

## The ultimate husband in Chinese chapter 4861-4865

Chapter 4861

Seeing him like this, Yue Feng nodded with a smile, and then handed the antidote to Qiu Hong.

Qiu Hong quickly took it, and after taking it, the itchy feeling in her body really subsided.

“Uncle...”

At this time, Qiu Hong, although she was very aggrieved, didn't dare to be presumptuous in front of Yue Feng, she lowered her head and looked docile: “I...I'll help you measure yourself. Right .”

That's right...

Yue Feng smiled and handed the ruler to Qiu Hong.

Ten minutes later, Qiu Hong measured the size and retreated to Yue Feng.

Seeing her leave, Yue Feng smiled, then sat there cross-legged, and continued to try to break through the confinement...

the other side.

Seeing that it took so long for Qiu Hong to come back, Su Liner frowned: “Qiu Hong, why did you go for so long?”

“Uh...” Qiu Hong's delicate face showed a bit of embarrassment: “I just went to take the measurements for my uncle...”

“What's wrong with your face? So red?”

“Miss, I'm fine, maybe it's too hot today, I'll go change my clothes.” Qiu Hong said, her face brightened Red ran away.

Su Liner frowned, what happened to Qiu Hong today? Mysteriously, today the weather is cool and not hot at all...

.....

This chapter is provided by . Visit for daily update.

Early the next morning, Su Liner sent Qiu Hong to come over early to wake up Yue Feng and send Here comes the new clothes.

It has to be said that people rely on clothes and horses rely on saddles, and Yue Feng puts on newly made clothes, and his heroic appearance is extraordinary, and the temperament of the whole person is different.

Phew...

At this moment, seeing Yue Feng in front of him, Qiu Hong was not only a little dazed.

I really didn't expect that this trash, who was looked down upon in Yinlong Town, dressed up a little, like a different person.

"What's wrong?"

Seeing Qiu Hong's expression, Yue Feng smiled slightly and couldn't help asking, "Is there something on me?"

"No..." Qiu Hong reacted, very embarrassed, and quickly lowered her head. The voice: "Master, the young lady is already waiting in the front hall." After saying that, she hurriedly led the way in front.

Yue Feng smiled and followed quickly.

When she arrived at the front hall, Su Liner was also stunned when she saw Yue Feng's appearance, and a faint ripple appeared in her heart. Yue Yang put on new clothes, and his demeanor was not worse than his cousin.

However, he quickly recovered and greeted Yue Feng: "Let's go, cousin and the others are already waiting by the lake."

Hmm!

Yue Feng responded, accompanied Su Liner out of the compound, got on the sedan chair and hurried towards Changge Lake.

Changge Lake, located in the southwest of Yinlong Town, has a beautiful environment and pleasant scenery.

so many people?

When we approached Changge Lake, from a distance, I saw several young men and women standing by the lake, chatting and laughing, and there was a burst of laughter from time to time.

It was Liu He, a few wealthy disciples, and two young women!

Two young women, one more beautiful than the other, Yue Feng couldn't help but glance at them.

Two women, one is Liu He's younger sister Liu Ying, and the other is Liu He's senior sister, Zhang Yueqi.

Zhang Yueqi was wearing a tight black suit, showing her perfect and sexy figure to the fullest. The almost S-shaped curve was just filled with a cold aura, which made people dare not dare to blaspheme.

Let's go to see Liu Ying again, she is wearing a long yellow dress, which is extraordinarily gentle and charming, and reveals a bit of playfulness.

Swish!

Just when Yue Feng was appreciating secretly, Liu He and a few of them also saw Su Liner and Yue Feng. In an instant, both Liu He and a few wealthy disciples around him were deeply attracted by Su Liner.

Today's Su Lin'er, wearing a long white dress, with delicate facial features and a graceful figure, stood there quietly, with a reserved smile on her face, just like a pure daffodil.

At this moment, Liu He was also stunned.

Today's Su Lin'er is so beautiful, she is simply a fairy!

Moreover, Liu He clearly saw that since Su Liner got married, her complexion was obviously much better than before, and she felt a little complicated. Nonsense, now it seems that there is some effect.

Thinking to himself, Liu He regrets it a little bit. He knew this earlier. He came to Su's house to be his son-in-law, but now, he has made a lot of money for Yueyang.

