Chapter 4381 The

good Fengzhuang, why did it suddenly catch fire?

Is there anyone here?

For a time, Yue Feng was so anxious that he rushed in and searched carefully. Because of the rebirth of the red lotus with the help of the law, Yue Feng is not afraid of these flames at all.

...

on the other side, inside the underground cave.

Huhu...

Ji Hongshang landed quickly, listening to the wind whistling in her ears, her delicate and charming face, unable to hide her nervousness.

Yue Feng, you have hurt me so badly today, and one day I will definitely get it back with profit.

At the same time as they landed, Ji Hongshang secretly swore in her heart.

Pfft!

I don't know how long it took, and finally reached the bottom, only to hear a dull sound, Ji Hongshang fell on a stone, although the winding cave had slowed down a lot of strength when she landed before, but this time, it still sprained Ji. Hong Chang's right foot.

At this moment, Ji Hongshang sucked in a breath of cold air, then looked around.

This... what the hell is this place?

I saw that there was a huge underground cave in front of me, and the caves criss-crossed like a huge maze.

After being stunned for a few seconds, Ji Hongshang secretly rejoiced that no matter what, she did not die.

This chapter is provided by . Visit [for daily update.](#)

Thinking to herself, Ji Hongshang struggled to stand up, holding on to the rock wall of the cave, and walked slowly forward.

Um?

Not long after walking, Ji Hongshang's delicate body trembled, and she quickly stopped.

I saw that not far ahead, a man was sitting on a stone, gasping for breath, his body was full of smudges, and in front of him, the corpses of poisonous insects, red-ringed centipedes, and others were piled up. Poisonous snake and scorpion...

This man is exactly Cheng Yi who is trapped here.

This...

for a while, Ji Hongshang was stunned, her charming face was full of inconceivable.

These poisonous insects were all killed by him?

Impossible, these poisonous insects are all raised in a special way by the Five Poison Sect, and they are extremely poisonous. Anyone who touches them will die from the poison, and this person can kill so many.

At this time, Ji Hongshang didn't know that before, Yue Feng helped Cheng Yi to detoxify the Huanglin snake venom, and the effect lasted for twelve hours. During this time, Cheng Yi had a physique that was invulnerable to all poisons, so these poisonous insects were fundamentally Can't hurt him.

anyone?

At this moment, Cheng Yi, who was sitting there resting, heard the movement and immediately looked over with alertness.

When he saw Ji Hongshang, Cheng Yi was shocked, his mind was buzzing, and his heart was even more nervous and frightened.

Isn't this the suzerain of the Five Poison Sect, that beautiful and evil woman? How is she here?

At the time when Zheng Chunqiu and Ji Hongshang played against each other, Cheng Yi still clearly remembered that this woman was very powerful, and she was not an opponent at all, so why not panic?

"Hey!"

Just when Cheng Yi was panicking, Ji Hongshang was expressionless and asked coldly, "Who are you? Why are you in this place?"

Although her expression was indifferent, Ji Hongshang's eyes were not. With deep suspicion.

You must know that this person in front of him is mediocre, and he can kill so many poisonous insects from the Five Poison Sect, which is really suspicious.

Facing the question, Cheng Yi became even more nervous and opened his mouth, not knowing how to answer.

Snapped.

Seeing his terrified look, Ji Hongshang was very impatient, picked up a stone and smashed it on Cheng Yi's face: "Where did the deity ask you, are you dumb?"

Ji Hongshang sprained her foot. Inconvenient to move, can only bully Cheng Yi in this way.

Ji Hongshang's shot was ruthless, and even though it was only a small stone, it still broke Cheng Yi's head with blood.

"I..."

Cheng Yi wiped the blood on his forehead, feeling even more frightened, and stammered: "I'm just a herbalist, passing by here today, accidentally fell into a hole in the ground, and was trapped. I'm here."

When he said this, Cheng Yi only felt that his heart was beating in his throat, he knew very well that he would never say his true identity, after all, Ji Hongshang caught his master Yang Chenzi. If he knew that he was Yang Chenzi's apprentice, he would definitely kill him.

Pharmacist?

Hearing this, Ji Hongshang sneered at the corner of her mouth, obviously not believing: "Do you think I am a child, a medicinal farmer, with such great ability to kill so many poisonous insects?"

Chapter 4382

As he spoke, Ji Hongshang turned his eyes and thought of something, and shouted tenderly, "Tell me honestly, are you and Yue Feng in the same group?" When it came to Yue Feng, Ji Hongshang couldn't hide the resentment.

In her heart, the person in front of her is not afraid of these poisonous insects, and it must be related to Yue Feng. After all, she was forced to jump into the hole by Yue Feng a few minutes ago.

Yue Feng?

At this moment, Cheng Yi was full of doubts and almost wanted to cry without tears.

Is there something wrong with this Ji Hongshang's mind? Why did a 'Yue Feng' suddenly pop up? Simply inexplicable.

Thinking to himself, Cheng Yi smiled and said cautiously, "I don't know what you're talking about, what Yue Feng? I've never seen it before."

Haven't seen it?

Ji Hongshang frowned, obviously in disbelief, she picked up another stone and threw it at Cheng Yi, and said tenderly, "You still want to lie to me? You don't look like a good person from the look of you."

