

## The ultimate husband in Chinese chapter 4816-4820

Chapter 4816 What the hell

!

Hearing this, Yue Feng was in a hurry, and quickly shouted: "Old man is fine, that... The old man has rested. If the fairy has nothing important, go back first."

If this is what she sees When the niangniang takes a bath here, it's all over.

As soon as he finished speaking, Empress Hua Zhao hurriedly pulled him: "Why did you speak up? As soon as you spoke, didn't she know you were there?" She is also a woman, so she naturally understands a woman's heart better. Fairy came to him so late, there must be something important, otherwise, she would not have taken such a big risk.

Uh... In

the face of Empress Hua Zhao's accusation, Yue Feng was very helpless.

At this time, outside the door, Lu Qi heard Yue Feng's voice, and she was overjoyed: "Xianweng, I knew you were there. I have something important to do tonight, so I came to disturb Xianweng."

Squeak... the

voice fell, Fairy Luqi pushed open the door directly.

Seeing this, both Yue Feng and Empress Hua Zhao were shocked.

Especially Yue Feng, who almost wanted to cry but had no tears. Nima, this Fairy Luqi was too bold.

Madam Hua Zhao was even more anxious, biting her lip, her face almost paled, and she was thinking of finding a place to hide, but she was still soaked in a wooden barrel, where would she have time?

Wow...

In a panic, Empress Hua Zhao couldn't care less about her restraint, and immediately covered her mouth and nose and dived into the water.

It was at this time that Fairy Luqi walked in quickly, wearing a long emerald green dress, which gave people a fresh and pleasing feeling, yet sexy.

“You...”

At this moment, Yue Feng was stunned for a moment, and then he said incredulously: “Fairy, what’s the matter in such a hurry.” When he said this, Yue Feng subconsciously glanced at the hidden under the water. Empress Hua Zhao secretly rejoiced in her heart.

Fortunately, Niangniang responded quickly enough, otherwise, Fairy Luqi would have discovered it.

“I...” Fairy Lvqi smiled, and was about to respond, but when she saw the situation in the room, her pretty face immediately blushed.

I saw that Yue Feng was standing beside the wooden barrel. The wooden barrel was full of water and was steaming hot. Some parts of Yue Feng’s clothes were also soaked.

It turned out that Xianweng didn’t speak just now, because he was going to take a bath.

Seeing this, Fairy Luqi was very embarrassed. She was so reckless. Fortunately, Fairy Weng hadn’t started taking a bath. If he was taking a bath and suddenly broke in, wouldn’t it be...

Fairy Luqi thought more and more With a shy, beautiful face, showing a bit of restraint, he bit his lip and said softly: “I’m sorry, Xian Weng, I really didn’t mean to disturb!”

“It’s just that Xian Weng told me about the method of alchemy last time, I have been refining several times in the past few days, but all failed, I really don’t know why, I just want to ask for advice!”

When she said this, Fairy Lvqi’s ears turned red, she lowered her head and did not look at Yue Feng, her face Full of expectations. Speaking of which, she is a fairy, and it is really unreasonable to come to find an old man so late, but she really has no choice.

I go!

Hearing this, Yue Feng couldn’t help laughing.

Thinking to himself, Yue Feng asked with a wry smile: “Fairy, tell me the steps of your alchemy in detail.” Anyway, they are here, just teach her.

“Xianweng!” Fairy Luqi asked cautiously: “Is it convenient to go to the alchemy room with me?”

Yue Feng shook his head: "It's too late, so I won't go to the alchemy room, let's talk here, tell me the situation, I'll help you find out the reason!" Saying that, he couldn't help but glance at the barrel.

The acupoints on Niangniang's body have not been fully massaged yet, so you must quickly find a way to make Fairy Luqi leave early, otherwise, Niangniang will be in trouble if she dives for too long.

"Okay!"

Seeing Yue Feng say this, Fairy Lvqi was a little disappointed, but she still explained the process of how to concoct pills in detail.

Hearing Fairy Lvqi's narration, Yue Feng thought for a while, smiled and said, "Fairy, you placed the ingredients in the wrong order. In addition, you have not mastered the heat well. For refining this medicine, you can't use a big fire, and you need a slow fire in the later stage. Just do it!"

