

The ultimate husband in Chinese chapter 5121-5130

Chapter 5121

Mad! The strength of this Beihai Constellation Great Elder is so strong?

The more Xu Wenliang thought about it, the more anxious he became. If he kept fighting like this, he was afraid that he and Leng Yue would both be arrested.

Thinking about it, Xu Wenliang shouted at Leng Yue: "Fairy, leave those disciples alone, let's deal with this great elder together." As the chief disciple of Nianhua Palace, Xu Wenliang knew that it would be better to catch the thief first than the king. reason.

As long as Zheng Xuan is under control, he is not afraid that these disciples will surrender without disarming.

However, he didn't know that Leng Yue performed a stunt just now, and his internal strength was severely depleted. How could he have the intention to deal with Zheng Xuan with him at this time?

call!

Hearing Xu Wenliang's call at this time, Leng Yue let out a light sigh of relief, and with a palm pushed back the two Beihai constellation disciples in front of her, and said softly, "Xu Wenliang, we'd better break through separately."

"I'll lead someone first. Go, you can also find a way to leave, don't fight." After the

last word fell, Leng Yue turned around and rushed towards the broken temple, very decisive. Leng Yue has been walking on the rivers and lakes for so many years, and she is best at judging the situation. In the current situation, there is no benefit in continuing to fight.

What's more, there is also a VIP of the Four Seas Alliance, so the best way is to break out separately.

Want to run?

Seeing the situation here, Zheng Xuan frowned, and immediately ordered the disciples: "Don't let this woman run away, stop her..." The Red Clothes Sect is both righteous and evil, and it is with one of the three major sects. The North Sea Constellation is the opposite.

Just now Xu Wenliang had been teasing Zheng Xuan, making Zheng Xuan very angry.

And this Leng Yue, as a saint of the Red Clothes Sect, and with Xu Wenliang, naturally couldn't let it go easily.

Whoa!

This chapter is provided by . Visit for daily update.

After hearing the order, dozens of Beihai Xingsu disciples burst out with internal energy and chased after Leng Yue.

Shit ...

At this moment, Xu Wenliang was furious.

Especially seeing Leng Yuetou rushing into the ruined temple without looking back, wanting to part ways with herself, her heart was even more angry, Nima, this woman is really cold-blooded and ruthless.

On the way before, I took care of you in every possible way. If you don't appreciate it, forget it. Now, at a critical juncture, you left me and left.

Thinking of this, Xu Wenliang only felt that he had been greatly humiliated, his face was grim, and his eyes flashed with a trace of resentment. As the chief disciple of Nianhua Palace, he was suave, especially when it comes to women, he has always been able to capture, but this time, How can you swallow this bad breath?

For a while, Xu Wenliang became annoyed the more he thought about it, and suddenly swore in his heart.

Well, you cold moon, when I was useful, I shouted to and drank at me, and now when the critical moment is reached, kick me away, and you wait for me.

After making up his mind, Xu Wenliang clenched his sword tightly, and while responding to Zheng Xuan's attack, he shouted, "Elder Zheng, we have no grievances and no grudges

. Dealing with Zheng Xuan, it is impossible to reverse the situation, it is better to admit it in time.

Hehe...

However, Zheng Xuan didn't give him a chance to reconcile at all. He sneered at that time: "Boy, when you played with me before, you were very arrogant. Now that your companion runs away, you don't want to fight?"

"Stop talking nonsense, I think you should just be obedient and capture it." The

voice fell, Zheng Xuan's internal strength exploded, and the offensive became even more severe.

Nima!

Seeing that Zheng Xuan didn't give face at all, Xu Wenliang was furious and even more bitter in his heart, so he had to bite the bullet and continue to fight with Zheng Xuan.

.....

the other side.

After Leng Yue rushed back to the broken temple, she did not return to the main hall, but arrived at the side room for the first time.

At this time, Yue Feng had already broken free from the rope, and his divine power had almost recovered.

"Follow me!"

However, Leng Yue, who rushed in, didn't notice anything wrong with Yue Feng. When he got there, he took out a white silk bag from his body, put it directly on Yue Feng's head, and then pulled his hand rushed out quickly.

In Leng Yue's heart, Yue Feng is the VIP of the chief leader of the Four Seas Alliance, and he has an extraordinary status. The Four Seas Alliance had just robbed the materials of the Red Clothes Sect, so he must be brought back to the main altar. an explanation.

In this case, Yue Feng must not be discovered by the people of Beihai Xingsu.

Chapter 5122

However, Leng Yue did not know at this time that Yue Feng was not only a VIP of the Four Seas Alliance, but also the Pill Pavilion Master of the Chunyang Palace, and an alliance with Beihai Constellation.

Uh...

Suddenly Leng Yue covered my head with a silk bag, Yue Feng was curious and ridiculous, what is this woman doing with my head? Are you afraid of being discovered?

Speaking of which, Yue Feng had almost recovered his divine power at this time, and it was very easy to break free from Leng Yue, but he felt her soft hand pulling him, and at that moment, he gave up his plan to fight back.

In the blink of an eye, Yue Feng was taken out of the side hall by Leng Yue.

Swish!

It was at this moment that the dozens of elite disciples of Beihai Xingsu who caught up also discovered Yue Feng, but he was covered with a silk cloth bag, so none of them recognized him.

