

The ultimate husband in Chinese chapter 4966-4970

Chapter 4966 Phew

...

Feeling the gentle power from Lu Xiaoshuang's pair of jade hands, Gone couldn't help letting out a sigh of relief.

It's such a great feeling to be served by beautiful women in such a place.

After pinching for a while, Lu Xiaoshuang bit her lip tightly, blushing, and whispered, "Yue Feng, is it alright now?" Lu Xiaoshuang spoke cautiously because he was afraid of the wild beasts around him.

Oops!

Yue Feng stretched his waist, and with a lazy look, pointed to his legs: "The strength is okay, press my legs again." Finally got the opportunity to let Lu Xiaoshuang serve, Yue Feng didn't want to do it. End so soon.

Lu Xiaoshuang was stunned for a moment, feeling very conflicted.

It's just a pretentious thing to say, does this Yue Feng really think of himself as an uncle?

But thinking so in his heart, Lu Xiaoshuang walked up to Yue Feng and squatted down to beat his legs.

Huh....

At this moment, Yue Feng only felt refreshed. From his point of view, it was the best angle to appreciate Lu Xiaoshuang's perfect curve.

Aware of Yue Feng's gaze, Lu Xiaoshuang's face turned red, embarrassed and angry, but did not dare to stand up.

Finally, after ten minutes passed, Yue Feng felt that it was almost the same, so he slowly stood up: "Okay, I guess they should believe it now." With

that, Yue Feng used animal language, directed at the leading Jialan beast. Said: "Okay, let this woman go out."

"Yes, Your Excellency Di Shi!" The Jialan Beast headed quickly responded, and then roared at the other companions.

This chapter is provided by . Visit for daily update.

WOW...

Hearing the order, those Jialan beasts that surrounded the door, all retreated to the side at this time, all put away their fierce side, and became extremely docile.

Hiss...

Seeing this scene, Lu Xiaoshuang's delicate body trembled, it was incredible.

In the next second, Lu Xiaoshuang reacted and looked at Yue Feng with complicated eyes: "You... when you communicated with them just now, you said animal language?"

Yue Feng nodded: "Yeah, I talked to them just now. It's done, and they no longer doubt when they see how close we were just now."

Lu Xiaoshuang replied, but instead of leaving in a hurry, he bit his lip and said, "Yue Feng, you...you Can you teach me the animal language?" If you learn the animal language, you won't have to be afraid if you encounter this situation in the future.

Maybe, if you encounter other beasts on the rivers and lakes in the future, you can also surrender.

What?

Hearing this, Yue Feng almost jumped up and asked me to call you Beast Language? If you learn this, how can I mess with it?

Thinking to himself, Yue Feng shook his head again and again: "No, the animal language I learned has never been passed on."

Lu Xiaoshuang became anxious and stomped his feet: "Teach me, after you teach me, I will encounter this kind of situation in the future. , I won't bother you anymore, right?"

When he spoke, Lu Xiaoshuang's eyes were full of sincerity, but his heart was full of fire.

This bastard, Yue Feng, asked me to serve him just now. When I learn the animal language, I must take care of you.

Yue Feng still shook his head, there was no room for negotiation: "You don't have to beg me, it's useless to beg me, the animal language I learned is a single line, and there can only be one person in the world, and if you learn it, it will be messy. "

Saying that, Yue Feng looked around: "Go quickly, these beasts are not easy to deal with, don't wait for them to regret it, and then surround you."

Yue Feng was too lazy to talk to her, so he used Jialan beast to scare her.

Huh...

Sure enough, hearing this, Lu Xiaoshuang's delicate body trembled, and she didn't have time to think about it, she quickly walked out.

Arriving at the door, Lu Xiaoshuang thought of something, and turned to look at Yue Feng: "Aren't you going?" When he said this, Lu Xiaoshuang's eyes flickered, and he secretly made up his mind.

There are so many beasts here, it's not good to force Yue Feng, but it is better to find a way to lead him out. At that time, there is no threat of beasts around, so you can teach him whatever you want.

Hehe...

Yue Feng saw the change in Lu Xiaoshuang's expression, and he secretly smiled at that time. Is this Lu Xiaoshuang trying to deceive me and force me to teach her animal language? After all, I am also the teacher of the Heavenly Emperor, how can I be deceived by your little tricks?

