

The ultimate husband in Chinese chapter 5016-5020

Chapter 5016

At the same time, Wen Xiaoyu also discovered these, and couldn't help but whisper: "These... are they from the Hailong Palace who have been in the limelight recently?"

Hailong Palace, in less than two months Time has ruled the pirate organizations of all sizes in the outer seas, and their strength is so strong that even the major sects in Kyushu that have been passed down for thousands of years dare not provoke them easily.

As the young master of the Hall of Longevity, Wen Xiaoyu naturally understands these situations very well.

Um!

Yue Wuya nodded, but his eyes were fixed on Huan Linger in the crowd on the beach, and he was extremely anxious.

Linger fell into the hands of the Sea Dragon Palace, which was a little troublesome. There were only himself and Wen Xiaoyu here. If you really want to do it, I'm afraid it will be difficult to rescue people.

Even if a summoning order is issued now to summon the people from Tianmen, I am afraid it will not be too late.

At this moment, I saw that all the people of Huan Linger were taken to the big boat, and then the big boat set sail and headed for the depths of the sea.

"Brother Wuya, what should I do?"

Seeing this scene, Wen Xiaoyu was also a little anxious and couldn't help standing up.

Yue Wuya was even more anxious, but he still tried to calm himself down at this time. He took a deep breath at that time and said slowly: "We will definitely not be able to face it head-on, we can only follow up first."

After that, Yue Wuya said Rush down the cliff quickly. Wen Xiaoyu followed closely.

Two minutes later, Yue Wuya and the two found a small boat and chased after the ship in the direction of the departure of the Sea Dragon Palace.

Chunyang Palace!

After half a day, the elites of the three major sects came out to arrest and expel all the people who broke into the mysterious realm of the sky. After the matter was over, the conference on Taoism was postponed.

After this incident, the Palace Master of Chunyang Palace immediately called the elders for a meeting.

At this time, in the hall, all the elders of Chunyang Palace were all present. As the just-appointed Pill Pavilion Master, Yue Feng will naturally also be present.

I saw that there was a throne in the middle of the hall. Sitting on it is a figure with thousands of postures, which is the Palace Master of Chunyang Palace, Su Lan.

Su Lan is the twenty-third generation head of Chunyang Palace. She is in her thirties this year, but she is well maintained and her strength is unfathomable.

Today, Su Lan, wearing a dark purple dress, is sexy and charming, and at the same time gives people a feeling of 'mother in the world'.

call!

Although Yue Feng knew that the palace owner was a beautiful woman on his way to Chunyang Palace, he couldn't help but light up when he saw Su Lan at this time.

Beautiful, I didn't expect the palace master to be so sexy.

In addition to Su Lan, Ye Feng looked at the elders around him. In addition to the first elder, Daoist Qianqiu, there were also four elders. It was the first time that Yue Feng had met.

The second elder, Chen Ya, is also a woman, in her forties, her charm is still alive!

The third elder, Gu Chen, was thin, but his face was full of arrogance.

The last tall man was the fourth elder, Temur, who had an honest personality and possessed unparalleled divine power.

call!

At this time, Su Lan looked around, and finally her eyes fell on Yue Feng, her eyes full of curiosity.

It was also the first time she saw Yue Feng, and she had heard Taoist Qianqiu specially say that this person could refine medicine pills, but now it seems that this person is so young that he can't be associated with the medicine alchemist.

“Palace Master!”

At this moment, the third elder Gu Chen strode out, first glanced at Yue Feng contemptuously, and said loudly: “This Yue Feng is so young and his strength is still so low, the first elder actually proposed to let him do it. Pill Pavilion Pavilion Master, isn't it too playful?”

When he said this, Gu Chen gave Daoist Qianqiu a provocative look.

Although they are all elders, Gu Chen has always been at odds with Daoist Qianqiu. Although Daoist Qianqiu is a great elder, he is qualified to arrange the position of Pill Pavilion Pavilion Master, but it also makes Gu Chen very uncomfortable.

Chapter 5017

Call!

Seeing this situation, Yue Feng smiled bitterly, it seems that his wish to cultivate well in Chunyang Palace is about to be dashed.

It's only the first day here, and some people don't like him.