Pa... The

stone slammed on Cheng Yi's body. Cheng Yi groaned and squatted down in pain. Although Ji Hongshang was injured, he tried his best to throw the stone.

Before Ji Hongshang was finished, she kept picking up stones and smashing them towards Cheng Yi.

Papapa...

While smashing, Ji Hongshang scolded: "You think I can't do anything if you don't admit it? See if I don't kill you." When saying this, Ji Hongshang's charming face, Full of gloom.

Ji Hongshang at this time, it is expected that Cheng Yi is Yue Feng's person. In an instant, the resentment against Yue Feng in the depths of his heart broke out completely at this time, and all of it was vented on Cheng Yi.

Nima!

Stones kept pounding and fell on Cheng Yi's head, shoulders, and legs. A burst of pain came, and Cheng Yi was depressed and suffocated.

The suzerain of the Five Poison Sect is really a lunatic. He didn't say anything about the arrest of the master, and now he is humiliating me in every way because of a person I don't know.

Finally, when there were no stones under her feet, Ji Hongshang stopped.

call!

Cheng Yi let out a sigh of relief, looked down, and saw that his clothes had been smashed with a lot of holes. bleed.

Damn, this woman is crazy.

While he was annoyed, Cheng Yi also discovered that Ji Hongshang in front of him seemed to be very imposing, but leaning against the rock wall of the cave, her delicate body trembled faintly, and her charming and coquettish face was a little pale.

The woman was injured, and her injuries were not minor.

Upon discovering this, Cheng Yi suddenly became less afraid, stood up slowly, and fixed his eyes on Ji Hongshang.

“Close your dog’s eyes!”

Cheng Yi’s gaze made Ji Hongshang feel uncomfortable. At that time, her pretty face changed, and she scolded, “Look again, this deity dug out your eyes.”

When he said this, Ji Hongshang was extremely angry, and at the same time she had to pick up stones to smash, but the stones under her feet had already been picked up by her.

dog eyes?

Hearing this, Cheng Yi’s anger rose, but he didn’t attack immediately, but sneered, and looked at Ji Hongshang more presumptuously.

beautiful!

I really didn’t expect that the five poison sect masters were so sexy and charming.

Before, because of fear, Cheng Yi didn’t dare to look directly at Ji Hongshang, but at this time, he was a little fascinated by careful observation.

I saw that although Ji Hongshang was very weak at this time, and had fallen from the hole before, and had a lot of dust on her body, she still couldn’t hide her slender curves, and her charming face was revealed at this time. Anger has a different kind of charm.

“You...”

Seeing Cheng Yi's unbridled look, Ji Hongshang was so anxious that she wanted to scold her, but she was inexplicably frightened and didn't know how to speak.

Broken, this guy seemed to see that I was hurt.

At this time, Ji Hongshang had already guessed something, and she couldn't help but feel nervous, but she still made a cold and strong attitude: "Get out of here, don't let this deity see you again."

However, Cheng Yi did not leave, and He

looked up and down at Ji Hongshang, and said with a half-smile, "It's really interesting, this underground cave is also your Five Poison Sect? at his feet: "Is there no stones around? Would you like me to pick them up for you?"

Chapter 4383

When he said this, Cheng Yi's eyes were still on Ji Hongshang.

Mad, if this woman humiliated me like this just now, if she swallowed her anger, would she still be considered a man? Just in time, while she is injured and weak, she can enjoy it.

While thinking about it, Cheng Yi walked slowly.

"Stop for me."

Seeing Cheng Yi walking towards him with a malicious expression on his face, Ji Hongshang was shocked and angry, and scolded coldly: "I don't know who is alive or dead, do you know who I am? I am the Five Poison Sect. Sect Master Ji Hongshang, get out of here quickly, otherwise, I will tell you to die without a place to be buried."

At this time, Ji Hongshang had already guessed that the man in front of him didn't know Yue Feng, and she must have misunderstood just now. However, the Five Poison Sect is very famous, and the other party will definitely have some scruples when he knows his identity.

However, Ji Hongshang didn't know it yet, and the other party had always known her.

"Haha!"

At this moment, Cheng Yi's mouth curled into a sinister smile, and he said word by word, "Of course I know you are Ji Hongshang. If you hadn't arrested my master, I wouldn't be here."

Saying this At that time, Cheng Yi's face was hideous, indescribably scary.

If it wasn't for Ji Hongshang's arrest of Master, she and her younger sister would not have encountered wolves, were trapped on the hillside, and would not have gotten to know Ah Feng, and the series of things that followed would not have happened.

When he thought of all the humiliation he had suffered last night, Cheng Yi felt angry.

Mad, all of this was caused by Ji Hongshang in front of her, and she was the culprit.

What?

Hearing this, Ji Hongshang's delicate body trembled, and she only felt her brain buzzing.

Did you catch his master yourself?

Thinking to herself, Ji Hongshang took a deep breath and asked coldly, "Who is your master?"

Cheng Yi gritted his teeth and responded, "Yang Chenzi."

Yang Chenzi?

Ji Hongshang's eyes flickered, and her charming face showed a trace of disdain: "It turns out that Yang Chenzi is your master. I tell you, your master will be respectful when he sees me, so you better be polite.

"Also, your master is in the secret room of Fengzhuang, and the deity is treated with delicious food and drink. If you don't treat him well, you should go to Fengzhuang to meet him."

