

The ultimate husband in Chinese chapter 4911-4915

Chapter 4911

Is this woman really coming?

However, she hasn't asked how to unlock the secret lock, so she shouldn't dare to kill me easily.

Thinking of this, Yue Feng and Lu Xiaoshuang looked at each other and said slowly, "You really want to know, I can tell you, but you have to let me go first."

Huh?

Hearing this, Lu Xiaoshuang was stunned for a moment, then looked at Yue Feng with great interest, and smiled contemptuously: "You are a cowardly person, your life is in my hands now, do you have the qualifications to negotiate with me?"

"Falling down, Lu Xiaoshuang stepped directly on Yue Feng's face, and his voice was cold: "If you don't want to die, just say it."

Nima!

At this time, Yue Feng was very suffocating. He was dignified by the Nine Heavens Profound Sage, the teacher of the Heavenly Emperor, and the Hero of Kyushu was stepped on by a woman at this time. It was a great shame. I have to say that this Lu Xiaoshuang looks beautiful, but has such a ruthless heart that he doesn't care about the dignity of others at all.

Thinking to himself, Yue Feng was also angry at this time, gritted his teeth and said, "If you don't let me go, I won't tell you."

"He smashed Yue Feng's face a few times, and then took out a few blue and faint silver needles from his body.

What is this for?

Seeing this situation, Yue Feng realized that something was wrong.

"Do you know what this is?" Lu Xiaoshuang held the silver needle in his hand, his eyes flashing with endless coldness: "This is the 'soul-shattering needle' of our Shendiaomen, as long as it pierces the acupuncture point on the body, you can feel the 'shattering needle'. Death is better than death." After

speaking, Lu Xiaoshuang's delicate face showed a bit of playfulness, which seemed to be pleasing to the eye, but those eyes made people fall into an ice cave: "Would you like to try it?"

Boom...

This chapter is provided by . Visit for daily update.

Hearing this, Yue Feng couldn't help swallowing his saliva. He was furious and panicked at the same time.

He studied under Shennong in medical skills, and he knew very well that acupuncture and moxibustion were ever-changing. I thought this Lu Xiaoshuang would insult herself at most, but she never thought that she would puncture acupuncture points with silver needles.

Seeing Yue Feng's expression, Lu Xiaoshuang showed a smile: "What? Are you afraid?"

Yue Feng chuckled and did not respond.

Seeing his attitude, Lu Xiaoshuang instantly became angry, and said tenderly, "I think you won't cry without seeing the coffin." The silver needle in his hand stuck directly at the back of Yue Feng's neck.

Hiss...

At this moment, Yue Feng only felt a piercing pain rushing to his forehead. At that time, he couldn't help taking a breath of cold air, and his body also trembled. Speaking of which, he is the body of a mysterious saint, and he can't die at all, but This pain is unavoidable.

However, Yue Feng still gritted his teeth and did not cry out.

"It's very tough." Lu Xiaoshuang looked at it coldly, and was completely angry at this time: "I see how long you can be tough."

After saying that, she stuck the remaining four silver needles in Yue Feng's hands . on the back.

At first, Yue Feng was able to grit his teeth and endure it, but in the end he couldn't bear it anymore, so he shouted loudly: "You..." He wanted to scold him, but found that he was struggling to speak! The sharp pain from the silver needle point seemed to paralyze the nerves.

Nima!

At this time, Yue Feng had blood red eyes and cold sweat on his forehead.

Is this guy so resistant?

At this time, Lu Xiaoshuang was full of anger in his heart. It was strange that this man was just an ordinary person, yet he could endure it so much. You must know that Shendiaomen's 'soul-shattering needle', no one in the arena can carry the third needle. Because the pain is not tolerable at all, and this man actually endured five needles.

Frightened, Lu Xiaoshuang fell into a dilemma for a while.

The secret of Tianjisuo was not asked. This person must not be killed, otherwise everything just now will be in vain.

But this person is not afraid of death, and even carried the 'Soul Shattering Needle', there is really no other way to torture him.

You can't kill even if you kill, and you can't ask if you ask, it's really maddening.

Wow...

Just when Lu Xiaoshuang was extremely annoyed, suddenly, a figure flew not far away, it was the disciple of Shendiaomen.

"Elder Sister!" When he was about to approach, the disciple shouted anxiously: "Quick, Master has encountered a fierce beast, and it has already started a fight. The situation is extremely critical, Master asked me to call you back to help."

