

The ultimate husband in Chinese chapter 4641-4650

Hmm!

Seeing that he was still cooperative, Yue Feng nodded.

At this time, Prince Aolin came over, smiled and congratulated: "Congratulations, Master, there is one more disciple." To be honest, he was not used to Aotian and Taiyi Immortal Venerable for a long time. Take the opportunity to suppress the opponent's momentum.

Yue Feng waved his hand and said slowly: "What's there to congratulate, my family never accepts waste, even if I do, I can only recognize a named disciple."

Shah!

Hearing this, Immortal Venerable Taiyi only felt a blackness in front of him, and he almost fainted.

This Qingxu Xianweng is really going too far, even referring to Sang and scolding Huai, saying that he is a waste.

At this time, Xianweng Qingxu didn't know yet, and the matter was not completely over yet.

"Taiyi Immortal Venerable!" At this time, Yue Feng wiped his nose, looked at Taiyi Immortal Venerable and said word by word: "When we made a bet just now, it wasn't just calling Master and it was over, did you forget

something?"

As soon as he fell, Prince Aolin also said: "What? It's the first time to pay respects to Master, don't you know how to bow?"

"I..."

Tai Yi Xian Zun's face flushed with anger, and he was extremely embarrassed, but he had nothing to refute. .

After all, the other party said it well. In the bet just now, the party who was really going to lose saluted. And this kind of salute is not bowing, but kneeling.

call!

Embarrassed, Immortal Venerable Tai Yi took a deep breath, endured his anger, and knelt directly in front of Yue Feng with his knees bent. At this moment, all his dignity and pride were all forgotten at this moment.

This chapter is provided by . Visit for daily update.

“Meet Master...” Immortal Venerable Tai Yi lowered his head and said slowly.

“This is decent.”

Seeing this, Yue Feng showed a smile and nodded with satisfaction: “Okay, get up.”

After speaking, Yue Feng tilted his head towards Empress Hua Zhao and said with a smile: “Niang Niang, just now You said you were going to hold a banquet to celebrate Prince Aolin’s successful taming of Xuankun, shouldn’t you break your promise?”

Shuh!

The voice fell, and the eyes of the audience all converged on Empress Hua Zhao. Each one has a complicated expression.

Immortal Taiyi worshipped him as his teacher and lost all face, and Immortal Taiyi was also the master of Prince Aotian, and Empress Hua Zhao, who was the mother of Prince Aotian, naturally also lost face.

And this immortal man of Qingxu is really bold.

At this moment, Lady Hua Zhao’s delicate face was also extremely cold. Her eyes seemed to be able to reveal sharp arrows. She looked at Yue Feng coldly and said, “Bengong always speaks volumes.”

At this time, Lady Hua Zhao was angry. No, my son’s master, calling someone else’s master and embarrassing himself, how can he still have the mood to hold a banquet? But you are precious as your mother, and what you have said cannot be counted.

“Okay!”

Yue Feng nodded with a smile: “That’s good, I will reserve a good place for the old man tonight, and the old man should have a good drink.”

Shuh!

Hearing this, Empress Hua Zhao’s face was extremely ugly, and her heart was filled with anger. This immortal Qingxu was really abominable.

At this time, Empress Hua Zhao did not know that the immortal Qingxu in front of her was not an immortal at all, but Yue Feng in disguise.

However, Madam Hua Zhao didn't have a seizure due to her identity, so she said coldly, "Let's go!" The voice fell, and she quickly walked out of the spirit beast garden.

Prince Aotian and Immortal Venerable Taiyi quickly followed.

However, when he was about to leave, Prince Aotian did not forget to turn his head and glared at Yue Feng. Ma De, this old man has humiliated himself and his master. If there is a chance in the future, he will definitely pay it back.

Yue Feng didn't care about Aotian's eyes.

After a while, the priests also left.

"Master!"

At this time, Ao Lin couldn't hide his surprise, and said to Yue Feng: "You are really amazing, you not only helped me tame Xuan Kun, but also made Mother Hua Zhao angry, the entire God Realm dares to be like this. When Empress Hua Zhao spoke, Master was the first."

Hearing these words, Yue Feng smiled involuntarily.

the other side.

Empress Hua Zhao returned to Yuyao Xianyuan and sat in the bedroom, the more she thought about it, the more angry she became.

I thought that the immortal Qingxu would only brag and not have much ability, but he never expected that the other party would hide it.

Chapter 4642

At this moment, Prince Aotian walked in with a face full of shame and anger.

"Queen Mother!"

Aotian Prince said indignantly when he came to the front: "Ao Lin still has that 'Qingxu Xianweng', it's really abominable, even let Taiyi Xianzun call his master in public, Xianzun is mine Master, so I will become his disciple and grandson?"

"After losing such a big face, where will the emperor's face go in the future."

When he said this, Prince Aotian's eyes were full of anger and unwillingness .

Mad, today's bad breath must not be swallowed like this.

"Okay!"

Empress Hua Zhao was so annoying, she frowned when she heard his nagging, and said angrily: "You still have the face to complain to me? It's not because of you and Taiyi Immortal Venerable today. Being complacent and underestimating the enemy, how could this result?"

"It's a bet you made, everyone is watching, what can the mother do?"

Uh...

Hearing the scolding, Aotian lowered his head, his face embarrassed. .