Taoist Qianqiu also changed his face and walked out very unhappy, and said to Gu Chen: “What do you mean? I, Taoist Qianqiu, are loyal to Chunyang Palace, and in such an important position as Pill Pavilion Pavilion Master, I will be random. Are you coming?”

The Taoist Qianqiu was very angry at this time.

This ancient morning is really hateful. Whenever he gets the chance, he goes against me everywhere.

Hehe...

Hearing this, Gu Chen sneered, and said yin and yang strangely: “What is the truth, you know it well.”

Seeing him like this, Qianqiu Daoist is not good, but he doesn't bother to pay attention to it, and bows his hands to Su Lan. : “Palace Master, this Yue Feng's strength is not high, but his accomplishments on his face, I have seen it with my own eyes

. come out.

At the end, Taoist Qianqiu said slowly: "At that time, there were many disciples around who saw it, which can prove that this old man is not lying!"

Wow!

The words fell, the entire hall was in an uproar, and all the eyes on the scene looked at Yue Feng in astonishment, and they were speechless.

At such a young age, he was able to concoct alchemy on the spot, and he used a copper cauldron to refine it...

It's unbelievable to think about.

At this moment, Su Lan also nodded slightly, looked at Yue Feng and smiled lightly: "Since the first elder said so, it seems that you have real materials, okay."

Saying that, Su Lan looked around and said slowly: "From now on, this palace announces that Yue Feng is officially the Pill Pavilion Master of our Chunyang Palace, this matter is settled, and everyone should not have any objections. "

It wasn't loud, but there was no doubt about it.

At this moment, Gu Chen felt very unhappy, but the Palace Master had spoken, and he did not dare to say anything.

After all, the Palace Master always walks the talk, she has made a decision, who dares to refute?

Haha...

At this time, Taoist Qianqiu was very happy, and congratulated Yue Feng: "Brother Yue Feng, I'm right, the palace master has a discerning eye, and will definitely promise to let you be the master of the Pill Pavilion. " Speaking, Taoist Qianqiu did not forget to sneer

at Gu Chen: "It's not like some people, who have no eyes, no bullshit!" It's not easy to attack, but he just glared at Taoist Qianqiu. At the same time, other people around also gathered around and congratulated Yue Feng. Yue Feng smiled, and after greeting them one by one, he moved forward slowly, and said to Su Lan with a smile: "Thanks to the appreciation of the palace master, I am very grateful to be the master of the Pill Pavilion. Before coming, I prepared a medicinal pill to express my gratitude to the Palace Master." After speaking, Yue Feng took out a medicinal pill from his body. Although Yue Feng promised to stay in the Chunyang Palace, the main purpose was to integrate the power of the Heavenly Marrow Jindan, so as to quickly restore the divine power, but in any case, since he was in the Chunyang Palace, he had to find a way to please some palaces. host. After all, after making the Palace Master happy, it will be much more convenient to do things in Chunyang Palace later. Therefore, just before

coming to the main hall to gather, Yue Feng took the opportunity to secretly refine a magic face bead.

Huanyanzhu, as the name suggests, can make people's faces more beautiful, and can make ugly girls beautiful. Back then, when Liu Xuan was beaten by Lu Jiechen, the leader of the Ming sect, she used a poisonous palm to hit her and became extremely ugly. Not wanting to live anymore, Yue Feng traveled almost all over the continent of Kyushu in order to treat her face.

Later, Yue Feng learned from Chang'e that there was a kind of magic face beads in the Beiyang Palace, which could make people beautiful, so he brought it to Liu Xuan to take. As a result, Liu Xuan regained her appearance and even became more beautiful than before. beautiful.

It's just that Yue Feng only got one at that time, and after Liu Xuan took it, there was no more, and there was no refining method for Huanyan Pearl at that time.

However, Yue Feng never gave up trying to make it. Later, Yue Feng became the master of Prince Aolin in God's Domain. In his spare time, he studied how to make magic face beads.

Chapter 5018

At the end, it was really researched by Yue Feng.

Later, Yue Feng wanted to return to the Kyushu Continent, but he came to the Ziwei Continent by accident. He was thinking about going back, and he forgot about the Huan Yanzhu.