“There are people here...”

“It must be their accomplices.”

“Stop, stop them all...”

Under the shouts of dozens of elite disciples, they urged their figures and quickly surrounded them.

What a bunch of ghosts.

Seeing these disciples rushing up, Leng Yue’s beautiful face, unable to hide her disgust and anger, immediately waved her jade hand and threw a few black beads.

Bang Bang Bang...

These black beads seem to be inconspicuous, but their power is not small. When they reach the crowd, they burst immediately, bursting out with a pungent disgust. Those elite disciples were too late to react, and many were injured.

And those who were not injured, smelling the pungent smell, also retreated.

This black bead is exactly the product of the first sect’s Tianji Palace a thousand years ago, called Thunder Bead. Half a year ago, Leng Yue walked across the rivers and lakes and got it by accident, but it has never been used.

Whoosh!

Seeing those disciples retreat, Leng Yue didn’t have time to think about it, bit her lip tightly, and pulled Yue Feng to quickly rush out of the broken temple.

Whoa!

Seeing this scene, the dozens of elite disciples were all shocked and angry.

“The woman ran away with her accomplice...”

“We chased...”

“This woman has a hidden weapon on her body, we can’t do it alone, hurry up, send out a firework signal and call for support...”

At a time, dozens of The elite disciples, while chasing in the direction of Leng Yue’s departure, released a special rescue fireworks signal from Beihai Constellation.

Soon, seeing the rescue signal, the nearby Beihai Constellation disciples rushed to help.

Oops.

Leng Yue took Yue Feng and quickly walked between the mountains and forests, seeing the fireworks signal in the night sky behind him, her beautiful face, and suddenly became extremely dignified.

Beihai Constellation released a fireworks signal, and more and more people were chasing it. What should I do?

Thinking to herself, Leng Yue did not dare to stop at all, because once she stopped, she might be caught up by the people of Beihai Xingsu.

call!

I don’t know how long it took to run, Leng Yue was almost sweating, Yue Feng looked as usual, but he had a belt on his head, so Leng Yue couldn’t see it at all.

Arriving on a platform, Leng Yue stopped to take a break while looking at the surroundings.

Done!

This is not serious, Leng Yue’s heart trembled, suddenly a little anxious.

I saw that the platform was halfway up a mountain, and there was no road in front of it. Below the platform was an abyss, and there was only the way up behind.

Just on the way, many disciples from Beihai Constellation are coming, and it is impossible to go back the same way.

However, she also noticed that there was a cave next to the platform. The entrance of the cave was overgrown with weeds. Obviously, very few people entered. It was deep inside, and I didn’t know how deep it was.

Seeing this environment, Leng Yue was anxious and self-blaming. Just now, she just ran away and panicked, now it’s troublesome.

Crash...

It was at this time that I heard footsteps on the mountain road behind me. The footsteps were very dense and very fast. There were obviously many people.

Hearing the footsteps, Leng Yue hurriedly looked back, and Xiu Mei was immediately locked.

I saw that hundreds of Beihai Xingsu disciples were holding long knives, and they were all imposing.

Swish!

Seeing Leng Yue, these disciples suddenly howled.

“You have offended us Beihai Xingsu, and you still want to run?”

“You have no way out, so hurry up and capture?”

Chapter 5123

Under the huh, many disciples rushed up quickly.

Damn...

In the face of this situation, Leng Yue was so frightened that she couldn't tell the grievance in her heart, she was a dignified saint of the red-clothed religion, has she had bad luck recently? In the daytime, he was first caught by Hao Dashuang of the Four Seas Alliance, and now he was driven to a desperate situation by the disciples of the North Sea Constellation.

It's really a blessing and a disaster, and it's back home.

But... how can you be a merciless fairy by yourself?

“Listen..”

Under the anger, Leng Yue's red lips lightly opened, and she said coldly to the disciples in front of her: “Today's grievances, I wrote down Leng Yue, and later on the rivers and lakes, let me meet You people of Beihai Constellation, see one kill one, see two kill one pair.”

Whoosh!

The last word fell, Leng Yue did not hesitate at all, dragged Yue Feng, and rushed directly into the cave next to her. In order to prevent the opponent from chasing, Leng Yue did not forget to throw a thunderbolt at the entrance of the cave.

Bang bang bang...

Almost in the blink of an eye, along with the explosion of the thunderbolt, the figures of Leng Yue and Yue Feng had disappeared into the cave.

Mad!

Seeing this situation, many disciples of Beihai Constellation were all shocked and angry, and at the same time, their faces were also extremely fearful.

“This woman is really cunning.”

“They ran into the cave, and they can’t go far in a short time, so let’s rush in...”

“No, we don’t know what’s going on inside, and the woman is strong and rashly entered the cave. I’m afraid there will be casualties.”

Under the discussion, everyone surrounded the entrance of the cave, and no one dared to enter rashly.

“There...”

At this moment, one of the Beihai Xingsu disciples, his eyes lit up, showing a sinister smile: “At first glance, few people enter this cave, the woman must be unfamiliar with the environment, let’s just If you set fire at the entrance of the cave, even if you don’t burn them to death, they can’t stand the smoke released.”

As soon as these words came out, everyone applauded.

