

The ultimate husband in Chinese chapter 4811-4815

Chapter 4811

What?

Take you back to Kyushu? What are you kidding?

At this moment, Yue Feng was so depressed that he could not laugh or cry: "Princess, don't be ridiculous, you are golden branches and jade leaves, how can you go back to Kyushu with me?" After

speaking, Yue Feng's mind quickly turned: "Besides, I have no plans to do so. Go back to Kyushu."

"I don't care." Princess Xiya raised her neck with a firm attitude: "I want to be with you, anyway, I'm already yours, if you don't recognize me, I'll go tell my mother and pay me back. I have a brother."

Alas...

Yue Feng sighed, feeling helpless at the time, but still patiently comforted: "Don't worry, princess, I will take responsibility for you, but we have a special status now, we are together every day, we will be suspected by others. "

When the right opportunity comes, I will definitely propose to my mother in person, how about that?"

Hearing this, Princess Xiya calmed down a bit: "Really?"

Yue Feng nodded seriously.

Princess Xiya tilted her head and thought for a while: "Aren't you going back to Kyushu today?"

Yue Feng smiled: "His Majesty just ascended the throne today, how can I leave? I drank a lot of wine just now, I will come back to rest." When he said this, Yue Feng was in a hurry.

You have to find a way to coax her away quickly, otherwise, she will not be able to leave.

call!

However, Princess Xia was skeptical: "Are you sure you're not lying to me?"

This chapter is provided by . Visit for daily update.

“Absolutely not.”

Seeing his serious face, Princess Xiya was no longer suspicious. At that time, she showed a smile and hugged Yue Feng: “I hope what you said is true, by the way, I also drank wine just now and my head is dizzy. , I’ll be here with you tonight.” What the hell

!

Yue Feng was taken aback: “How can this be done? It will be troublesome to be seen by others.”

“What are you afraid of!” Princess Xi Ya said indifferently, and said slyly: “Now everyone is attending the banquet in Yutian Palace. , no one knows that I’m here with you.”

Yue Feng was very depressed, but he couldn’t turn his face, so he hugged Princess Xiya and said patiently, “Then you can rest here.”

He thought about it, as long as Coax Princess Xia to sleep, and take the opportunity to leave.

However, Princess Xiya was not satisfied with these. At that time, she hooked Yue Feng’s neck with one hand, her eyes wandering: “I don’t want to sleep yet, I want to take a bath, you accompany me, just like the last time, okay.”

Gudong!

Feeling the style of Princess Xi Ya, Yue Feng couldn’t help swallowing.

Although this Princess Xiya is a bit unruly, her appearance and figure are all superb...

“You don’t want to?” Seeing that he didn’t respond, Princess Xiya pouted and was very displeased.

“How could it be?”

Yue Feng squeezed out a smile, nodded and said, “It’s my honor that the princess favors me so much.” After speaking, he began to prepare hot water.

Speaking of which, Yue Feng’s heart had already flown back to the continent of Kyushu at this time, but in order to stabilize Princess Xi Ya, she could only meet her request.

Whoops!

After a while, the wooden bucket and hot water were ready, Princess Xi Ya immediately took off her long dress and jumped in, and then hooked her fingers at Yue Feng with a wide-eyed smile.

Yue Feng smiled bitterly and had to jump in.

As soon as she entered the barrel, Princess Xi Ya came up and kissed Yue Feng with her red lips.

hum!

Ruanxiang fell into his arms, and Yue Feng's head was buzzing, and suddenly it was blank, and at the same time, he secretly sighed in his heart.

This Princess Xia is really charming, but it's a pity that her identity is.

Just when Yue Feng was sighing inwardly, Princess Xi Ya had already torn off his clothes, and then sat down slowly...

"Yeah!"

In an instant, a charming low voice echoed in the room.

I don't know how long it took, everything was calm, Princess Xi Ya leaned on Yue Feng's arms, closed her eyes, and looked very happy.

Yue Feng leaned on the wooden barrel, but he was very anxious.

According to the plan, now that he has returned to Kyushu, this unruly princess has disrupted everything.

No, I have to find a way to let Princess Xia leave.

Boom! Just when Yue Feng was thinking about how to speak, suddenly, there was a knock on the door, and then a soft voice came: "Is Xianweng

there?" What the hell! Hearing that Empress Hua Zhao was coming, Yue Feng was taken aback, and he couldn't calm down. What happened tonight? First, Princess Xi Ya, and now Empress Hua Zhao also came to find her.

