Chapter 4801

Installed?

Hearing this, the expressions of several disciples changed.

“This Liu Hao is too cunning.”

“Yeah, he was almost deceived by him.”

In anger, one of the disciples couldn't help but wonder: “But... this Liu Hao is just an ordinary person, why did he lie to us? What?”

Juechen sighed lightly: “That's why I asked you to monitor him.”

“Understood, Master.”

... the

other side! Nanyun Imperial City.

In the northwest corner of the imperial city, is the prison area. As you can see, every entrance here is guarded by guards. Not only that, but there are also soldiers patrolling constantly.

In order to strictly prevent Yue Wuya and Long Qianyu from being rescued, Huang Zheng deployed a large number of troops here. It can be said that the defense of the prison is even stricter than that of the palace.

It was already late at night, and the entire imperial city was shrouded in darkness.

Swish....

At this moment, I saw a few shadows taking advantage of the night, quickly approaching the prison.

Through the weak light, I could see that these people were wearing black night clothes, and the leader was the one with an elegant demeanor. It was Wen Chou Chou, Sun Dasheng and others.

This chapter is provided by . Visit for daily update.

Half an hour ago, after Wen Chou Chou and the others arrived at the imperial city, they followed the map drawn by Long Qian Ying and quietly entered the secret passage,

successfully avoiding the attention of the city gate guards, and came directly to the vicinity of the prison.

“Brother Wen!”

At this time, when he arrived at his subordinate not far from the main entrance of the prison, Sun Dasheng said in a low voice: “There are so many guards here, it seems that we have to fight quickly.”

Um!

Wen Chou Chou nodded, this time he didn't object to Sun Dasheng again: “We will rush in later, and after we rescue Ya'er and Long Qianyu, we will leave the secret passage. Remember, don't fight.”

After saying this, Wen Chou Chou took the lead towards The prison rushed over.

Sun Dasheng followed closely behind.

“Who?”

“Break into the prison and seek death!”

“Take it!”

As soon as Wen Chou Chou appeared, they were discovered by the surrounding guards, who shouted and surrounded him directly.

“Go away for Lao Tzu.”

At this moment, Sun Dasheng shouted angrily, directly urging his inner strength to rush up, and fight with those imperial guards.

Wen Chou Chou and others took the opportunity to rush into the prison.

Whoa!

However, it was at this time that thousands of torches suddenly lit up in the surrounding darkness. The people holding the torches were the elite guards of the imperial palace, and at the head were dozens of men in robes.

It was Mu Jianli, the Sect Master of the Sword Sect, and dozens of disciples of the Sword Sect.

Mad!

Seeing this, Wen Chou Chou and Sun Da Sheng both frowned.

“Hehe, Palace Master Wen, Sect Master Sun.”

This is, Mu Jianli took a slow step forward, and said in a cold tone, “You guys are coming so fast.”

“You are...” Wen Chou Chou asked with a frown. Dao, Mu Jianli rarely goes down the mountain, so Wen Chou Chou has only heard of his name, never seen him.

Mu Jianli smiled and said lightly, “Jianzong Mu Jianli.”

Sword Sect Sect Master?

Hearing the answer, Wen Chou Chou was immediately stunned. When did Jian Zong work for the Nanyun Royal Family in Dongao Continent?

At this time, the hot-tempered Sun Dasheng couldn't bear it any longer, and cursed at Mu Jianli: “Whoever you are, it's not a good thing to be Huang Zheng's lackey.”

Shah!

Hearing the insults, Mu Jianli's face instantly darkened, and he said coldly: “I heard that Sun Dasheng has a hot temper, and when I saw it today, it really lived up to its reputation, but I tell you, I am not working for Emperor Nanyun, but for me. The eldest apprentice takes revenge.”

“Your Ouyang family ordered someone to pretend to be the queen. After my eldest apprentice ran into him, you killed him. I will settle the account with you tonight.” As the

last word fell, Mu Jianli was agitated. Raise your hand.

Whoa!

In an instant, the guards who had been around for a long time drew out their long knives and rushed towards Wen Chou Chou and the others.

“Go away.”

Seeing this situation, Sun Dasheng roared wildly, like a tiger descending the mountain, he rushed up and fought fiercely with the guards.

Bang Bang Bang...

In the past few months, Sun Dasheng has worked hard to cultivate, and his strength has improved a lot. I saw that where he passed, many guards were shocked and flew out. After landing, they all looked painful and lost their combat effectiveness. .

## Chapter 4802

However, there are more and more guards around, and Sun Dasheng can't finish it.

"Go and help!"

Seeing this, Wen Chou Chou shouted, and then rushed in to help Sun Dasheng deal with the imperial guards.

Several companions followed.

For a time, the sound of killing and the collision of weapons resounded throughout the night sky.

Seeing this situation, Mu Jianli was not in a hurry at all, but stood there quietly watching, and the dozens of Sword Sect disciples behind him did not act rashly.

"Grand Sage Sun!"

After a few minutes, Mu Jianli said slowly, "I heard that you have already understood the essence of the Heaven-Opening Axe, can you open my eyes today?"

He said this to deliberately influence the Great Sage Sun.

Sun Dasheng snorted coldly, and while dealing with the guards in front of him, he responded coldly: "Opening the Heaven Axe is not someone who wants to see it, but can see it. Who do you think you are?"