“Yes, just set fire..”

“Haha, this is a good way.”

“Burn them to death..”

After deliberation, everyone hurriedly found wood nearby, and then piled it at the entrance of the cave and lit it.

Phew...

In an instant, the fire burned quickly and spread rapidly towards the cave.

...

Leng Yue dragged Yue Feng, and after entering the cave, he quickly probed inside.

“Beauty!”

At this time, Yue Feng tore off the silk belt on his head, and said with a speechless smile: “You can’t protect yourself, so don’t take me with you.” I

didn’t know who was chasing Leng Yue before. , Until when he was at the entrance of the cave just now, when he heard Leng Yue put down his harsh words, Yue Feng realized that it was the people from Beihai Xingsu who had been chasing her.

He is the pavilion master of Pill Pavilion, and he is allied with Beihai Xingsu, so naturally he doesn’t panic, but at this time, seeing Leng Yue’s exhausted appearance, he finds it funny, so he can’t help but tease.

“shut up!”

Leng Yue was in a very bad mood at this time, and when she heard Yue Feng’s words, she immediately shouted: “You and Hao Dashuang harmed me before, how could I easily let you go?” As she said, Leng Yue

continued to move forward.

This cave is winding, there are many forks, there must be other exits to leave.

This woman is so interesting.

Hearing this, Yue Feng laughed secretly, he was chased as a bereaved dog, and he still held revenge like this.

Thinking to himself, Yue Feng looked around, and through the weak light, he saw some natural yellow crystals growing on the stone walls on both sides, and could smell a pungent odor vaguely.

Damn, so many brimstones?

Yue Feng has been in the rivers and lakes for a long time, and he is very knowledgeable. At a glance, he can see that there is a natural sulfur cave in front of him. Sulfur is a flammable ore, and the odor it emits is harmful to the human body.

No wonder this cave, very few people come in.

Upon discovering this, Yue Feng didn't take it to heart, and was ready to say goodbye to Leng Yue. He has almost recovered his divine power now, and is eager to return to Beihai Xingsu to join Jiang Hongyu and Xiaorou, so there is no need to pretend.

Huhuhuhu...

However, before Yue Feng could open his mouth, he saw a raging fire that spread rapidly in the direction of the entrance of the cave. Wherever the fire passed, the sulphur in the cave was directly ignited.

Chapter 5124

Almost in the blink of an eye, the entire cave was raging with fire, and the air was instantly filled with scorching breath.

Not only that, after the sulphur stones in the cave were ignited, a pungent smell filled the entire cave, almost making people faint.

Cough cough...

In an instant, the pungent breath hit, Leng Yue couldn't help coughing a few times, her delicate face was also full of anger, and subconsciously said: "Damn, those people from Beihai Xingsu actually set fire to it. "

Yue Feng smiled slightly, but did not respond.

He is a mysterious saint, and the surrounding fire and pungent smell have no effect on him.

However, Leng Yue couldn't stand it anymore. She had used a stunt before, and her internal strength was severely exhausted. She had just fled all the way and was exhausted. At this time, she was almost powerless in the face of the surrounding fire.

At first, Leng Yue, with her tenacious personality, could barely endure it, but gradually she couldn't stand it anymore. Her delicate face was extremely red, and her delicate body was dripping with sweat.

These damned North Sea Constellation disciples.

Under the scorching fire and the pungent smell, under the constant invasion, Leng Yue's eyes were filled with incomparable anger, scolding inwardly, she wanted to rush out and start killing.

But she also knew in her heart that her internal strength was severely exhausted. Even if she rushed out, she was afraid that she would be captured by the opponent if she couldn't kill a few people.

But if you don't go out, facing the fire and thick smoke in the cave, you will not be burned to death, but will suffocate to death.

call!

Under the anxiety, Leng Yue was completely unable to calm down. At the same time, the surrounding heat waves hit, sweat dripping from the body, the long skirt was completely soaked, and the perfect curve was completely revealed.

I go...

Seeing this scene, Yue Feng couldn't help taking a deep breath and swallowed his saliva.

I have to say, this Leng Yue is really sexy, especially those long legs, which are superb.

Swish!

Aware of Yue Feng's gaze, Leng Yue was furious: "You are courting death!" As she finished speaking, she drew out her long sword and stabbed at Yue Feng at once.

In her heart, since she could not survive, she would kill Yue Feng first.

What made her even more angry was that, before she died, she was almost seen by Yue Feng, which was absolutely intolerable.

What the hell!

Yue Feng was startled when he saw Leng Yue's long sword stabbing, and wanted to cry without tears: "Hey, calm down." This woman's personality is too hot, just looking at you, she will die?

However, the cold moon did not stop at all, and even accelerated.

Um?

Seeing that the long sword was about to stab Yue Feng, Leng Yue suddenly discovered something, stopped abruptly, looked at Yue Feng up and down, and asked incredulously, "You... why are you okay?" Leng Yue

at this time Surprised to find that under the raging fire around him, Yue Feng's expression was as usual, and not even a drop of sweat appeared.

This person has no strength at all, so he is not afraid of fire?

It's so weird.

At this time, Leng Yue still didn't know that Yue Feng possessed the body of a mysterious saint, not to mention ordinary fire, even the divine fire of God's Domain could do nothing to him.

broken!

