

The ultimate husband in Chinese chapter 4591-4600

Chapter 4591

Swish!

When the words fell, Mo Yan's pretty face changed, turning red, and her delicate body was trembling with anger.

Damn, so damn bad.

He is one of the twelve dignified demon kings, and his status is extraordinary. Who is not respectful when he sees it? And the man in front of him actually wanted to call him good brother?

Simply humiliating.

The more Mo Yan thought about it, the angrier she glared at Yue Feng: "You are courting death!

"Why are you so angry?"

"Anyway, I have opened the conditions. If you feel embarrassed, you can find another hiding place and don't disturb my rest." The

last word fell, Yue Feng closed his eyes.

Yue Feng didn't really want her to call her good brother, but just made fun of it. To be honest, this Mo Yan's personality is too domineering, and he has to kill his spirit with killing intent.

"You..."

Seeing Yue Feng's dead pig not afraid of being scalded by boiling water, Mo Yan was angry.

This man is such a rascal.

To be honest, Mo Yan wanted to kill him very much, but the opponent was very strong, and if he really fought, he might not be an opponent.

More importantly, at this time, in various places below, those magic soldiers were still searching in a carpet-like manner, and once the fight broke out, they were attracted.

“Okay!”

Thinking of this, Mo Yan took a deep breath and whispered, “Okay... good brother.” The voice was so small that it was impossible to hear it if you didn’t listen carefully.

She didn’t want to shout, but there was really nothing she could do.

Haha...

Seeing her finally subdued, Yue Feng felt extremely happy, but it wasn’t over yet: “What did you call me? I can’t hear you clearly.”

“Okay...”

Mo Yan bit her lip tightly, it was very difficult He opened his mouth, but shouted again: “Good brother.”

Yue Feng laughed and nodded with satisfaction: “It’s good, then you cultivate, brother will protect you.” After speaking, he gave way to the inside. .

Swish!

Hearing the ridicule, Mo Yan’s face flushed red: “Don’t be too aggressive.”

“Okay.”

Yue Feng accepted it, nodded and said, “I won’t say anything, hurry up and regain your strength.”

Mo Yan stopped talking nonsense, Sitting cross-legged inside, he began to run the power of the demon soul to expel the power of the demon-suppressing talisman.

Yue Feng admired it at close range for a while, then closed his eyes and began to regulate his primordial spirit.

“Yeah.”

At first, Mo Yan was very calm, but after a few minutes, Mo Yan’s delicate body trembled and she let out a low moan, and her delicate face also showed some pain.

This voice seemed to carry a fatal temptation, Yue Feng only felt that all the bones in his body were brittle.

what’s going on?

Muttering in his heart, Yue Feng turned his head to look, and at the same time couldn't help but said, "What's wrong with you? I..."

Before he finished speaking, Yue Feng couldn't help taking a breath when he saw Mo Yan's appearance, and the whole Everyone looked crazy.

Just saw Mo Yan curled up there, her graceful curves, extremely charming, and her body was dripping with sweat. And that beautiful face, seemingly incomparably painful, at the same time charming!

I'm going, what's the matter? Going crazy?

Thinking to himself, Yue Feng hurriedly stepped forward: "Hey, what's the matter, you should be more awake."

At this time, Yue Feng didn't know that Mo Yan had been hit with the magic-suppressing charm. Because of the delay for too long, it was completely When the attack occurs, the power of the demon soul in the body begins to be disordered.

Swish!

But at this moment, Mo Yan hugged Yue Feng!

At this time, Mo Yan, under the disorder of the power of the demon soul in the body, is also a little awake, and has completely lost her sense!

"You..."

Yue Feng was completely stunned, and before he could react, Mo Yan's red lips kissed!

At this time, Mo Yan, under the chaos of the demon soul, seemed to be burning a flame, almost burning.

Pfft!

In the next second, before Yue Feng could react, Mo Yan threw him at once, and the two instantly rolled together!

"You, you are..." Yue Feng was stunned, and subconsciously wanted to break away, but the space inside the bronze bell was too small, and there was nowhere to dodge.

At this time, Mo Yan could no longer hear Yue Feng's voice. She hugged Yue Feng tightly and started to pull on Yue Feng's clothes.

Mo Yan's mind went blank, she bit her lip and sat down.

“Oh!” A

charming low voice echoed within the bronze bell.

Chapter 4592 I

don't know how long it took, Mo Yan finally woke up, fell to the side softly, and fell asleep.

At this time, Mo Yan, the power of the demon soul in her body has returned to normal.

Yes, the innate spiritual power contained in the Demon Sealing Talisman has all been transmitted to Yue Feng's body after the contact between the two. To Yue Feng, it was like nectar.

At this moment, Yue Feng was sitting next to him and clearly felt that after absorbing the spiritual power of the Demon Suppression Talisman, the power in his body became more pure and his strength improved a lot.

call!

Feeling this, Yue Feng was overjoyed, and at the same time his mood was a little complicated.

What the hell, I had an affair with this demon king...

Thinking to myself, Yue Feng subconsciously turned his head to look at Moyan, and when he saw it, he was stunned, and a chill appeared on his back.

I saw that Mo Yan woke up at an unknown time. At this time, there was still a trace of blush on the beautiful face, and her eyes were fixed on Yue Feng, with endless shame and killing intent!

call!

