

## The ultimate husband in Chinese chapter 4716-4720

Chapter 4716

“According to this, we really misunderstood Yunhai before.”

“Yeah, Yunhai is something that I have seen since I was a child. I should not dare to do such a rebellious thing as the capture of the devil’s soul.”

“Yunhai said That’s right, the most important thing for us now is how to attack the Ice and Fire Island and rescue the Demon King.”

Under the discussion, an elder stood up and looked around: “Everyone, the family must not be without an owner for a day, I propose, Baiyunhai We are still our trusted patriarch, we must work together to assist and carry forward the family.”

Wow!

The voice fell, and many people around nodded.

“That’s right, Young Master Yunhai is extremely talented, and no one is qualified to be the patriarch except him.”

“I agree.”

Seeing this scene, Bai Yunhai couldn’t tell how excited he was, haha, these people are so fooled, it’s just A few lies and they are convinced.

Thinking to himself, Bai Yunhai looked humble: “Thank you all for your love, you are clear, you can trust me, I am very happy, even if I am misunderstood, I am not ashamed. At this time, Bai Yunhai swears here that I will definitely To revitalize the family, let’s recharge here first, and when the right opportunity comes, we will kill Ice and Fire Island, rescue Your Excellency the Demon King, and avenge my father at the same time.” His

words were impassioned and heartening.

The Bai disciples who were present all shouted in unison.

“Vengeance, revenge!!”

Chuhuahua...

However, at this moment, the sound of rushing sea water came from not far away.

This chapter is provided by . Visit for daily update.

At the same time, a crisp and pleasant, but incomparably cold voice came from the sea: "It's a good one who cleans himself, and one who is worthy of his heart."

Hearing this, both Bai Yunhai and the Bai disciples who were present were shocked and looked towards the sea.

What?

As a result, Bai Yunhai was shocked all over, he couldn't help taking a breath, his whole body froze there, and his mind went blank!

This .. this ..

Bai Yunhai was full of shock, rubbed his eyes with his hands, and couldn't believe it!

Even though night had already fallen, he could clearly see that on the sea not far away, there were dozens of large ships coming in a mighty manner.

These sailboats are all painted with black paint. Under the night, they are like huge sea monsters. There are people standing neatly on top of each boat. Through the moonlight, you can see the figures of these people one by one. Sturdy, holding a long knife, awe-inspiring!

The ship in the front stood a big flag, more than ten meters high, with three characters written on it. Hailongtang!

pirate!

Seeing this scene, both Bai Yunhai and the surrounding Bai disciples were inexplicably nervous. Although they didn't hear Hailongtang, they looked at the aura, and they were definitely pirates.

However, what Bai Yunhai was shocked by was not only these. He saw a slender figure standing quietly under the flagpole of the big ship.

A fiery red soft armor, the tight and sexy body is outlined incisively and vividly, the facial features are exquisite and beautiful, and the whole body is filled with a powerful aura that cannot be violated.

It is Mo Yan!

The moment her

eyes fell on Mo Yan, Bai Yunhai was so nervous that she could barely stand.

Isn't she trapped in Ice and Fire Island? How could he appear here, and be with a group of pirates, and looking at it like this, he seems to be the boss of these pirates...

Countless questions kept flashing, Bai Yunhai only felt his brain buzzing.

"It's Your Majesty the Demon King!"

At this time, the surrounding Bai disciples also reacted, and I don't know who cheered, and then everyone couldn't help but shout.

"It's really Your Majesty the Demon King!"

"Your Majesty Demon Lord is fine, that's great." The

cheers came, and a smile appeared on Mo Yan's delicate face.

In the next second, Mo Yan put away her smile, her eyes locked on Bai Yunhai like a sharp sword: "Bai Yunhai, did you not expect that I would be able to come back safe and sound?" The

voice was not loud, but the powerful aura pervaded her body, but Breathless.

"..."

Bai Yunhai blushed and opened his mouth, but he didn't know how to respond, and he was very nervous.

Chapter 4717

Seeing that he faltered and couldn't speak, Mo Yan didn't talk nonsense, her tender body trembled, like a flash of lightning, and she arrived in front of Baiyunhai in the blink of an eye.