"Angrily, he said with a smile: "I thought the famous Sun Dasheng could be so powerful, but I didn't expect that he was just a coward who played tricks and didn't even dare to show his axe."

At this time, Mu Jianli planned to use it. Heart tactics, angry Sun Dasheng.

After all, in this level of combat, once you lose your mind, things go wrong.

"Ma De!"

Sun Dasheng was already hot-tempered, but when he heard Mu Jianli's mockery, his expression suddenly changed, and he was very angry: "What are you doing, kid? You have the ability to fight me. "

I have been in the arena for so many years, and I have never been alone, dare to mock me like this.

“Ha ha!”

Aware of Sun Dasheng’s anger, Mu Jianli showed a smile and said coldly and arrogantly: “I’m sorry, I’m only interested in opening the axe. If you don’t want to show the axe, don’t talk nonsense.

”, Mu Jianli couldn’t help but add: “Because there is no open axe, you are not my opponent at all.”

Shua!

At this moment, Sun Dasheng’s eyes were extremely blood red, and the anger in his heart was completely aroused by Mu Jianli. This Sword Sect Sect Master is really arrogant. He actually said that he didn’t have the Heavenly Axe, so he wasn’t his opponent...

Sun Dasheng has always been irritable, so can he stand up to such humiliation at this time?

At this time, Dasheng Sun didn’t know yet that he had been fooled by Mu Jianli.

“Also...”

However, Mu Jianli had not finished yet, with a mocking smile on his face, he continued to say proudly: “Sun Dasheng, others are afraid of you, but I am not afraid of you, you are lucky, You only got where you are today with the light of Yue Feng and Wen Chou Chou, without them, you are just a gangster right now.”

When he said this, Mu Jianli had a wicked smile on his face, and his eyes were even more cunning.

Yes, he intends to completely anger Sun Dasheng. As long as the other party loses his mind, he will have a chance.

“Ma De!”

At this moment, Sun Dasheng was so angry that he was furious, his eyes were blood red, and he glared at Mu Jianli: “What a sword sect master, your tone is not small, I want to see how capable you are. .” The

voice fell, and Sun Dasheng rushed out of the siege of many imperial guards and rose into the sky!

hum!

A powerful aura erupted from Sun Dasheng's body, and at the same time, with a crisp sound, the opening axe burst out, and was firmly held in Sun Dasheng's hand!

In an instant, a dazzling light burst out, illuminating the vicinity of the prison as if it were daylight.

To be honest, Sun Dasheng's personality has become calmer in recent years. Under normal circumstances, he will not be provoked by others, but Mu Jianli said that his strength is not enough, which made him very unbearable.

hiss!

As expected of a peerless artifact, such a strong breath.

At this moment, whether it was Mu Jianli or the disciples of the Sword Sect standing behind him, all of them looked solemn, and their hearts were extremely shocked.

"Come on! Let me experience the power of the Sword Sect Sect Master."

At this time, under the rising anger, Sun Dasheng shouted loudly, and at the same time, he waved hard, and heard a dragon roar that shocked the world, passed from the Kaitian Axe Then, a golden glow burst out, tearing apart the world, heading straight for Mu Jian.

## Chapter 4803

"Great Sage, don't be fooled."

Seeing this situation, Wen Chou Chou, who has always been calm, couldn't help but scream, realizing that something was wrong.

You must know that the Nanyun royal family and Jianzong have never had contact with each other. Today, Mu Jianli suddenly appeared here, which is really strange.

It was just that Sun Dasheng broke out, and it was too late to stop it.

hiss!

Seeing that golden light burst forth, Mu Jianxin shook his head and couldn't help gasping for air. This Heaven-Opening Axe was indeed a divine weapon, and the explosive power was really too powerful.

However, under the shock, Mu Jianxin didn't feel the slightest panic, but was indescribably excited.

Haha...

This Dasheng Sun really has a hot temper, and he angered him in just a few words.

Thinking to himself, seeing the golden light getting closer and closer, Mu Jianli didn't have time to think about it at the time, so he quickly activated his inner strength, quickly condensed a protective film in front of him, and then quickly dodged backwards.

boom!

The next second, I saw Jin Mang slammed into the protective film, and a thunderous roar erupted, and the whole earth seemed to be shaken.

Immediately afterwards, I saw Mu Jianli's condensed protective film was directly shattered. Although this protective film offset a lot of strength, the golden light's remaining power still tore the surrounding air.

so close!

Seeing this, Mu Jianli, who was hiding by the side, couldn't help wiping the sweat from his forehead.

Fortunately, I reacted quickly and fired this extra attack, otherwise, if I was hit, I would lose half my life if I didn't die.

"Mu Jianli!"

At this moment, Sun Dasheng was suspended in mid-air, with anger rising all over his body: "Just because you are clamoring with me? I don't care what purpose you are here for tonight, if you dare to stop me, I will let you die without a burial."

Haha.. Hearing this ,

Mu Jianli let out a long laugh, with an undisguised hatred on his face: "Your Ouyang family is really arrogant. You killed my beloved disciple before, and now you are still arrogant to me."

"I tell you . , with me here today, don't even want to leave!" Thinking of Dong Liu's tragic death, Mu Jianli couldn't hide his grief.

hum!

The last word fell, and a terrifying aura burst out from Mu Jianli's body. In an instant, the surrounding air seemed to be stagnant!