And when I came to see you today, Su Lan, Yue Feng suddenly remembered.

Yue Feng knew in his heart that no matter what kind of woman she was, she had an indescribable obsession with her appearance, and she couldn't stop the temptation to become even weaker.

Swish!

In an instant, the eyes of the entire hall were all focused on Yue Feng's hands, and they saw that this medicinal pill was actually colorful and colorful, and the appearance was filled with spiritual energy, which was very attractive.

Su Lan's delicate face was also full of curiosity, and she asked Yue Feng with a smile: "The pavilion master has this intention, this palace is very pleased, this medicinal pill is so beautiful, I don't know what it is called? What effect does it have? Ah?"

Su Lan was unspeakably excited when she said this.

You must know that as the Palace Master of Chunyang Palace, although you don't know how to concoct pills, there are also a lot of top-quality pills in the Palace of Pure Yang.

However, the pill that Yue Feng took out in front of him had never been seen before.

Colorful medicinal pills, let alone seen, just never heard of it.

Phew...

At the same time, everyone around was watching Yue Feng closely, waiting for his answer.

Especially the Taoist Qianqiu, who is full of smiles. After all, Yue Feng was attracted by him. At this time, he took out such a gorgeous medicinal pill and presented it to the palace master, and he also had a face.

However, Gu Chen, who was standing aside, was full of disdain.

At this moment, Yue Feng smiled slightly, looked at Su Lan and explained, "Reporting to the Palace Master, this medicinal pill of mine has an extraordinary origin. It is called Huanyanzhu, or Huanyandan, which has the effect of maintaining beauty and beauty. , stay young forever..."

Hiss.

Hearing this, everyone present couldn't help but take a deep breath of cold air, and they were all shocked.

Is there such an elixir in the world? If it's what he said, it's priceless. Su Lan was also so excited that she even forgot her identity, her delicate face was full of joy, she quickly stood up and said, "Is what the pavilion master said true? Does

it really have such an effect?" This is the dream of any woman in the world. Although Su Lan is the Palace Master of Chunyang Palace, she is also a woman, so why not get excited? Haha.. At this moment, Taoist Qianqiu laughed and praised Yue Feng:

"Brother Yue Feng, you really have a heart, you must know that our palace lord is the number one beauty in the rivers and lakes, and now we have this illusion. Pearl, the appearance is even more unparalleled." Saying that, Taoist Qianqiu helped to take the Huanyan Pearl and walked quickly to Su Lan: "Palace Master, Brother Yue Feng is so caring, you can take it quickly, or let it be We've known each other for a long time."

Hmm! Su Lan nodded, took the medicine pill and took it. You must know that Su Lan trusts Taoist Qianqiu very much. At this time, seeing that he respects Yue Feng so much, coupled with the effect of this medicine pill, is so tempting, naturally there is no hesitation. call! Seeing that the Palace Master took the medicine pill, all of the people in the hall were staring at Su Lan, holding their breath and waiting quietly for the effect!

Yue Feng and Taoist Qianqiu stood aside, chatting and laughing, very relaxed and comfortable.

“Brother Yue Feng, do you have any other rare medicinal pills?”

“Of course there are. When there is time in the future, my brother will refine a few for the Great Elder.”

“Haha...Okay, okay.” The

two laughed, time has passed.

Wow...

Ten minutes passed in the blink of an eye, and everyone couldn't help but take a deep breath and was amazed.

I saw Su Lan's delicate face, which obviously looked different from before, more rosy and lustrous, and looked much more beautiful than before, radiant and indescribably bright and moving.

Especially the female disciples around, covering their mouths one by one, their eyes full of amazement.

This...is this the effect of the magic face beads?

Amazing.

“Okay, okay...” At this time, Su Lan looked in the mirror, and she was also elated and overjoyed. After saying a few good words in a row, she looked at Ye Feng's eyes and praised it extremely: “Pill Pavilion Pavilion Master really has a heart, from now on, I will give you the Palace Master Jade Order to enjoy the treatment of the Deputy Palace Master.”

Chapter 5019 After speaking

, he took out a jade order from his body and asked the maid next to him to hand it over to Yue Feng.

