

The ultimate husband in Chinese chapter 4466-4470

Chapter 4466 I

saw a few figures on the path down the mountain, coming quickly.

The one in the lead, with a slender figure, wearing a bright yellow dress, with delicate and charming facial features, is unbelievably beautiful, it is Ren Yingying.

A beautiful human woman.

At this moment, Zhu Sheng looked at Ren Yingying who was gradually approaching from a distance, his eyes were full of admiration, but at the same time he was a little surprised.

Strange, this human woman actually possesses a demon soul?

Demon descendants?

Whoa!

Just when the candle saint was muttering secretly, Ren Yingying and his party also reached the top of the mountain. In an instant, I felt the terrifying aura pervading Zhu Sheng's body. Several royal guards and Cheng Yi were all terrified and almost breathless.

Ren Yingying was indifferent.

"Who are you?" In the

next second, Ren Yingying's red lips lightly opened, and she asked Zhu Sheng, "Why are you here?" If it was before, Ren Yingying would be nervous when faced with such a terrifying existence, but It's different now, and he also has a demon soul, which is not false at all.

"Haha!"

Zhu Sheng smiled slightly and replied, "I am one of the twelve holy devil kings of the Demon Race, Zhu Sheng!"

When he said this, Zhu Sheng's face was full of arrogance.

What? The Demon King of the Demon Race?

This chapter is provided by . Visit for daily update.

Hearing this, whether it was Ren Yingying, or Cheng Yi and others behind him, they were all shocked.

Especially Ren Yingying, whose delicate face is full of solemnity, she is indeed one of the twelve holy devil kings.

Done!

Cheng Yi was trembling all over, his face was pale, and he could hardly stand still. The other party is actually the Demon King of the Demon Race. This is miserable. I'm afraid that no one will survive in the future.

A few months ago, when Bai Yunfei caused chaos in the rivers and lakes of Kyushu, Cheng Yi had heard of the terror of the Demon Race, but he never thought that there was a Demon King who would meet the Demon Race.

Although Cheng Yi obtained Ji Hongshang's eighth-level skill, he also knew that this power was nothing in front of the Demon King of the Demon Race.

"Girl!"

At this moment, Zhu Sheng looked up and down at Ren Yingying, and asked with a smile: "You have a demon soul, dare to ask who your ancestor is?"

"The Great Emperor Chiyou!" Ren Yingying said without hesitation.

Haha...

After hearing the answer, Zhu Sheng laughed in the sky, feeling very happy: "It turned out to be the descendant of Chi You, great, so we are all our own people."

Seeing this scene, Cheng Yi once again stunned.

This beauty is actually from the Demon Race? In this way, I don't have to worry about my life for the time being.

Until this time, Cheng Yi did not know the identity of Ren Yingying. Seeing Zhu Sheng

's relationship, Ren Yingying remained calm, but continued to ask: "As far as I know, the demons have been fighting against the Nine Heavens God in the realm of the gods, why did they suddenly come to Kyushu?"

Ren Yingying regarded him as one of his own, without hesitation at the time, smiled and said, "It's a long story, several wars have been lost, Your Excellency Mozun ordered us to come to Kyushu to arrest someone."

Arrest someone?

How could someone have such a big face to allow the Demon King of the Demon Race to go out in person?

At this moment, Ren Yingying frowned and couldn't help but ask, "Who?"

"Haha!"

Zhu Sheng smiled slightly and said without concealment: "It is the so-called Hero of Jiuzhou, Mr. Guigu's apprentice, Yue Feng! This kid is a stumbling block to our Demon Race's hegemony and must be removed.

" At that time, Zhu Sheng couldn't hide the hatred in his eyes.

Mad, if it weren't for this Yue Feng, he and the other demon kings would not have been sent to Kyushu to do such a laborious task.

What?

Ren Yingying was originally in a calm mood, but when she heard this, her body trembled, and her whole body became restless.

Mo zu want to catch Yue Feng? This is absolutely not possible.

However, Ren Yingying is a smart woman. She didn't show her emotions, but looked very serious. She said to Zhu Sheng, "Then have you found Yue Feng's whereabouts? Maybe, I can help."

While speaking, Ren Yingying slowly approached.