"Crack!" In the

next second, Mu Jianli suddenly raised his right hand, and he heard a crisp sound. In the hands of an ice blue long sword, he saw that this sword was forged from Wannian Hanyu.

It is the treasure of Jianzong's town faction, the Ice Feather Sword.

As soon as the sword came out, the temperature of the surrounding air plummeted, and everyone felt a chill blowing towards them.

Oops!

Seeing this, Wen Chou Chou's heart skipped a beat and frowned secretly.

This Mu Jianli came prepared.

"Sun Dasheng!"

At this moment, Mu Jianli was suspended in mid-air, with a sinister smile on the corner of his mouth: "Today, I will kill you and Wen Chou Chou to avenge my beloved disciple!"

What love disciple?

Sun Dasheng frowned, he had never seen his apprentice, and he was simply insane if he didn't take revenge.

However, Sun Dasheng was too lazy to ask about the situation in front of him, and immediately said coldly: "Okay, tonight I want to see how powerful your Sword Sect Master is.

" The strong breath caused the night sky to be surging.

Seeing this, everyone on both sides below couldn't help holding their breath.

Whoosh!

In the next second, Sun Dasheng didn't talk nonsense, he held the opening axe tightly, and exploded towards Mu Jianli.

Mu Jianli smiled and did not panic at all, and immediately shouted: "Jianzong disciples obey orders, form a sword formation!"

Huhuhu!

The words fell, and dozens of Sword Sect disciples moved their figures one after another, and in a blink of an eye, they surrounded Dasheng Sun in the middle.

Made!

At this moment, Sun Dasheng frowned, and he was extremely angry.

This Mu Jianli is too shameless. He said that he could fight alone, but at a critical moment, he even asked his disciples to form a sword formation.

Oops!

Seeing this scene, Wen Chou Chou was also in a hurry. He could see that the sword formation formed by these Sword Sect disciples in front of him was both offensive and defensive, very mysterious.

Speaking of which, Wen Chou Chou also knew a little about the battle method, but the sword formation in front of him could not see any flaws. Under such circumstances, he naturally did not dare to act rashly.

Chapter 4804

At this time, Wen Chou Chou and Sun Dasheng still don't know that the sword formation formed by the disciples of the Sword Sect in front of them is the unique skill of Sword Sect: the Liangyi Hunyuan Sword Formation.

Thousands of years ago, Jianzong suffered an unprecedented catastrophe and was besieged by Danzong and Wenzong. At that time, the sect master of Jianzong ordered his disciples to form a two-meter Hunyuan sword formation, which defeated the strong enemy and kept the mountain gate.

Mu Jianli knew that with his own strength, it would be difficult to stop Wen Chou Chou and Sun Dasheng, so he decisively deployed the sword formation.

Bang bang bang...

At this moment, Sun Dasheng brandished his axe, and while trying to break through, shouted at Wen Chou Chou: "Brother Wen, don't worry about me, go into the prison to save people!"

"Okay!"

Listen ! At the call, Wen Chou Chou hesitated for a while, but finally answered and rushed straight into the prison.

Although Jianzong's sword formation is very powerful, the Great Sage has a peerless divine weapon in his hands, so he is not worried that he will be injured.

"Ya'er!"

Soon, in the prison, Wen Chouchou saw Yue Wuya and Long Qianyu trapped in the cell from a distance, shouted at that time, and directly slammed the prison door open.

Seeing Wen Chou Chou, Yue Wu Ya was very excited: "Uncle Wen, I knew that you came back to save me."

After speaking, Yue Wu Ya excitedly opened the prison door, and then shouted at Long Qianyu: "Quick, Come with us."

"I..."

However, at this time, Long Qianyu, with a hint of complexity on his delicate face, shook his head and said, "Let's go."

Uh...

heard this, Yue Wuya was stunned for a moment, and then asked, "Why?"

"Then Huang Zheng turned black and white and said I was a fake queen." Long Qianyu bit his lip lightly, and said slowly, "The entire people of the imperial city have been bewitched by him. If I leave with you now, wouldn't it be the case? Once he has fulfilled his wish, he will never be able to tell?"

There was one more thing she didn't say, she had sent troops to attack the Ouyang family many times before, how could she be so embarrassed to leave with Wen Chou Chou?

Hearing this, Yue Wuya couldn't help crying and laughing: "That's what I said, but if you don't leave, Huang Zheng will not spare you lightly."

However, how could Long Qianyu listen? He shook his head very firmly: "Forget it, you all go, leave me alone."

Yue Wuya suddenly became anxious and wanted to comfort him.

boom!

At this moment, Wen Chou Chou didn't know when, he went around behind Long Qianyu and cut a palm on the back of her neck. Suddenly, Long Qianyu's delicate body softened and he passed out.

Yue Wuya was stunned for a moment, and looked at Wen Chou Chou puzzled: "Uncle Wen, why are you..."

Before he could finish speaking, he was interrupted by Wen Chou Chou's hand: "This woman is arrogant and arrogant. She doesn't want to be favored by us, she won't go with us if you say anything, the only way is to knock her out."

Wen Chou Chou is so sophisticated, he guessed Long Qianyu's thoughts just now.

At this moment, Yue Wuya also understood something, and praised with a smile: "Uncle Wen is still thoughtful!"

"Okay!"

Wen Chou Chou gave a wry smile and urged: "Stop talking about this, and take her away quickly. Prison." Saying that, he rushed out first.

