

The ultimate husband in Chinese chapter 4951-4960

Chapter 4951

Swish!

Hearing these words, the elite disciples of the three major sects present were all shocked and angry.

This kid is courting death, trespassing in forbidden areas, and dare to speak madly?

“Why are you looking at me like this?”

Seeing the expressions of these elite disciples, Yue Feng said with a provocative look on his face, “Why don’t you step aside and welcome this uncle into the secret realm?”

Courting death!

At this moment, one of the elite disciples at the head couldn’t hold it any longer, and pointed at Yue Feng: “Where is a boy who doesn’t know what to do? He came here to be a savage, and hurry up and stand up obediently, or you will be captured.”

The voice fell, and the others around also pulled out their long knives.

Haha...

Yue Feng laughed loudly: “Just relying on you wine bags and rice bags, you want to teach me a lesson?” As he said, he approached the woods behind.

Hearing this, the elite disciples of the three major sects were all furious. You must know that in the entire Ziwei Continent, no sect force dared to challenge the three major sects, and this kid in front of him really ate a bear heart leopard. daring.

“Kill him!” In anger, the leading elite disciple shouted and rushed over.

The dozens of disciples in the back followed closely. At this time, they didn’t even know that they had been fooled by Yue Feng.

“Oops...”

Seeing them chasing after him, Yue Feng looked very panicked, but at the same time did not forget to provoke: “So many people chasing me, how shameless.”

This chapter is provided by . Visit for daily update.

Said, Yue Feng quickly drilled Entering the woods, leading these disciples, they ran in the direction of the deployed five-element formation.

Soon Yue Feng entered the Five Elements Formation.

The Five Elements Formation seems simple, but it is extremely mysterious. After Yue Feng entered, the disciples of the three major sects outside suddenly became blind.

“Where’s the person?”

“Ma De, who was still here just now, why did he suddenly disappear?”

“He can’t run far, everyone is looking for him carefully, Ma De, if you dare to challenge our three sects, you are tired of living.”

Yue Feng Standing in the Five Elements Formation, when I heard the shouting outside, I suddenly showed a smile, and laughed loudly again: “Do you people from the three major sects like to bully the less with more? So many people arrest me, and it’s so hard. , Oops, I’m embarrassed for you all.”

Wow!

Hearing the sound, dozens of disciples were so angry that they instantly locked the direction of Yue Feng, and they didn’t care when they saw that the little tree in front of them was a little wrong.

“This kid is hiding in here!”

“Rush in and grab him!” The

crowd howled and rushed into the Five Elements Formation.

Hahaha...

Seeing that this group of people was successfully brought in, Yue Feng was full of smiles and couldn’t tell how excited he was.

This is still the disciple of the top three sects on Ziwei Continent, and their IQ is not very good, so they are irritated.

“Boy.” At this moment , the disciples

who rushed in also found Yue Feng, and the one headed was full of anger, pointed at Yue Feng and said, “I’ll see where you run this time.”

He wanted to greet his companions and prepare to surround Yue Feng, but Yue Feng would give them a chance. He laughed loudly, muttering formulas in his heart, his figure flashed, and he left the Five Elements Array directly.

“Haha, you idiots, just stay inside.” The moment he walked out of the Five Elements Formation, Yue Feng sneered again.

Mad!

Being ridiculed again and again, the disciples of these three major sects were all furious, and they were about to rush out. But what happened next made them dumbfounded.

what happened? Why can't I get out of the woods?

For a time, the dozens of disciples of the three major sects were surprised to find that these small trees were very evil, as if they could move, no matter how they walked, they could block their way.

“What's the matter?”

“These trees are a bit evil...it seems they can move...” During the

discussion, these disciples were like headless flies, they couldn't rush out, they were all anxious sweat.

Haha...

Hearing those disciples shouting in the Five Elements Formation, Yue Feng laughed, feeling indescribably happy, then took a deep breath and rushed towards the entrance of the Heavenly Mysterious Realm.

Chapter 4952

Those disciples guarding the entrance to the mysterious realm of the sky were all trapped by the Five Elements Array at this time, and the entrance was almost empty at this time.

Phew...

Soon, at the entrance, Yue Feng couldn't help taking a deep breath.

I saw that a few meters away from the cave was an enchantment, and the enchantment was surging with strange power fluctuations, just like the underground tomb that Yue Feng had entered before.

I hope there is a teleportation formation here..

At this moment, Yue Feng muttered in his heart, strode over, and directly entered the enchantment.

hum!

The moment he entered the barrier, Yue Feng only felt that the world was spinning, and the next second, a ray of light enveloped him and teleported away directly.

Wow...

just as Yue Feng's forefoot was teleported away, he heard footsteps. He heard a lot of people, and then, he saw hundreds of people rushing forward, all of them looking excited.

Each of these people has a strong atmosphere, but they are dressed differently. Obviously, they are all from the rivers and lakes, and they do not belong to the same sect.

If Yue Feng was present at this time, he would definitely be secretly surprised.

Because among these people, there is a slender figure with delicate facial features and a sexy figure, but there is a bit of coldness and arrogance between his brows. It was Lu Xiaoshuang, the elder sister of the Shendiaomen master who had seen it once in the ancient tomb.

