

The ultimate husband in Chinese chapter 4501-4510

Chapter 4501

Huh?

Hearing Nu Wa's words, Gone frowned and said coldly: "Why do you advocate not to kill Yue Feng? Are you going to betray the deity?"

Recently, Qing Ming's words and deeds have become more and more wrong. began to doubt.

Swish!

At the same time, the several demon kings of Zhu Sheng also looked at Qing Ming in a complicated way.

Nu Wa let out a light sigh of relief, made a look of panic, and said quickly: "Your lord, calm down, your subordinates dare not betray, I just think that since the innate spirit stone predicted Yue Feng, we don't necessarily have to kill him, Maybe it will be useful to keep it in the future."

When she said this, Nu Wa looked respectful and serious.

"Confused!"

Gone's face sank, and he scolded coldly: "Yue Feng is the biggest stumbling block for our demons. It's useless to keep it, you don't need to say it anymore."

After that, Gone said to the candle saint demon king. : "Bring Yue Feng into the Unbounded Shadow Prison, there must be no mistake!"

"Yes, your honor!" After the

voice fell, the Candle Saint Demon King nodded in agreement, and immediately left the palace with Yue Feng.

Oops!

This time, Nu Wa was so anxious, but she didn't dare to act rashly, but she had already thought about it, and when she had the opportunity, she would immediately rush to the Infernal Shadow Prison, no matter how much she paid, she would save Yue Feng's life.

the other side.

This chapter is provided by . Visit for daily update.

Zhu Sheng took Yue Feng and flew all the way at a very high speed, and finally reached the entrance of the Infernal Shadow Prison.

You can see that this area is surrounded by dark clouds, and passing through this black cloud is an endless chaotic void, and the entrance to the Infernal Shadow Prison is at the edge of the chaotic void.

Phew...

At this moment, when approaching the entrance of the Infernal Shadow Prison, the Demon King of Candle Saint couldn't help swallowing his saliva, and his face was even more hideous.

"Stinky boy." In the

next second, the Demon Lord Candle Saint said to himself: "I was reborn through the red lotus of the law, and I even practiced the body of the Xuansheng, but if you enter here, even if you are an immortal from outside the sky, you will escape. I won't die." As soon as the

words fell, the Demon King Zhusheng grabbed Yue Feng and threw it in directly.

Pfft!

Yue Feng was thrown into the Infernal Shadow Prison, and fell heavily on the ground. Under the pain, he slowly woke up.

I go, what is this place?

The moment he opened his eyes, Yue Feng was stunned, and at the same time he couldn't help fighting a cold war.

I saw that it was dark in front of me, and I could barely reach my fingers, but I could clearly feel that there was an incomparably terrifying evil force in the air.

That feeling is as if there are countless beasts peeping around.

Mad don't care, first restore the power.

Under the panic in his heart, Yue Feng forced himself to calm down, then sat there cross-legged and began to try to break through the confinement.

...

the other side!

Kyushu, Apocalypse Imperial City.

Ren Yingying, dressed in a golden robe, sat quietly on the dragon seat, with a delicate and beautiful face, without the slightest expression, giving people a gloomy feeling.

Below, the civil and military officials stood on both sides, each with a solemn expression.

There was a suffocating dullness in the hall.

At this time, the civil and military officials were a little puzzled. After Her Majesty came back this time, it was as if she had changed a person, and her words became blunt. This time, the ministers were suddenly summoned, and I didn't know what happened.

"Everyone!"

Just when the civil and military officials were secretly muttering in their hearts, Ren Yingying looked around and said lightly: "Now this emperor announces something, from this moment on, we will forever form an alliance between Tianqi Continent and Nanyun Continent. Work for the Demon Race and eradicate all forces against the Demon Race." The

voice was not loud, but it was majestic and unquestionable.

Whoa!

As soon as these words came out, the entire Qianyuan Hall was in an uproar, and the civil and military officials were all stupid, thinking that they had heard it wrong.

Is the Apocalypse Continent going to take refuge in the Demon Race?

This....isn't that crazy?

Although the Tianqi Royal Family is the descendant of the Demon Race, but in the overall situation, it has always adhered to its own position, and has completely drawn a clear line with the Demon Race. Now that they have joined the Demon Race, isn't it the public enemy of Kyushu?

You must know that King Guangping colluded with Bai Yunfei before, and it was very beautiful at first, but the end was very miserable.

This is a lesson from the past, how could Her Majesty make such a mistake?

Chapter 4502

"Your Majesty the Queen!"

Finally, the Minister of War reacted and took a step forward and said to Ren Yingying: "The demons are evil and ambitious, your majesty has always been clear that even if the royal family is a descendant of the demons, it has long been drawn. The boundaries are cleared."

"So, we can't ally with the demons, let alone serve them. The Nagumo royal family has fallen into the hands of the demons, and the entire Nagumo continent is in a panic. The foundation is ruined."

After a few words, he made a generous statement.

The words fell, and many ministers nodded in agreement.

"Yes, Your Majesty think twice."

"To serve the Demon Race is to seek skin from a tiger, Your Majesty."

When the ministers spoke in succession, they were also extremely puzzled.

Something was wrong when His Majesty came back, and suddenly changed his position at this time. Could it be that he was controlled by someone?

Huh...