Chapter 4812

"It's over, how did the queen mother come back here?" At this time, Princess Xi Ya also trembled and was nervous.

He and Yue Feng were soaked in the wooden barrel without any cover. If the mother found out about this situation, the consequences would not be imagined.

In panic, Princess Xi Ya suddenly thought of something, and asked Yue Feng: "What is the mother looking for you for so late, what is the matter between the two of you?"

Uh...

Yue Feng was speechless and smiled bitterly: "How do I know?" After speaking, he jumped out of the barrel and quickly dressed.

While getting dressed, Yue Feng did not forget to whisper to Princess Xiya: "Quick, get dressed and walk through the back window." If Empress Hua Zhao saw this, she would not have enough heads to chop off ten heads.

After all, Princess Xia is her most beloved daughter.

Hearing the urging, Princess Xi Ya reacted, jumped out of the wooden barrel in a panic, and put on the long skirt.

Because of the cloud and rain just now, Princess Xia's face was still a little flushed at this time, and she was indescribably shy and charming.

After getting dressed quickly, Princess Siya quietly opened the back window to leave.

"Ah.."

At this time, Princess Xiya suddenly thought of something, and looked at Yue Feng seriously: "You are not allowed to run away behind my back, if you let me know, you have returned to the Kyushu continent privately, this princess I'll never forgive you."

I'll go!

Hearing this, Yue Feng was dumbfounded.

What time is it, this princess still has the heart to care about this.

With this thought in his heart, Yue Feng still had a serious look on his face: "Don't worry, I won't go by myself, and I will take you with me if I want to go." Take this stubborn princess with you.

After all, Princess Xia has a special status, and bringing her with her is a hidden danger.

Um!

Seeing that Yue Feng was not joking, Princess Xiya felt relieved, climbed over the windowsill, and disappeared into the night.

“Xianweng?” As

soon as he left, Empress Hua Zhao’s voice sounded outside the door again: “Have you rested? If not, can you see Ben Gong? There is something important in Ben Gong.”

urgency.

Cough cough...

Hearing the sound, Yue Feng coughed, cleared his throat and replied, “Ms. Niang is so late, what’s the important thing? The old man is going to rest soon.” After

hearing the response, Madam Hua Zhao hurriedly responded. Said: “It’s very important, please Xian Weng to open the door.”

Seeing her saying this, Yue Feng knew that he couldn’t shirk, so he quickly put on the Thousand Transformation mask and opened the door.

call!

The moment the door was opened, Yue Feng’s heart moved when he saw Empress Hua Zhao in front of him, and he was almost stunned.

I saw that Empress Hua Zhao was still wearing a long dress for the celebration banquet, her slender curves were looming, and her delicate and beautiful face, because of drinking, showed a slight blush, and in the moonlight, she could not tell. Charming.

“Xianweng!” At this moment, Empress Hua Zhao greeted her with a smile.

Immediately, Empress Hua Zhao looked inside the room and said with a smile, “Would Xianweng mind if you visit late at night?” Strange, I seemed to hear some movement in the room just now, and thought there was someone else.

Uh...

Hearing this, Yue Feng scratched his head and said with a smile: “My lady is serious, it’s my honor to be here late at night, why would you mind?”

Yue Feng’s answer was very useful to Lady Hua Zhao. , smiled immediately: “What? It’s not convenient to let Ben Gong in?”

“Look at me.” Yue Feng froze for a moment, then patted his forehead and made a gesture of invitation: “Mother, please.”

Mother Hua Zhao You're welcome, I walked in immediately.

Swish!

As soon as she entered the room, when she saw the scene in front of her, Empress Hua Zhao couldn't hide her shyness on her delicate face.

I saw that there was a large wooden barrel in the room, which was full of water and steaming. Looking at Yue Feng's dress, he was not dressed properly.

Obviously, the slow opening of the door just now was because people were taking a bath.

Realizing this, Empress Hua Zhao was very embarrassed: "It seems that Xian Weng really wants to rest, which is really disturbing." After

speaking, Empress Hua Zhao hesitated: "The elixir that Xian Weng refined for me last time, Ben Gong feels very good to take it, but in the past two days, there seems to be another problem in the body, so... so I disturbed it late at night."