Haha....

At the entrance of the secret realm, many experts from all corners of the world are all excited.

"It seems that this year's Dao Discussion Conference, the three major sects were not very successful."

"Yeah, before the conference started, a mad hee suddenly appeared... And now, the entrance to this secret realm is not guarded, it's really a mess."

"Hehe, the three major sects are in a mess, for us , but it's a good thing."

Everyone said excitedly, and quickly walked towards the entrance.

These people originally came to watch the Dao Discussion Conference, but just now, near the arena, a mad hee suddenly appeared, which caused a panic. These people took advantage of the gap between the three major sects to maintain order and slipped out quietly, heading towards the secret realm. come.

Speaking of which, over the years, the three major sects have united to occupy the mysterious realm of the sky, which made other sects and people from all walks of life feel unhappy.

On the way, these people have discussed it, and if they meet the disciples of the three major sects guarding here, they will swarm up, but they did not expect that there is no one here at the entrance.

They still don't know that the three sect disciples who are guarding here are all trapped in the Five Elements Formation by Yue Feng.

Phew...

At this moment, Lu Xiaoshuang followed the crowd, feeling extremely excited and a little complicated at the same time. Heavenly Mysterious Realm, for hundreds of years, because it has been occupied by the three major sects all the year round, other sects can only watch it, it can be said to be a forbidden place on the rivers and lakes, and today, I finally have the opportunity to enter and find out.

It's just...such people in the rivers and lakes, each has a ghost, and after entering, it will definitely be a fight.

It seems that he has to be careful when he waits.

Swish swish...

Just when Lu Xiaoshuang was thinking about this, many people couldn't wait to rush into the barrier, one by one incarnations and a ray of light disappeared. At that time, Lu Xiaoshuang didn't have time to think, and quickly followed.

...

at this time, in the secret realm.

call!

After a short period of dizziness, Yue Feng finally stepped on the ground, took a deep breath and slowly opened his eyes.

I go!

Seeing the environment in front of him, Rao Shi Yue Feng was prepared, but he couldn't help but take a breath.

I saw that there was an incomparably empty space in front of me, a huge group of palaces, standing there, surrounded by mountains in the distance, these palaces, all

built with white stones, indescribably majestic and solemn, just in the Under the baptism of years, there is a vast atmosphere.

Moreover, some places are already dilapidated, many places are overgrown with weeds, and there are some broken walls and tiles scattered in the grass.

This...

Seeing this scene, Yue Feng suddenly realized something. Maybe this place was really built by God's Domain, because the style of the palace is completely different from the Ziwei Continent outside.

Chapter 4953

Muttering in his heart, Yue Feng immediately thought of Jiutian Xuannv who was in charge of the Kyushu mainland at that time.

At the beginning, Jiutian Xuannv was sent by God's Domain to secretly maintain the balance of Kyushu Continent, but later because of the turmoil of Pluto, Jiutian Xuannv died and was injured...

And the place in front of him should also be sent by God's Domain to supervise Ziwei Continent. The place where people lived, just didn't know what happened, and then the place was abandoned.

After that, the barrier set up at the entrance of God's Domain prevented people from the rivers and lakes of the Lagerstroemia Continent from entering, so it became very mysterious.

Phew...

Thinking of this, Yue Feng took a deep breath, feeling a little inexplicably excited.

According to this, there must be a teleportation formation deployed by God's Domain in this place. You must know that when Jiutian Xuannv secretly supervised Kyushu, a teleportation formation was set up on the top of Kunlun at that time to facilitate contact with God's Domain.

As long as you find the teleportation array here, you can leave.

Haha...

The more Yue Feng thought about it, the more excited he became. Immediately, he walked quickly towards the palace group in front of him.

It was just that he had just passed through the broken wall and broken tiles on the periphery, and Yue Feng frowned secretly. He clearly saw that there were many formations in the palace group in front of him. These formations remained independent, but the formations and formations in between, and intertwined.

What the hell!

Upon discovering this, Yue Feng couldn't help being secretly surprised. The formation was surrounded by formations. This place was really dangerous. No wonder the three major sects outside had controlled this place for nearly a hundred years, and they didn't understand it.

However, Yue Feng did not panic in the slightest. His accomplishments in formation techniques can be said to be unprecedented and never come later. Even though the formations in front of him are very mysterious and complicated, they cannot help him.

Um?

Just after walking a few steps, Yue Feng suddenly stopped, his eyes flashed with brilliance, and he saw a faint golden light shining in a collapsed room not far ahead.

It was an ancient fragment, and it should be something from the Divine Realm.

Around the fragment, there are several statues, which is a small trapped formation. On the periphery of the trapped formation, sitting two mummified corpses, looking at the clothes, were the people of the three major sects.

Obviously, over the past 100 years, the three major sects have been sending people in to investigate, and these people have also discovered the golden fragment, but unfortunately they were trapped and trapped to death if they didn't get it.

It seems that his luck is not bad.

Seeing the fragment, Yue Feng showed a smile. This small trapped formation was extremely dangerous for the three major sects, but for Yue Feng, it was as easy as a child playing a house.

