

The ultimate husband in Chinese chapter 4941-4950

Chapter 4941

Thinking, Mr. Shuiyue couldn't help but said: "Yue Feng, stay for a while."

Yue Feng was stunned and stopped: "Is there something wrong with Mr. Shuiyue?"

Mr. Shuiyue walked back to the hall quickly, Take out the yellow phosphorus grass that has not been used up before: "Your body has not recovered, take these remaining yellow phosphorus grass with you." This person is not simple, and he has a good relationship with him. There's no downside to the benefits.

Yue Feng was not polite, took the yellow phosphorus grass, nodded and said, "Thank you."

At this moment, Bai Lin walked over quickly, her delicate face showing a bit of complexity: "Yue Feng... You... will you come to Shuiyuewu in the future? Can we meet again?"

Although we've only known each other for a day, Yue Feng can always be impressive at a critical moment. The figure of this man has deeply moved It was imprinted deep in Bai Lin's heart.

"This..."

Yue Feng scratched his head and smiled slightly: "We will meet

if we have a fate." After saying this, Yue Feng greeted Ge Zhenhong and strode away.

"Your Excellency Yue Feng."

After walking a long way, Ge Zhenhong couldn't help but said: "What happened in that underground tomb, and how did you finally come out? In the past few days, Shendiaomen has released news. Chasing you everywhere. Shendiaomen is not weak, we just have to be careful."

Phew!

Yue Feng took a deep breath and told the situation at the time, and at the end, his face was full of emotion: "Fortunately there was that Kuangxi at that time, otherwise, I'm afraid I'm still in the hands of Shendiaomen now. ."

What?

Hearing this, Ge Zhenhong was shocked and stared at Yue Feng, completely dumbfounded. To be honest, he had already guessed that Yue Feng must be in trouble at the time, but he did not expect the real situation to be so dangerous.

This chapter is provided by . Visit for daily update.

What shocked him even more was that Yue Feng seemed to be ordinary, but he didn't hide it. First, he unlocked the secret lock on the treasure chest in the ancient tomb, and then he was able to talk to Kuangxi. In the end, Kuangxi was at a critical moment. He even risked his life to take him out of the ancient tomb. All these things are things that ordinary people would not dare to think about.

No wonder Gu Sanniang treats him so politely, this person is indeed extraordinary.

In shock, Ge Zhenhong suddenly thought of something: "Mr. Yue Feng, you just said that Kuangxi rescued you and brought you near Shuiyuewu when you were in a coma. What about Kuangxi now?" He After walking the rivers and lakes for nearly ten years, I have never seen the top ten beasts, and I am very curious at this time.

Hearing the question, Yue Feng smiled slightly and looked quietly behind him.

Um?

Ge Zhenhong realized something, and quickly turned his head to look. He was shocked, and his legs were weak.

I saw that behind him, at an unknown time, followed by a huge beast, with a body more than ten meters long and fifteen meters high, with eyes like copper bells, and sharp teeth and claws.

Yes, it was Kuangxi who had been secretly protecting Yue Feng near Shuiyuewu. When Yue Feng quietly waited for Cao Yong to take revenge, he had been communicating with Kuangxi who was hiding in the bamboo forest.

At that time, Yue Feng had thought about it, no matter who Cao Yong brought, he would let Kuangxi show up at that time, and keep the crap out of them. In the end, he never thought that the person Cao Yong had brought was actually Ge Zhenhong

. Hee doesn't need to show up anymore.

Then Yue Feng said goodbye to Shuiyuewu, and Kuangxi quietly came out and followed behind. Yue Feng always knew that Ge Zhenhong was kept in the dark.

hiss...

A few seconds later, Ge Zhenhong regained his senses. He was so frightened at the time that he stuttered: "This...this is the top ten beasts, mad...Kangxi?" The

voice fell, and Kuangxi let out a low roar, seems to be responding to Ge Zhenhong.

Ge Zhenhong's heart trembled and he almost collapsed on the ground.

"Lord Beast God." Kuangxi looked at Yue Feng with a complicated tone: "This man is so timid, what's the use of staying by your side? Why don't you let me eat it and beat your teeth."

Kuangxi is irritable and bloodthirsty. In the world, except for Yue Feng, he doesn't take anyone in his eyes at all, especially seeing Ge Zhenhong's terrified look, he suddenly has the heart to kill.

Feeling the fierce light and suffocating energy in Kuangxi's eyes, Ge Zhenhong panicked even more: "Mr. Yue Feng, it... what is it going to do?"

Chapter 4942

Yue Feng smiled lightly: "You don't need to panic. It's just curious about you!"

After speaking, Yue Feng said to Kuangxi in animal language: "This person is famous in the rivers and lakes, and he is a member of the Four Seas Gang. It's useful to me, don't hit him and pay attention."

"Yes, Lord Beast God." Kuangxi glanced at Ge Zhenhong regretfully and restrained the killing intent on his body.

Gudong!

Seeing that Yue Feng communicated with Kuangxi in animal language, Ge Zhenhong was even more surprised. Mr. Yue Feng didn't brag. It was incredible that he could really communicate with beasts.