Hearing these words, Ren Yingying was unmoved at all, and looked at the Minister of War silently: "I have made up my mind, you don't need to say it."

At this time, Ren Yingying, under the control of Gone, There is no inner persistence at all, and I only remember one thing, that is, to help the demons and clear all obstacles.

"Your Majesty!"

The Minister of War was in a hurry, knelt down, and said excitedly, "If Your Majesty does not take back the order, the minister will kneel here until His Majesty agrees."

He did not believe that Yingying would become so indifferent ruthless. There must be another secret behind this matter.

However, he did not know that Ren Yingying was no longer the previous queen.

Swish!

Seeing this scene, Ren Yingying's face was extremely cold, and she shouted: "How dare you, dare to threaten this queen?" The Minister of

War gritted his teeth, and his attitude was firm: "I implore Your Majesty to take back the order."

"Okay!"

Ren Yingying stopped talking nonsense, and said coldly: "You want to die with your ambition, right, then it will fulfill you."

Om!

The voice fell, Ren Yingying mobilized the power of the demon soul, and when she raised her jade hand, she saw a red light blazing out, like lightning, coming straight to the Minister of War.

At this time, Ren Yingying was out of reason. Anyone who dared to oppose him would die.

What?

Seeing this scene, the expressions of the surrounding civil and military officials changed, and they were extremely shocked. They did not expect that Ren Yingying would become so ruthless, and he would do it if he said it.

You must know that the Minister of War has been for the people all his life, and he is even more loyal to the royal family.

Swish!

At the same time, feeling the power of the red light, the Minister of War was also frightened. He wanted to dodge, but his legs kept shaking, and it was too late.

Pfft...

The next second, the red light pierced through the body of the Minister of the Ministry of War, and I saw a stream of blood spurting out. The Minister of the Ministry of War's eyes widened, and he fell straight down without breathing.

Hiss...

Seeing this situation, the surrounding civil and military ministers couldn't help but gasp.

The entire Qianyuan Hall was silent, and a drop of a needle could be heard clearly. The atmosphere was also extremely solemn, revealing a strong chilling air.

"you.."

At this time, Ren Yingying stood up slowly, and looked around with a blank expression: "Who has any objections?"

No one responded, and many ministers were all pale, and did not dare to say a word.

No one wanted to die. The Minister of War risked his own death to give advice, but was ruthlessly killed by Ren Yingying. Under such circumstances, who would dare to say more.

call!

Ren Yingying was very satisfied with the situation in front of her, and nodded slowly: "Since there is no objection, this meeting should be dispersed." The

voice fell, and Ren Yingying walked out of Qianyuan Palace slowly.

Ugh!

Seeing Ren Yingying leaving, the ministers looked at each other, and their hearts were filled with incomparable melancholy.

The Tianqi royal family took refuge in the Mozu, and everything was over. Pity the people of Limin, who will live in dire straits in the future.

...

on the other side, Nagumo Continent.

In the palace hall, Mo Yan sat comfortably on the soft slump, with a few maids beside her, quietly watching.

In front of her, several civil and military officials stood there tremblingly.

After taking control of Long Qianyu, although Moyan did not become emperor, she was already the actual controller of the entire Southern Cloud Continent.

VChapter 4503

However, Mo Yan is smart and wise, knowing that it is difficult for him to complete the important task that Gone gave her, so he decided to ask these ministers to discuss it.

"Several!"

At this time, Mo Yan took a sip of tea leisurely, and said with a smile: "Why are you all panicking? As long as you all serve me wholeheartedly, not only will I not hurt you, but I will make you prosperous and rich for a lifetime. It 's endless."

Hearing this, several ministers all smiled embarrassingly, indescribably humble and respectful.

Seeing their reaction, Mo Yan was very satisfied, smiled and said, "I came to you this time because I want you to help me think about how to recruit talents from all corners of the world quickly."

When she said this, Mo Yan was exquisite. There is confidence on his face, but there is a trace of worry in his heart.

Speaking of which, Moyan, as one of the twelve holy demon kings of the demon clan, is very powerful, but there is only one person. Even if he is united with the Tianqi royal family, he is still a little weak. After all, the entire Kyushu Continent is vast, and there are countless capable people. If you want to conquer all of them, it is far from enough to rely on the strength in front of you.

This...

Hearing this, several ministers looked at each other, embarrassed for each other.

The demon king of this demon clan wants to recruit talents on the rivers and lakes. This is easier said than done.

Seeing their faces, Mo Yan frowned and said displeasently: "What? Do you have to think about this trivial matter for so long? If you don't give me a satisfactory answer within half an hour, you will not be in front of me in the future. It appeared." The

voice was clear and pleasant, but it gave people a chill to the bone.

Done!

Facing Mo Yan's powerful aura, several ministers looked at each other and became a little terrified.

Ben was also thinking of finding a reason to be perfunctory. It doesn't seem to work now.

In panic, a military general's eyes lit up, thinking of something, he quickly stepped forward, and said cautiously: "Your Excellency, I have a proposal, let's issue a hero list in the name of the queen, and invite people with lofty ideals from all over the world to come to the emperor. The city participates in the competition."

"As long as you win the first place, you will be honored as a prince, and you will be rewarded with the mansion. Those who enter the top ten will also be rewarded handsomely."