"Strange!" At this moment, Empress Hua Zhao frowned, unable to hide her doubts, and said to herself, "How did Aolin tame Xuan Kun just now? How did that huge storm come about? "

While talking to herself, Empress Hua Zhao's mind came to the scene at that time, but she still didn't have any clue, because at that time, Aolin and Xuan Kun were completely shrouded in the storm and could not see it at all.

Seeing Empress Hua Zhao's appearance, Prince Aotian couldn't help but say, "Empress mother, I don't think Ao Lin has that great ability at all. The key point is that Immortal Weng Qingxu."

Saying that, Prince Aotian's eyes flickered with a hint of ruthlessness: "Maybe, Xuan Kun suddenly became violent. It was him who did it. Otherwise, how could he see Xuan Kun's weakness so easily?"

At this time, Prince Ao Tian, My heart was full of anger and resentment, and under the stimulation of anger, I began to speculate at random.

call!

Hearing this, Empress Hua Zhao pondered.

The son's words are not unreasonable, and there is indeed a possibility. You must know that Xuan Kun is tyrannical and has never been in a situation for so many years. How could he suddenly be violent?

And the immortal Qingxu is a fairy from outside the sky. Although he looks crazy, he is secretive and makes Xuan Kun violent. It is not impossible.

It's just...

these are speculations, and there is no evidence at all.

Thinking to herself, Empress Hua Zhao said softly: "Aotian, we have no evidence, so don't talk nonsense."

Prince Aotian smiled and said slyly: "Mother, we can find no evidence, you Forget, the little sister Xi Ya and Ao Lin are so close, she must know something..."

Hu!

These words woke up Empress Hua Zhao, she nodded her head at that time, and said happily: "Yes, why didn't the Empress think of this?"

After speaking, Empress Hua Zhao summoned a divine soldier and said, "Go, immediately. When you find Princess Xiya, it is said to be the call of this palace."

"Yes, madam!"

Upon hearing the order, the magic soldier answered and hurried to do it.

Haha...

Seeing this, Prince Aotian showed a smile, and his eyes were even more gloomy.

Ao Lin, don't think that you are in the limelight today, so you are proud of yourself. When I find the evidence, it will make your death ugly.

....

on the other side. Yuxi Xianyuan.

In the hall, at Yue Feng's order, several maids quickly got a sand table and came out.

Prince Ao Lin stood by the side respectfully. Speaking of which, Ao Lin had some doubts about this new master's ability at first, but through Xuan Kun's affairs, he realized that the master has real talents and practical learning. In an instant, there was a little more reverence in my heart.

"Okay!"

At this moment, Yue Feng waved at Aolin, pointed at the deployed sand table and said, "His Royal Highness, today I will teach you the method of arranging troops for the teacher. You must study it seriously."

"Yes, Master!" Ao Lin nodded obediently.

Yue Feng nodded, and then began to teach seriously.

Ao Lin listened very seriously, and took every word that Yue Feng said in his heart, without any slack.

Seeing him so smart and eager to learn, Yue Feng was also extremely relieved. If he becomes the Emperor of Heaven in the future, he will be the blessing of the world.

“Brother!”

As he was teaching, he heard a call from outside, followed by a slender figure running in.

It’s Princess Xia!

Chapter 3643

Hu...

At the same time, Ren Yingying and everyone couldn’t help but sweat for Sun Dasheng.

Long Qianying’s body trembled even more, and she couldn’t help but exclaimed: “This... This is the ‘Ten Thousand Swords Returning Sect’ stunt, she actually learned it.” When he said this, Long Qianying’s eyes were full of eyes. shock.

As soon as the voice fell, Ren Yingying and the others all looked at Long Qianying with curious eyes.

“What Ten Thousand Swords Return to the Sect?” Ren Yingying couldn’t help but ask.

Long Qianying breathed a sigh of relief, her whole body trembled with excitement, her eyes looked at Long Qianyu in mid-air, and she said word by word: “Wanjian Guizong is the strongest sword art of our Nanyun royal family. The army has ten thousand horses, but few people have practiced it for thousands of years.”

“I didn’t expect that it took my sister only three years to practice it...” At the

end, Long Qianying stared at the air. , the tone is full of worry: “Although Sun Dasheng has the opening axe, but facing this move, Wanjian returns to the ancestor, I’m afraid it can’t stop it...”

Chi Chi...

Long Qianying’s voice just fell, and Seeing the thousands of sword shadows, tearing apart the world, they rushed towards Sun Dasheng. In an instant, all of Sun Dasheng’s retreats were blocked.

Nima!

At this moment, Sun Dasheng clenched his fists tightly, and his heart was full of anger.

Crazy, this Long Qianyu is really crazy!

Muttering in his heart, Sun Dasheng hurriedly stimulated his inner strength, swung the Heaven-opening Axe, and formed a protective film around his body.

boom!

That is, at this moment, several sword shadows erupted, slammed into the protective film, and heard a violent vibration, and the protective film shattered instantly!

At the same time, Sun Dasheng was also shaken back a few steps, his face pale.

Chi Chi...

Before standing firm, the rest of the sword shadows in the sky, carrying the momentum of thunder, came to Sun Dasheng again.

Seeing this scene, everyone in Ren Yingying not far away was shocked.

