

## The ultimate husband in Chinese chapter 5201-5210

### Chapter 5201

Ye Xingyu and Chen Shangzhi, who have been wandering around in the arena in recent years, immediately recognized that the six women in front of them were Liu Jianji of Nianhua Palace.

Nianhua Palace is both righteous and evil, and Ye Xingyu once had an experience in the rivers and lakes half a year ago, and he had a festival with the disciples of Nianhua Palace, so when he saw Liu Jian Ji at this time, he was very flustered.

To be honest, Ye Xingyu would never panic if he met an ordinary disciple of Nianhua Palace, but the Six Sword Princesses in front of him were very ordinary people.

They are all direct disciples of the Palace Master of Nianhua Palace. Each of them is excellent in swordsmanship. Any one person can set off a bloody storm on the rivers and lakes. The combination of the six swordsmen is even more amazing.

It is rumored that Liu Jian Ji will be a sword formation that has been lost for nearly a thousand years, called the 'Six Dao Zhuxian Sword Formation'. Once the sword formation is formed, no matter how strong the enemy is, they will obediently be captured without a solution.

A year ago, the deputy sect master of Shendiaomen had a fight with Liu Jianji because of an ancient tomb fight. At that time, he was trapped by the Six Dao Zhuxian Sword Formation. He was trapped for a day and a night. Finally, Shendiaomen The deputy head of the sect had no choice but to admit defeat. At that time, that incident almost caused a sensation in the whole arena.

At this time, Ye Xingyu was trapped in the woods and couldn't get out, but he met Liu Jianji again, how could he not panic?

People from Nianhua Palace?

Hearing the exclamations of the two brothers in the woods, Yue Feng frowned and couldn't help standing up.

This place is so remote, what do people from Nianhua Palace come to do?

Thinking about it in his heart, Yue Feng couldn't help looking at Liu Jianji, secretly admiring that these six women seem to be young, but their strength is not weak.

Moreover, judging from the reactions of Ye Xingyu and the two, their status in Nianhua Palace does not seem to be low.

swoosh swish....

Just when Yue Feng was muttering secretly, Liu Jianji had already arrived. The next second, the leading eldest sister, Rumeng

, took out a portrait from her body, compared it with Yue Feng, and said coldly, "It should be him."

This chapter is provided by . Visit for daily update.

The door was brought up and given a unified name, the eldest sister was named Rumeng.

Whoa!

As soon as Rumeng's voice fell, the five sisters behind him drew out their long swords and directly surrounded Yue Feng.

Nima, what's going on?

Yue Feng frowned, and at the same time glanced at the portrait in Rumeng's hand, and saw a portrait of a man with facial features very similar to himself.

Not only that, the word 'Yue Feng' is also written under the portrait.

Obviously, Liu Jianji suddenly appeared, just running towards Yue Feng.

Noticing this, Yue Feng frowned secretly, what did Liujian Ji of Nianhua Palace want me to do? Could it be that the matter of killing Xu Wenliang by himself was found out by the Nianhua Palace?

No, when Xu Wenliang was killed, the place was very remote, almost inaccessible, and no one around saw it, it was impossible to find out the Nianhua Palace. Thinking to himself, Yue Feng made a very frightened

look and said with a smile: "Several sisters, what are you doing? Have you recognized the wrong person?"

A calm attitude.

Huh...

Six Sword Princesses are all sober and arrogant women. At this time, they were a little unhappy when they heard Yue Feng's name.

The next second, the second sister Ruyan took a step forward and pointed at Yue Feng with a long sword in her hand: "You are Yue Feng, the master of the Pill Pavilion of the Chunyang Palace?" The tone was cold, unable to hide the hostility.

Before Yue Feng could answer, the third sister Ruxue next to him couldn't help but said coldly: "Our junior brother Xu Wenliang died tragically in the wilderness, does it have anything to do with you?"

Yes, Liu Jianji came to look for Yue Feng, just to Xu Wenliang's tragic death.

Two days ago, Nianhua Palace and Xu Wenliang lost contact. At that time, the head was very anxious, so he sent people to check the news. After a day's search, he finally found the dead Xu Wenliang in the wild jungle.

Xu Wenliang was the head's beloved disciple, but suddenly died tragically. At that time, both the head and Liu Jianji were full of grief and indignation. Afterwards, under the anger of the head, he sent people to investigate the news on the rivers and lakes in an attempt to find out the cause of Xu Wenliang's death.

I have to say that the Nianhua Palace is very efficient. In less than half a day, it was found out that Xu Wenliang had been with the Saintess Leng Yue of the Red Clothes Sect and the Pill Pavilion Master of the Chunyang Palace before his death.