Chapter 4817

Call!

Hearing this, Fairy Lvqi's eyes lit up, and her whole body suddenly became enlightened: "So that's the case, thank Xianweng for your teaching, I'll try it now!"

After speaking, she left happily.

Finally gone!

Seeing Fairy Lvqi leaving, Yue Feng breathed a sigh of relief, and then shouted at the wooden barrel: "The people are gone, Niangniang can come out!"

However, when the words fell, Hua Zhao Niangniang was still submerged, and there was no reaction at all. However, Yue Feng could see that the charming body was trembling slightly.

"Niangniang?"

Yue Feng leaned up and tried to shout again, but there was still no response. In an instant, Yue Feng felt that something was wrong and hurriedly picked her up.

Wow...

The next second, with the sound of water splashes, Empress Hua Zhao's charming body, like a hibiscus emerging from the water, was exposed in front of Yue Feng, but

when she saw her appearance, Yue Feng didn't have time to appreciate it and was taken aback. .

I saw that Empress Hua Zhao's delicate face was extremely flushed, a trace of pain appeared between her brows, her delicate body was constantly trembling, and she even muttered to herself: "Hot, so hot..."

Oops!

Seeing this, Yue Feng frowned.

Just now, I was massaging the acupoints of Lady Hua Zhao, but she was interrupted by Fairy Lvqi just halfway through. In this case, Lady Hua Zhao dived into the water, and the acupoints in her body could not relax, which could easily breed heart fire.

"It's so hot, I'm so hot!"

Empress Hua Zhao's delicate body trembled, her red lips parted lightly, and she kept whispering in a low voice. At this moment, she could clearly feel the burning heat in her body getting stronger and stronger.

That feeling, like a fire burning inside the body.

"Ah!"

At this moment, Empress Hua Zhao felt that her whole body was about to be burned. The painful burning sensation made her delicate body tremble, and then she fell to the ground.

"Your Majesty?" In the

next second, Empress Hua Zhao's eyes fell on Yue Feng. Under the extreme pain, she had a direct hallucination and regarded Yue Feng as the god of the nine heavens.

What the hell! Why is this still a hallucination?

Hearing the shout, Yue Feng was immediately blinded, but he soon realized that Empress Hua Zhao's strength was strong, and her heart fire was also strong, which also led to hallucinations.

"Emperor, I miss you so much, I really miss you..." Just as Yue Feng was thinking about this, Empress Hua Zhao called out and threw herself into Yue Feng's arms.

Gudong!

Suddenly Ruanxiang fell into his arms, Yue Feng's mind buzzed, and instantly went blank.

So soft, so slippery...

You must know that Empress Hua Zhao at this time was completely unconcealed, and she took the initiative to throw her arms around her. If it was any man, she would not be able to hold her own.

"Your Majesty, what's wrong with me? I'm so hot... so hot!" Empress Hua Zhao was completely irrational, raised her head, looked at Yue Feng pitifully, and asked softly.

call! !

Yue Feng took a deep breath, tried his best to calm himself, and said slowly, "You are caused by heartbreak, but don't worry, I'm here..."

Heartbreak?

Hearing this, Empress Hua Zhao's delicate face showed confusion of meaning, but she could no longer distinguish between reality and illusion, and immediately hugged Yue Feng tightly: "Then what should I do?"

When she said this, Empress Hua Zhao's delicate and beautiful face was extremely hot, and her whole body was extremely hot, as if her primordial spirit was about to burn.

Yue Feng comforted gently: "Don't panic, let me think of a way... As long as you help you release this anger, you will be fine."

When he said this, Yue Feng was calm on the surface, but also anxious in his heart not.

Nima, once the heart fire is very dangerous, how to release it safely is really a problem. After all, this kind of thing has never happened before.

After all, being angry is not the same as being insane.

Whoa!

Just when Yue Feng was secretly struggling, he saw Empress Hua Zhao suddenly jumped out of the wooden barrel, and her whole body slammed into his arms, her pretty face flushed red, her eyes blurred and crazy: "Your Majesty, this concubine is ready to suffer. No, no..."

After speaking, Madam Hua Zhao's consciousness began to blur, and she almost went mad. Constantly groping for something in Yue Feng!

What the hell!

