

## The ultimate husband in Chinese chapter 4741-4750

### Chapter 4741

“It’s already very good that we can investigate these. It’s enough to tell the White Tiger King the situation, and we can get back to life with the ghost grass.” The

words were impeccable.

Fairy Yunxiu nodded silently: “Okay then!”

At this moment, Yue Feng looked at him strangely, took off a coat and handed it over: “Here, put it on first.”

“Who wants to Wearing your clothes?”

Fairy Yunxiu looked disgusted and didn’t want to accept it at all, she pouted, “It’s dirty.”

Fairy Yunxiu, who is so dignified, how could she wear a bad old man’s clothes?

Swish!

Just as she was talking, she felt Yue Feng’s strange gaze, and Fairy Yunxiu realized that there was nothing covering her body, and her face immediately flushed red.

“You...” The

next second, Fairy Yunxiu shouted softly, “Close your eyes. It’s really old and serious.”

Haha...

Seeing her appearance, Yue Feng was not angry at all, and turned around at that time. Go, he smiled and said: “I put the clothes on the ground, whether you like to wear them.” After saying that, he threw the coat in front of Fairy Yunxiu.

Anyway, not only did I see it just now, but I also touched it, so I didn’t bother to talk to her.

Seeing Yue Feng turning around obediently, Fairy Yunxiu took a deep breath and slowly picked up the clothes on the ground. Although she was extremely reluctant, she still passed it on.

This chapter is provided by . Visit for daily update.

No way, I can’t be so naked all the time.

“Okay!” Fairy Yunxiu said angrily after getting dressed.

Yue Feng turned around and said with a smile: “You sneaked in, you definitely can’t go up with me, so let’s go out of the black swamp first, just wait for me outside, and then I will be with the white tiger. Wang said, you are in a hurry to return to Yuyao Xianyuan.”

“I went back to the White Tiger King, and after I told him about the investigation here, I took the ghost grass to join you.”

Well!

Fairy Yunxiu nodded: “Don’t let this fairy wait too long!” After the

voice fell, Fairy Yunxiu activated her divine power, and her delicate body rose and flew out of the cave.

Yue Feng waited on the spot for a while, and determined that Fairy Yunxiu had left the Black Marsh, and then flew up with her figure. He was not worried at all about Fairy Yunxiu being discovered. After all, although this woman was arrogant, she was very smart.

Whoosh!

Soon, when I got outside, I saw the dozen or so monster warriors still on guard.

Seeing Yue Feng coming up, these monster warriors quickly surrounded him.

“Your Excellency Xianweng, are you all right?”

“Xianweng finally came, but we are worried to death...”

In their hearts, the old man in front of him was the VIP of the White Tiger King, and he did not dare to neglect him at all.

Yue Feng smiled slightly and waved his hand: “It’s all right, let’s go back.” A

few minutes later, in the courtyard where the White Tiger King was resting.

Yue Feng explained the situation he encountered in the underground cave in detail. Of course, it was inconvenient to talk about the matter with Fairy Yunxiu Yunyu.

“Made!”

Hearing this, the White Tiger King was very angry: “This fairy Yunxiu, she clearly told her to stay in the hall and not move around, but she dares to break into the black swamp without permission. She simply doesn’t take our demon clan seriously.”

Yue Feng With a slight smile: "Even though she is daring, she is still not controlled by me?"

With that, Yue Feng took out the imperial order of the Emperor of Heaven.

Swish!

In an instant, the White Tiger King's eyes were instantly attracted, and he couldn't hide his shock: "My God, it's really the emperor's order. This thing has disappeared for nearly 10,000 years, and I didn't expect it to be under the black swamp.

", What did the White Tiger King think: "Your Excellency Yue Feng, do you really want to give this thing to that Prince Aolin?"

"Yeah!"

Yue Feng nodded and said seriously: "Prince Aolin has both virtue and talent, is generous and benevolent, He has become the Emperor of Heaven, which is a great thing for your demon clan and our Kyushu continent."

"By the way, please remember your promise to forever form an alliance with Prince Aolin."

Haha...

Hearing this, the White Tiger King couldn't help laughing, patted Yue Feng's shoulder and said: "Your Excellency Yue Feng, don't worry, although I am not very familiar with Prince Aolin, but I believe in you, as long as it is yours, We will always be friends of our demon clan."

Chapter 4742 Talking

and laughing, the White Tiger King thought of something, and took out a packet of medicinal powder from his body: "Your Excellency Yue Feng, this is what you want."

Yue Feng took it with a smile and put it away.

The medicinal powder was ground from ordinary herbs, which Yue Feng deliberately used to fool Fairy Yunxiu.

"It's getting late, I should go." After chatting for a while, Yue Feng and the White Tiger King said goodbye and left.

call!

Outside the demon clan's territory, she saw Fairy Yunxiu still waiting there, her delicate face full of impatience.

"Hey!"

Fairy Yunxiu said angrily when she saw Yue Feng's appearance: "Why is it so slow? Have you got the medicinal powder of Ghost Spirit Grass?"

Yue Feng smiled and took out the prepared medicinal powder from his body: "Take it. It's here."

Fairy Yunxiu snatched it away: "Leave such a precious thing on me." The main purpose of coming out this time is to get the ghost grass, and the credit must belong to her.

Yue Feng didn't know what she was thinking, so he didn't care at the time, and said with a smile, "Let's go, go back!"