Yue Wuya responded, picked up Long Qianyu and followed closely behind.

Bang bang bang...

At this time, outside the prison, Sun Dasheng was still fighting against Mu Jianli.

With the cooperation of Mu Jianli and Liangyi Hunyuan Sword Array, they continued to attack Sun Dasheng, and saw that dozens of sword shadows criss-crossed, like a huge sword net, almost blocking Sun Dasheng's retreat.

Under such circumstances, even if Sun Dasheng had the Heaven-Opening Axe in his hand, it would be difficult for him to rush out.

However, although Mu Jianli and dozens of Sword Sect disciples cooperated tacitly, they could only temporarily suppress Sun Dasheng and could not completely defeat him.

Unconsciously ten minutes passed, and the two sides were still deadlocked.

Mad!

At this moment, Sun Dasheng was completely anxious, and roared loudly: "Whoever stands in my way will die, get out of my way!"

Om!

The words fell, and Sun Dasheng's eyes were extremely blood red, and all the inner strength of his dantian exploded and poured into the opening axe.

In an instant, the terrifying power quickly condensed within the opening axe. Then, a dazzling light burst out, like a scorching sun rising in the night sky, and almost everyone present could not open their eyes.

## Chapter 4805

Om!

The next second, Sun Dasheng held the opening axe and slammed it out fiercely, and saw that an extremely violent and terrifying force burst out from the opening axe and swept away, with terrifying power.

Oops!

Feeling the power of this axe, both Mu Jianli and the disciples of the Sword Sect couldn't help but gasp.

Is this the power of the Divine Soldier?

Just a strong pervert.

“Quick!”

At this moment, Mu Jian couldn't help thinking, and quickly shouted: “Quickly form a protective layer.” The voice fell, and he quickly urged his internal force to deploy the protective film on his body.

Hearing the order, dozens of Sword Sect disciples also urged their figures to form a protective film in front of them.

boom!

At this moment, the Kaitian Axe slammed into the protective film, and a roar was heard, and the protective film shattered instantly. Dozens of Sword Sect disciples felt an incomparable force, and screamed one by one. Again and again, it was shaken and flew out.

Fortunately, the protective film deployed by these disciples blocked most of the axe's power, but even so, after landing one by one, they all lost their combat effectiveness.

Nima!

Seeing this scene, Mu Jianli suddenly panicked.

The power of the Kaitian Axe was too strong. I thought that by forming a two-meter Primordial Sword Formation, I would be able to easily subdue Dasheng Sun.

“This is the strength of your sword sect? It's nothing more than that.”

At this time, Dasheng Sun was suspended in mid-air, like a god of death at the end of the day, and said coldly to Mu Jianli: "Come on, pick me up with an axe." The last word fell, and Dasheng Sun roared up, bursting into the sky and the earth cracking, towards Mu Jianli. Jian Li rushed over.

Gudong!

At this moment, Mu Jianli lost his previous confidence in an instant, his face was pale and pale, and he instinctively wanted to dodge, but he was powerless.

It's over, are you going to die at the hands of Sun Dasheng tonight?

Pfft!

Just when Mu Jianli was completely desperate, he saw Sun Dasheng, who was halfway through, suddenly trembled and fell directly. After falling to the ground, his face was extremely pale, and his body couldn't stop shaking.

what's the situation?

Mu Jianli was immediately stunned.

At the same time, Wen Chou Chou and Yue Wu Ya, who had just rushed out of the prison, were also shocked.

"Damn it!" Wen Chou Chou frowned, unable to hide his worries: "The Great Sage just kept using the Heavenly Axe, which consumed too much internal energy. At this time, he was attacked by the Heavenly Axe."

He remembered clearly, When Duan Yu used the Heavenly Axe, he was attacked.

"Then what should I do?" Yue Wuya asked anxiously.

Wen Chou Chou took a deep breath and said word by word, "He can't use his inner strength at all now, he has to take him away quickly."

"Haha..." At this time, Mu Jianli reacted and laughed at Sun Dasheng. He mocked: "Oh, what's wrong with you? Could it be that you received the backlash from the power of the Sky-Opening Axe?"

Mu Jianli was a smart person, and he quickly guessed the situation in front of him.

"I..."

Hearing the ridicule, Sun Dasheng blushed, and wanted to refute, but he only said one word, and the power in his body instantly became disordered, and then he spurted out a mouthful of blood.

“Hey, I said that none of you want to leave today...” Seeing that Sun Dasheng was injured, Mu Jianli regained his confidence. After saying something coldly, the figure erupted and slapped Sun Dasheng with a palm.

Whoosh....

Seeing that this palm was about to hit Dasheng Sun, suddenly, a figure shot up, reaching out to block Mu Jianli’s palm.

It is the ugly ugly.

boom!

The next second, the figures of the two sides collided, and a dull sound was heard, and both of them took a few steps back.

Mad!

Mu Jianli looked gloomy and looked at Wen Chou Chou closely: “Palace Master Wen, do you think you can leave tonight?”

Wen Chou Chou calmly said, “I want to leave, I’m afraid you can’t stop me. “While talking, while paying attention to Sun Dasheng’s situation, he saw that his face was extremely pale, and he couldn’t hold the axe firmly.

It has to be said that Wen Chou Chou, as the head of the Hall of Longevity, spoke in a low voice at this time, but was full of aura.

call!