Facing Leng Yue's suspicious gaze, Yue Feng quickly scratched his head, revealing his identity.

However, Yue Feng's eyes flashed, and he explained with a smile: "This, I don't know either. Half a year ago, I took a strange medicine pill, and it seems that I am not afraid of fire." The

truth can't be told, only nonsense . Eight.

Weird elixir?

Hearing this, Leng Yuexiu frowned, and couldn't help but ask, "What kind of medicine?" I have been involved in the arena for so many years, and I have never heard of any medicine that will make you not afraid of fire.

Yue Feng shook his head solemnly: "I don't know, anyway, after taking the medicinal pill, as long as there is fire around, my body will become extremely cold." As

he said, he secretly observed Leng Yue's reaction.

Is there such a thing?

Hearing this, Leng Yue couldn't help but stretch out her hand and touched Yue Feng's arm. As expected, she felt icy cold, which was in complete contrast to her own state of burning fire.

For a time, Leng Yue only felt that her brain was buzzing, completely messed up.

His strength is so high that he is almost burned to death. He is an ordinary person who has no strength, and he is not afraid of fire.

It's really people-to-people, maddening people.

Chapter 5125

"Then..."

Depressed, Leng Yue put away the long sword and looked at Yue Feng with a burning gaze: "Then is there any way for you to make me not afraid

of fire like you?" When saying this , There was a hint of anticipation in Leng Yue's eyes.

This....

Yue Feng scratched his head and made a thoughtful look: "Yes, yes, but..."

Before she finished speaking, Leng Yue interrupted eagerly: "Hurry up and help me. "

Haha...

Yue Feng showed a smile and said slowly: "You are really unreasonable woman. You wanted to kill me just now, and now you want me to help you? Do you think it is possible?"

Shuh!

Hearing this, Leng Yuejuemei's face turned red all of a sudden, and then said coldly: "Okay, if you don't help me, I will kill you before I get burned.

" Yue Juemei's face was full of coldness. This person is really hateful, dare to threaten me?

I go!

Feeling the killing intent in Leng Yue's eyes, Yue Feng was speechless, this woman was really ruthless and wanted to kill at every turn.

But Yue Feng also knew that she had a chance to survive, so she didn't dare to do it.

Thinking to himself, Yue Feng made a fearless face: "Anyway, in your hands, I have no hope of surviving. If you want to kill, kill it."

"But if you want my help, you have to promise me. One condition, otherwise, even if you kill me, I will not help you."

"You..."

Seeing that he dared to talk about the conditions at this time, Leng Yue was very angry, but she still said coldly: "What conditions?" Yue Feng guessed right, she now knows that Yue Feng is not afraid of fire and will not act easily.

After all, no one wants to die.

Haha...

Seeing her willing to compromise, Yue Feng felt extremely happy, and said with a smile: "I don't make it difficult for you, so please beg me, call me a good husband, and I will help you!"

What? ?

Hearing this, Leng Yue's pretty face changed, and a strong killing intent permeated her body: "You are courting death!" When the

voice fell, Leng Yueyu turned over her hand, clenched her long sword, and pointed directly at Yue Feng's heart. .

I am a dignified saint of the red-clothed religion, pure and clean, but this bastard in front of me actually wants me to call him a good husband? What about daydreaming?

Ugh!

Seeing her angry look, Yue Feng didn't panic at all, and said lightly: "If you don't want to, forget it, there's no need to kill someone if you don't move, right?"

After speaking, Yue Feng looked around at the burning fire around him: "Anyway, I will die at your hands sooner or later, so it's not too much to ask you to call me a good husband before I die, right? Besides, this cave is filled with brimstone, no matter how strong you are, you won't be able to support it for long. "

Besides, it's just the two of us here. It's impossible for you to tell me about my husband."

"Dignity is important, but it's not as important as life."

Hu...

Hearing this, Leng Yue Biting his lip tightly, he didn't respond, but his heart was a little shaken.

Yes, fame is important, but it's not as important as life.

It's just that name, how do you call it out? Too shy.

Thinking to herself, Leng Yue gritted her teeth secretly and continued to persevere, but within half a minute, her whole body was reddened by the fire, and her beautiful face also showed a trace of pain.

"Okay..."

At this moment, Leng Yue chose to compromise, biting her lip tightly, and shouting at Yue Feng, "Okay...good husband." The

voice was so small that if you didn't listen carefully, you wouldn't be able to hear it . .

"What?"

Yue Feng stood there with his hands behind his back, looking like he was beaten: "What are you calling me? I can't hear you at all."

Haha...

This Lengyue, relying on herself as a red -clothed The saint who taught, is cold and arrogant, and finally in front of me, did you want to let go of your dignity?

This bastard.

Leng Yue is a smart woman, at a glance it can be seen that Yue Feng is deliberately pretending, at that time he stomped his feet in anger, but did not dare to attack, just shouted again: "Good Xianggong, you... help me. "

When she called out this title again, Leng Yue felt an indescribable shame. The man in front of him, who had no strength at all, made me so embarrassed.

Wait until you leave the cave safely and watch how I torture you.

Um!

Seeing Leng Yue shouting again, Yue Feng nodded with satisfaction and said with a smile: "Okay, seeing you are quite sincere, I will help you."