Chapter 4912 Fierce

beast?

Hearing this, Yue Feng and Lu Xiaoshuang were both stunned.

Soon, Lu Xiaoshuang reacted and replied, "Okay, I'll go right away."

Then he looked back at Yue Feng, re-tied the rope on his body, and then ordered the disciple, "Take him with you. Keep up, don't let him run away." After the

last word fell, Lu Xiaoshuang flew up and went into the distance.

"Yes, Senior Sister!" The disciple responded and followed Yue Feng with him.

Nima!

At this time, Yue Feng was almost on the verge of crying but had no tears. This Lu Xiaoshuang was determined to ask me the secret of Tianjisuo. There was something wrong with the sect, so he didn't forget to take me with him.

Soon, Lu Xiaoshuang and the disciple brought Yue Feng to the entrance of a dark and gloomy hall.

Roar roar...

I heard the roar of a giant beast constantly coming from the hall. The roar seemed to penetrate the eardrum, which made people tremble. Accompanied by the roar, there were also many people shouting.

It was clear that a fierce battle was going on inside.

Phew...

Hearing this, Yue Feng couldn't help taking a deep breath. There were a lot of people inside. What kind of beast could be able to besiege so many people...

Lu Xiaoshuang also had a solemn expression on his face. Thinking about it, Yue Feng walked in quickly.

The moment he entered the hall, the scene in front of him made him take a deep breath.

I saw that in the incomparably spacious hall, a giant beast covered in flames, constantly soaring up and down, was fighting fiercely with many disciples of the Divine Carving Sect.

This giant beast is more than ten meters long, with a deep red body and a pair of wings on its back, just like a tiger, but its tail is very short and short, and its blood-red eyes exudes a terrifying light.

The fangs and claws, like sharp blades, are terrifying, and the whole body is filled with terrifying evil spirits.

For a time, Yue Feng was secretly frightened when he saw it, and he forgot the pain of the silver needle piercing the acupoint.

What kind of beast is this, looking so cruel?

At this time, Yue Feng didn't know that the murderer in front of him was 'Kangxi', one of the 'Top Ten Fierce Beasts' on Ziwei Continent. Kuangxi was brutal by nature and liked a hidden and dark environment, so he regarded this place as a nest. Several disciples of the Divine Carving Sect broke in and woke up the mad xi, and suddenly burst into a

frenzy. Several disciples of the Divine Carving Sect fell into a pool of blood before they could react.

Knowing the situation, the other disciples of Shendiaomen immediately rushed to encircle and suppress it.

At this moment, in the mid-air of the main hall, a figure was suspended, holding an ice-blue long sword with a gloomy face, it was Zheng Gong, the Sect Master of Shendiao Sect.

At this time, Zheng Gong was in a very depressed mood. When he learned that there was Kuangxi, Zheng Gong was very excited. He must know that Kuangxi is one of the top ten beasts. If it can be subdued, the strength of Shendiaomen will be greatly enhanced .

What he didn't expect was that this giant beast was too powerful. Zheng Gong deployed nearly 100 disciples, surrounded it, and fought fiercely for nearly half an hour. The disciples of Shendiaomen died, wounded, and suffered heavy casualties.

What makes Zheng Gong even more depressed is that this Kuangxi has a very violent personality.

In this case, Zheng Gong quickly ordered to summon the elite disciples, and told them to stop exploring the ancient tombs and come to support them quickly.

“This....”

At this moment, feeling the terrifying aura of Kuangxi constantly erupting, Lu Xiaoshuang trembled, and couldn't help muttering to himself: “Oh my god, it's actually the murderer Kuangxi.”

In shock, seeing the constant fall of fellow students, Lu Xiaoshuang didn't have time to think, his figure flew up and joined the battle directly.

call!

Seeing Lu Xiaoshuang and other elite disciples coming, Zheng Gong's face was full of excitement, and he couldn't help shouting: “Let's go together, this Kuangxi won't last long.” The

voice fell, and the surrounding Shendiaomen disciples exploded in strength. rushed towards Kuangxi.

Speaking of which, the Divine Carving Gate belongs to one of the ten major sects on the Ziwei Continent. It is very powerful. At this time, hundreds of disciples erupted in unison, and the gathered breath distorted the air in the entire hall.