Who would have believed it if he hadn't seen it with his own eyes?

Under the shock, Ge Zhenhong asked cautiously, "Mr. Yue Feng, where are we going next? Do you want to go back to see Sanniang?"

Yue Feng thought for a while and said, "Go back in a few days, I plan to look for it again. Find out if there are any abandoned formations in other Zongmen ruins..."

Crash...

As they were talking, they heard the sound of horses' hooves on the road not far away, and Yue Feng and Ge Zhenhong didn't have time to think about it. , hurriedly and Kuangxi hid in the woods beside him.

After a while, I saw dozens of people from the rivers and lakes, one by one, rushing towards the west.

Not long after these people left, some others also went in that direction.

what's the situation?

Seeing this scene, Yue Feng frowned secretly and couldn't help but ask, "Why are there so many people in the world all of a sudden? Is something wrong?"

Yue Feng has also been in the world for a long time. Something big is happening.

"I'm not very clear either." Ge Zhenhong shook his head, and then he thought of something, his eyes flashed: "By the way, it seems to be the day when the three major sects hold the Dao Discussion Conference." The

three major sects? On the Taoist Conference?

Hearing this, Yue Feng frowned and suddenly became interested: "What the hell is going on? What are the three major sects?" Ge

Zhenhong

breathed a sigh of relief, and said slowly: "The three major sects are pure Yanggong, Beihai Constellation, and Tianhaimen. A hundred years ago, these three sects sent their disciples to explore a secret realm. It is said that the secret realm was created by the gods, and it is extremely mysterious."

Secret realm?

Yue Feng frowned again.

Seeing his expression, Ge Zhenhong explained patiently: "The secret realm is a special space that needs to pass through the barrier to enter. It is similar to the underground tomb that Mr. Yue Feng entered before, but there are some differences."

Hearing this, Yue The wind was stunned.

At this time, Ge Zhenhong continued: "After investigating the mysterious realm of the sky, the three sects all wanted to take it for themselves, and they fought with each other for more than ten years. There were countless deaths and injuries among their

disciples, but in the end, no one accepted the other, and none of them took it. It's cheap."

"Afterwards, the heads of the three major sects sat together to discuss, and held a Dao discussion conference every other year. The three sects selected their disciples to compete. Entering the Heavenly Mysterious Realm for comprehension and cultivation. The time limit is one year, and in the second year, it will continue to be held."

"Calculating, these three major sects have been held dozens of times so far, and these days, they have arrived again. It's time for the Daoism Conference."

When he said this, Ge Zhenhong looked complicated: "Every time this time, there will be many people in the rivers and lakes, and they will go to Amicao City to watch the game."

Tiancao City belongs to a martial arts town. There are no ordinary people in it. People from all walks of life live in it. There are dragons and snakes mixed there. It is the most special area in the entire Ziwei Continent.

It's a bit interesting...

Knowing this news, Yue Feng showed a slight smile, and then said: "For so many years, the mysterious realm was controlled by these three sects? Other sects and Jianghu forces never thought about it. Interfere?"

Ge Zhenhong smiled bitterly, and said slowly: "These three sects are the oldest sects on the entire road, and they have a profound background. When they join forces, there is no sect or organization in the entire Ziwei Continent, and dare to challenge them. Don't look at the fierce fighting between them, but as soon as the mysterious realm of the sky is involved, they will immediately unite."

Hearing this, Yue Feng thought: "Let's go, let's go to Tiancao City."

Chapter 4943

Ge Zhenhong was stunned at first, and then said in surprise: "Mr. Yue Feng also wants to watch the Taoist conference?"

"Haha..."

Yue Feng smiled lightly: "What Taoist conference? It's just a ring competition, it means nothing at all. No, I'm interested in that mysterious realm." It

's been a few days since I came to Ziwei Continent, and Yue Feng can guess that the gods mentioned here are the gods in the realm of the gods. Since this secret realm is related to the realm of the gods, it may be able to Find your way out of here.

What?

Hearing this, Ge Zhenhong was shocked, and quickly persuaded: "Mr. Yue Feng, don't be impulsive, the three major sects are very powerful, even our Four Seas Gang must avoid their edge, if you explore the mysterious realm of the sky, I will advise you to give up your thoughts. Or, let's go back and discuss it with Sanniang."

Before seeing Yue Feng, Ge Zhenhong had been scolded by Gu Sanniang, but now it's hard to find, Yue Feng is going to risk his life again, can Ge Zhenhong not be in a hurry?

"You don't have to worry about this."

Yue Feng smiled slightly, with a relaxed expression on his face: "You just need to take me to Tiancao City. For the rest, just follow my arrangements. Come up."

After speaking, Yue Feng quickly climbed onto Kuangxi's back and motioned Ge Zhenhong to come up together.

Gudong!

Looking at the majestic Kuangxi, Ge Zhenhong was almost scared, how dare he sit on its back? However, with Yue Feng's encouragement, he finally climbed up cautiously.

"Roar!"

After Ge Zhenhong sat down, Yue Feng gave an order, and he heard Kuangxi let out a roar.

.....