In the next second, Mo Yan suddenly raised her jade hand and slapped Bai Yunhai fiercely on the face.

Snapped!

This slap Moyan used all her strength, and the speed was extremely fast, Bai Yunhai couldn't dodge at all, and only heard a crisp, Bai Yunhai groaned, the whole person was directly slapped, and flew dozens of meters before falling heavily. on the beach.

"Pfft..." Bai Yunhai struggled to stand up, his face flushed, and a mouthful of blood spurted out.

Done.

At this time, Bai Yunhai was extremely frightened in his heart. Before, he wanted to take away the devil's soul. Now that the devil has returned safely, he will definitely not let it go.

Bai Yunhai clearly sensed that the poison in Moyan's body had been completely expelled, and her strength had returned to its peak state.

call!

Seeing this scene, the surrounding Bai disciples and several elders couldn't help but take a deep breath.

Your Excellency the Demon King is so angry. Could it be that Bai Yunhai has concealed something from the past?

Click!

Just when everyone was muttering in their hearts, Mo Yanyu raised her hand, a dagger appeared in her hand, and her tight face couldn't hide the shame and anger.

She walked towards Baiyunhai step by step: "You despicable and shameless bastard, you deceive and deceive, and do all the bad things. Today, I will get rid of you scum for your Bai family and even the entire Demon Race." The soul was almost taken away by him, and Mo Yan couldn't suppress the anger in her heart.

Fortunately, I am blessed with great luck, otherwise, I would have drowned in the bottom of the sea long ago.

goo...

Feeling Mo Yan's killing intent, Bai Yunhai was covered in cold sweat, his legs trembled uncontrollably, and he could barely stand still.

Pfft!

In the next second, Bai Yunhai's legs trembled, and he hurriedly knelt down to Mo Yan, with a look of panic on his face, and couldn't stop begging for mercy: "His Royal Highness, spare your life, spare your life, I was obsessed before, and was blinded by lard. I almost made a big mistake, and I begged His Excellency the Demon King to spare my life."

"I know that my sin is unforgivable, but I did my best to rescue you in the imperial city, so please spare my life. ..."

At this time, Bai Yunhai was almost crying without tears!

He never thought that Mo Yan, who was supposed to be trapped by the poison, would suddenly appear at this time, and not only that, but also brought so many powerful pirates with him.

call!

Seeing Bai Yunhai's pitiful appearance, Mo Yan took a deep breath, and her delicate face did not fluctuate in the slightest: "If you want to save your life, then tell everyone what you have done in front of everyone."

Hearing this, Bai Yunhai hesitated. He first killed the uncle, and then tried to take away the devil's soul. Anything would be enough to kill a thousand swords. If he said it in public at this time, would he still be alive?

However, looking at Moyan's cold expression, Bai Yunhai didn't dare to disobey at all, so he lowered his head and said in public, "Everyone, I lied before, the uncle didn't die from the poison, but was killed by me, and the devil king. Your Highness, I also pointed the acupuncture point, preparing to seize the demon soul..."

At the end of the talk, Bai Yunhai was so frightened that he didn't dare to look at everyone.

What?

Hearing this, no matter it was the elders present or the Bai disciples, they were all shocked, and immediately, their eyes almost burst into flames.

The patriarch is his uncle, he is so cruel, he kills him!

Also, Your Excellency Moyan is one of the twelve holy demon kings, and it is the last hope of the demons. He even delusionally wants to take away the demon soul, beast, this Baiyunhai is simply beast.

"Making a sin, making a sin!"

At this moment, one of the elders finally couldn't bear it anymore, and pointed at Bai Yunhai and cursed: "You bastard, you have done such a rebellious thing, and you are still thinking of expiring us!"

"Today How can I be worthy of the patriarch's spirit in the sky if I don't cut you with a thousand swords?" The words

fell, and the surrounding Bai disciples also shouted in indignation.

"Kill him!"

“Kill him, kill him.”

## Chapter 4718

Everyone was furious, screaming and rushing towards the sea of white clouds.

Huh ...