Yue Feng was startled, and at the same time he couldn't help swallowing secretly.

Chapter 4818 I

saw that Empress Hua Zhao jumped out of the wooden barrel at this time because she had no cover, and her charming curves were completely exposed, and under the action of heart fire, her whole body showed a charming kind of charm Crimson, extremely charming and sexy.

For a time, Yue Feng looked a little dazed, but he quickly reacted: "Niangniang, you wake up!"

When he said this, Yue Feng couldn't be more anxious.

It's broken, Niangniang has completely lost her mind, and it's troublesome now.

Swish!

Just before he said a few words, Empress Hua Zhao looked completely mad, and suddenly fell to the ground and began to tear Yue Feng's clothes.

Damn...

At this moment, Yue Feng turned pale with fright, and was about to reach out and touch Empress Hua Zhao's acupuncture point. But on second thought, Madam Hua Zhao's heart fire was breaking out. If the acupoints were sealed again, I'm afraid the situation would be even more dangerous.

"It's so hot, so hot..."

Just when Yue Feng was tangled in secret, Empress Hua Zhao, who was completely crazy at this time, came up directly and kissed Yue Feng with her red lips.

At this time, Empress Hua Zhao only felt that a flame was burning in her body, and her whole body was about to burn. She instinctively told her that if she vented the fire in her body, her soul would be annihilated.

hum!

At this moment, Yue Feng only felt his brain buzzing and blank.

"Niangniang...you calm down..." Yue Feng was completely stunned, and when he reacted, he was about to push away Hua Zhaoniangniang.

However, at this time, Empress Hua Zhao was completely out of her mind. At that time, her face was blushing, she bit her lip tightly, and sat down directly.

“Oh...”

For a time, the whole room was full of spring.

I don't know how long it took, the fire in Hua Zhaoniang's body finally subsided, she fell to the side and fell asleep.

Yue Feng was sitting next to him with a sad face.

To be honest, today is really a blessing. First, Princess Xi Ya came to look for it, and then Empress Hua Zhao also gave her a hug. However, at this time, Yue Feng did not feel the slightest joy in his heart, but was extremely anxious and uneasy.

It's over, it's over?

This is Empress Hua Zhao, but I have a love affair with her. If this story spreads, I would not have enough heads to chop off a hundred heads.

Huh....

was anxious, Yue Feng only felt a killing intent coming from the side!

“You!” I saw that Empress Hua Zhao woke up at an unknown time. At this time, there was still a blush on her beautiful face, and her eyes were fixed on Yue Feng with endless shame and anger!

call!

Such a strong murderous aura!

Feeling Empress Hua Zhao's gaze, Yue Feng broke out in cold sweat, but soon calmed down. At this time, Empress Hua Zhao was still very weak. No threat to myself at all.

Moreover, what happened just now is not entirely my fault.

For a time, Yue Feng's mind quickly turned, thinking about how to deal with the situation in front of him, but the words from Empress Hua Zhao made his face change greatly.

“Yue Feng, why are you!?” Empress Hua Zhao bit her lip, her eyes were full of resentment. It turned out that the thousand-changing mask on Yue Feng's face just fell off, and it was revealed at this time. true colors.

shit.

Yue Feng was startled, looking at the mask that fell on the ground, he almost wanted to cry without tears.

At this time, Empress Hua Zhao saw the mask on the ground, and instantly understood something, her delicate face showed endless anger: "Well, you Yue Feng, it turns out that Immortal Qingxu is fake, you actually concealed your identity and hid in Here..."

"You... you ruined Ben Gong's innocence, Ben Gong... is going to kill you!"

The moment the words fell, Empress Hua Zhao was about to start, but thinking that she had nothing to wear, I forcibly held back, just looking at Yue Feng's eyes, like a sharp knife.

This Yue Feng pretended to be an immortal from the sky, but he didn't even recognize it. What's more abominable is that he was sullied by Yue Feng just now. This is simply a great humiliation!

"Niangniang!"

Feeling Hua Zhaoniangniang's anger, Yue Feng was very embarrassed, but he still said with a smile, "If you had not insisted on killing me before, I would not have resorted to this, besides, I Coming here to teach Prince Aolin and letting him sit on the throne of the Heavenly Emperor has made a huge contribution to the Divine Realm!"