Half an hour later.

Yuyao Xianyuan!

Empress Hua Zhao was very happy that Yue Feng and Fairy Yunxiu successfully obtained the ghost grass.

At this moment, Madam Hua Zhao looked at the pollen in front of her and praised Yue Feng: "That's right, yes, you can successfully get the pollen back, and you have finally lived up to the trust of this palace!" After the

voice fell, Fairy Yunxiu quickly said: "Niangniang, in order to get this pollen, we took a lot of risk."

At this time, such a good opportunity, of course, has to take credit.

Speaking of which, Fairy Yunxiu is not afraid that Yue Feng will expose the lie, because Yue Feng also has a handle in her hands, that is, he once rescued the son of the White Tiger King. If Empress Hua Zhao knew about this, she would definitely be suspicious. .

Seeing this situation, Yue Feng didn't care.

The next second, Yue Feng smiled at Empress Hua Zhao and said, "Goddess is polite, it's my honor to find herbs for you."

Hmm!

Madam Hua Zhao was very satisfied with Yue Feng's answer, and then she couldn't help but ask: "Xianweng, now that the ghost grass has been obtained, what should I do next?"

"Yue Feng said angrily, "If you fool the Empress, you will be committing a heinous crime."

Fairy Yunxiu was the most capable of bullying others. When she returned to Yuyao Xianyuan at this time, she immediately returned to her previous high-pitched face.

Ha ha!

Yue Feng smiled secretly. Fairy Yunxiu went to the Black Swamp this time, but she still wasn't cleaned up enough. She was still so arrogant in front of me.

Thinking about Yue Feng's calmness, he politely said to Empress Hua Zhao, "Ghost spirit grass is only a medicinal guide. If you really want to completely solve the problems on Empress's body, you still need to refine medicine pills."

Before going to the Black Marsh, Yue The wind figured out a solution.

Alchemy?

Empress Hua Zhao's delicate body trembled, looking at Yue Feng's eyes with a strange brilliance: "I didn't expect Xian Weng to be omnipotent and even concoct alchemy..."  
The

words were full of admiration.

You must know that there are very few people who know the technique of alchemy in the realm of the gods. Otherwise, the Nine Heavens God would not have been so polite to Guiguzi.

Fairy Yunxiu on the side was disapproving: "Who knows if he is bragging."

"Yunxiu!"

Empress Hua Zhao couldn't bear it anymore, her eyebrows frowned, and she reprimanded, "Don't be rude."

Seeing Empress speak, Fairy Yunxiu quickly stepped aside.

"Xianwen!"

Empress Hua Zhao smiled at Yue Feng: “Yunxiu doesn’t understand the rules, this time to the Black Swamp, it will definitely cause you a lot of trouble, and I hope Xianwen will not be blamed.”

“Yes, alchemy . If you have any other requirements, feel free to mention it.”

“Okay madam!” Yue Feng nodded, and then smiled at Fairy Yunxiu, “Fairy Yunxiu, please help me prepare some spirit grass. ...”

Then, Yue Feng said the required materials one by one.

At this moment, Fairy Yunxiu was very unhappy, but she thought that it was to make medicinal pills for her mother, so she endured it. At that time, she gave Yue Feng a white look and walked out of the hall quickly.

In Yuyao Xianyuan, there are countless exotic flowers and plants, and Yue Feng needs all the materials. Soon, Fairy Yunxiu will prepare the required materials.

#### Chapter 4743

At this time, Fairy Yunxiu couldn’t hide her disdain, and said to Yue Feng: “Here, all the materials you want are ready.”

I have to see if this old man can make pills. Medicine.

call!

At this moment, Yue Feng breathed a sigh of relief, and said to Fairy Yunxiu with a smile: “Fairy Yunxiu, I will continue to trouble you, help me find a pill stove!”

Yes, Yue Feng did it on purpose.

This Fairy Yunxiu is arrogant because she is a celebrity next to Empress Hua Zhao. Although she has taught her some lessons in the Black Marsh before, she will not change her stubbornness. one time.

“You...”

In an instant, Fairy Yunxiu’s face flushed red, and she was very angry.

This old man is addicted to using himself. Relying on his ability to help the empress to solve the trouble, you can be unscrupulous, which is really hateful.

For a while, Fairy Yunxiu became more and more angry, and wanted to refuse directly.

But seeing Empress Hua Zhao sitting there with a face of acquiescence, Fairy Yunxiu did not dare to neglect, and turned around and walked out of the hall to prepare the pill furnace.

Soon, the pill stove was ready, and Fairy Yunxiu looked at Yue Feng angrily: "The pill stove is ready, hurry up and start."

However, Yue Feng was not finished, and said with a half-smile: "I have to trouble Fairy again, Help me light the stove!"

"You..."

This time, Fairy Yunxiu couldn't hold it anymore, and said angrily, "I have to do everything, what do I want you to do?"

"", is getting more and more presumptuous. Fairy Yunxiu, who is dignified by himself, actually asked himself to make a furnace for him to fight.

"I need to sort out these alchemy ingredients..." Yue Feng said seriously, slowly: "What? Do you feel ashamed to help me make a furnace? This is to refine elixirs for the goddess. Is it your face, Is it more important than the safety of the empress?" The

words were so eloquent that they could not be refuted.

At this moment, Yue Feng looked serious, but his heart was secretly funny.

I just want to rectify you, who told you to always stand tall in front of me? "I..."