Yue Feng was not polite, took it in his hand, and thanked him with a smile: “Thank you, Palace Master!”

Wow!

At this moment, the entire hall was in an uproar, and everyone looked at Yue Feng with incomparable envy. This Yue Feng, who had just become the pavilion master of the Pill

Pavilion, was now given the palace master jade decree and enjoyed the treatment of the deputy palace master.

This is an unprecedented treatment in the entire Chunyang Palace.

Hehe...

But at this moment, Gu Chen, who had been watching with cold eyes, immediately sneered, then strode out, and said to Su Lan: "Palace Master, what is a mere phantom bead? I was in the mysterious realm of heaven before, expelling it. When the rivers and lakes were young, their subordinates accidentally got a golden pill."

After speaking, he took out a pill from his body, and saw the pill, golden light, very dazzling.

Hiss...Kindane.

At this moment, whether it was Su Lan or everyone present, they were all shocked, their eyes locked on the golden pill in Gu Chen's hand, and they were shocked.

The three major sects have controlled the Heavenly Mysterious Realm for nearly a hundred years. In the past hundred years, the Chunyang Palace has also entered into the exploration many times. I know very well that this secret realm is left by the gods, and the medicinal pills in it are extremely rare, even if it is The alchemists on Ziwei Continent have not broken their inheritance, and they cannot refine them.

In particular, the golden core is something unique to the gods. According to legend, after taking Jindan, you can be reborn and possess supreme divine power.

It's just that over the years, Chunyang Palace has probed it hundreds of times. Except for some ordinary medicinal pills, I have never seen the shadow of the legendary golden pill.

Unexpectedly, Gu Chen found one this time.

call!

At this moment, Taoist Qianqiu frowned and looked at Gu Chen tightly, unable to speak for a while, and felt very unhappy in his heart.

Ma De, no wonder Gu Chen dared to embarrass me in person today. It turns out that he found the golden elixir, which is why he is so confident.

Jindan?

At the same time, Yue Feng was stunned for a while, secretly looking at the golden pill in Gu Chen's hand, thinking.

Judging from its appearance and luster, it should be a golden core, but it seems that it has been sealed for a long time.

“Not bad...”

At this moment, Su Lan recovered and said excitedly: “Quick, show it to me.” His voice trembled, you know, this is a golden pill.

As long as you eat it, you can have supreme divine power. Who wouldn't be excited when you see it?

Gu Chen showed a smug smile, strode forward, and was about to hand over the golden pill to Su Lan.

At this time, Gu Chen's heart was almost a little swollen. You must know that Jindan is a treasure that everyone in Jianghu dreams of and cannot get. Today, it is dedicated to the palace master. In the future, his status in the Chunyang Palace will rise with the tide.

What Qianqiu Daoist, the Pill Pavilion Master Yue Feng, sees himself, and he has to behave himself with his tail between his legs.

For a time, the more Gu Chen thought about it, the more excited he became.

“Wait!”

At this moment, Yue Feng suddenly said: “Palace Master, I'm afraid there is something wrong with this golden pill.” I was

not sure just now, but now, Yue Feng is more certain in his heart, the one in Gu Chen's hand It is indeed a golden core, but this golden core, in the mysterious realm of the sky, has been dusty for many years, and the effect has already changed.

After all, Yue Feng was the teacher of the Emperor of Heaven. He had stayed in God's Domain for a long time in order to teach Ao Lin before, and he could tell at a glance whether the golden core had failed.

You must know that Jindan is something that only exists in the realm of the gods. It contains an incomparably full of spiritual energy of heaven and earth. In the mysterious realm of heaven, the spiritual energy of heaven and earth is thin, and if it is placed for a long time, the effect will naturally decay slowly.

As for Yue Feng's Heaven Marrow Golden Pill, although it was obtained from the Heavenly Mysterious Realm, this Celestial Marrow Golden Pill was always held by the

fairy, and the fairy deployed a spirit on the surface of the Celestial Marrow Golden Pill. Power protection, so it has not failed.

And Gu Chen's golden pill was obviously not protected by the deployment of spiritual power.

Of course, this is not important. The important thing is that taking Jindan rashly after it fails will be very dangerous. It is precisely because of this that Yue Feng will come forward to stop it.