Such a strong murderous aura!

Feeling Mo Yan's sharp eyes, Yue Feng's forehead was sweating, and he couldn't help taking a deep breath.

However, Yue Feng quickly calmed down.

He clearly felt that at this time, Mo Yan had just passed the danger of the disorder of the demon soul, and his body was very weak, and there was no threat at all.

Moreover, what happened just now was her own initiative. After all, he saved her life. What's so scary?

Thinking of this, Yue Feng's mood quickly calmed down.

Snapped!

At this moment, Mo Yan suddenly sat up, bit her lip tightly, and slapped Yue Feng with a slap in the face, her eyes were full of resentment: "You... Ruin my innocence, I'm going to kill you !"

Saying this, Mo Yan's face was filled with endless anger!

One of the twelve demon kings of the dignified demon clan was actually defiled by a human man. This... This is even more uncomfortable than killing her!

Nima, this demon queen has too much temper.

Feeling Mo Yan's anger, Yue Feng covered his face helplessly, and sighed: "You are really unreasonable, you took the initiative just now, how do you say I tarnished you? Besides, your situation just now, almost went wrong. If you hadn't merged with the power in your body, you'd be dead now."

"If that's the case, I've saved you again, how can you avenge your revenge?"

Yue Feng looked up and down as he spoke. With a strange face. I have to say, this Moyan is really a beauty, her figure is perfect.

Especially thinking of the previous scene, Yue Feng has a lot of aftertastes.

"You..."

Hearing these words, Mo Yan was so angry that her lips were almost bleeding.

This bastard has taken advantage of me, and is still talking slander here. When she thinks of being close to the man in front of her, Mo Yan is in extreme pain, and she has the heart to commit suicide, and she is unwilling to accept this fact.

But Yue Feng's words just now made Mo Yan somewhat unable to refute.

After all, he had indeed been hit with the Demon Suppression Talisman, which caused the demon soul to become disordered and lost his mind...

For a while, Mo Yan did not speak, and stared at Yue Feng fiercely.

The atmosphere is very depressing and a little subtle.

“Whatever you say!”

Finally, Moyan’s red lips parted lightly, and she said coldly: “In short, you must die today!” As the words fell, Moyanyu raised her hand, summoned a dagger, and stabbed Yue Feng fiercely. heart.

Although Mo Yan was still very weak at this time, her speed was as fast as lightning.

Ugh!

Seeing her persistent look, she had to kill herself, Yue Feng didn’t know whether to laugh or cry, he quickly avoided his body, and said helplessly: “It’s really unreasonable, if you think about it carefully, you took advantage of me, but now you want my life, and, I saved you twice before, is this how you avenge your kindness?”

Although Mo Yan was fast, Yue Feng easily escaped.

“Shut up!”

Hearing Yue Feng’s words, Mo Yan’s face flushed red, and she couldn’t help but scold.

When the words fell, Mo Yan held the dagger tightly and stabbed it again.

Yue Feng only felt a headache. At this time, Mo Yan was very weak, and it was not easy to fight back, so he had to hide and say: “If you do this again, I will be very welcome.”

Chapter 4593

Mo Yan didn’t respond, the dagger in her hand turned into cold beams and kept stabbing.

Snapped!

Yue Feng was very speechless, so he had no choice but to use his palm to cut on Mo Yan’s wrist as fast as lightning, only to hear a crisp sound, and the dagger fell to the ground.

Mo Yan’s body trembled, and her face turned pale.

She had just passed the danger, and the power of the demon soul could not be used at all. Otherwise, according to her strength, it would not be possible for Yue Feng to knock off the dagger so easily.

“Alas!”

Seeing this scene, Yue Feng rushed to the market and stepped forward to help her:
“Are you all right? I’m sorry, the palm of my hand was a little heavy.”

Although Yue Feng’s reaction to Mo Yan was very She was speechless, but at this time, seeing her weak appearance, she couldn’t bear it.

After all, the entire Demon Race was destroyed because of himself, leaving only Moyan, who is still trapped in Lieyang Pass.

“Go away!”

Seeing Yue Feng’s outstretched hand, Mo Yan frowned, unable to express her disgust:
“Don’t touch me.”

When she said this, Mo Yan bit her lip tightly, feeling embarrassed and angry. I almost cried, my innocence was taken away by this man, but his strength was still so high that he couldn’t kill him to vent his hatred.

Why do you suffer so much.

Uh!

Yue Feng was stunned for a moment, then retracted his hand embarrassedly, smiling bitterly.

At this moment, Mo Yan took a deep breath and seemed to have made a decision. She raised her head and closed her eyes and said, “You can kill me.”

His innocence was gone, and he was still trapped here. .

I go!

Seeing her appointment, Yue Feng’s heart was shocked, and then he smiled bitterly:
“Why are you doing this? As far as I know, your entire army of demons has been destroyed, and the only survivor is you, you. If you die, the Demon Race will be completely over.”

“Why don’t you do it like this, I will try to take you out of Lieyang Pass, as compensation, when you leave Lieyang Pass, your strength will be completely restored, if you want to kill me, I will not I will blame you, how?”

When he said this, Yue Feng looked sincere.

Hearing this, Mo Yan fell silent, feeling a little touched in her heart.

