

The ultimate husband in Chinese chapter 4711-4715

Chapter 4711

Oh!

Yue Feng sighed, not knowing whether to laugh or cry.

“Okay!”

At this moment, Madam Hua Zhao couldn't stand it anymore, and shouted at Princess Xi Ya: “Xia, Xian Weng has already said it very clearly, so don't make a fool of yourself, because some things are not true. What is the etiquette of yelling?”

After speaking, Empress Hua Zhao waved her jade hand impatiently: “Mother has something important to discuss with Xianweng, you should step back first.”

Seriously, Empress Hua Zhao was also a little suspicious just now, but Yunxiu has already checked, no one broke into Yuxi Xianyuan at all, it must be Princess Xi Ya who was bored and deliberately fabricated it.

“I...”

After seeing her mother, she didn't believe her. Princess Xi Ya was very aggrieved. She wanted to explain it at the time, but when she saw Empress Hua Zhao's unquestionable face, she stomped her feet, turned and ran out of the bedroom.

Wind song!

The moment she ran out of the bedroom, Princess Xia bit her lip tightly and swore in her heart.

I will definitely find you.

At this time, in the bedroom.

“Xian Weng.”

Seeing Princess Xia leaving, Empress Hua Zhao showed a faint smile and apologized to Yue Feng: “The little girl Xia is naughty by nature and doesn't understand many rules, so Xian Weng laughed just now.”

“The lady is polite.” Yue Feng said quickly.

call!

At this time, Empress Hua Zhao breathed a sigh of relief, her delicate and beautiful face showed a bit of solemnity, and slowly said, "I rashly invited Xianweng over this time, because I have something to ask for advice."

She started talking about the business . Yet?

Yue Feng was stunned for a moment, and quickly said with a smile: "I don't dare to ask for advice. If you have something to do with your mother, just tell me."

Mother Hua Zhao said with a smile on her face: "I heard that your immortals outside the nine heavens will be called The exercises of 'Xianren Jue', this exercise can regulate the power of Yin and Yang, regulate the mood, and even suppress the demons. I want to ask the fairy to teach it to this palace."

At this time, Empress Hua Zhao, let go of her previous arrogance. attitude, with a bit of anticipation in his eyes.

Speaking of which, Empress Hua Zhao held her own identity and didn't want to ask Yue Feng for help, but she really had no other way. You must know that she belongs to the innate yin constitution, and every time she breaks through the realm, it is extremely dangerous. When the Jiutian God was still there, he could help him, but now that the Jiutian God was gone, Empress Hua Zhao immediately lost her support.

In the past few days, Lady Hua Zhao has shown signs of breakthrough again, but because of her extremely yin constitution, in order to avoid going into trouble at that time, Lady Hua Zhao thought of many ways, but she gave up.

In the end, I thought that the immortals outside the nine heavens had a kind of 'immortal art'. Ong.

It was because of this.

At this moment, Yue Feng suddenly nodded.

When chatting with Yutong Xianweng before, Yue Feng also heard that there is a practice called Xianrenjue outside the Nine Heavens. ...

just...I am not a real immortal at all, nor do I know this immortal art.

"Xianweng!"

Seeing Yue Feng's silence, Empress Hua Zhao couldn't help but say, "Could it be because of Prince Aolin's relationship that Xianweng is unwilling to teach this practice to this palace?"

At this time, Empress Hua Zhao didn't know yet that the 'Qingxu Xianweng' in front of her was not an immortal at all, but Yue Feng, a prisoner who was pursued by the Divine Realm.

As soon as she finished speaking, Fairy Yunxiu on the side couldn't help but said coldly: "My lady, let go of your identity, and it is your honor to ask you to teach Xuan Gong. Don't be ignorant of praise."

"I..."

At this moment, Yue Feng scratched his head, while thinking about it, he responded: "The mother of the goddess is in the world, how can I be stingy and refuse to teach it? It's just that it takes several months to develop this kind of practice. For Empress, it seems to have taken a long time."

Yue Feng didn't know the Immortal Art, but he didn't dare to let Empress Hua Zhao know, so he had to talk nonsense. In an attempt to get Empress Hua Zhao to dispel this idea.