Huh?

Hearing this, Moyan smiled and praised: "Okay, this is a good method. Under the reward, there must be a brave man. Let the two of you work together to handle this matter, the sooner the better."

"Yes, Your Excellency."

At this moment, several ministers responded in unison and walked out of the hall to prepare.

Half an hour later, the hero list was posted on the streets and alleys of the entire imperial city. Soon the news came out, and many people from all corners of the world came to hear the news.

The rivers and lakes are sinister, and many practitioners are not good-hearted people, and they all focus on their own interests. At this time, when they came to Nanyun Imperial City, they all wanted to try their luck.

After all, the treatment of the hero list is too attractive. If you win the first place, you will be able to become a prince and a general. This is the dream that countless practitioners have pursued all their lives.

After half a day.

With the influx of practitioners from the rivers and lakes, the prosperous Nanyun Huangcheng Street became even more noisy.

At this moment, a figure appeared in the bustling street.

This person is dressed in yellow robes, and he looks a little embarrassed, but his eyes are shining.

It was Cheng Yi.

At that time in Fengyu Mountain, Cheng Yi took advantage of Ren Yingying's fierce battle with Candle Saint Demon King, took the opportunity to sneak in, and then ran into Yue Feng again.

Along the way, Cheng Yi didn't rest much, for fear of being caught up by Yue Feng, he came all the way to the Nanyun Continent, and he was sure that it was safe, which was a sigh of relief.

Half a day ago, Cheng Yi saw many people from all corners of the world coming to the Nanyun Imperial City, and out of curiosity, he came over to join in the fun.

Whoa!

At this moment, Cheng Yi stood on the street and looked around, and saw a group of people chatting around an imperial list not far away, he suddenly moved and squeezed over.

Haha...

The next second, Cheng Yi's eyes flickered when he saw the content on the Imperial Ranking, unable to hide his excitement and excitement.

The Nagumo Palace is going to hold a ring match, which is a good opportunity to stand out.

If he is fortunate enough to win the first place and has the support of the Nayun royal family behind him, would he still be afraid of Yue Feng's pursuit?

Chapter 4504

Under the excitement, Cheng Yi didn't think much, and hurriedly walked towards the palace.

After arriving, I saw that the registration desk at the entrance of the palace was already full of people. After Cheng Yi signed up, he stayed at an inn near the palace for one night.

Early the next morning, Cheng Yi got up early and rushed directly to the Prayer Palace. The Prayer Palace was the place where the Nayun royal family worshipped the sky.

call!

When Cheng Yi saw it, he saw that there was already a sea of people outside the Blessing Palace, and there were tens of thousands of people from all corners of the country who participated in the competition.

Seeing this scene, Cheng Yi's heart ignited with great ambition.

He soared into the sky, and from then on, he became rich and wealthy.

Excited in his heart, Cheng Yi walked over quickly, reported his name at the entrance, took the number, and entered the Blessing Palace.

At this time, there are still a few minutes before the competition, and the practitioners participating in the competition are all gearing up.

The atmosphere of the whole venue was exciting and tense.

But Cheng Yi didn't panic at all. He looked around and found no familiar people, and felt more confident in his heart.

As long as a character like Yue Feng doesn't appear, there is absolutely no problem in getting the top ten by himself.

"Everyone!"

At this moment, a eunuch slowly entered the arena, walked to the center of the ring and said loudly: "Today's game is different from the past, the royal family needs people who are truly capable and powerful, so there are no rules drawn up. I feel that I am strong and can come up on my own."

"However, I have nothing to say. I hope everyone will not be too impulsive and confident. The competition time is three hours. When the time is up, whoever can stand on the field in the end will be the first. one."

After saying this, the eunuch walked down quickly.

Dang dang dang...

That is, at this moment, the big bell next to it was rang, and the game officially started.

No rules?

Knowing these circumstances, many practitioners present were all stunned, and at the same time extremely excited, all eager to try! But no one wants to take the lead.

"Haha, are you all so cautious? Then I'll come first!" A

few seconds later, when no one came up, a young man laughed, jumped onto the ring, looked around and said, "Wu Sanli, a disciple of Qingyun Pavilion, which one? Come up and ask for advice?"

At this moment, Cheng Yi really wanted to go up directly, but after careful consideration, he decided to take a look.

At this moment, in the crowd below, a burly man sneered: "Qingyun Pavilion is what kind of sect, I have never heard of it, I am here to learn it!"

After speaking, his figure flashed, and he went directly to the ring with a proud face: "Under Wu Lei, there is no family or school to teach me!"

Wow!

In an instant, the eyes of everyone around them converged on the two of them.

At this time, everyone can feel that the strength of the two is not low, one is a third rank Martial Emperor, and the other is a second rank Martial Emperor, the difference is one rank.

Cheng Yi sneered with disdain on his face.

Both of the two Martial Emperor realms dare to come up and show their ugliness?

At this time, on the ring.

Wu Sanli looked at Wu Lei up and down, seemed to be irritated by his arrogance, and said coldly: "Stop talking nonsense, you can just shoot, see you have no way, I can let you do a trick first."

Shah!

Hearing this, Wu Lei was immediately annoyed and scolded: "The tone is not small, since you are courting death, then you can't blame me." At the moment when the words fell, Wu Lei rushed forward like a cannonball and punched Wu Lei. Sanli.