“Be careful...”

“Don’t...” In the

exclamation, Ren Yingying stomped her feet even more anxiously. If only Xiao Xi was here, she was the younger sister of the patriarch of the Shenlong clan. She was very powerful. Long Qianyu sent a large army to the Ouyang family to forcibly take Long Qianying away, but Xiao Xi arrived in time to repel the strong enemy.

However, at this time, Xiao Xi was in retreat in the Ouyang family, and far water could not save near fire.

Everyone exclaimed, and Sun Dasheng was also pale and desperate.

Did it die like that? I’m so unhappy.

At this time, Dasheng Sun was very aggrieved. He thought that he had the opening axe and could easily deal with Long Qianyu, but he never thought that the most powerful sword technique that Long Qianyu broke out was so terrifying.

“Go to hell, Sun Dasheng!”

Looking at the thousands of sword shadows and walking towards Sun Dasheng, Long Qianyu's red lips lightly opened, and he spat out a few words coldly, his delicate face was full of coldness.

This Great Sage Sun dared to blaspheme himself, and it would not be a pity to die a hundred times.

“Sister!”

At this time, Long Qianying, who was not far away, couldn't bear it any longer, and shouted at Long Qianyu: “Please be merciful and bypass Dasheng Sun.”

In Long Qianying's heart, Dasheng Sun is Yue Feng's. Sworn brother, how can I watch him die?

However, Long Qianyu didn't seem to hear her words, the jade hand slowly raised, and the sword shadow that filled the sky suddenly accelerated.

Chapter 4644

“Okay!”

Seeing that she didn't admit her mistake, Prince Aolin was so angry that he raised his finger and pointed out the door: “You don't apologize, right? From today, you don't call my brother again, and don't come here in the future. Look for me, I, Aolin, don't have a younger sister like you.”

“Brother!”

Seeing that Aolin was really angry, Princess Xiya was shocked and panicked, biting her lip, unable to express her grievance.

She never imagined that her brother, who had always loved her, would really turn against her for a master at this time.

“Master!”

After being stunned for a few seconds, Princess Xiya walked slowly to Yue Feng and said in a low voice, “I'm sorry! I was wrong just now, I hope Master doesn't take offense.”

When she said this, Princess Xiya's voice was very quiet. Small, you can't hear it if you don't listen carefully.

That's right, she didn't apologize sincerely at all, she just did it for Ao Lin to see.

Speaking of which, she didn't want to bow her head, but she couldn't help it. If she didn't apologize, her brother wouldn't recognize him.

Yue Feng stood there with no expression on his face, half a smile but no response.

"The voice is too low." Ao Lin frowned and said coldly.

call!

Princess Xi Ya bit her lip tightly, she was so angry that she apologized, but her brother was not satisfied, she was really angry.

All because of this white-bearded old man.

Thinking to herself, Princess Xi Ya's resentment towards Yue Feng deepened.

But he didn't show it on his face, instead he bit his lip and said again, "Master, I'm sorry, Xia knew it was wrong."

Hmm!

Yue Feng didn't care at all. Seeing that her attitude was okay at this time, he nodded and said with a smile: "It's alright if you know your mistake, and when you come to His Highness in the future, you have to say it in advance, and you can't break in directly, I know. Is it?"

Preaching is a big deal, and this Princess Xia's reckless manner can't make her a bad thing.

"Xia knows." Princess Xia nodded.

Yue Feng was no longer talking nonsense and waved his hand: "Okay, you go out first, when His Highness finishes learning today's things, he will accompany you to see Bingmei."

Princess Xiya responded and looked at Ao Baba aggrievedly. Prince Lin took a look and walked out.

"I'm so pissed off!"

When she got outside, Princess Xiya stomped her feet, her delicate and beautiful face was full of anger: "This abominable white-bearded old man, I don't know what kind of ecstasy soup he poured into his brother, but he actually obeyed him. The brother who harmed me stopped playing with me, and he still murdered me."

"When this princess finds a chance, I must rectify this hateful old man."

While muttering, Princess Xiya walked towards Nanxi Mountain. , I plan to go to see Bingmei alone.

“His Royal Highness!”

Before walking too far, he saw a divine soldier hurriedly approaching, and respectfully said to Princess Xiya, “Your Highness Princess, stay.”

“Go away!” Princess Xiya frowned and scolded her in a bad mood. Said: “This princess is annoying, don’t disturb me, or you will pull your skin.”

Gudong!

The magic soldier looked terrified, and the cold sweat broke down in an instant. Who in the entire God Realm did not know Princess Xi Ya’s stubbornness, but still summoned the courage to say: “Princess, calm down, it’s not that your subordinates deliberately stopped you, it’s the empress who has something to call.”

Said . At these times, the Divine Soldier was very careful.

Mother called me?

Princess Xia frowned.

During this period of time, because of the matter of succeeding to the throne, the queen mother often discussed matters with her eldest brother Aotian. She seldom saw herself. Why was she suddenly summoned today?

Muttering, Princess Xi Ya didn’t think much, and let the magic soldier lead the way.

Soon we arrived at Yuyao Xianyuan.

Entering the bedroom, I saw Empress Hua Zhao, dressed in a gorgeous robe, sitting quietly on the soft couch, next to Prince Aotian.

Several maids stood quietly by the side.

