

## The ultimate husband in Chinese chapter 4311-4315

### Chapter 4311

At this time, Yue Feng and Hua Yemeng were only concerned about fighting, but they didn't know that a figure was quietly approaching outside the room.

Through the moonlight, I saw that charming and delicate face, which revealed a bit of cunning at this time.

It is Hongxia.

At this...

At this moment, when Hongxia heard the movement in the room, Hongxia was shocked and inexplicably delighted.

Then Ah Feng actually fought with Hua Yemeng. There is a good show to watch, so go back and report to the senior brother.

Thinking to herself, Hongxia showed a sinister smile and quickly disappeared into the night.

At this time, in the room.

Yue Feng and Hua Yemeng are still fighting.

It's just that Hua Yemeng is getting more and more frightened. This Yue Feng is indeed the top powerhouse in Kyushu. He was injured before and is still so weak. In just two days, his strength has recovered so quickly.

hum!

Thinking of this, Hua Yemeng became more and more anxious. In a hurry, he directly urged all the internal forces to condense on the right hand, and hit Yue Feng with one palm.

At this time, Yue Feng, leaning against the corner of the wall, was unavoidable. He did not hesitate at that time, and decisively stretched out his palms. In an instant, the palms of the two people were tightly attached to each other, not separated!

This...

At this moment, Hua Yemeng's body trembled, and she was secretly taken aback. Does this Yue Feng want to fight with me?

This chapter is provided by . Visit for daily update.

He has just recovered from his injury, and fighting for internal strength is not his strength at all.

Thinking of this, Hua Yemeng bit her lip tightly, constantly urging her inner strength to fight against Yue Feng.

In Hua Yemeng's heart, although Yue Feng had regained his strength, he was injured so badly before that he was definitely not his opponent.

"Pfft..."

However, Hua Ye Meng only lasted for two minutes before she couldn't hold it anymore, her pretty face was extremely red, her delicate body was shocked, she staggered back a few steps, and a mouthful of blood spurted out.

Afterwards, Hua Yemeng sat paralyzed on the floor, her face pale and extremely weak.

This...

The dream of flowers and leaves at this time, eyes staring at Yue Feng, full of inconceivable.

This is impossible. He was injured so badly two days ago. In such a short period of time, it is impossible for him to fully recover his internal strength.

At this time, Hua Ye Meng did not know that the power Yue Feng possessed at this time did not belong to the Kyushu Continent at all, but a treasure that would only appear once in five thousand years in the Divine Realm, the Faye Red Lotus.

In the red lotus of Faye, there is an incomparably pure innate spiritual power. Even if Yue Feng is not fully integrated, it is not something that Hua Yemeng can compete with.

At this moment, although Yue Feng stabilized his figure and was not shaken back, his body was also churning with blood. It was the first time he used the power of the red lotus of the law, but he was still not used to it, and he couldn't retract it freely.

call!

But Yue Feng didn't panic at all. He took a deep breath at the time, then walked over and asked Hua Yemeng with concern, "Are you all right?" "

You stop!"

With a cry, she couldn't hide her disgust: "Don't get close to me."

Until now, Hua Yemeng still believes that Yue Feng broke into his room in the middle of the night with bad intentions.

Ugh!

Feeling the hostility of Hua Yemeng, Yue Feng smiled bitterly and explained: "Vice Sect Master Hua, I really have no ill intentions, you are injured, I will obey you, don't worry, I will not have any bad thoughts about you. Yes ."

Saying that, Yue Feng walked over and was about to help her up.

"Shameless villain!"

However, at this moment, Hua Yemeng suddenly pulled up the long sword on the ground and stabbed it violently. At that time, Yue Feng was very close, and there was no defense, and he couldn't escape at all.

laugh!

This sword directly pierced Yue Feng's shoulder, and blood poured out, staining his clothes red.

Yue Feng covered the wound and stared blankly at Hua Yemeng, not knowing whether to laugh or cry, this woman's personality is too stubborn, why don't you believe me? Are you going to kill me?

Depressed, Yue Feng took two steps back, fell on the chair, and said bitterly to Hua Yemeng: "What am I going to do so that you can trust me?"

"Leave my life!" Hua Yemeng's red lips Qing Kai said without hesitation.

"I really didn't mean to..."

"Shut up, I really regret that I didn't kill you directly two days ago. Instead, I was bewitched by you and accepted you as a registered disciple. It's really a nuisance.

"

The two were talking when suddenly they heard footsteps from outside the room!

The footsteps were quick and there were many people listening.