Chapter 4862

"Cousin!"

At this time, Liu He reacted and greeted Su Liner with a smile: "You are so beautiful today."

Then, Liu He looked back at Zhang Yueqi and introduced them with a smile: "Senior Sister, this is the cousin Su Liner I told you about. Cousin, didn't I tell you before that I have a senior sister who has been taking care of me, and has recently gone down the mountain to do some errands!"

When he said this, Liu He The arrogance on his face could not be concealed.

Yes, Liu He is a disciple of Tianlongmen. Tianlongmen is located in Ziwei Continent. Although it is not famous, it can be regarded as a famous and authentic.

It is because of this that Liu He is so arrogant in his hometown that no one dares to provoke him.

When introducing him, Liu He didn't even look at Yue Feng. In his heart, this jerk was not qualified to get to know Senior Sister at all.

"Hello, Senior Sister!" After hearing the introduction, Su Liner smiled and nodded in greeting.

Zhang Yueqi smiled and nodded in response.

Afterwards, Zhang Yueqi glanced at Yue Feng curiously: "This is..." Before she could finish her question, she was interrupted by Liu He: "Senior sister, this is a piece of trash, ignore him." At the few companions behind him, he secretly gave a wink.

In an instant, several wealthy disciples next to him all understood and laughed at Yue Feng.

"Aiya? This bastard has put on new clothes and looks like a dog."

"Yeah, he has become someone's door-to-door son-in-law, and he still has a face to follow?"

"What a thick skin..."

These rich kids , are Liu He's friends and friends, and often spend time and drink together. Like Liu He, they look down on Yue Feng very much.

At this time, Liu Ying also had a look of contempt on her face, and couldn't help but say, "How do you know what Uncle thinks, she wants Sister Lin'er to marry such a waste..."

"Okay!" At this moment

, while Su Lin'er couldn't stand it anymore, she said lightly to Liu He: "Cousin, everyone is here to relax today, please don't be like this, okay?" To

be honest, Zhang Yueqi was not very satisfied with this husband, but he After all, he had already joined the Su family, and seeing everyone mocking him at this time, he couldn't help but speak for him.

“Okay, okay, my cousin has spoken, how could I not listen?” Liu He squeezed out a smile and nodded again and again, but between his eyebrows, he still couldn’t hide the arrogance.

“Yueyang!”

At this time, Liu He looked at Yue Feng with a condescending look: “Today, I will not embarrass you because of my cousin’s face, but you have to remember that when you play next time, be honest. Seriously, don’t make trouble with me, you know?”

An idiot.

Yue Feng sneered and ignored him.

At this time, everyone was talking and laughing and started walking along the lake. Is Yue Feng following far behind? He can’t stop looking around, trying to find the shadow of Jian Meicao.

Yes, Yue Feng was not in the mood to go out for an outing at all. The reason why he agreed to Su Liner was that when he planned to play, he could find Jian Meicao so that Su Liner could be completely cured.

“Brother, Sister Lin’er!”

At this moment, Liu Ying found something and pointed to the grass not far away: “Look, there are so many beautiful butterflies there.” After speaking, she ran over excitedly.

Su Lin’er laughed: “Ying’er, please slow down.”

Liu He’s face was full of disapproval: “Cousin leave her alone, finally come out once, let her go crazy.”

Oops!

As soon as she finished speaking, she heard Liu Ying’s exclamation, and then her delicate body trembled and fell softly to the ground, and then she saw a colorful poisonous snake that quickly swam past her feet and disappeared from everyone’s sight in the blink of an eye.

Oops, it’s a viper!

Seeing this situation, everyone was shocked, and immediately rushed over.

When I got to the front, I saw Liu Ying’s face was pale, and she had fainted. For a time, everyone was horrified. What kind of snake is this poisonous?

“Quick!”

Liu He was sweating profusely, and shouted, “Take her back to town quickly, and let the doctor detoxify.” After

he finished speaking, he and a few wealthy disciples lifted Liu Ying up and down, and were about to return to Yin. Dragon Town.

“Wait!”

At this moment, Yue Feng, who had been silent, suddenly said, “She was bitten by a poisonous snake. Now the poison is only near the wound. If you touch her, the poison will spread faster. The only way is to leave her alone for now.”