"When you arrive in Fengzhuang, if there are people from the Five Poison Sect. When the disciple cross-examined, he said it was my order."

When she said the last sentence, Ji Hongshang's expression was cold and arrogant, but there was anticipation in her eyes.

She knew very well in her heart that if Cheng Yi's plan was wrong, she would not be able to resist at all. She had to know that her strength was almost exhausted in the previous battle with Yue Feng.

Ji Hongshang thought about it and figured out a way to deceive Cheng Yi. After he left, he would cultivate himself to regain his strength. When his strength was restored, he would not be afraid of anything.

However, Ji Hongshang did not know at this time that Fengzhuang had been burned to ashes by the fire. Moreover, Yang Chenzi and the other arrested persons were also rescued by Zheng Chunqiu.

“Haha!”

But what she didn't expect was that when she heard these words, Cheng Yi didn't mean to leave, but laughed sinisterly: “According to what you said, my master is not in danger, then I will There's no need to leave in a hurry.” With

that, Cheng Yi greedily looked at Ji Hongshang's charming curves: “If I guessed right, you were seriously injured, right? Hey, do you want me to help you heal? I'm Yang Chenzi's apprentice, and I have very good medical skills.”

As he said, Cheng Yi walked step by step.

Swish!

Faced with this situation, Ji Hongshang was furious and shouted: “Stop for me and dare to take a step forward. Believe it or not I killed you?”

“Kill me?”

Hearing this, Cheng Yi put it away With a smile on his face, his face was gloomy: “If you had the ability, you would have killed me a long time ago, so why don't you wait until now? Bitch, you still dare to threaten me.” The

last word fell, Cheng Yi suddenly shot, and directly took Ji Hongshang Stop the hole!

Ji Hongshang was already injured, so she didn't have time to react. At that time, her delicate body trembled and she couldn't move.

“You are courting death!”

Ji Hongshang bit her lip tightly, her charming face was full of anger, she never imagined that this man in front of him knew his identity and dared to do it!

Chapter 4384

“It's so hot!”

Facing Ji Hongshang's murderous gaze, Cheng Yi was not nervous at all, but was indescribably excited, and said with a smile: “To be honest, I haven't tasted your kind before. As for a woman who is high above, I really look forward to it!”

Said, she sincerely picked up Ji Hongshang by the waist, found a flat ground and put it down, admiring Ji Hongshang up close.

For a while, in this huge karst cave, apart from the poisonous corpses on the ground not far away, there were only Cheng Yi and Ji Hongshang.

The atmosphere is somewhat subtle.

At this moment, Cheng Yi's gaze was like a beast, staring at Ji Hongshang.

Ji Hongshang was wearing a long dark red dress, but it fell from the hole just now, and many places were scratched, revealing her snow-white skin, and her sexy curves were even more looming and provocative.

“Get out of here, get out of here.”

Ji Hongshang was about to go crazy, screaming non-stop, trying to struggle at the same time, but she was tapped and completely powerless.

Om...

At the same time, because of the emotional excitement, the power of the demon soul in Ji Hongshang's body was completely disordered, forming a red halo around her.

At the same time, the powerful aura formed a gust of wind around him.

Seeing this situation, Cheng Yi was taken aback and hurriedly retreated to the distance to watch. He soon discovered that these gusts of wind were formed by the power in Ji Hongshang's body. People are not hurt.

Realizing this, Cheng Yi approached cautiously.

woohoo...

After a few minutes, the surrounding winds gradually disappeared, and Ji Hongshang's demonic soul power that escaped from the body also formed a blood-red light ball.

You must know that after Ji Hongshang absorbed the power of Bai Yunfei's demon soul, it never really merged. In this case, Ji Hongshang was seriously injured and could not control the power of the demon soul. The force left her body and returned to its original state.

Huh...

Without the power of the demon soul, Ji Hongshang was even weaker, her face was extremely pale, and she almost lost the strength to speak.

“Huh? What is this?”

And at this moment, Cheng Yi’s eyes were also attracted by the blood-red light ball. At that time, he walked over carefully and grabbed it in his hand.

Chi...

As soon as his hand touched the ball of light, Cheng Yi felt an incomparably burning pain, and he let go of his hand with a sound of pain.

The next second, Cheng Yi looked at Ji Hongshang closely: “What is this? It’s so weird.”

“This...”

Ji Hongshang glanced at him, and said weakly, “This is the demon soul of the demon race. , once it is successfully merged, it will have an incomparably powerful power.”
With

that, Ji Hongshang’s eyes flickered, and she continued: “Take this thing, just please let me go.”

Seriously, Ji Hongshang didn’t want to . Showing weakness, and even less wanting to belittle someone like Cheng Yi, but there is no way, in the current situation, I am the meat on the chopping board, and I will be slaughtered by others.

What the hell, Demon Soul?

Hearing this, Cheng Yi was shocked, and looked at the blood-red light ball again, his eyes were extremely hot.

It turns out that this is the demon soul of the demon race, a priceless treasure.

Although Cheng Yi seldom walks around the rivers and lakes, before Bai Yunfei rescued Mozun from the ghost world, and then caused chaos in the rivers and lakes in Kyushu, Cheng Yi heard a lot of these things.

But he never thought that one day he would get a demon soul.

Haha...

