

The ultimate husband in Chinese chapter 4541-4550

Chapter 4541

When pleading, Tali kept kowtowing, looking extremely frightened, but in his heart he was extremely proud.

His performance was impeccable, and the Nine Heavens God would definitely be fooled.

In fact, there is no soul tower on the floating island at all. These are all made up by Ta Li. The demons have already set up an ambush there, waiting for the Nine Heavens God to find out.

Whoa!

At this moment, the entire Yutian Palace was in an uproar, whether it was the Nine Heavens God, Haotian Divine Sovereign and the surrounding priests, they were all overjoyed.

Great, I finally found out where the ancestors of Honghuang were trapped.

Excited, Jiutian God waved his hand: "Detain this demon warrior."

After speaking, Jiutian God looked at Haotian Divine Monarch: "Haotian, immediately summon the soldiers and go with me to the floating island, rescuer. Respect, remember, this action must be cautious, and the demons must not know about it."

Speaking of which, in the current situation, the Divine Realm is passive everywhere, in this case, the Nine Heavens God should not go out in person, but the ancestors of the Great Wilderness are His master's status is incomparable.

More importantly, the ancestors of the Great Desolation are the spiritual support of the entire God Realm, so the Nine Heavens God must rescue them in person.

However, at this time, the Nine Heavens God did not know that he had already rushed into the trap of the Demon Lord Gone.

"As ordered!"

Haotian Shenjun responded and immediately walked out of Yutian Palace to prepare.

A few minutes later, Haotian God Sovereign selected thousands of divine soldiers and generals, and under the leadership of the Nine Heavens God, quickly rushed towards the floating island.

Soon, the Nine Heavens God led thousands of divine soldiers and generals to the floating island.

Um?

However, when he got to the front, seeing the scene in front of him, whether it was the Nine Heavens God, or the Haotian God Monarch and those divine soldiers and generals, they were all stunned.

I saw that the entire floating island was raging with turbulent voids, and there was a barren scene around it. What kind of soul tower is there?

And staring at the only mountain peak on the floating island, a figure is quietly suspended, and the terrifying power is permeating the whole body, and the majesty is immortal.

It was the Demon Lord Gone.

Oops, hit the jackpot.

Seeing this scene, Jiutian God and Haotian God Lord both changed their expressions.

“Hahaha...”

At this moment, Gone looked at them condescendingly, and laughed proudly: “Nine days child, didn’t you expect that we would meet so soon?”

The more Gone said, the more proud: “Then you think you have caught one of my subordinates and asked the place where the ancestors of Honghuang were trapped. God is helping you? As everyone knows, this is all my strategy, hahaha...”

Mad!

Hearing the ridicule, Jiutian God’s face was extremely gloomy, and he did not hesitate at that time, shouting: “Withdraw, quickly withdraw from here.”

Demon Lord Gone is insidious and cunning. He dared to say this, which proved that there was an ambush on this floating island. Retirement is the best policy.

However it was too late.

Hearing the shouting of the Nine Heavens God, Gone sneered: “Want to leave? I’m afraid you won’t have this chance.”

Om!

The last word fell, and the figure of Demon Lord Gone rose into the sky, and an incomparably violent force erupted. In an instant, the entire floating island was covered with dark clouds and thunderous bursts.

Immediately afterwards, the burst of power quickly condensed in the air, forming eighteen blood-colored dragons, which drilled into the ground around the floating island.

Rumbling...

In an instant, the entire floating island vibrated violently, and then one after another blood-colored beams of light burst out of the ground, forming a huge formation.

At this time, I saw the Demon Lord Gone cut his wrist and sprinkled blood on the eighteen blood-colored light beams. He saw that the blood spread like a spider web, forming strange runes.

That's right, the Demon Lord Gone deployed at this time was the Demon Race's Heavenly Demon Blood Sacrifice Array.

Back then, when he was summoning the demon clan who had been sealed in the underground, Gone used this great formation.

Huhuhu....

At the moment when the blood-colored runes appeared, the entire area covered by the blood sacrifice formation was filled with an incomparably violent and sinister power fluctuation.

At the same time, the sky of this floating island also turned blood red, looking extremely sinister and strange.

Chapter 4542

Oops, demon blood sacrifice!

Seeing this scene, both Jiutian God and Haotian God's expression changed.

Especially Haotian Divine Sovereign, when Gone used the blood sacrifice array to summon the demon tribe, at the last moment, Haotian God Sovereign tried to stop it, but failed, so he knew the power of this blood sacrifice array very well.

Buzz!

Just when the Nine Heavens God and Haotian Divine Sovereign were shocked, the Heavenly Demon Blood Sacrifice Formation was completely formed. The sky and the earth were red with blood, and the coercion of incomparably terrifying forces permeated the great formation, shrouding the Nine Heavens Gods.

“Protect Your Majesty!”

At this moment, Divine Sovereign Haotian didn't have time to think about it, the power of the primordial spirit erupted, forming a protective film in front of him to resist the suppression of the blood formation, and thousands of divine soldiers and generals behind him also burst into divine power and joined forces to resist !

It's just that they are in the blood formation, and the endless formation pressure is constantly coming from all directions. It is just simple resistance, not the best policy at all.

The only way is to rush out of the blood formation as soon as possible.