Chapter 4863

Huh?

Hearing this, Liu He and the others were stunned, frowning. What is this kid talking about?

The next second, Liu He reacted and said coldly to Yue Feng: “Ma De, what nonsense are you talking about? What do you mean, I want my little sister to die here?” The voice fell, and several other wealthy disciples, They also criticized.

“A trash who doesn’t understand anything, dare to point fingers here?”

“Liu Shao, don’t talk nonsense with him, let’s take the little sister back to Yinlong Town!”

“

Yeah, I’m afraid it’s too late.”

Hearing, Su Liner couldn’t help it when I heard your sentence, she quickly walked over and pulled Yue Feng quietly, and whispered, “You...don’t interrupt me.”

Why is this Yue Yang causing trouble everywhere?

At this time, Su Lin’er also felt that Yue Feng’s remarks just now were nonsense. After all, Liu Ying was bitten by a poisonous snake, and her life was at stake.

Yue Feng smiled bitterly.

At this moment, Zhang Yueqi, who had been silent all the time, suddenly said, “Yue Yang is right. Little sister’s situation is very serious now. I’m afraid that it will cause the spread of the poison.

“  
Seeing Zhang Yueqi speak, everyone was stunned.

Especially Liu He, he couldn't be nervous at this time: “Senior Sister, Senior Sister, is there any way you can save the little sister?” When he spoke, his eyes were full of anticipation.

Zhang Yueqi let out a long sigh, “I haven't learned much about the medical skills of the master's sect. Besides, the speed of the poisonous snake just now was so fast that I didn't see it clearly at all.”

As soon as he finished speaking, Yue Feng said, “That is a red-spotted snake. Although it is very poisonous, there are usually herbal medicines that restrain snake venom wherever this snake appears.” As

he spoke, Yue Feng slowly walked into the grass. After searching around, he quickly pulled up a herb: “This is the yellow spirit grass, which restrains the venom of the red-spotted snake.”

This...

Seeing this situation, everyone looked at each other, especially Liu He and the others. Is frowning.

Does this kid really understand what this kid said, or is he just pretending to be a mystery?

At this moment, Yue Feng came over and was about to apply herbal medicine to Liu Ying's wound, but Liu He couldn't hold it any longer, quickly stepped in front of him, and said coldly, “Boy, don't look at who this is, just let it go. Are you fooling around?” The voice fell, and several wealthy disciples next to him also agreed.

“You are a waste, what do you know?”

“That's right, you're making a fool of yourself, do you really think we're stupid?”

“Liu Shao, little sister's situation can't be delayed, as I see it, let's take her back to town...”

Everyone said, I said one sentence at a time, Zhang Yueqi's pretty face was cold and her brows were furrowed.

“You all shut up!”

Finally, Zhang Yueqi couldn't bear it any longer, and said coldly to Liu He, "What are you yelling at? Is it okay? Let him try first. In the town, when the poison spreads all over the body, Daluo Jinxian won't be able to save it!" For some reason, Zhang Yueqi had a feeling that the son-in-law of the Su family in front of her really knew medical skills.

call!

Seeing Zhang Yueqi say this, Liu He and the others quickly shut their mouths.

Zhang Yueqi is Senior Sister Liu He and has a certain position in Tianlongmen. Since she has said so, no one dares to say more.

However, Liu He was a little angry in his heart, Ma De, Yue Yang, this waste, only met for the first time, so he was able to make senior sister trust him so much.

Why is he?

At this time, under Zhang Yueqi's suggestion, Yue Feng rubbed the herbs into pieces and smeared them on Liu Ying's wound.

Um.

After a while, Liu Ying snorted softly, and Yoyo woke up.

In an instant, both Liu He and Su Lin'er on the side were extremely surprised, and they all stood there stunned.

That herbal medicine really works...

At this time, they clearly saw that Liu Ying's face was not so pale, and she regained a trace of blood. It was obvious that the poison in her body had been detoxified.

For a while, Su Lin'er's delicate body trembled, and her eyes were full of incredulity when she looked at Yue Feng.

This... This waste that everyone has always looked down on, actually detoxifies Liu Ying?

If you hadn't seen it with your own eyes, who would have believed it.