I saw that wherever the figure passed, the air around the ring was distorted, and the power was amazing.

Ha ha!

Feeling the power of this punch, Wu Sanli sneered secretly, raised his hand and waved, deploying a protective film in front of him. At this time, Wu Sanli was very confident. The punch looked mighty, but he could easily block it.

"Roar!"

However, what Wu Sanli didn't expect was that when Wu Lei's punch came in front of him, it suddenly turned into a phantom with a dragon head, and at the same time a dragon roar resounded throughout the ring.

"Dragon Subduing Fist?"

Seeing this scene, no one in the crowd exclaimed, and there was an uproar.

Dragon Subduing Fist is a secret manual that has been lost for nearly a hundred years. It is powerful and powerful. For so many years, almost no one has practiced it. However, he did not expect that Wu Lei, who has no family and no school, actually practiced it.

Chapter 4505

Terrible!

At this moment, Wu Sanli's expression changed greatly, knowing that he underestimated the enemy, he instinctively wanted to dodge, but it was too late.

boom!

The next second, Wu Lei's punch slammed into Wu Sanli's chest, only to hear a miserable howl, Wu Sanli's body was directly shaken, and he fell heavily under the ring, and his strength passed away.

Seeing this scene, many people around were stunned. I never thought that Wu Lei, who had no family and sect, would be so strong.

interesting.

At this moment, Cheng Yi was also interested, his eyes fixed on Wu Lei, unable to hide his inner fighting intent. At this time, in the ring, Wu Lei won the victory, a little proud, and looked around: "I'm lucky

, I won a game by luck, who will challenge next?"

Too strong, after a few moves, Wu Lei was easily knocked out of the ring.

Wow....

There was a burst of turmoil in the crowd, and I saw a team of royal guards slowly coming, followed by a group of beautiful palace maids, surrounded by two slim figures.

It was Long Qianyu and Moyan.

That's right, Mo Yan has to sit in the town and watch the progress of this competition. After all, this competition is to select available talents for the demons.

All of a sudden, the eyes of the audience converged on Long Qianyu very Moyan.

Beautiful, so beautiful.

I saw that Long Qianyu was wearing a golden long-distance runner at this time, and the charming curves were revealed, which was indescribably charming, and at the same time it was not royal majesty.

However, his expression was a little dull, but even so, many men present couldn't help but secretly admire.

This is the Queen of Nagumo, and she is as charming as the rumors say.

Mo Yan was dressed in casual clothes, but she couldn't hide her sexy curves. At the same time, her cold and arrogant aura gave her a sense of mystery.

Soon, surrounded by court ladies, Long Qianyu and Mo Yan arrived at the throne of the viewing platform.

Huh...

At this moment, Cheng Yi's heart is also surging, his eyes are fixed on Long Qianyu and Mo Yan, and he can't get over it for a long time.

This queen and that mysterious woman are like gods.

To be able to work for such a goddess is simply a blessing for three lives.

At this time, the competition in the ring is still going on.

Wu Lei defeated another challenger, with a reckless expression on his face, shouting at the surrounding: "Who else dares to come up?" At the same time, he couldn't help but look at Long Qianyu and Mo Yan.

Like the men around him, Wu Lei was also deeply attracted by their appearance, so he wanted to work hard at this moment.

call!

Hearing Wu Lei's call, Cheng Yi knew that the time was right, and he took a deep breath and said loudly: "I'm here to challenge." When the

voice fell, Cheng Yi jumped and landed steadily on the ring.

Yes, Cheng Yi chose this point to come to power, the purpose is to attract the attention of Long Qianyu and Mo Yan.

Swish!

At this moment, whether it was Wu Lei or other people around the ring, their eyes suddenly converged on Cheng Yi.

This person is wearing a worn-out long gown, and his strength seems to be mediocre. How dare he come up to challenge?

At this time, everyone didn't know that Cheng Yi had absorbed Ji Hongshang's poisonous power, and his strength was already in the late stage of the Tribulation Realm.

“Haha!”

Finally, Wu Lei reacted, looked at Cheng Yi with disdain and sneered: “The applicant who signed up, looking at your appearance, shouldn’t be a beggar who is in the world? Haha...”

Boom!

The voice fell, and there was laughter under the ring.

Cheng Yi’s eyes turned gloomy, and he replied without a smile: “Cheng Yi is also without a sect.” Speaking of which, Cheng Yi learned from Yang Chenzi, but Yang Chenzi was a doctor and was not well-known in the arena. big, so Cheng Yi simply concealed it.

Also indifferent?

Hearing the answer, Wu Lei sneered and said disdainfully: “This kind of arena, not everyone can come up, do you think you are me?” After the voice fell, Wu Lei charged directly towards Cheng Yi.

hum!

When approaching, Wu Lei cast Dragon Subduing Fist and smashed directly into Cheng Yi’s heart. Just listening to a breath vibrate, the faucet condensed again.

The ultimate husband in Chinese chapter 4506-4510

Chapter 4506

Yes, Wu Lei looked down on Cheng Yi at all, and planned to kill him with one blow.

Ha ha!

Feeling Wu Lei’s viciousness, Cheng Yi’s anger was aroused all of a sudden, his face was grim: “The shot is so vicious, then don’t blame me.”