Chapter 4712

How many months?

Hearing this, Empress Hua Zhao frowned and couldn't help muttering in her heart.

Does it take so long to cultivate immortal art?

At this time, Empress Hua Zhao did not know that the 'Qingxu Immortal Weng' in front of her was a fake.

"Haha!"

At this moment, Fairy Yunxiu sneered, looked at Yue Feng and said, "You said so much, do you mean to let the Empress give up?" She relied on the confidant of Empress Hua Zhao, and she didn't put Yueh at all. Feng put his eyes in his eyes, and his words were always yin and yang.

Nima!

At this moment, Yue Feng frowned secretly, feeling very unhappy.

This Fairy Yunxiu is really sick. You and I have no grudges, but you are always picking things up and looking for trouble for me.

However, Yue Feng didn't care, and looked at Empress Hua Zhao quietly, waiting for her response.

“If that’s the case...”

At this time, Empress Hua Zhao reacted and said softly, “Please also ask Xianweng to work hard for the past few months and pass on the Immortal Art to me. After this is done, this palace will be very grateful. “

Seriously, a few months is too long for Empress Hua Zhao, but there is really no other way.

This...

Hearing this, Yue Feng wanted to cry without tears.

It’s over, I thought Empress Hua Zhao would give up after a few months, how could she know that she insisted on learning, what should I do? I don’t know how to immortality at all, so I can’t teach her at all.

“how?”

Seeing Yue Feng’s expression of embarrassment, Empress Hua Zhao couldn’t help but say, “Xianweng, but what’s the problem?” After the

voice fell, Fairy Yunxiu couldn’t help but said, “What are you trying to do? Do you want the Empress to beg you?”

In Fairy Yunxiu’s eyes, the ‘Xianxu Qingxu’ in front of her was just putting on airs.

fool.

Yue Feng cursed inwardly, but ignored it, took a deep breath, looked at Empress Hua Zhao and said, “Niang Niang, I take the liberty to ask, you want to learn the Immortal Art, but because Niang Niang has the Nine Yin Profound Body?”

Speaking of which, when he pretended to be the God of Haotian and sneaked into the palace of Empress Hua Zhao that night, she was forced to stay and drink with her. Yue Feng sensed that Empress Hua Zhao’s physique was extraordinary, but it was a rare occurrence in a thousand years. Nine Yin Profound Body.

However, Yue Feng didn’t care at that time. At this time, when she saw that she had to learn the Immortal Art, she realized that it was related to her Nine Yin Profound Body, because every breakthrough in the Nine Yin Profound Body was extremely dangerous. Only by practicing the Immortal Art , in order to be foolproof.

“How do you know?”

At this moment, Empress Hua Zhao was full of surprise, and then she thought of something, and suddenly said: "Look at me, Xian Weng is a fairy from outside the sky, you can naturally see it.

"Nai, said to Empress Hua Zhao: "Niang Niang, I see him, just because I don't want to teach it to you, I deliberately refuse to agree. I have already said that he is the master of Prince Aolin, and Ao Lin is the master. His Royal Highness the Emperor, and they are competitors, how could it be possible to pass on the Immortal Art to you?"

Hearing this, Madam Hua Zhao felt extremely complicated, and said softly, "Okay, don't say it, Immortal Weng. If you don't want to teach it, this palace can't force others." At the

end, Empress Hua Zhao forced a smile and said to Yue Feng, "Xianweng, I'm really bothering you to call you over so rashly."

At this time, Empress Hua Zhao had a smile on her face, but her heart was filled with fire.

He let go of his empress status and condescended to beg each other, but this immortal Qingxu never let go. It was very polite.

At this time, Fairy Yunxiu also looked impolite and glared at Yue Feng: "Why don't you hurry up?"

Mad!

Seriously, seeing Fairy Yunxiu's attitude, Yue Feng was very angry, he was about to turn around and leave, I put up with you again and again, are you finished yet?

However, seeing Empress Hua Zhao's loss, Yue Feng couldn't bear it anymore. After all, in the battle to seal the Demon Mountain, the god of the Nine Heavens perished, and it had something to do with him. Later Empress Hua Zhao wanted to execute herself in grief and anger. It is also excusable.

