

## The ultimate husband in Chinese chapter 4661-4665

### Chapter 4661

As the head of the Bai family, Bai He originally lived in seclusion with his clan in Baiyun Villa on the Yellow Sea Continent.

However, half a year ago, Bai Yunfei died, and then the entire Demon Race was destroyed in God's Domain. When he heard the news, Bai He was very sad.

Immediately after that, Haotian Divine Lord led the divine soldiers and gods to the lower bounds of Kyushu to investigate the remnants of the demons in various places. In this case, the Bai family, the descendants of the demons, had to leave the Baiyun Villa, which had been in seclusion for thousands of years.

Later, Baihe sent someone to find out that Moyan, one of the twelve holy demon kings of the demon clan, secretly controlled the Nanyun royal family, so he deliberately led his clan to flee, and then bought a manor in the Nanyun imperial city.

Unfortunately, Moyan just left Nanyun Imperial City at that time, so Bai He had to take his clan and stay here to wait for news.

However, Bai He was not idle, and sent people to the palace to inquire about news every day.

call!

At this moment, Bai He pondered for a long time and couldn't help sighing.

There has been no news for so long. Could it be that something happened to Your Excellency Moyan Demon King?

"Patriarch!"

At this moment, a disciple hurried over, sweating profusely: "Patriarch, there is news about Demon King Moyan." When he spoke, the disciple was panic-stricken.

Swish!

Bai He's face was shocked, he stood up suddenly, and said excitedly: "What are you panicking about, speak slowly."

"Patriarch!" The disciple wiped off his sweat and said anxiously, "Just now, many royal guards came out to post the royal list, It is said that the royal family has captured His Excellency the Demon King, and there are many crimes listed on the imperial list. It is

said that His Excellency the Demon King, as one of the Twelve Holy Demon Kings, is ruthless and kills without blinking an eye. .”

What?

This chapter is provided by . Visit for daily update.

Hearing this, it was like a thunderbolt from the blue, Bai He’s body trembled, his mind buzzed, and he was completely stupid.

How could this be?

I thought that I would bring my clansmen to defect, and I would have a foothold when I met His Excellency the Demon King, but I never expected that in the end, I was waiting for a bad news.

But... Hasn’t Your Excellency the Demon King already controlled Queen Nagumo? Why was he caught?

For a time, Bai He’s mind was blank and messed up.

“Patriarch!!”

At this time, the disciple took a deep breath and asked cautiously, “What should we do?”

Bai He reacted, pondered for a moment, and gritted his teeth: “What else can we do, let’s hurry up and prepare to save people. .” When he said this, Bai He’s eyes were full of determination.

In a real demon, Moyan is the only demon left, and no matter what happens, she can’t be let go. After all, Moyan is gone, and the Bai family has also lost a strong backer. How will they face the investigation of God’s Domain?

“Yes, Patriarch!” When the

voice fell, the disciple responded and hurried to deploy.

After half an hour.

At the entrance of the palace, there was a lot of people talking, and they saw dozens of palace guards, holding a prison car, and behind the prison car, there were hundreds of imperial city guards closely following.

In the prison car, a slender figure was tightly bound inside.

It was Mo Yan.

At this time, Mo Yan's face was extremely pale, and she was originally poisoned and had fetal gas. At this time, she was paraded on the street to show the public. Under the multiple blows, it was even more torment than death.

On both sides of the street in front of the palace, many people gathered to watch at this time.

Before the royal family posted the royal list, saying that the royal family had captured a demon queen from the Demon Race, and the news spread throughout the entire imperial city like the wind. Many people came here specially when they heard the news, all wanting to see the true nature of this demon queen. Allow.

At this time, seeing Mo Yan in the prison car, many people immediately started talking.

"It's so beautiful, she looks like a fairy, and I thought all the demons looked horrible."

"Don't be fooled by her appearance, I heard that each of these demons is more ruthless than the other, killing people without blinking an eye. ...."

"Yeah." The

chatter kept coming, Mo Yan bit her lip, extremely embarrassed.

One of the twelve holy demon kings of the dignified demon clan, but now being paraded through the streets and being pointed at by so many people, it was even more uncomfortable than killing her.