At this moment, the more Cheng Yi thought about it, the more excited he became. If he successfully merged with the demon soul, he would be able to fight the invincible hand all over the Kyushu just like the rumored Bai Yunfei.

While thinking about it, Cheng Yi quickly opened the spirit beast sac on his body and put the blood-red light ball inside.

The spirit beast sac is used for holding spirit beasts. Very few people in the entire Kyushu own it. This spirit beast sac was given to him by Yang Chenzi two years ago. At this time, Cheng Yi's power could not be merged with the demon soul at all, but it could be put into the spirit beast bag.

After installing it, Cheng Yi put away the spirit beast bag.

“You...”

Seeing this scene, Ji Hongshang felt very unhappy in her heart, but she didn't dare to show it. She said sincerely, “You already got the devil soul, let me go, okay?”

Saying this When Ji Hongshang was about to cry.

Chapter 4385 The sect master of the

dignified Five Poison Sect actually wants to beg for mercy from an unknown pawn. If this matter spreads out, how can there be any face?

Ji Hongshang thought about it, so she would be soft for the time being, and when she regained her strength, she would find Cheng Yi to take back the demon soul. Not only that, but also let this man live and die.

“Hey!”

Cheng Yi looked down at her, and didn't mean to leave at all, but said with a smile: “You gave me such a big gift, I can't leave even more, I have to make up for you.

” Falling down, Cheng Yi looked up to the sky and laughed, indescribably excited.

In the next second, Cheng Yi finally couldn't help it and kissed Ji Hongshang's red lips all at once.

“Go away, go away!”

Ji Hongshang shouted loudly, but she was tapped and couldn't move at all. Can only keep his eyes open, Cheng Yi's movements are getting more and more excessive.

At this time, Ji Hongshang really wanted to die!

You must know that the exercises of the Five Poison Sect are somewhat special. Whether it is a man or a woman, they must maintain the body of a boy. Once the precept is broken, the internal power of the Nine Success Techniques in the body will be passed on to the other party.

In other words, if Cheng Yi took away Ji Hongshang's virginity today, he would get 90% of her power.

The innocence is gone, and the internal strength will be taken away by the other party. This is the most unacceptable thing for Ji Hongshang.

However, in the current situation, Ji Hongshang no longer has the ability to resist, and can only resign.

"Get out, get out..."

For a while, along with Cheng Yi's actions, it became more and more excessive, only the voice of Ji Hongshang's refusal could be heard in the huge cave.

It didn't take long for Ji Hongshang to hold back. Under Cheng Yi's offensive, she couldn't hold back.

Huhu...

At the same time, a strong internal force was also transmitted to Cheng Yi through Ji Hongshang.

Haha...

At this moment, Cheng Yi was even more excited. I really didn't expect that today, not only did he enjoy the tenderness of the beauty, but he also got the other party's skills.

.....

On the other side, Fengzhuang.

During the fire, Yue Feng was sweating profusely and couldn't be anxious. He searched carefully in every room of Fengzhuang.

However, what made him depressed was that he almost turned over Fengzhuang, but he didn't see Mu Xixi and Song Qian.

"Well..."

Soon, when passing a side hall, Yue Feng suddenly stopped, and heard a weak hum from the floor under his feet, very painful.

Is there a secret room down there?

Without any hesitation, Yue Feng quickly squatted down and forced the floor to open, and saw that there was a dungeon under the floor.

The dungeon doesn't have much space, only a few square meters. In the corner, there is a figure curled up.

It's him?

Seeing that figure, Yue Feng was stunned.

I saw that the man was wearing a white robe, but the robe was completely stained with blood, and his body was covered with wounds.

It was Bai Yunfei.

When Zheng Chunqiu took Dan Zong to save people before, he didn't find the dungeon at all, and he didn't know that Bai Yunfei, who once caused a sensation in the Kyushu rivers and lakes, was still imprisoned here.

Whoosh!

After being stunned for two seconds, Yue Feng quickly jumped down and brought Bai Yunfei up.

"Yue Feng?"

When he got to a safe place, Bai Yunfei looked at Yue Feng complicatedly, with a sad smile on his face, and said weakly, "It's really impermanent, I didn't expect that it was you who rescued me in the end."

Said At these times, Bai Yunfei looked withered and could die at any time.

During this period of time, Ji Hongshang tortured him almost every day in order to integrate the power of the demon soul. He was roasted by the fire just now, and he couldn't hold it anymore.

Ugh!

Yue Feng sighed and hurriedly injected an internal force into his body. At the same time, he asked, "Why are you locked up here?"

Seriously, if it was before, Yue Feng would never have been so polite to Bai Yunfei, but this time When I saw him so miserable, I couldn't bear to mention the previous festivals again.

Bai Yunfei shook his head weakly, and said with emotion: "It is especially wrong to do evil in the sky, and it is impossible to live by doing it by yourself. Why did I become like this, you don't need to ask more."

Immediately, Bai Yunfei looked serious: "I will pass on you now. A set of formulas can help your woman, Ren Yingying, to solve the problem of demon soul backlash, you have to listen carefully."

After speaking, Bai Yunfei said the formula word for word.

The ultimate husband in Chinese chapter 4386-4390

Chapter 4386 The

so-called man is about to die and his words are good. Bai Yunfei knows that although he is a descendant of the demon race, he can't live happily after being tortured like this. Before dying, he decided to do a good deed, after all, Ren Yingying was deceived by him at the beginning, and then suffered the backlash from the demon soul.