Haotian Shenjun knew this very well, and shouted at that time: “You must persevere, make sure that the protective layer cannot be broken, and ensure the safety of Your Majesty, I will go out and break the formation!” The

voice fell, Haotian Shenjun flashed and rushed out Protective film, ready to burst.

“Want to break through the formation?”

Seeing this scene, Gone, who was suspended in the sky, sneered again and again, then raised his hand and waved.

Whoa!

In an instant, 20,000 demon warriors rushed over from all directions and surrounded the blood of the demons. It was seen that these demon warriors were obviously prepared, holding long bows and aiming arrows at Haotian Divine Sovereign. .

Whoosh whoosh!

In the next second, thousands of feather arrows shot out like a torrential rain, coming towards the Haotian Divine Sovereign, and I saw that where those feather arrows passed, a faint blue trajectory was drawn in the air.

It is the Demon's 'Soul Splitting Arrow'.

The Demon's Soul Splitting Arrow is made of extraterrestrial meteorites. It is injected with the power of the Demon Soul. If it is mainly shot, it will cause indelible damage to the Primordial Spirit. It has always been a nightmare for the gods and soldiers.

At this time, thousands of soul-splitting arrows were fired, and even the Haotian Divine Sovereign changed his face.

“Haotian, be careful!”

Seeing this situation, the Nine Heavens God, who was inside the protective film, was also shocked and couldn't help shouting. At the same time as he shouted, there was resentment and despair in the eyes of the Nine Heavens God.

Mad, the Demon Lord Gone is going to kill them all.

call!

Hearing the cry of the Nine Heavens God, Haotian Divine Monarch gritted his teeth, mobilized the power of his primordial spirit again, deployed a protective film in front of him, and then rushed to one of the beams of light to study how to break the formation.

Bang bang bang...

In the blink of an eye, countless soul-splitting arrows burst out, slammed into the protective film, and the protective film shattered suddenly, and a violent vibration came, Haotian Shenjun trembled, and was shocked continuously. After taking a dozen steps back, his face turned pale.

However, Haotian Divine Sovereign did not give up, once again condensed the protective film and continued to study the method of breaking the formation.

“It's quite persistent!”

Seeing this situation, Demon Lord Gone's eyes flickered, snorted coldly, and then loudly ordered: “Don't be busy killing Haotian Divine Monarch for the time being, and break the protective layer in front of Jiutian Xiaoer's eyes. “

Yes, Your Honor!”

Hearing the order, the demon warriors surrounding the blood formation responded in unison, and immediately shot arrows, aiming at the Nine Heavens God.

Swish swish...

Feather arrows all over the sky burst out, the air was torn apart, and then they bombarded the protective layer in front of the Nine Heavens God, making a roar.

I have to say that the power of the Soul Splitting Arrow is really terrifying. The protective layer deployed by thousands of divine soldiers and generals has not yet had two rounds of shooting before there are cracks.

In this situation, the defeat is almost certain, and there is no room for recovery.

However, the thousands of gods and soldiers guarding around the Nine Heavens God did not give up one by one.

They are clear in their hearts.

If they fall, the Nine Heavens will lose their protection. Once the Nine Heavens are over, the entire Divine Realm will be completely over.

Chapter 4543

The whistling sound of the Soul Splitting Arrow, the roar of the protective film, one after another.

Under the fierce battle, the entire floating island was dimly lit, and within the blood formation, it was more like being stained red by fresh blood.

Haotian Divine Monarch gritted his teeth, and while dodging and resisting the constantly flying soul-splitting arrows, he moved his figure, constantly wandering back and forth between the eighteen and the blood-colored beam of light, looking for the key to breaking the formation.

However, the Great Demon Blood Sacrifice Array is the trump card of the Demon Lord Gone, how can it be broken so easily?

Bang bang...

Finally, Haotian Divine Sovereign consumed too much divine power, and the protective film around his body was finally shattered.

Immediately afterwards, a few feathered arrows shot directly at Haotian Divine Sovereign like a meteor, and the Haotian Divine Sovereign was heard groaning, and golden blood spurted out directly.

Yes, gods like Haotian Shenjun have powerful primordial spirits, so their blood is also golden.

“Haotian!”

At this moment, Jiutian God was so heartbroken that he couldn't help shouting.

Haotian is his right-hand man and the patron saint of Yutian Palace. If something happens to him, God's Domain will be severely damaged.

In a panic, Jiutian God was about to rush out of the protective layer to help Haotian Divine Sovereign, but was desperately blocked by the surrounding gods and soldiers.

“Your Majesty, calm down.” “Your Majesty

, you can’t go out. The inside of this blood formation is extremely dangerous. You can’t make any mistakes.

“

With a long sigh, he had no choice but to give up his plan to help.

But in my heart, I was extremely sad and regretful.

If I knew this was a conspiracy, I shouldn’t have come to the floating island rashly, but it’s too late to say anything now.

At this time, Haotian Shenjun was still desperately resisting.

I saw that the Haotian Divine Sovereign at this time was covered with golden blood. From head to toe, there was no intact place. He was shot by dozens of soul-splitting arrows. From a distance, it was amazing. Heartache.

Around the blood formation, nearly 20,000 demon warriors were still shooting arrows.

Haotian Shenjun kept waving the sword in his hand, trying to resist the continuous shooting of the soul-splitting arrows. His tall figure was shaky, and the power of his primordial spirit was almost exhausted, but he still gritted his teeth and held on with his last breath. .