Seeing this, Bai Yunhai's face changed greatly, and he quickly knelt down in front of Mo Yan, almost crying: "Your Excellency Demon King, save me, save me, I said everything you asked me to say, I beg you Help me."

Mo Yan slapped him just now, his aura in the body was disordered, and he completely lost his combat effectiveness. Under such circumstances, how could he be an opponent of so many people? When everyone rushed to the front, I was afraid that there would be no bones left.

Seeing his pitiful appearance, Mo Yan's expression did not fluctuate at all.

"Everyone!" In the

next second, Mo Yan raised her hand, motioned for everyone to stop, and said lightly: "This person is extremely sinful, and killing him directly is not enough to comfort the patriarch Bai's spirit in the sky, and it is not enough to quell the anger of the public.

"Decided to leave him on this deserted island and let it fend for itself."

Om!

The voice fell, and a powerful breath burst out from Mo Yan.

In the next second, Mo Yanyu raised her hand, raised her palm fiercely, and directly hit Baiyunhai's dantian. In an instant, under the crushing force of the powerful and terrifying Demon Soul, Baiyunhai's dantian instantly collapsed. !

"Ah..."

Bai Yunhai screamed, all the strength in his body dissipated in an instant, his face was pale and pale, and he fainted directly.

Seeing this scene, everyone's faces were complicated.

"This despicable and shameless villain just abolished his skills, which is really cheap for him."

“Not all, he has no inner strength, and it will be even more miserable on this deserted island.”

Everyone had different opinions on the result of this kind of treatment, but Mo Yan had already decided so, and didn't say much.

“

Everyone!” At this moment, Mo Yan was suspended in mid-air, looking at the Bai family members quietly: “Behind me, the members of the Hailong Hall are all under the command of the deity, and now the deity announces that the Bai family is under his command. Everyone, merge into the Sea Dragon Hall.”

“In addition, the Sea Dragon Hall will be renamed ‘Sea Dragon Hall’ from now on.”

Phew!

Hearing this, all the Bai family disciples present looked at each other in dismay, and immediately knelt down and shouted in unison.

“Follow the orders.”

Moyan nodded and continued: “Everyone take a break and head to Icefire Island tomorrow morning.”

When she said this, Moyan looked in the direction of Icefire Island, her eyes flashing with a strange light, Speaking of which, she and Binghuo Island have no grudges, and it was also a coincidence that she was captured by the four Sikong brothers before.

However, Ice Fire Island is an overseas hidden world sect, and its strength should not be underestimated. If it can be successfully recovered, the strength of the Sea Dragon Palace will definitely grow a lot.

.....

On the other side, God's Domain.

After some flight, Yue Feng and Fairy Yunxiu finally arrived near the Black Swamp in the northwest of the demon clan's territory.

call!

At this moment, seeing the environment in front of him, Yue Feng couldn't help taking a deep breath.

I saw this black swamp, which was as big as Yuxi Immortal Garden. There were black silt everywhere, and there were bushes in it, and there was an unknown danger in the desolation.

Not only that, the entire Black Swamp was shrouded in a thick white fog at this time. The dense fog gathered but did not disperse, and the mosquitoes did not dare to approach, obviously it was highly poisonous.

“Hey!”

Seeing Yue Feng standing still, Fairy Yunxiu looked impatient and urged, “What are you doing standing here? Why don’t you take this Fairy to find the ghost grass?”

” Fairy Yunxiu glanced at the black swamp not far away, her delicate face was full of irritability.

She could also see that something was wrong with Bai Wu in front of her, but she was too lazy to think so much, she just wanted to quickly find the ghost grass and leave this ghost place.

Fairy Yunxiu’s attitude made Yue Feng a little unhappy, but she still smiled and said: “Fairy, don’t worry, look at the white fog covering the black swamp, it gathers but does not disperse, there is not a single mosquito around, it is obviously extremely poisonous. Let’s enter rashly, just because it is extremely dangerous.”

“Then what do you say?” Fairy Yunxiu became anxious.

At this time, it was getting late, Yue Feng looked at the sky and made a very tangled look: “It seems that we came at a wrong time. The only way is to wait here until the white fog dissipates.”

