicate body trembled, and she was stunned for a long time, but she couldn't come to her senses for a long time.

The ultimate husband in Chinese chapter 4246-4250

Chapter 4246

A small flame in this jade bottle has such a big origin?

Under the shock, Princess Dongling's eyes flickered, and she suddenly thought of something, she was excited and excited to look at Yutong Xianweng: "Senior, according to you, will this jade bottle belong to Yue Feng? Spirit?"

Although Princess Dongling is sometimes willful, she is very thoughtful.

When I met the Demon Lord Gone before, I learned that Yue Feng was dead, and Yue Feng had received the inheritance of the Empress Suzaku, possessing the power of bird ancestors in the body, and possessing the ability to be reborn.

The combination of these two clues is exactly in line with the situation in the jade bottle in front of him.

In other words, in the entire Divine Realm, only Yue Feng was the only one whose soul could be immortalized by a flame for a long time.

"Oops!"

Yutong Xianweng's eyes lit up when he heard this, and he couldn't help patting his thigh: "Nuwa really has a quick mind, why didn't I think of this?" After

saying this, Yutong Xianweng carefully Looking at the flame in the jade bottle, he sighed: "Look at this, this flame is the boy of Yue Feng. This boy's life is really big, so he didn't die."

Hmm!

Princess Dongling responded softly, then pondered.

A few seconds later, Princess Dongling looked at Yutong Xianweng, bit her lip and said softly: "Senior, the sky blue pearl is gone, I can't rebuild the primordial spirit for the time being, why don't you help Yue Feng first, help him rebirth Resurrection. Okay?"

Princess Dongling's eyes were full of pleading and anticipation when she said this.

To be honest, in Princess Dongling's heart, she didn't have the slightest affection for Yue Feng. If it wasn't for Yue Feng's fake Gong Ao appearance, Princess Dongling would not have lost her innocence, and she would not have been forced to marry Yue Feng due to the situation.

It's just that after so much experience in this period of time, Princess Dongling is open to everything, and, through understanding later, Princess Dongling also knows that Yue Feng is not as despicable as he thought before.

This chapter is provided by . Visit for daily update.

But now, Yue Feng ended up like this because he helped Divine Realm fight against Divine Realm, which made Princess Dongling feel both emotional and distressed.

"Uh.."

At this time, facing Princess Dongling's request, Yutong Xianweng scratched his head, wondering: "Girl, don't think of me as omnipotent, before helping you reshape your primordial spirit, All need to rely on the power of Tianqingzhu, now this kid only has a ball of fire, how can I let him be reborn?"

Princess Dongling suddenly became anxious, pulled Yutong Xianweng's arm, and gently Shaking: "Senior, you and Yue Feng hit it off right away, and you can't bear him to become like this."

"What's more, he took you to Kyushu to taste delicious food before. If you don't care, can you still be a friend?"

"Okay. , okay..."

Hearing this, Yutong Xianweng was very helpless, and nodded with a wry smile: "Don't talk about it, girl, I'm afraid of you."

After speaking, Yutong Xianweng scratched his head and pondered: "Yue Feng's current situation is very special. The reason why he became what he is now is obviously because he wanted to be reborn at that time, but he suffered a second blow."

"But no matter what, he only has a ray of fire left. , it is very difficult to be reborn. This is the first time I have encountered such a situation..." At the

end, Yutong Xianweng almost scratched his scalp.

Done.

Seeing this situation, Princess Dongling's delicate face revealed deep despair and anxiety.

If Yutong Xianweng can't do anything, let alone others.

"Have it!"

At this moment, Yutong Xianweng's eyes suddenly lit up, and he said very excitedly: "Thousands of years ago, Nezha, the third son of Li Jing, the king of Tota, committed suicide at that time, leaving only a trace of his soul. His master used lotus to reshape his body."

"As far as I know, there is a kind of Dharma-karma red lotus where God's Domain and Void are linked. This Dharma-karma red lotus is even rarer than Nezha's reborn lotus, as long as we find it It might be able to bring Yue Feng back to life." At the

end, Yutong Xianweng looked smug.

Fortunately, I have learned from the past, otherwise, I will be embarrassed in front of this little girl.

Yeah?