At this moment, Fairy Yunxiu's face flushed, but she was speechless to refute, but her heart was full of anger. This old and unscrupulous person was deliberately embarrassing me.

Okay, for Empress' sake, I'll help you set the stove on fire, and find an opportunity in the future to see how I treat you.

Thinking of this, Fairy Yunxiu snorted coldly, ignored Yue Feng, and went to the side to start lighting the furnace.

Yue Feng smiled slightly, started sorting the medicinal materials, and put them into the fire in an orderly manner. At every step, Yue Feng was methodical and serious.

call!

At this moment, Empress Hua Zhao watched Yue Feng's movements closely and nodded her head in approval.

As expected of an immortal from outside the sky, looking at the technique of alchemy, it is much stronger than those alchemists in the God's Domain.

However, Fairy Yunxiu next to her secretly sneered.

If the elixir that is refined later doesn't work, it will be up to you how it ends. At that time, I will definitely tell the Empress to cut off your head.

After a while, Yue Feng finished putting out the materials and began to control the heat.

Huhuhu....

As the temperature of the stove continued to rise, the entire bedroom was also warm.

In the blink of an eye, more than ten minutes passed, and there was still no movement. Fairy Yunxiu couldn't help but chuckle softly: "Will you be able to concoct alchemy? If there is no movement for a while, are the materials inside destroyed?"

She thought to herself. Hold the fire and don't miss any opportunity to mock.

Yue Feng smiled and said nothing.

Bang!

Fairy Yunxiu was about to make a mockery, when suddenly, there was a sudden vibration in the pill furnace.

Yue Feng hurriedly stepped forward, opened the pill furnace, and saw a green pill lying quietly, a charming fragrance also filled the air.

This...

Seeing this scene, Fairy Yunxiu's body trembled and she was completely stunned. Actually...really refined by him? !

"Niangniang!"

At this time, Yue Feng handed the medicinal pill to Niangniang Huazhao, and said with a smile: "This is the Peiyuan Qingdan, which has a miraculous effect on conditioning Niangniang's perfect Yin constitution. Niangniang will know after taking it."

"Good! "Empress Hua Zhao smiled all over her face.

Fairy Yunxiu curled her lips: "It's so amazing, I don't know if it's useful!"

Empress Hua Zhao frowned, and said very unhappily: “Yunxiu, did you forget what Ben Gong just said? Why? How can you be so rude to Xianweng? You have to get angry with this palace, don’t you?”

Chapter 4744

“Pfft!”

Seeing Empress Hua Zhao’s anger, Fairy Yunxiu’s body trembled, she quickly knelt down, and said in fear: “Yunxiu dare not.”

Empress Hua Zhao said angrily: “From now on if you are still as unruly as before, this palace will never forgive you.”

“Yunxiu understands.” Fairy Yunxiu nodded quickly, how dare you violate the slightest.

Gudong!

Empress Hua Zhao stopped talking nonsense, took the medicine pill, and soon felt warm and comfortable all over her body.

The next second, Madam Hua Zhao tried to mobilize her divine power to move around her primordial spirit. Her delicate face suddenly showed a delighted smile. You must know that she is of the most yin body. She used her divine power to move around her primordial spirit. At times, the cold in the body will be stimulated, resulting in cold hands and feet.

At this time, that cold feeling was completely gone.

This medicine pill really works, it’s amazing.

For a time, Empress Hua Zhao looked at Yue Feng’s eyes, and she was a little more appreciative and excited: “Xian Weng really has magical powers, this medicine pill really works. Ben Gong’s words count, what kind of reward does Xian Weng want?”

Reward?

Yue Feng rushed over and didn’t think there would be a reward. After thinking about it at the time, he smiled and said, “Can you keep this reward for me? The old man didn’t think about it for a while!”

Yue Feng didn’t lie, he really didn’t expect to get it. What a reward!

“Can the reward still be retained? What do you think of the empress?” Fairy Yunxiu couldn’t help saying.

Swish!

As soon as she finished speaking, Empress Hua Zhao gave her a cold look.

Fairy Yunxiu's body trembled, and she quickly closed her mouth.

At this time, Empress Hua Zhao looked at Yue Feng with interest: "Since Xian Weng said so, well, I will keep this reward for you. When you think of it, bring it up to me.

"The drawbacks of the body of yin have been completely solved, not to mention one reward, ten, one hundred are worth it.

"Okay!"

Yue Feng showed a smile, nodded and said, "The lady rests, the old man has retired."

After speaking, with the permission of Lady Hua Zhao, he left Yuyao Xianyuan.

....

on the other side, Dragon King Island!

Mo Yan was dressed in red, standing on the highest hillside on the island, with a smile on her delicate and beautiful face.

In the past two days, Yu Du brought back nearly 100,000 laborers. In just half a day, the foundation of the palace was laid. At this speed, the palace on Dragon King Island could be built in the shortest month.

Yu Du and more than a dozen strong men stood silently on the side, and they were all excited.

Especially Yu Du, while excited, his heart is also extremely excited.

The queen is really amazing. In less than three days, she swallowed up all the pirate organizations and became the overlord of the sea. This is something that I never dared to think about before.

Um?

At this moment, Mo Yan noticed something and tilted her head to look at the sea in the distance.

At the same time, the rest of the people also turned their heads.

hiss!

Seeing this, whether it was Yu Du or the many masters around, they were all stunned, and they couldn't help but gasp.