Thinking of this, Yue Feng waved his hand: "I won't leave first, I will communicate with these beasts and ask them if there is any treasure here..."

Chapter 4967

However, the more Yue Feng was like this, the more suspicious Lu Xiaoshuang felt in his heart.

That 's right...

these beasts have been guarding here all the time, and they know best whether there is any treasure.

Thinking of this, Lu Xiaoshuang's delicate face showed some excitement, and he quickly said: "Then ask, I will wait for you outside." After speaking, he stood outside the hall and waited.

What the hell!

Seeing this situation, Yue Feng couldn't help laughing. This woman is really difficult to deal with. She finally got out of the 'danger'. Why don't you hurry up and wait for me?

The more Yue Feng thought about it, the more helpless he became. If Lu Xiaoshuang didn't leave, he would not be able to go out. Although Lu Xiaoshuang had sworn just now, who knows if she would turn around and deny the account when she got outside.

"Ouch..."

At this moment, the leading Jialan Beast let out a low roar and said to Yue Feng: "Your Excellency Di Shi, this woman is really hateful, she has been pestering you, do you want to kill her? Yue Feng thought for

a while, then shook his head and said, "No need!"

At this moment, hearing the low roar inside, Lu Xiaoshuang was startled, and quickly asked, "Yue Feng, what happened?" , while cautiously looking into the hall.

Yue Feng turned his head and suddenly had an idea. He waved his hand to let the surrounding Jialan beasts come around, and at the same time pretended to be very frightened and shouted: "Oh, we are all friends, you can't eat me, you can't eat me. Me..."

Yelling, Yue Feng pretended to fall down.

Since Lu Xiaoshuang was unwilling to leave, Yue Feng planned to scare her again.

Oops!

Lu Xiaoshuang couldn't see the situation at all because his eyes were caught by those Jialan beasts. Hearing Yue Feng's screams and seeing him fall down, he instinctively thought he was eaten. Unsteady.

These beasts are really moody. Didn't they communicate well with Yue Feng before? How do you turn your face away?

Doubt in his heart, Lu Xiaoshuang didn't dare to stay for long, his toes were a little on the ground, and he quickly fled to the distance.

Haha...

Seeing Lu Xiaoshuang running away in fright, Yue Feng couldn't help laughing.

This Lu Xiaoshuang seems to be witty and clever, but he is just a little clever. Didn't he scare me away in the end?

Thinking to himself, Yue Feng stood up slowly, patted the dust on his body, and asked Jialan beast, "Okay, that woman has left, let's get down to business, why was this place abandoned?"

" The Jialan Beast pondered for a while, and said uncertainly: "It seems that thousands of years ago, there was a catastrophe on the Ziwei Continent. During this catastrophe, many sects perished, guarding the divine domain here. The messenger, went out to investigate, but never came back." The

catastrophe?

Hearing this, Yue Feng frowned, looking at it like this, the Heavenly Secret Palace at that time was also destroyed because of this catastrophe.

Thinking of this, Yue Feng asked again: "What happened at that time?"

The Jialan Beast headed it replied: "We are only responsible for guarding this place. We don't know anything about the outside situation."

Yue Feng frowned and continued to ask: "Then is there a teleportation array here?"

"Yes!"

The Jialan Beast nodded, but his tone was complicated: "It's just useless for a thousand years, I don't know if it's still there, the teleportation array is behind the biggest palace!"

Huh..

Hearing this, Yue Feng was very excited, and immediately said: "Okay, you guys continue to stay here, I will come when I go!" After saying that, he quickly walked out of the hall and rushed towards the largest palace in the distance. . "

...

On the other side, Kyushu Continent, Donghai City.

At this time, it was just dawn, and Gogne took a leaflet and walked slowly into the Liu's Group Building.

During this time, by absorbing the essence, Gogne's body was already He was very happy that he succeeded in condensing the demon soul. As long as he concentrated on cultivation, he would be able to return to his peak state in less than half a year.

However, on the way to the company just now, Gogne accidentally got a flyer with the words Donghai on it. The city is going to hold a ring competition. The organizer is very mysterious, but the rewards are very generous. This makes Gogne very interested.