Om!

When the words fell, Cheng Yi directly activated the Dantian Poison Art, and a green poison filled out, forming a green protective layer on his right arm.

Immediately afterwards, Cheng Yi slapped his palm lightly and met Wu Lei’s Dragon Subduing Fist.

At this time, Cheng Yi no longer concealed it, and directly exposed his true strength.

What?

At this moment, Wu Lei was shocked, and his heart trembled.

He clearly felt that Cheng Yi in front of him, the inner strength of his dantian was unfathomable, and he was completely different from before.

Snapped!

It was at this moment that Cheng Yi's hand tightly clasped Wu Lei's fist.

Wu Lei's face instantly turned terrified, because he could clearly see that the poisonous power of the opponent's operation quickly invaded his fist, and then a burst of white smoke came out, and the skin on his hand was corroded instantly, revealing the white sensuality. The phalanx comes out.

“Ah...”

The piercing pain came, Wu Lei howled miserably, and at the same time wanted to get rid of it, but Wu Lei's hand was like an iron pincer, and he couldn't break free at all.

This chapter is provided by . Visit [for](#) daily update.

Seeing this scene, everyone below the ring was also shocked.

“This...”

Soon, someone reacted and exclaimed: “This Cheng Yi performed, it seems to be the unique skill of the Five Poison Sect...”

Five Poison Sect?

Hearing this, everyone around them was full of fear, and looking at Cheng Yi's eyes, they were even more fearful. You must know that the Five Poison Sect is famous throughout the entire Kyushu. No one in the arena knows that the Five Poison Sect is a master of poison. Anyone who provokes the Five Poison Sect will die no matter if they flee to the ends of the earth.

Done!

At this time, Wu Lei in the ring was also trembling and panicking.

He never thought that this humble boy in front of him would actually know the unique skills of the Five Poison Sect.

"I..." At this time, Wu Lei completely lost his previous arrogance and begged bitterly:
"Your Excellency, forgive me, I know I was wrong, I admit defeat, admit defeat..."

"The poison is corroded, and if you don't admit defeat, I'm afraid that you will die miserably.

Haha...

Cheng Yi sneered, without any intention of letting go: "You think you are strong, but in my eyes you are just an ant, now you know it's wrong, it's too late."

"Let's go." The

last three words fell, Cheng Yi's inner strength urged him, and his other hand slammed down on Wu Lei's head.

boom!

At this time, Wu Lei was unavoidable. He only heard a dull sound, and his entire head was directly smashed by Cheng Yi. In an instant, blood splattered everywhere, and the air was filled with a strong smell of blood.

hiss!

Seeing this cruel scene, everyone around the arena couldn't help but gasp. Outraged.

This Cheng Yi is too ruthless, then Wu Lei has already conceded defeat, but he still wants his life. Still using such cruel means.

Um!

On the other hand, Mo Yan, who was sitting on the viewing platform, nodded her head in approval.

This ruthless man is exactly the talent my Demon Race needs.

"Who is going to come up to challenge?"

At this time, Cheng Yi smiled and looked around and shouted in the ring.

There was silence all around, and no one responded.

No one is stupid, this person knows the poisonous arts of the Five Poison Sect, whoever goes up is dead.

However, there are still people who are not convinced and go directly to challenge.

However, there is no exception. Those who came to the stage to challenge all died tragically at the hands of Cheng Yi. They were either poisoned alive or disabled.

Haha...

The successive victories made Cheng Yi more and more crazy, and his shots became more and more ruthless. It seemed that he wanted to release all the previous grievances.

“Everyone!”

Seeing that three hours were approaching, the entire arena was completely dyed red with blood. Seeing that no one came up to challenge, the eunuch who opened the scene slowly walked up, looked around and said, “If no one challenges, then Your Excellency Chengyi is the first place in the competition.”

Wow!

When the words fell, there was an uproar under the arena, and many people were indignant.

“This person is so ruthless, he doesn’t deserve to take the first place.”

“Yes, several people have conceded defeat, and he has to take other people’s lives, too vicious.”

When Chapter 4507

said this, everyone was more excited than each other.

In their hearts, any form of competition must be based on the morality of the rivers and lakes, and this Cheng Yi’s shot is too vicious, and the person who fights with him will either die or be injured.

This kind of person is worthy of the first place?

“Everyone, be quiet.”

Seeing this situation, the eunuch said with a bitter look on his face, “The rules of the game are like this, and it’s useless for you to object.”

Cheng Yi also looked disdainful, and Mad and the others said that they were ruthless? You know, fists and feet have no eyes. Since you are so afraid of death, don’t come to the competition.

Wow...

Hearing the eunuch's words, the contestants present made a noise again.

At this time, Mo Yan couldn't stand it any longer, she slowly stood up, looked around the audience and said, "Everyone, this competition is to choose strong and powerful people to serve the royal family, the strong are respected, and kindness is the way to go. It's not a big deal."

"So I officially announced that the first place in this competition is this Cheng Yi. You don't need to object anymore." The

voice was crisp and pleasant, and it spread throughout the entire Prayer Palace, no doubt.

Seeing Moyan speak in person, there was silence in the field, no one dared to refute, they all felt that this beautiful woman in front of her seemed beautiful and sexy, but she was very dangerous.