On the sea a few miles away, there has been a mighty fleet coming. This fleet consists of nearly a thousand large ships, which are lined up on the sea. Long knife, amazing momentum!

At the forefront of the fleet is a dragon-headed ship with a dragon flag flying on it.

At the bow of the ship, a slender figure stood there quietly, wearing a golden yellow dragon and phoenix robe.

It is Long Qianyu!

Half a day ago, after Long Qianyu led his army to rectify the Pearl Harbor, he came directly to Longwang Island to interrupt and destroy the pirates.

Swish!

At this moment, Mo Yan was shocked when she saw Long Qianyu, but her delicate face was calm and said lightly: "Pass my order, leave some people to watch the workers, and the rest are on the coast. Assemble, prepare to meet the enemy."

"Yes, Queen!" Yu Du quickly responded, and then went to deploy!

A few minutes later, nearly 100,000 members of the Sea Dragon Temple gathered on the coast.

At this time, Long Qianyu's army of hundreds of thousands was about to arrive at the seaside.

Swish!

At this moment, Long Qianyu, who was standing at the bow of the boat, suddenly locked his eyes on Mo Yan. At that time, her delicate body was shocked, and she was surprised and surprised, and said coldly: "It turns out that it is you, the demon girl!"

Before Chapter 4745

, Long Qianyu issued an imperial decree and sent people to search Mo Yan's whereabouts, but there was no news, which made Long Qianyu very annoyed. Suddenly seeing Mo Yan at this moment, why not be surprised?

Speaking of which, Long Qianyu was a little puzzled at first. For nearly a hundred years, these pirate organizations at sea have been fighting each other endlessly, and no one will accept the other. Suddenly they are all annexed. It is incredible!

But the moment he saw Mo Yan, Long Qianyu understood.

After all, Moyan is one of the twelve holy demon kings of the demon clan, and her strength is no small matter. It is completely easy for her to swallow these pirates.

Whoa!

As soon as the voice fell, the nearly 100,000 members of the Sea Dragon Hall, as well as Yu Du and others were stunned and looked at Mo Yan in surprise.

Does the queen know each other?

At this moment, Mo Yan's delicate face did not fluctuate in the slightest, she looked at Long Qianyu quietly, and said lightly, "Long Qianyu, stay safe, didn't you expect that we would meet in this way? "

Long Qianyu bit his lip and snorted coldly, "Evil Demon Dao, you kidnapped nearly 100,000 people in the Southern Cloud Continent, let them go quickly, otherwise, I will smash your nest."

Hehe...

Hearing this, Mo Yan didn't panic at all, and said with a chuckle: "You want to step down here? I'm afraid you don't have that ability, and I tell you, my palace has not been built, and none of these workers want to leave. . "

Shaw!

Hearing this, Long Qianyu's delicate face suddenly turned gloomy, and he stopped talking nonsense at that time, and said coquettishly: "All officers and soldiers can attack and destroy all pirates."

"Kill!" The

voice fell, hundreds of thousands of Nanyun The army jumped off the warships one after another, like a tide, rushing towards the Hailong Palace members on the coast.

"Meet the enemy!" Seeing this situation, Yu Po, who was already prepared, shouted, and immediately, he led the people in the Sea Dragon Hall to meet the enemy and fight fiercely with the Nanyun army.

"Ah!" In the

blink of an eye, the two sides collided, shouting and killing, and the sound of weapons clashing incessantly. During the fight, many members of the Hailong Hall were seen screaming and falling in a pool of blood.

Speaking of which, these members of the Sea Dragon Palace are all untrained pirates. They are usually strong merchant ships, but they have never fought a real battle. At this time, when they meet the elites of the royal family in the Southern Cloud Continent, how can they be their opponents?

Huh...

But seeing this scene, Mo Yan didn't panic at all. At that time, her red lips lightly opened and she instructed: "Yu Du, you guys go and deal with the queen." Hundreds of thousands of Nanyun troops are nothing to worry about.

Swish swish... After

hearing the order, many strong people with residual poison, without the slightest hesitation, burst out and rushed towards Long Qianyu.

Each of these powerhouses who shot with Yu Du was once the leader of various pirate organizations, and their strength is not weak.

Although Long Qianyu is a woman, she used to be a female warrior in the Southern Cloud Continent. Facing Yu Du's dozen or so powerhouses, she just smiled coldly: "A bunch of rabble, dare to offend this Emperor Tianwei?"

Om!

As soon as the voice fell, Long Qianyu clenched a long sword, his breath exploded, and he directly attacked.

Dangdangdang...

In an instant, although the Yu Du crowd surrounded her, they couldn't gain the upper hand. You must know that after Long Qianyu became the queen, he practiced a lot of royal skills, and his strength is not what it used to be.

At this time, Long Qianyu was fighting fiercely with Yu Du and everyone, while paying attention to Mo Yan not far away.

In her heart, Mo Yan was reluctant to take action herself, because the poisonous blood soul pill in her body had not been expelled. If this was the case, she would be taken down first after breaking out of the siege. In this way, the pirates of the entire Dragon King Island would Will collapse without a fight.

However, at this time, Long Qianyu didn't know that the reason why Mo Yan didn't take action was because the child in her belly was afraid of fetal gas.

Bang Bang...

After a few minutes, Yu Du and everyone still couldn't suppress Long Qianyu. Suddenly, Yu Du was a little anxious.