Seeing Princess Xiya coming in, Empress Hua Zhao showed a smile, then waved her hand to signal the maids to step back.

Princess Xiya took a step forward and bowed: “Xiya has seen her mother!”

Hmm!

Empress Hua Zhao smiled and nodded, indicating that she would be excused.

At this moment, Ao Tian, who was sitting next to him, frowned and looked unhappy: "Little sister, you only know how to say hello to the queen mother, but don't you know how to salute the elder brother?"

Thinking of the little sister, he always turned to Prince Aolin, and his heart even more unpleasant.

Chapter 4645

Seeing Aolin's face full of displeasure, Princess Xi Ya didn't panic at all, sticking out her tongue mischievously: "Big brother is not the emperor of heaven, why should I salute."

"You..."

Hearing this, Prince Aotian was very angry, this stubborn little girl is really a pot that can't be opened and raised.

Seeing this scene, Empress Hua Zhao shook her head with a wry smile. This brother and sister were born to be friends, and they bickered when they met, which was really a headache.

The next second, Empress Hua Zhao said, "Okay, okay, you two are brothers and sisters, why do you feel like enemies when you meet?"

Seeing the mother's opening, both brothers and sisters closed their mouths.

"Xiya!"

At this time, Empress Hua Zhao breathed a sigh of relief and asked with a smile: "The mother asked you something, you must answer truthfully."

"What does the mother want to ask?" Xi Ya fiddled with her fingers, absent-mindedly asked.

Madam Hua Zhao thought for a while, and then said slowly, "The queen mother asked you, how much do you know about his new master when you spend a lot of time with Ao Linti these days?"

Shuh!

Seeing her mentioning Yue Feng, Princess Xiya suddenly became annoyed and pouted, "I don't understand that old man with a white beard."

Thinking of being forced by Ao Lin to apologize just now, Xiya felt in her heart. Unspeakable suffocation.

After hearing the answer, Empress Hua Zhao was stunned for a while, but she was still a little unwilling to give up: "Just now at the Spirit Beast Garden, what method did Xianweng Qingxu teach Ao Lin to suspend the Xuan Kun?"

Xi Ya was beside him at that time, Certainly know some.

Madam Hua Zhao thought about it, as long as she finds any clues to prove that Xuan Kun's madness is the ghost of the 'Qingxu Xianwen', she will not be soft-hearted.

At this moment, Prince Aotian also looked closely at Princess Xiya, waiting for her answer.

This...

Princess Xia frowned, tried her best to recall, and responded, "I don't know either. At that time, the white-bearded old man quietly told his brother a few words, and then he rushed over.

" At that time, Princess Xi Ya didn't know yet that Yue Feng quietly gave Prince Aolin a pendant.

Just a few words?

So simple?

At this moment, Empress Hua Zhao and Prince Aotian looked at each other, and they were a little surprised at each other.

"Queen Mother!"

At this time, Princess Xiya reacted and asked inexplicably, "Why are you asking these questions? Isn't Xuan Kun already tamed, is it all right?"

" The insidiousness of the struggle.

Empress Hua Zhao bit her lip lightly, not knowing how to answer for a while, after all, the things involved are too sensitive.

"Little sister!"

Prince Aotian couldn't help but frowned, "Are you really stupid or fake? What do you think your mother asks you for? Of course, it is to help my eldest brother compete for the throne of Heavenly Emperor in the future."

"It's not that I told you, Xi Ya, in terms of blood relationship, we are brothers and sisters, but you are always facing Ao Lin, don't you know that he is my competitor?"

When he said this, Prince Aotian was very is angry.

What?

Hearing this, Princess Xi Ya's heart trembled, and she was stunned.

Empress mother and elder brother, are you going to deal with brother Aolin?

In the next second, Princess Xi Ya reacted and shook her head: "No, Ao Lin has always loved me since he was a child and has been playing with me. I forbid you to deal with him."

Seeing her reaction so strongly, Empress Hua Zhao and Prince Ao Tian both It is urgent and angry.

This silly girl, how do you turn your arms out?

In anger, Prince Aotian was about to scold, but was interrupted by Empress Hua Zhao.

"Xiya!"

At this moment, Madam Hua Zhao endured the dissatisfaction in her heart, and said with a pleasant expression: "Don't get excited, the mother and your elder brother are not dealing with Ao Lin. After all, they are also brothers, how could it be possible? Will you fight to the death?"

"The questions your mother asked you just now were mainly to understand the immortal Qingxu, because the mother felt that there was a big problem with this immortal Qingxu, and she might bring bad Aolin. When something happened to Lin, it was our royal family who was embarrassed."

When she said this, Empress Hua Zhao's delicate face was full of seriousness, but her eyes were somewhat sinister.

She knew that Princess Xiya had a close relationship with Ao Lin, and she told the truth directly. Xiya would definitely refuse, so she decisively changed her strategy and deliberately shifted the topic to Yue Feng.

The ultimate husband in Chinese chapter 4646-4650

Chapter 4646

"The queen mother said well."

Hearing these words, Princess Xi Ya nodded with sympathy: "That old white-bearded man is a big liar, I have seen it for a long time, but brother Aolin doesn't know. Why, I listen to him very much."

Princess Xiya felt annoyed at the thought of being forced to apologize to Yue Feng just now.