Yes, now the entire Demon Race is left with me. If I die, the Demon Race will be completely destroyed, and there will be no chance for a comeback.

Wait....

With emotion in her heart, Mo Yan suddenly thought of something, stared at Yue Feng, and asked coldly, "Who are you?"

"Knowing for a while, after all, this is the continent of Kyushu, but the man in front of him seems to know a lot.

Moreover, the power contained in the demon-suppressing talisman in his body is not something that ordinary human cultivators can bear, but it was easily integrated by him.

Such clues have to be suspicious.

Uh...

Hearing Mo Yan's question suddenly, Yue Feng was caught off guard, he scratched his head and smiled and said, "I'm just a nobody in the world, my name is Feng Tao, didn't I tell you before?"

"Do you want to lie to me?"

Mo Yan said incredulously, "How could a nobody who walks the rivers and lakes know what happened in the Divine Realm? Moreover, the power in your body is not simple, you can actually integrate the innate spiritual power in the magic-suppressing talisman. , in your Kyushu, there is such a mysterious practice that can integrate innate spiritual power? Do you think I am a three-year-old child?"

A series of questions like a barrage of questions made Yue Feng very head-scratching.

"That's it!"

At this moment, Yue Feng started to talk nonsense while thinking about it: "The matter of the Demon Race was actually told to me by a mysterious senior." As

he said that, Yue Feng was also extremely depressed.

This female devil is so shrewd, she has been covering up, but she is still suspicious.

But there is no way, no matter what, she can't reveal her true identity, otherwise, she will really work hard, after all, the demons are destroyed by her own hands.

Mysterious senior?

Mo Yan frowned: "What mysterious senior?"

Yue Feng exhaled, and said solemnly: "That senior, who claimed to be from outside the Nine Heavens, inadvertently passed through the continent of Kyushu. Seeing that my qualifications are good, he passed on me a set of mysteries. After that, he told me some strange anecdotes in the realm of the gods, the destruction of the demon race, that old senior said." He

couldn't think of any other lies, so Yue Feng had to make up an illusion of 'adventure'.

Chapter 4594

From outside the nine days?

At this moment, seeing Yue Feng's words seriously, Mo Yanxiu frowned, and her doubts dissipated a lot.

Those who come from outside the nine heavens must be immortals from outside the heavens. If that's the case, then it makes sense.

After all, the signs that this person showed before are not something that ordinary people can have.

call!

For a while, Mo Yan let go of her guard and said coldly, "Then how can you take me out of Lieyang Pass?" Although she believed in Yue Feng's fabricated identity, her innocence was still tainted in Mo Yan's heart. Is a deep mustard.

But no matter what, now he is the only hope of the demons.

Therefore, he must not die, let alone be caught by those magic soldiers.

As for this abominable human man in front of him, as long as he can help him leave Lieyang Pass, he will be spared temporarily.

Hehe...

Seeing that she stopped making trouble and chose to believe in herself, Yue Feng showed a smile and said mysteriously: "This is a temporary secret, you just need to follow my arrangement."

After that, Yue Feng took a look Sky: "Now let's wait until it gets dark."

Seeing his serious look, Mo Yan wanted to ask for details, but finally held back.

Time passed by minute by minute.

Two hours later, night fell.

I saw that the entire Lieyang Pass, all streets and alleys, were full of magical soldiers patrolling with torches, and the defense was more formidable than during the day.

This....

Seeing this scene, Mo Yan couldn't help but feel a little anxious. The defense at night was more severe than during the day, and it was even more impossible to rush out.

However, Yue Feng was indifferent.

At this moment, Yue Feng looked around and said with a smile: "It's time to act, let's go." The voice fell, Yue Feng left the bronze bell one step ahead, and took advantage of the night to head towards a majestic courtyard not far away.

During the daytime, Yue Feng noticed that this majestic compound was the residence of the generals guarding Lieyang City.

Yue Feng's plan is very simple. Find the generals defending Lieyang Pass and ask about the secret escape route of Lieyang Pass. You must know that Lieyang Pass is located in the frontier fortress. , there must be a secret escape route connecting the outside of Lieyang Pass.

Speaking of it, this method is a bit troublesome, but there is really no way to do it. There are too many magical soldiers gathered in Lieyang Pass, and there is no chance at all.

What the hell is this guy doing?

Mo Yanxiu frowned slightly, almost at a loss, but still followed closely.

Soon, Yue Feng and Mo Yan descended into the general's mansion.

As you can see, the general's mansion is very large, almost the size of two football fields. The houses are lined up like a huge maze, and soldiers patrolling can be seen everywhere.

However, it was not difficult for Yue Feng, and he quickly locked the place next to the back garden.

I saw that in a side hall next to the back garden, the lights were bright at this time, and many maids came in and out, and I could vaguely hear the voices of women laughing inside.

Haha...

Seeing this situation, Yue Feng smiled secretly, the general of Lieyang Pass's defending the city would enjoy it quite a bit.

Thinking to himself, Yue Feng took Mo Yan, avoiding the patrolling soldiers around, and quietly approached the side hall.

At this moment, this side of the hall.

On the soft couch, a fat middle-aged man sat there comfortably, hugging two young women from left to right, his face intoxicated.

The table in front of you is full of delicious food and wine.