“Haotian!”

At this moment, Demon Lord Gone showed a trace of approval on his face, and said lightly to Haotian Divine Sovereign: “As expected of the patron saint of Yutian Palace, really brave, to be honest, just killed you like this, What a pity.”

“Well, as long as you swear allegiance to me, I will spare your life, how about that?”

Damn!

Hearing this, Jiutian God’s face was extremely gloomy, and his heart was even more angry.

This Gone is really despicable. Under such circumstances, he actually instigated Haotian Divine Sovereign to betray God’s Domain?

At the same time, Divine Sovereign Haotian also blushed. He only felt that he had been greatly humiliated. He raised his head to lock on Gogne, and roared: "Shi Ke can not be humiliated. You give in."

Phew!

Hearing the answer, Gogne shook his head in disappointment: "A foolish and loyal person will not end well. Since you have decided, then I will fulfill you." The

last word fell, and Gogne waved his hand!

swoosh swish...

In an instant, the surrounding demon warriors, Yu Jian aimed at the Haotian God Monarch again. At this time, he no longer had the ability to deploy a protective film in front of him, and was completely a living target.

In the blink of an eye, thousands of feather arrows erupted, directly shooting Haotian Divine Sovereign into a hedgehog.

"Ah!"

With so many soul-splitting arrows shot at him, Haotian Shenjun only felt a burst of indescribable pain from his primordial spirit, and suddenly let out a miserable howl.

"Puchi!"

Immediately afterwards, a soul-splitting arrow burst out, hitting the heart of Haotian Divine Sovereign.

At this moment, the gushing blood was no longer golden, but bright red.

The blood turned from golden yellow to bright red, indicating that the Divine Sovereign of Haotian at this time had exhausted his divine power.

"Haotian!"

Seeing this scene, Jiutian God couldn't hold it any longer, and tears kept streaming down.

Pfft!

At this time, Divine Sovereign Haotian only felt that all the strength in his body was taken away in an instant.

Chapter 4544

Slap!

But in the next second, Haotian Divine Sovereign's eyes were shining brightly, and he didn't know where the strength came from. He raised his hand and pulled out all the soul-splitting arrows stabbed in his body, and then suddenly waved, the feather arrows burst out, Several demon warriors in front were knocked to the ground.

“Ah!”

Afterwards, Haotian Divine Sovereign staggered to his feet and roared up to the sky. Although his face was pale, he was still not afraid of the predicament in front of him!

“You demons are only capable of this, you will only raid secretly!” Haotian Shenjun red eyes, locked on the Demon Lord Gonie above the sky, and kept howling: “Gonie, what else do you have? Come on, come on.”

Phew!

In an instant, the demon warriors surrounding them were all terrified.

This...is this the protector of Yutian Palace, the imposing manner of Haotian Divine Sovereign?

Strong, really strong.

After being hit with so many soul-splitting arrows, the blood turned from golden yellow to bright red, and he was still able to stand up...

“Haotian!” “

His Royal Highness!”

God, or the thousands of divine soldiers and generals, all changed their faces and exclaimed in unison!

While shouting, the Nine Heavens God immediately ordered: “Quick, save Haotian quickly.” Even if the blood formation in front of him could not be broken, he could not helplessly watch Haotian Divine Sovereign die tragically.

Whoa!

Hearing the order, hundreds of divine soldiers and gods burst out, directly bringing Haotian Divine Sovereign back to the protective layer.

At this time, Divine Sovereign Haotian was pale and weak.

“Your Majesty!”

At the moment of entering the protective layer, Haotian Shenjun exerted all his strength and said weakly to the Nine Heavens God: “For Your Majesty, for the Yutian Palace, I... I tried my best...” The last sentence was not finished. Divine Sovereign Haotian’s eyes darkened, and he passed out directly.

Made!

At this moment, the Nine Heavens God was angry and heartache at the same time. Looking at the powerful blood-colored formation in front of him, he ordered loudly: “All officers and soldiers obey the order, no matter how much you pay, you must rush out.” “

Yes, Your Majesty!”

The order, thousands of divine soldiers and generals responded in unison, and immediately rushed out of the protective layer to break out of the blood formation.

However, the coercion pervading the blood formation is too strong, the primordial spirits of these divine soldiers and generals are suppressed, and their strength cannot be exerted at all.

“Jiutian child!”

At this moment, the Demon Lord Gone, who was suspended in the sky, couldn’t hide his arrogance and pride: “Your right-hand man is no longer enough, and it is even more wishful thinking to break out. This is your burial ground.”

Said With that, Demon Lord Gone looked around and said loudly: “Great Demon Warriors, it’s time to be ashamed, capture Jiutian Laoer alive for me, and leave none of the others, annihilate them all.”

“Kill!”

The last word fell, and the demon warriors surrounding the blood formation put away their long bows, pulled out their long knives, howled and rushed into the blood formation, fighting with those gods and soldiers.

For a time, the sound of fighting and the sound of weapons colliding constantly resounded above the floating island.

...

the other side.

The entrance to the Infernal Shadow Prison thousands of miles away from the floating island.

hum!

Accompanied by a strong aura vibrating, I saw a huge figure, carrying a person, roaring out from the entrance.

It was Xie Biao and Yue Feng.

Haha...