Princess Xiya's mind is pure, and she doesn't know at this time that she has already fallen into the trap of Empress Hua Zhao.

Um!

Seeing her say that, Empress Hua Zhao showed a smile and nodded: "You can see it, Xi Ya, you have grown up now, you can't only know how to play, but also know how to do something for our royal family!

"Now the queen has given you something, I hope you will not let the queen down."

Princess Xi Ya's eyes flickered, and she answered crisply: "What's the matter, please tell the queen."

"It's very simple!"

Empress Hua Zhao looked profound. With an unpredictable look, he smiled and said, "From now on, you will do everything possible to pay attention to Xianweng Qingxu's every move, especially when he is with Ao Lin, what he does, what he says, and everything he does. Report to the mother in detail."

"The mother did this to remove the mask of this immortal Qingxu, and also for the safety of your brother Aolin, understand?"

Hu!

Hearing this, Princess Xiya nodded without hesitation: "Xiya understands, I will definitely not live up to my mother's expectations." When saying this, Princess Xiya secretly clenched her pink fist.

Speaking of which, she was originally dissatisfied with Yue Feng, but at this time, when she heard that Empress Hua Zhao wanted to investigate Yue Feng secretly, she couldn't even ask for it.

"All right!"

This chapter is provided by . Visit for daily update.

Seeing her promise, Empress Hua Zhao showed a smile and praised: "You have been clever since you were a child, you will definitely not disappoint your mother, go ahead, be careful." Princess Xiya responded and walked out of the bedroom full of joy.

"Queen Mother!"

As soon as his forefoot left, Aotian said with a smile: "It's still you who is amazing, the little sister has such a stubborn personality. When she came to you, she was still obediently treated."

Princess Xi Ya had been helping just now . When Ao Lin spoke, Ao Tian almost lost his mind in anger.

Empress Hua Zhao breathed a sigh of relief and said angrily: "You, you should learn the way of manipulating people in the future, Xi Ya is also your sister, why are you arguing when you meet? Even if she has a good relationship with Ao Lin, it's just Temporary, after all, you are connected by blood."

"When you encounter this kind of thing in the future, just think about what the mother did just now. Do you know?"

"Yes!"

" : "Follow my mother's teaching."

When answering, Aotian looked outside the palace, his eyes flashing gloomy.

Ao Lin, little sister never thought that she would be used by her mother, you should just die.

"Okay!"

At this moment, Empress Hua Zhao looked at the sky and slowly got up: "It's getting late, the banquet is almost ready on purpose, let's go."

As she spoke, surrounded by a few maids, Walk out of the bedroom and head towards the Yutian Palace.

Prince Aotian followed closely.

Half an hour later, Yutian Palace.

At this time, the night had just come. This was the solemn and solemn Yutian Palace. At this time, the lights were bright and it was unusually lively.

The violent Xuankun during the day was successfully tamed by Prince Aolin, for which Empress Hua Zhao specially held a banquet to celebrate.

I saw that there were thousands of seats in the huge Yutian Palace, and all the priests were almost there. They all smiled and kept toasting to Prince Yue Feng and Prince Aolin.

Empress Hua Zhao, who was sitting on the throne, had a faint smile on her delicate face, but her heart was full of unpleasantness.

Originally, the protagonist of tonight's banquet should be his son Ao Tian, but this honor was snatched away by Ao Lin. Whoever changed it would not be happy.

Immortal Venerable Taiyi sitting in the corner was almost unconcerned and seemed very calm.

Mad!

Seeing the master and the apprentice taking the limelight at the banquet, Prince Aotian, who was sitting there, had a black line on his forehead, and his face was even more gloomy.

Today's banquet was supposed to be a celebration for me, but it was robbed by you. This bad breath must be released tonight.

Muttering viciously in his heart, Prince Aotian thought about it, and soon thought of a wonderful attention.

Chapter 4647

Get this Qingxu Xianwen drunk first, and then find an opportunity to frame him.

Thinking to himself, the gloom in Prince Aotian's heart was swept away, and he slowly stood up with a smile on his face.

"Queen Mother!" In the

next second, Prince Aotian said to Empress Hua Zhao, "I will also go to toast two drinks at the bar." As he spoke, he looked at Yue Feng not far away, intentionally or unintentionally.

Madam Hua Zhao was stunned for a moment: "Are you going to toast?"

When she said this, Madam Hua Zhao was very stunned. You must know that this son has always been arrogant and arrogant. Toasting an opponent is really surprising.

Prince Aotian smiled and said solemnly: "Empress mother, although Ao Lin and I are competitors, how can you say that they have successfully tamed Xuan Kun today, which makes our God Realm less hidden, so I'm going to toast the wine too. It should, and it doesn't make us stingy, doesn't it?"

Prince Aotian didn't mean what he said. But he just thought about it. He was going to frame the other party tonight, so he should not tell Empress Hua Zhao for the time being. After all, this is not a glorious thing.

"Yeah!"

Hearing this, Empress Hua Zhao nodded her head in relief: "You have this kind of bearing, and the Queen Mother is very happy. Go ahead." To

be honest, Empress Hua Zhao really wanted her son to sit on the throne of Heaven . , but also don't want him to be a tyrant, but want him to be recognized by everyone.