Some time ago, because the Shaolin sect died of an eminent monk, many Shaolin sects came to Donghai City to investigate the situation. He acted rashly, and now that the wind has passed, Gogne wanted to take this opportunity to practice his hands in the ring

competition to see if Liu Hao's mortal body could fully utilize the power of his demon soul.

Chapter 4968

Made up his mind, Gone is going to return to the office and change his clothes. After all, this suit is a bit inappropriate to directly participate in the ring competition.

Squeak... Opening the door of the office, Gogne

frowned suddenly, and then looked at the desk with great alertness.

I saw a woman sitting quietly on the chair behind the desk. Her facial features were exquisite and her curves were charming, but her face showed a bit of indifference. Like an orchid blooming in an empty valley.

It was Xiao Yuruo.

Yes, a few days ago, Xiao Yuruo learned that her sister had been sucked out of the essence. After learning about the situation at the time, she was the first to suspect Gone's body.

"Who are you?" Gone

quickly reacted, sitting quietly on the sofa, looking at Xiao Yuruo and asking, "Can you come to my office without alerting the security guard downstairs, you must be someone from the world?"

The Supreme Being of the Demon Race, Gone was used to seeing strong winds and waves, so naturally he would not be panicked by the sudden appearance of a woman.

Gone's calmness also made Xiao Yuruo frown secretly.

She thought that the young master of the Liu family would be surprised or angry when he saw her here, but she never expected that the other party would be so calm.

call!

Thinking to herself, Xiao Yuruo breathed a sigh of relief and said lightly: "So calm, you are not just as simple as the young master of the Liu family, right?"

Hearing this, a gleam of light flashed in Gone's eyes, and he smiled but did not respond.

However, Xiao Yuruo's next sentence made him suddenly change color.

“Liu Hao!”

At this moment, Xiao Yuruo slowly stood up and stared at Gone quietly: “Xiao Qingyi, do you know her? She is my younger sister. I came here to ask you, she was sucked out of energy, is it related to you?”

” At the time, Xiao Yuruo’s eyes were cold and she resisted the urge to shoot.

Before coming, Xiao Yuruo had already inquired about the young master of the Liu family, and learned that the young master of the Liu family had never joined the sect and had never practiced. However, Xiao Yuruo still concluded that Xiao Qingyi had absorbed the essence, and it was not the young master of the Liu family who did it. Yes, but also indirectly related to him.

Huh ... The smile on Gone’s face froze, he slowly stood up, looked at Xiao

Yuruo and said with a half-smile, “How about it? What about not?”

Said: “If it’s you, I’ll pay for my sister’s life.” One day ago, Xiao Yuruo found Shennong. At that time, Shennong saw Xiao Qingyi’s situation and tried to save her life, but he couldn’t completely eradicate it.

After all, essence is very important to a person. Once the essence is gone, the whole person will become muddled.

When the voice fell, Xiao Yuruo didn’t talk nonsense, she walked lightly, and stabbed Gone with a sword!

call!

This sword contained Xiao Yuruo’s ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

Seeing Xiao Yuruo attacking, Gone sneered and stood there as steady as Mount Tai!

“With your strength, do you want to teach me a lesson?”

Seeing the long sword coming to him, Gone said coldly, and then he shot the electricity, and his two fingers were like iron tongs, tightly gripping the long sword.

What?

At this moment, Xiao Yuruo’s beauty turned pale, and she never thought that the young master of the Liu family in front of him looked thin and weak, but he was actually a cultivator, and his strength was so strong.

In desperation, Xiao Yuruo abandoned the long sword, flipped her hand over, and slapped the palm towards Gone's heart!

Hehe...

Seeing this, Gone chuckled lightly, with a relaxed expression on his face, and greeted him with a palm.

boom!

The next second, the two palms touched each other, and a dull vibration sounded. At this moment, Xiao Yuruo's delicate body stepped back several steps, her face instantly ugly!

At the same time, he was shocked inside.

powerful! The strength of this young master of the Liu family is simply too strong.

Xiao Yuruo believes that after so many years of intensive cultivation in the Ouyang family, her strength has reached the pinnacle of strength. Even if she can't look down on Kyushu, she still has the confidence to fight against those sect leaders, but she didn't expect that facing this young master of the Liu family today, Not even a single move could stop it.