"Start!" At this moment, a captain of the palace guards shouted loudly.

Whoa!

The voice fell, and the prison car slowly moved forward.

Chapter 4662

At the same time, one of the guards took out a wooden sign and hung it in front of the prisoner's van, and saw several striking characters written on it: Evil Demon Heresy.

"Everyone!"

At this time, the captain of the guards walking in front looked around and shouted: "This demon woman is called Moyan, and she is one of the twelve holy demon kings of the demon clan. Entering the palace is disrespectful to Her Majesty the Queen."

“Fortunately, Her Majesty the Queen has great power. At that time, the guards were called to quickly take down the devil. Today, she will be paraded through the streets to show the public as an example.”

The captain of the guards, Yuan Hong, said At these times, he speaks righteously, with justice and arrogance on his face, but his eyes are complicated.

The captain knew very well what the truth was. Three months ago, Mo Yan restrained the queen in front of the civil and military officials, and then forced the queen to take poison to control the Nayun royal family.

It’s just such a shameful thing, how can it be made public and let the people know?

Whoa!

Hearing this, the people on both sides of the street were filled with righteous indignation, and they gathered around and pointed at Mo Yan.

“It’s really abominable, to actually break into the palace and blaspheme Her Majesty the Queen?” “I just said, this demon

woman looks like a fairy, but her heart is like a snake and scorpion. In a fit of rage, whoever was in the crowd picked up stones and threw them at the prison cart. “Yes, smash her to death, smash her to death.” Immediately, the surrounding people were suddenly excited, shouting angrily, then picked up the stones on the side of the road and smashed them towards Mo Yan in the prison car. bang bang bang....

The stones kept throwing them, some hit the prison van, but more hit Moyan. She was tied tightly in the prison cart and couldn’t dodge at all. In a blink of an eye, she saw Moyan’s forehead. It was smashed, and blood flowed out.

Mo Yan didn’t shout, she bit her lip tightly, almost collapsed.

How could she endure such humiliation?

Your Majesty, I beg you, the spirit of heaven, and you must bless me to escape from heaven.

At this moment, Mo Yan looked up at the sky and swore in her heart that if she had the chance, she would run away. When she makes a comeback, she will never let go of those who have humiliated her.

Yue Feng, the Queen of Nanyun, and the people of the imperial city.

All die, none remain.

There were more and more people watching, and these people soon joined in and threw stones at Moyan.

call!

Seeing this scene, Yuan Hong, who was walking in front, suddenly showed a smile.

Her Majesty the Queen is really wise, and can think of the way to parade through the streets to show the public, the devil in the prison car, at this time, her heart has collapsed.

“Tsk tsk!”

At this moment, there was a burst of laughter among the people onlookers: “It’s really interesting, just grab a weak woman, call it a devil, and parade through the streets to show the royal power, hehe , It seems that the Queen of Nanyun is not very good.”

Wow!

The voice fell, and the whole street was silent for a moment, and many people looked over, and at the same time were shocked.

Who is so daring to talk about Her Majesty the Queen in public?

Looking for death?

“Who?”

Yuan Hong was also terrified and furious. He quickly searched the past and shouted angrily: “Who is so bold and dare to talk about Her Majesty the Queen? Get out of here. “

Today, I was instructed to take the demon head to the streets to show the public. The responsibility is heavy, and there must be no trouble. Otherwise, how can I explain it to Her Majesty the Queen?

More importantly, in the dignified city, at the foot of the emperor, someone dared to talk nonsense in front of him, and comment on the queen’s fault. This is not only contempt for the imperial power, but also completely ignores himself.

“Haha!”

Hearing Yuan Hong’s angry shouts, he heard a loud laugh from the crowd, and then, a young man in a white robe stepped out without fear at all.

Swish!

In an instant, the eyes of the audience all converged on the young man.

I saw that he was twenty-seven or eight-year-old, with a face like a crown jade, handsome features, a folding fan in his hand, and a graceful manner, just like a beautiful man with refined temperament.

Chapter 4663

Hu...