Chapter 5020

Swish!

At this moment, Yue Feng's voice was just upstairs, and the eyes of the entire hall instantly converged.

Gu Chen was even more angry, stared at Yue Feng and shouted: "What did you say just now, do you say it again?" Ma De, he finally got the golden pill from the mysterious realm of the sky, he actually said that there is a problem ?

Who is this, who is not angry?

At the same time, the eyes of the people around were also a little complicated.

call!

Yue Feng breathed a sigh of relief, smiled, walked over slowly, looked at Gu Chen seriously, pointed at the golden pill in his hand, and said, "I said, this golden pill has been sealed in the secret realm for many years, and it has expired. "

Furthermore, this is not something that only exists in the human world. If you take it rashly, it may be life-threatening."

Ineffective?

Hearing this, Gu Chen's eyes twitched, and then he sneered: "It's ridiculous, what kind of magic face beads are you presenting to the palace lord, you are talking about it, and it is rare in the world, so no one else is allowed to offer Dan to the palace lord. Medicine?"

"Your magic face beads are good, so you deliberately said that my golden elixir is invalid? I see, you are afraid that I will steal the limelight?" After speaking

, Gu Chen said with a straight face: "I I am loyal to the Palace Master, and I never thought of deliberately trying to please the Palace Master. When I got Jindan, the first

thing I thought of the Palace Master was completely sincere, but you, this kid, deliberately did bad things? You said, What's your peace of mind?" The

words, impassioned, directly described Yue Feng as a narrow-minded 'villain'.

Whoa!

At this moment, everyone around was also whispering, and looking at Yue Feng's eyes, it became complicated.

"Could it be that Elder Gu Chen is right..."

"I can't see that Yue Feng is so gentle and gentle, and his mind is so narrow." "

Who knows, let's look at the situation."

, When I heard a sentence, Yue Feng just pretended he didn't hear it, but looked at Su Lan and said, "Palace Master, I don't mean anything else. There is indeed a problem with this golden pill.

" He walked out and helped Yue Feng to speak: "Palace Master, I believe Brother Yue Feng, he is very accomplished in the art of alchemy, and he will definitely not see it wrong." After speaking, he

couldn't help but glance at Gu Chen. . Ma De, this Gu Chen clearly wanted to steal the limelight himself, but conversely, he said that Brother Yue Feng is a villain, which is really hateful.

This...

Hearing this, Su Lan pondered, Xiumei frowned, and she was a little uncertain for a while. Seeing this situation, Gu Chen was completely anxious, pointed at Yue Feng and shouted: "You still want to talk nonsense

, right? You said that this golden pill is invalid, how do you prove it?"

Gathered on Yue Feng.

Yeah..

he said it failed, how to prove it?

Facing the eyes of everyone, Yue Feng smiled lightly, looked at Gu Chen and said: "It's very simple, find someone to take it and see if it works."

"If you don't believe it, we can make a bet. You deal with it."

“If the golden pill is invalid, how about you kneel down and kowtow to me three times?”

Seriously, Yue Feng didn't want to challenge Gu Chen, but this man's aggressive attitude really made Yue Feng intolerable.

What?

Hearing this proposal, Gu Chen's expression changed. He didn't seem to have thought that Yue Feng would bet with him.

The next second, Gu Chen subconsciously glanced at Su Lan.

This golden elixir was originally dedicated to the palace lord. If it was a bet, it would be inappropriate for the palace lord to take it.

But .. this is a golden elixir, and it is reluctant to let others take it.

“Okay!”

After struggling for two minutes, Gu Chen gritted his teeth and said to Yue Feng, “I bet you, I take this golden pill myself, I don't believe it, it's really like what you said, it can Dead man.” The

voice fell, Gu Chen threw the golden pill into his mouth and swallowed it directly.

In his heart, this golden elixir was not suitable for the palace lord to take, and he was reluctant to give it to others, so he simply took it himself. After all, this is a golden pill. If it doesn't fail, after taking it, its strength will definitely improve by leaps and bounds.

Even if it fails, it cannot be as serious as Yue Feng said, and it will only be uncomfortable for a few days at most.