Of course, many people also know that this beauty is from the Demon Race. After all, the matter of Moyan's control of the Queen of Nayun before has spread to the world.

"Okay!"

Seeing this scene, Mo Yan stopped talking nonsense and continued: "Now I announce that Cheng Yi is the general of Tianzheng, and he is a first-rank official."

As she said that, Mo Yan looked at Cheng Yi quietly: "I hope you can do your best in the future."

Haha...

Hearing this, Cheng Yi was overjoyed, and quickly kowtowed to thank him: "Thank you, Your Excellency."

Cheng Yi could feel the sight in front of him. The beauty has a demon soul in her body, which is obviously from the demon race. Although the queen is present, it is the woman in front of her who really controls the situation.

Speaking of which, Cheng Yi was still a little afraid of the Demon Race, but after thinking about it, after joining the Demon Race, he would not be even more afraid of encountering Yue Feng in the future.

Um!

Mo Yan nodded, her delicate face did not fluctuate in the slightest, and then she instructed the eunuch beside him: "Immediately set up a banquet, today's game is very exciting, I want to treat these participating warriors well."

“Yes, Your Excellency. “

Once the order was received, the eunuch hurriedly responded, and went to prepare with the civil and military officials.

Cheng Yi was taken to bathe and change his clothes. He was the general of the envelope. According to the rules of the Nagumo royal family, he needed to change into his armor and lead the imperial guards to the streets to let the people admire his style.

Half an hour later, Cheng Yi slowly entered the street under the protection of hundreds of imperial guards.

At this time, many people have gathered on both sides of the street.

The general's position is high and powerful, almost under one person and above ten thousand people, so the people of the imperial city want to see what kind of person this first place in the competition is.

I saw that Cheng Yi was wearing a silver armor at this time, with a golden sword from the royal family hanging on his waist, majestic.

Wow..

Seeing Cheng Yi, many people couldn't help but admire him.

“It really is extraordinary...”

“Yeah, I didn't expect the first place to be so young.” The

surrounding discussions kept coming, and Cheng Yi was indescribably happy and proud.

Haha... From

today onwards, I have soared into the sky.

If Master and Junior Sister know, they must be very happy, right?

At this time, there were more and more people watching on the street, and I saw a slender figure standing quietly in the crowd, and also followed to watch the excitement.

This woman's face is delicate and charming, wearing an ordinary long skirt, but she still can't hide her sexy curves, but her body is full of powerful aura, giving people a gloomy and coldness that is thousands of miles away.

It was Ji Hongshang.

Half a month ago, Ji Hongshang escaped from the underground cave not far from Fengzhuang, and unexpectedly harvested a holy scale golden python, and then returned to Fengzhuang, but Fengzhuang had been burned into ruins by the fire. The foundations of the Five Poison Sect were also lost.

Ji Hongshang had no choice but to contact the disciples of the Five Poison Sect while looking for Cheng Yi's whereabouts.

In her heart, Cheng Yi took away her innocence, and this hatred was unbearable. No matter how much the price was paid, he would kill him with his own hands.

Chapter 4508

However, Ji Hongshang searched for more than ten days, but couldn't find Cheng Yi's whereabouts. Today, I passed by the Nanyun Imperial City and learned that the ring competition was held here, so I came to see it when I was curious.

Swish!

At this moment, when Ji Hongshang saw Cheng Yi riding a tall horse, his heart was shocked, and his mind went blank.

He was actually here, and he even won the first place in the competition and became a general?

While shocked, Ji Hongshang's delicate body trembled faintly, unable to hide the anger in her heart.

It's really nowhere to go.

Thinking to herself, Ji Hongshang was about to rush up to start, but seeing the imperial guards behind Cheng Yi, she held back. In the past two weeks, despite his hard work, his strength has not been half of his previous strength.

If you do it here, I am afraid that you will fall into a trap if you can't get your revenge.

Forget it, bear with it.

Muttering in her heart, Ji Hongshang suppressed her anger and hid in the crowd.

Ji Hongshang thought about it, first stared at Cheng Yi secretly, waited until the time was right, then raided, giving him a fatal blow.

Ten minutes later, Cheng Yi finished his tour of the street and returned to the palace.

At this time, thousands of seats have been deployed inside and outside the Blessing Palace, and all the people who came to participate in the competition this time are arranged in the column.

Cheng Yi was the first, and was regarded as a general, and was directly placed in the main position. For a time, many people came up with a smile to climb up the relationship, and their tone was extremely compliment.

For the first time, Cheng Yi enjoyed the feeling of being sought after by others, but he felt that his whole body was about to float.

The banquet lasted for several hours until it was dark.

“General.”

At this time, just as Cheng Yi left his seat, a eunuch quickly greeted him: “Your Majesty has a request.”

Your Majesty?

Hearing this, Cheng Yi couldn't help being excited, and the graceful figure of Long Qianyu appeared in his mind involuntarily.

His Majesty summoned him so late, could it be....

Thinking to himself, Cheng Yi nodded with a smile: “Please lead the way.” The eunuch responded and led Cheng Yi to the palace where Long Qianyu rested.

call!

The moment he entered the palace, Cheng Yi was shocked when he saw the luxurious and elegant decorations around him.