Hearing this, Princess Dongling was excited all of a sudden, and excitedly pulled Yutong Xianweng: "Great, I know there must be a way for the seniors, let's hurry to find the 'Faye Red Lotus'."

Chapter 4247

Hmm!

Yutong Xianweng nodded, and immediately took Princess Dongling up into the air, rushing towards the border of the gods.

...

the other side.

The fierce battle between the Pipa Fairy and the Demon Race continues.

In the middle of the sky, the Twelve Holy Demon Kings cooperated with the Demon Lord Gone to surround Fairy Pipa. Under the fierce battle between the two sides, the surrounding sky was extremely distorted, dark clouds were rolling, and thunder was roaring, as if the end of the world.

call!

Facing the enemy's siege, Fairy Pipa's delicate face seemed calm, but her heart was indescribably anxious.

This Demon Lord Gone is so shameless that he even joined forces with his subordinates to deal with me.

Speaking of which, if she was fighting alone, Fairy Pipa would not be afraid of the Demon Lord Gone at all, but with the Twelve Holy Demon Kings, it would be completely different. Being suppressed to death, she had no chance to rush out at all.

Mad!

And the Demon Lord Gone was also secretly annoyed. He took action himself, and the Twelve Holy Demon Kings helped. After dozens of rounds, he still couldn't take her down. When the news spread, the reputation of the Demon Race was greatly reduced. How to conquer God's Domain?

What made Mozun Gone even more anxious was that Yutong Xianweng slipped away just now because of his inattentiveness.

This Yutong Xianweng must have gone to find Princess Dongling, and he cannot be allowed to succeed.

"Fairy Pipa."

Thinking of this, the Demon Lord Gone became more and more anxious, and shouted coldly at Fairy Pipa: "You think you can hold us back by yourself? You are too naive."

"Today not only You can't run away, Yutong Xianweng and the daughter of Jiutian God, don't even try to escape from my palm."

hum!

The voice fell, Demon Lord Gone suddenly raised his hand, and in an instant, a terrifying Demon Soul power condensed, as if in mid-air, forming a huge blood-colored skull, directly blasting at Princess Dongling.

Wherever the skull passed, the sky was stained with blood, which was extremely terrifying.

Seeing this situation, the Twelve Holy Demon Kings hurried back to avoid them. They all knew in their hearts that at this time, one of His Excellency Demon Venerable's stunts, 'Gore Demon's Fall', was unparalleled in power. Once touched, it would be injured.

At the same time, Fairy Pipa also changed her pretty face and was secretly surprised.

The next second, Fairy Pipa didn't have time to think, and quickly raised the Pipa in her hand to resist.

boom!

The huge skeleton carried endless power and slammed into the pipa fiercely. I saw the pipa fairy tremble, her face paled instantly, and her body was blown away by the volley.

“Haha...”

Seeing this scene, the Demon Lord Gone was full of pride and sneered at Fairy Pipa: “Fairy Pipa, the deity said that you can’t escape, so give it up.”

Fairy Pipa tightly Biting her lip, she didn’t respond. She knew that if she continued to fight, it would be more and more detrimental to herself. At that time, she stopped fighting, holding the pipa tightly in her jade hand, urging Xianli to play a few rhythms.

Buzz buzzing...

These rhythms are the tunes created by the Pipa Fairy during this period of time. They are called ‘Mortal Sounds’ and contain incomparably mysterious power. They are the Pipa Fairy’s trump card.

Originally, Fairy Pipa didn’t want to come up with the stunt of pressing the bottom of the box so quickly, but now she is being pressed step by step by the Demon Lord Gone, and there is really no way to do it.

I have to say that the power of this mortal sound is really amazing. Just looking at the fluctuation of the rhythm, the surrounding air is extremely distorted in an instant, and the demon warriors who hear these rhythms are also dizzy.

The twelve holy demon kings hurriedly covered their heads to resist the power of the rhythm. Even so, their bodies trembled and they could not stand firm.

Even the Demon Lord Gone subconsciously urged the Demon Soul to resist the power of the rhythm.

Whoosh!

At this moment, Fairy Pipa didn’t have time to think about it. Taking advantage of the influence of the rhythm on the Demon Lord Gone and his subordinates, the delicate body flashed and flew directly to the distant sky. In the

blink of an eye, Fairy Pipa’s graceful and charming figure disappeared. Between the clouds, when Demon Lord Gone reacted and wanted to stop it, it was too late.