Therefore, I was very happy to see him showing a different bearing than before.

"Hehe..."

At this time, Prince Aotian came to the front, raised the cup at Yue Feng, and said with a smile: "Your Excellency Xianweng, this prince will also come to toast you."

At this time, Aotian Xingzi had a smile on his face and looked very polite. call!

Seeing this scene, the surrounding priests were all stunned.

Prince Aotian actually put down his identity and took the initiative to come over to toast? Doesn't this look like his brother Feng?

Yue Feng and Prince Aolin were also stunned, and looked at each other in surprise.

The next second, Yue Feng said lightly: "Your Highness is polite."

He said that, but did not immediately raise his glass.

Mad, this idiot suddenly became so polite, something was wrong.

"Haha..."

Seeing Yue Feng's vigilant face, Prince Aotian showed a smile, and said humbly: "Your Excellency Xianweng, I have been a little offended by this prince before. Speaking of which, today's Immortal Venerable instructing Ao Lin to tame Xuan Kun is really eye-opening. This prince is also very admired."

“In order to show sincerity, this cup of wine is served by the prince first.” The last sentence fell, Prince Aotian took the glass and drank it, then looked at Yue Feng with a smile, very polite.

Phew...

Seeing this situation, Yue Feng frowned secretly, and couldn't help but muttered in his heart.

This Prince Aotian really changed his temper? No, this kid must have some conspiracy.

Well, I'll see what the hell you're up to.

Thinking to himself, Yue Feng laughed, patted Prince Aotian on the shoulder, and said in a tone of elders teaching the younger generation: “Well, yes, knowing mistakes can be corrected, greatness is great.”

“Although your ability is indeed not as good as Aotian's. Lin, but this attitude is quite commendable.”

As he spoke, Yue Feng paid attention to the change in Prince Aotian's expression.

Yes, Yue Feng said this on purpose. He knew that Prince Aotian had bad intentions, so he deliberately stimulated him.

Made!

Hearing this, Prince Aotian was very angry, but he didn't show it well, so he gritted his teeth and smiled, nodding in response: “Yes, Your Excellency Xianweng is right, come, I'll give you another toast. “

Yue Feng was also welcome, and smiled and had another drink with him.

what's the situation?

At this time, Immortal Venerable Taiyi was sitting in the corner not far away, and when he saw this scene, he frowned, and he was both displeased and puzzled.

Has His Royal Highness been crazy? It was so embarrassing to be in the Spirit Beast Garden in the daytime, but at this time, he took the initiative to go up to toast?

In doubt, Immortal Venerable Taiyi couldn't help but came over, pulled the sleeve of Prince Aotian, and whispered: “His Royal Highness, what are you doing?”

Chapter 4648

At this time, Immortal Taiyi has a very complicated mood.

Calling Master Yue Feng in public during the day has already made him very angry. At this time, seeing Prince Aotian taking the initiative to show his favor to the other party, his heart is even more uncomfortable.

But he knew that Prince Aotian would not do this for no reason, there must be a reason.

call!

Prince Aotian took a deep breath and was about to respond, but was interrupted by Yue Feng. "Oh!" Yue Feng looked at Immortal Taiyi with a

smile: "Isn't this the famous Immortal Taiyi? What? What happened during the day, you forgot so soon?"

High attitude.

To be honest, Yue Feng didn't want to do this either, but in the Spirit Beast Garden during the day, this Taiyi Immortal Venerable was too arrogant.

Swish!

As soon as the voice fell, the eyes of the entire Yutian Palace instantly converged on Immortal Venerable Taiyi.

At this moment, Immortal Taiyi's face flushed and it was extremely ugly, but he still held back, bowed deeply, and politely said: "I have seen Master."

At this time, Immortal Taiyi was indescribably humiliated and regretful. .

If I had known it would be such a shame, I would not have attended the banquet tonight.

Yue Feng nodded with satisfaction, then smiled and exchanged the cups with the surrounding priests, completely leaving the Taiyi Immortal Venerable and Prince Aotian aside.

Made.

Seeing this scene, Prince Aotian was very angry, but he held back, and pulled Taiyi Immortal Venerable to the next corner.

"His Royal Highness!" Immortal Venerable Taiyi was puzzled and asked first: "Why did you take the initiative to toast him? Did you forget how we were ashamed during the day?"

Saying that, Immortal Venerable Taiyi didn't forget to glance at Yue Feng, and continued: "Look at how proud he was just now, why did he put you in his eyes?"

Huh!

Prince Aotian breathed a sigh of relief, not angry at all, but smiled mysteriously: "Master, don't worry, this old thing is extremely hateful, I can't wait to smash him to ashes, how can I really show his favor to him?"

"I just thought about it . We have come up with a way, as long as it is successful, we can be ashamed." Prince Aotian became more and more excited, and lowered his voice: "Let's get him drunk first, and then take him to the Magic Treasure Pavilion when the banquet is over. ."

Magic Treasure Pavilion?

Hearing this, Immortal Venerable Taiyi was shocked and whispered: "His Royal Highness, the Huanbao Pavilion is a place for the concubine Nuwa to retreat. Could it be... Are you going to frame him?" Huanbao Pavilion is in the Yutian

Palace . The north, with a beautiful environment, is a place for the Nuwa Niangniang to retreat, but after the Nuwa Niangniang sacrificed herself for justice, it became a forbidden area. In the hall of the Magic Treasure Pavilion, there is a consecration of the essence of the goddess Nuwa.