Seeing this beautiful man, some women in the crowd of people around him only felt their hearts beat faster.

At the same time, Mo Yan also frowned, looking at the man, she couldn't help but murmured in her heart.

This man is so handsome, and the remarks just now are obviously deliberately looking for trouble.

Could it be that he wants to hijack the prisoner's van?

But...I don't even know him.

Um?

Just wondering, sensing the aura of blood in the man's body, Mo Yan suddenly trembled, unable to hide her excitement.

Demon blood, he is the descendant of the demon.

As one of the Twelve Demon Kings of the Demon Race, Mo Yan immediately sensed that this handsome man had the blood of the Demon Race in his body.

In an instant, Mo Yan was very excited.

I thought that the demons had been completely wiped out, and I was the last survivor, but I never imagined that there were descendants of the demons in this Kyushu.

Mo Yan felt pretty good, this handsome man is the descendant of the Demon Race, the disciple of the Bai family, Bai Yunhai.

Bai Yunhai's father, Bai Fu, is the chief elder of the Bai family and the younger brother of the patriarch Bai He. After all, Bai Yunhai is Bai Yunfei's cousin.

Half an hour ago, Bai He decided to rescue Mo Yan and sent Bai Yunhai to disturb the scene.

At this time, behind Bai Yunhai, there were more than a dozen men dressed in white. These were all disciples of the Bai family, and they all came to help Bai Yunhai.

“Good boy!”

At this time, Yuan Hong reacted, his eyes fixed on Bai Yunhai, and he shouted angrily: “You are very courageous, you dare to talk nonsense and criticize Her Majesty the Queen on Huangcheng Street. Do you know the crime?”

At the same time, Yuan Hong said. Put your right hand on the long knife at your waist.

Yuan Hong has already thought about it, as long as the boy in front of him has any disrespectful remarks, he will be killed immediately.

Her Majesty, no blasphemy.

For a time, the street was silent, feeling Yuan Hong’s killing intent, many people couldn’t help but sweat for Bai Yunhai.

“This general!”

However, Bai Yunhai did not panic at all, looking at Yuan Hong and said solemnly: “This general calms down, I don’t mean to talk about Her Majesty the Queen, but I have some doubts in my heart.

” There, the folding fan was gently shaken, and the bearing was leisurely.

Confuse?

Seeing his appearance and bearing, Yuan Hong held back his anger and said coldly, “What doubts?” To

be honest, Yuan Hong originally planned to do it directly, but when he saw the young man in front of him, he was well-dressed and had an extraordinary bearing. He was obviously not an ordinary person. .

In case it is a relative of the royal family, it will be difficult to handle, so bear with it first.

“General!”

Bai Yunhai showed a smile, took a deep look at Moyan, and said slowly, “In my opinion, the person in the prison van is just a weak woman with no power to hold her back, how could she kill someone without blinking an eye? The big devil, but you just announced

that she is the devil queen of the devil race, I just want to ask, do you have any evidence?"

Huh?

Hearing this, Yuan Hong was stunned and frowned, "What do you mean?"

"General, don't be nervous." Bai Yunhai smiled, then looked around, and continued: "I mean, since she is parading in the street, you should show the corresponding evidence to prove that she is the demon queen, and it's not just based on an imperial list, but also a few words from you."

After speaking, Bai Yunhai glanced at Moyan again: "As far as I know, the blood of the demons is blue, and the woman in front of me has a forehead. The blood that came out was bright red, so I suspect that she is not from the Demon Race at all."

When he said this, Bai Yunhai was serious, but his eyes flashed with slyness.

Yes, about the fact that the blood of the demons is blue, Bai Yunhai is deliberately talking nonsense, the purpose is to disturb the situation.

Wow....

the surrounding people have never seen the world, and seeing Bai Yunhai's swearing appearance, they all believed it to be true, and suddenly started to discuss one by one.

"It seems so..."

"The blood of the demons is blue.... The woman in front of me is shedding red blood."

"Could it be true what this young man said?"

"If that's the case, it's really a big sin. The wounds on this woman's forehead were all caused by us..."

Chapter 4664

Haha....