Chapter 4969

"You..."

At this moment, Xiao Yuruo stabilized her figure, looked at Gone in shock and anger, her face was full of incredible!

This... This young master of the Liu family is hidden, could it be...

Thinking of this, Xiao Yuruo almost exclaimed: "Did you absorb Qingyi's essence?"

Haha!

Gonie smiled lightly: "What's the use of knowing now? Anyway, you have fallen into my hands now, you can't beat it, and you can't avenge your sister."

As he spoke, Gonie walked over slowly, up and down He looked at Xiao Yuruo.

Yes, this woman is beautiful. The previous Xiao Qingyi was already amazing, but the person in front of her had a little more gentle temperament.

"You..."

Gone's gaze made Xiao Yuruo very unhappy, and she panicked in her heart: "What do you want to do? Let me tell you, my man is Yue Feng, the former Lord of Tianmen, the hero of Kyushu, how dare you being rude to me, he won't let you go."

Xiao Yuruo was very keen, she could see the desire in Gone's eyes, so she hurriedly reported Yue Feng's name, intending to make him jealous.

However, she didn't know that the people in front of her didn't even care about the Nine Heavens God, how could she be afraid of Yue Feng?

Yue Feng?

At this moment, Gone's pupils shrank, and his face became gloomy: "Your man is Yue Feng? The kid who was named the Nine Heavens Profound Sage by the ancestors

of Honghuang?" The child was set on fire.

Mad, if it weren't for Yue Feng, the Demon Race would not have been defeated, and the Nine Heavens God would not have found an opportunity to perish with him.

It can be said that now, with the help of the human body, I live carefully, all thanks to Yue Feng.

Hearing Gone's question, Xiao Yuruo frowned secretly.

How did he know that Yue Feng was the Nine Heavens Profound Sage, and also the title conferred by the ancestors of the Great Desolation? You must know that very few people in the Kyushu mainland know about this matter.

Doubt in her heart, Xiao Yuruo met Gone's eyes needlessly: "Yes, it's him, you are not the young master of the Liu family, who are you?"

Xiao Yuruo was not stupid, but he also sensed it at this time, the person in front of him could not be The young master of the Liu family, because everyone in Donghai City knows that the young master of the Liu family never gets involved with people in the arena, he is just a poor young master, and the person in front of him is not only powerful, but also knows a lot of unknown things.

The corners of Gone's mouth twitched: "It doesn't matter who I am, the important thing is that you are Yue Feng's woman." As the

voice fell, Gone suddenly raised her hand and cut a palm on the back of Xiao Yuruo's neck, Xiao Yuruo could hardly react. , it was dark in front of him, and he fainted directly.

call!

At this moment, Gogone looked at Xiao Yuruo who was in a coma, and said to himself: "It's really God's will in the dark, Yue Feng, Yue Feng, you hurt me so badly, I didn't expect that one day, your woman would Take the initiative to bring her to the door."

"Forget it, go to the ring competition first, and then deal with this woman when you come back."

After saying this, Gogone sealed Xiao Yuruo's acupuncture point, then hid her in the closet next to her, and then changed her clothes. , rushing towards the place where the ring is being held.

After half an hour. Neptune Square.

I saw that the originally lively Sea King Square was now crowded with tens of thousands of people, and it was indescribably lively.

On the seat in the center of the square, a huge ring was built.

On the viewing seat next to the ring, Yu Du sat there quietly, with no expression on his face, yes, as a planner, Yu Du was in charge of the ring in Donghai City.

Seeing so many people participating today, Yu Du was very excited, but because of his status, he didn't show it.

Soon, seeing that the time was almost up, under Yu Du's signal, the host hurried onto the stage, looked around and shouted: "Since the situation in each arena is very hot, change the rules now, whoever thinks they have the strength, don't need to Sign up, just go to the stage, and then we will have our own rewards."

Wow!

The voice fell, and the audience was boiling. Many people are eager to try, but no one wants to be the first to take the stage.

Whoosh!

At this moment, a figure slowly walked up to the center of the ring, and said lightly: "I'll come first, who will come up to challenge?" The voice was not loud, but everyone in the square could hear it clearly.