At this moment, looking at the scene in front of me, Xie Biao was inexplicably excited, and said with emotion: "Ten thousand years, a full ten thousand years, I have finally left this ghost place, haha..."

"Sure enough . Or is the spiritual energy in the God's Domain full, and in the future, this vast world will not be free for me to gallop?"

While sighing, Fierce Biao was intoxicated and breathed in the spiritual energy of heaven and earth.

Uh...

Seeing its complacent appearance, Yue Feng couldn't help but touch his nose. This guy's brain must have been suffocated. He just left the Infernal Shadow Prison, so he was so excited.

But after thinking about it, anyone who has been trapped for a full 10,000 years will lose their minds.

Thinking to himself, Yue Feng coughed softly.

"Master!!"

Hearing the sound of coughing, Xie Biao realized that he had lost his way, and quickly lowered his head and respectfully said, "What is the master's order?"

Although Xie Biao was brutal, he also knew that the man in front of him could kill the other three. An evil beast also has the ability to take his own life. In this case, he would not dare to be disrespectful.

More importantly, Xie Biao had already recognized Yue Feng as the master, so he naturally accepted all orders.

Chapter 4545

Call!

Yue Feng took a deep breath, thought about it, and said, "The demons regard me as a thorn in their side. If they know that I am not dead, they will definitely do everything possible to deal with me. I need to think of a good way to hide my identity.

"With such a large shape, it is easy to reveal whereabouts, so you can wait to enter my spirit beast bag."

When he said this, Yue Feng was very depressed.

You must know that in the current situation, not only the Demon Race wants his life, but the Nine Heavens God of Yutian Palace is also doing everything possible to oppose him.

It's just that these circumstances cannot be fully known to Xie Biao. After all, Yue Feng forced Xie Biao to surrender in the name and prestige of Empress Nuwa.

This... Hearing Yue Feng's words

, Xie Biao tilted his huge head and pondered for a while, and then showed a smile: "I thought it would be too much trouble, but in fact, these things can be easily solved."

Fierce Biao shook his huge body.

pat!

In the next second, something fell out of its neck, and it was an exquisite treasure box.

Yue Feng frowned, picked up the treasure box and opened it. Inside, he saw a mask as thin as a cicada's wings, and a black pendant. And, it contains strange energy.

What are these two things for?

For a time, Yue Feng frowned secretly, puzzled. Seeing his expression, Vicious Biao smiled and said, "Master, this mask is a trophy given to me when I fought with an immortal from beyond ten thousand years ago. The opponent

lost."

!

Hearing this, Yue Feng was stunned and secretly shocked.

This fierce, really fierce and fierce, dare to fight with the immortals outside the sky, and still win?

If you hadn't heard it with your own ears, who would have believed it?

"This mask is amazing."

Just when Yue Feng was secretly shocked, he heard Xie Biao continue: "As long as you put it on, you can change your appearance and your voice at will."

"As for this jade pendant, it is also a It was made for me by an immortal from outside the sky. There is an independent space in it, which can accommodate all things. If the master thinks that I am too big to follow around, I can enter this pendant."

Speaking of this, the fierce look is complicated, very It's embarrassing: "The space of the spirit beast sac is narrow, I'm uncomfortable, and it doesn't fit my identity."

Yo huh?

Hearing this, Yue Feng was instantly happy.

This fierce Biao is a bit interesting, and quite particular.

Thinking to himself, Yue Feng nodded: "Okay then, you will enter this pendant later, without my order, don't show up easily."

"Yes, master!!"

Xie Biao responded, and the huge The body turned into a streamer and entered the pendant.

Yue Feng picked up the pendant, hung it directly around his neck, and then began to study the mask.

I saw that the mask was almost translucent. It was as light as a feather in my hand. It was indeed a rare treasure.

The next second, Yue Feng put the mask on his face, thinking of turning into a middle-aged man. As soon as the thought flashed, he immediately felt a slight change on his face.

I go!

Yue Feng quickly found a place with water, and when he saw his reflection on the water, he was stunned.

Amazing.

He saw that his face had completely changed, with a bushy mustache and eyes with vicissitudes and deep eyes, a proper middle-aged man image.

This mask is even more miraculous than Yi Rongsan. With this thing, are you still afraid of being attacked by demons?

For a while, Yue Feng was very excited, he packed up his mood, and immediately rushed towards Yutian Palace. Because it is necessary to hand over the fine jade that Nuwa Yuanshen has transformed into the hands of Jiutian God.

Yue Feng had already thought about it, and when he arrived at Yutian Palace, he said that he was the messenger sent by the immortals from outside the sky, and happened to meet Nuwa.

Um?

When passing by the floating island, Yue Feng immediately stopped and frowned.

what's the situation?

At this time, Yue Feng could clearly see that the entire floating island was shrouded in black clouds, and from time to time there was a strong aura vibrating inside, and vaguely, the sound of fighting could be heard.

Muttering in his heart, Yue Feng turned around and rushed towards the floating island, intending to find out.

What the hell!

Just approaching the floating island, Yue Feng was shocked when he saw the scene in front of him, and the whole person was stunned.

The ultimate husband in Chinese chapter 4546-4550

Chapter 4546

saw that eighteen blood-colored beams of light stood on the floating island, and there was a terrifying magical pressure between the beams.

Within the great formation, nearly 20,000 demon warriors were besieging thousands of divine soldiers and generals.