At this time, Prince Aotian smiled slightly, and his face could not hide the sinisterness: "Yes, I just want to frame that Qingxu Xianwen, as long as this old thing is brought into the Magic Treasure Pavilion, this prince will immediately come back to tell his mother, saying He was bold enough to break into the Magic Treasure Pavilion and blaspheme Nuwa's maiden."

"Hey, at that time, no matter how big this immortal Qingxu is, the queen mother will easily forgive him."

Huh!

Hearing this, Immortal Venerable Tai Yi was full of excitement and nodded again and again: "His Royal Highness is really witty."

Then, he was a little worried: "But this matter is no trivial matter, once it is discovered, our reputation will be completely ruined. ."

Prince Aotian shook his head, with a confident look on his face: "Master, don't worry, let's be careful, we won't expose it."

"Okay!"

Immortal Venerable Taiyi thought for a while, and finally nodded with gritted teeth: "Just do it according to His Highness's wishes." Mad, for this bad breath in his heart, gave up.

Under the discussion, Prince Aotian and Immortal Venerable Taiyi walked over quickly, and together with the surrounding priests, kept toasting to Yue Feng.

Yue Feng was not polite, the wine was dry, and he drank a lot in a short while.

This....

Seeing this situation, Prince Aolin, who was on the side, realized that something was wrong, and looked for an opportunity to whisper to Yue Feng: "Master, the situation is not right."

"Why is it wrong?" Yue Feng said with a smile.

Ao Lin took a deep breath and said slowly: "I know Ao Tian too well, with his personality, he would never be so quick and soft, but tonight he is uncharacteristically toasting you all the time, I guess there must be a conspiracy, so I want to get you drunk. So Master, be careful and stop drinking."

Chapter 4649

"Haha!"

Yue Feng smiled slightly and comforted in a low voice: "Don't worry, Master is not drunk."

When Prince Aotian took the initiative to toast just now, Yue Feng realized that something was wrong and quietly took a pill 'Cui Lingdan', Cui Lingdan can always keep the spirit in a clear state, no matter how much wine you drink, you will not get drunk.

Seeing Yue Feng so confident, Prince Aolin nodded, no longer worried.

The banquet lasted for two hours.

During the period, Empress Hua Zhao also drank a few glasses of wine and left early.

After the banquet, the gods and officials left Yutian Palace one after another, but Prince Aotian and Immortal Venerable Taiyi deliberately stayed at the end.

"Master!"

At this time, Prince Aolin came over and said to Yue Feng, "Let's go too."

Yue Feng was about to respond, but was interrupted by Prince Aotian.

“Ao Lin!”

Prince Aotian smiled sincerely and said with a smile: “Why are you in such a hurry, I admire Senior Qingxu very much, I would like to take this opportunity to have a few more drinks with Senior tonight. Let’s go back.” The

plan has been figured out, how can he easily let him go?

This...

Prince Aolin frowned and hesitated.

At the same time, I am more certain in my heart that Aotian is so abnormal tonight, there must be a conspiracy.

Thinking of this, Prince Aolin wanted to say something, but Yue Feng shook his head secretly, and then pretended to be drunk: “Since His Highness Aotian said so, go back first, let’s have a few more drinks.

”, Yue Feng signaled Prince Aolin not to worry.

“Okay!”

Seeing that he was so confident, Prince Aolin didn’t say anything, nodded and turned to leave.

“Come on, continue serving wine!”

As soon as his forefoot left, Prince Aotian waved his hand and signaled to the maids around him to continue serving wine.

Yue Feng sat there, looking drunk and hazy, but his heart was very sober.

Three rounds of wine.

“No way!”

At this time, Yue Feng pretended to be invincible and waved his hands: “It’s getting late, I should go back.”

Hu!

Prince Aotian and Immortal Venerable Taiyi looked at each other with sinister smiles.

In the next second, Prince Aotian stood up, helped Yue Feng to stand up, and said hypocritically: "Okay, don't drink anymore, I will send Your Excellency Xianweng back." The

voice fell, and Immortal Taiyi also complimented: "I have to say, Xian Weng did drink a lot tonight, it's a huge amount, hehe."

Said, the two walked out of Yutian Palace with Yue Feng, but did not return to Yuxi Xianyuan, but went in the direction of Magic Treasure Pavilion.

Um?

Seeing this, Yue Feng frowned secretly.

This doesn't seem to be the way to get to Yuxi Xianyuan, right?

Doubtful, Yue Feng did not show it, but continued to pretend to be drunk and let them take them to the Magic Treasure Pavilion.

...

On the other side, the mainland of Kyushu.

In the northeast of Nayun Continent, there is a canyon that is several hundred miles long. The mountains here are dangerous, and most of the places are covered by dense forests and the environment is complex.

At this time, in this vast and boundless jungle, a slender figure is moving forward rapidly.

Delicate face, slender and charming curves, it is Mo Yan.

At that time, after the separation of Tianqi Continent and Yue Feng, Mo Yan was discovered by the subordinates of Haotian Shenjun. At that time, Haotian Shenjun organized a large number of magic soldiers and generals to chase and intercept Moyan all the way, intending to capture Moyan alive. In this case, Moyan had to flee all the way.