Thinking to himself, Yue Feng walked over quickly, first observed the deployment of the small trapped formation, and then studied the method of breaking the formation.

Rumbling...

Soon, Yue Feng found a way to break the formation, moved one of the sculptures, and suddenly a tremor came, the sculptures fell to the ground one after another, and the formation was completely destroyed.

At that time, Yue Feng didn't have time to think about it, and walked over quickly, holding the golden scroll in his hand, but with a smile on his face, he was very relaxed and happy.

Um?

In the next second, Yue Feng was about to open the scroll to watch, and when he saw the person in front of him out of the corner of his eye, he was immediately excited.

I saw that in the stone houses in front, there were some scraps in each room. Of course, small formations were also deployed around the stone table where the scraps were placed.

So many...

For a time, Yue Feng was very stunned, so he was about to walk over and continue to break through the formation, but at this time, footsteps suddenly came from behind him.

Anyone else?

Yue Feng was very alert and immediately turned around, frowning secretly, and saw a man with a long knife walking over with a sneer, his eyes staring at the scraps in Yue Feng's hand with greedy eyes.

This person is called Hong Li, and he came in with Lu Xiaoshuang and the others just now.

"Boy!"

At this time, Hong Li stared at the scraps in Yue Feng's hands: "You're lucky, you found something good when you came in, I'm not difficult for you, you give me the things and I'll let them go. You!"

When he said this, Hong Li looked proud and didn't take Yue Feng seriously at all.

Because Hong Li clearly sensed that Yue Feng had no strength at all, and was no different from ordinary people. He should have followed everyone and sneaked in just now.

Chapter 4954

Interesting...

Hearing Hong Li's words, Yue Feng couldn't help laughing secretly. At the same time, he also realized that the entrance to the secret realm was not guarded just now, and the guy in front of him might have taken the opportunity to sneak in.

At this time, Yue Feng didn't know that Hong Li was not the only one who slipped in.

“Boy!”

Seeing Yue Feng standing there, his expression changed, Hong Li lost his patience in an instant: “You don't understand what I said, hand over the things quickly.”

At this time, Hong Li was indescribably excited.

For hundreds of years, there has been a rumor in the rivers and lakes that there are many peerless exercises in the mysterious realm of heaven. Because of this, the three major sects send people to investigate every year, and even hold a conference on Taoism in order to fight for the right to explore.

Each of these exercises scattered in the secret realm is extremely mysterious. As long as the cultivation is successful, it can be famous all over the world.

At this time, seeing the golden fragment in Ye Feng's hand, Hong Li instinctively determined that this is one of the peerless exercises, and naturally he will not miss it.

Yue Feng reacted and looked at Hong Li with a frown: “I got this thing according to my ability, why should I give it to you?” After saying that, Yue Feng pointed to other stone houses with fragments: “There are many more, do you think If you want, go get it yourself.”

“Stop talking nonsense.”

Hearing Yue Feng's answer, Hong Li squinted and flashed a bit of sullenness: “Do you want to die? If you hand it over, hand it over.”

Om!

The moment the voice fell, a powerful breath burst out from Hong Li, directly locking Yue Feng. At the same time, Hong Li pulled out the long knife in his hand.

In an instant, the atmosphere was extremely dignified.

In Hong Li's eyes, the Yue Feng in front of him has no strength at all, just like the meat on the chopping board, he can do whatever he wants.

Hehe...

Feeling Hong Li's ruthlessness, Yue Feng chuckled lightly and didn't panic at all: “I won't give it to you. If you want to grab it, you can try it.” As he spoke, Yue Feng glanced at it. A stone house not far ahead.

At a distance of more than ten steps, Yue Feng had absolute certainty. Before Hong Li started, he rushed into the small trapped formation of the stone house. As long as he entered the trapped formation, Hong Li could not do anything to Yue Feng at all.

After all, this small trapped formation was deployed by God's Domain, and Hong Li couldn't break it at all.

Seeing that Yue Feng was not cooperating at all, Hong Li was completely angry, and scolded: "Ma De, stinky boy, you are really courting death!" The voice fell, and he was about to rush over.

Crash...

Just at this critical moment, suddenly, footsteps were heard again not far away, and then, I saw several big men rushing over quickly.

Several big men, all wearing black strong suits, were embroidered with the logo of the river. The one at the head, with a strong back, carrying a huge ghost-headed sword, is very domineering.

Four Seas Gang?

Seeing this scene, Hong Li's expression changed, and he couldn't hide his fear.

Yes, the big men who came were all members of the Sihai Gang. The tall man at the head was Huo Yunhai, one of the ten main halls of the Sihai Gang.

Yue Feng originally planned to rush into the stone house, but was stunned when he saw Huo Yunhai coming over.

"Te Niang's!"

Soon after, Huo Yunhai looked at Hong Li and then at the golden scroll in Yue Feng's hand, and immediately sneered: "You two are very fast, you will find it so quickly. good stuff."

When speaking, Huo Yunhai was full of pride.