Now that she put down her dignity and begged herself, it would be unreasonable if she couldn't help at all.

Chapter 4713

Thinking of this, Yue Feng took a deep breath and said to Empress Hua Zhao: "Niang Niang, in fact, there are other ways to solve your situation besides cultivating the Immortal Art."

Huh?

Hearing this, Empress Hua Zhao trembled, thinking that she had heard it wrong.

Is there any other way?

At the same time, Fairy Yunxiu was also stunned.

The next second, Madam Hua Zhao came back to her senses and couldn't help but ask, "What can Xian Weng do? Can you tell me?"

At this time, Madam Hua Zhao was very excited. Willing to help, but I didn't think he had other ways.

Yue Feng smiled slightly and said: "As far as I know, there is an immortal medicine called 'Ghost Spirit Grass', refining it can solve the danger of breaking through the realm of the Nine Yin Profound Body. It's just that this medicine is extremely rare, but I do know a place where ghost grass may grow."

When he said this, Yue Feng's face was serious, but his eyes flashed with slyness.

Yes, Yue Feng had studied medicine with Shennong and knew how to regulate the Nine Yin Profound Body, but he couldn't say these things, otherwise his identity would be exposed.

Moreover, there is no ghost grass in the world at all, it is completely made up by Yue Feng, the purpose is to create an unfathomable image for himself.

Ghost grass?

Hearing this, Lady Hua Zhao was shocked, almost overjoyed, and quickly asked, "Dare to ask Xian Weng, where is this place where the ghost grass grows?"

If what he said is true, just use Ghost Spirit Grass adjusts one's physique, so you don't need to practice Immortal Art, which is more trouble-free.

Fairy Yunxiu had a look of contempt.

This deceitful old man must be talking nonsense. After spending so many years by his mother's side, he is well-informed and has never heard of ghost grass.

At this time, Yue Feng touched his nose and said slowly: "Half a year ago, I traveled around, and when I passed through the demon clan's territory, I heard the demon warriors say that in the black swamp in the northwest of the Yao clan territory, there are ghosts. Grass."

Great. Empress Hua Zhao was full of joy, and quickly ordered Fairy Yunxiu

: "Quick, send someone to the Black Swamp immediately, no matter what, you must get back the ghost grass."

No matter how much it costs.

Yunxiu responded and was about to leave the palace, but at this moment, Yue Feng said, "Don't be impatient, the black swamp is a dangerous place and the environment is very complicated. If you send troops rashly, you will definitely lose your troops. Moreover, It belongs to the demon clan's territory, and I'm afraid it will cause misunderstandings."

Speaking of this, Yue Feng said with a serious face: "If the nanny is willing, I would like to go to the black swamp on my behalf. It won't be suspected."

These days, Yue Feng has been teaching Prince Aolin in Yuxi Xianyuan, but because of his identity, he can't walk around at will.

After all, I haven't seen the White Tiger King for a long time, so this time we have to reminisce.

Um!

Hearing this, Empress Hua Zhao nodded silently, thoughtfully.

"It's really interesting."

At this time, Fairy Yunxiu chuckled and said disdainfully, "What if the demon clan finds out? Their White Tiger King has already formed an alliance with Prince Aolin, and the entire demon clan is a vassal of the Divine Realm. A ghost grass, still need their consent?"

Yue Feng was calm and ignored.

"Yunxiu!" Empress

Hua Zhao frowned, but she couldn't help but scolded softly: "Don't be rude, Xian Weng said it well, you need to be more cautious about this matter."

I didn't choose, I had a weak woman guarding the Yutian Palace, and I made the demon clan stare at them. If I let them know that because I couldn't break through the Nine Yin Profound Body, I might cause some trouble. 'Thinking carefully, the suggestions made are still very good.

Hearing Empress Hua Zhao's scolding, Fairy Yunxiu quickly closed her mouth, but still gave Yue Feng a displeased look.

This deceitful old man speaks eloquently and speaks nicely, but there must be some conspiracy behind his back.