Liu He next to him, his brain buzzing, was also shocked.

This...it's impossible!

Yue Yang is a gambler, so what medical skills do you know? It must have been the blind cat who hit the dead mouse, and it was right by mistake.

Yes, definitely so.

Chapter 4864

At this time, Liu Ying seems to be awake, but her mind is still a little trance.

Seeing this scene, Yue Feng couldn't help muttering in his heart. It seems that the poison in his body has not been completely removed....

Thinking to himself, Yue Feng hesitated for a while, and then leaned down and put his mouth up to try to put the wound inside. of snake venom.

Whoa!

Seeing this scene, everyone present was stunned!

Su Liner's face flushed instantly, he... What is he going to do?

Liu He was also stunned for a moment, and then he said angrily, "Ma De, what are you doing?" Then, he suddenly pulled Yue Feng away.

Several disciples of the rich family around were clamoring for it.

"Good boy, you are very courageous. How dare you be rude to Miss Liu Ying?" "

I knew for a long time that this boy is not a good thing!

"

These wealthy children also believed that Yue Feng was looking at Liu Ying's beauty and planned to take advantage of others' dangers.

Huh...

In the face of everyone's misunderstanding, Yue Feng smiled bitterly: "What is taking advantage of me, I'm helping her suck snake venom, don't bite Lu Dongbin, I don't know good people."

What is Lu Dongbin?

Hearing this, Liu He's brows furrowed. On the Lagerstroemia Continent, he didn't know the character Lu Dongbin at all, but he also knew that Yue Feng was referring to Sang and scolding Huai, so he couldn't help but act: "Ma De, boy, you are courting death. "

"Wait!"

However, at this moment, Zhang Yueqi said lightly: "He did this just now, and he did take drugs for Miss Liu." As a female disciple of Tianlongmen, she often walked around the rivers and lakes, she was well-informed, and she had also seen drugs with her mouth. .

When the voice fell, Liu He stopped, and everyone around him also shut up.

It's just that Liu He was still angry and looked at Yue Feng coldly: "Even if it's drug addiction, you don't need to do it for you, get out of your way!"

My sister Liu Ying is of her youth and she is pure and clean. If she has a relationship with Yue Yang Skin-to-skin, how will you meet people in the future?

As he spoke, he picked up Liu Ying and planned to take drugs for his sister in person.

Haha...

Seeing this, Yue Feng smiled bitterly: "Well, I'll go look around." After speaking, he walked towards the grass in the distance.

Since there is a red-spotted snake here, there is also a yellow spirit grass, and maybe there is also a sword plum grass.

Phew...

Seeing him walking towards the depths of the grass, no one stopped him.

Soon, Yue Feng came to the depths of the grass, and before he could find the sword plum grass, suddenly, he heard the sound of rustling footsteps coming from the woods ahead.

Anyone else here?

Yue Feng frowned and looked up subconsciously. Seeing this, I was shocked and stunned.

I saw seven or eight big men walking towards this side quickly. These big men, all of them looked embarrassed, their eyes were full of sullenness, and they were obviously not good people.

The man at the head was in his forties, his face was pale, and he must have been injured.

What the hell!

Seeing this scene, Yue Feng frowned secretly and had a bad premonition.

At first glance, these people are all people in the rivers and lakes, and they should not be good things. It seems that they must have escaped here after a fierce battle.

Yue Feng's guess was correct. This group of people was a group of Jiangyang robbers, headed by a middle-aged man called Ge Zhenhong.

Today, Ge Zhenhong led his subordinates to rob a cargo ship on the river, but was ambushed by two people from the sect.

Swish!

At this moment, Ge Zhenhong and others also discovered Yue Feng.

"Grab this kid!" Ge Zhenhong said coldly, without the slightest hesitation, he was seriously injured and urgently needed a safe place to heal his injuries, and he must not be discovered by outsiders.

The voice fell, and a few men behind him quickly rushed towards Yue Feng.

Nima!

Seeing this, Yue Feng didn't have time to think about it, he turned around and ran, but before he ran far, he was pressed to the ground by Ge Zhenhong's men.

To be honest, if it was before, Yue Feng would not have put these Jianghu Xiaoxiao in his eyes at all, but his divine power was imprisoned in his body, and he was completely powerless to resist.