On the other side, the continent of Kyushu.

Under Mo Yan's instructions, Yu Du led the elites of the Sea Dragon Palace to the mainland to prepare for the formation of the Gorefiend Sect secret organization. Soon, a perfect plan was deployed.

Yu Du's plan is very simple. As a mysterious person, he will hold ring competitions in various places in Kyushu. The top 50 will be rewarded with generous rewards. When he hears the news, people in all corners of Kyushu will be moved by the wind.

At this moment, Diyu Continent, Beihai City.

Today's Beihai City is very lively. At this time, a huge arena has been built in the park square in the north of the city.

According to rumors, it was a mysterious rich man who held the arena. Because he was obsessed with cultivation, he deliberately held this kind of ring competition. The rewards were very generous, but the conditions were a bit harsh. Those who were required to participate in the competition had to be at the level of Martial Saint.

Even so, there is still an endless stream of people who come to sign up.

I saw that the people in charge of the ring competition, and the people around this order, all wore uniform dark blue clothes, and their strength was not low, so no one dared to make trouble here.

At this time, everyone didn't know that the arena was held by the Hailong Hall, which was famous overseas recently, and these people wearing blue clothes were all members of the Hailong Hall.

There are tens of thousands of people who came to Beihai to participate in the competition today.

I saw that in the rest area of the game, there was a slender figure, which was particularly eye-catching and could be said to be the focus of the audience.

The girl is around 20 years old, wearing a long light green dress, giving people the feeling of being indescribably beautiful and refined, like a fairy descending to earth.

It is the princess of the sea shark clan, Hai Linger.

A few years ago, Yue Wuya and Han Bing were chasing Duan Yu in the sea. At that time, they met Hai Linger by chance. Later, the two sides became more in love with each other, but the situation in Kyushu was very unstable at that time, and Hai Linger returned after a while. After joining the sea shark clan, Yue Wuya also returned to Kyushu, and finally became the new sect master of Tianmen.

However, neither side has forgotten the other. Recently, Hai Linger made a breakthrough in her cultivation, so she decided to go out and make a breakthrough, and the first thing that came to her mind was Yue Wuya.

At that time, Hai Linger went to Donghai City first, and after inquiring, she learned that Tianmen and the Ouyang family were hidden. Hai Linger was very lost, and then traveled around.

Today, I came to Beihai City, which coincided with the ring competition held in the Hailong Palace. Hai Linger suddenly became interested. After practicing for so many years, she had too little actual combat experience, so she wanted to participate in the competition to verify her strength.

Chapter 4944

At this moment, the host slowly came to the stage, looked around and smiled and said: "Now the game starts, who will come first?"

When the voice fell, the audience was silent, and everyone who came to participate in the game looked at each other, I don't want to be the first to take the lead.

"I'm coming!"

However, at this moment, a crisp voice sounded, followed by a beautiful figure that flew up, like a butterfly, and gently landed on the ring.

It was Hai Ling'er!

Whoa!

In an instant, seeing Hai Linger playing, the audience was restless, and many men's eyes were straight.

"It's so beautiful, which is the young lady of the big family at this time? Or the disciple of which sect?"

"I haven't seen it before, but it's really beautiful, like a fairy..."

"It's a great honor to play against her. Ah .. "

Under the discussion, many men are excited, they see that Hai Linger's long hair, the exquisite facial features, especially light green long skirts, the curve is perfect, and people can't extricate themselves.

Speaking of which, many participants felt that Hai Linger's strength was not low, but it did not affect their inner madness.

Even the host's eyes lit up, and couldn't help but exclaim: "Oh, I didn't expect that the first one to appear was a beautiful woman, who wants to compete with her?"

"I..."

"I'm coming, I'm coming..." As

soon as the voice fell, many men below shouted frantically, and then scrambled to rush to the ring, but in the end, there was no one wearing a white long shirt. The man took the lead.

"Haha.."

Seeing that he was the first to take the stage, the man in white was very proud, and bowed his hands at Hai Linger: "Beauty, my name is Li Dongchen, we can meet here, and we are still fighting in the first match. It's too fateful."

"Wait for the end of the game, I wonder if the beauty is interested in having dinner with me?"

When he said this, Li Dongchen's eyes kept looking up and down on Hai Linger, and the more he looked, the more obsessed he became. , Beautiful, so beautiful, and her body is extremely sexy. If you can spend a good night together, it will be worth dying.

Li Dongchen's gaze made Hai Ling'er feel uncomfortable, and immediately bit her lip and said, "You can compare, don't talk about these things

that have nothing to do with the game."

Hai Ling'er's indifference did not make Li Dongchen restrain at all, but she said with great interest, "Don't turn away beautiful women from thousands of miles away. As the saying goes, meeting is fate, and I really want to be friends with beautiful women."

"You. . ."

Hai Ling'er was annoyed, and said angrily, "Are you going to fight or not?" This man was so annoying, he even said that he didn't want to know him, and he kept talking.

"Hit...hit..." Li Dongchen said with a smile, thinking he had put on a very handsome posture: "Beauty, don't worry, I will strike lightly later." The

voice fell, and Li Dongchen rushed up quickly. .