Chapter 4719

What?

Hearing this, Fairy Yunxiu frowned and said angrily, “When will we wait?” When she said this, Fairy Yunxiu was completely impatient, and glared at Yue Feng at the same time. This cunning old man insisted on dragging himself to such a ghost place.

Yue Feng breathed a sigh of relief and said slowly: “At least we have to wait until tomorrow morning. When the sun rises in the morning, these white mists will naturally dissipate, and then we can enter safely.”

Wait until tomorrow morning?

At this moment, Fairy Yunxiu's delicate face was full of anger, she couldn't hold it any longer: "You did it on purpose, right? You can only enter the black swamp tomorrow morning, why are you bringing me here now?"

"Taking Suburban Ridge for a night makes it uncomfortable to think about.

Ugh!

Yue Feng sighed and said innocently: "Fairy, you can't say that, it's the first time I've approached the Black Swamp, who knew there would be poisonous barriers here?"  
After speaking

, Yue Feng said indifferently: "Fairy's identity is delicate. , If you think it is inconvenient to stay here for one night, you can go back first and come back tomorrow morning."  
After the

last sentence fell, Yue Feng looked around, found a grass, lay down and stretched happily: "Aiya , it's really comfortable."

Speaking of which, Yue Feng was reborn through the red lotus of the law. He was a mysterious body, and he was not afraid of the poison in the white mist. At this time, he did this to deliberately make Fairy Yunxiu suffer.

"You..."

Fairy Yunxiu was anxious and angry when she saw that Yue Feng was lying on the grass like no one else, ignoring herself at all.

At this time, Fairy Yunxiu really wanted to return to Yuyao Xianyuan, but she gave up. After all, she came out this time to find the ghost grass for the lady. Now that she didn't find the ghost grass, she went back. What would the lady think?

But I won't go, how should I spend the whole night?

Thinking to herself, Fairy Yunxiu bit her lip tightly, and said angrily at Yue Feng: "Hey, you lie here and rest, what should I do with this Fairy?"

Seeing her anxious and angry expression, Yue Feng revealed With a smile, he said heartlessly: "Isn't there still grass around? What? Does the fairy still want me to get you a bedroom here?"

"We came out to work for the goddess, not to enjoy. ." At the

end, Yue Feng pointed to the grass next to him: "Otherwise, the fairy will pay attention to it here, you don't have to worry, I won't mind."

Shuh!

Hearing this, Fairy Yunxiu's delicate face suddenly flushed red, and her delicate body trembled with anger.

This old man, let me rest beside you and shamelessly say you don't mind?

At this time, Fairy Yunxiu was very angry, but she still held back her attacks and said coldly, "No need, I'll find a place to rest myself!" After speaking, Lianbu moved gently towards the woods not far away.

Soon, after finding a patch of air by the woods, Fairy Yunxiu sat cross-legged, and at the same time, she did not forget to shout at Yue Feng, "My Fairy is resting here tonight, you are not allowed to come in without my consent, hear No. "

Although this immortal Qingxu is quite old, but a man and a woman are staying in the wilderness, it is easy to cause misunderstandings if they spread out.

Hehe...

Hearing this, Yue Feng smiled: "Fairy, don't worry, this old man is a serious person."

"Smelly shameless!" Fairy Yunxiu cursed secretly, ignoring Yue Feng, and sat there in meditation.

Seeing that she didn't speak anymore, Yue Feng lay there and began to think secretly.

This Fairy Yunxiu, relying on herself as a celebrity next to Empress Hua Zhao, doesn't take people seriously. When she enters the Black Swamp tomorrow, she must find a way to treat her well.

Soon, night will come!

Time passed by minute by minute, and there was silence all around, except for the white mist surging in the black swamp, and there was a sound of insects from time to time.

call!

At this time, Fairy Yunxiu finished her meditation. Seeing that it was still early, she couldn't help but feel a little impatient.

How long will it be before dawn, it's really anxious to death.

"Quack..."

At this moment, something the size of a slap jumped close to Fairy Yunxiu and made a burst of screams. It was a toad, and I saw that this toad was completely black, with a pair of green eyes, which were particularly eye-catching in the dark night.