It was Gogone.

Chapter 4970

Swish!

In an instant, the eyes of the audience all converged on Gone. Many people whispered.

“Where did this person seem to have seen...”

“Is it the eldest young master of the Liu family who has a good reputation?”

“Yeah, he has never practiced, isn’t this courting death?”

Under the discussion, many people Couldn’t help but chuckle. They all felt that when Gogne came to power, he was completely courting death. Immediately afterwards, many people came to the stage enthusiastically.

A rich young master, can’t he be beaten down easily?

“Haha, I’m going to challenge!”

Soon a strong man rushed up first, his eyes fixed on Gone, unable to hide his contempt: “Boy, good rich people don’t do it, come here to fight in the ring? You guys? These rich people are really unpredictable.”

After speaking, the strong man took a step forward and said with a smile: “Master Liu, you don’t recognize people with fists and feet, otherwise, wait for you to give I’m two million, I’ll start lightly, remember, my name is Zhao Yanxiao, don’t give the money to the wrong person later, haha...”

Boom!

The voice fell, and there was laughter around the arena.

Gone’s face was indifferent, and he said lightly; “Don’t talk nonsense, just do it directly, if I really want to kill you, I will pay your family burial expenses.” The

voice was not loud, but it was extremely cold.

call!

Hearing this, Zhao Yanxiao was stunned for a moment, and then his face turned gloomy.

At the same time, there was an uproar in the audience.

This Zhao Yanxiao looks at the strength, at least above the Martial Sage, and this young master of the Liu family, who should have never practiced, is actually shameless.

Could it be... that something went wrong with his Liu Group and was going to go bankrupt... so he came to seek death?

“Good boy!”

Finally, Zhao Yanxiao reacted, looked at Gone closely, and grinned: “Your tone is not small, then I will see the strength of your rich young master.” The

voice fell, and he suddenly shouted, his right hand Summoned a long sword, the blade was like snow, turned into a streamer in the air, and slashed towards Gone fiercely!

Hiss...

Seeing this scene, many people in the audience couldn't help but exclaimed.

“This... This seems to be the long-lost ‘Snow Shadow Crazy Blade’ trick.”

“I didn't expect that Zhao Yanxiao, who seems to be ordinary, has a hidden skill.”

“Looking at the situation, this young master of the Liu family is sure to die . Ah, it's a pity...”

Under the discussion, everyone shook their heads secretly, in their hearts, Gognie's appearance was completely courting death. However, the next scene left them stunned.

Bang.

Seeing that Zhao Yanxiao's long knife was about to hit him, Gone stood there, not moving at all, but raised his right hand lightly and pinched the blade with two fingers...

In an instant, the audience was in an uproar . .

This... This young master of the Liu family is so powerful?

What?

At the same time, Zhao Yanxiao's expression also changed, and his heart was extremely shocked. You must know that this sword contained his ninth-level internal strength, and it was so easily blocked by Gone. Moreover, the opponent did not use the weapon, but just held the long sword with his fingers.

Is that human being?

“You're not my opponent, get out of here!” Gone sneered at this moment, then raised his hand and slapped Zhao Yanxiao on the shoulder.

boom!

Zhao Yanxiao didn't have time to dodge at all. With a miserable howl, he flew out, tens of meters away, and landed under the ring. At that time, a mouthful of blood spurted out and he passed out.

quiet!

The whole square was silent, and everyone was dumbfounded.

At this moment, Yu Du, who was sitting in the spectator seat, was shocked at the same time, but he couldn't tell how excited he was. He didn't expect such a powerful master to be hidden in Donghai City. Haha, this kind of talent must be used for his own use and let him Join Gorefiend.

At this time, Gone gave a faint look at Zhao Yanxiao, who was unconscious, and then looked around coldly: "If anyone is unconvinced, feel free to come up. If one person thinks that it is not good, he can call a few more people."

His voice was cold and arrogant . .

The demons are already bloodthirsty. As the supreme being of the demons, after Gone had occupied Liu Hao's body, just after condensing the demon soul, he couldn't help but want to fight.

Hearing this, many people in the ring suddenly changed color.

Crazy, so crazy.