In his eyes, Hong Li is just a nobody on the rivers and lakes. As for Yue Feng, he has no strength at all, and he is similar to ordinary people, so he doesn't need to take it seriously.

When Ge Zhenhong brought Yue Feng to see Gu Sanniang, Huo Yunhai happened to be out on business, so he didn't know Yue Feng, let alone that Yue Feng was Gu Sanniang's VIP.

“Oops.”

At this time, Hong Li reacted and said with a look of flattery: “It turned out to be the famous Hall Master Huo. Disrespectful and disrespectful!” Attitudes are totally different. As he said that, Hong

Li looked at Huo Yunhai with a look of flattery.

Li pointed to Yue Feng: “I was going to take away the cheat book that this kid found. Since I joined you, this cheat book will be given to Hall Master Huo, how about it?”

Chapter 4955

Hong Li has been able to walk the rivers and lakes alone for so many years, relying on cleverness. He knows in his heart that the Four Seas Gang can't be provoked by himself at all, and Huo Yunhai is even more ruthless. The best way is to join them.

Although the cheat book in front of me has been sent out, I feel a little distressed. There are so many treasures here. In the end, I will definitely be able to share some benefits.

Seeing Hong Li's look of anticipation, Huo Yunhai thought for a while and nodded: “Okay!” Speaking of which, Huo Yunhai looked down on Hong Li at all, but this place was unpredictable, and someone took the initiative to be a pawn, naturally he was willing to accept it.

The next second, Huo Yunhai looked at Yue Feng: “Boy, hand over your things!” His tone was indifferent, but there was no doubt.

In Huo Yunhai's eyes, Yue Feng's status is not as good as Hong Li's, so he doesn't need to look straight at him.

Nima!

Facing the situation in front of him, Yue Feng frowned and sneered in his heart. A jackal came just now, and now another wicked tiger came.

But Yue Feng didn't panic, he was protected by the formation in the stone house, not to mention another Huo Yunhai, even if there was another group of people, he was not afraid at all.

Thinking to himself, Yue Feng made a look of vigilance, and while slowly backing up to the stone house behind him, he said coldly: “I found something, I won't give it to you, if you have the ability, you can find it yourself. .”

Oops?

Seeing that Yue Feng was not afraid of the sky and the earth, Hong Li immediately shouted: "Stinky boy, you are really shameless." When the words

fell, Huo Yunhai also had a grim face, and looked at Yue Feng coldly: " Boy, there is nothing we can't get our hands on in the Four Seas Gang."

After saying that, he was about to let the people around him do it.

However, at this moment, Hong Li wanted to show off, and immediately shouted: "Senior Huo, what is the use of a knife to kill a chicken? This kid is just a nobody. Let me help you grab something

.

" Falling down, Hong Li burst out, and the long knife directly thought of Yue Feng and slashed over.

The villain who bullies the soft and fears the hard!

In the dark, Hong Li slashed over, Yue Feng secretly despised it, and didn't think much about it at the time. He turned around and thought about the stone house and rushed in. As long as they entered the formation, Huo Yunhai and Hong Li had great skills, and they couldn't help themselves.

However, just two steps away, Yue Feng accidentally tripped over the gravel under his feet, and the moment he fell to the ground, a token on his body also fell out.

Haha...

Seeing this situation, Hong Li's face was full of mockery: "Do you still want to run? Can you run?" As he spoke, he was about to rush up.

"Wait!"

However, at this moment, Huo Yunhai, who was standing behind, suddenly shouted.

This loud cry made Hong Li hurriedly stop in his footsteps, and turned his head to ask, "Tang Master Huo, what's wrong?" Huo

Yunhai ignored him, but walked over quickly, staring at Yue Feng, who had just fallen to the ground. His face was full of astonishment: "Where did you get the token from?"

When he said this, Huo Yunhai picked up the token and watched it repeatedly.

You can't go wrong, this is the token on the leader Gu Sanniang, which symbolizes the supremacy of the Four Seas Gang.

call!

Seeing Huo Yunhai's excited expression, Yue Feng said lightly, "Gu Sanniang gave it to me."

Hearing this, Huo Yunhai instantly widened his eyes and scolded: "You are not too timid, you dare to call Sanniang's name directly? What is your name? Who is it? Is the token stolen? Tell me quickly."

"At the end, Huo Yunhai grabbed Yue Feng's collar with a fierce look on his face.

"My name is Yue Feng!"

Yue Feng said indifferently: "Also, as I said just now, this token was given to me by Gu Sanniang. If you have any objection, go back and ask Gu Sanniang."

What? Is he that Yue Feng?

At this moment, Huo Yunhai was completely stunned, staring at Yue Feng blankly, unable to calm down for a long time. When I returned to the main altar of the Four Seas Alliance yesterday, I heard that there was a VIP named Yue Feng, who was deeply respected by Gu Sanniang, but I didn't expect that it was the person in front of me.

At this moment, Huo Yunhai was shocked, and quickly released his hand, his face was extremely embarrassed, like a child who did something wrong, and kept apologizing: "So you are Mr. Yue Feng, and you have offended a lot just now, and you have offended a lot..."

When he said this, Huo Yunhai was sweating profusely and felt extremely frightened in his heart.