The ground was full of blood, like a Shura slaughterhouse.

And in the sky above the blood-colored formation, there is a proud figure suspended in black and red armor, indescribably domineering, and the whole body is filled with an incomparably terrifying evil atmosphere.

It was the Demon Lord Gone.

What the hell!

Seeing this scene, Yue Feng was secretly shocked.

The demons fought with God's Domain so quickly? It's just that, in terms of strength, in the first few wars, the demons' vitality was severely damaged. Shouldn't they start a war so quickly?

At this time, Yue Feng didn't know that it was the design of the demons to lure the Nine Heavens into an ambush.

Um? !

Under the shock, Yue Feng reacted, tilted his head and glanced at the depths of the formation, and suddenly frowned secretly.

I saw that the thousands of divine soldiers and generals of the God Realm were completely trapped inside, and many people were injured and very embarrassed, but they were still struggling to support them.

When he saw Jiutian God, Yue Feng was even more shocked.

Holy crap, even God is trapped for nine days? Fortunately, I didn't go directly to Yutian Palace.

"Jiutian child!"

This chapter is provided by . Visit for daily update.

At this time, the Demon Lord Gone, who was suspended in mid-air, shouted at Jiutian God with a look of contempt: "You don't have any chance, you should give up your resistance, give me the realm of the gods, and tell me Surrender, and I will spare the lives of you and your subordinates."

When he said this, Demon Lord Gone's tone was cold and unquestionable.

The Heavenly Demon Blood Sacrifice Great Array is as solid as gold, and the Haotian Divine Sovereign has already passed out. The Nine Heavens God only relies on a few thousand remnants to defeat the generals, and it is impossible to break through.

At this time, the Demon Lord Gone was in a very excited mood, and his attention was all on the Nine Heavens God, and Yue Feng, who was hiding not far away, had not yet been found.

call!

Hearing this, the Nine Heavens God clenched his fists with a stern look on his face, and responded coldly to the Demon Lord Gone: "Evil is invincible, even if you succeed in your tricks today, you will not be able to occupy the realm of the gods, let me surrender, even more so. Impossible!"

After saying that, the Nine Heavens God looked around and shouted: "Soldier, even if you die today, you can't forget your responsibilities. The way of heaven will not be destroyed, and the battle will not fall!

"Come down!" The

voice fell, and thousands of gods and soldiers around him responded in unison, and the sound shook the sky.

call!

Seeing this scene, Yue Feng took a deep breath and looked at the God of Nine Heavens, feeling a little complicated inside.

Although God of the Nine Heavens has always been against himself, I have to say that in the face of such a desperate situation, it is rare to be able to stand firm.

"Haha!"

Seeing that the Nine Heavens God would rather die than surrender, the Demon Lord Gone's face was instantly gloomy, he raised his hand, and said coldly: "Kill, kill me, kill these so-called divine soldiers and generals for me. The armor will not stay."

"Kill!" The

voice fell, and the surrounding demon warriors howled one by one, besieging them again.

Seeing this scene, Nine Heavens God had a fearless face, gritted his teeth and roared: "Soldiers, this battle is about the life and death of God's Domain, so never back down and kill!"

The last word fell, and the divine power of Jiutian God broke out, taking the lead to meet it.

“Kill!”

“For God’s Domain, for Yutiangong, kill!”

Seeing His Majesty go into battle in person, thousands of divine soldiers and generals were inspired one by one. Although they were exhausted, they still burst into a powerful momentum and howled like crazy. They went up to meet them one after another.

In the blink of an eye, the two sides collided fiercely in the blood formation, and a tragic fight broke out!

“Ah!”

For a while, shouts and roars continued to sound.

“Unbelievable!”

Seeing this scene, Demon Lord Gone looked disdainful, suspended in the sky, and had no intention of taking action. This battle is sure to win, and there is no need to do it himself.

Whoosh!

However, at this moment, a figure was as fast as lightning, rushing directly into the blood formation.

It was Yue Feng.

To be honest, Jiutian God is always targeting Yue Feng. At this time, when he is in trouble, Yue Feng doesn’t want to help, but there is no way. After all, Jiutian God is the ruler of God’s Domain.

Chapter 4547

Swish!

In an instant, all the eyes on the scene will focus on Yue Feng, flickering with surprise.

Especially the Nine Heavens God, and the nerves of those divine soldiers were all stunned.

Who is this person? The whole body is filled with such a full of innate spiritual energy, but it is so face-to-face, it seems that there is no such person in the entire Divine Realm.

At the same time of astonishment, the Nine Heavens God also frowned secretly.

Could this person be the helper invited by the senior sister Nuwa? It's just... he rushed into the blood formation by himself, isn't this a death sentence?

At the same time, Demon Lord Gone and the surrounding Demon Race also looked up and down at Yue Feng, frowning secretly.

Does this person dare to break into the Gorefiend formation and die?

Ha ha!

Feeling the contempt in the eyes of the surrounding demon warriors, Yue Feng didn't care, but looked at the Demon Lord Gonie with a half-smile, and said lightly: "Gonie, you are a dignified Demon Race Supreme, you are a famous person, but now you use Don't you feel shameless by bullying more and less?"

Wow!