Mantra! ?

Also related to Yingying?

At this moment, although Yue Feng was stunned, he did not dare to have the slightest carelessness and kept the formula firmly in his heart.

After saying the formula, Bai Yunfei's face became even paler, and he almost lost the strength to speak.

Ugh!

Looking at his appearance, Yue Feng secretly sighed, this Bai Yunfei still has a little conscience, I hope he can be a good person in the next life.

Muttering in his heart, Yue Feng suddenly thought of something, and quickly asked: "By the way, do you know where the Qin Sheng Mu Xixi and her apprentice are locked up?"

Thinking of Mu Xixi's teacher and apprentice, Yue Feng almost is anxious.

The fire has been burning for so long, and I don't know if they can withstand it.

Qin Sheng Mu Xixi?

Hearing the question, Bai Yunfei shook his head: "I haven't seen it before, but there are many secret rooms under Fengzhuang..." Halfway through the sentence, Bai Yunfei's eyes were blurred and he lost his breath.

Huh....

Seeing Bai Yunfei's generation of heroes end up like this, Yue Feng took a deep breath and felt a little complicated in his heart.

The next second, Yue Feng used the power of his primordial spirit and threw Bai Yunfei's corpse into the fire in front of him. After doing this, Yue Feng entered Fengzhuang again and began to carefully search the secret room.

This chapter is provided by . Visit [for](#) daily update.

With the clues Bai Yunfei just provided, Yue Feng did not search aimlessly, but entered Fengzhuang to search for the secret room hidden underground.

there's noise!

Finally, near the back garden of Fengzhuang, Yue Feng heard that there seemed to be a few subtle movements from below the room in front of him, like a woman's voice.

At this moment, Yue Feng's spirit was shocked, and he quickly followed the voice to find it.

Soon, the floor of the room was lifted, and a tunnel entrance came into view. Yue Feng hurriedly jumped down, walked a dozen steps, and reached an underground secret room.

I saw that the door of this secret room was an iron door made of cold iron, but it had been burned red by the fire!

In the corner of the secret room, two slender figures cuddled tightly together, their faces weak, it was Mu Xixi and Song Qian.

"It can be considered that I found you."

At this moment, Yue Feng was so excited that he slapped open the iron door and was about to walk in.

At this time, Yue Feng was overwhelmed with excitement and happiness. Fortunately, he arrived in time. If it was later, the two of them were really helpless.

"You... you stop!"

However, before Yue Feng entered, Mu Xixi gave a coquettish shout, and said with great alertness: "Who are you?" While speaking, Mu Xixi looked up and down at Yue Feng, secretly surprised .

This man looks so weird, with red hair and a blood-colored lotus mark on his face.

What's even more surprising is his strength. The red-hot iron gate can be opened with one palm. Isn't he afraid of fire?

At this time, Mu Xixi didn't know that the strange person in front of him was Yue Feng!

At the same time, Song Qian's delicate face was full of vigilance, and she called out, "Master and I don't know you, what are you doing?"

What the hell!

Looking at the expressions of the master and the apprentice, Yue Feng couldn't help laughing and crying, and quickly said: "It's me, I'm Yue Feng."

At this time, Yue Feng was very depressed, but he didn't blame them. Reborn, the appearance has changed.

Yue Feng?

Hearing this, Mu Xixi and Song Qian looked at each other and were extremely surprised.

How did Yue Feng become like this?

The next second, Song Qian took the lead in reacting, and couldn't help but walk towards Yue Feng: "Brother-in-law...is it really you? How did you become like this?"

After speaking, she was going to pull Yue Feng hand.

"Xiaoqian!"

But at this moment, Mu Xixi pulled Song Qian away, frowned, and rebuked, "You trust people too easily, this person looks weird, his strength is not trivial, and he pretends to be Yue Feng. , it is very likely that Ji Hongshang sent it, we can't take it lightly."

When saying this, Mu Xixi couldn't help but look at Yue Feng, her eyes full of vigilance.

Chapter 4387

Yes!

Hearing this, Song Qian's body was shocked, and she quickly stopped.

I was too reckless. The appearance of the man in front of me was very different from that of my brother-in-law, and this was Fengzhuang controlled by Ji Hongshang. Maybe the master said it right. The man in front of me was not my brother-in-law at all, but sent by Ji Hongshang. of.

Thinking of this, Song Qian bit her lip tightly and asked Yue Feng, "You honestly, who are you? Why are you impersonating my brother-in-law?"

I'll go!

Seeing this scene, Yue Feng wanted to cry without tears.

This teacher and apprentice are really interesting, why don't you believe in yourself?

But thinking about it carefully, Mu Xixi and Song Qian have been locked up here for several days, and they have been humiliated by Ji Hongshang in various ways, so it is right to be vigilant.

correct!

Muttering in his heart, Yue Feng's eyes suddenly lit up, and he thought of something, and said to Mu Xixi with a smile: "You don't believe that I am Yue Feng, right? Well, then let me tell you something."

"I still remember . When I was in Tianqi Continent, before I participated in the Yueying Princess Martial Arts Competition, we met a few interesting friends in the rivers and lakes called 'Four Dragons and Four Phoenix'. We were in a ruined temple at that time. In order to save you, I pretended to be with the four. Long Sifeng makes friends."