Swish!

At this time, the Demon Lord Gone, his face was extremely gloomy and gloomy, his eyes were blood red, and he almost spewed out fire.

“Trash.”

Afterwards, Demon Lord Gone looked around and roared angrily: “There are so many people who can’t catch a pipa fairy, they are all trash.” First let Yutong Xianweng rush out of the siege, and then let him Fairy Pipa ran away, and it would be difficult for anyone to calm down.

Chapter 4248

Feeling the anger of the Demon Lord Gone, whether it was the Twelve Holy Demon Kings or the nearly 20,000 Demon Warriors around, all of them bowed their heads in shame, not daring to let out the air.

“Your Highness!”

But at this moment, a figure came quickly, it was Gong Ao.

Seeing Gong Ao coming back, Mo Zun’s face was gloomy and he ignored it.

“Wei

An!” Mo Yan, who was beside him, couldn’t help but quickly walked out and asked Gong Ao, “I asked you to intercept Princess Dongling and bring her back. Where is the person?”

” Yan and Demon Zun Gone, as well as the surrounding companions, did not realize that the ‘Wei An’ in front of him was fake, and the soul inside was actually Gong Ao’s.

“Your Excellency the Demon King.”

Hearing the question, Gong Ao looked ashamed and said tremblingly, “This subordinate is incompetent, I stopped her on a cliff at the time, and I wanted to catch her back, but who knew that she would fall with one foot. Go down.”

After speaking, Gong Ao carefully glanced at the change in the expression of Demon Lord Gone, and continued: “The bottom of the cliff is bottomless, and if you fall, you will die, so I will come back.”

Huh... At

this moment, both Mo Yan and the other holy demon kings frowned.

This Wei An is really stupid, to let Princess Dongling fall off the cliff.

“Pass the deity’s order.”

At this moment, the Demon Lord Gone took a deep breath, looked around and said coldly: “Go to the bottom of the cliff to investigate immediately, be sure to find the whereabouts of Princess Dongling, live to see people, die to See the corpse.”

To Mozun, Princess Dongling did not threaten him at all, but no matter what, she was the daughter of the Nine Heavens God, and if she caught her, she had a bargaining chip in her hand.

“My subordinates obey.”

In an instant, Mo Yan and the other holy demon kings, as well as the surrounding demon warriors, responded in unison, the sound shook the sky, and then quickly rushed towards the cliff that Gong Ao said.

.....

At this moment, the boundary of God’s Domain.

Between the mountains and mountains, Yutong Xianweng and Princess Dongling flew slowly at a low altitude. As they flew, their eyes kept searching around.

At this time, the sky was getting dark, and Princess Dongling’s delicate face could not hide the anxiety.

“Senior.”

Princess Dongling looked around and couldn’t help but said, “Have you misremembered, is there a red lotus in this place? We’ve been searching for a long time, and we haven’t even found a shadow.”

Yutong Xianweng scratched his head, and said in disbelief: “Girl, where are you going? It’s not like you don’t know how big the boundaries of God’s Domain are, and we’re looking for Faye Red Lotus.”

“You know Faye Hong How rare is the lotus? It only appears once every five thousand years, and there is only one plant. It is more difficult than finding a needle in a haystack to find it.”

What?

Hearing this, Princess Dongling’s delicate body trembled, and she was immediately stunned.

It only appears once every five thousand years, and there is only one plant. When will it be found?

“Ha ha...”

Just when Princess Dongling was secretly depressed, she saw Yutong Xianweng staring at a mountain in front of her eyes with a strange brilliance, and her whole person was extremely excited: “Fire... red lotus fire... .It seems to be the red lotus of Faye, haha...We are so lucky...”

Princess Dongling was very excited, and quickly followed his gaze. Sure enough, she saw a mountain above the front. A group of red flames, looming.

“Go and have a look.”

Yutong Xianweng was very excited, and after saying a word, he took Princess Dongling to speed up and headed towards the mountain.

Soon, when they reached the top of the mountain, the scene in front of them made Princess Dongling stunned.