Two young women, clinging to the man, joking and joking intimately, while feeding the man wine. A few meters away from the wine table, several dancers in bold dresses were dancing gracefully.

Any man who sees this scene will be envious.

The middle-aged man's name is Lu Chengdong, the general of Lieyang Gate, who has been guarding here for ten years.

Lu Chengdong is good at using soldiers, but he also has a big disadvantage, that is, lust. In the past two days, God's Domain has suddenly sent a divine soldier to temporarily take over Lieyang Pass, which made Lu Chengdong feel relaxed all of a sudden.

Lu Chengdong was in a good mood tonight, so he set up a banquet and invited some young women to enjoy it beautifully.

Chapter 4595

"Haha..."

At this time, Lu Chengdong was admiring the dance, his hands were not honest, and he kept groping on the two women in his arms.

"General, you're so bad..."

"General, don't be so anxious, let's have two more drinks..." The

two young women, under the provocation of Lu Chengdong, were all seductive.

At this moment, Yue Feng and Mo Yan came to the outside of the side hall.

I go!

Seeing the scene inside through the window, Yue Feng couldn't help taking a deep breath, feeling secretly in his heart.

This general can really play.

Swish!

At the same time, the delicate face of Mo Yan next to her suddenly turned red, a little embarrassed and a little embarrassed.

These Kyushu men really don't have a good thing.

While muttering in her heart, Mo Yan couldn't help but glared at Yue Feng, this person is too hateful to show me such a scene.

Yue Feng didn't pay attention to Mo Yan's reaction, and he didn't hesitate at the time, and walked in directly.

Mo Yan frowned and followed behind.

At this time, Mo Yan didn't know Yue Feng's plan yet, and in doubt, she had to see what the hell he was up to.

Swish!

As soon as the two appeared in the side hall, all of a sudden, Lu Chengdong and the beauties around them gathered their eyes.

In the next second, Lu Chengdong's face sank, and he yelled at Yue Feng, "Who let you in if you don't have eyes?" Who knows in Lieyangguan, when he plays with women, he doesn't like being disturbed.

At this time, Lu Chengdong thought that Yue Feng was a servant of the general's mansion. You must know that this mansion is very big, and there are thousands of servants. Although it is a general, not everyone knows it.

Moreover, Yue Feng was dressed casually, so he didn't look like a guest no matter what.

"Haha!"

Yue Feng showed a smile and said lightly: "General is really elegant."

After saying that, Yue Feng slowly walked to the chair next to him and sat down.

“Bold!”

Yue Feng’s actions made Lu Chengdong feel humiliated and roared, “Get out of here...”

Hiss!

Halfway through the words, Lu Chengdong’s eyes fell on Mo Yan, and he couldn’t look away.

Beautiful, so beautiful.

With a delicate face, a graceful and charming figure, especially the temperament on her body, she is like a fairy. In such a comparison, the two women in her arms are simply vulgar fans.

After being stunned for a few seconds, Lu Chengdong reacted and praised Yue Feng: “Good boy, you are here to deliver beautiful women, this general is very satisfied, very satisfied, haha.”

After speaking, Lu Chengdong rushed forward with a wretched expression . Mo Yan beckoned: “Beauty, stop standing, come to General Ben, and let General Ben take a good look.”

As he said, Lu Chengdong’s eyes kept looking up and down on Moyan, the more he looked happier.

At this time, Lu Chengdong thought that Yue Feng had made a special trip to bring him a beautiful servant. You must know that Lu Chengdong’s lecherous temperament was known to the whole general’s house. Every month, there were servants who presented beautiful women to please Lu Chengdong.

Swish!

Lu Chengdong’s gaze made Mo Yan instantly become angry, her face flushed instantly, and then her delicate body flashed, directly in front of Lu Chengdong, and slapped him fiercely.

Mo Yan’s speed was very fast, but Lu Chengdong couldn’t react at all. He only felt that this beautiful woman with outstanding temperament was in front of her.

At this moment, Yue Feng did not stop it, but sat there quietly watching.

Seriously, this Lieyangguan general, so lewd and provoking the Demon King, really doesn’t know whether to live or die, and he should be made to suffer.

Snapped!

In the next second, a crisp sound was heard, and a blood-red palm print appeared on Lu Chengdong's face instantly, and his fat body also flew out, flying more than ten meters away, and landed heavily.

Lu Chengdong was immediately stunned. He never thought that this seemingly delicate beauty in front of him would be so strong.

"You..." The

next second, Lu Chengdong struggled to stand up, looking at Yue Feng and Mo Yan in shock and anger: "You... who are you?"

Phew...

At the same time, those around The dancers were also scared and dumbfounded, standing there shivering.

Yue Feng smiled slightly, got up slowly and said, "You are the general of Lieyang Pass, right? As a general guarding one side, you are so extravagant, what should you do according to the laws of your Apocalypse Continent? ?" The

voice was not loud, but there was an aura that couldn't be refuted.

The ultimate husband in Chinese chapter 4596-4600

Chapter 4596

"I, I..."

Feeling the aura pervading Yue Feng's body, Lu Chengdong realized that the other party was an existence that he could not provoke, and wanted to respond, but under the tension, he stuttered. Can't say the whole thing.

At this moment, Mo Yan couldn't help but say: "This kind of scum, just kill it."