This month, Mo Yan hid everywhere, and finally had to leave the Apocalypse Continent and came to the Nanyun Continent.

call!

At this time, Mo Yan looked at the environment in front of her while walking fast, her delicate face couldn't hide the tiredness, she wanted to stop and rest, but she held back.

Once he stopped, he would be caught up by the magic soldiers behind him.

Unconsciously, after running for a few more hours, Mo Yan was sure that there were no chasing soldiers behind her, and finally stopped.

At this time, the sun sets and night falls.

Mo Yan looked around and saw a dilapidated temple in front of her. She walked in without any hesitation. The monastery is deserted, apparently no one has come for many years, but it can be rested for a while.

After entering the temple hall, Mo Yan cleaned out a clean place, sat cross-legged, and began to restore the power of the demon soul.

While the whereabouts are not found, it is necessary to quickly restore the strength.

Chapter 4650

Huh?

However, after a while, Mo Yan suddenly frowned and let out a soft moan, and her delicate body also trembled.

In the next second, Mo Yan sensed the situation in her body, and her mind suddenly went blank.

This....

I....I'm pregnant?

For a time, Mo Yan was dumbfounded, and she didn't come back to her senses for a long time. There was a complication in my heart. One word kept echoing in my mind.

She is pregnant with Yue Feng's child.

She couldn't forget that at Lieyang Pass in Tianqi Continent a month ago, Yue Feng used the name Fengtao to take away her innocence. Whenever she recalled this incident, Mo Yan couldn't express her shame and anger. But she never thought that she would end up pregnant with his child.

no! The child cannot stay.

After more than ten seconds, Mo Yan finally reacted, and bursts of resentment welled up in her heart, and she was about to mobilize the power of the demon soul to destroy the child in her stomach.

call!

But the next second, Mo Yan hesitated again.

Now the demons are only alive by themselves. Although the child in the belly is Yue Feng's child, it is also a descendant of the demons. If you kill him, what will you talk about in the future to revitalize the demons?

For a time, Mo Yan was constantly at war between heaven and man, and he hesitated.

After an unknown amount of time, Mo Yan decided to give birth to the child. Although this incident was all Yue Feng's fault, the child was innocent.

It's just.... Kyushu is full of magic soldiers chasing after him.

Under such circumstances, oneself is a mud bodhisattva crossing the river, and it is difficult to protect oneself. How can I protect the child in my belly?

call!

Under the anxiety, Mo Yan suddenly thought of something, and her eyes suddenly lit up, yes, the royal family of Nanyun.

You can hide yourself in the Nagumo Palace.

The Nagumo Queen Long Qianyu was forced to take poison by herself at first. In other words, the entire Nagumo royal family is still under her control.

That Haotian Divine Sovereign never thought that he would hide in the Nanyun Palace.

Thinking of this, Mo Yan showed a smile, then immediately set off, rushing in the direction of the Nanyun Palace.

...

the other side.

Prince Aotian and Immortal Venerable Taiyi took Yue Feng to the Magic Treasure Pavilion soon.

I saw that there was immortal energy around here, and at the gate, a white jade tablet was erected, with the eight characters of "Forbidden Land of the Gods, death of trespassers".

There was not a single patrolling magic soldier around, and it was silent, but it gave people a solemn and sacred feeling.

I go!

At this time, Yue Feng closed his eyes slightly and pretended to be drunk, but he couldn't help but muttered when he saw the environment in front of him.

What is this place?

This Prince Aotian and Immortal Venerable Taiyi, taking me to such a remote place, do they want to kill people?

After thinking about it, it is unlikely, after all, in their identities, they can't take such a risk.

Just when Yue Feng was muttering secretly, Prince Aotian and Immortal Venerable Taiyi looked at each other and put Yue Feng into the hall of the Magic Treasure Pavilion.

call!

At this moment, seeing the scene in front of him, Yue Feng was stunned.

I saw that this hall is very bright, the deployment is very elegant, and the stability is not lost. On a table in the middle, a jade plate is quietly placed, and inside the jade plate is a piece of fine jade that emits a brilliant light.

Next to the offering table, there is a statue made of multicolored crystals.

The statue is slim, wearing a long dress, delicate facial features, beautiful curves and sexy, although it is a statue, but the whole body also shows an aura that cannot be desecrated.

This...

At this moment, Yue Feng stared blankly at the statue's face, and was stunned there.

Isn't this the goddess Nuwa?

When he saw the fine jade on the offering table, Yue Feng immediately guessed that this was the Magic Treasure Pavilion of Empress Nuwa.

Nima, what did they bring me here for?

"Squeak..."

Just as Yue Feng was muttering in his heart, he saw Prince Aotian walk over, use his divine power, and slowly bring down the statue.

After doing this, Prince Aotian looked back at Yue Feng, and asked Immortal Venerable Taiyi: "Master, is this old thing asleep?"

Hearing the question, Immortal Taiyi immediately looked closer and said, "Sleep. I 'm on."

At this time, they didn't know that Yue Feng didn't sleep at all, and he pretended to be drunk before.

call!

Hearing the answer, Prince Aotian sighed and sneered: "Made, it's not easy to get him drunk, but after tonight, he won't be complacent."