"Crack!"

However, when he approached Hai Linger, Li Dongchen hadn't even released his palm when he saw Hai Linger's delicate body flashing, and it had already reached his left side, and then the jade hand quickly raised and slapped him on the palm. face!

With this slap, Hai Ling'er didn't use her internal strength, she just wanted to teach Li Dongchen a lesson, who called him rude.

Well...

After being slapped, Li Dongchen was stunned for a moment, and then looked at Hai Linger with a bit of astonishment: "Beauty, you are..."

Before she finished speaking, Hai Linger said coldly: "This slap hit you You are slick, not serious, I never thought about being your friend, so don't be delusional. If you are still smiling, don't blame me for being rude." The

voice was clear and pleasant, but there was no doubt about it.

Haha...

The voice fell, and the people watching below burst into laughter and mocked Li Dongchen.

"This kid deserves it, haha.."

"That's right, seeing how beautiful people are, I want to get close. The toad wants to eat swan meat."

"This slap should make him stupid? Haha.."

The following people laughed Hearing, Li Dongchen was embarrassed and angry, and immediately looked at Hai Ling'er: "I really don't know how to lift up! Be careful, I'm going to shoot." When the words

fell, Li Dongchen's inner strength exploded and he slapped it with a palm. .

Chapter 4945

Seeing this palm from Li Dongchen, Hai Linger was not afraid at all, and greeted him with a palm.

boom!

The next second, the palms of the two sides touched, and Hai Ling'er's delicate body was motionless, while Li Dongchen's body trembled, and he stumbled back several steps.

hiss!

At the same time, Li Dongchen couldn't help taking a breath of cold air. When he held his palms just now, he clearly felt a strange force of ice coming from Hai Ling'er's hand.

This power of ice is very different from the Yin exercises he encountered before. It is just a momentary time, like falling into an ice cave.

"Okay... peculiar ice power!"

Li Dongchen shivered and couldn't help but said. At this time, his face lost the confidence he had before, but was extremely solemn. What kind of exercises did this woman learn? never seen?

At this time, Li Dongchen didn't know yet that Hai Ling'er was the princess of the sea shark clan, and her practice was also unique.

Moreover, the sea sharks have been living in seclusion overseas, and have never interacted with people in the arena of the Kyushu mainland, not to mention Li Dongchen, even the heads of various sects again, can't see the truth of Hai Linger.

Seeing the shocked expression on Li Dongchen's face, Hai Linger's red lips parted lightly, and she said lightly: "You are not my opponent, just admit defeat."

Phew...

Li Dongchen took a deep breath, Hai Linger's tone was indifferent, without humiliation, but in his It sounds unacceptable.

You know, when he came up just now, Li Dongchen was full of self-confidence. He planned to win the first game first, and by the way, he could get to know the beautiful woman who thought the country was beautiful, but he never expected that the opponent was so strong?

He had already been slapped in public just now, and it would be too embarrassing to admit defeat now.

Thinking of this, Li Dongchen gritted his teeth and rushed up again.

Hai Ling'er shook her head, sighed, and fought fiercely with Li Dongchen again.

Huh..

Seeing this scene, everyone below was stunned, all eyes were fixed on Hai Linger, and they saw her figure flying up and down, and her figure made many men stunned.

At the same time, the host who was standing not far away also stared at Hai Ling'er and nodded in approval.

This woman is not only beautiful, but also has good strength. She is a member of the Gorefiend Sect...

Thinking to herself, the host took out a small notebook from her body and quickly wrote Hai Linger's name.

Bang...

At this time in the ring, Hai Linger and Li Dongchen fought each other for less than ten rounds before they found an opportunity and slapped Li Dongchen on the shoulder.

Dengdengdeng...

In an instant, Li Dongchen groaned, his face was pale, he stepped back ten steps in a row, and finally fell to the ground, extremely weak.

Whoa!

Seeing this scene, many men around were howling, excited as if they had won the battle themselves.

“Amazing...”

“I didn’t expect a beauty to be so powerful!”

“It’s an eye-opener.” During the

shouting, many men’s eyes converged on Hai Ling’er, and their eyes were full of admiration.

Hai Ling’er’s face was still expressionless, and she said coldly, “Who else dares to come up?”

“Congratulations, Miss Hailinger!” At this moment, the host also walked over quickly, with a smile on his face: “You have passed the preliminary round, please go to Beihai Hotel and wait, then the room card, and then we You will be notified of the next day’s match.” As he

spoke, the host took out a room card and handed it over respectfully.

Hmm..

Hai Ling’er took the room card. At this moment, she was in an indescribably relaxed and happy mood. I didn’t expect that the organizer was very considerate, and even the place where the contestants lived was arranged.

Thinking to herself, Hai Ling’er smiled lightly: “Thank you.” Then she put away the room card, and slowly left the ring under the attention of the men around her.

“Okay.” The host looked at Hai Ling’er’s back, with deep meaning in his eyes, then looked around and smiled: “This second game, who is coming?”

.....

Late at night, Beihai Hotel.