Obviously, this is a unique toad in the black swamp, and it is highly poisonous.

Chapter 4720

Swish!

Seeing the toad, Fairy Yunxiu instantly tightened her delicate body, and her delicate face was also full of tension.

Although she is a celebrity next to Empress Hua Zhao, her strength is not low, but she is a woman and has something to fear, especially a small creature like a toad.

“Ah...”

Seeing that the toad was about to reach her feet, Fairy Yunxiu couldn't hold it any longer, she let out a scream, and her delicate body couldn't help but back away, almost crying.

What the hell is this place, how can there be such an ugly toad? Don't you know what you are most afraid of?

what's going on?

Hearing the scream, Yue Feng hurriedly sat up, looked in the direction of the grove, and shouted at the same time, “Fairy, what happened?”

“You...”

Fairy Yunxiu at this time was almost scared to say He was speechless and exclaimed: “You hurry up... hurry up.”

Phew!

Yue Feng took a deep breath, frowned and said, “Fairy, you said before that you wouldn't let me go near the woods, but now you let me go, which makes me very embarrassed.” As

he spoke, Yue Feng muttered in his heart.

There are no beasts around here, what frightened her like this?

Hearing this, Fairy Yunxiu became anxious and angry.

This Qingxu Xianweng is too hateful. I said before that I didn't allow him to approach him, but I didn't say that there was danger, so I wouldn't let him approach.

"Quack!"

At this time, the toad shouted, and jumped towards Fairy Yunxiu.

Fairy Yunxiu turned pale, and shouted again: "You can't come here to help, and when I get back, I'll tell the empress, saying that you can't save me if you die."

Why does this damn toad keep staring at himself?

Can't help you?

At this moment, Yue Feng frowned, what danger did he encounter? It was so serious.

Thinking of this, Yue Feng walked over quickly.

I go!

As soon as he arrived at the grove, Yue Feng was dumbfounded when he saw the scene in front of him.

He saw Fairy Yunxiu was forced by the toad all the way to the root of the tree. The toad was only the size of a slap, but Fairy Yunxiu was so frightened that she trembled all over, her face was white, and she was very embarrassed.

Haha...

The next second, Yue Feng couldn't help laughing. Fairy Yunxiu was so arrogant that she was afraid of a small toad. It was really interesting.

"Huh!"

At this moment, Toad called out again, and then jumped towards Fairy Yunxiu. Fairy Yunxiu had no way to retreat. She was so frightened that she screamed and jumped directly into Yue Feng's arms. He kept shouting, "Quick, get it away, get it away..."

I'll go!

At this moment, the soft fragrance fell into his arms, and Yue Feng was immediately stunned, and then he couldn't help taking a breath of cold air.

So soft, so fragrant.

With emotion in his heart, Yue Feng kicked the toad away and said with a smile: "Fairy, it's just a toad, there is no danger at all, it's all right now."

When he said this, Yue Feng looked at the close Fairy Yunxiu couldn't calm down for a while.

Although Fairy Yunxiu looks down on people, she has to say that this figure is too predictable, where it should be thin, and where it should be, it is also very full...

Seeing the toad being kicked away, Fairy Yunxiu immediately He breathed a sigh of relief, and immediately felt Yue Feng's gaze, his pretty face flushed red, and he was extremely ashamed.

Snapped!

With a crisp sound, five finger prints appeared on Yue Feng's face. At that time, he was stunned and looked at Fairy Yunxiu in confusion: "Why are you hitting me?"

" Fairy Xiu was shy and angry, and said coldly: "You took advantage of me, shouldn't you fight?" Thinking of Yue Feng's eyes, staring at her all the time, Fairy Yun Xiu couldn't be more angry.

What the hell!

Yue Feng suddenly laughed angrily: "Fairy Yunxiu, what you said is unreasonable, you asked me to come here just now, and after I came, you took the initiative to hold me, how can I take advantage of it now? "

I..."

After speaking, Fairy Yunxiu was speechless, but after a few seconds, she blushed and retorted: "I accidentally bumped into your arms, who made you mess up?" watch?"