Feeling the pressure coming from Wen Chou Chou, Mu Jianli took a deep breath and frowned secretly.

Ma De, a Sun Dasheng is already a headache. This is ugly, ugly, intelligent and brave, I am afraid it will be even more difficult to deal with.

## **The ultimate husband in Chinese chapter 4806-4810**

Chapter 4806

Wow wow wow...

Just when Mu Jianli was worried about what to do, on the street behind him, a steady pace came, and there were nearly 10,000 palace guards.

In front of these guards, there was a man wearing a golden dragon robe, majestic.

It was Huang Zheng.

“Hahaha...”

Seeing the situation here from a distance, Huang Zheng laughed and praised Mu Jianli: “Tonight, thanks to Sect Master Mu, the Ouyang family was blocked, otherwise the repeat offender would have been saved by them. Let’s go .” Having

said that, Huang Zheng raised his hand and waved: “Encircle immediately.”

Upon hearing the order, nearly 10,000 palace guards burst out and surrounded the entire prison.

broken!

Seeing this situation, Wen Chou Chou and Yue Wu Ya looked at each other, both extremely anxious.

.....

On the other side, the Earth Circle Continent, Donghai City.

At this time, it was late at night, and in the Liu family villa, Gone was sitting on the balcony on the second floor, sipping tea leisurely.

Um?

Suddenly, he sensed something, and glanced at the woods outside the villa intentionally or unintentionally.

This chapter is provided by . Visit for daily update.

Gone clearly sensed that in the woods, there were several pairs of eyes watching him secretly. It was those Shaolin disciples who came with Master Juechen during the day.

“Spy on me?”

Noticing this, Gone sneered at the corner of his mouth, then went into the room to change into a suit, and then walked out the door slowly.

Seeing this scene, several Shaolin disciples hiding outside the villa immediately looked at each other.

“It’s so late, where is Liu Hao going?”

“Follow up and have a look!”

“Yes, Master said that Liu Hao is very suspicious, we can’t take it lightly.”

After whispering, a few Shaolin disciples quickly followed.

Unknowingly, several Shaolin disciples followed Gone to a steep cliff by the sea. The cliff was several hundred meters high, and there were chaotic rocks and rough waves. It was very dangerous.

When they reached the cliff, Gone stood still and shouted behind him: “You don’t need to be sneaky, show up!” Huh

... The

whereabouts were revealed, and a few Shaolin disciples were very surprised, but they walked out calmly. .

At this time, Gone’s face was extremely gloomy, and he said word by word: “I won’t say more nonsense, you can kill yourself one by one, just changed your clothes, I don’t want blood on it!”

Yes, Gone deliberately led them to Coming here is to kill people. After all, the location of this cliff is remote, and no one knows how many people died.

What?

Hearing this, several Shaolin disciples were stunned.

“What did the young master of the Liu family say?”

“Want us to commit suicide?”

“Are you crazy...”

After a few seconds, several Shaolin disciples reacted and couldn’t help but talk.

Afterwards, one of the leading disciples said to Gone, “Master Liu, look at this, you know that we are monitoring you, so you brought us here on purpose?”

Gone smiled slightly, nodded and said, “That’s right!”

“Since that’s the case.” That Shaolin disciple was very smart, and instantly understood something: “Shen Lingtong’s death is related to you?”

Haha!

Gone nodded approvingly: “You are very smart, but if a smart person knows too much, it will lead to death.” The last word fell, and Gone’s figure flashed, like a shooting star in the dark night, in the blink of an eye to the disciple.

“Ah...” In the

next second, the Shaolin disciple didn’t know what was going on, his heart was shattered, he screamed, blood spurted out, his body flew out, and when he landed , has died of exhaustion.

What?

hiss!

Seeing this scene, the remaining Shaolin disciples were all dumbfounded and couldn’t help gasping for air.

This... This young master of the Liu family looks thin, but he is also a cultivator, and his strength is so terrifying?

“Let’s go together!”

Soon, several people looked at each other, howled, and rushed towards Gone.

Gone’s face was gloomy, and he didn’t pay attention to them at all, and said lightly: “I didn’t want to start killing people, but you all came to the door!”

Om!

The moment the voice fell, Gone raised his hands again, a powerful breath burst out, and the surrounding air was instantly distorted.

Chapter 4807

Feeling this terrifying power, the remaining Shaolin disciples trembled and were shocked.

This....is this still the seemingly weak young master of the Liu family?

Unexpectedly, he is also a cultivator, and his strength is so strong. It seems that Master guessed right, this Liu Hao really has a problem.

“Let’s go together!” In the

next second, one of the disciples reacted and shouted, directly urging his inner strength, and rushed towards Gone.

A few companions behind him followed closely.

“It’s too much.”

Gone’s face was full of contempt, he raised his hand and waved, a blood-colored light burst out and exploded in front of these Shaolin disciples, forming dark red flames.

It is the fire of the demon soul.

boom!

The fire of the devilish soul spread in the blink of an eye, and several Shaolin disciples had no time to react, and were directly enveloped by the flames.

“Stop!”

At this moment, an angry shout came, and then, a figure came quickly.

A white cassock is particularly conspicuous in the dark night, tall and imposing like a rainbow!

It is the Master of Juechen!

“You...”

When he got to the front, Master Juechen stared closely at Gone, and said coldly: “Good boy, you really have a problem.”