But to his astonishment, Long Qianyu sat on the soft couch with his eyes slightly closed, as if he was meditating, ignoring his own intentions at all, while Mo Yan sat there, sipping tea leisurely in the seat next to him.

“I have seen Your Majesty, Your Excellency.”

At this moment, Cheng Yi said respectfully, and at the same time he couldn't help looking at Long Qianyu and Mo Yan.

Appreciating it up close at this time, Cheng Yi only felt that his heartbeat had sped up a lot.

Um!

Mo Yan nodded and motioned for the eunuch to step back.

The next second, Mo Yan looked at Cheng Yi up and down, and said with a half-smile, "Is it good-looking?"

Cheng Yi was stunned, and at this moment he realized that he was a little presumptuous, so he quickly knelt down and lowered his head: "This subordinate does not intend to offend. , please atone."

Mo Yan smiled slightly, and said in a leisurely tone: "My lady, a gentleman, why are you panicking? I ask you if the queen is good-looking, you can answer truthfully."

Mo Yan is the demon king of the demon clan. Men and women are not shy at all.

Uh...

Cheng Yi raised his head in fear, glanced at Long Qianyu quickly, and continued to lower his head: "Okay...good-looking."

At this moment, Cheng Yi looked frightened, and even more doubtful in his heart.

There are rumors in the rivers and lakes that the Queen of Nayun was controlled by the demons. Now it seems that it is not groundless.

"It's quite frank."

Hearing the answer, Mo Yan showed a smile and praised: "The person who admires frankness the most in this seat, since you are my canonized general, I will not hide from you, I am the twelve saints of the demon race. Moyan, one of the demon kings, is now under the control of the entire Nanyun royal family."

"This ring match was also held under the guise of the royal family..."

Cheng Yi was a smart person, so she didn't wait for her to speak. After finishing, he quickly swore: "Don't worry, Your Excellency, I will do my best to serve the Demon King."

"Very good!"

Mo Yan nodded with approval, "You are very smart, as long as you do your best, my Demon Race will definitely not. I will treat you badly, from now on, I need you to do one thing."

"Your Excellency, please say it." Cheng Yi responded quickly.

Chapter 4509

Mo Yan showed a charming smile and said slowly: "I want you to help me deal with the major sects in Kyushu from now on. If you can recruit surrender, it is best. If you can't recruit surrender, we will eradicate them.

" Yan glanced at Long Qianyu, and her smile grew thicker: "As long as you accomplish this, I will reward you with the Queen and be your woman."

Haha...

Cheng Yi was overjoyed when he heard this. , hurriedly bowed: "Thank you for your kindness, my subordinates will do their best."

When he said this, Cheng Yi couldn't hide his excitement.

If you can taste the gentleness of the queen, it will be worth dying immediately.

Um!

Mo Yan nodded, and stopped talking nonsense at this time, waved her hand and said: "Go, this matter should not be delayed, you can leave early tomorrow morning."

"Yes, Your Excellency."

Cheng Yi answered and exited the palace happily. .

...

on the other side, God's Domain.

Phew...

Yue Feng sat cross-legged for about two hours, heaved a sigh of relief, and slowly opened his eyes.

what happened?

Feeling the situation in the body, Yue Feng frowned secretly, and felt that the strength in the body had recovered a lot, but it was suppressed by the surrounding environment.

Perhaps after staying for a while, at this time, Yue Feng can already see the surrounding situation, but he can only see the range within 100 meters.

Nima, what the hell is this place?

“Roar!”

At this moment, he heard a heart-shattering roar from the depths of the darkness ahead.

With this roar, Yue Feng clearly felt that an incomparably terrifying force was coming.

I go...

At this moment, Yue Feng’s heartbeat suddenly accelerated, and he realized that the beasts hidden in the darkness were more terrifying and ferocious than those he encountered before.

Thinking to himself, Yue Feng was about to walk over to see what kind of beast he was.

“Yue Feng, don’t go over.”

However, at this moment, an eager shout came from behind.

Holy crap, is there anyone here?

Hearing the shout, Yue Feng paused and looked back subconsciously, frowning instantly at this look.

I saw a figure coming quickly, wearing black and red armor, looking anxious.

It was Qing Ming, one of the twelve holy demon kings.

Nima, why is he here?

Seeing Qing Ming, Yue Feng’s face was gloomy, and his whole body was full of alertness.

At this time, Yue Feng didn’t know that the Demon King Qingming was occupied by Nuwa.

“Yue Feng!”

At this time, Nuwa came to the front and said anxiously: “This is the Infinity Shadow Prison, trapped in the four congenital evil beasts, you must not act rashly.”

When she said this, Nuwa’s face was full of expressions. is complicated.

At that time, in the palace of Fengmoshan, after knowing the truth of the matter, Nuwa thought of finding the primordial spirit of the ancestors of the prehistoric ancestors first, but she searched all over Fengmoshan, and there was no primordial spirit of the

ancestors of the prehistoric wilderness. The whereabouts, in the end, had no choice, and Nuwa had to come to the Infernal Shadow Prison.

To be honest, Nuwa's current situation, directly breaking into the Infernal Shadow Prison, is completely risky. After all, with her strength, she can't fight the four evil beasts.

But there is really no other way. Yue Feng is the key to dealing with the demons. If something happens to him, he can't imagine the consequences.