Hearing this, there was an uproar in the entire blood sacrifice formation. Whether it was the surrounding demon warriors, or the trapped Nine Heavens God and those divine soldiers, they were all stunned, thinking they had heard it wrong.

This kid is really ignorant, and he dares to accuse the Demon Lord Gone in person.

Who gave him the courage?

Swish!

At this moment, Demon Zun Gone's face became extremely cold, looking at Yue Feng up and down, and said disdainfully: "Where is the kid who doesn't know whether to live or die, do you know what is the end of talking to the deity like this?"

As the supreme being of the Demon Race, Gone is arrogant and arrogant. Anyone who sees it will shy away, even the God of Nine Heavens and the ancestors of the prehistoric prehistoric world, but the boy in front of him openly said that his own is not, he is simply courting death. .

Feeling the anger of the Demon Lord Gone, Yue Feng did not panic at all, he smiled and said: "What? I was told, and I became angry?"

"Haha!

"The boy, you are not qualified to make this deity angry, hurry up and report your name, this deity will give you a happy death."

When he said this, Demon Lord Gone looked cold and arrogant, but his eyes subconsciously observed the next surroundings.

Yes, the Demon Lord Gone is looking for Yue Feng's comrades. After all, this is the blood sacrifice formation of the gods. No normal person dares to break in rashly, but this guy in front of him not only broke in alone, but also so presumptuous. There must be companions in the dark.

Huh....

At this moment, the Nine Heavens God and the gods and soldiers were also watching Yue Feng closely, waiting for his answer.

Especially the God of the Nine Heavens, at this time, I really want to know, who is the sacred person who rushed in to save the siege.

"I..."

Facing the question from the Demon Lord Enie, Yue Feng rolled his eyes and replied with a half-smile: "The next name is Jiuxiao, and the teacher is Yutong Xianweng. I passed by here just now, and I saw that you have many demons. If you bully the young, you can't see it, so I came here to talk to you guys."

Yue Feng didn't want to reveal his identity, so he made it up.

Speaking of which, Yue Feng originally planned to say the name of a Celestial Immortal casually and pretend to be his disciple, but after thinking about it, he seems to be the only one with a good relationship with the Celestial Immortal.

As for the name Jiuxiao, it was because Yue Feng was concerned about the situation of the continent of Kyushu, but it was too obvious to call it Jiuzhou, so he changed one word and temporarily changed his name to Jiuxiao.

Yutong Xianweng's disciple?

Hearing the answer, Demon Lord Gone looked suddenly, without the slightest doubt.

After all, in order to capture Princess Dongling, the Demon Lord Gone had conflict with Yutong Xianweng twice before. In this case, it was a matter of course for Yutong Xianweng to send his disciples to help Divine Realm.

At this time, the Demon Lord Gone still didn't know that the man in front of him was Yue Feng, and the identity he just said was all made up.

This...

At the same time, the Nine Heavens God, who was trapped tightly, also frowned secretly.

Jade Child Fairy? It seems that Yutiangong has no connection with this immortal from outside the sky. Why did he send his disciples to help?

Is it because of the senior sister Nuwa?

Yes, it must be Senior Sister. After all, she and Master have traveled nine days away and met many immortals from outside the sky.

Certainly so.

Thinking about it, Jiutian God's eyes fell on Yue Feng, and he was a little worried.

It's just...he alone, can he turn things around?

Chapter 4548 Huh

....

Finally, Demon Zun Gone reacted, and looked at Yue Feng with disdain: "Boy, even if your master sees me, he will hug his head and run away, you dare to be so presumptuous in front of the deity, don't be afraid Soul flies away?"

Although Yue Feng appeared to be a middle-aged man at this time, it was reasonable for the Demon Lord Gone to live for ten thousand years and to call him a boy.

When the last word fell, Demon Lord Gone's eyes flashed with cold killing intent.

Oops!

Seeing this situation, the Nine Heavens God and those gods and soldiers couldn't help but sweat for Yue Feng.

Demon Venerable was motivated to kill, this Jiuxiao was in danger.

However, Yue Feng had a fearless expression on his face, he said with a smile: "You are the most dignified Demon Clan Supreme, you are not afraid of being ridiculed by someone who is a nameless junior like me?"

"Besides, since I dare to come, I am not afraid of death. "

When he said this, Yue Feng seemed to be fearless, but he was actually very nervous.

After all, the one facing him was the Demon Lord Gone, and if he was a little careless, he would lose his mind.

But Yue Feng has no choice. Since he has already appeared, he can only pretend to be brave.

“Oh?”

Seeing Yue Feng’s attitude, Demon Venerable Gone laughed angrily, and at the same time didn’t bother to talk nonsense: “Boy, stop talking nonsense with me, what is the purpose of your coming here, let’s say it directly.”

“It’s very simple.”

Yue Feng Hao stood there leisurely, with a dignified look: “Immediately ask your subordinates to step down, then remove this blood sacrifice formation, and let the Nine Heavens God leave.”

What?

At this moment, Demon Lord Gone frowned, thinking that he had heard it wrong.

This kid let himself go for nine days, God?

Is your brain okay?

Thinking to himself, Mozun Gone reacted, as if he heard a big joke: “Interesting, really interesting, you dare to give me an order, who do you think you are? The ancestor of the Mozu?” The

voice fell, Mozun Ge Nie’s face was full of disdain and ridicule.

Haha...

At the same time, the nearly 20,000 demon warriors around also burst into laughter.