Chapter 4913

“Hooho...”

In the face of this situation, Kuangxi's eyes were extremely blood red, and he was completely irritated, and he let out a loud roar at that time.

Huhuhu...

In an instant, the temperature of the entire hall rose sharply, and a tongue of fire erupted from the mouth of ecstasy, directly shrouding the dozen or so disciples in front of him.

“Ah...”

The dozen or so disciples of the Divine Carving Sect didn't have time to dodge, only to hear a scream, and they were instantly burned to ashes.

Hiss...

Seeing this scene, whether it was Zheng Gong or the others around, couldn't help gasping for air.

This mad hee can even breathe fire, how can he fight?

At the same time, Yue Feng was also frowning secretly, and his heart was also shaking. This fierce beast called 'Kangxi' could actually breathe fire?

This kind of strength is comparable to Qiongqi on the Kyushu mainland.

I just don't know if it can break out of the encirclement of the Divine Sculpture Gate.

Maybe it was because he was humiliated by Lu Xiaoshuang just now, so Yue Feng resisted Shendiaomen from the bottom of his heart. At this time, he only hoped that this Kuangxi would win.

“Roar!”

Just as Yue Feng pondered these knowledge, he saw that this Kuangxi was completely furious under the siege of the disciples of Shendiaomen. At that time, he roared in the sky and rushed to the crowd again!

“Ah...”

Amidst the screams, the formation of the Shendiaomen was instantly smashed, and people turned on their backs for a while, and many people died on the spot. Seeing this

situation, Zheng Gong's face was extremely gloomy. Ma De, gather the power of the entire divine carving door, if you can't even subdue a Kuangxi, how can you stand on the rivers and lakes in the future?

Thinking of this, Zheng Gong shouted to the elite disciples of Lu Xiaoshuang: "Quick, form the 'Six Sons Heavenly Luo Formation' immediately." Zheng Gong's face was full of madness when he shouted this.

Ma De, no matter how much he pays today, he will take down this mad hee.

The Six Sons Tianluo Formation is the town formation of Shendiaomen. It cannot be easily displayed unless it is a last resort, but this Kuangxi is too strong and can only be used once.

"Yes, Master!"

Upon hearing the order, Lu Xiaoshuang and the other five elite disciples responded in unison, and immediately flew up, occupying six positions, and surrounding Kuangxi.

Chi Chi...

Immediately afterwards, the six Lu Xiaoshuang drew their long swords in unison, and their figures shuttled back and forth, intertwined into a sword net, and burst out towards Kuangxi. At the moment when the sword net was formed, the entire hall was instantly filled with a chilling air.

The other disciples retreated into the distance.

Um?

Seeing this scene, Yue Feng frowned secretly, the formation of the Divine Carved Gate is a bit interesting.

Muttering in his heart, Yue Feng carefully observed the movements of Lu Xiaoshuang and the others, and began to ponder the rules. He is highly accomplished in the formation technique, no matter what the situation, as long as he encounters the formation technique, he can't help but study it.

Hoohoho...

In midair, under the siege of Lu Xiaoshuang's six-member sword formation, Kuangxi kept uttering a loud roar, and the flames kept spewing out of his mouth, with astonishing power. However, after Lu Xiaoshuang's six-member formation was formed, both offensive and defensive, Kuangxi's fire was quickly blocked by their joint efforts.

At the same time, under the command of Zheng Gong, the encirclement formed by Lu Xiaoshuang's six people became smaller and smaller.

Faced with this situation, Kuangxi was furious and kept roaring to break through, but every time he was beaten back by the sword formation of Lu Xiaoshuang's six people.

Ugh!

Seeing this scene, Yue Feng shook his head secretly and sighed in his heart. He thought this Kuangxi could break through the siege, but it seemed that he was still muttering about the strength of Shendiaomen.

Thinking to himself, Yue Feng took a deep breath and shouted at the trapped Kuangxi in a beast language: "Hey, don't charge hard, their sword formation is very powerful, you have to find the weakness between them. Okay."

Yue Feng is proficient in animal language, and it is not a problem to communicate with this Kuangxi at this time.

Moreover, because he shouted in animal language, Yue Feng was not at all worried that he would be discovered by the surrounding disciples of the Divine Carving Sect.

As soon as he finished speaking, the disciple of the Divine Carving Sect who was monitoring Yue Feng immediately frowned and scolded: "What are you screaming?" Yue Feng shouted in animal language, which sounded like a nonsense to him.