Having said this, Yue Feng showed a smile and looked closely at Mu Xixi: "That night, you told me that as long as I become the emperor of any place in the Kyushu continent, you will just be my woman, and later, I became Emperor Xi Cang, but you have never fulfilled this promise, do you remember?"

When he said this, Yue Feng smiled and his eyes flashed with a bit of playfulness. .

To be honest, it's been a long time since I saw Mu Xixi and Song Qian. Since they didn't believe their identities at this time, I took the opportunity to tease them.

Swish!

Hearing this, Mu Xixi's delicate face turned red with embarrassment, and then she stomped her feet and said anxiously: "You... shut up, when did I say I'm going to be your woman, don't Smelly ..."

At this time, Mu Xixi was very shocked.

Is he really Yue Feng?

You must know that what Yue Feng said was only known by Mu Xixi and him at the time, and outsiders didn't know about it at all, and Mu Xixi still remembered it fresh, how could he forget it?

Haha...

Seeing Mu Xixi's shy face, Yue Feng couldn't help laughing and said slowly, "How is it? Believe me now that I am Yue Feng."

Hmm!

Mu Xixi nodded, blushing like the sunset on the horizon.

This Yue Feng, who hasn't seen him for a year, is still the same as before, not serious at all.

"Brother-in-law!"

At this moment, Song Qian reacted and took Yue Feng's hand with great joy: "Are you really brother-in-law? Great, my master and I are finally saved." As

she said that, Song Qian's face was complicated. After looking at Mu Xixi, she continued at Yue Feng: "Brother-in-law, you...you and my master really have such an agreement?"

When she said this, Song Qian felt very complicated.

My brother-in-law is my cousin Liu Xuan's man. If he were a master's man, what would he call him?

Seeing Song Qian's complicated appearance, Yue Feng smiled and said nothing.

Mu Xixi stomped her feet anxiously, pulled Song Qian, and said coquettishly, "Xiao Qian, what are you talking about? I didn't make an agreement with him at all."

It's really embarrassing to say this kind of thing in front of the apprentice.

Seeing Mu Xixi's reaction, Yue Feng was overjoyed, and quickly nodded with a smile: "Yes, there is no agreement, I was just talking nonsense."

Nonsense?

Hearing this, Song Qian was even more confused.

If he is talking nonsense, how can Master be sure that he is the brother-in-law?

At this moment, Song Qian murmured in her heart. Seeing Yue Feng's face, she couldn't help but ask, "Brother-in-law, why did your face become like this? And your hair has also turned red. What happened to you? Huh?"

At the same time, Mu Xixi also looked up and down at Yue Feng, her eyes full of doubts and curiosity.

Ugh!

Looking at the inquiring eyes of the master and the apprentice, Yue Feng sighed and said with a wry smile: "This is a long story, I was..."

Just after saying a few words, he heard the sound from outside the secret room. There was a roar, and there was a lot of movement. The three of Yue Feng were startled and looked out almost at the same time.

Chapter 4388

Call!

Seeing this, the three of Yue Feng were all taken aback.

I saw that because the fire was too big outside, the stone slabs above had cracked. Not only that, but the entire underground secret room also began to shake, and there was a possibility of collapse at any time.

"Quick, get out!" In the

next second, Yue Feng reacted, stretched out his hands to pull Mu Xixi and Song Qian, and quickly rushed out of the underground secret room.

Huhuhu...

However, when I got to the passage, I saw the fire above, which had spread, and the whole passage was red.

"What should I do?"

Seeing this scene, Mu Xixi's delicate body trembled, and she couldn't help exclaiming.

At the same time, Song Qian was also extremely nervous, holding Yue Feng's arm, her face turned pale: "It's over, the passage is completely blocked by fire, we can't go in."

This underground secret room is very hidden, and only A passage, and now the only passage is blocked by the fire, if you don't hurry up and find a way, you can imagine the fate.

For a time, Mu Xixi and Song Qian became more anxious the more they thought about it, and they were completely panicked.

Ugh!

At this moment, Yue Feng also frowned and sighed secretly.

If it wasn't for the teacher and the apprentice who doubted their identity just now and wasted time, they would have left safely.

But then again, his appearance has changed, and whoever he is, will be suspicious.

Thinking to himself, Yue Feng showed a smile and comforted Mu Xixi and Song Qian: "Don't panic, there is me!"

Om!

As he spoke, Yue Feng mobilized the power of his primordial spirit and raised his hand to form a protective film around his body. In an instant, the fire was isolated from the protective film.

The red lotus of the law reborn by Yue Feng contains extremely strong properties of heavenly fire, so he is not afraid of the blazing fire in the mortal world of Kyushu at all. It's just that this protective film is not big, and it can barely squeeze three people.

After finishing the protective film, Yue Feng greeted the master and apprentice with a smile: "Come in quickly."

"Okay, brother-in-law!"

Song Qian hurriedly responded, and hurriedly entered the protective film. In her heart, although Yue Feng was her brother-in-law, she was more kissable than her own brother, and she didn't care about skin contact at all.

Huh ...

However, Mu Xixi was different. Seeing the small space beside Yue Feng, she bit her lip tightly, her delicate face full of tangle and complexity.

The next second, Mu Xixi couldn't help but said to Yue Feng, "Yue Feng, did you do it on purpose?"