When speaking, Juechen clearly saw that several Shaolin disciples were falling on the cliff, they were all burned to cinders, and the anger in his heart was rising.

Just now when he learned that Liu Hao went out late at night, Master Juechen felt that something was wrong. He rushed over at the first time, but he didn’t expect it to be a step late.

In anger, Master Juechen stared at Gone and asked, “It was you who killed Shen Lingtong, and Li Tianci and Jiang Shan became demented, and it was also your handwriting, right.”

Haha!

Gone smiled lightly, and said slowly: "Yes, I did it."

"Li Tianci bullied his wife, he was extremely arrogant, Jiang Shanmou and his lover, and mutilated his husband, this pair of dog men and women, I did not take their lives, It's already the greatest kindness."

"As for Shen Lingtong, as a Shaolin disciple, he shouldn't be involved in these mundane trivial matters. Moreover, he helped people like Li Tianci to act like a tiger and a tyrant, shouldn't he deserve to die?"

" , I killed Shen Lingtong, which can be regarded as clearing the door for you Shaolin."

These words are well-founded and cannot be refuted.

call!

Hearing this, Master Juechen

's anger rose: "According to this, it makes sense for you to kill Shen Lingtong?" Gone smiled irrefutably.

Master Juechen continued: "Even if there is something wrong with Shen Lingtong, he deserves to die. What about these people tonight? What mistakes have I made?"

"I want to kill them." Ge Nirvana's expression was indifferent, looking at Master Juechen and said: "Not only them, Master will also sleep here tonight."

What a big breath!

At this moment, Master Juechen clenched his fists tightly, furious in his heart, and said with red eyes: "Okay, very good, I want to see, what ability do you have, let me sleep here forever."

Om!

When the voice fell, Master Juechen's inner strength urged him to hold a dragon-subduing meditation stick tightly!

I saw the Dragon Subduing Zen Staff, with two flying dragons wrapped around it, and the whole body was shining with golden light. It was a purple-level weapon!

In the next second, Master Juechen grabbed the Dragon Subduing Zen Staff and swept out, smashing directly at Gone!

"Om!"

Gone stood there calmly, without any intention of hiding, slowly raised his hand, and laid down a protective layer lightly.

The Dragon Subduing Chan Staff smashed hard on the protective film, only to hear a dull sound, the protective film was safe, but Master Juechen was shocked and flew out.

After flying more than ten meters, Master Juechen stabilized his figure.

However, at this time, he was extremely shocked. With the blow just now, 90% of his power exploded, but he couldn't even break the opponent's protective film.

How could this be? !

This young master of the Liu family is just an ordinary person, why is his strength so terrifying?

Could it be that... the person in front of me is not the young master of the Liu family, but someone else's fake?

"You..."

Thinking to himself, Master Juechen asked coldly, "Who the hell are you?"

"Haha!" Gone smiled lightly and responded with a sentence: "You don't need to know about this, just go in peace. ."

Chapter 4808 When the

voice fell, Gone suddenly raised his right hand and slapped it with a palm!

"Bang!"

This palm seemed light and fluttering, but the speed was as fast as lightning. Master Juechen didn't have time to dodge, and was directly hit on the heart by a palm. At that time, he groaned, and the whole person flew upside down, and finally hit the ground. On a rock, it fell to the ground!

"Pfft!"

At the moment of landing, Grandmaster Juechen spurted out a mouthful of blood, his heart was cut off, and he died.

A generation of eminent monks perished.

Gone walked slowly, dipped in the blood in front of Master Juechen, and wrote dozens of large characters on the rock next to him: Shaolin Juechen, dare to act, offend Qin Tianjian, ignore the divine power, get this The end is well deserved.

Haha...

After writing this, Gogne checked it again and was very satisfied.

It's really wonderful to push the deaths of Master Juechen and these Shaolin disciples to Qin Tianjian of God's Domain.

Then Gogne checked the next four weeks and made sure that there were no clues left, and then left quickly.

...

on the other side, God's Domain.

It was already late at night, but the Yuxi Immortal Garden was still brightly lit.

Tomorrow is the enthronement ceremony. Prince Aolin is very excited and can't sleep, so he came to talk with Yue Feng at this time.

"Master!"

At this moment, Prince Aolin couldn't hide his excitement, and asked Yue Feng, "That day's Emperor Jin Ling, where did you get it?"

When asked, Prince Aolin was full of admiration. You must know that the situation in the arena at that time made him desperate. Whether it was the God King Haotian or the Empress Hua Zhao, they all supported Aotian with all their strength, but he never thought of it. , At the last moment, Yue Feng actually took out the long-lost Golden Order of the Emperor of Heaven, and the situation was instantly reversed.

It can be said that Ao Lin can sit on the throne of the Emperor of Heaven, and Yue Feng has the greatest contribution.

Hearing the question, Yue Feng smiled slightly: "Do you remember the last time Empress Hua Zhao summoned me, when Fairy Yunxiu and I went to the Black Swamp, the Emperor Jin Ling was found in the underground cave in the Black Swamp. "

I know about this."

Ao Lin nodded and couldn't hide his curiosity at the same time: "But as far as I know, the black swamp is a forbidden area for the demon clan, so the White Tiger King let the master in so easily?" "

At this time, Ao Lin was very puzzled.