The ultimate husband in Chinese chapter 4956-4960

Chapter 4956

At this time, Huo Yunhai was sweating profusely, and was extremely frightened in his heart.

broken!

I thought this kid was just a nameless pawn, but I never imagined that he was Gu Sanniang's VIP, and he was going to rob him just now.

Thinking of this, Huo Yunhai couldn't even stand. I almost knelt down to Yue Feng.

Um?

Seeing this scene, Hong Li frowned and was very puzzled.

what's the situation? Why is this Hall Master Huo not moving?

Thinking to himself, Hong Li couldn't help but take a step forward and said, "Tang Master Huo, is this kid begging you? Let me tell you, this kid is very cunning. In the formation, getting the secret book is very suspicious..."

Phew!

Hearing this, Huo Yunhai couldn't help taking a deep breath, and he was more certain that the person in front of him was Sanniang's VIP. You must know that in this secret realm, the three major sects have been investigating for more than a hundred years, and they have not learned anything from them. What a powerful secret book, and Yue Feng, who was in front of him, just broke through the formation in the stone house and got the secret book.

Only a person with such great ability is qualified to be called Gu Sanniang's VIP.

Thinking of this, Huo Yunhai immediately turned his head to look at Hong Li coldly, and shouted angrily, "Ma De, you scum, you almost made me make a big mistake."

"I don't want to kill people today, so get out of here. "

When he said this, Huo Yunhai filled his body with evil spirits. Nima's is all this Hong Li, and he almost offended his own people.

To be honest, he really wanted to kill Hong Li immediately, but he thought that once he made a move, he would make a noise. At that time, the other experts in the rivers and lakes who followed him would come to investigate.

This chapter is provided by . Visit for daily update.

Huo Yunhai doesn't worry about his own safety, but Yue Feng has no strength at all, and he still has a secret book in his hand.

This...

Feeling the killing intent in Huo Yunhai's eyes, Hong Li couldn't help gasping for air. At that time, his mind was messed up. What was the situation, didn't he just promise to let me join? How do you turn your face away?

What did this kid say to Huo Yunhai?

For a time, Hong Li became more and more confused the more he thought about it.

“Don’t get out yet?”

Seeing Hong Li standing still, Huo Yunhai shouted angrily again: “Do you want to die?”

“I’m going, I’m going...”

Feeling that the situation was not good, Hong Li’s heart trembled. , did not dare to stay at that time, responded twice in his mouth, and ran away in despair. He is the master who sees the wind and turns the rudder. At this time, seeing Huo Yunhai’s murderous look, how dare he stay?

After all, Huo Yunhai is one of the ten main halls of the Sihai Hall, and Hong Li is just a nobody in the arena, and he can’t afford to offend him at all.

call!

Watching Hong Li walk away, Huo Yunhai took a deep breath. Then he said respectfully at Yue Feng: “Mr. Yue Feng, I had no eyeballs just now, and I almost rashly offended you. I hope you don’t take offense.”

Yue Feng smiled and shook his head: “If you don’t know, don’t blame it, you don’t need to. I’m so nervous.” This Huo Yunhai is quite aware of current affairs, and Yue Feng really didn’t care about what happened just now.

Hearing Yue Feng’s answer, Huo Yunhai suddenly felt relieved. What came to mind at that time, he said cautiously: “Why is Mr. here? I heard that Mr. is missing before, and Sanniang was very anxious at that time, and specially ordered Ge Zhenhong to look for you everywhere.”

When asking these questions, Huo Yunhai was full of curiosity.

Hehe...

Yue Feng smiled lightly and said, “Ge Zhenhong found me yesterday, and it was from his mouth that he learned that the three major sects are going to hold a conference on Taoism, so I came to investigate this mysterious realm.”

Anyway . This Huo Yunhai is not an outsider either, so it doesn’t matter if he tells him.

Huo Yunhai looked stunned, and in the next second he couldn’t help looking at the golden scroll in Yue Feng’s hand: “Mr. Yue Feng, what is this? Is it really a unique secret.”

As he spoke, Huo Yunhai’s eyes also flickered. somewhat urgent.

Peerless secret book, as long as it is a person in the rivers and lakes, who will not be moved after seeing it?

Chapter 4957

If it were someone else, Huo Yunhai would have already started to grab it, but the person in front of him was Sanniang's VIP, Huo Yunhai didn't have the courage, but driven by curiosity, he couldn't help but ask.

"You like it!"

Yue Feng's face was indifferent, he threw the golden scraps in his hand, and then threw it to Huo Yunhai: "Then I'll give it to you." things are definitely useless.

As for the peerless secrets circulating outside, they are all imagined by those people on the rivers and lakes.

I go!

Huo Yunhai took the golden fragment, and his heart was so excited that his hands trembled, and he could hardly stand still.

This Mr. Yue Feng is really too generous, this is a peerless secret book, even if it is said to give it away, it will be given away.

Excited in his heart, Yue Feng's next words made Huo Yunhai instantly cold: "This is not a peerless secret book, it should be an ancient scripture written on it."

"Although there is no substantial use, but It's still very good to collect it."