She didn't really want to help, but was going to take advantage of her to surprise Candle Saint. After all, she and Yue Fengqing had a deep sense of righteousness and would never allow him to be in any danger.

Chapter 4467

The candle saint at this time, hadn't noticed Ren Yingying's intentions, and said with a smile: "I have already sent someone to notify other sects in Dongao Continent. As long as Yue Feng is in Dongao Continent, it will be hard to fly. , haha...."

"Really?"

Hearing this, Ren Yingying smiled, but her eyes flashed with a hint of coldness: "Just you demons, you want to kill me, Yue Feng, too!"

hum!

At this time, Ren Yingying was less than one meter away from the candle saint, and the moment the voice fell, the power of the devil's soul exploded immediately, the jade hand raised, and slapped the candle saint with a fierce palm!

With this palm, Ren Yingying mobilized all her strength. Since it was a surprise attack, she could not give the opponent any chance to counterattack.

What?

Seeing Ren Yingying's sudden action, Zhu Sheng's face changed, and he was shocked and angry: "You.... What are you doing?" He never thought that this 'self' in front of him would suddenly attack him.

This...

At the same time, Cheng Yi, who was standing not far away, was stunned.

What's the matter, aren't they all from the Demon Race? Why did it suddenly hit.

While shocked, Cheng Yi was inexplicably excited and excited. Haha, they had a fight among themselves. This was a great opportunity, so hurry up and find a way to leave.

Thinking to himself, Cheng Yi remained calm, secretly urging his inner strength, trying to break the rope on his hands.

At this time, Ren Yingying is here.

Feeling the anger of Zhu Sheng, Ren Yingying's delicate face did not fluctuate in the slightest, and said coldly: "What? I tell you, Yue Feng is my man, how could I let him fall into your hands?"

As she said that, Ren Yingying increased her speed and hit Zhu Sheng's heart with her palm force.

Mad!

Hearing this, Zhu Sheng suddenly woke up and was furious: "So you are Yue Feng's party."

When he said this, Ren Yingying's palm was about to hit his heart, but Zhu Sheng is worthy of being the Twelve Saints. One of the demon kings, who couldn't avoid it at the time, made a decisive decision, raised his hand and collided with Ren Yingying's palms!

boom!

In an instant, the palms of the two sides collided fiercely, and an earth-shattering loud noise was heard, resounding across the top of Fengyu Mountain, and at the same time, a tyrannical internal force wave swept across.

Both sides possessed demon souls, and the aura that erupted from the collision was like a hurricane. The surrounding royal guards, as well as Cheng Yi, all trembled and stumbled back a dozen steps.

Hiss...

At this time, Cheng Yi, while stabilizing his figure, couldn't help taking a breath of cold air in his heart.

The power of the demon soul is indeed terrifying, and he must speed up.

Muttering in his heart, Cheng Yi broke the rope, but instead of running away immediately, he pretended that nothing had happened, and secretly recovered his inner strength.

Cheng Yi was very cunning. At this time, his strength had not fully recovered. If he fled rashly, he would easily be caught by those royal guards.

In the raging atmosphere, I saw Ren Yingying and Zhu Sheng, and they both groaned. After that, Ren Yingying was shaken back more than ten steps, and Zhu Sheng was shaking.

Obviously, Ren Yingying didn't take advantage of the punch just now, although it was a surprise attack.

What?

After stabilizing her figure, Ren Yingying's delicate body trembled, shocked.

This palm didn't inflict heavy damage on the opponent? You must know that Ren Yingying's strength has grown by leaps and bounds since he obtained the Demon Soul, but the attack just now was so easily blocked by this candle saint.

"Jie Jie!"

At this time, Zhu Sheng had a gloomy smile on his face, and locked Ren Yingying firmly: "I didn't expect that Yue Feng had not found Yue Feng, but he even brought his comrades here, this is not bad, we will catch him later. Staying with you, I'm not afraid that Yue Feng will not appear." The

voice fell, and the candle saint burst into a demon soul, rushing up like a ghost.

“Want to catch me? I’m afraid you don’t have the ability!” Ren Yingying snorted coldly, without the slightest fear on her delicate face, her delicate body flashed up to meet her.

“Miss, let’s help you!”

At the same time, the surrounding royal guards also shouted and rushed up to surround Zhu Sheng.