Chapter 4819

"Also, you took the initiative to find me tonight, and you took the initiative just now. If you think about it carefully, I can be considered to save you, but you want to kill me, does this count as revenge?"

Ma De, anyway, identity It's been revealed, it doesn't matter.

The last word fell, Yue Feng looked up and down at Empress Hua Zhao. I have to say that Empress Hua Zhao's figure is really superb, and when I think about all the things just now, it makes me even more memorable.

"You..."

Seeing Yue Feng's dead pig not afraid of being scalded by boiling water, Mother Hua Zhao was so angry that her eyes almost burst into flames.

This bastard, Yue Feng, took advantage of this palace, and still speaks sarcastically here. When she thinks of herself being close to Yue Feng, Empress Hua Zhao is extremely distressed, and she is unwilling to accept this fact.

For a time, the surrounding atmosphere was very depressed, and the air was filled with the smell of gunpowder.

“Niangniang...”

I don't know how long it took, Yue Feng took a deep breath and said slowly: “Anyway, things happened, you really can't accept it, and I will admit it if you want my life...”

When he said this, Yue Feng looked directly at Empress Hua Zhao with a fearless expression on his face.

Yes, he was betting that, although he had committed a heinous crime in the incident just now, Empress Hua Zhao had a noble status and the matter was exposed, which did not benefit her at all.

So, she wouldn't really want to kill herself. Even if they want to kill, it won't be now.

“You...”

After hearing this, Empress Hua Zhao opened her mouth, but she was speechless for a while, and her mood became complicated.

This Yue Feng is not afraid of death...

In a daze, she noticed that Yue Feng's eyes were still on her body, and Empress Hua Zhao was immediately ashamed and angry, and said coldly, “I haven't seen enough yet? Don't close my eyes for Ben Gong.”

“Okay, I'll close it . Eyes!” Yue Feng smiled and quickly closed his eyes.

Speaking of which, he wanted to make some jokes, but seeing Empress Hua Zhao's appearance, he held back.

At this moment, Empress Hua Zhao was not talking and quickly put on her robe.

“Yue Feng!”

Soon, Empress Hua Zhao finished her makeup, looked at Yue Feng with complicated eyes, bit her lip and said coldly, “Let's just pretend it didn't happen today, if you dare to publicize it. , I can't spare you.” To

be honest, she really wanted to kill Yue Feng, but he is now the emperor's teacher, and he also has the golden decree of the emperor from the emperor, killing him will have a great impact, and he will At times, I am afraid that I can't hide the things that I have been defiled.

Uh...

Feeling the complexity of Madam Hua Zhao's heart, Yue Feng put away her hippie smile and nodded: "Madam, don't worry, I will never say this."

Hearing this, Madam Hua Zhao's delicate face Without the slightest fluctuation, he said coldly: "Also, from now on, you will leave the God's Domain immediately, and this palace hopes not to see you in the future."

Yue Feng smiled bitterly: "Okay! To be honest, I originally planned to tonight. After packing up, I will leave the God's Domain."

Empress Hua Zhao said nothing and turned to leave.

call!

As soon as his forefoot left, Yue Feng breathed a deep sigh of relief. Nima, after tossing for a whole night, it finally stopped. He didn't have time to think about it at that time. After packing up his things, he quickly rushed towards the portal closest to Yuxi Xianyuan.

At this moment, the sky is already bright, and Yue Feng is very anxious.

Mad, if it weren't for so many things happening at night, he would have left long ago, and he must leave before dawn, otherwise, it would be troublesome if he was discovered by those patrolling soldiers.

However, many things are often so coincidental. Yue Feng just arrived near the portal, and a team of patrolling soldiers passed by here, and they immediately found him and immediately shouted angrily.

"Who? Dare to break into the portal?"

"Stop..."

An angry shout came, Yue Feng's head was big at the time, Nima, what are you really afraid of?

Thinking to himself, Yue Feng speeded up, intending to leave quickly through the teleportation array before his identity was discovered.

Swish!

Seeing this scene, this team of patrolling soldiers were all shocked and furious.

"Stop him!" In the

next second, the leader of the divine soldier shouted loudly, and in an instant, he and his companions exploded with divine power, and together they condensed a mysterious thunder, which directly slammed into Yue Feng.