When he said this, Yue Feng looked indifferent.

What? Not a peerless secret?

Hearing this, Huo Yunhai instantly became depressed, but he put it away carefully.

At this time, Huo Yunhai looked around and said with a flat face: "Mr. Yue Feng, this place is so strange, why don't I bring someone to protect you personally."

This Yue Feng is not only Gu Sanniang's VIP, but also You can also break through the formations in these stone houses and follow him all the way, not only to protect his safety, but also to gain some benefits.

call!

However, Yue Feng breathed a sigh of relief and shook his head: "No need, this place is so big, if we go together, we don't know when we will be able to find useful clues, so let's divide it into two ways.

" Yue Feng's divine power has not recovered, and it is also a good choice to have someone by his side to protect him.

It's just that he didn't come in to find treasure, but to find the teleportation array and leave. Naturally, Huo Yunhai couldn't know about this kind of thing.

Moreover, in addition to Huo Yunhai and Hong Li just now, there are other experts from all corners of the world who broke in. If they walk together, the goal is too big and easy to be discovered.

So after much deliberation, Yue Feng decided to act alone.

Uh...

Being rejected by Yue Feng, Huo Yunhai felt a little lost for a while, but he couldn't hold on any longer, so he said goodbye to Yue Feng immediately, and then left with a few of his subordinates.

Seeing Huo Yunhai walking away, Yue Feng didn't stay long, turned around and walked towards the depths of the palace complex.

Soon, in a palace, Yue Feng couldn't help frowning secretly.

As you can see, the palace is very big, there are almost four or five basketball courts, and dozens of large pillars stand all around. Apart from that, there is nothing else, and it looks unusually empty.

strangeness!

Seeing the hall in front of him, Yue Feng always felt that something was wrong. You must know that small trapped formations were deployed in the stone houses that were about to collapse outside, and there were still golden scrolls inside. Those stone houses are much more majestic, but in such a big place, there is nothing but pillars, which is really confusing.

Um?

Confused, Yue Feng suddenly discovered something and couldn't help walking towards the northeast corner of the palace. He saw that on the stone wall in the northeast corner, there was a palm-sized stone, which was obviously different from the surrounding.

Is it an agency?

When he got to the front, Yue Feng thought about it carefully, and subconsciously pressed the stone.

Click.

In an instant, I heard waves of vibrations, and then, on the walls around the main hall, four secret doors were slowly opened. The secret doors were more than three meters high, and the inside was dark. I didn't know where to go.

There is indeed a mystery.

Yue Feng was excited all of a sudden, this mechanism was designed to be so hidden, there must be good things in these four secret doors, maybe these channels are connected to the teleportation array.

Thinking of this, Yue Feng didn't have time to think, he was about to enter the channel in front of him to investigate.

“Woouoo...”

Just before Yue Feng walked in, he heard a roar from the depths of the passage, which sounded like a tiger and a lion, shocking the soul.

Chapter 4958

What?

Hearing the roar, Yue Feng instinctively retreated, but his divine power did not recover, and Huo Yunhai was not by his side. There were some beasts in there, but they couldn't stop it.

Although Yue Feng could speak animal language, he couldn't guarantee that every time he encountered a beast, he would be able to make the other party obey his words.

“Woo, woo...”

However, just as Yue Feng was about to leave the hall, he heard another roar from the passage, and then, he saw a golden light flashing all over his body. The figure quickly rushed out of the passage and gathered towards Yue Feng.

At that time, Yue Feng had no time to react and was surrounded.

Gudong!

At this moment, seeing the appearance of these beasts, Yue Feng couldn't help taking a breath, and the whole person was blinded.

As you can see, these beasts are almost two meters high and four or five meters long. Although they are not very tall, they are covered with golden hair, even their eyes are amber, and their bodies are filled with a powerful aura.

What the hell!

Yue Feng instantly became nervous, and at the same time frowned secretly, strange, these beasts are so strange, they seem to have seen them somewhere...

"Roar..."

Just when Yue Feng was in doubt, suddenly, the passage in the north In the middle, there was another roar, this roar was obviously louder than the screams of the surrounding beasts, and it was even more shocking.

Hearing this roar, Yue Feng hurriedly looked towards the fellow in the north, and when he saw it, he couldn't help gasping for air!

I saw another golden beast slowly walking out of the passage. Its entire body was almost double the size of its surrounding companions, and its eyes flickered with intimidating light. Just looking at it, it makes my heart go cold.

Galan beast!

At this time, Yue Feng was shocked, and suddenly thought of something, and instantly recognized the origin of these beasts in front of him, Jialan beast, this is Jialan beast.

Jialan beast is a unique spirit beast in the realm of the gods. It has a fierce temperament. It helped the gods to fight against the demons ten thousand years ago. Some time ago, when Yue Feng was still in the realm of the gods and taught the skills of Prince Aolin, he visited the spirits several times. The Beast Garden, in the Spirit Beast Garden at that time, had seen this kind of Jialan beast.

However, it was only a glance from a distance at the time, and Yue Feng was not impressed. So I didn't recognize it for a while.