Chapter 4813

When saying this, Empress Hua Zhao was embarrassed.

Speaking of which, she holds her own identity, so she will not come to Yue Feng so late. After all, she is an empress, and if she is seen, gossip will inevitably spread.

But in the past two days, as soon as the night came, she started to get cold all over.

Something went wrong again?

Hearing this, Yue Feng was stunned for a moment, then carefully observed Empress Hua Zhao, and found that she seemed to be in high spirits, but her face was pale.

Obviously, the problem of her nine yin body has not been completely solved.

No, the medicinal pills made by myself should be no problem. It is reasonable to say that it has been completely solved after so long.

For a while, Yue Feng frowned secretly, bewildered.

call!

Seeing that Yue Feng had been staring at her and said nothing, Empress Hua Zhao suddenly became a little uneasy, and couldn't help but said softly: "Xian Weng, is there something wrong with the medicinal pills you practiced before?"

Hearing the question, Yue Feng slowed down. After regaining his senses, he shook his head and said, "There is absolutely no problem with the pills..."

As he said that, sensing the smell of alcohol on Empress Hua Zhao's body, Yue Feng's eyes lit up: "By the way, Niang Niang has often been drinking at night these days.?"

The fine wine Qiong Niu in God's Domain, although it is a good thing, but drinking too much will also affect the physique, especially the Yin physique of Lady Hua Zhao. After taking the medicinal herbs, drinking alcohol will affect the effect of the medicine.

"This..."

At this moment, Empress Hua Zhao lowered her head, her face suddenly a little unnatural, and her red lips lightly lifted: "Yes, isn't this the day of the late emperor, I miss it in my heart, every night I can't do it? When you go to sleep, you drink alcohol to hold your thoughts."

Yue Feng nodded suddenly and said with a smile, "That's right, the medicinal pills I made for the Empress contain special ingredients, so you cannot drink alcohol."

"The reason why the Empress has not fully recovered is because these few days, often caused by drinking late at night."

Huh?

When the words fell, Empress Hua Zhao trembled, and she was nervous: "What should I do? Xian Weng, is there any solution to my situation?"

Yue Feng thought for a while, and responded with a smile: "Niang Niang, you don't need to worry. , there is a solution, that is..."

Before she finished speaking, Madam Hua Zhao quickly said: "What solution? Xian Weng, please tell me."

"There is a medicinal bath that can solve it." Yue Feng said in a complicated tone.

Medicated bath?

Hearing these two words, Empress Hua Zhao was stunned, and her delicate face was full of doubts.

Seeing her expression, Yue Feng explained with a smile: "Niangniang, the so-called medicated bath is to take a bath to eliminate hurt. Niangniang has been drinking late at night these days, and there are residual alcohol in her body, and other methods cannot be used to disperse it at all. When you come out, you can only get rid of it completely by taking a medicinal bath!" "Also, when the goddess is bathing

, I need to massage the acupuncture points on the side, otherwise everything will be in vain!”

Also surging.

He did not deceive Empress Hua Zhao, nor did he deliberately take advantage of her. At this time, Empress Hua Zhao’s condition could only be treated by a medicated bath.

This...

Hearing this, Empress Hua Zhao’s face turned red all of a sudden, indescribably shy.

As a dignified empress, she actually needs to take a bath for treatment, and she also needs this fairy godmother to massage the acupoints on the side.

It’s so embarrassing.

“Niangniang!”

Seeing the change in her expression, Yue Feng looked humble: “This method is a bit rude, but it is also the fastest method. If the niangniang is unwilling, there is a second method, but it will take half a month. It’s just a matter of conditioning.”

Half a month?

Hearing this, Empress Hua Zhao refused in her heart, and immediately shook her head and said, “Xian Weng, let’s take this medicinal bath.” When speaking, Empress Hua Zhao bit her lip lightly, and did not look at Yue Feng, revealing a hint of shyness.

To be honest, she didn’t want to do this, but she couldn’t help it. The cold feeling in her body was really unbearable.

What the hell!

Seeing Empress Hua Zhao agree, Yue Feng was stunned.

You heard right, she actually agreed to such harsh conditions?

Chapter 4814

Speaking of which, when Yue Feng said this just now, he planned to let Empress Hua Zhao retreat, or choose the second method.