Just finished talking about his wife, and now he made the protective film so small.

This Yue Feng is really not serious at all.

on purpose?

Yue Feng was stunned for a moment, and said in surprise: “How do you say this?”

Mu Xixi pointed to the protective film, and said angrily: “You can’t make it bigger, such a small space, how can I... how can I get in? ?”

I’m going!

Hearing this, Yue Feng suddenly woke up, and at the same time, he was a little dumbfounded.

What time is it, this Mu Xixi still cares about this.

Thinking to himself, Yue Feng smiled bitterly: “With my current ability, I can only make it so big.” He didn’t lie. Although he has been working hard these days, he has not completely integrated all the power of the Faye Red Lotus. , and the fierce battle with Ji Hongshang before, consumed a lot, and at this time, it was the limit to condense such a large protective film.

Slick tongue!

Hearing this, Mu Xixi was no longer talking nonsense, gave Yue Feng a blank look, and walked in quickly.

Huh ...

The moment Mu Xixi came in, Yue Feng smelled an aroma that rushed to his face, and he was instantly fascinated.

However, Yue Feng quickly regained his senses, holding Mu Xixi and Song Qian’s waist tightly with both hands, and said with a smile: “Okay, let’s go out now.” After the

voice fell, Yue Feng urged the protective film while wearing The master and apprentice rushed out of the passage.

Hu...

quickly rushed out of Fengzhuang, Yue Feng let go of the master and apprentice, sat on the grass outside the villa, and took a deep breath.

Finally rescued people.

Mu Xixi’s face blushed, thinking of the scene of Yue Feng holding her waist just now, she couldn’t tell how shy, but because of the apprentice’s presence, it was not easy to attack.

“That’s great!”

Song Qian cheered, with indescribable joy and excitement: “Finally see the sun again.”

With emotion, Song Qian looked at Fengzhuang full of fire and couldn’t help but asked Yue Feng: “Brother-in-law, why did Fengzhuang catch fire? What about Ji Hongshang and the people from the Five Poison Sect? Also, how do you know that Master and I are trapped here?”

Chapter 4389

Yue Feng smiled and explained: “Ji Hongshang told me personally that she arrested you. As for how the fire broke out here, I don’t know. When I came, the fire started to spread.

”, Yue Feng will tell the details.

Whoa!

However, at this time, I heard footsteps coming from not far away. These footsteps were dense and urgent, and there were obviously many people.

Hearing the footsteps, both Yue Feng and Mu Xixi’s master and apprentice all looked at them subconsciously.

Seeing this, they were all shocked.

I saw that nearly 2,000 elite disciples of the Five Poison Sects came quickly, and the one headed was Yuan Tong.

Oops, they belong to the Five Poison Sect.

Seeing this situation, Yue Feng frowned and felt a little anxious.

My own power wasted too much, and in case of a fight, I’m afraid I wouldn’t be able to protect Mu Xixi and the two. Phew

... At the same time, Mu Xixi and Song Qian were also trembling and nervous. They were trapped during this period of time, tortured and weak. Swish! At this moment, Yuan Tong and the disciples of the Five Poison Sect also discovered the three Yue Feng, and their eyes converged one after another. Before Yue Feng chased Ji Hongshang, Yuan Tong and these disciples of the Five Poison Sect chased after them, but how fast could they keep up with Yue Feng? In the end, Yuantong had no choice but to take people back to Fengzhuang. At this time, Yuan Tong did not expect that he would meet Yue Feng again here. Why is this kid here? At this moment, Yuan Tong stared at Yue Feng, secretly surprised.

Isn't he chasing the suzerain? Why did you come to Fengzhuang?

Muttering in his heart, Yuan Tong became even more frightened and angry when he saw Fengzhuang submerged by the fire.

Mad!

This kid set Fengzhuang on fire?

In anger, Yuan Tong stepped forward and asked Yue Feng loudly: "Boy, where is my suzerain? Also, did you burn this Fengzhuang?" To

be honest, Yuan Tong had seen Yue Feng before. Strength, I don't dare to be so arrogant, but there is no way, now that the sect master is not there, among the five poison sects who are present, his status is the highest.

While asking, Yuan Tong couldn't help but look at Mu Xixi and Song Qian, even more secretly surprised.

This kid saved the goddess doctor in Baihua Valley? they know each other?

call!

Hearing Yuan Tong's question, Yue Feng took a deep breath and said lightly, "I don't know where your suzerain is, and I didn't set the fire in Fengzhuang."

At the same time, Yue Feng sat there, secretly speaking The power consumed before respiration.

do not know?

Hearing this, Yuan Tong's face was full of disbelief.

At this time, Song Qian on the side couldn't help but whispered to Yue Feng: "Brother-in-law, this is the person who deceived me and Master." After saying that, Song Qian glared at Yuan Tong fiercely.

At this time, Mu Xixi looked at Yuan Tong's eyes with shame and anger.

This person is too cunning. If it wasn't for his fake invitation, he and Song Qian would not have been locked under Fengzhuang and tortured every day.

Knowing the situation, Yue Feng did not respond, but calmly motioned Song Qian not to speak.

My own strength has not recovered, so I can't act rashly for the time being. After all, there are too many people on the other side.

Brother-in-law?

However, Song Qian's voice was not loud, but Yuan Tong on the opposite side could hear it clearly. She looked at Song Qian and Yue Feng at the time, and couldn't help but muttered in her heart.