Chapter 4714

At this moment, Empress Hua Zhao showed a smile and said to Yue Feng: "If Xian Weng is willing to go in person, it would be the best, as long as Xian Weng can get the ghost grass and help Ben Gong Ben Gong must be grateful for solving the problem in front of me."

At this time, Empress Hua Zhao was excited.

Hehe...

Hearing this, Yue Feng had a humble expression on his face, lowered his head and said, "Your majesty is being polite." But he sneered inwardly. I don't dare to tell you in return, I just ask you not to trouble me in the future.

Thinking to himself, Yue Feng's eyes flashed, and he looked at Fairy Yunxiu who was standing there with a proud face, and said, "Niangniang, I can't do this alone, I need someone to help me."

"Who does Xianweng need? Help, just say." Empress Hua Zhao said quickly.

Yue Feng smiled slightly and pointed to Fairy Yunxiu: "You only need Fairy Yunxiu to help." In fact, it was useless for Fairy Yunxiu to accompany her.

But this woman is too arrogant, because she is a celebrity next to Empress Hua Zhao, she is arrogant. Yue Feng intends to take this opportunity to suppress her arrogance.

What?

Hearing this, whether it was Empress Hua Zhao or Fairy Yunxiu, they were all stunned.

The next second, Madam Hua Zhao reacted and couldn't help but ask: "Xianweng, Yunxiu is not very strong. It seems that I can't help you if I go with you." After the

voice fell, Fairy Yunxiu also raised her eyebrows Locked, with a suspicious look on his face.

What purpose did this deceitful old man call to follow him?

"My lady doesn't know anything."

Yue Feng smiled slightly, and began to talk nonsense in a serious manner: "Ghost spirit grass contains a very strong yin and cold energy, I am a man, and my body is the energy of Yuan Yang, once it touches, Yin and Yang repel each other, it will affect the ghost spirit. The effect of grass, so when you go to a place, you need a woman to collect ghost grass."

“Fairy Yunxiu is the maid of the goddess. Too many people know about it, right.” The remarks are reasonable, and people can't find any flaws.

Huh...

After hearing this, Empress Hua Zhao breathed a sigh of relief and nodded slowly: “Xianweng is right, Yunxiu, this time, you can go with Xianweng.”

“Yes, Empress . . .” Fairy Yunxiu replied reluctantly.

To be honest, Fairy Yunxiu is willing to help Empress Hua Zhao find ghost grass, but if she wants to be with Fairy Qingxu, that is another matter.

This deceitful old man asked himself to go with him by name and surname. On the surface, it sounded nice, but Fairy Yunxiu clearly felt that things were definitely not as simple as he said, and there must be some conspiracy in the dark.

It's just these speculations, Fairy Yunxiu has no evidence at all, it's all guesswork, in front of Empress Hua Zhao, how dare you say it?

Hehe..

Seeing Empress Hua Zhao agreeing, Yue Feng showed a smile and continued: “Also, when you arrive at the Black Marsh, you need to follow my orders in all actions, and I also ask Fairy Yunxiu to do it.”

What?

Everything under your command?

At this moment, Fairy Yunxiu couldn't help it, her delicate face was full of disdain: “Joke, why should I obey your orders?”

“Unifying command is naturally convenient for action.” Yue Feng said with an expert attitude, and said slowly: “This is also to help the goddess get the ghost grass as soon as possible, why? Does the fairy have any objection?”

When he said this, Yue Feng looked serious, but he sneered secretly in his heart.

I tell you to look down on people. When you get to the Black Swamp, you must take care of it.

“1...”

Fairy Yunxiu blushed and stared at Yue Feng angrily, but she was speechless.

The ultimate purpose of going to the Black Swamp this time is to help Niangniang solve the drawbacks of the Nine Yin Profound Body. If she keeps objecting to it, Niangniang will definitely not be happy.

It's just that this treacherous old man's aloof posture is so infuriating.

"Okay." At this time, Empress Hua Zhao said with a smile: "In this matter, everything has to follow Xian Weng's arrangement. Whether Ben Gong can break through is up to this time. I hope you will not disappoint Ben Gong. "Yes, Niangniang !

"

Upon hearing the order, Fairy Yunxiu hurriedly responded, even though she was reluctant, her face was still very respectful.