Seeing this, the corners of Bai Yunhai's mouth twitched, revealing a smile, and his heart was even more excited and excited.

These ignorant people are really fooled.

Made!

Hearing the comments of the surrounding people, Yuan Hong's face was extremely ugly, and he shouted: "Shut up!"

Hearing the angry shouts, the surrounding people quickly shut their mouths.

In the next second, Yuan Hong's eyes locked on Bai Yunhai. At this time, he finally understood that the boy in front of him was deliberately looking for trouble, and said coldly: "Good boy, make up random things, have you thought about the consequences?"

"General's words . That's wrong." Bai Yunhai had a fearless face, and said slowly, "Why am I making this up? I'm just curious, why do you say that women are the devils of the demon race?"

"You dare to argue? Yuan Hong was furious and scolded: "

This demon girl was arrested by Her Majesty the Queen herself, how could it be wrong? It's you, who are making up here and bewitching people, what is your motive?"

Haha!

Bai Yunhai chuckled and said word by word, "I just don't like you bullying the weak. The woman in this prison car looks innocent at first sight. If it is a real witch, will you be bullied so badly?"

" Don't talk nonsense, you quickly let her go, and give justice to this bright world." The last sentence was not loud, but it was unquestionable.

"Yes!"

At this moment, more than a dozen Bai disciples behind Bai Yunhai also shouted.

"If there is no evidence, let them go."

"Bullying the innocent and the weak, what is the royal family doing at this time?"

"Let people go, let them go!"

Seeing this, Yuan Hong's face was extremely gloomy. Mad, these people are so bold that they dare to provoke the royal authority in public.

"It's the other way around." The

next second, Yuan Hong screamed angrily, pointing at Bai Yunhai and shouting, "Take it down for me, take it all down."

Whoa!

Hearing the order, the royal guards around the prison car, as well as the defenders, mobilized their inner strength and rushed towards the sea of white clouds.

“Oh!”

Bai Yunhai didn't panic when he saw these guards and guards rushing up, and shouted at the time, “It's really unreasonable to arrest someone without evidence. Everyone, run quickly, or you will be paraded on the street to show the public. Ah.” The

last word fell, and Bai Yun's legs rushed towards the city gate not far away.

More than a dozen Bai family disciples followed.

To be honest, Bai Yunhai is not weak. If he really wants to fight, he may not lose, but his mission today is mainly to save Moyan.

“Run?”

Seeing this situation, Yuan Hong had a gloomy expression on his face, and shouted loudly, “We will pursue with all our strength, and none of them will be allowed to run away.”

Hearing the call, the guards, the guards, did not hesitate, and quickly chased after them.

In a blink of an eye, Bai Yunfei and his group disappeared at the end of the street with the guards and defenders.

call!

Seeing this scene, the people present were dumbfounded, and they were all in shock.

That handsome man in white is really daring, dare to challenge the royal guards.

Most of his subordinates went to chase Bai Yunfei, and for a while, there were only a few guards left beside Yuan Hong.

But Yuan Hong didn't panic at all, and ordered a guard beside him: “Go, send some people to the palace immediately.” The parade has just begun, and it can't end like this.

“Yes, Captain!” The guard responded and was about to rush back to the palace.

Whoosh!

However, at this time, a figure suddenly flew from the roof on the side of the street, carrying unparalleled power, coming straight towards Yuan Hong.

I saw that this is an old man, dressed in a white robe, immortal style, like a fairy coming into the world.

It is Baihe.

Yes, just now Bai Yunhai deliberately came out to make trouble, and then led a large number of guards and defenders away, all of which Bai He could arrange, and it was also part of today's rescue plan.

Bai He's plan is very simple, let Bai Yunhai use 'Tiaohu Leshan' to draw away a large number of royal troops, and then Bai He takes advantage of the situation to raid Yuan Hong and rescue Moyan.

When Bai Yunhai and Yuan Hong were messing around just now, Bai He was hiding on the roof on the side of the street. At this time, seeing that the plan to move the tiger away from the mountain was successful, Bai He showed up decisively without any hesitation.

Chapter 4665

Hiss!