Faced with this situation, Zhu Sheng did not panic at all, but was extremely excited: “Come on, come up, none of you can run away!”

Chapter 4468 The

voice fell, and Zhu Sheng raised his hands.

hum!

Terrifying power surged out crazily, forming a huge black vortex on the top of Fengyu Mountain! In the vortex, endless evil forces gather wildly!

“Bang bang bang!”

Ren Yingying and the royal guards rushed over, but they didn’t have the slightest advantage!

Haha... the opportunity is here.

Seeing this scene, Cheng Yi was indescribably excited. He didn’t think much about it at the time, he threw off the rope, turned around and fled into the distance.

Speaking of which, Cheng Yi’s internal strength has not fully recovered, but he can see that at this time, Ren Yingying and everyone are entangled by Zhu Sheng, and he can’t escape at all. The opportunity is fleeting, and he doesn’t want to miss it.

hateful.

Seeing this scene, Ren Yingying was anxious and angry, and wanted to catch up, but there was no chance at all without Zhu Sheng blocking her.

At this time, Ren Yingying was very regretful, knowing that Cheng Yi was so cunning, he should have killed him when he was in the underground cave.

.....

On the other side, God’s Domain.

In the Yutian Palace, several fairies wearing long dresses danced gracefully there. The musicians around were playing soft and soothing musical instruments.

The Nine Heavens God sat on the throne, holding a wine glass in his hand, with a smile on his face, indescribably comfortable.

The priests below sat there, laughing and laughing.

The previous battles with the Demon Race had been victorious one after another, which made Jiutian God very happy. Now that the Demon Race was in a state of collapse, there was no longer a threat to the Divine Realm, which made Jiutian God even happier.

Today, the Nine Heavens God is in a good mood, so he summoned all the priests to gather in the Yutian Palace to have a drink.

“Everyone!”

At this moment, a priest stood up with a smile, looked around and said with a smile: “In the previous battles, our God Realm was able to defeat the demon army, thanks to His Majesty’s wisdom and martial arts, let’s toast Your Majesty together. .” The

voice fell, and the other priests got up one after another and toasted the Nine Heavens God with compliments on their faces.

Haha...

Seeing this scene, the Nine Heavens God was very happy, and raised his glass: “You, Aiqing, also contributed greatly. Come, let’s have a good rest today.”

Om!

At this moment, a strong wave of spiritual power came from outside the hall, followed by a slender figure who walked in slowly, dressed in a long white dress, with a graceful figure and exquisite facial features. Powerful atmosphere.

It’s the Empress Nuwa.

Wow...

Seeing the Empress Nuwa, the priests present looked respectful, stood up one after another, and shouted in unison, “I have seen the Empress.”

Nuwa nodded, her delicate face showing a trace of solemnity.

At this time, Jiutian God also quickly stood up and came to greet him in person: "Senior sister, why are you here?" Although he is the ruler of the divine realm, in front of Nuwa, he has to give three points of courtesy.

Nu Wa showed a smile, but her tone was a little worried: "I have something important to do here."

After speaking, Nu Wa looked around, and Xiumei frowned: "The situation in God's Domain is not stable, you are still in the mood. Drinking for fun?"

Uh...

Hearing this, the surrounding priests put down their wine glasses one after another, and their faces were ashamed.

Jiutian God was also stunned for a moment, and quickly waved the dancing fairies out, and then couldn't help asking: "Senior sister, what's the matter, what you said is so serious.

"

Slowly said: "Today I went to the border of God's Domain, and I saw that the Holy Spirit Stone has been opened, and there are signs left on the scene, proving that Demon Lord Gone has been there."

Holy Spirit Stone?

Hearing this, Jiutian God was shocked, and suddenly felt a little bad.

As the ruler of the God Realm, Nine Heavens of course knows the origin of the Holy Spirit Stone, which is transformed by the spiritual wisdom of Pangu, and can know the past and future. It is said that it is opened once every 10,000 years.

"Senior Sister!"

At this time, the Nine Heavens God calmed down and asked with a frown, "What do you mean, Demon Lord Gone opened the Holy Spirit Stone?"

Nuwa nodded.

Jiutian God pondered for a while, and showed a smile: "Even if he opens it, what if the Holy Spirit Stone knows the past and the future, but it can't help the demons in substance."