The ultimate husband in Chinese chapter 5126-5130

Chapter 5126 Huh

...

Seeing that he finally agreed to help, Leng Yue was very happy, and quickly said: "Then please help me."

Yue Feng nodded and said with a smile: "Actually, my method is also very simple, As long as you stick close to me, you can relieve your burning sensation." As

he spoke, Yue Feng looked up and down at Leng Yue, with a wicked smile on his face.

Yes, Yue Feng is deliberately teasing Leng Yue. This woman often has a high-level attitude. How can she miss such a good opportunity to play with her?

However, Yue Feng is not talking nonsense. He is a mysterious saint. As long as Leng Yue is next to him, he will not be attacked by the surrounding fire.

Swish!

Hearing this, Leng Yue's delicate body was shocked, her beautiful face was extremely red, and her heart was also filled with shame and anger.

This... This Yue Feng is really an asshole. It's not enough to take advantage of him just now, and now he wants to have a skin-to-skin relationship with him. If he does what he says, how will he meet people in the future?

Frightened, Leng Yue couldn't bear it anymore, stared at Yue Feng fiercely, and said tenderly, "You're playing with me, do you want to die?" With that, she raised her jade hand and pulled out her long sword.

The dignified red-clothed saint was actually teased by a scoundrel of the Four Seas Alliance. If this were to spread out, why would there be any shame?

Ugh!

Seeing Leng Yue draw out the long sword again, Yue Feng did not panic at all, but sighed: "Why do you draw the sword at every turn, I didn't lie to you, what I said was true."

"Half a year ago, I A little cousin was surrounded by fire, and I was the one who rescued her. When I carried her through the fire, I thought she would be burned, but it turned out that she was fine."

"So, I have practiced this kind of thing personally, so I will tell you this. Don't think that I am taking advantage of you."

This chapter is provided by . Visit for daily update.

When he said this, Yue Feng was serious, but he laughed in his heart.

Leng Yuehan did not speak with a cold face, but her heart was slightly shaken.

As he said....does this really work?

But.... I am pure and clean, if he is carried on his back, how embarrassing.

"Oh, forget it!"

Seeing her hesitating, Yue Feng pretended to be indifferent and said: "Since you don't want to, then treat it as if I didn't say it, and kill it if you want. Anyway, there is a stunning beauty like you buried with me. I'm not at a loss." The

voice fell, Yue Feng raised his neck and closed his eyes.

call!

Seeing this situation, Leng Yue took a deep breath and fell into a tangle in her heart.

It would be too unwilling to be burned to death like this.

Forget it, it's just me and him here, no third person sees it, so let him carry it.

Thinking of this, Leng Yue put away the long sword, finally compromised, biting her lip: "Then...then back me." The last word fell, her face flushed red, like a ripe apple.

Hehe...

Hearing this, Yue Feng secretly laughed in his heart, this cold moon is really interesting, after struggling for so long, don't you have to compromise in the end?

Muttering in his heart, Yue Feng nodded and squatted down with Leng Yue on his back. At this moment, Leng Yue hesitated for a moment, but slowly climbed up, with a pair of jade arms tightly hooking Yue Feng's neck.

hiss...

At this moment, I felt Leng Yue's soft body, clinging to her tightly, and at the same time, a charming fragrance continued to come, Yue Feng couldn't help taking a deep breath, and the whole person was fascinated.

It's so soft and fragrant.

With emotion in his heart, Yue Feng held Leng Yue's legs tightly with both hands, and walked forward quickly, looking for the exit of the cave.

Leng Yue was tensed up and didn't dare to move, but she could feel Yue Feng's hands on her legs, constantly bumping up and down as she walked, and suddenly felt a strange feeling flooding deep inside her heart. Getting up....

But what surprised her was that her body was close to Yue Feng, and she only felt a cold feeling coming from Yue Feng Mountain, and the scorching atmosphere around her suddenly felt less uncomfortable.

This is amazing.

Feeling these, Leng Yue was extremely surprised.

This Yue Feng seems to be ordinary, but he did not expect that his body is so special that he is not afraid of fire.

“You...”

But after walking for a while, Leng Yue felt that Yue Feng’s hands seemed to have changed positions, and suddenly became shy: “You... don’t put your hands too high...”

Chapter 5127

When saying this, Leng Yue’s beautiful face was blushing.

She clearly felt that every time Yue Feng took a step, his hands on her legs would collide back and forth, which was really uncomfortable.

Uh... Hearing this, Yue

Feng couldn’t help laughing and crying: “Fairy, if I don’t hold your legs, why should I carry you on my back? Just bear with it.”

Hold her up.

Leng Yue was shy, but she didn’t know how to refute it.

A few seconds later, Leng Yue thought of something, bit her lip and said coldly: “By the way, this time in the cave, you will rot to my stomach, if you go out and you dare to talk nonsense, I will make you unable to survive. , I can’t beg for death.”

Letting him carry it like this has violated her own life principles, and it is also the limit she can bear in her heart.

Haha...

Seeing her at this time, still caring about her own reputation, Yue Feng couldn’t laugh or cry, and responded slowly: “Fairy, my life is still in your hands, how can I go out and talk nonsense?”