Seeing this, the largest Jialan beast that came out at the end was their leader. God Domain did not know why, but abandoned this place, but did not want people from Ziwei Continent to break in by mistake, so they left these Jialan beasts to guard.

It is a pity that the three major sects of Ziwei Continent have been guarding here for nearly a hundred years, but they have not found the mechanism in this palace, but Yue Feng opened it the first time he came.

But for Yue Feng, the three major sects did not find the switch, but it was a good thing, because they didn't have to worry, they would be attacked by these Jialan beasts...

"Ow!"

At this time, the leading Jialan beast looked dead. Locking on Yue Feng, he raised his head and let out a roar.

This roar, others do not understand, but Yue Feng is very clear, this is the signal of attack.

"Woo woo, woo woo..."

In an instant, the other Jialan beasts surrounding Yue Feng also roared, and then leaned forward one by one, ready to pounce.

The Jialan beasts in the entire hall add up to more than one hundred heads, and they rush up together. Even if Yue Feng has the body of the Xuansheng, it will be torn to pieces. After all, this is a spiritual beast that only exists in the God Realm.

"Wait!"

Seeing that the surrounding Jialan beasts were about to pounce, Yue Feng took a deep breath, hurriedly used the animal language, and shouted at the leading Jialan beast: "You can't attack me."

Huh?

Hearing Yue Feng speak the animal language suddenly, the surrounding Jialan beasts were stunned and stopped one by one.

The leading Jialan beast was also stunned, tilted his head and looked at Yue Feng: "You can speak animal language?" Beast language is very obscure and difficult to understand for humans, and no one has ever learned it for thousands of years. It's incredible that this person can say it.

Yue Feng nodded quickly: "Yes, I can speak animal language, so I'm your friend. Since I'm a friend, you can't attack me."

Chapter 4959

Hearing this, the leading Jialan beast pondered for a while, then snorted softly: "What if you can speak animal language? This is a forbidden place where the gods live. If you are a human, if you trespass in, you will die. "

Fuck!"

Yue Feng's heart skipped a beat, and he immediately laughed bitterly. This Jialan beast is worthy of being a spirit beast in the realm of the gods. Its IQ is indeed unusual, and it's not as easy to fool as Kuangxi.

At this time, the leading Jialan Beast did not talk nonsense, and issued an order to his accomplice again: "Kill this person."

"Woo, woo..."

Got the order. The surrounding Jialan beasts roared again, and they were about to pounce on Yue Feng and tear it apart.

Nima!

Seeing this situation, Yue Feng was completely anxious, and suddenly Lingguang thought of something, and quickly took out something from his body and shouted: "You bastards, if you dare to commit the following crimes, are you not afraid of being cramped and skinned?"

", Yue Feng lifted the thing in his hand to the top of his head.

I saw that the golden light was shining brightly, and the entire hall seemed to be dyed with a layer of gold.

It was Ao Lin who gave Yue Feng the golden decree of the Heavenly Emperor.

The Golden Order of the Emperor of Heaven is a symbol of the status of the Emperor of Heaven. At the beginning, Yue Feng found the Golden Order of the Emperor of Heaven that had been lost for nearly ten thousand years in a cave in the forbidden area of the demon clan. Later, he passed the Golden Order of the Emperor of Heaven and successfully helped Prince Aolin to sit on the throne of the Emperor of Heaven. , At that time, Prince Aolin was very grateful to Yue Feng, not only named him the emperor's teacher, but also gifted the emperor's golden decree to Yue Feng to express his admiration for Yue Feng.

"This..."

At this moment, seeing the Emperor Jin Ling, the leading Jialan beast's body was shocked, and a pair of copper bell-like eyes also revealed deep shock, and almost screamed out: "Heaven. .. the Golden decree of the Heavenly Emperor?"

It is a spiritual beast that only exists in the realm of the gods.

It's just that the Emperor's Golden Token has been lost for a long time. For thousands of years, God's Domain has been searching everywhere, but there is no result. At this time, it appeared in the hands of the person in front of him. How can I not be shocked?

Seeing its reaction, Yue Feng smiled slightly: "Yes, it is the Emperor Jin Ling."

"You..." The leading Jialan Beast finally reacted, staring at Yue Feng with a pair of eyes: "What are you doing? There is such a thing? Come on, where did you get it from, or you will be cut into pieces." The

golden decree of the Emperor of Heaven is a symbol of the status of the Emperor of Heaven. an insult?

What the hell!

Hearing its angry shout, Yue Feng frowned. Has this Jialan beast been locked here for too long? Why were you surprised?

Muttering in his heart, Yue Feng said lightly, "Can't you see such an obvious situation?" The

leading Jialan beast resisted the urge to pounce, and said coldly, "What do you mean?"

Alas!

Yue Feng sighed and said speechlessly: "It seems that you have all been imprisoned here for too long. You don't even know what happened to the Divine Realm."

"I tell you, the Nine Heavens God has perished, and now he takes over. The Emperor of Heaven is Prince Aolin."

What?

Hearing this, the leading Jialan beast was shocked, and at the same time, the other Jialan beasts around also made a whimpering sound.