Yue Feng smiled bitterly, and looked at his back from the corner of his eyes: "Your senior sister stabbed me with silver needles. I can't stand the pain, so of course I have to scream."

Chapter 4914

"Endure!" The disciple said angrily: "Who told you to provoke our senior sister, you deserve it!"

Yue Feng smiled bitterly: "It was your senior sister who caught me for no reason, otherwise, you help me Take down the silver needle, and I won't shout."

When he said this, Yue Feng's face was urgent, but his eyes flashed with slyness.

He knew that this disciple did not dare to rashly remove the silver needle for himself, so he said that on purpose.

"You..."

The disciple's face was full of impatience: "You be quiet..." How did he pull out the silver needle pierced by the elder sister?

Hearing this, Yue Feng smiled, continued to use the animal language, and shouted at Kuangxi: "Hey, did you hear it? Look for the flaws in this formation, don't fight hard."

Huh?

At this time, this Kuangxi was already desperate, and when he heard someone communicate with him, his heart was shocked, and his eyes like copper bells fell on Yue Feng in an instant.

"You..." At this time, this Kuangxi was very surprised. While dealing with Lu Xiaoshuang and the others, he asked Yue Feng, "Is it you who talked to me?" It is the first time I have seen a human being able to communicate with me.

A smile flashed in Yue Feng's eyes: "Otherwise?"

"Who are you?" Kuangxi endured the shock in his heart and couldn't help but ask, "So can you communicate with me?"

Yue Feng thought about it and started talking nonsense. He got up: "I am a beast god, and of course I can speak animal language." He knew in his heart that the ecstasy in front of him was already very intelligent. If he told him that he had learned animal language before, he would definitely suspect that he had a plan. Make up a lie that a beast god descends to earth.

This is not only mysterious, but also can win the trust of this crazy Xi.

Beast god descended to earth?

Hearing this, Kuangxi's eyes suddenly became complicated, and then his tone became a lot more respectful: "Lord Beast God, please give me some guidance, so that I can get out of danger."

At this time, what Kuangxi said to Yue Feng, I am convinced that, after all, for thousands of years, no one has ever been able to talk to a vicious beast, and this person can actually communicate with himself, what is it that is not a beast god?

Haha...

Seeing that Kuangxi had no doubts, Yue Feng was in an indescribably happy mood. He secretly laughed in his heart, and then said seriously: "Since I have taken the initiative to communicate with you, I will naturally help you."

” That woman, when she changes position to the right, you will break through to her left, remember, you must be fast!”

The woman Yue Feng was talking about was Lu Xiaoshuang, and the method of breaking the formation was also straight to the point. It is accurate, you must know that Yue Feng is in the mainland of Kyushu, and his accomplishments in the formation and one art are like gods. Although it is the first time Yue Feng sees the ‘Six Sons Tianluo Formation’ of Shendiaomen, but all the formations in the world are all the same. Unable to jump out of the Five Elements, Yue Feng just made a little observation, and soon found the flaw.

“Understood.”

Hearing Yue Feng’s teaching, Kuangxi was very excited, and he was very grateful: “Thank you, Lord Beast God.”

Immediately, Kuangxi roared and continued to fight with Lu Xiaoshuang and the others, and his eyes were locked. Lu Xiaoshuang, waiting for the opportunity.

Yue Feng has been using animal language to communicate with Kuangxi, and the disciples of the Divine Carving Sect around him are shouting indiscriminately, but they don’t notice anything abnormal at all.

Haha...

At this moment, seeing the encirclement of the formation shrinking smaller and smaller, Zheng Gong was full of excitement and shouted loudly: “Xiaoshuang, you all hold on, this mad xi is dying.

“

When he said this, Zheng Gong smiled and felt relieved.

Ma De, after losing so many disciples, he was finally able to subdue this Kuangxi, but it was worth paying the price.

“Yes, Master!”

Hearing the shout, Lu Xiaoshuang responded in unison, and then speeded up.

Seeing that this Kuangxi was about to be completely subdued, it was only the next scene that shocked them.

“Roar!”

Just when Lu Xiaoshuang was about to change positions and cooperate with his companions to gather up the formation, he saw that Kuangxi roared, and his huge body rushed towards her left.