I saw a strange flower and grass growing in a stone crevice at the top of the mountain, with azure blue leaves, and a red lotus flower on top. The lotus was bright red, like a burning flame.

Princess Dongling clearly felt that this lotus flower contained a peculiar power and an incomparably full vitality.

Not only that, this blood-colored lotus flower seems to have spirituality. It feels like someone is approaching, and it shrinks into the stone crevice.

so amazing.

Seeing this, Princess Dongling couldn't help but sigh in her heart while she was excited.

Chapter 4249

“Haha...”

At this time, Yutong Xianweng observed for a moment, and then he looked up to the sky and laughed: “Faye Red Lotus, it really is Faye Red Lotus, this kid Yue Feng has such a good life, I still I thought I would be looking for ten days and a half months, but I didn't expect to find it so quickly.”

Hearing this, Princess Dongling was very excited and walked over quickly, saying as she walked, "It's great, with the Faye Red Lotus. , Yue Feng will be able to be reborn."
The

voice fell, Princess Dongling had already reached the stone crevice, and stretched out her jade hand to collect.

"Oh, don't touch..."

Seeing this scene, Yutong Xianweng's expression changed, and he hurriedly spoke to stop it, and was about to jump up in a hurry.

However, it was still a step behind.

Hearing the stop, Princess Dongling's delicate body was shocked and stopped subconsciously. Although she did not collect the red lotus of Faye, her jade hand had already touched it.

"What's wrong? Senior?" Princess Dongling withdrew her hand and asked in surprise.

What happened to this senior Yutong Xianweng? Shocked.

call!

Yutong Xianweng took a deep breath and said incredulously, "Girl, as the daughter of the Nine Heavens God, haven't you read the book and don't know the situation and taboos of the Faye Red Lotus?"

Princess Dongling's delicate face , full of ignorance: "What are the circumstances and taboos?"

Although she was of noble birth, she was playful and self-willed since she was a child, and was not interested in books at all, so her knowledge of all things in the domain of the gods was very limited, and she really didn't know anything about the red lotus of the law. thing.

Seeing her ignorant look, Yutong Xianweng almost wanted to cry without tears.

The next second, Yutong Xianweng said slowly: "I told you before that the red lotus of Faye only appears once every five thousand years, and there is only one plant, so the requirements for the growth environment are very strict. Look at this place, The surrounding innate spiritual energy is extremely full, just right for it to grow."

Princess Dongling looked around and nodded, "Then what?"

Alas!

Seeing her until this time, she still didn't understand, Yutong Xianweng was very speechless, pointed to the red lotus of the law industry in the stone crevice and said: "This red lotus of the law industry is obviously not fully mature, you rashly collected it, only It will backfire."

"But I didn't pick it."

"But you touched it. I said just now that its growth environment is very harsh, and there cannot be the slightest mistake in the growth process. Once it is disturbed by external forces, it will appear. Unpredictable situation."

Speaking of the last sentence, Yutong Xianweng's face was full of bitterness, and at the same time, his eyes were fixed on the changes of the Faye Red Lotus.

Unpredictable situation?

Hearing this, Princess Dongling was also a little flustered, and quickly took a few steps back and closely observed the Faye Red Lotus.

Buzzing...

Nothing happened at first, but after more than ten seconds, the innate spiritual energy around the entire mountain suddenly began to surge violently.

It's over...

Feeling the innate aura surging around, Yutong Xianweng and Princess Dongling looked at each other, each with a bad feeling in their hearts.

Obviously, just now, Princess Dongling rashly touched the Faye Red Lotus, which caused its normal growth to appear.

call...

Just when the two of them were uneasy, they saw the red lotus of Faye in the stone crevice, suddenly flashing a fire, and then, the crystal petals began to roll inward, and at the same time, the pattern on it also appeared. signs of wilting.

"Senior!" Seeing this situation, Princess Dongling became anxious all of a sudden, and couldn't help but say: "It...is it about

to wither? What should we do? Are we going to collect it?"

Not many, but the current situation also made Princess Dongling realize that once the red lotus of the Faye withered completely, it would lose its original effect, and Yue Feng would not be able to be reborn.

“I...”

At this time, Yutong Xianweng was also in a hurry, listening to Princess Dongling's call, with a wry smile on his face: “Girl, I said before, I'm not omnipotent, why? Do you know what to do?”