Swish!

In an instant, Yue Feng and Hua Yemeng looked at each other, and both closed their mouths subconsciously. At this time, the appearance of the two is inconvenient for others to see.

## Chapter 4312

Especially the dream of flowers and leaves, because just after taking a shower, the long hair is messy, and anyone who sees it will think about it.

Who will come?

At this moment, Yue Feng and Hua Yemeng were secretly looking forward to the people outside, hurry up and leave!

Don't come in.

"Master!"

At this moment, I heard a charming and beautiful voice from the crowd outside: "I passed by here just now, and I did hear the sound of fighting in the deputy sect master's room. I doubt that it might be the Dan sect. Assassin here."

This voice was Hongxia.

Jianzong and Danzong have always had a grudge, and it is reasonable for Hongxia to say so on purpose.

Nima!

Hearing this voice, Yue Feng and Hua Yemeng were stunned.

Did Hongxia just pass by outside?

Just when they were secretly surprised, they heard another low voice from outside: "Then what are you waiting for? Rush in, no matter who the other party is, you must protect the safety of the deputy sect master."

Broken...

Hearing this, Hua Yemeng's body trembled, and her beautiful face was extremely complicated!

How can I be seen by the sect master and other disciples when I am like this.

At the same time, Yue Feng was also shocked!

What the hell! This Hongxia actually called Mu Jianli too? Obviously, she and Dongliu had been embarrassed in the thatched cottage before, and now she is looking for an opportunity to take revenge.

Whoops!

Just when Yue Feng was frowning secretly, a dozen elite disciples of the Sword Sect came in quickly. Behind them were Mu Jianli, Hongxia, and Dongliu.

Yes, Mu Jianli was called by Dongliu.

At that time, after Hongxia secretly inquired about the situation of Jiange, she immediately went back and told Dongliu. At that time, Dongliu did not hesitate and directly reported the situation to Mu Jianli. Lies that an assassin has broken into the sword pavilion.

At that time, Mu Jianli was very shocked, so he immediately summoned the elite disciples and rushed to the Jiange quickly.

Whoa!

The moment he came in, Mu Jianli's eyes saw Yue Feng and Hua Yemeng!

In an instant, Mu Jianli was not locked, first looked at Yue Feng, then at Hua Yemeng, and asked, "Vice Sect Master, what's going on? Why is this kid here?"

When he said this, Mu Jianli's face was complicated, and when he looked at Yue Feng's eyes, he was even more suspicious.

Mu Jianli knew that Yue Feng was accepted as a named disciple by Hua Yemeng, but the named disciple had a humble status in the general altar and was not qualified to enter the Jiange at all.

But in the current situation, this kid not only entered the sword pavilion, but also seemed to have fought against Hua Yemeng just now.

More importantly, Miao Yemeng's hair was loose and wet, obviously he had just taken a bath...

Could it be that this kid is sneaking in to plot against Miao Yemeng? No, it's impossible, this kid is just a named disciple, how could he be able to hurt Hua Ye Meng?

Thinking of this, Mu Jianli's face became more and more gloomy.

Um!

Hearing Mu Jianli's question, Hua Yemeng's red lips parted slightly, and she was about to respond, but she was so weak that she was so weak that she couldn't help but let out a painful low voice.

"You are hurt!?"

Seeing this, Mu Jianli was taken aback, reacted quickly, and asked Hua Yemeng, "How are you? Who injured you? Where is the assassin?" There are only Hua Yemeng and Yue Feng, but Yue Feng can't hurt Hua Yemeng. After all, this guy with a face full of marks is just a named disciple.

Moreover, he is still the apprentice of Hua Yemeng, how could the apprentice hurt the master?

Hua Ye Meng endured the pain and was interrupted by Dong Liu before she could respond.

"Master!"

At this moment, Dongliu strode out, looking indignant, pointed at Yue Feng and shouted, "Is there any need to ask? The situation in front of me is obvious, this kid is a spy."

"He was seriously injured before, and it was deliberately pretending to join our Sword Sect successfully."

"After joining successfully, he sneaked into the sword pavilion while the Deputy Sect Master was resting, trying to do something wrong to the Deputy Sect Master... ."

Said, Dong Liu glared at Yue Feng with contempt: "On the first day this person came, I felt that there was something wrong with him, I never thought that he would be so bold."

Shuh!

Hearing this, whether it was Mu Jianli or the disciples of the Sword Sect around him, they locked on Yue Feng tightly and were furious.

This kid turned out to be a spy, it's really hateful.