“Is there something wrong with this kid’s brain?”

“Yeah, if you dare to speak like that to your lord, you really treat yourself as a character

.

“

Be patient, put away your smile, and look extremely cold.

The next second, Demon Zun Gonie looked at Yue Feng coldly: “Boy, I won’t talk nonsense with you, where is your master? Tell him to come out and see me.”

At this time, Demon Zun Gone was sure, Yutong Xianweng It is nearby, otherwise, this disciple of his would not be so fearless.

Hehe...

Yue Feng was waiting for him to take the initiative to mention Yutong Xianweng, then smiled slightly, shook his head and said: "Sorry, my master is not here, he is now in Yutian Palace, discussing business affairs with other immortals. I'm here. When I was on the floating island, there were more than ten immortals there, and there were still immortals from outside the sky rushing to the Yutian Palace, I think I might not be able to sit down at this moment..."

Yue Feng knew very well, only relying on It is difficult for a Jade Child Immortal to quell the Demon Lord Gone, so he made up the illusion of 'many immortals from outside the sky gathered in the Yutian Palace', which is deterrent.

What?

Sure enough, when he heard this, Demon Lord Gone was stunned, and there was a trace of fear in his eyes.

It's just a Jade Child Immortal, he is naturally not afraid, but if there are more immortals from outside the sky, it will be another matter. You must know that in order to capture the Princess Dongling, the Demon Race, together with the Jade Child Immortal and the Pipa Fairy When they fought against each other, the two immortals from outside the sky caused tens of thousands of demon warriors to suffer.

And now, there are more than ten immortals from outside the sky, just in Yutian Palace.

If this is true, it is no trivial matter.

Wow...

At the same time, the trapped Nine Heavens God and the gods and soldiers were all stunned, and then, they were extremely excited and excited.

Great, so many immortals from outside the sky help God's Domain, and they will definitely be able to completely eradicate the demon race.

Especially the Nine Heavens God, under the excitement, his whole body trembled.

Senior sister, it must be the senior sister who went to nine days away and moved in so many immortals from outside the sky. No wonder she occupied the body of Demon King Qingming, but no news came back. It turned out that she had gone nine days away to rescue soldiers.

Chapter 4549

At this time, the Nine Heavens God still doesn't know, what Yue Feng said is false, the purpose is to deter the Demon Lord Gone, and there is no immortal from outside the heaven to help in Yutian Palace.

"Haha!"

Finally, Demon Lord Gone responded with a sneer, and pointed at Yue Fengdong: "The immortals from outside the sky came to help Yutian Palace? You think I'm a three

-year- old child, so easy to deceive?" , Demon Race collapsed, Demon Zun Gone's body was destroyed, leaving only a wisp of remnant soul, wandering nine days away, during that time, Demon Zun Gone met many immortals outside the sky, and also knew their disposition, one by one Indifferent to fame and fortune, and disdain for the battle in the realm of the gods.

Therefore, it is absolutely impossible for a large number of immortals from outside the sky to gather in the Yutian Palace to deal with the demons.

Yue Feng knew that Gone didn't believe it, so he didn't continue to pretend at this time, and said with a smile: "Oh, it's really not the Supreme Being of the Demon Race, I racked my brains to think of a lie, but it was exposed so quickly by you, Alas, what a pity!"

Said, Yue Feng tilted his head to look in the direction of Yutian Palace, and sighed: "Master, this disciple has disappointed you."

After walking in the arena for so many years, Yue Feng has a deep understanding of the truth. , is the most indistinguishable. Just like Gone's existence, he is the most suspicious. Once he tells the truth, he will definitely not believe it, and maybe even more suspicious.

Um?

Sure enough, seeing Yue Feng's expression, Demon Lord Gone frowned again.

This kid admits he lied so easily?

No, there must be a fraud in this.

Moreover, when he sighed just now, he also looked at the direction of Yutian Palace.

Perhaps, this is true, Yutong Xianweng and those immortals are really in Yutian Palace...

This...

Seeing this scene, Jiutian God was also stunned, staring blankly at Yue Feng, thinking secretly.

This kid is so daring, he actually made up a lie to scare the Demon Lord Gone.

But on second thought, if there is no one behind him, how dare this kid be so unscrupulous?

At this time, the God of the Nine Heavens, like the Demon Lord Gone, was completely confused by Yue Feng's true and false words, and he subconsciously believed that Yutong Xianweng and other immortals gathered in Yutian Palace. thing, must be true.

Haha....

Seeing Mozun Gone's gloomy and uncertain face, Yue Feng was secretly proud, this Mozun is really suspicious, and his few words that were true and false actually fooled him.

Thinking to himself, Yue Feng struck while the iron was hot, looked at Mozun Gone and said seriously: "Your Excellency Mozun, since my lie was exposed by you, I don't expect Master to save me. In this way, the two of us made a bet.

" If I win, let me leave with the Nine Heavens God, and if you win, I'll leave it to you, how?"

What?

Hearing this, the entire floating island, whether it was a demon warrior, or the Nine Heavens God and those divine generals, was in an uproar.

what did he say? Is he going to bet with the Demon Lord Gone?

Especially those divine soldiers and generals, all of them were shocked and anxious at the same time.

What a joke, His Majesty is the master of the Divine Realm, and his status is noble, how can he let him play like this?