After coaxing Empress Hua Zhao away, Yue Feng took the opportunity to leave.

But he never thought that Empress Hua Zhao was tortured by the cold inside her body, so she finally chose to take a medicated bath.

“However!”

At this moment, Madam Hua Zhao thought of something, and she lowered her head and didn't look at Yue Feng: “When the medicinal bath begins, I hope Xianweng can cover her eyes, after all, men and women don't kiss each other...”

Haha ...

Seeing her shy look, Yue Feng was instantly happy.

I thought she didn't care about anything.

Thinking to himself, Yue Feng smiled and said, “This is natural!”

Phew!

Seeing Yue Feng agree, Empress Hua Zhao was relieved.

Yue Feng didn't say anything more, and replaced the bucket with new hot water. At that moment, he thought of Yun Yu and Princess Xi Ya just now. Next, Empress Hua Zhao was about to soak in it, Yue Feng couldn't help it. Start fantasizing...

Soon, hot water is ready. Yue Feng found the herbs again.

Yuxi Xianyuan, where Prince Aolin lives, has everything, and the herbs you need are not difficult to find at all.

After all the herbs were found, Yue Feng put them into the wooden barrels in the same proportion.

After doing this, Yue Feng took out a piece of cloth and covered his eyes. At the same time, he smiled at Empress Hua Zhao: “Niang Niang, you can go into the water!”

Hmm!

Hearing this, Empress Hua Zhao responded, then unbuttoned her robe and slowly jumped into the wooden barrel. Speaking of which, she was a little nervous, but when she saw that Yue Feng was blindfolded, she felt relieved.

Hearing the sound of the water, Yue Feng spoke again: “Niang Niang, I will start massaging your acupoints now, please guide me, so as not to make mistakes!”

After speaking, he rolled up his sleeves and slowly stretched out his hands.

At this moment, Empress Hua Zhao's delicate face suddenly turned red. No other man has touched her since the death of the Nine Heavens God. At this time, it is a little bit... But thinking that the problem of

cold body can be completely solved, Empress Hua Zhao still bit her lip and said softly, "What is the first acupuncture point?"

"Huizhen acupoint..." Yue Feng responded.

Empress Hua Zhao bit her lip tightly: "You move your right hand forward."

"Is that so?" Yue Feng slowly moved his right hand forward.

"Yes, go down a little... and go down a little bit, yes, it's here."

At this time, Empress Hua Zhao couldn't tell the tension, maybe she was too impatient, and there was some error in the position she said. At that time, Yue Feng's right hand put it up, but not in Huizhen Point, but on Longyang Point below Huizhen Point.

Longyang Point is the gate of life in the major meridians. If you click on it rashly, it will cause heart fire to rise.

Swish!

At this time, Empress Hua Zhao was mistakenly placed on the Longyang Point by Yue Feng, and her delicate body trembled suddenly, a dry heat rose in her body, and she suddenly let out a soft moan.

"Yeah!"

This soft moan seemed to carry some kind of magic power, and Yue Feng suddenly shuddered, only to feel that his bones were all crisp.

Before he could feel it, he heard Empress Hua Zhao's embarrassed and anxious voice: "You...you clicked the wrong place, that's the Longyang Cave."

What?

Hearing this, Yue Feng was startled and quickly retracted his hand, but it was already too late, Longyang Point was taped, and Empress Hua Zhao only felt that her body was getting hotter and hotter, as if she was being roasted on a fire.

"It's hot, it's so hot." Empress Hua Zhao couldn't help shouting, her delicate face was dripping with sweat.

Nima!

Hearing the shouting, Yue Feng couldn't take care of it anymore. He ripped off the cloth on his eyes and prepared to save it. You must know that the Longyang Point is very dangerous.

Gudong!

However, the moment he tore off the cloth, when he saw Empress Hua Zhao in front of him, Yue Feng couldn't help swallowing his saliva, and he was stunned.

beautiful!

How beautiful!

I have to say that Empress Hua Zhao, as the woman of the Nine Heavens God, is really sexy, and her body is even more compact, especially when she is soaked in a wooden bucket at this time, like a hibiscus in clear water, how charming and charming she is.

Chapter 4815

"Xianweng, you..." Aware of Yue Feng's gaze, Empress

Hua Zhao was so shy that she almost burst into tears: "You... close your eyes."