Om!

As soon as the words fell, Mo Yan burst out with the power of the demon soul, and she was about to slap Lu Chengdong in the heart.

The power of the demon soul? This...is this the power of the demon soul?

At this moment, Lu Chengdong felt this power, and he was so frightened that he almost wet his pants on the spot.

During the daytime, I heard from outside that a witch broke into Lieyang Pass, which caused the number of divine soldiers in Lieyang Pass to increase several times. It seemed that she was the one.

Thinking about it, Lu Chengdong wanted to cry without tears, and was extremely desperate.

I thought that I would have a good time today, but I knew that a female devil suddenly came.

It's over, it's over.

“Don't kill him yet!”

At this critical moment, Yue Feng said with a smile: “This person is useful to keep!”

Hearing this, Mo Yan withdrew her palm and said angrily: “What the hell are you doing?” This wind wave is really unpredictable, saying that he wants to take himself out of Lieyang Pass, but he came here to watch this lecherous general have fun.

Yue Feng did not respond, but fainted the dancers around him. After doing this, he slowly walked towards Lu Chengdong.

This chapter is provided by . Visit for daily update.

When he got to him, Yue Feng took out an elixir from his body and stuffed it directly into Lu Chengdong's mouth.

Gudong!

At this moment, Lu Chengdong didn't react at all, and the medicinal pill entered his stomach.

“You...”

Lu Chengdong was already panicking, but now he was even more panicked: “What did you give me?”

“Of course it's poison.”

Yue Feng replied with a smile: “This poison is called ” Heart-devouring pill, only I can solve it, once it occurs, the internal organs will fester, and then the death will be miserable, I advise you not to try to expel your inner force, because once you activate your inner force, the poison will attack faster.”

When he said the last word, Yue Feng's face was extremely cold.

hiss!

Hearing this, Lu Chengdong's face changed greatly, and he couldn't help taking a deep breath: "You.... What are you going to do?"

Yue Feng smiled slightly: "It's very simple, you tell me the secret escape route in Lieyang Pass, and then Give me your token, as long as I leave Lieyang Pass safely, I will send someone to deliver the antidote to you."

What?

Hearing this, Lu Chengdong was shocked and couldn't help but glance at Mo Yan.

Does he want to escort this female devil away?

You must know that the entire Lieyang Pass is now searching for the whereabouts of this female devil. If you know that he has let her go privately, I am afraid that a hundred heads will not be enough to cut off.

"What?"

Seeing his hesitation, Yue Feng's face sank: "Do you want to die from poisoning?"

"I said, I said!" Lu Chengdong shuddered and nodded quickly. Although he was a little reluctant at this time, he Do not dare to violate in the slightest.

After all, your life is in the hands of others.

In the next two minutes, Lu Chengdong explained the location of the secret passage in Lieyang Pass in detail. After he finished speaking, he handed his general token to Yue Feng.

call!

Seeing this scene, Mo Yan's brows, which had been tightly locked, slowly stretched, and her heart finally came to a realization.

It turned out that he was going to leave Lieyang Pass in this way.

I have to say, this is indeed a good way, why didn't I think of it before?

"That's right!"

At this moment, Yue Feng thought of something, and looked at Lu Chengdong with a half-smile: "You have to prepare two clothes for us later, you should understand!"

Yue Feng is thoughtful, but he knows that The secret passage is not enough. You and Mo Yan also need to dress up. Otherwise, if they are found outside Lieyang Pass, they will still be in trouble.

“Understood, I understand...”

Lu Chengdong was a smart man, he nodded quickly, then shook his fat body, walked to the back room and took out a suit of armor and a long skirt.

At this moment, Yue Feng and Mo Yan did not hesitate, took their clothes and changed them in the back.

call!

A few seconds later, when returning to the side hall, Mo Yan was stunned when she saw Yue Feng in a suit of armor, and there was a slight throbbing deep in her heart.

Unexpectedly, this bastard put on armor, so heroic and handsome.

Chapter 4597 I

saw that at this time, Yue Feng, wearing a silver armor, set off a tall and straight posture, although he was full of stubble, he still couldn't hide his forcing aura, majestic.

call!

At the same time, seeing Mo Yan in a long dress, Yue Feng was also stunned, unable to recover for a long time.

I really didn't expect this Demon King to look a little virtuous in a long dress.

With emotion, Yue Feng was a little dazed for a while, it would be great if this woman wasn't from the Demon Race.

Swish!

Aware of Yue Feng's gaze, she kept looking at herself, Mo Yan's face was faintly flushed, and she said angrily, “What are you looking at?”

This Feng Tao is no better than that lecherous Lu Chengdong. What time is it, and I am still distracted.

Hearing Jiao's drink, Yue Feng reacted, smiled and joked: “I'm not looking at it, I'm just thinking, you are like a goddess descended to the earth, even if you change your clothes, it's easy to be recognized.”

“Yes . Right !”

As soon as Hua Yun fell, Lu Chengdong, who was standing on the side waiting, quickly nodded in agreement: “The beauty of the fairy, the mortal meeting, it is a blessing for three lives ...” Before he finished speaking, he

felt Seeing Mo Yan’s cold eyes, Lu Chengdong’s body shuddered, and he quickly closed his mouth.

“Long-winded!”