For a time, Yue Feng almost wanted to cry without tears. The dignified Jiutian Xuansheng was actually caught by a few Jianghu Xiaoxiao.

Chapter 4865

With the help of two of his subordinates, Ge Zhenhong walked over slowly and looked at Yue Feng up and down: "Boy, who are you? What are you doing here?"

Hu...

Yue Feng took a deep breath and smiled. He opened his mouth and said: "Everyone... I'm just a passerby, let me go!"

If it was before, Yue Feng would not be so spineless, but if he was dealt with, this group of people would not be easy to mess with at first sight. Just get out.

passing by?

Ge Zhenhong sneered and said nothing.

At this moment, one of his subordinates said coldly, "Boss, the origin of this kid is unknown, it is better to kill him directly, so as not to expose our whereabouts!"

This subordinate is called Chen Qi, and he is a capable general by Ge Zhenhong's side.

They had encountered an ambush on the river before, and now they were already scared. Although Yue Feng was not a threat, in order to prevent the whereabouts from being leaked, they were found here by the masters of the sect and decided to kill Yue Feng.

What the hell!

Hearing this, Yue Feng was shocked and furious.

This group of people is really not a good thing. I have no grievances or enmity with you, but if we just happened to run into each other, they want to kill me? Phew

.... Hearing Chen Qi's suggestion, Ge Zhenhong's face was gloomy, he took a deep breath, and was about to speak. However, at this time, I heard a burst of laughter from outside the woods, there were men and women, it was Liu He and Su Lin'er. Anyone else here? At this moment, Ge Zhenhong's expression changed, and he quickly ordered, "Take this kid and let's go over and have a look together."

Chen Qi nodded and walked over quickly with his people. Yue Feng tied his hands behind him and was held by two disciples and followed behind. At this time, Yue Feng wanted to shout loudly to remind Liu He and the others, but it was too late.

At this moment, Liu He and others were not aware of the danger coming. They were sitting on the lawn by the lake, enjoying the beautiful scenery and chatting and laughing.

"Where did that waste Yueyang go? Why hasn't he come back?"

"Whatever he is doing, I guess he was scolded by Liu Shao just now, and he feels ashamed to stay, so let's go!"

"Yes, don't care about him, let's play our game. !"

Just as he was talking, he saw Ge Zhenhong's group walking over.

In an instant, Liu He and others were stunned.

Su Lin'er was the first to react, looking at Yue Feng and said, "Yue Yang, who are these people?"

She could see that Ge Zhenhong's group had a bad face, and they were obviously not good people!

Before Yue Feng could respond, Liu He strode out, sneering and mocking: "Tsk tsk, Yue Yang can't see it, you are such a waste, there are still a lot of things, why? Could it be that someone is looking for you again? Debt collection?"

In Liu He's mind, Yue Yang was a gambler, and most of the people who came to him wanted debts.

This fool.

Hearing Liu He's mockery, Yue Feng sneered and did not respond.

To be honest, Yue Feng wanted to remind them of the danger, but when he saw Liu He's arrogant appearance, he held back.

"Shut up!" At this moment, Ge Zhenhong frowned and shouted angrily.

Ma De, who is also a well-known Hunjiang Dragon in the arena after all, was so despised by this group of rich disciples, and was immediately angered.

With this loud shout, everyone in Liu He was shocked.

Whoa!

At this time, under Ge Zhenhong's suggestion, Chen Qi and the other men pulled out their long knives one by one, and quickly walked over to surround Liu He.

what's the situation?

Seeing this scene, Liu He and others were all shocked, and only then did they realize that they had provoked a villain.

They clearly saw that Chen Qi and the others all had long knives on their bodies, and they all had murderous auras. How could this seem like gambling debts? It's even scarier than a robber!

Swish!

At this time, after looking at Liu He and others, Chen Qi's eyes were all attracted by Su Liner and several women.

I really did not expect that such a small place in Yinlong Town could have such a watery woman!

“Boss!”

Finally, Chen Qi was the first to react, smiling at Ge Zhenhong and said, “It seems that we are lucky to have met these rich young masters and young ladies.”

As he said, Chen Qi’s eyes were on Su Liner. The three women were constantly looking up and down, with evil smiles on their faces.