In the room, Hai Linger had just finished taking a shower and was about to get ready to rest when she received a notice from the organizer that she had something to discuss and asked her to meet in the office on the top floor.

Hai Linger arrived according to the time, and saw that a lot of people had come to the office, all of them were the ones who won in the preliminary competition today.

The ultimate husband in Chinese chapter 4946-4950

Chapter 4946

Not only that, the host of the daytime arena is also there.

“Haha...”

At this time, everyone was there, the host smiled, looked around and said, “It’s so late, I asked everyone to come over so rashly, please forgive me, everyone’s performance today is very wonderful, my family The big boss was very happy, so he specially ordered me to treat everyone well.”

“My name is Xuan Feng, and everyone can see me, Mr. Xuan.”

Having said this, Xuan Feng clapped his hands, and immediately there were several handsome young men. The women walked in slowly. These women were all wearing sexy cheongsams and carrying plates. On the plates were a few bottles of fine wine and some spirit beast inner pills.

Whoa!

At this moment, many contestants around couldn’t help exclaiming, and they were all shocked.

“It turned out to be all the inner elixir above Wu Sheng...”

“These fine wines are also very valuable. I heard that there are hundreds of thousands of bottles.”

“The boss who held this ring competition really has a lot of money. This is the first time in the competition. In one day, I gave so many good things.”

Everyone present was extremely shocked, and they started talking, unable to hide their excitement, but Hai Ling’er was sitting on the side with a delicate face, incomparably calm. .

As the princess of the sea shark clan, Hai Ling'er is also well-informed, so naturally she didn't take these treasures and inner alchemy to heart. She was just a little curious. What is the purpose of this organizer's big book?

Just because of that mysterious big boss, simply obsessed with cultivation? But... this reason is obviously a bit far-fetched.

"Come on!"

Just as Hai Ling'er was thinking about it, Xuan Feng smiled slightly and ordered to those beauties, "Give the inner pill and fine wine to all of you here."

This chapter is provided by . Visit for daily update.

Hearing the order, several beauties first distributed the inner alchemy to everyone, and then poured wine one by one.

"Haha.."

At this time, Xuan Feng was in a good mood. He took the lead in raising the cup and said with a smile, "You are all talented people in the arena, and it is my Xuanfeng's fate to get to know you. Come, I congratulate you. Everyone, in tomorrow's game, you can show better state and results, cheers."

After speaking, Xuan Feng drank the wine in the cup.

At this time, everyone present was very excited. It was only the first day of the competition, and they had obtained an inner alchemy above Wu Sheng. If they passed the competition tomorrow, wouldn't it be more beneficial?

The more people thought about it, the more excited they became, and they raised their glasses to Xuan Feng.

"Mr. Xuan is really polite."

"We also did it."

"Did..."

In such an atmosphere, Hai Linger didn't have the slightest doubt, she also raised her glass and drank with her head up.

Haha...

Seeing that everyone drank the wine, Xuan Feng had a harmless smile on his face, but there was a hint of sinister cunning in his eyes.

When these people have drunk, their mission in Beihai City will be completed.

Thinking to himself, seeing how everyone was a little drunk, Xuan Feng knew that the time was almost ripe, and immediately smiled slightly, and took out a delicate wooden box from the table behind.

When he opened the wooden box, there was a bead the size of an egg. The whole body was blood red, exuding a coquettish light. In an instant, the entire office was covered with a strange blood color.

Um?

What is this?

Seeing the blood-colored beads in Xuan Feng's hands, everyone was secretly amazed, and at the same time, there was some inexplicable sense of depression.

Finally, someone couldn't help but ask: "Mr. Xuan, what are you holding in your hand?"

Shuh! The words fell, and the eyes of everyone around looked at Xuan Feng, all of them with doubts in their eyes.

Hai Ling'er also frowned secretly, and intuitively told her that the matter in front of her didn't seem as simple as it seemed on the surface. This Xuan Feng, and the mysterious big boss behind him, were not simple.

In the face of the inquiry, the corners of Xuan Feng's mouth twitched, revealing a mysterious smile: "Since this hero has asked, I will not hide it. Speaking of which, in addition to being obsessed with cultivation, my boss held this arena competition. One purpose is to create a sect. All of you here will be taken as used."

"Don't worry, my boss is very powerful. As long as you are willing to be loyal, there will be benefits in the future."

Chapter 4947

Establish a sect?

Hearing this, whether it was Hai Ling'er or the others present, all frowned and looked at each other.

However, most of the people present were idle people with no family and no clan, and soon someone responded: "Since Mr. Xuan said so, I am willing to join."

The person who spoke was full of excitement and excitement at this time, haha , It was only the first day of the competition, and it was given to the inner alchemy of Wusheng

or above. If you join this newly established sect, wouldn't it be beneficial? It would be great if it could develop into the first sect in the Jianghu. I have to seize the opportunity and hug this thigh in advance.

Someone took the lead, and everyone else was excited and nodded.

"I'm also willing.."

"This big boss is so generous, and the sect he built will definitely not be shabby. I will join in.."

"And me!"