“Besides, this The environment of the cave is complicated, it is hard to say if there is a second exit, maybe, we will both die here in the end.”

Hearing what he said, Leng Yuexiumei frowned, but she couldn’t help but scold: “Shut your crow’s mouth.” You are still young and haven’t done a lot of things, how can you just die like this?

“Okay, I’ll shut up.”

For a while, Yue Feng quarreled with Leng Yue, braving fire and moving forward quickly.

....

the other side at this time.

In the broken temple, Xu Wenliang and Zheng Xuan were still fighting fiercely.

Bang bang bang...

At this time, the two collided continuously in mid-air, and saw Xu Wenliang’s face pale, and Zheng Xuan’s figure was also shot down. When he landed, he stepped back several dozen steps before he stabilized his figure.

“Haha...”

Zheng Xuan sneered and sneered: “A disciple of Nianhua Palace in the district dares to pose in front of this old man. Now I know that there are people outside, and there is a heaven outside?” The

voice fell, Zheng Xuan’s figure flashed, and he again turned towards Xu Wenliang rushed over.

Mad!

In the face of this situation, Xu Wenliang was furious. He was the chief disciple of Nianhua Palace, when did he suffer such a loss, and under his anger, he directly broke out all his inner strength.

hum!

The next second, Xu Wenliang suddenly slapped his palm, and saw a strange red light flashing in the palm of his hand. Moreover, where the palm shadow passed, the surrounding air was also filled with a strong bloody smell.

It is in the rumors of Jianghu, the most yin and evil practice, the blood shadow palm.

Um? Blood Shadow Palm?

Feeling the power of this palm, Zheng Xuan’s expression changed, and he quickly pushed back to the side. He was the Great Elder of Beihai Constellation.

Although he is strong and powerful, it is not easy to face Xu Wenliang’s desperate blow.

Whoosh!

Taking advantage of Zheng Xuan's chance to dodge, Xu Wenliang turned around and ran without any hesitation.

Almost in the blink of an eye, Xu Wenliang disappeared from Zheng Xuan's sight.

Mad!

Seeing Xu Wenliang flee, Zheng Xuan was very annoyed, and he did not hesitate at all, and immediately chased after him.

.....

On the other side, in the cave.

call!

Carrying Leng Yue on his back, Yue Feng walked along the winding cave for about half an hour, and finally saw a hidden exit in front of him.

Haha...

Seeing the exit, Yue Feng was very excited, showing a smile and exclaimed: "Great, we are finally out." With that, he carried Leng Yue on his back and quickly got out of the cave.

Leng Yue is also very happy.

Great, finally get out of this damn cave, and don't have to worry about being burned to death.

Thinking of the embarrassment just now, the anger in Leng Yue's heart was all counted on Beihai Xingsu's head. At this time, her face was gloomy and cold, and she vowed in her heart: Beihai Xingsu, the humiliation you gave me today, one day, I will let you all Tenfold refund.

After secretly swearing, when she saw that she was still on Yue Feng's back, Leng Yue's beautiful face was instantly red, and she quickly ordered: "Quick, let me down."

After leaving the cave, who knows if there is anyone nearby? It would be too embarrassing to be seen on Yue Feng's back.

Chapter 5128

Well!

Seeing her eager tone, Yue Feng smiled secretly, nodded, and then let go of his hands.

When he was free, Leng Yue quickly jumped off Yue Feng's back, but because he was too anxious, his right foot caught the vines next to him. At that time, his footing was unsteady, and he fell to the ground with a squeak.

At that time, Leng Yue's right hand was still holding Yue Feng's shoulder, so she fell to the ground and brought Yue Feng down along the way.

puff.

Coincidentally, Yue Feng fell to the ground, just pressing on Leng Yue's body, and the distance between the two's faces was less than one centimeter.

call!

At this moment, feeling the fragrant soft body under him, Yue Feng's mind suddenly went blank, and when he smelled the fragrance, his whole body was messed up.

At the same time, a pair of eyes could not help but admire Leng Yue.

gorgeous.

I have to say that this Lengyue not only looks beautiful, but also has a superb body, especially the touch, it is absolutely amazing.

Leng Yue was also blinded, staring at Yue Feng blankly, unable to speak for a while.

For a time, the two were so close to each other, very ambiguous, and the atmosphere was indescribably subtle.

"You..."

Finally, after a few seconds, Leng Yue calmed down and scolded in shame and anger: "You are still looking around, believe it or not, I will gouge out your eyes and get out of the way."

Saying this At that time, Leng Yue's beautiful face was flushed with anger and shyness.

As a saint of the Red Clothes Sect, she was taken advantage of by Yue Feng over and over again. At this time, Leng Yue's heart was dead.

Seeing her annoyed look, Yue Feng said in disbelief: "Fairy, when you came down, you brought me down, and I was on top of you. Why do you blame me for coming?"

This woman has a strong personality, and she passed through the cave just now. things, do not know convergence yet.

“You...”

Leng Yue was furious, but couldn't refute.

Because what Yue Feng said was right, it was true that she didn't get it right when she went to the ground just now, which caused her to fall.

It's just that she is a saint, she thinks her status is higher than Yue Feng, and in shame, she said coldly: “Don't mess with me, can't you get up?” This Yue Feng is really hateful, taking advantage of it, but also glib.