## Chapter 4820

Nima!

Feeling the danger coming from behind, Yue Feng was about to scold. Are these magical soldiers sick in their minds, and they rashly acted without seeing who they were?

Seeing that the mysterious thunder was about to hit him, Yue Feng gritted his teeth and rushed directly into the portal.

As long as they enter the portal, these magic soldiers can't do anything about themselves.

boom!

As soon as Yue Feng rushed in, the mysterious thunder slammed into the portal. In an instant, he saw a mass of light of wood erupting from the portal, directly shrouding Yue Feng, and then a powerful force wreaked havoc in the air.

Bang bang bang...

Then, the ground under the portal also shook violently. Under the violent vibration, Yue Feng was completely unsteady.

Nima!

At this moment, Yue Feng's face changed and he was very depressed. At the same time, I couldn't be anxious. The mysterious thunder slammed on the portal, triggering random teleportation, and I didn't know where I would be teleported next.

God forbid, it is best to return to the mainland of Kyushu.

Whoosh!

Just as Yue Feng was praying secretly, his whole body was completely shrouded in light, and then his eyes darkened and he was directly teleported away.

...

On the other side, Kyushu, Nagumo Imperial City.

At this time, near the prison, the ground has been stained red with blood, Wen Chou Chou, Sun Dasheng and everyone, under the siege of the imperial guards, are exhausted one by one.

The two sides have been fighting here for hours.

In the past few hours, both Wen Chou Chou and Sun Dasheng were covered with wounds, and they were like bloody men.

However, in all directions, many imperial guards were still rushing forward.

A few people faced the entire imperial city, this was a battle without suspense, but Wen Chou Chou still persisted.

.....

At this moment, on an official road to the northwest of Nanyun Imperial City, several figures are walking fast.

The one in the lead was a seven- or eight-year-old boy, who was very cute in pink and jade, with a bit of maturity and shrewdness between his eyebrows, and a bright short shirt, showing his extraordinary identity.

Behind the little boy, followed by four big men, dressed in uniform black, filled with a strong aura.

It was Yue Feng's youngest son, Yue Huaixian, and the four brothers of the Duan family from Tianmen.

Yue Huaixian is the son of Yue Feng and Long Qianying, the former Queen of the Southern Cloud Continent.

A day ago, Yue Huaixian learned that Wen Chou Chou and Sun Da Sheng had come to Nanyun Imperial City to rescue the elder brother Yue Wu Ya, so he shouted to follow, Wen Chou Chou did not agree, but Yue Huai Immortal was a big kid and slipped away quietly when no one was paying attention. When they came out, knowing the situation at the time, the four brothers Duan Feng rushed out to look for it, and finally found the little master at the border of Nanyun Continent.

"Little Young Master!"

At this moment, the third Duan Lei couldn't help but said: "Don't be ridiculous, come back with us quickly." The

voice fell, and the three Duan Feng nodded in agreement.

“We’ve already arrived at the Southern Cloud Continent, how can you go back lightly?” Yue Huaixian stopped, looking old-fashioned: “Maybe I’ve reached the imperial city, and I can still help Uncle Wen and the others.”

Uh...

Hearing this, the four brothers of the Duan family couldn’t help laughing and laughing. This little boy is too personal. How old are you, how can you help?

Just as he was talking, he saw that the imperial city in front of him was already in sight. Duan Feng thought about it and said to Yue Huaixian, “Why don’t you, young master, you stay here with the three of them, I’ll go to the imperial city to explore first. The situation.”

Yue Huaixian thought for a while, then nodded and said, “Okay, you have to hurry up and come back!”

Duan Feng responded, immediately used his body technique, and hurried towards the imperial city.

Ugh!

Just after walking away, Yue Huaixian held her cheek in her small hand, looked at the direction of the imperial city, and said thoughtfully, “Big brother is really stupid. He has the Overlord’s Hammer in his hand, and he can still be caught. Sigh...”

Seeing him as a little adult The three Duan Lei looked at each other, dumbfounded.

Whoosh!

At this moment, I saw Duan Feng returning quickly, his face was extremely solemn, and he shouted from a distance: “Oops, the situation is very bad.”