However, the Nine Heavens God waved his hands solemnly, signaling them to stay calm.

I don't know why, although this is the first time I see Jiuxiao, the God of the Nine Heavens has an inexplicable trust in his heart.

Ha ha....

At this time, the surrounding demon warriors were silent at first, then burst into laughter, pointing at Yue Feng and taunting them one by one.

“This kid is really outrageous, and he wants to bet with Zun Shang?”

“I really don’t know whether to live or die...”

“Zun Shang, just kill him, don’t talk nonsense with him!” The

subordinates’ laughter continued to come, and even There were also those who advocated killing Yue Feng directly, but the Demon Lord Gone was silent and his face was extremely solemn.

That’s right, at this time, the Demon Lord Gone’s mood has been messed up by Yue Feng.

If Yutong Xianweng and other immortals from outside the sky are really in Yutian Palace, this is extremely unfavorable for the demons.

To be honest, Gone really wanted to capture Yue Feng and Jiutian God alive, and use this as a threat to deal with Yutong Xianweng and those immortals from outside the sky, but he also knew that this would not solve the problem at all, but would cause the demons and the outside world. The enmity of the fairy.

This is not the effect Gogne wants.

Chapter 4550

At this time, Gone thought about this, and sneered at Yue Feng: “Boy, I have to say, you are very brave, but you are not qualified to bet with me!”

“If you really want to bet, let you Master is here!”

Gone thought about it, he must do everything possible to make Yutong Xianweng appear, as long as he shows up, he will have a bottom in his heart.

Ugh!

Hearing this, Yue Feng did not panic at all, pretending to be helpless: “My master is not here, if he is, it will not be my turn to bet with you?”

Not here?

Gonie frowned and muttered secretly.

Yutong Xianweng is not nearby, which proves that he is really in Yutian Palace at this time.

At this time, among the demon warriors, a burly figure strode out and shouted at Yue Feng: "Boy, what do you think you are? What qualifications do you have to bet with your honor?"

It was the candle saint demon king.

Candle Saint Demon King has a fiery temperament. Because of Gone's silence before, he couldn't bear it any longer. He looked at Yue Feng with disdain: "Aren't you going to bet? I'll bet with you!"

Mad!

Seeing the candle saint demon king rushing out, Yue Feng burst into flames.

Back then, Feng Yushan in Dongao Continent was in trouble because of this candle saint demon king, Mu Xixi's master and apprentice, and Ren Yingying.

After that, I was caught in God's Domain, and I don't know what happened to Yingying and the others.

At this moment, Yue Feng wanted to question the situation of Sacred Candle Demon King and Ren Yingying, but he held back, because Ren Yingying was involved, and his identity could not be concealed. Focus on the bigger picture in front of you.

At this moment, Yue Feng resisted the urge, looked directly at the Demon Lord Gone, and said word by word: "My life and death are now in your hands, why? Don't even dare to play with me? The Supreme Demon Race is nothing more than that. Ah."

Whoops! !

The voice fell, and the surrounding demon warriors were extremely angry.

This kid is really courting death, he dares to ridicule Zun in public.

Under the anger, many demon warriors wanted to rush over to kill Yue Feng, but when they saw that Gone didn't say anything, they held back.

At the same time, the Nine Heavens God frowned secretly and looked at Yue Feng with great interest.

This kid is so confident, does he really have a way to help himself out of danger?

"Okay!"

Finally, Mozun Gone had a gloomy face, looked at Yue Feng closely, and sneered: "Seeing that you are so confident, I will bet with you!"

"Happy!"

Seeing his promise, Yue Feng showed a smile: "Sure enough, he is the supreme being of the Demon Race, and he has courage."

Gone was too lazy to talk nonsense, and said coldly: "What are you going to bet on?"

"It's very simple!" Yue Feng looked cynical and pointed to the blood sacrifice array in front of him: "Just bet if I can break this formation."

What?

As soon as these words came out, the audience was in an uproar.

Whether it was the surrounding demon warriors, or the Nine Heavens God and those divine soldiers, they were all stunned.

Immediately afterwards, many demon warriors couldn't help laughing.

"Haha, this kid is delusional about breaking the blood sacrifice array, laughing to death!"

"It's really whimsical."

However, the Nine Heavens God and those divine soldiers and generals were anxious.

Is this kid overconfident?

In this blood sacrifice formation, God Sovereign Haotian had been bruised and bruised all over his body before, but in the end he could not find the slightest flaw, and he was just a disciple of Xianweng Yutong.

For a time, Jiutian God wanted to persuade Yue Feng to change his gambling method. It could be seen that he was confident and held back.

At this time, the God of the Nine Heavens did not know yet. It was easy for Yue Feng to break the Heavenly Demon Blood Sacrifice Formation, because when Gone was in the Demon Sealing Mountain and used this formation to summon the demon tribe, Yue Feng had already found the flaw. .

"It's interesting."

At this moment, Gone looked at Yue Feng with interest, nodded in approval and said, "It seems that you have learned a lot from Yutong Xianweng, and you actually want to break my blood sacrifice array, okay, It's up to you, but..."

Saying that, Gone changed his words: "The rules of this are for me to decide, wait for me to count dozens, as long as you are within these ten numbers, you can Break my Heavenly Demon Blood Sacrifice Array, and I will let you and Jiutian Xiaoer go."