When they went to negotiate with the White Tiger King, the demon clan did not give Aotian any face at all, so Aotian lost all face, but after he went there, the White Tiger King read Master's letter and had a completely different attitude, and even formed a relationship with himself. a permanent alliance.

And now, the White Tiger King actually allowed his master to enter the forbidden area of the demon clan...

huh!

At this moment, Yue Feng breathed a sigh of relief and did not answer directly, but lifted the thousand-changing mask on his face, revealing his true colors.

Ao Lin successfully seized the throne of Heavenly Emperor, and his mission was completed, so there was no need to conceal his identity.

"Master?"

Seeing Yue Feng's true face, Ao Lin was completely stunned, surprised and delighted: "Why are you?"

As he spoke, Ao Lin patted his forehead: "I should have thought of it a long time ago, except for Master, Who else can have such a big face in the demon clan? Just, why did the master pretend to be an immortal from the sky?"

Yue Feng smiled and explained in detail what happened when Fairy Pipa went to Kyushu to find him.

At the end of the story, Yue Feng said with emotion: "Master is forced to do this, you know, Empress Hua Zhao and Divine Sovereign Haotian have always wanted to kill me, in order not to cause unnecessary trouble, I can only change my identity. "

But fortunately, you didn't disappoint Master, you have learned a lot these days, and you have successfully become a new Heavenly Emperor."

It turned out to be the case.

Ao Lin nodded silently, and then said seriously: "Master, I will be enthroned tomorrow, you don't have to pretend, there are disciples, no one dares to do anything to you."

Silly boy.

Hearing this, Yue Feng couldn't help laughing: "Tomorrow, I'll show up as Immortal Weng Qingxu. You just became emperor, so you shouldn't be so public. After the celebration ends tomorrow, it's time for me to return to the mainland of Kyushu."

"Master is leaving?"

At this moment, Ao Lin was full of reluctance: "Can't Master stay in God's Domain forever?"

Chapter 4809

Yue Feng shook his head and comforted: "Master doesn't want to leave with you, but my family and friends are all in the mainland of Kyushu, so I can't stay here forever."

"But don't worry, I'll come to see you when I get a chance. Yours, and I also believe that you can be a good god without me by your side."

Okay!

Seeing him say this, Ao Lin knew that it was useless to persuade him, so he nodded.

At this time, neither Yue Feng nor Ao Lin knew that a slender figure was eavesdropping outside the room.

Under the moonlight, she is slim and charming in a cool short skirt.

It's Princess Sia.

Princess Xi Ya originally came to look for Yue Feng, and when she found Ao Lin was there, she secretly hid outside.

At this moment, when she heard Yue Feng's true identity, Princess Xiya trembled in the suburbs, standing there for a long time, but she couldn't come to her senses.

It turns out... he is the famous Jiutian Xuansheng Yue Feng.

What Qingxu Xianweng, wind song, are all fake.

For a while, Princess Xi Ya got more and more angry the more she thought about it, this Yue Feng is really hateful, not only lied to brother Aolin, lied to the mother, but also lied to me.

Under the anger, Princess Xi Ya wanted to rush in to make a scene, but thinking of Ao Lin's presence, she held back.

Yue Feng...

At this moment, Princess Xi Ya looked at Yue Feng's figure through the window, bit her lip, and swore in her heart.

You lied to me, you want to return to the Kyushu Continent easily? This princess will not let you do as you wish.

.....

The Celebration of the Celestial Emperor's Ascension to the Throne is the top priority of the entire Divine Realm.

In the early morning of the next day, the entire Yutian Palace was already lit up with lanterns, and all the priests and various scattered immortals gathered here.

Yue Feng, as Ao Lin's master, naturally had to be there too.

I saw that Ao Lin was wearing a golden dragon robe. He was indescribably handsome and heroic. Under the attention of everyone, he slowly ascended the hall and sat on the throne.

Swish!

In an instant, the priests present all knelt down and shouted long live.

Ao Lin smiled and signaled the priests to waive the ceremony. Then signal the beginning of the celebration.

The celebration lasted for more than three hours before it ended.

"Everyone!"

At this time, Ao Lin sat on the throne and looked around: "I want to announce something here. These days, thanks to Master's careful teaching, I am today."

Saying, Ao Lin raised his hand, and immediately a fairy came out, and in front of Yue Feng, he respectfully handed something.

It is the golden order of the Emperor of Heaven.

At this time, Ao Lin smiled and said slowly: "Now I announce that I will officially enshrine my master as an imperial teacher, and award a gold medal. Seeing the gold medal is like seeing me."

What?

Not only to be canonized as an emperor, but also to grant a golden decree to the emperor of heaven?

Hearing this, the entire Yutian Palace was in an uproar. Whether it was the Haotian Divine King or the gazes of the priests, they all focused on Yue Feng, and they were all incomparably shocked.

You must know that since ancient times, only the Emperor of Heaven can have the Golden Order of the Emperor of Heaven, and it is unprecedented to grant it to others at this time.

“His Majesty!”

Finally, the God King Haotian couldn't bear it any longer, he took a step forward slowly, and said with a solemn face: “Although this immortal Qingxu is erudite and talented, after all, he is an immortal from outside the sky and does not belong to our God's Domain. His Majesty named him the Emperor Teacher. It's completely reasonable, but it seems a bit abrupt to grant the Emperor of Heaven the Golden Order...”