“Okay, I'll get up...”

Yue Feng closed it up when he saw it, and seeing that Leng Yue was really going to get angry, he got up with a smile.

Leng Yue also hurriedly sorted out the messy long dress, stood up quickly, her delicate face was still a bit blushing, and she was indescribably charming.

call!

After tidying up her clothes, Leng Yue looked around the surroundings and found that there was a valley in front of her, surrounded by dense woods, and the location was relatively remote, so few people came here.

Seeing such an environment, Leng Yue breathed a sigh of relief.

In such a remote place, there is no need to worry about being found by those people in Beihai Xingsu. Thinking of this, Leng Yue is ready to take Yue Feng and return to the Red Clothes Sect.

Hao Dashuang of the Four Seas Alliance robbed the materials of the Red Clothes Sect. Although the materials were not recovered, he brought Yue Feng back to give the sect master a message.

After all, Yue Feng was the VIP of Gu Sanniang, the chief of the Four Seas Alliance.

“Grumpy...”

Just before Leng Yue could speak, she heard Yue Feng's stomach growling.

Yue Feng scratched his head and said with a smile at Leng Yue: “Fairy, take a rest first, I'll go find something to eat.” Since being caught, Yue Feng has not gotten any water

until now, and just walked away with Leng Yue on his back. After a long day, I was very tired.

Although the divine power is almost restored, it is not enough to not eat.

Leng Yuexiu frowned, and without thinking about it, she scolded coldly, "I'm hungry!" This bastard, who took advantage of himself just now, still wants to find something to eat. What are you dreaming about?

Uh...

Yue Feng looked embarrassed, but still said with a smile: "Fairy, even if you want to take me back to the Red Clothes Sect for business, you must ensure my safety. You think, if I starve to death halfway, you It's inconvenient to carry a dead person, and when you meet your sect master, it's not easy to explain, right?"

Yue Feng's face was serious when he said this.

Hearing this, Leng Yue fell silent, and finally nodded: "Hurry up, if you let me know that you want to escape, you will never forgive me." After speaking, she sat there cross-legged and began to close her eyes.

Chapter 5129

Seriously, Leng Yue is not afraid of Yue Feng escaping. In her heart, this man is just not afraid of fire. He has no strength at all and can't escape from her palm.

More importantly, the environment here is complicated, and even if Yue Feng wanted to escape, he couldn't escape.

"Okay!"

Yue Feng has a keen insight and can see Leng Yue's thoughts at a glance, and immediately smiled: "We are already on the same boat. We have just experienced life and death together, how could I escape quietly?"

Said After that, Yue Feng turned around and walked towards the depths of the woods.

Hearing this, Leng Yue couldn't hide her disdain. This Yue Feng really has no formality at all. Who is in the same boat with you? However, she held her own identity, and did not say the words in her heart, but closed her eyes and rested.

Whoosh!

As soon as Yue Feng walked away, a figure came quickly, dressed in a white long gown, with a handsome figure, but his face was pale and looked a little embarrassed.

It was Xu Wenliang.

Half an hour ago, Xu Wenliang used the Blood Shadow Palm to escape, but was closely pursued by Zheng Xuan. Xu Wenliang was shocked and angry, so he had to use the surrounding complex environment to go around with Zheng Xuan. Just now, Xu Wenliang finally got rid of Zheng Xuan. .

Swish!

Hearing the movement, Leng Yue suddenly opened her eyes, and when she saw it was Xu Wenliang, she frowned, but her beautiful face did not fluctuate in the slightest.

At the same time, Xu Wenliang also saw Leng Yue, and suddenly showed a smile: "Oh, the fairy is here too." He said politely, but Xu Wenliang was furious in his heart.

Mad, this bitch, just abandoned me just now, let's see how I will deal with you later.

Um!

In the face of Xu Wenliang's enthusiasm, Leng Yue still had a cold look, nodded and asked, "Are you chasing troops behind you?" Before in the ruined temple, she used a stunt, which caused serious loss of internal strength, but just now in the cave He was almost burned to death again, and was very weak at this time.

In this case, Leng Yue needed to meditate quietly to recover, and naturally she had to ensure her own safety. If there were soldiers behind Xu Wenliang, it would be troublesome.

Madd...

Feeling Leng Yue's indifferent attitude, Xu Wenliang was very angry, but on the surface he smiled hypocritically: "Fairy, don't worry, I, Xu Wenliang, have always done things neatly and will never let a tail follow me."

Saying that, Xu Wenliang approached step by step and continued: "The Great Elder of the North Sea Constellation has been completely thrown away by me, but then again, the strength of that old thing is really strong."

"By the way, how about Fairy? Are you not injured?"

Xu Wenliang looked concerned when he said this, because he clearly noticed that Leng Yue seemed to be fine, but his face was a little pale, and he obviously consumed a lot of internal energy and was very weak.

"I'm fine." Leng Yue said lightly.

Hehe...

After hitting a soft nail, Xu Wenliang was not angry at all, but took out a pill from his body, and said sincerely: "It would be best if the fairy is okay, but the fierce battle before, should also be It has consumed a lot of internal energy, this Huiyuan Dan was given to me by my master, and it has the effect of quickly restoring internal energy, so I will give it to the fairy here."