Mo Yan felt that Yue Feng was a little too cautious, and said indifferently: “We already know the location of the secret passage, what are we worried about?”

Yue Feng shook his head: “It’s better to be careful. “

Having said that, he asked Lu Chengdong to find a veil and put it on Mo Yan’s head, covering his face.

Seeing that Yue Feng was so cautious, Mo Yan couldn’t say anything, so she had to follow him temporarily.

After putting on the veil, Mo Yan urged: “Okay, let’s go.”

“Wait a minute!”

Yue Feng couldn’t think of anything, so he rushed to Lu Chengdong and ordered: “Get me some medicinal materials, remember. Stay, hurry up, don’t play tricks.” After speaking, he said the names of several medicinal herbs.

Lu Chengdong didn’t dare to neglect, and hurried to prepare.

Mo Yan was confused and couldn’t help but ask, “What do you want the herbs for?”

“Alchemy!”

Yue Feng looked at her with a smile, and said slowly, “Otherwise, what do you think you would do?”

“Alchemy? Mo Yan’s delicate face was full of astonishment, and she looked very surprised: “You can still make alchemy?” This man is really becoming more and more unpredictable.

As he was talking, Lu Chengdong had already prepared the medicinal materials.

Yue Feng didn't hesitate, just found a porcelain jar in the room and began to refine the medicine pill.

call!

For a while, Mo Yan and Lu Chengdong stood by, dumbfounded. This person is simply omnipotent. Not only is he powerful, he can even concoct alchemy.

Finally, with a dull sound, Yue Feng opened the porcelain jar, took out an orange-yellow medicinal pill from it, and handed it to Mo Yan: "Eat it."

Mo Yan instinctively became alert: "What kind of pill is this, why should I take it?"

Seeing her like this, Yue Feng smiled: "Why are you so nervous? I can't make poison to harm you, this is 'Shading Pill', after taking it, You can completely hide the power of the devil soul in your body, and at that time, let alone those divine soldiers, even if the Nine Heavens God is alive, you won't be able to detect it."

When he said this, Yue Feng looked confident.

This shadow-shading pill was created by Yue Feng three years ago. At that time, he tried it once, and the effect was remarkable. Just now, considering Mo Yan's identity, he decided to refine one.

After all, there are too many divine soldiers guarding Lieyang Pass. Just in case, it is better to be cautious.

Shade Dan?

Hearing this, Mo Yanxiu frowned, and was secretly shocked.

In the world, there is such a miraculous elixir that can completely hide the power of the demon soul, which is really incredible.

Never heard of it before?

She didn't know that this 'Shading Pill' was named by Yue Feng's law, and only two of them were refined, so naturally no one knew.

Under the astonishment in her heart, Mo Yan did not doubt that she took the medicine pill and swallowed it directly.

Huh...

In less than a second, Mo Yan was pleasantly surprised to feel that the power of the demon soul in her body was really completely hidden. At this time, she had no aura fluctuations all over her body, just like an ordinary human being .

Chapter 4598 is

really amazing.

Just when Mo Yan was secretly

sighing, Yue Feng said with a smile: "Okay, let's go." After that, Yue Feng rushed to Lu Chengdong and said coldly, "Lead the way ahead!"

"Yes, yes..."

Lu Chengdong didn't dare to be negligent, he nodded like a chicken pecking at rice, and immediately led Yue Feng and the two into the backyard to open a secret passage.

"Hey!"

When she entered the passage, Mo Yan couldn't help her curiosity and asked Yue Feng, "Who did you learn alchemy from? As far as I know, many alchemy techniques in the Kyushu continent have long been lost. There are very few alchemists."

"I'm lucky!"

Yue Feng smiled and answered without hesitation: "A few years ago, on a barren mountain, I accidentally got an ancient book about alchemy, my alchemy. All techniques are learned from ancient books."

Yue Feng was right, when he obtained the "Wujie Danshu" on Beishan in Donghai City, he became famous in the alchemy world since then.

"Shit luck!" Seeing his proud face, Mo Yan pouted.

After walking for ten minutes without realizing it, under the leadership of Lu Chengdong, Yue Feng and Mo Yan finally walked out of the secret passage.

I saw that the end of the secret road was connected to the Beishan cave outside Liyang Pass.

call!

At this time, standing on the top of Beishan Mountain, and feeling the night wind blowing, Yue Feng only felt refreshed and could not help but breathe a sigh of relief.

Nima, finally got out of trouble safely.

At the same time, Mo Yan's depressed mood was relieved a lot at this time.

"Master."

At this moment, Lu Chengdong walked over with a fat body, flatteringly and flatteringly on his face, and said to Yue Feng: "I have already done what I should do, I beg the hero to give me the antidote."

Thinking of the poison attack in the body, the internal organs will fester, and Lu Chengdong shudders.

Um!

Yue Feng nodded with a smile, took out a pill from his body, and threw it to Lu Chengdong: "This antidote can only last for half a year, within this half year, if you are still an unkind official, you will wait for your whole body to fester. And die, if you repent completely, I will personally give you another medicine."

After saying this, Yue Feng waved his hand: "Go!"

Uh...