Ha ha....

In the face of this situation, Yue Feng really sneered secretly.

Dongliu, this idiot, was not my opponent in the two previous provocations, but now he has changed his tricks and started to slander me.

## Chapter 4313

Thinking, Yue Feng looked around, and finally his eyes fell on Mu Jianli, and said slowly: "Everyone has misunderstood, I came to Jiange so late, not to do anything wrong, but to ask Master for some advice."

Yue Feng glanced at Hua Yemeng subconsciously: "Right, Master."

When he said this, Yue Feng was very anxious. If Hua Yemeng didn't believe in himself at this time, it would be troublesome.

call!

Feeling the sincerity and anxiety on Yue Feng's face, Hua Yemeng sighed softly and said weakly: "Yes, Ah Feng is here tonight to ask me for some cultivation matters."

At this time, Hua Yemeng, The mind is also extremely complicated.

It stands to reason that when the two competed for internal strength just now, she was injured by Yue Feng, and she should be very angry, but for some reason, Mu Jianli and these people suddenly arrived, and Hua Yemeng did not want to tell the truth.

You must know that Ah Feng's true identity is Yue Feng, the hero of Kyushu and the Lord of Tianmen. Once it is exposed, Mu Jianli will definitely not let him go easily. At that time, the entire sword sect general altar will definitely be a bloody storm.

More importantly, he is pure and clean. If he admits that Yue Feng has intruded and plotted to do something wrong, how will he see people in the future, he is the deputy sect master of Sword Sect, and his innocence cannot be blasphemed.

For a while, Hua Ye Meng struggled in your heart and finally decided to help Yue Feng lie.

Ask for advice?

Hearing this, no matter it was Mu Jianli, Dongliu and Hongxia, and the disciples of the Sword Sect around, they all frowned secretly and stood there stunned.

If so, have everyone misunderstood this Ah Feng?

A few seconds later, Mu Jianli and the disciples of the Sword Sect, one by one, gradually reacted, and they were all suspicious.

On the other hand, Dongliu and Hongxia looked at each other and sneered.

The two of them could see that Hua Ye Meng's words were not true. When they spoke, they didn't look at everyone. It was obvious that they were lying and were deliberately covering up Feng.

"Vice Sect Master."

At this moment, Mu Jianli also recovered, and asked Hua Yemeng inexplicably: "Since you are asking for advice and training, why are you hurt so badly?"

Hua Yemeng's strength, She was on a par with Mu Jian, and it was difficult for ordinary people to hurt her, but at this time, she was injured so badly, it was really unpredictable.

This...

Hearing the question, Hua Yemeng bit her lip lightly and said weakly: "Maybe because I have reached a bottleneck in my cultivation, when I demonstrated to Ah Feng at that time, except for some problems, it caused the internal force to backlash..."

When he said this, Hua Yemeng's face was weak and his head was deeply bowed.

Hua Yemeng has a pure and good nature and has never told a lie. At this time, she lied in order to protect Yue Feng's identity, and she was very uneasy, and she was embarrassed to look at Mu Jianli.

This is it....

Hearing this, Mu Jianli nodded suddenly, this statement seems to be reasonable.

Muttering in his heart, Mu Jianli ordered the disciple next to him: "Don't be stunned, hurry up, help the deputy sect master up, by the way, bring Qing Yidan and give it to the deputy sect master.

"Sword Sect's holy medicine for healing, especially in response to the backlash of internal forces, has a remarkable effect.

At this time, Mu Jianli did not realize that he was deceived by Hua Yemeng.

Huh...

Seeing this scene, Yue Feng secretly felt relieved, and at the same time, his heart was a little funny.

This Mu Jianli's thinking is too simple, so easy to believe his own words.

At the same time, Hua Ye Meng was also relieved.

The Sect Master no longer doubts, and his innocence can be considered to be preserved.

Hearing Mu Jianli's order, the two female disciples hurried over, helped Hua Yemeng up, let her sit on the chair, and then hurried out to get Yidan.

quiet!

For a while, the room was silent, and no one spoke.

The atmosphere has also become a little subtle.

“Senior Brother.”

At this moment, Hongxia Xiumei was locked, and couldn't help but whispered at Dongliu: “This Ah Feng came to Hua Yemeng for advice, we can't grasp the reason, tonight's efforts, it's wasted.”

When saying this, Hongxia glanced at Yue Feng with disdain, very unwilling.

Hu...