This goddess doctor's apprentice, calling this guy brother-in-law?

For a while, Yuan Tong frowned and felt that something was wrong, because he had heard Ji Hongshang say that the goddess doctor of Baihua Valley was the famous Qin Sheng, and the female apprentice of Qin Sheng was Yue Feng, the master of Tianmen. cousin.

And now, this woman calls this man cousin.

Could it be that he is...

Yuan Tong became more frightened the more he thought about it, and couldn't help shouting at Song Qian, "Hey, do you call him brother-in-law?"

"Right?"

Song Qian looked proud and pointed at Yue Feng said loudly: "He is my brother-in-law, the master of Tianmen who used to shake Kyushu, and Yue Feng, who is honored as the hero of Jiuzhou, how is it? Are you afraid?"

What?

Hearing this, Yuan Tong's heart trembled, and he could hardly stand still, staring blankly at Yue Feng, speechless.

Is he really Yue Feng?

Chapter 4390 It is

no wonder that in the previous fierce battle, the suzerain was not an opponent.

Whoa!

At the same time, the surrounding nearly 2,000 elite disciples of the Five Poison Sect were also in an uproar, all eyes focused on Yue Feng, shocked.

He...he is Yue Feng, the lord of Tianmen?

In the face of everyone's attention, Yue Feng's face did not fluctuate in the slightest, he slowly stood up, holding Mu Xixi and Song Qian with one hand, and said, "Let's go."

Taking advantage of his reputation, he can still calm down the audience and leave quickly, otherwise there will be many dreams in the night.

This...

Seeing this scene, the disciples of the Five Poison Sect looked at each other in dismay, and felt a little unhappy in their hearts. This Yue Feng was really daring, and he left without giving any face to the Five Poison Sect.

But no one dared to step forward to stop him.

"Stop!"

However, at this time, Yuan Tong took a step forward and shouted at Yue Feng: "Yue Feng, do you want to leave without making it clear?"

When he said this, Yuan Tong was very nervous, but his face was extremely firm.

If Yue Feng is let go like this, the Sect Master will definitely be blamed when he comes back. You must know that over the years, Yue Feng has always been the number one enemy of the Five Poison Sect.

Huh..

Yue Feng stopped, turned his head to look at Yuan Tong, and said indifferently, "What should be said, I said it just now. Don't mess with me." The

voice fell, Yue Feng didn't even look at him, he pulled Mu Xixi continued to walk towards the distance.

Mad!

At this moment, Yuan Tong was completely anxious, and shouted at the surrounding elite disciples of the Five Poison Sect: "Everyone from the same sect, stop him together. We must not forget the hatred of the former head of the

Five Poison Sect." It was Ji Linglong, who was forced by Yue Feng to take Tongtian Pill, and finally died of poisoning. All the disciples of the Five Poison Sect felt pain in their hearts.

Whoa!

These disciples of the Five Poison Sect were originally a little afraid of Yue Feng. At this time, when Yuan Tong mentioned Ji Linglong's revenge, they gathered up their courage and rushed over quickly to surround the three Yue Feng.

Nima!

Seeing this scene, Yue Feng frowned secretly, these disciples of the Five Poison Sect are really desperate.

At the same time, I was also a little depressed. I was really afraid of what was coming. At this time, the strength in the body had not fully recovered, and I really had to start. I was afraid that it would be difficult to successfully take the two of Mu Xixi away.

Thinking to himself, Yue Feng looked at Yuan Tong with bright eyes: "Just because of this person, you want to stop me?"

No matter whether the strength has recovered or not, the momentum cannot be lost.

Facing Yue Feng's gaze, Yuan Tong was very guilty, but he still gritted his teeth and shouted: "Yue Feng, you killed our previous head, this is a blood feud, we have to avenge it. Blame us for being rude."

When he said this, Yuan Tong looked righteous, but he couldn't tell the tension in his heart.

Yue Feng's strength is unmatched in Kyushu, and now he can only hope that he and the surrounding disciples of the Five Poison Sect can hold him back until the Sect Master appears.

Qiang Qiang Qiang...

Hearing Yuan Tong's words, the surrounding disciples of the Five Poison Sect were all boiling with enthusiasm, pulling out their weapons one by one, pointing at Yue Feng.

"Okay!"

Facing this situation, Yue Feng smiled and said lightly: "Since you are so confident, then I will do as you wish."

At this time, Yue Feng knew that this battle was inevitable.

After speaking, Yue Feng let go of his hand and said to Mu Xixi and Song Qian: "You retreat to a safe place, and I will deal with this gang of rabble."

"Yue Feng!" The

voice fell, and Mu Xixi's delicate face could not be concealed. The nervousness: "Can you do it alone?"

Mu Xixi felt that Yue Feng's strength had not fully recovered. In this case, it would be dangerous for him to deal with so many elite disciples of the Five Poison Sect alone.

At the same time, Song Qian also said worriedly, "Brother-in-law, if it really doesn't work, you should go first and leave me and Master alone. If you're not here, they won't do anything to me and Master."

If it was before, Song Qian is not worried at all, after all Yue Feng is powerful, but the situation is different now.

"I'm not going!"

Yue Feng's face was resolute, he shook his head and said, "Let's go together if we want to go, and we must stay together."