Seeing Bai He suddenly appear, especially when he felt the powerful aura that erupted from him, all the people around were dumbfounded and gasped.

How come another one.

Also, it looks great.

Made!

At this moment, Yuan Hong was also extremely frightened. What happened today, people kept making trouble.

In a panic, Yuan Hong shouted at Bai He: "Who are you? What's the crime for raiding the court official?"

Om!

Bai He didn't respond, but raised his right hand abruptly, and punched Yuan Hong's heart with a slap in the face.

With this palm, Bai He almost burst out with all his strength, only to see the surrounding air suddenly distorted with astonishing power.

“Be careful, captain!”

“Be careful, captain...”

Seeing this scene, the expressions of the guards around the prison van changed, and they couldn't help exclaiming.

Yuan Hong was also extremely frightened, and subconsciously wanted to dodge, but Bai He was very fast, and he was in front of him almost in a blink of an eye.

Feeling the power contained in Baihe's palm, Yuan Hong didn't dare to be careless at that time, so he hurriedly used his internal strength and greeted him with a palm.

Bang!

When the palms of the two sides collided, they heard a dull sound, and then saw Yuan Hong's whole body, and he was shocked and flew out, flying dozens of meters away, and fell heavily to the ground.

On the other hand, Bai He's figure swayed slightly.

“puff!”

At the moment of landing, Yuan Hong spat out a mouthful of blood and stared at Bai He, shocked in his heart.

This old man is very strong.

As the captain of the bodyguard, he had already reached the level of transcending calamity a month ago, and he was considered one of the best experts in the imperial city, but in front of this old man, he couldn't catch a single move.

In a panic, Yuan Hong shouted angrily: “Take it, take it down for me.”

Whoa!

As soon as the voice fell, the guards guarding the prison car burst out without any hesitation, rushing towards Bai He.

Bai He sneered, and his inner strength exploded again.

Bang bang bang...

Almost in the blink of an eye, before those guards rushed to the front, they were knocked out one by one and fell to the ground.

After repelling the guards, Bai He quickly rushed to the front of the prison car, and respectfully said to Mo Yan: "His Royal Highness, don't worry, I will help you leave today." The

voice fell, and Bai He slapped the prison car with his palms.

Whoa!

With a vibration, the chains on the prisoner van suddenly broke, and Bai He helped Mo Yan untangle the ropes.

At this moment, Mo Yan was both excited and joyful, but she couldn't help but ask, "Who is your Excellency? How do you know me?" She sensed that the old man in front of her also possessed the blood of the demon race.

It's just.... I've never seen him before.

"It's not appropriate to stay here for a long time!"

Bai He didn't answer immediately, but looked around and said anxiously, "Let's get out of here first." After the

voice fell, Bai He took Mo Yan, soared into the sky, and quickly flew out of the imperial city.

"Someone..."

Seeing this scene, Yuan Hong was furious and shouted, "Stop them for me, stop..."

However, the guards and defenders who were chasing Bai Yunhai had not come back yet and stayed behind. The few guards here have lost their fighting power, so how can anyone pursue them?

In a blink of an eye, Bai He and Mo Yan disappeared from sight.

Done!

At this moment, Yuan Hong sat there paralyzed, wanting to cry without tears.

The felon was robbed, how can I go back to the Queen later?

.....

the other side.

Bai He brought Mo Yan to a hillside a dozen kilometers northwest of the imperial city.

I saw that Bai Yunhai and more than a dozen Bai family disciples were already waiting here.

call!

At the moment of landing, Bai He took a deep breath and gave Mo Yan a deep salute: “Bai He, the patriarch of the Bai clan, has seen His Excellency the Demon King.”

Whoa!

At the same time, everyone in Baiyunhai also saluted Moyan in unison: “See Your Excellency the Demon King.”

“You...”

Seeing this, Moyan’s delicate body trembled, and she was stunned.

At this time, Bai He smiled slightly and said respectfully, “My Bai family has lived in seclusion in the Yellow Sea Continent for thousands of years. It’s normal that your Excellency has never heard of it, but there is one person you should be familiar with.”

“Who?” Mo Yan Ren kept asking.