Having the Golden Order of the Emperor of Heaven is equivalent to the presence of the Emperor of Heaven.

This treatment is too high.

The voice fell, and the surrounding priests couldn't help but speak.

“Yeah, Your Majesty, the Emperor's Golden Order is a symbol of His Majesty's status. How can it be given to outsiders?” “Please, Your Majesty

, think again.” In the next second, Ao Lin said lightly: “I have made up my mind about this matter, you don't need to say it anymore, the rules are dead, I changed it today, do you have to disobey the will?” “My subordinates dare not!” At this point, God King Haotian's heart trembled, he hurriedly responded, and then stepped aside. Those priests who held objections also quickly shut their mouths. Seeing this scene, Ao Lin was very satisfied and nodded to Yue Feng. Yue Feng was not polite, he took the golden order from the Heavenly Emperor on the spot, knelt down and thanked him: “Thank you, Your Majesty Hong En.” He knew in his heart that what Ao Lin did was to give him a strong guarantee. In case his identity is exposed in the future, let God Realm know that Immortal Emperor Qingxu is pretending to be Yue Feng, and when the time comes, he will take out the Golden Token of the Emperor of Heaven, and no one will dare to make a mistake.

Chapter 4810

“Okay!”

Seeing Yue Feng put away the golden order, Ao Lin showed a smile and looked around the audience: "There's nothing else to do. When the celebration banquet starts, you must have a good time.

"Yes, Your Majesty!" The priests responded in unison.

Half an hour later, the banquet was held in Yutian Palace.

At the banquet, there were countless delicacies and wines, and some fairies danced gracefully, which was indescribably pleasing to the eye.

While the priests could not stop congratulating Ao Lin, they also kept toasting Yue Feng. After all, he was not only an imperial teacher, but he also had the golden decree of the Heavenly Emperor. Silly.

However, Yue Feng was not interested. After drinking a few glasses, he found an opportunity to say goodbye to Ao Lin and returned to Yuxi Xianyuan.

Last night, Yue Feng and Ao Lin discussed it. Today, taking advantage of the celebration banquet, he returned to Kyushu, because at this time, the priests in charge of the portal were all in Yutian Palace, and Yue Feng returned to Kyushu without fear of being discovered.

call!

At this moment, returning to Yuxi Xianyuan's room, Yue Feng breathed a long sigh of relief.

Nima, this time, the mission of coming to God's Domain has finally been successfully completed. Ao Lin has successfully become the Emperor of Heaven. In the future, there is no need to worry that God's Domain will disrupt Kyushu.

Thinking to himself, Yue Feng hurriedly packed his things while humming a little tune in a comfortable mood.

boom!

However, at this moment, the door was suddenly pushed open, and then a slender and charming figure broke in.

It's Princess Sia.

Today, in order to participate in Aolin's enthronement ceremony, Princess Xi Ya specially wore a long dress, and her whole body was filled with a royal temperament.

What the hell!

Seeing Princess Xiya, Yue Feng was startled, but he still smiled and said: "Princess, you are not attending the banquet in Yutian Palace, why did you come to me?"

When he said this, Yue Feng's eyes were tolerant. She couldn't stop looking up and down at Princess Xia.

Perhaps it was because of drinking, Princess Xia's delicate face was red and very charming.

"You're back, why should I stay there?" Princess Xiya responded with a half-smile.

Saying that, Princess Xiya looked charming: "Tell me the truth, are you leaving?"

After overhearing Yue Feng's true identity last night, Princess Xiya didn't sleep well all night. Today's banquet on the top, she kept an eye on Yue Feng's every move. Just now, when she saw Yue Feng leaving halfway, Princess Xiya didn't have time to think about it, and hurriedly chased after Yuxi Xianyuan.

go?

Hearing the question, Yue Feng was stunned, but he still pretended to be surprised: "What did the princess say, I am the emperor now, where can I go?"

Seeing that he was still pretending, Princess Xiya was very angry. Jiao shouted: "Yue Feng, you still have to pretend in front of me, right? I heard everything you and your brother said last night."

"You are not a fairy from heaven, nor a fairy of Qingxu, nor a wind. Ge, you are Yue Feng, right?"

After saying the last sentence, Princess Xi Ya walked over quickly and ripped off the thousand-changing mask on Yue Feng's face.

Shila...

Princess Xiya took the action very quickly, and Yue Feng had no precautions, the mask was torn off immediately, revealing a face like a knife.

At this moment, Yue Feng only felt his brain buzzing.

Nima, this princess actually knows my identity, this is troublesome.

"Princess!" In the

next second, Yue Feng calmed down and said with a smile: "I think there should be some misunderstanding between us..."

Before he finished speaking, Princess Xiya interrupted: "What misunderstanding? , you just lied to me, and also lied to the mother and other people, you said, if I expose your identity, what will happen to you, even if you have the golden decree of the Heavenly Emperor, you can't escape the guilt?"

Said these At that time, Princess Xia was very angry on the surface, but there was a hint of cunning in her eyes.

To be honest, she really hated Yue Feng in her heart, but after spending time with him and having a relationship between men and women, she was reluctant to punish him.

Uh...

Hearing this, Yue Feng was almost on the verge of crying, but he smiled bitterly and said, "What does the princess want to do?"

Princess Xiya was waiting for his words, then Yingying smiled: "You want to marry Me, and, if you really want to go back to the Kyushu Continent, take me with you too."