At this time, Jiutian God did not panic at all, because After the previous several wars, the Demon Race has been completely stunned, and there is no threat to the realm of the gods.

Chapter 4469

Seeing that God of the Nine Heavens didn't care, Nuwa was a little anxious, bit her lip and said, "Don't take it lightly, I got some clues on the way I just came."

"What clues?"

Nuwa sighed lightly, Slowly said: "Devil Goni sent twelve subordinates to Kyushu. I guess, he must have asked the Holy Spirit Stone for something at that time."

"More importantly, Demon Lord Goni is gone at this time. Trace."

When she said this, Nu Wa's delicate face was very anxious.

She had a hunch that the Demon Race was brewing a huge conspiracy.

"Haha!"

However, when he heard this, the Nine Heavens God did not panic at all, and said with a smile: "Senior sister, you are too cautious and think too much. Today's demons are no longer able to compete with our God Realm. What prophecy Nii got from the Holy Spirit Stone can't change the facts."

"In my opinion, we only need to strengthen the guard of the God's Domain, and we will be safe."

Alas!

Seeing Jiutian God so blindly confident, Nuwa was so anxious: "Goni never does anything he is not sure about. He suddenly sent twelve men to Kyushu. It must have a profound meaning, and we have to guard against it."

"Okay! "Seeing Nuwa anxious, Jiutian God is no longer persistent, and then smiled and comforted: "Senior sister, don't worry, according to you, what should we do?"

Hu!

Nuwa pondered for a while, and said, "Check immediately, find out the purpose of the demons going to Kyushu, you must not relax your vigilance."

Hearing this, the God of Nine Heavens nodded again and again.

Afterwards, Nu Wa explained a few more words and left Yutian Palace.

“Your Majesty!”

Haotian Divine Monarch, who had just left his forefoot and had been sitting there silently, stood up and asked the Nine Heavens God for instructions: “My Lady came to explain this time in person, it seems to be no trivial matter, and I would like to go to Kyushu to find out.

” No need.”

Jiutian Shen smiled slightly, shook his head and said, “My senior sister, I’m just too nervous. The demons are completely stunned, and they don’t threaten us at all. She’s too surprised.

” My duty is to protect the divine realm, and I would be overkill to go to Kyushu to investigate the situation, so I’d better sit here and enjoy a good bar.”

At this time, the God of Nine Heavens still didn’t take this matter to heart, thinking that Nuwa was too worried. .

Uh...

Hearing this, Haotian Shenjun was very helpless and had to sit down.

At this time, the God of Nine Heavens looked around and said to a priest: “Holy Monarch Mingyue, you have to work hard, go to Kyushu and find out what the devil is doing.” Holy Monarch

Mingyue, who ranks first in the realm of the gods . Moderate, more than enough for this kind of thing.

At this time, the Nine Heavens God did not know that he had made a big mistake.

“Yes, Your Majesty!”

Mingyue Shengjun stood up and responded, then walked out of Yutian Palace, ready to leave.

“Come, come!” Watching the Mingyue Sage leave, Jiutian

God showed a smile, looked around and said: “Let’s continue, we must not be drunk today.”

“Respect, Your Majesty.”

, one by one, toasting with smiling faces.

The whole Yutian Palace regained the lively atmosphere again.

...

On the other side, in the Yaotai Spirit Realm.

Yaotai Spiritual Realm is one of the few blessed places in the realm of the gods. It is filled with immortal clouds and spiritual energy. The territory is as large as several cities, with green mountains and green waters, and the environment is charming.

At this time, in front of a waterfall, a figure sat cross-legged.

Cold facial features, burly stature.

It was the Demon Lord Gone who had mixed in before.

At that time, after pretending to be a servant of achievements and infiltrating the Yaotai Spiritual Realm, the Demon Lord Gone did not immediately go to find the place where the ancestors of the prehistoric retreated. You must know that the demonic aura on the Demon Lord is too strong. Ancestor see through.

However, the Demon Lord Gone was very cunning. He thought of a way to hide his identity, which was to absorb the spirit of the fairy here and form an invisible protective film around his body to isolate his magic power.

Once the protective film is formed, even if you are face-to-face with the ancestors of the Great Wilderness, you don't have to worry about being seen through.