"Queen, this woman is too powerful. If we go on like this, the battle situation will be very unfavorable for us." Yu Du said anxiously at Mo Yan.

call!

Mo Yan took a deep breath and did not respond, but looked around and saw that many of the members of the Sea Dragon Palace fell on the beach, dead and injured.

## **The ultimate husband in Chinese chapter 4746-4750**

Chapter 4746

Seeing this, Mo Yan no longer hesitated, her delicate body rose up, and came straight to Long Qianyu.

"Long Qianyu!"

Mo Yan's red lips parted lightly as she approached her, and she said coldly, "We should settle the account." seabed.

hum!

When the last word fell, Mo Yan raised her hand and slapped Long Qianyu's back.

At this time, Long Qianyu was dealing with the rest of the crowd. He didn't expect that Mo Yan would suddenly attack. At that time, he was shocked and angry and wanted to dodge, but it was too late.

boom!

This palm hit Long Qianyu's back fiercely, only to hear a groan, Long Qianyu's whole body was shocked and flew out, his delicate face was extremely pale, and he spat out a mouthful of blood in the air, and finally fell into the deep sea. among.

"Pfft!" At the moment of falling into the water, Long Qianyu clearly felt that the aura in his body was disordered, and his eyes were also blackened for a while, and before he finally surfaced, he passed out and sank into the deep sea.

"Your Majesty..."

"Oops, Your Majesty..."

Seeing this scene, the generals of the Nagumo Army who were still fighting, exclaimed one by one, and at the same time wanted to rush to rescue, but the sea was vast and there was still Is there a figure of Long Qianyu?

“It’s over... Your Majesty is dead!” In the

panic, someone shouted, and the Nagumo Army, which was at an advantage, suddenly became chaotic, and many soldiers fled in a hurry, trying to leave by boat.

call!

This chapter is provided by . Visit for daily update.

At this moment, Mo Yan showed a smile, and then raised her jade hand: “Complete counterattack.”

“Kill!”

Hearing the order, all the members of the Sea Dragon Palace launched a counterattack as if they had been beaten with blood. In less than ten minutes, tens of thousands of Nagumo soldiers were wiped out.

And the remaining Nagumo soldiers escaped by boat, very embarrassed.

Swish!

At this moment, the entire Dragon King Island cheered, and all the pirates looked at Mo Yan’s eyes, full of admiration, and shouted in unison.

“Long live the queen.”

“Long live...”

It was just a group of pirates who actually repelled hundreds of thousands of elite troops from a continent. This was an unprecedented feat.

For thousands of years, who of the pirate leaders who have dominated the sea can do it?

Facing the cheers, Mo Yan showed a faint smile, and said lightly: “Okay, clean up the battlefield, and hold a banquet for everyone to celebrate at night.” When she said this, Mo Yan’s delicate face was full of relief.

Long Qianyu sank into the sea, and she was sure to die. Once she died, there was no need to worry about the Nanyun army making a comeback. In this way, Longwang Island could also develop with peace of mind.

Hearing this, the entire Dragon King Island rejoiced again.

...

Half a day later, Tianshui Islet.

Tianshuiyu is close to the sea and has a complex environment. It is located at the junction of Nanyun Continent and Dongao Continent.

Tianshui Islet is next to a bay. There were originally some fishing villages here, but due to frequent tsunamis, many fishermen moved away, leaving only an abandoned fishing village, which seemed very deserted.

Instead, on the coast beside the fishing village, a man and a woman were wading in the water comfortably, talking and laughing while walking, very leisurely.

The men are handsome and handsome, and the women are charming and charming, with a long sword on their bodies.

It was Jianzong's eldest disciple, Dongliu, and his junior sister Hongxia.

At the beginning, when Yue Feng was reborn through the Red Lotus of Faye and returned to Kyushu, he used a pseudonym A Feng and stayed in Jianzong for a period of time, and he was repeatedly asked for trouble by them at that time.

During this period of time, Dongliu and Hongxia have been going out to practice. Today, they passed by Tianshui Islet. Seeing that the sky is high and the sea is wide, they came to the beach to play.

"Senior brother!"

At this time, Hongxia took Dong Liu's arm affectionately, bit her lip and said, "When are you going to tell your master about your marriage?" Acknowledging, Hongxia really wants to get married early, so that they can be together justifiably.

Dongliu said with a smile, "I'll tell Master when I go back this time." After speaking

, Dongliu was about to take Hongxia into his arms and take good care of him. Suddenly, he saw the seaside not far away, and his eyes widened. Yiliang: "I'm going!"

"What's wrong?"

Hongxia asked subconsciously, and then followed Dongliu's gaze, and her body was shocked: "Senior brother, there seems to be a person lying there, it looks like a female."

Chapter 4747

“Yeah!” Dongliu responded and quickly walked over to check.

Hongxia followed closely behind!

hiss!

When he got to the front, seeing the appearance of the woman, Dong Liu’s eyes suddenly straightened, and he couldn’t help taking a deep breath.

I saw that the comatose on the beach was a very beautiful woman, lying on her side at this moment, her eyes closed, wearing a gorgeous dragon and phoenix robe, which showed her graceful figure vividly, although her face was pale, It looks like a finely crafted face, and any man who sees it will be haunted by it.

Yes, this comatose woman is Long Qianyu.