Yutong Xianweng's face was bitter when he said this.

Speaking of which, although he has some knowledge about the red lotus of the law, he has only read it in the ancient books, and he has never encountered it before. Today is the first time he sees the red lotus of the law.

Chapter 4250

Hearing this, Princess Dongling almost cried and pleaded, “Senior, you must think of a way.”

At this time, Princess Dongling felt very anxious and guilty.

If it wasn't for marrying her, Yue Feng would not have been caught in the God's Domain. Although Princess Dongling felt a little resentful in her heart because of his innocence, but after so much experience in this period of time, she had already seen it.

In Princess Dongling's heart, Yue Feng ended up like this. Although it wasn't her fault, it couldn't get rid of it.

If Yue Feng completely lost the chance to be reborn, Princess Dongling would not be at ease for the rest of her life.

“Don't worry, don't worry...”

Under the urging of Princess Dongling, Yutong Xianweng was also in a hurry. While scratching his head, he comforted: “Let me think of a way...”

After speaking, Yutong Xianweng sat on the ground, closed his eyes and started to think.

Huh...

Seeing this scene, Princess Dongling was so anxious, but she didn't dare to disturb her, so she could only wait anxiously on the side.

At the same time, I also hope that Yutong Xianweng can come up with a solution soon.

Swish!

A few seconds later, Yutong Xianweng seemed to think of something, his eyes suddenly opened, and he stood up at the same time: "I thought of a way..." However, halfway through, he shook his head and said to himself: "No, this is absolutely impossible."

"Senior!"

Seeing that he was hesitant to say anything, Princess Dongling stomped her feet in a hurry: "What is the solution, tell me quickly."

"No..."

Yutong Xianweng kept shaking his head, like a child who did something wrong: "This method is too cruel, and it will completely destroy you."

Ruin me? Hearing this, Princess Dongling

was stunned for a moment, then bit her lip and said firmly: "Senior, don't worry too much, as long as you can bring Yue Feng back to life, I can do anything?"

Out of the jade bottle, looking at the soul of Yue Feng inside, he said meaningfully: "Although I had some entanglements with him before, but anyway we held a wedding, I am his wife, and I have the responsibility to protect him and save him."

"Senior, what can I do, tell me what I can do, I will definitely do it."

Seeing her expression, Yutong Xianweng frowned and did not respond immediately.

Ugh!

After two seconds, Yutong Xianweng sighed and said with emotion: "It's really a sin."
After speaking

, Yutong Xianweng put away the hippie smile before, with a very serious and complicated expression: "The way I said, It's a special blood sacrifice ceremony."

"What happened just now, you don't need me to explain it to you. You rashly touched the red lotus of the law industry, which caused it to wither ahead of time. If you want it to return to normal, you need to burn blood and blood. Life, merge it into the red lotus of the law to make it return to normal."

"You are the daughter of the Nine Heavens God, with noble blood, so you can definitely do it."

"It's just... once you do this, not only will you not be able to reshape your primordial spirit, Even the body and soul will be lost."

At the end, Yutong Xianweng's eyes flickered unbearably, and he sighed: "If it doesn't matter, Yue Feng has come this far, maybe it's his life, you don't need to burn it. Use your own blood and life to help him."

This...

At this moment, after listening to these Princess Dongling, she was stunned, her delicate body trembled, and she couldn't come back to her senses for a long time. He was deeply troubled in his heart.

Is this the only way to save Yue Feng?

After being away for so long, I still want to return to Yuyao Xianyuan and reunite with my father and mother, so I can't just die like this.

But if you don't do this, Yue Feng will not be able to be reborn. He is a hero of Kyushu, and there are many important things to do.

"Girl!"

Seeing that Princess Dongling couldn't pay attention, Yutong Xianweng smiled bitterly and greeted: "Maybe this is Yue Feng's life, maybe God is destined that he can't be reborn with the red lotus of the law, so Forget it, let's get out of here and think of other ways." The

voice fell, Yutong Xianweng turned around and was about to leave.

"Wait a minute, senior."

However, before he took two steps, he heard Princess Dongling's eager voice behind him.

Yutong Xianweng turned around and saw Princess Dongling standing there, her delicate and beautiful face showing a bit of complexity and determination.