Seeing everyone's expressions, Xuan Feng showed a smile, facing the eyes of the people in front of him. The situation is very satisfactory. At this time, the first person who decided to join was the first to walk in front of Xuan

Feng: "Mr. Xuan, my name is Ma Chen, do I need any ceremony to join? I will come first."

The blood-colored beads stretched out and said word by word: "It's very simple, just drop your blood on it and swear allegiance to the Gorefiend Sect. This is called the oath of blood."

Gorefiend Sect?

Hearing these three words, Ma Chen couldn't help but murmured, is this name so evil? But I didn't think much about it at the time. After nodding, I took out a dagger and cut my finger, dripping it on the blood-colored beads.

hum..

The moment the blood dripped on the beads, Ma Chen clearly felt a strange dizziness in his mind, but that feeling was fleeting, and he didn't care at the time, so he stepped aside.

"Congratulations to Ma Chen for becoming the first disciple of the sect." At

this time, Xuan Feng smiled and looked around at the others: "Who will come next?"

"I..."

"I will."

Several people stood up and rushed over to Xiang Xuanfeng.

Later, under the arrangement of Xuan Feng, several people also dripped their own blood on the beads one after another.

At this time, none of these people knew that what Xuan Feng was holding was not an ordinary bead, but a blood demon bead unique to the Demon Race, which contained Mo Yan's demon soul power, no matter how strong anyone was. , as long as you drip your own blood on it, you will always be under the control of Mo Yan until you die.

When Yu Du went to the mainland before, Mo Yan gave him a few blood demon beads. Yu Du later held a ring competition, and separated these beads from Xuan Feng, the responsible person.

And Xuan Feng, the people in charge, took the blood magic beads to control these participating arena masters.

It can be said that the ring competition is just a cover up, the real purpose is to create the Gorefiend Gate and collect the followers.

In less than ten minutes, more than half of the people in the office had completed the oath of blood, and the rest of Hai Ling'er and the others were somewhat conflicted.

Especially Hai Ling'er, seeing that the atmosphere in front of her was getting worse and worse, she immediately got up and left. She was originally the princess of the sea shark clan, with a special status. Today, she only participated in the ring competition because of her curiosity. With her special status, how could she join other sects?

"Miss Hai Ling'er!"

Seeing Hai Linger stand up, Xuan Feng's eyes flashed, and a meaningful smile appeared: "What's the matter with you?"

"No!"

Hai Linger covered her forehead, unable to hide her tiredness: "I'm a little tired. Now, I want to go back and rest." This wine is so strong, I just drank a glass, and I can't stand it anymore.

At this time, Hai Ling'er only felt top-heavy, and her drunkenness came in waves, which made her very uncomfortable.

Hearing the answer, Xuan Feng's mouth twitched: "Don't worry about taking a break, Miss Hai Linger, don't you want to join our Gorefiend Sect?"

"Not interested!" Hai Linger said without thinking. Immediately, he went straight out the door.

However, before reaching the door, two disciples from the Sea Dragon Hall blocked Hai Linger's way.

Huh...

Hai Ling'er frowned, suddenly a little unhappy, and looked back at Xuan Feng: "What do you mean?"

Chapter 4948

"Haha.." Xuan Feng smiled lightly, his tone was indifferent, but there was no doubt: "The person who is favored by our Gorefiend Sect cannot leave, I advise you to come here obediently and swear by blood. "

Miss is not weak, as long as you are willing to join our Gorefiend Sect, I will recommend it to the boss, and let you be called the founding elder of our Gorefiend Sect, how about that?"

After saying this, Xuan Feng smiled and looked at the sea Linger seems polite, but there is a chilling coldness in her eyes, like a dormant beast.

Huh...

Feeling the change in Xuan Feng's aura, Hai Ling'er frowned secretly, and said very displeased: "I said, I'm not interested, let your people back away."

However, Xuan Feng chuckled, no respond.

Hai Ling'er was instantly angry, and was about to take action against the two disciples of the Sea Dragon Palace in front of her. However, when she used her internal strength just now, her delicate body suddenly trembled, her eyebrows were furrowed, and a trace of pain appeared on her delicate face.

Strange...

At this moment, Hai Ling'er was secretly shocked, she was fine just now, why is she suddenly so weak and weak, unable to exert any strength?

What made her even more panic was that the dantian in her body was suppressed by a strange force, and her internal force could not be exerted at all.

This....this is clearly a sign of poisoning.

Haha...

Seeing her expression, Xuan Feng couldn't help laughing, his eyes flashed with abusiveness, and slowly said: "Miss Hai Ling'er, do you feel that your inner strength is being suppressed?"

Hearing this, Hai Ling'er's face changed suddenly, looking at him in surprise: "How do you know?"

Saying that, Hai Linger suddenly realized something and looked at the wine glass next to her: "You... you are poisoned by alcohol?"

What?

At this moment, the people who were all around were still excited. The expressions of the others who thought they had tied their thighs changed. Not only that, but Ma Chen's people who had completed the blood alliance were also in shock.

what's the situation? The new sect has just been created, isn't that a good thing? Why are you still drinking alcohol?

Hahaha...