For half a day, Long Qianyu led hundreds of thousands of Nanyun elites in an attempt to destroy the Sea Dragon Palace, but was knocked into the sea by Mo Yan, and finally drifted with the tide, and was washed to the coast.

Although Long Qianyu was in a coma at this time, the royal aura around him still made people dare not underestimate it.

“This...”

Feeling the majesty on Long Qianyu’s body, Hongxia’s delicate body trembled, her heartbeat couldn’t help speeding up, she said, “Senior brother, this....Looking at her outfit, she seems to be the Queen of Nanyun. Long Qianyu.”

Speaking of which, Hongxia had never seen Long Qianyu, but when she saw the dragon and phoenix robes on her body and the exquisite jade pendant around her waist, she guessed it at once.

Queen Long Qianyu, the former female god of war in Nayun Continent?

At this moment, Dongliu didn’t respond, his eyes kept looking up and down the charming curve of Long Qianyu, and the whole person was crazy.

According to rumors, Long Qianyu looks like a goddess, like a fairy.

When I saw it today, it really lived up to its reputation.

beautiful!

This is too beautiful.

“Senior brother!”

Seeing his expression, Hongxia was a little jealous, and stomped her feet: “This queen is very beautiful, isn’t it, your eyeballs are going to fall out.” After speaking, she couldn’t help but hit Dongliu again.

Dongliu was in pain, he immediately reacted, and said with a smile: “No matter how beautiful this queen is, she is not as beautiful as you. I’m just curious, how could this Long Qianyu appear here? It seems that he is still injured.

” He couldn’t help but glance at Long Qianyu again.

call!

Hearing the compliment, Hongxia was very relieved, and then stepped forward to check Halong Qianyu’s injury: “The meridians in her body seem to have been broken by someone. Brother, what should we do?”

Seriously, If it was someone else, Hongxia would be too lazy to meddle in her own business, but the one in front of her was the Queen of Nayun, which was no small matter.

Hearing this, Dongliu was taken aback: “The strength of this Long Qianyu is at least in the late stage of the Tribulation Realm. Who has the ability to break her meridians?”

Said, Dongliu After thinking for a while, he made a decisive decision: “Junior sister, hurry up, take her to the nearby fishing village, find a clean house, and let’s take a look at her.”

Dongliu is the most lecherous, Long Qianyu in front of him looks Alluring the country and the city, making people pitiful, how could she be allowed to die?

“Okay!”

Hongxia nodded without hesitation, and together with Dongliu, helped Long Qianyu up and brought him into the fishing village.

Unlike Dongliu, the reason why Hongxia decided to rescue Long Qianyu was because she was the queen of Nanyun Continent. After saving her, she was the benefactor of the entire Nanyun royal family, and she would have a powerful backer in the future.

After entering the fishing village, the two found a quiet house and put Long Qianyu down.

call!

At this moment, Hongxia breathed a sigh of relief and said, "Senior brother, you have deep inner strength. Come and save her, but you have to remember, don't look around."

Honestly, Hongxia really didn't want to let Dongliu do it. After all, there are differences between men and women, but there is no way to do it. My inner strength is still shallow, and I can't help at all.

"It's natural!"

Dongliu was happy in her heart, but she was serious on the surface: "She is the queen, how dare I have any other thoughts."

Hearing this, Hongxia felt relieved and walked outside the door to protect the Fa.

hum!

At this time, Dongliu no longer hesitated, sitting cross-legged behind Long Qianyu, using her internal strength, began to help her heal her injuries, and continued to connect the meridians...

The time passed by minute by minute.

"Phew!"

After more than two hours, Dongliu let out a long sigh of relief and let go, sweating profusely, very tired. You must know that Long Qianyu was seriously injured, and helping her heal would consume too much energy.

In front of him, Long Qianyu's pale face turned bloody. He just kept his eyes closed and was still in a coma.

Chapter 4748

"Senior brother!"

Upon hearing the movement, Hongxia outside the door hurried in, took out the towel on her body and wiped the sweat off Dongliu. The charming and charming face is full of concern: "How are you? Are you tired?"

Dongliu shook his head: "She is seriously injured, so she consumes a lot of energy, but it's okay, I'll rest for a day or two. , you can recover."

Hmm!

Hearing this, Hongxia felt relieved, then looked at Long Qianyu and couldn't help but said, "But she hasn't woken up yet, what should we do next?"

“She is the Queen of Nanyun, and the person who hurt her must be the one who hurt her. It is very powerful, we saved her, although there are many benefits, but I am afraid that it will also cause fire.” Dongliu

nodded in agreement: “Junior sister is right, so we can’t stay in this fishing village, we have to take her away as soon as possible.”

Saying these At that time, Dongliu looked at Long Qianyu intentionally or unintentionally, with a trace of obsession in his eyes.

“This...”

At this moment, Hongxia frowned lightly, thought about it and said, “But where are we going to take her? Or, take her back to our Sword Sect Mountain Gate?” “

No!”

When it fell, Dongliu shook his head and objected: “You said just now that if you can beat Queen Nanyun seriously, the identity of the other party must not be simple. If we bring her back to the mountain gate, aren’t we asking for trouble?

” Dong Liu scratched his head and thought: “This time is no small matter. Otherwise, one of us will stay here to guard her, and the other will return to the mountain gate and report to the master to see how the master decides.”

When he said this, Dong Liu’s face was serious, Secretly, he was making his own calculations. He wanted to support Hongxia and create a chance for him and Long Qianyu to get along alone.