Chapter 4470 Huhuhu

... At this time, under Gone's absorption, the celestial spirit within a few hundred meters of the entire waterfall condensed frantically towards him. I don't know how long it took, I saw a nearly transparent protective layer formed around Gone's body. Under the isolation of this protective layer, the magic power in Gone's body was completely hidden. Haha, success. At this moment, Gogne stood up slowly, his cold face full of smiles. Immediately afterwards, Gone silently recited a few incantations, and when he changed his body, he changed into the appearance of Nuwa. If there are other people around at this time, you will definitely be surprised. You must know that it is easy for the Demon Lord Gone to become a Nuwa, but it is difficult to hide his magic power. of. That's right, Gone's transformation into Nuwa's appearance is to confuse the ancestors of the Great Wilderness. After confirming that there was no problem, the corner of Demon Zun Gone's mouth twitched into a smile, and he rushed towards the place where the ancient ancestors retreated. At this moment. In the northwest of Yaotai Spiritual Realm, on the top of a high mountain. The ancestor of the Great Desolation,

dressed in white, was sitting there cross-legged, silently comprehending his own realm and cultivation, a colorful halo filled his body, full of immortal energy. hum! At this moment, a figure flew from a distance and floated lightly on the top of the mountain. The facial features were exquisite and beautiful, the figure was slim and graceful, and it was extremely charming. It is Gone's illusion of 'Nuwa's empress'. "Nuwa?" Hearing the movement, the ancestor of Honghuang slowly opened his eyes, saw that it was Nuwa, and then frowned: "Why are you here suddenly?"

At this time, the ancestor of Honghuang was very displeased, because he had emphasized that when he was in retreat, he did not like to be disturbed. Even Nuwa and Jiutian God needed to ask for instructions in advance.

At this time, the prehistoric ancestors did not know that the person standing in front of him was not his apprentice Nuwa at all, but the Demon Lord Gone. Because a protective film of the five elements was formed around his body, which isolated the magic power, the prehistoric ancestors did not notice it. .

"Master!"

Feeling that the ancestors of Honghuang were a little unhappy, Mozun Gone hurriedly bowed and said hypocritically: "It was the disciple who was abrupt, but there was a big incident in the gods outside, so the disciple had to break in.

" Son?

The ancestor of Honghuang was stunned for a moment, and then asked: "What's the big deal?"

Gone looked worried: "Returning to the master, the disciple received news a day ago that the devil Gone opened the Holy Spirit Stone. It is revealed that there is a human being who is not only a formidable enemy of the Demon Race, but will completely overthrow the God Realm."

"This human being is the Nine Heavens Profound Sage, Yue Feng

, who was named by the master." As he spoke, Gone observed the ancestors of the Great Wilderness . Reaction.

Gone said this deliberately, the purpose is to disturb the state of mind of the ancestors of the prehistoric land, when the time comes, there will be a chance to take action.

Is there such a thing?

Sure enough, hearing this, the expression of the ancestor of Honghuang changed, it was incredible.

Will Yue Feng overthrow the God Realm in the future? This kid is not that ambitious.

Thinking to himself, the prehistoric ancestor looked at Gone and asked, "Are you sure?"

At this time, the prehistoric prehistoric didn't want to believe it, because he had done calculations for Yue Feng before. First, taking into account the overall situation, it is impossible to overthrow God's Domain.

Otherwise, the ancestors of Honghuang would not have named him the Nine Heavens Profound Sage.

"How dare the disciple deceive the master?" Gone lowered his head with a sincere expression.

call!

The ancestor of Honghuang took a deep breath, and his heart suddenly became confused.

If it is really the revelation of the Holy Spirit Stone, then it is not wrong.

"Master!"

At this moment, Gone slowly walked over and said cautiously: "How about you make another plan for Yue Feng? Look at the prediction of Shengtian Lingshi, whether it is true or false."

Said At these times, Gone was respectful on the surface, but there was a trace of killing intent in his eyes.

"Okay!"

Ancestor Honghuang replied, squinting his eyes and counting.

"Hey, are you deceived?"

At this moment, Gone returned to his original appearance, sneered, and urged his magic power to call towards the ancestors of Honghuang.

That's right, I just asked the ancestors of Honghuang to make calculations just to divert his attention and make a surprise attack.