The four congenital evil beasts?

Hearing this, Yue Feng was stunned for a moment, and then he sneered disdainfully: "It's really interesting, why do you care about my life or death, your dignified demon king?"

"No matter how dangerous this place is, it's not your demons who threw me away. Come in?"

Although Yue Feng was still in a coma when he was brought in, he could easily guess it because of his sharp mind.

call!

Hearing the ridicule, Nuwa was very helpless, and smiled bitterly: "Yue Feng, you don't know yet, I am not the Demon King of Qingming at all, I am Nuwa."

"You were also there when the Divine Realm and the Demon Race exchanged before. , You heard the conversation between me and Haotian Divine Monarch, if I were Qing Ming, why would I tell him the secrets in the magic stone?"

When she said this, Nuwa looked serious.

What?

Is this Qingming Demon King changed by the Queen Mother Nuwa?

Hearing this, Yue Feng was stunned for a while, and while he was shocked, he was also a little puzzled.

But...he was filled with the power of the Demon Soul.

Chapter 4510

If it really changed, it would be incredible.

“Yue Feng!”

Seeing Yue Feng’s doubts, Nuwa sighed and said softly, “Before the Demon King Qingming came to Yutian Palace to negotiate, I attacked him...”

After speaking, Nuwa took the time situation, described in detail.

At the end of the story, Nuwa smiled bitterly: “Although this method is risky, it is foolproof, because only by borrowing the body of the Demon King Qingming, can it not be discovered by the Demon Lord Gone.”

So it was.

Hearing these words, Yue Feng nodded suddenly, and a trace of admiration rose in his heart: “The maiden has a quick mind, which is really admirable.”

After speaking, Yue Feng thought of something, puzzled: “The maiden said just now what is this place? The Unbounded Shadow Prison is also imprisoning the Four Great Innate Evil Beasts, what the hell is going on?”

“The Four Congenital Spirit Beasts are not only terrifying in strength, but each one is more ferocious than the other.” Nuwa replied with a solemn expression: “The gods and demons back then When there was no confrontation, the four beasts smothered the living beings, and the gods and demons joined forces to seal them in this place.”

Damn, so powerful?

Need the cooperation of gods and demons to seal the four evil beasts?

For a time, Yue Feng’s eyes widened and he was secretly surprised.

Then Yue Feng reacted and said puzzledly, “Since this place is so dangerous, why did Niangniang venture in?”

Alas!

Nu Wa sighed and gave Yue Feng a meaningful look: “Yue Feng, don’t you know that the prophecy of the innate spirit stone is related to you?”

“You are the key to fighting against the demons, so the demons will do everything possible to kill you. So for the sake of the realm of the gods and the human world, I have no choice but to hold your life.”

This....

At this moment, Yue Feng was stunned again, unable to calm down for a long time.

Nima, no wonder the demons have to catch me. So what is the prophecy of the innate spirit stone really related to me?

But... with his own strength, he can't even beat the Twelve Holy Demon Kings, how can he resist the entire Demon Race?

"Okay!"

Just when Yue Feng was secretly surprised, he saw Nuwa couldn't wait to speak: "It's not too late, I will pass all my cultivation to you now, only in this way can you block the four major Evil beast, get out of here."

Yue Feng was startled, and quickly shook his head: "Niangniang, this is absolutely absolutely impossible." What

a joke, how can he be qualified to get the cultivation of Nuwa Niangniang? You know, Nuwa is in the Kyushu continent, but she is recognized as the ancestor of mankind.

However, Nuwa insisted: "Don't say more, the current situation can only do this, otherwise, we will both be trapped here."

"You must know that because of the limitations of the Qingming Demon King, The power of my primordial spirit cannot be fully exerted at all, only by passing on all the cultivation bases to you can we ensure that you are safe and sound."

Om!

When the words fell, Nu Wa silently recited two formulas, and in an instant, a golden light flickered, and the primordial spirit escaped from the body of the Qingming Demon King.

It was seen that Nu Wa's primordial spirit was in a translucent state at this time, indescribably elegant and agile.

This...

Seeing the seriousness of what Nuwa said, Yue Feng was still a little hesitant.

At this time, it is no trivial matter. After all, Nuwa has survived for tens of thousands of years, and her cultivation may be more important than her life. Now she has to pass it on to herself, how can she bear it?

"I'm not only for you, but also for the entire Divine Realm."

At this time, Nu Wa said seriously, Yuanshen floated up, and a pair of jade hands pressed directly on the top of Yue Feng's head.

hum!

At this moment, Yue Feng only felt that an incomparably majestic and powerful force was continuously flowing into his body. Not only that, but the surrounding air also formed an incomparably terrifying storm.

Buzz...

With the continuous integration of power, Yue Feng only felt a pure and vast power, filling the whole body, and the strength continued to rise.

Finally, after Nu Wa passed on the cultivation base, the primordial spirit became illusory and disappeared at any time.

“Yue Feng.”

At the same time, Nuwa’s voice also became ethereal: “My cultivation base is all given to you, I hope you can live well, successfully leave here, and my primordial spirit will be transformed into A piece of golden fine jade, you have to keep it, and when you leave here and return to Yutian Palace, give it to my junior brother Jiutian God.”