Dong Liu took a deep breath, his face was extremely gloomy, and then he thought of something, and whispered: “Don't worry, as long as you wait and cooperate with me, you can definitely convict this kid.”

Chapter 4314

was talking when he saw the two female disciples coming back, one of them holding Qing Yidan in his hand.

“Vice Sect Master!”

The female disciple quickly walked to the front, and respectfully said to Hua Yemeng: “Here comes the Qing Yidan, take it quickly.” After saying that, she will hand over the Qing Yidan in her hand to Hua Yemeng. dream.

Hua Ye Meng nodded and was about to reach out to pick it up.

“Wait a minute.”

However, at this moment, a figure came out quickly and snatched the Qing Yidan away, with a smile on his face but not a smile, it was Dongliu.

“What are you doing?” Hua Yemeng was furious, looked at Dong Liu displeasely, and asked coldly.

Swish!

At the same time, Mu Jianli and the surrounding Sword Sect disciples also frowned and looked at Dong Liu, all of them very puzzled.

Mad!

Yue Feng was also stunned, then frowned, secretly underestimating.

What kind of tricks does this winter stream want to do?

“Dongliu!”

Finally, Mu Jianli reacted, glared at Dongliu, and scolded: “What are you fooling around for? Hurry up and give the Qing Yidan to the vice sect master.”

At this time, Mu Jianli was very annoyed. This winter stream is so ridiculous.

Didn't you see that the Deputy Sect Master was already very weak?

The words fell, and the other disciples of the Sword Sect around looked at Dong Liu with complex expressions, and felt that he was a little foolish.

“Master!”

Looking around, Dong Liu was not nervous at all, smiled slightly, and said to Mu Jianli, “I don't think today's matter is that simple.”

Mu Jianli was stunned for a moment: “Why do you say that?”

“Hehe...”

Dongliu chuckled and took a step forward, pointing at Hua Yemeng: “First, the sword pavilion where the vice sect master lives is the forbidden area of our sword sect, and ordinary disciples are not qualified to enter, and this Ah Feng, not only came in, but also Don't you think it's suspicious to choose it late at night?”

“As for what he said about coming to ask for advice, it's even more nonsense. Why don't you ask it during the day, but choose this time?”

Wow!

The last sentence fell, and the surrounding Sword Sect disciples nodded subconsciously in agreement.

“Senior brother is right.”

“Yeah, how can you ask for advice in the middle of the night?”

“If you say that, it is full of doubts.” As

the surrounding discussions came, Mu Jianli fell silent and began to hesitate. stand up.

Mad!

At this moment, Yue Feng was also angry, this Dongliu has a sick mind, and is against himself everywhere? Thinking to himself, Yue Feng looked at Dong Liu with a half-smile

, and said coldly: “Senior brother, what did you say so much to?”

“What do you express?”

Feng said loudly: “You know better than me, you came to Jiange tonight because of impure motives.”

With that, Dongliu raised his hand to Hua Yemeng: “You didn’t come to ask questions at all, but with Vice The sect master is on a tryst, right? It doesn’t matter if you deny it, but the dress of the deputy sect master says it all, her hair is still dry, she obviously just took a bath, right?”

“The deputy sect master met you in the middle of the night and took a shower in advance. What does this mean? I believe that there is no need to explain too much, everyone can think of it.”

After finishing the last sentence, Dong Liu couldn’t help but looked at Hua Ye Meng.

beautiful.

This dream of flowers and leaves after bathing is really beautiful.

Under the emotion, Dongliu’s eyes became gloomy, Mad, Hua Ye Meng is my goddess, but secretly dating a named disciple tonight is really suffocating.

Wow....

when I heard these words, the whole room exploded.

“The vice sect master is dating this kid?”

“Fuck, it’s impossible...”

“I don’t believe it either, but the situation at hand is exactly as the senior brother said, the appearance of the vice sect master...”

What the hell!

At this moment, Yue Feng’s heart was shocked, and he watched Dongliu closely, and Wuming became angry.

In order to slander me, this kid even disregarded Hua Yemeng’s innocence.

“Shut up!”

Hua Yemeng, who was sitting there, trembled even more delicately, her face flushed with anger, she couldn’t help scolding Dongliu: “Shut up for me, this seat is innocent, why is it? Can it be easily slandered?”

How could he let a named disciple sneak into his room in the middle of the night?

In anger, Hua Yemeng couldn’t help but tilted his head and glared at Yue Feng.

Chapter 4315 It’s

all him, if he hadn’t barged in in the middle of the night, he wouldn’t have been slandered.