Xuan Feng didn't care about the eyes of the people around him at all, looked at Hai Ling'er very proudly, and laughed loudly: "You're not stupid, you deserve to be the one that satisfies me the most in the arena today, not bad. , is the poison I put."

"You..."

Seeing him admit it, Hai Linger was shocked and angry, and she was also extremely shocked. What kind of poison the other party put in the wine, it was so powerful, and she didn't even know it at all. Did not notice.

"Give up resistance." Xuan Feng's smile grew thicker and he looked at Hai Ling'er seriously and said, "It is your honor to be seen by our Gorefiend Sect. I advise you to accept your fate.

", Xuan Feng looked around at the others: "And you guys, when you enter this room tonight, you only have two choices, either join our Gorefiend Sect, or die!" With the

last word, Xuan Feng's tone was cold. , so that those who have not yet sworn blood are trembling in their hearts.

"It's abhorrent..."

"I thought you were an upright person, but I didn't expect to act so sinister..."

"I want me to work for you, dream..."

At this time, hearing Xuan Feng's words, The people around were furious one by one, and slashed at Xuan Feng's mouth, and then they came to do it.

However, Xuan Feng did not panic at all, and said with a sneer, "Just like this Miss Hai Linger, you have all been poisoned after drinking the wine just now, so everyone should be honest." The

last word fell, and it was already Those who rushed to the front all changed their faces. They clearly felt that their dantian was suppressed by a strange force and could not be used at all.

Not only that, but the whole body is also soft, and it is almost unsteady to stand.

Putong putong... The

next second, before these people could react, they all turned black and fainted directly on the ground. Their strength was not as strong as Hai Ling'er. I can't take it anymore.

"You..."

Seeing this scene, Hai Ling'er was furious and glared at Xuan Feng: "Aren't you afraid of causing public anger in the arena by doing this?" Using the ring competition as a cover, he secretly used such despicable characters. The means, forcing the contestants to join them, this group of people is really daring.

Chapter 4949

At this moment, Hai Ling'er still wanted to force her inner strength, but her body was extremely poisonous, her eyes darkened, and she fainted on the ground.

Ha ha...

Seeing this scene, Xuan Feng chuckled lightly, called a few disciples of the Sea Dragon Palace, and instructed: "Tie up all those who resist and send them to Your Excellency Yu Du together."

"Yes!" Listen When the order was reached, several disciples of the Sea Dragon Palace quickly tied up Hai Linger and everyone, and then took them out.

Huh...

Seeing this situation, Ma Chen and the others, who had already completed the vow of blood, were all terrified. This Xuan Feng turned his face when he turned his face, and the method was so cruel that it was terrifying, who wouldn't be afraid.

"What?"

Seeing Ma Chen's expression, Xuan Feng was expressionless and smiled lightly: "Are you all regretting it now? I tell you, once you have completed the oath of blood, your life has been controlled by me. I don't want to. Die, just obey the orders."

After speaking, Xuan Feng slowly raised his hand and poured his inner strength into the Blood Demon Bead.

hum!

In an instant, Ma Chen and the others only felt a splitting headache, and the taste was simply not something ordinary people could bear.

"Forgive your life, spare your life..." The

next second, Ma Chen and others knelt down and begged for mercy, one by one swearing allegiance: "I will do my best in the future, and swear allegiance to the Blood Demon Sect, and dare not have two hearts."

"Me too, Please stop..."

Seeing them all kneeling and begging for mercy, Xuan Feng showed a smug smile and put away the blood magic bead.

...

On the other side, the Lagerstroemia Continent.

After half an hour's journey, Yue Feng and Ge Zhenhong, riding Kuangxi, quickly arrived at the hillside outside Amakusa City.

call!

After landing, Yue Feng stood on the hillside and looked at it from a distance, and was immediately shocked.

I saw that the Amakusa City in front of me was very large, and its area was about to catch up with the imperial city of the Kyushu mainland.

At the very center of Amicao City, a huge wooden high platform was built, the size of seven or eight basketball courts. Around the high platform, a five-story viewing platform was also built.

Obviously, this is where the three major sects hold the Dao Discussion Conference.

Yue Feng could clearly see that the people in Tiancao City were still pouring into the arena at this time. From a distance, the mighty force was very spectacular.

“Mr. Yue Feng!”

At this time, Ge Zhenhong looked ingratiatingly and pointed to a high mountain in the northwest of Amicao City: “The entrance to the Heavenly Mysterious Realm is on the halfway of this mountain. Over the years, it has been occupied by the three major sects. The disciples are strictly guarded, and it is difficult for others to pass through.”

Hu!

Hearing this, Yue Feng took a deep breath, looked at the high mountain thoughtfully, and then said, “I have a way to get in, so don’t worry about it.” With

that, Yue Feng ordered Kuangxi behind him. : “You and Ge Zhenhong, just wait here, remember, don’t act rashly, wait for my signal.”

On the way here, Yue Feng made a plan and found a suitable opportunity to let Kuangxi show up and guard the The people near the entrance of the Heavenly Mysterious Realm led away, and then Yue Feng took the opportunity to enter.