Said and handed it to Leng Yue.

However, Leng Yue had no intention of accepting it at all, and said lightly: "My internal strength will recover soon, and I don't need medicine pills, but thank you for your kindness.

" Accept other people's things.

Well...

Xu Wenliang was a little embarrassed when his kindness was rejected, but he still put the medicinal pill on the grass in front of Leng Yue, and said with a smile: "Before, Fairy and I were in the same boat, and it was considered a hardship, and a mere pill counts as one. What? If the fairy really doesn't want it, just throw it away."

After speaking, Xu Wenliang's eyes flashed with a hint of treacherousness, and continued: "Fairy, I will go to the woods to see if there is any game, and I will come back to you later."

When the last word fell, Xu Wenliang strode away and disappeared into the woods in a blink of an eye.

Xu Wenliang was very cunning and knew that Leng Yue would not take the medicinal pill in person because of his face, so he deliberately found a reason to leave so that Leng Yue had a chance to take the medicinal pill.

Chapter 5130 Phew

...

Sure enough, seeing Xu Wenliang walking away, Leng Yue bit her lip lightly, hesitated, and picked up the medicine pill on the grass.

The moment she picked up the medicine pill, Leng Yue put it on the tip of her nose, sniffed gently, and a hint of joy appeared on her beautiful face.

Really Huiyuandan.

Speaking of which, although the alchemy technique of Ziwei Continent has been lost for nearly a thousand years, Leng Yue, as a saint of the Red Clothes Sect, is also well-informed. Half a year ago, she got two Hui Yuan in an ancient tomb. Dan, so you can see at a glance that this one is real.

Unexpectedly, this Xu Wenliang was quite generous.

Thinking of this, Leng Yue hesitated and ate the medicinal pill.

Xu Wenliang guessed well just now, Leng Yue held her own identity and was unwilling to take medicine pills in front of him. But now that Xu Wenliang was gone, Leng Yue naturally let go of her disguise.

After all, in the past, the internal energy was severely depleted, and it took at least an hour to just meditate and rest, but after taking Huiyuan Dan, it only took a moment to restore the peak.

However...

Leng Yue didn't know at this time that in the woods more than ten meters away, Xu Wenliang was watching this scene with great excitement.

Yes, just now Xu Wenliang was a fake, but he was actually hiding in the woods to observe Leng Yue's situation. Before Leng Yue decisively abandoned him, how could he be kind enough to give the medicine pill?

Speaking of which, the pill was indeed Huiyuan Pill, but it was also miserably mixed with some special drugs in the rivers and lakes by Xu Wenliang.

Xu Wenliang is lecherous by nature. He used to walk around the world and often used medicinal pills to deceive women. This time, he was abandoned by Leng Yue, so he naturally had to take revenge.

"Hey-hey..."

Seeing Leng Yue taking the medicinal pill at this time, Xu Wenliang couldn't help laughing, and walked out of the woods with a proud face: "The fairy is really hypocritical, she doesn't eat it face to face, but she still takes it behind her back. "

What? I, Xu Wenliang, are in your heart, so I'm so annoying?"

When he spoke, Xu Wenliang's tone was mocking, completely losing the polite look he had before.

Swish!

Seeing Xu Wenliang's sudden appearance, Leng Yue's pretty face changed, and she immediately stood up and said coldly, "What do you mean by saying this?" She was so smart, how could she not see that Xu Wenliang just left fake.

"What do you mean?"

Xu Wenliang sneered: "Fairy, you know how I treated you before, but when the Beihai Xingsu gang besieged us, how did you treat me? You decisively abandoned me at that time."

"It is said that the most poisonous woman's heart is indeed the case. I am so good to you, but you have abandoned me like a shoe! However, I, Xu Wenliang, have always had clear grievances, how can you treat me? Can't I? Will you come back with revenge?"

As he spoke, Xu Wenliang looked at Leng Yue's charming curves recklessly.

Swish!

Hearing these words, Leng Yue sneered: "Do you want revenge? It's up to you..." As she said that, Leng Yue was about to stimulate her internal strength, but at this moment, she was shocked to find that her internal strength was useless at all. When she came out, her delicate body was so weak that she could barely stand.

What made her even more irritated was that after taking the Huiyuan Pill just now, not only did her internal strength not recover, but there was an uncontrollable force in her body, wreaking havoc in the meridians.

"You shameless person." Leng Yue was a smart woman, she knew instantly that the pill was poisonous, and glared at Xu Wenliang: "You dare to poison me? Have you thought about the consequences?"

Leng Yue was very angry at this time. He never thought that Xu Wenliang in front of him would be so despicable.

Haha...

Xu Wenliang laughed, approached step by step, and said proudly: "Fairy, this is your fault, only if you abandon me, you can't let me deal with you?"

"Besides, The one you took just now was indeed Huiyuan Dan, but I added a magic drug to it, haha, and once this magic drug occurs, no matter how reserved a woman is, she can't control herself, haha.. ."

What?

Hearing this, Leng Yue's delicate body shuddered, only to feel a dry heat coming from her body.

Immediately, Leng Yue glared at Xu Wenliang with incomparable shame and anger: "You despicable and shameless person, dare to do such a thing to me, I warn you, take out the antidote immediately, or you will die without a place to be buried. !"