His status is noble, but he is seen by this old man, how will he see people in the future?

Oh!

Hearing this, Yue Feng reacted and quickly closed his eyes.

Seeing this situation, Madam Hua Zhao became even more anxious: "You... quickly help me to unravel the acupoints?" This immortal Qingxu has always been calm, why is he frizzy today? Feeling her shame and anger, Yue Feng couldn't help crying and laughing: "Niangniang

, I can't see it with my eyes closed, how can you unlock the acupuncture points

for you?"

Eyes, but don't look around." She knew her own situation and couldn't delay, or she would go into trouble.

Hearing this, Yue Feng showed a smile, opened his eyes, and reached out to help Empress Hua Zhao unblock the acupuncture point.

At the same time, his eyes kept looking at Empress Hua Zhao.

Huh...

Yue Feng's gaze made Empress Hua Zhao feel uncomfortable, and she couldn't help writhing in the wooden barrel when she was anxious at the time.

Under such circumstances, it was difficult for Yue Feng to unblock the acupuncture points accurately, and he was sweating profusely.

"Niangniang, don't move! If you move like this, I can't solve the acupuncture point."

Madam Hua Zhao was shy and angry: "Who told you to look around..."

"I didn't look around, I was looking for acupuncture points. .."

"You..."

Finally, two minutes later, Yue Feng finally unlocked the acupoints, but at this time, both sides were sweating profusely.

For a time, both Yue Feng and Empress Hua Zhao were embarrassed.

"Niangniang..."

After a few seconds, Yue Feng reacted and said embarrassingly, "I will continue to massage the acupuncture points for you."

At this time, Niangniang Hua Zhao wanted to refuse, but the matter reached this point, the medicinal bath was already Halfway through, I couldn't stop, so I nodded.

Bang Bang...

But at this moment, there was another knock on the door outside.

What the hell!

At this moment, Yue Feng almost jumped up on the spot, Nima, what's going on tonight? Why are so many people looking for me?

Just thinking about it, I heard Fairy Lvqi's voice from outside: "Xianweng? Have you rested? I have something important and want to ask."

Fairy Lvqi?

Hearing the voice, Yue Feng suddenly wanted to cry without tears. Today's women's fate is really bursting, first Princess Xi Ya, then Empress Hua Zhao, and now Fairy Lvqi is also here.

At this time, Empress Hua Zhao was also shocked, and then looked at Yue Feng suspiciously, and asked in a low voice, "What is Luqi looking for you for so late?"

Yue Feng thought for a while, and replied in a low voice, "Before this old man Passing her some alchemy methods, coming to see the old man so late, it must be related to alchemy."

Phew!

After hearing this, Empress Hua Zhao didn't ask any more questions, and said lightly, "Don't talk, just pretend you're not there."

When she said this, Empress Hua Zhao had a calm expression on her face, but her heart was indescribably uneasy. You must know that her dignified concubine was bathing in Fairy Qingxu's room late at night. If Fairy Lvqi saw this scene, his image is completely ruined.

Yue Feng could guess what Empress Hua Zhao was thinking, and immediately nodded and closed her mouth.

"Strange!"

At this time, Fairy Lvqi, who was standing outside the door, frowned lightly: "At the banquet just now, it was obvious that Xian Weng had come back early? Besides, the light is on in the room, why is he not there? "

While muttering, Fairy Lvqi got closer, lying on the door and listening.

Seeing that Fairy Lvqi didn't leave, the hearts of Yue Feng and Empress Hua Zhao in the room were all suspended, especially Empress Hua Zhao, who was soaking in a wooden barrel at this time, and her delicate body trembled faintly under the effect of the medicinal bath. , made a slight sound of water.

Wah wah wah...

The sound of the water was very small, but it was still caught by Fairy Luqi. At that time, his mind quickly turned, and there was the sound of water inside. Obviously, Fairy Qingxu was inside, but he didn't respond.

Is something wrong?

Thinking of this, Fairy Luqi hurriedly shouted anxiously: "Xianweng, Xianweng... What's wrong with you? Do you want me to help?"

Yue Feng and Lady Hua Zhao looked at each other, but still did not say a word.

At this moment, Fairy Lvqi was completely anxious: "If the fairy doesn't speak again, I will break in." Fairy Lvqi at this time expected that something happened to Yuefeng inside.