You must know that there is no impeccable formation in the world, and the same is true for the Six Sons Tianluo formation. The weakness of this formation, as Yue Feng said just now, is on Lu Xiaoshuang's left.

Chapter 4915

Bang Bang Bang... The

incident happened suddenly, and Lu Xiaoshuang didn't react, and the formation was washed away in an instant, especially Lu Xiaoshuang, who was directly hit by Kuangxi first. He groaned and fell directly from the air. .

Pfft!

The moment he landed, he saw Lu Xiaoshuang's shoulder dripping with blood, his face pale and weak.

This...

Seeing this scene, whether it was Zheng Gong or the surrounding disciples of the Divine Carving Sect, all of them were stunned, their minds blank.

what's the situation?

This mad hee actually broke through the 'Six Sons Tian Luo Formation'? It's just... it's just a vicious beast, even if it has intelligence, it's not so smart.

But it just found the flaw in the formation...

It's incredible.

At this time, everyone in Zheng Gong did not know that it was not this Kuangxi but Yue Feng who really broke the 'Six Sons Tian Luo Formation'.

"Roar!"

Just when everyone was shocked, Kuangxi completely rushed out of the formation, like a tiger descending the mountain, and rushed in front of Yue Feng in the blink of an eye.

Feeling the terrifying aura pervading Kuangxi's body, the disciples of the Divine Carving Sect guarding Yue Feng's hearts trembled, and they turned around and ran away without thinking.

This mad xi has even broken through the 'Six Sons Tian Luo Formation', who would dare to stay here and wait to die.

Kuangxi did not pursue the disciples of the Divine Carving Sect, but rushed over, directly carrying Yue Feng on his back, and said gratefully: "Thank you, Lord God, I will take you out."

Kuangxi could see that Yue Feng was also caught by these Shendiaomen people, and his first reaction was to take him away with him.

Yue Feng nodded.

Kuangxi didn't say more, the burst of power was like a cannonball, rushing towards the distance, and disappeared from everyone's sight in the blink of an eye.

When the people at Shendiaomen reacted, Kuangxi took Yue Feng and walked away.

Mad!

A few seconds later, Zheng Gong reacted with a gloomy expression on his face. Seeing that he was about to subdue this Kuangxi, but was escaped by it at a critical moment, no one could accept this.

"All the disciples of the Divine Carving Sect listen to the order." In his anger, Zheng Gong looked around and said loudly, "Follow the trail of Kuangxi with all our strength, and make no mistake."

"Yes, Master!" should be reconciled.

At this time, Zheng Gong suddenly thought of something and looked around: "Who is the person who was carried away by Kuang Xi just now?" Just now, he was only concerned about his anger, and it was only now that he remembered that the person who was carried away by Kuang Xi was very unfamiliar. Never seen it before.

Phew...

Hearing the question, the surrounding disciples all shook their heads.

At this moment, Lu Xiaoshuang came over with a pale face, bit her lip lightly, and whispered, "Master, that person was originally caught by me."

After that, Lu Xiaoshuang explained the previous incident in detail, At the end, Lu Xiaoshuang frowned, and said very anxiously, "The disciple didn't take this person well, and he asked the master to punish him."

Zheng Gong's face was solemn when he learned of the situation.

That person can actually unlock the secret lock? And also endured five soul-shattering needles? interesting...

Thinking to himself, Zheng Gong looked at Lu Xiaoshuang and said softly, "It's alright, I didn't blame you just now, it was Master's negligence, but this person can not only unlock the secret lock, but also let Kuangxi take him away. It must not be easy, and you must be careful when you encounter it in the future."

"Yes, Master." Lu Xiaoshuang nodded, with a bit of anger flashing in his eyes.

I was really careless just now, and actually let this Yue Feng run away, but next time I catch him, I will definitely tell him to survive and die.

...

On the other side, Kuangxi took Yue Feng and rushed out of the underground tomb directly to the ruins outside.

"Lord Divine Beast."

At this time, Kuangxi put down Yue Feng in a bush, and said respectfully, "Thanks to the Lord just now, I was able to escape the danger. Please allow me to follow me in the future."

When he said this, Kuangxi was crawling on the ground with an extremely humble attitude.

Huh....

Seeing this situation, Yue Feng is indescribably comfortable, haha... I thought that in that ancient tomb just now, I was more fortunate, but I never imagined that not only did it save a life , and also subdued a beast.