In the face of Hua Yemeng’s rebuke, Dong Liu smiled and said nothing.

“Vice Sect Master!”

At this time, Hongxia, who had been standing by the side, couldn’t help coming out at this time, looking at Hua Yemeng and said contemptuously: “Vice Sect Master, don’t be so nervous, the so-called clearer is self-clearing, you don’t If you do, others will not slander you, right?”

When she said this, Hongxia had a smile on her face, seemingly polite, but her eyes flashed slyly.

Hongxia has always loved Dongliu, and even sacrificed herself, but in Dongliu’s heart, she always regarded Hua Yemeng as a goddess, which made Hongxia always hold a grudge against Hua Yemeng.

At this time, there is a good opportunity to slander Huaye Meng, how could Hongxia let it go so easily?

“What do you mean?”

Looking at Hongxia's pretentious posture, Hua Yemeng was very displeased: "If you have something to say, you don't need to beat around the bush."

At this moment, the whole room was silent, and the surrounding disciples of the Sword Sect were complicated. Looking at Hongxia, each one's mood is full of emotions, and the atmosphere does not dare to let out.

Senior Sister Hongxia is crazy, she dares to question the Deputy Sect Master like this.

Feeling the gazes around, Hongxia didn't panic at all, Yingying smiled at Hua Yemeng and said, "Vice Sect Master, don't be angry, I just want to know, Ah Feng came to ask questions, why do you want to take a bath? This is what you guys agreed?"

Hoo!

Hua Yemeng breathed a sigh of relief, thought for a while, and responded: "We didn't have an appointment at all, I just told him that if there is anything he doesn't understand in the future, just come to me directly."

"I didn't expect that he would come at night. Ask me for advice."

Hua Yemeng is very smart, and in just a few words, Hongxia's questioning has been restored.

At this time, Hua Ye Meng thought that Hongxia would not dare to be aggressive anymore after she explained it.

But she was wrong.

Hehe...

At this moment, the corners of Hongxia's mouth twitched, revealing a playful smile: "Oh, the vice sect master really loves his disciples so much that he even asked your disciples to come and ask you questions at will."

Said, Hongxia After a deliberate pause, he continued, "I'm just curious, Ah Feng is just a named disciple, and according to the rules of the sect, he is not qualified to enter the sword pavilion at all, so I would like to ask, how did he get in

?

"With these words, Hua Yemeng lost the calmness before, and there was a bit of hesitation on her delicate face.

Two seconds later, Hua Yemeng replied calmly: "I gave my token to Ah Feng."

What?

The words fell, and the disciples of the surrounding Sword Sect were all stunned.

Even Mu Jianli frowned, thinking he had heard it wrong.

This... the vice sect master actually gave a token that symbolized his identity to a named disciple, which is totally against the rules.

“Tsk tsk...”

At this moment, Hongxia smiled all over her face, and she was proud of the success of her trick: “The named disciple is not qualified to enter the forbidden area, and he is not qualified to have the token of the deputy sect master, but you gave him the token, Besides, you two met in the middle of the night.”

“What does this mean? It means your relationship, it’s not as simple as it sounds, it’s very intriguing.”

“So, the senior brother didn’t guess wrong at all, the two of you are meeting here privately. .”

quiet!

For a time, the room was deadly silent, and the disciples of the Sword Sect present changed their eyes when they looked at Hua Yemeng. They lost the respect they had before, but showed a kind of disappointment.

“You...”

Hua Yemeng’s face flushed, and she stared at Hongxia fiercely. She was very angry, but she didn’t know how to refute.

Because what Hongxia said was right, Yue Feng appeared in his room at this time, no matter how he explained it, it was unreasonable.

Mad!

At this moment, Yue Feng also frowned, indescribably annoyed.

This winter stream and Hongxia seem to have come prepared.

Haha...

Seeing this situation, Dong revealed a smile, and his heart was indescribably happy.

From now on, the innocence of this flower and leaf dream has been damaged, and he will no longer be high above him. If he wants to approach him in the future, he will have many opportunities.

“Master!”

Thinking to himself, Dongliu said to Mu Jianli: “Sister-in-law said everything is reasonable, this Ah Feng and the deputy sect master met privately in the Jiange late at night, violating the rules of the sect and leading us to the entire sword sect. Shame, don’t hesitate, give the order.” As

soon as the voice fell, Hongxia also rushed up: “Yes, Master, this is the first day of Ah Feng’s arrival, I feel that there is a problem, and the deputy suzerain, I really let it down. It has fulfilled our expectations of her.”