Hearing this, Lu Chengdong wanted to cry without tears. How can this antidote last only half a year? But looking at Yue Feng's firm expression, he didn't dare to talk too much at that time, so he nodded and said, "Yes, hero, rest assured, from now on I will definitely guard Lieyang Pass and do things for the people." After the

last word fell, Lu Chengdong turned around and entered the secret passage.

Seeing Yue Feng's treatment, Mo Yan was very indignant: "This person is so lustful and uses his power well, so you just let him go?"

Huh!

Yue Feng took a deep breath and said seriously: "Although this person is abominable, he is not guilty of death, and as far as I know, he leads the troops very well, guarding Lieyang Pass for nearly ten years, and has never been breached. Hearing this, Mo Yan was speechless

for a moment, but still muttered: "Here!"

At this moment, Yue Feng looked around. Looking down on the surrounding environment, pointing to a valley ahead, he smiled and said: "Crossing this valley, and

then crossing the barrier, it is the boundary of the Earth Circle, and we are completely safe. Let's go!"

Said, Yue The wind quickly walked towards the valley.

Mo Yan nodded and followed closely.

hum!

However, before almost walking, suddenly, a bright light appeared in that valley, followed by a team in front of him.

There are thousands of divine soldiers.

These divine soldiers, wearing uniform pale gold armor and holding long spears, have an amazing momentum. In front of these divine soldiers is a chariot made of pure gold. The chariot is pulled by six white horses and has a delicate crown on it. , beautiful and yet domineering.

Under the crown sits a man.

He is dressed in golden red armor, and his body is filled with a powerful aura, which is full of domineering.

It is Haotian Shenjun.

From the daytime to the present, the magic soldiers guarding Lieyang Pass have almost turned over the entire Lieyang Pass, and have not found Mo Yan's whereabouts. , had no choice but to report the situation to Haotian God.

Chapter 4599

Knowing the situation, Haotian Shenjun did not hesitate at all, and directly led thousands of divine soldiers to Lieyang Pass. By coincidence, they happened to meet Yue Feng and Moyan who came out of the secret passage.

Oops!

Seeing Divine Sovereign Haotian, both Yue Feng and Mo Yan's expressions changed.

Especially Yue Feng, his brows furrowed, he could not laugh or cry.

This Nima's luck was too bad, she finally escaped from Lieyang Pass and met Haotian Divine Monarch again.

Swish!

At the same time, Haotian Divine Sovereign and the surrounding divine soldiers also saw Yue Feng.

Because Yue Feng was wearing a thousand-changing mask, and Mo Yan was wearing a veil, and taking the shadow-shading pill, hiding the power of the demon soul, the Haotian God Sovereign did not recognize it at all.

However, Yue Feng was wearing a suit of armor, which still attracted the attention of Haotian God.

“Stop!”

At this time, Haotian Shenjun spoke lightly and asked Yue Feng, “What’s your name? What are you doing when you came out of Lieyang Pass in the middle of the night?”

Speaking of which, if Yue Feng was wearing ordinary people’s clothes, Haotian God Jun will not doubt, but he is wearing the armor of Lieyangguan generals guarding the city, which is worth scrutinizing.

Nima!

Hearing the question, Yue Feng wanted to cry without tears.

I thought it would be more convenient to wear a general’s armor when I went outside if I encountered the defenders of Lieyang Pass, but I didn’t know that the defenders did not encounter them, but they encountered the Haotian God.

However, Yue Feng quickly regained his senses, with a respectful look: “My name is Feng Tao, and I am Lieyangguan guarding the city.”

“Bold!”

As soon as the words fell, a god general beside Haotian God Lord couldn’t help but scolded: “A small city gate guard, really has no rules at all, this is His Royal Highness the dignified God King, don’t you kneel down and salute?”

God King ?

Yue Feng was stunned for a moment, and couldn’t help but sigh in his heart.

As soon as the Nine Heavens God left, the status of this Haotian Divine Sovereign has skyrocketed, and now he has become a Divine King.

In his heart, Yue Feng knelt down and

said respectfully, "I have seen His Royal Highness." To be honest, Yue Feng didn't want to be so spineless, but in order to leave smoothly and Mo Yan's safety, he chose to endure humiliation and bear the burden.

The moment he knelt down, Yue Feng gestured to Mo Yan secretly.

Mo Yan hesitated for a while, and had to bow to Haotian Divine Sovereign.

Compared to Yue Feng, Mo Yan hated Haotian Divine Sovereign even more. At this time, she wanted to do it, but she held back. After all, she was the only hope for the revival of the Demon Race.

Um!

Seeing Yue Feng's reaction, Haotian Divine Sovereign nodded with satisfaction, and then asked: "You haven't said yet, why did you leave Lieyang Pass so late?"

This...

Yue Feng pondered and responded: "Reporting to His Royal Highness, my family is seriously ill, so I hurried back to visit, and I have already obtained the approval of the general."

As he said, Yue Feng took out Lu Chengdong's token.

In this way....

Haotian Shenjun nodded thoughtfully, and then his eyes fell on Moyan: "Who is this woman?"

At this moment, Yue Feng's heart was inexplicably tight, but he still squeezed out a smile, serious and serious. said, "She is my beloved wife, and she came home with me!"

When he said this, Yue Feng looked casual, but his heart became nervous.

Mad, it's not easy to fool this Haotian Divine Sovereign, I just hope he doesn't notice it.