“Understood, Lord Beast God.” Kuangxi nodded his huge head in a respectful manner.

Yue Feng ordered a few more words, then set off and rushed towards the entrance of the Heavenly Mysterious Realm.

call!

Soon he arrived at the foot of the mountain. Seeing the situation in front of him, Yue Feng couldn’t help taking a deep breath. He saw that on the way to the middle of the mountain, the disciples of the three major sects were deployed together. Said to be heavily guarded.

Today is the day of the annual Dao Discussion Conference. Experts from all walks of life will come to watch the game. In this case, the three major sects dare not slack off at all. The number of disciples deployed near the mysterious realm of the sky is quite large Three times more than usual.

There are quite a lot of people.

Seeing this, Yue Feng couldn’t help muttering, but he didn’t panic, but put his finger in his mouth and blew a whistle.

“Hey!” The

whistle was clear and long, instantly attracting the attention of the disciples of the three major sects in front.

“What’s the sound?”

“It seems that someone is whistling...”

“Someone must be taking advantage of the Dao Discussion Conference and trying to break into the mysterious realm of the sky. They are not timid.”

For a time, the disciples of the three major sects talked, and quickly Look in the direction of Yue Feng.

Chapter 4950

At this time, Yue Feng was hiding behind a big tree, and there was no place to hide around.

Roar!

Seeing that Yue Feng was about to be discovered, suddenly, there was a roar in the sky, followed by a huge figure flapping its wings and appearing in the air.

Blood-red and intimidating eyes, sharp minions, majestic, even though the sun was shining brightly at this time, the three sect disciples who were guarding near the mysterious realm of the sky couldn’t help but tremble.

“Hey... what is that?”

“Ferocious beast Kuangxi? It turned out to be a fierce beast Kuangxi... God.”

“Is this one of the top ten beasts? It’s so big... I heard that a few days ago, Shendiaomen investigated an ancient tomb in the ruins of a sect, and found a Kuangxi in it. At that time, all the forces of Shendiaomen were unable to catch the Kuangxi and let it run away. Could it be this one? ?”

At this moment, many people were stunned, looking up at Kuangxi hovering in midair, their legs trembled, almost unable to stand.

Kuangxi kept circling in the air, not looking at the disciples of the three major sects, but staring at Yue Feng hiding behind the tree, waiting for his next order.

call!

At this time, Yue Feng also took a deep breath and felt a little uneasy in his heart. It was indeed a bit risky to let Kuangxi come out to attract attention.

But.. that’s the only way to go.

Thinking to himself, Yue Feng pointed towards Kuangxi in the direction of the Daoist Conference. He knew that just letting Kuangxi show up was not enough to cause panic among the three major sects.

“Roar!”

Kuangxi understood and let out a roar, his huge body directly thinking of the direction of the ring.

Sure enough, seeing this scene, the three sect disciples who were guarding near the Heavenly Mysterious Realm panicked.

“It’s broken, Kuangxi is heading towards the arena.”

“The Dao Discussion Conference is about to start. If Kuangxi is a fierce beast, it will definitely cause chaos.”

“No, it must be stopped . . . , hurry up, try to stop it..”

Under the discussion, the disciples of the three major sects shouted and chased after Kuangxi. Speaking of which, they felt the terrifying breath of Kuangxi, and they all panicked in their hearts. . , but the Daoism Conference is very important, and there must be no trouble. Moreover, with the large number of people, they believe they can handle Kuangxi.

In the blink of an eye, thousands of disciples chased Kuangxi and disappeared from sight. The sentry on the mountain road was almost empty.

Haha...

Seeing this situation, Yue Feng showed a smile. This trick of turning the tiger away from the mountain really worked. With a happy heart, Yue Feng walked up the mountain quickly.

Um?

When he was about to reach the middle of the mountain, Yue Feng stopped again and saw that there was a cave in the middle of the mountain not far away. There was light in the cave. Obviously, this was the entrance to the mysterious realm of heaven.

Just outside the entrance, there are dozens of elite disciples of the three major sects standing quietly.

Obviously, the quality and strength of these elite disciples are much stronger than those of the ordinary disciples standing guard below. Even if they saw Kuangxi, they were not too surprised, nor did they leave their posts without permission.

Mad!

For a time, Yue Feng frowned secretly, his divine power has not recovered, so many elite disciples can't deal with it at all.

Got it!

The next second, when he saw the woods behind him, Yue Feng's eyes lit up, he walked over immediately, broke a few small trees, and arranged a five-element formation in the woods.

After the formation was arranged, Yue Feng swaggered over.

Swish!

At this moment, the elite disciples who were guarding the door suddenly focused on Yue Feng and scolded them one after another.

“Stop!”

“Who? Don't you know this is a forbidden place?”

“You're not too brave...” In

the face of the reprimand, Yue Feng didn't panic at all, and said with a smile: “Everyone has been staying here, and you're tired. It's better to take a rest, and this day, the mysterious realm is not from your three major sects. As long as you are in the rivers and lakes, you can come in and have a look, so you all get out of the way, I want to go in and find out, maybe your three major sects did not participate. What I realized, I understood.”