“Okay!”

Hongxia didn’t know what he was thinking, so she nodded immediately: “I’ll stay here, my brother will return to the mountain gate to report to the master.”

However, as soon as the words fell, Dongliu smiled bitterly: “Junior sister, return to the mountain gate from here, the mountain high road. far away, and I just spent a lot of internal energy, I’m afraid some...”

Yes...

Hearing this, Hongxia was a little worried, what should I do? I am a woman, so it is understandable to stay and take care of her, but my brother is a man.

Seeing her hesitating, Dongliu tentatively said, “How about, if Junior Sister returns to the mountain gate, I will stay here to watch her? Don’t worry, Senior Brother has a sense of restraint and won’t do anything wrong to you.”

“Besides, she is Nanyun . Queen, I don’t dare to be arrogant.”

Seeing him say this, Hongxia bit her lip lightly and nodded, “Well then, senior brother, be careful.” After saying that, she reluctantly said goodbye to Dongliu, and then Go to Jianzong Mountain Gate.

Haha...

As soon as the forefoot left, Dongliu couldn’t hide his excitement and tilted his head to admire Long Qianyu.

Beautiful, so beautiful.

If you can enjoy a night of tenderness, it is worth dying immediately.

For a while, Dongliu became more and more itchy as he looked at it. He couldn’t help but leaned in and sniffed lightly on Long Qianyu. At that time, I only felt an aroma blowing my face, and the whole person was fascinated.

Swish!

Just when Dongliu was intoxicated, he saw Long Qianyu suddenly open his eyes, with deep hostility in his eyes, and said coldly: “You... Who are you?”

Speaking of which, Long Qianyu As the Queen of Nagumo, she is well-informed and courageous, but in this case, when she woke up from a coma and saw a strange man beside her at first sight, anyone else would panic.

I go! woke up?

Dongliu was startled, but soon calmed down and said with a smile: “Don’t panic, Her Majesty, I’m just a nobody who walks the rivers and lakes. I passed by the seaside during the day and saw that Her Majesty the Queen was unconscious, so I dared to bring you here. In this small fishing village.”

When he said this, Dongliu’s face was harmless to humans and animals.

At this time, Dongliu had evil thoughts about Long Qianyu in his heart, and naturally he would not reveal his true identity.

“You... saved me?”

Hearing this, Long Qianyu frowned, slowly stood up and distanced herself from Dongliu, his whole body was on guard.

The rivers and lakes are sinister, this person knows his identity and has to guard against it.

“Your Majesty!”

Seeing her vigilant look, Dong Liu smiled and said sincerely: “I really have no ill intentions. Speaking of which, I am also from the Southern Cloud Continent. Later, I learned some cultivation techniques. I started walking around the rivers and lakes, and made my home everywhere.”

Chapter 4749

“But no matter where I go, in my heart, Nanyun Continent will always be my hometown. It is my fate and my honor to be able to rescue Her Majesty the Queen by chance this time.”

In order to make Long Qianyu Putting down his guard, Dongliu started talking nonsense.

call!

Seeing what he said was serious, Long Qianyu breathed a sigh of relief and let down his guard.

It turned out that he was also from the Nanyun Continent. It seems that this is God’s will, and he should not die.

Thinking about it, Long Qianyu’s face softened a lot, and he praised Dongliu: “Okay, I was harmed by evil people. Fortunately, I met you. What’s your name? When I return to the imperial city, I will definitely reward you.”

“The villain doesn’t expect to be rewarded.” Dong Liu smiled and said very humbly: “My name is Adong, and I can work for Her Majesty, the villain is very satisfied.” At the end, Dong Liu from He took out an elixir from his body and said respectfully: “Your Majesty, when the villain dared to heal you just now, he found that your internal strength was severely depleted. It’s called Jade Spirit Pill, and after taking it, it can quickly restore internal strength! Now I will dedicate the pill to Your Majesty.”

When he said this, Dong Liu’s face was respectful, but his eyes flashed with cunning.

Yes, this is not a jade elixir at all, but a numbing poison.

Yuling Dan?

Hearing this, Long Qianyu's eyes lit up and he was overjoyed. You know, Jade Spirit Pill is a treasure that you can't find. I didn't expect this person in front of me to have it.

I saw this medicinal pill, the color was yellow, and it exuded bursts of medicinal fragrance.

At this time, Long Qianyu didn't know, and he was deceived.

"good!"

At this time, Long Qianyu smiled at Dong Liu: "A-Dong, you have a heart, when I recover my inner strength, I will definitely not treat you badly, and seeing that your strength is not weak, I will be a royal guard by my side in the future. "

Thank you, Your Majesty, for your kindness." Dongliu smiled and knelt down to give thanks.

Gudong!

At this time, Long Qianyu didn't hesitate, picked up the medicinal pill, stuffed it into the mouth, and ate it.

Haha...