At this time, Yue Feng did not wait for it to ask, and explained in detail how the Demon Race came back and how the Demon Lord Gone besieged Yutian Palace.

When it comes to the final death of the Nine Heavens God, Yue Feng's expression is complicated: "The last Nine Heavens God, and the Demon Lord Gone, perished together to keep the peace of the God Realm." Although Yue Feng did not have a good impression of the Nine Heavens God, he must not Needless to say, the final decision of the Nine Heavens God made Yue Feng sincerely admire.

For a time, when I learned of the situation, the entire hall was deadly silent.

The Jialan beasts present were all silent, not knowing what they were thinking.

"So!"

Finally, the leading Jialan Beast looked at Yue Feng with complicated eyes: "Are you really an Emperor Teacher?"

Yue Feng smiled slightly: "If it is fake, you have also seen the Emperor Jin Ling today. Is it fake?"

Puff!

The voice fell, and the leading Jialan beast bent his limbs in an instant, squatted directly on the ground, and said in great fear: "I have offended you a lot just now, please forgive me."

Chapter 4960

Wow.. The

voice fell, and the surrounding Jialan beasts also knelt down toward Yue Feng, all of them trembling, all terrified.

The person in front of him turned out to be a real imperial teacher, and he and his companions wanted to attack him just now. Isn't this looking for death?

You must know that the emperor is the teacher of the Emperor of Heaven. In the entire God Realm, he has a detached position. Even the ancestors of Honghuang have to give three points of courtesy.

call!

Seeing this scene, Yue Feng showed a smile, slowly put away the Emperor Jin Ling, and then raised his hand: "Okay, okay, you didn't know my identity just now, those who don't know are innocent, get up."

Hearing this, the surrounding Jialan beasts all stood up in fear.

"That's right!" At this time, Yue Feng looked at the leading Jialan

beast: "What happened here before, why was it suddenly abandoned?"

"

Just as he was about to answer, suddenly, he heard a wave of aura from outside the hall. Apparently someone is coming in.

Yue Feng frowned. He didn't have time to think about it at the time, and quickly said to them: "You all go back to the passage." If there are so many Jialan beasts, if they are

seen by the people in the rivers and lakes who break in, they will definitely cause panic.

.

More importantly, the situation of these Jialan beasts cannot be leaked out. After all, they are spiritual beasts only in the realm of the gods.

Wow..

Hearing the order, the surrounding Jialan beasts all retreated towards the passage.

At the same time, Yue Feng also hurriedly found a place to hide.

Whoosh!

Just before Yue Feng and these Jialan beasts could hide, they saw a slender and charming figure, like a butterfly, and the figure flew in lightly.

Wearing a long red dress, with a graceful figure, she was indescribably stunning and sexy, it was Lu Xiaoshuang.

Before Lu Xiaoshuang and those experts in the rivers and lakes broke in together, they began to explore the huge palace complex. When they passed the main hall just now, they heard a vague movement inside. At that time, Lu Xiaoshuang didn't have time to think about it, and rushed in directly.

Swish!

At this time, in the hall, Lu Xiaoshuang's eyes locked on Yue Feng at once, and he was furious: "It's you again."

Earlier in the ancient tomb under the sect ruins, Lu Xiaoshuang caught Yue Feng and planned to ask Knowing how he opened the Heavenly Secret Lock, it would be considered a meritorious service in front of the master at that time.

What just annoyed her was that after all her classmates were fighting against Kuangxi and lost, that Kuangxi actually took him to escape. At this time, I never thought that I would encounter it in this mysterious realm again.

What the hell! It's really a narrow road for enemies.

Seeing that it was Lu Xiaoshuang, Yue Feng's heart skipped a beat, and then he greeted with a smile: "Beauty, don't come here."

Yue Feng's attitude made Lu Xiaoshuang very displeased, and he spat immediately: "Small smiley face, I ask you, why are you here? When Kuangxi fled before, why did he take you away, where is the ecstasy now? Also, how did you get in?" A

series of questions were just like Lu Xiaoshuang's mood at this time. .

The person in front of him, who obviously has no strength at all, first entered the underground ancient tomb and opened the secret lock. Now, he has appeared in this mysterious realm again.

It seems that wherever it is lively, he will appear wherever.

At this time, Lu Xiaoshuang was all focused on Yue Feng. He hadn't noticed that in the corners of the hall, there were a group of spirit beasts with golden light all over their bodies, watching her eagerly.

Huh...

At this moment, Yue Feng scratched his head and looked at Lu Xiaoshuang with a smile: "You asked so many questions all at once, and I really couldn't answer them for a while." The

tone was leisurely, not at all. Panic in the face of danger.

Lu Xiaoshuang frowned lightly, and was too lazy to talk nonsense at the time. He clenched his long sword and rushed to Yue Feng's eyes quickly. The tip of the sword touched Yue Feng's heart, and said coldly, "Hurry up and answer my question, or I will kill you with one sword."

This person is really not serious. If I hadn't got the answer from him, I really wanted to kill her immediately.

Thinking about it, Lu Xiaoshuang was about to continue to threaten, but when she glanced at the sides, her delicate body trembled.