Chapter 4715

Empress Hua Zhao nodded with satisfaction, and smiled at Yue Feng: "Xianweng, please let me go."

"Goddess is polite." Yue Feng smiled.

A few minutes later, Yue Feng and Fairy Yunxiu walked out of the bedroom one after another.

"Hey!"

As soon as she arrived outside the palace, Fairy Yunxiu regained her icy demeanor and said coldly to Yue Feng, "This time I went to the Black Marsh just to collect ghost grass, other than this, you can't even think about it. I'm pointing my finger at me." I'm a popular

person beside my niece, and at this moment I have to obey an old man's arrangement, which is so shameless.

"It's natural."

Yue Feng showed a smile and nodded in response.

Fairy Yunxiu stopped talking nonsense, and her delicate body flew up in a flash, heading towards the demon clan's territory.

Yue Feng shook his head and followed closely.

...

on the other side, Kyushu.

A few dozen miles away from Icefire Island, there is a deserted island. The deserted island is only tens of thousands of square meters in size. It is full of rocks and overgrown with weeds. It is very desolate.

At this time, it was near dusk, and several bonfires were lit in an open space near the sea. Nearly a hundred Bai disciples were sitting around, each with a gloomy and heavy expression.

Two days ago, the first elder died tragically on Icefire Island. At that time, Bai's disciples and Bai Yunhai were angry and fought against Icefire Island. The fierce battle lasted for a day and a night. In the end, the Bai family was defeated and finally retreated to this deserted island. .

At this time, by the bonfire in the middle, Bai Yunhai sat there, his expression was heavy, and his mood was extremely complicated.

“Sea of Clouds!”

At this moment, an elder stood up and looked at Baiyunhai with a burning gaze: “How should you explain the matter of your blasphemy against Your Excellency the Demon King?”

Shuh!

The voice fell, and the eyes around him suddenly converged, locking on Baiyunhai.

Bai Yunhai's face was full of bitterness, and he said aggrievedly: “I explained it before, at that time, Your Excellency the Demon King was deeply poisoned and was in a state of confusion. She said that I wanted to take away the demon soul. Crazy, at a critical moment, I had to tap her acupuncture point to calm her down.”

“If you don't believe me, you can ask Bai Qing, he was there at the time.”

After the last sentence, Bai Yunhai gave Bai Qing a wink.

“Not bad!”

Bai Qing understood and quickly stood up and explained: “You all misunderstood the young master. I was there at the time. It was Lord Demon King who suddenly went crazy and wanted to do something to the young master. The young master had to click on the acupoint of His Excellency Demon King, and then the cabin collapsed. When it was broken, His Excellency the Demon King had already lost his mind, and her words were naturally unbelievable.”

Phew...

Hearing this, everyone present fell silent.

“If that’s the case.” At this time, the elder who asked the question reacted and asked again: “At that time, the elder, why did you choose to take you down?” The

voice fell, and many people around agreed.

“Yes, the first elder is your father, and even he doesn’t believe you, how can you tell us to believe it?”

“Bai Yunhai, what is the truth, you should tell the truth.”

“Don’t think of us as fools.”

The words of everyone, You and I came, Bai Yunhai’s face was extremely ugly, and a burst of anger burst out in his heart.

Made.

These guys are really difficult to deal with. Looking at the situation, they are ready to break the casserole and ask to the end.

Muttering in his heart, Bai Yunhai made a helpless look and said slowly: “Everyone, the first elder is my father, of course he chose to kill relatives in the circumstances at that time, but who am I, my father knows best, he called him at that time. You took me down, but you didn’t say kill me, which means you still believed in me, but the situation at the time didn’t allow it.”

“After all, if he speaks for me, he will be suspected of covering up, and everyone should understand these reasons. “

Speaking, Baiyunhai looked at the direction of Icefire Island and said fiercely: “And now is not the time to turn over the old accounts. The most important thing right now is how to deal with Icefire Island and rescue the Demon King.”

At this time, Baiyunhai, still She thought that Moyan was trapped on Ice and Fire Island, but she had no idea that Moyan had been reborn from the cocoon at this time.

call!

Hearing this, many people nodded in agreement.