Seeing that she took the medicine pill, Dong Liu slowly stood up and looked at Long Qianyu with a half-smile, the humble and submissive look before disappeared, replaced by incomparable evil. "Huh? " Long Qianyu

frowned, Dong Liu's eyes made her very unhappy: "Why are you looking at me like this." Qianyu looked very proud: "It is rumored that the Queen of Nanyun, Long Qianyu, is not only powerful, but also resourceful and far-sighted. Now it seems that it is nothing more than that." Hearing this, Long Qianyu realized that something was wrong. , scolded: "What do you mean?" At this time, Dongliu completely put down his cover and said with a smile: "Can't Her Majesty see it? I'm not from the Southern Cloud Continent at all, and the medicine I gave you just now, It's not a Jade Spirit Pill, haha..." "You..." Long Qianyu's pretty face changed, subconsciously he wanted to activate his inner strength, but he couldn't exert any strength. on the wooden board. At this time, Long Qianyu clearly felt that after taking the medicinal pill, not only did his internal strength not recover, on the contrary, a strange warm current rose from his dantian. What made her panic even more was that her whole body began to become paralyzed, and her mind began to feel dizzy.

"Shameless villain!" At this moment, Long Qianyu realized that he had been deceived. At that time, he was extremely embarrassed and angry, and shouted at Dong

Liu Jiao: "You dare to deceive me, aren't you afraid of being beheaded?"

, with an indescribable smugness on his face: “Hehe, since I dare to do this, I’m naturally not afraid. Besides, this is not your Nanyun Palace. Even if I do something to you, no one will know...”

” And I’m not afraid to tell you that the food I gave you just now is called Yuhuan Dan, no matter how reserved a woman is, after taking it, she will become extremely dissolute, hahaha, Her Majesty the Queen, are you looking forward to it?”

What?

The medicine he gave me turned out to be that kind of medicine...

At this moment, Long Qianyu’s delicate body trembled, his heart was full of anger, and at the same time, he felt a dry heat coming from his body.

Chapter 4750

Feeling these, Long Qianyu is angry and annoyed.

The people on the rivers and lakes are unpredictable and dangerous. Why did he relax his vigilance just now and easily trust a stranger?

At this time, Dongliu walked over slowly and said with a smile at Long Qianyu: “Your Majesty, it is said that you have never experienced a relationship between a man and a woman, why don’t you let me serve you well today and let you experience being a woman? feel?”

While speaking, Dong Liuxie smiled and reached out to grab Long Qianyu’s wrist.

Long Qianyu hid for a moment, her delicate face was full of icy coldness: “You bitch, get out of my way!”

However, she was too weak, even though she had been connected to the meridians by Dong Liu before, she just felt lustful. The poison, although dodged at this time, still looks weak and weak.

“Tsk tsk.”

Long Qianyu’s scolding did not make Dongliu restrain, but stimulated his interest, and laughed and joked: “I never expected that Her Majesty the Queen, who is always on top, is so sexy at this time when she is angry. , It’s so heart-wrenching, haha, I’m going to kill you today.” The

voice fell, and he grabbed Long Qianyu again!

This time, the speed of the winter stream was much faster, and Long Qianyu couldn't dodge at all, and his wrist was tightly grasped.

At this moment, Dongliu became more and more courageous, grabbed her jade hand tightly, sniffed gently in front of her, her wretched face was full of intoxication: "Tsk tsk, it smells so good, what kind of pollen does Her Majesty use? The scent is simply irresistible."

"Go away, get out of here!"

Facing Dongliu's presumptuousness, Long Qianyu's anger rose, struggling with all his might, while drinking tenderly: "You dare to touch me, I told you to die without a place to be buried."

However, the medicine in her body had already attacked at this time, her body was limp, and she couldn't exert any strength, how could she break free?

"Hehe!"

The more coquettish Long Qianyu was, the more excited Dongliu became. He was smug at the time and smiled evilly: "You really have the ability to make me die without a place to be buried, after all, you are a high-ranking queen, it's a pity. , This is a deserted fishing village, except for the two of us, there is no third person, no one will save you even if you scream today."

"Hey, I think you should follow, haha..."

When the last word fell, Dong Liu grabbed Long Qianyu's arm with one hand, and was about to tear off her robe with the other.

At this moment, Long Qianyu was extremely ashamed and angry, and at the same time was completely desperate.

Is this God's will?

If you are defiled by this man, and the news spreads, you and the Nanyun royal family will become the laughing stock of the world, how will you meet people in the future? Better to die.

Boom!

Seeing that Long Qianyu's dragon and phoenix robe was about to be torn apart by Dongliu, at this critical moment, suddenly, the dilapidated door was kicked open, making a loud noise.

Immediately afterwards, a young man strode in with his head held high and shouted loudly, "Stop! Where is the scum of the rivers and lakes, in broad daylight, doing such shameless things?"

"Distinct, with eyes like torches, wearing a light blue long gown, he was full of uprightness.

It was Yue Wuya.

During this time, Yue Wuya and the members of the Ouyang family, in order to avoid the investigation of the gods, have been hiding in the main altar of the Xia Yinzong, and rarely go out. Even so, they always pay attention to the movements on the rivers and lakes.

Half a day ago, news came to Xia Yinzong, saying that there was a group of pirates who robbed people everywhere in Donggao Continent and the coast of Nanyun Continent. Check it out.

At that time, Yue Wuya set off from the main altar of Xia Yinzong and rushed directly to the Pearl Harbor where the accident happened. Just after passing through this abandoned fishing village, Yue Wuya rushed over when he heard a woman's cry.

Made!

The good thing was suddenly interrupted, and Dongliu was very angry, glaring at Yue Wuya: "I don't know how high the sky is, you are courting death."

He had never seen Yue Wuya, and he didn't know the identity of the other party.

It's him?

At the same time, Long Qianyu was shocked when she saw Yue Wuya, and her delicate face suddenly became complicated.