At the same time, Mo Yan's heart beat faster, and at the same time, she couldn't help but glared at Yue Feng.

This bastard, who took away his innocence before, and now publicly calls me his woman, is so shameless.

Beloved wife?

Hearing this answer, Haotian Shenjun frowned secretly.

Why doesn't it look different?

This woman looks annoyed, how can it be like a husband and wife?

“Are you sure she is your wife?”

At this time, Haotian Divine Monarch's eyes flickered, and he looked at Yue Feng and said word by word, “Isn't it a common girl who took advantage of her power and robbed her?” What the hell

!

At this moment, Yue Feng's heart trembled and he frowned secretly.

The Haotian Divine Sovereign really looked like a torch, and he could see the clue at a glance.

Thinking to himself, Yue Feng hurriedly took Mo Yan's hand and said with a smile: “Wife, the family's illness will soon be cured, don't be uncomfortable, looking at your appearance, His Royal Highness the God King thought you were It's the girl I stole. Call me husband. Don't let people misunderstand.”

Chapter 4600

said, Yue Feng lowered his voice and said: “The situation is urgent, we can only leave completely if we lied to Haotian Divine Lord, and I have no choice but to do so.”

When he said this, Yue Feng looked very serious.

call!

Hearing this, Mo Yan was extremely ashamed and angry, but after thinking about it, she gradually calmed down.

That's right, Yue Feng said it well, it's just... how do you say those two words?

At this time, Mo Yan was shy and angry. This man had taken away his innocence, and now he has to call his husband...

After struggling for a few seconds, Mo Yan finally gave in, her red lips parted lightly, and she pointed at Yue Fengqing. He shouted softly: “Husband.” The voice fell, and the delicate face was extremely red, and it was too shy.

To be honest, calling her husband Yue Feng, Mo Yan felt ten thousand reluctance in her heart, but she had no choice. It was not advisable to stay here for a long time. The longer it took, the worse it would be for herself.

Haha...

Yue Feng smiled and nodded in response, feeling very happy inside.

I really didn't expect that the always arrogant and cold female demon king would be shy, and this husband's voice was quite pleasant.

Thinking to himself, Yue Feng looked at the God of Haotian and said respectfully, "His Royal Highness, may I go?" The God of

Haotian nodded and asked, "Yes, but I have one last question."

Yue Feng hurriedly said: "Your Highness, may I ask you!"

"Since you are going home to see the patient, why is there no soldier to escort him?" Haotian Shenjun said slowly.

Although the position of the general is not large, it is not so shabby to go home to see the patient, not even a soldier accompanying him.

Uh....

Yue Feng scratched his head, his mind turned quickly, and replied: "Report to His Highness the King of God, today there is a female devil in Lieyang Pass, and all the guards have been sent to inquire about the situation, so at the end of the day. The general didn't lead anyone, and speaking of it, the last general's family matters are small, and catching the devil's head is the big thing."

When he said this, Yue Feng had a serious face, and was secretly proud of himself.

He is so witty, and this answer is almost flawless.

Um!

Haotian Shenjun also nodded in approval: "Well, you are right, it is very important to catch the devil's head, so let's go."

Hearing this, Yue Feng and Moyan were secretly relieved.

Finally got fooled.

After that, Yue Feng pulled Mo Yan and quickly walked towards the distance!

“Wait.”

However, before taking two steps, the voice of Haotian Divine Monarch was heard again.

Although Yue Feng said that nothing leaked, the careful Divine Monarch Haotian still found something suspicious.

Lieyang Pass has two city gates, one south gate and one east gate. If this general leads home to see a patient, he will either go through the south gate or the east gate, but he and his wife appear in the north of Lieyang Pass. remote place.

At this moment, Yue Feng stopped in his footsteps, looked back at Haotian Divine Monarch, and made a very respectful look: “What other orders are there from His Highness Divine Monarch?”

Haotian Divine Monarch’s face was gloomy: “Where is your home?”

This...

Yue Feng scratched his head: “It’s in a village a few miles south of Lieyang Pass!” When he said this, Yue Feng’s face was sincere, but his heart was a little uneasy.

Yes, Yue Feng is talking nonsense. He has never been to Lieyang Pass a few times, and he has no idea if there are any villages nearby.

“It really is nonsense.”

Upon hearing the answer, Haotian Shenjun sneered, then raised his hand and waved: “Encircle it.”

Whoa!

In an instant, the thousands of divine soldiers behind them acted one after another and surrounded Yue Feng and Moyan.

The atmosphere suddenly became solemn.

Made!

Yue Feng was shocked and angry, did he finally reveal it?

Mo Yan was also trembling faintly, nervous and annoyed at the same time. This Haotian Divine Sovereign was so cunning. The two of them concealed it so well, but they were still suspected in the end.

call!

Finally, Yue Feng calmed down and looked puzzled: "His Royal Highness, what does this mean?"

Haotian Shenjun slowly stood up from the chariot, stared at Yue Feng, and said word by word: "This **** king came from the south of Lieyang Pass. There are no villages within a few dozen miles of the vicinity. Also, Lieyang Pass only has the south gate and the east gate, but you appear from the north, so what you said before is all It's fake!"

After speaking, Haotian Shenjun stopped talking nonsense and said coldly: "Take it!"