## Chapter 5202

After learning about the situation, the head did not hesitate at all, and immediately dispatched Liu Jianji to go down the mountain to arrest Yue Feng.

After Liujianji went down the mountain, she kept investigating Yue Feng's whereabouts, and finally learned that Yue Feng was in Beihai Xingsu, so the six sisters rushed over immediately.

Because they had never seen Yue Feng before, the six sisters caught a person who had seen Yue Feng before and painted a portrait.

call!

At this moment, in the face of Liu Jianji's questioning, Yue Feng secretly exhaled, and he really came for Xu Wenliang.

However... these six women don't seem to know themselves, so don't panic.

Haha...

Seeing this scene, the two Ye Xingyu, who were trapped in the woods, both gloated.

This Yue Feng can really kill him, and he actually provokes the Nianhua Palace. Now he is being troubled by Liu Jian Ji, he really deserves it.

At this moment, Yue Feng came to his senses and waved his hands at Rumeng, who was in the lead: "Several sisters, you have mistaken people, what am I, the pavilion master of Dan Pavilion? I am just an ordinary person passing by. Trouble Several elder sisters put away their swords and looked very scary."

When he said this, Yue Feng looked very panicked.

Passing by?

Hearing this, eldest sister Rumeng frowned and took out the portrait again to compare: "You are almost exactly the same as the picture, and you still want to lie to us?" The

voice fell, and Ruxue also said: "Eldest sister, Stop talking nonsense with him, this person looks cunning at first glance, arrest him first."

Om!

The last word fell, Ruxue put away the long sword, raised her jade hand, and hit Yue Feng with a palm.

Damn, these women act so ruthlessly? Do you want to do it?

Seeing Ruxue's palm coming, Yue Feng hurriedly took two steps back and shouted in astonishment: "Oh, sisters, I'm really not the person you're looking for, how can I do it?"

The person you are looking for, since he is the pavilion owner, must be strong. I have no strength at all, so you must have mistaken the person."

Yue Feng could see that the other party didn't know him, so he wanted to confuse him with a few words. past.

Swish!

Hearing this, Ruxue immediately withdrew her palm, and Xiumei frowned.

At the same time, Rumeng's face became solemn, and he looked at Yue Feng again, and his heart became complicated, yes, this person in front of him has no strength at all, how could it be the Pill Pavilion Pavilion Master?

Liu Jianji didn't know much about Yue Feng's affairs, and subconsciously believed that the strength of the person who could be the master of the Pill Pavilion would not be too bad.

Haha...

Seeing them hesitating, Yue Feng was very excited. These six women are not weak, but their minds are so simple. If they just say a few words, they won't be able to pay attention.

However, the conversation between Yue Feng and Liu Jianji, the brothers Ye Xingyu, could hear clearly.

Mad!

Seeing Yue Feng deny his identity at this time, Ye Xingyu was annoyed and contemptuous.

"Several!" In the

next second, Ye Xingyu couldn't help shouting at Liu Jianji: "Don't listen to his nonsense, he is the Pill Pavilion Master of Chunyang Palace, and he didn't pass by at all.

", Ye Xingyu stared at Yue Feng, unable to hide his anger.

As soon as the words fell, Chen Shangzhi also shouted: "Yes, he is Yue Feng, this person is cunning and despicable, you must be careful." Originally thought that Yue Feng was easy to deal with, but after the situation just now, Chen Shangzhi realized, this Pill Pavilion Master is far more cunning than he imagined.

What annoyed Chen Shangzhi even more was that it was just a forest, and he and his senior brother could never get out. It was a ghost.

Swish!

Hearing the words of the brothers and sisters, Liu Jianji was shocked, and all eyes locked on Yue Feng.

This person is really cunning, and he almost cheated him just now.

Nima!

Seeing this situation, Yue Feng secretly complained in his heart. Just now, he just wanted to get through the border, but he forgot that Ye Xingyu and Ye Xingyu were still locked in the woods not far away.

However, when his identity was exposed, Yue Feng was not at all flustered.

The Six Swords Princess in front of her, although her strength is tyrannical, in Yue Feng's eyes, there is no threat at all.

## Chapter 5203

After surrounding Yue Feng again, Liu Jianji was not in a hurry. "A disciple of Tianhaimen

." At this moment, Rumeng's eyes flickered, first looking at Ye Xingyu, and then at Chen Shangzhi: "You said he is the Pill Pavilion Master?"

aura.

"Not bad." Ye Xingyu nodded without thinking.

Rumeng snorted and said coldly, "Why should I trust you?" Nianhuagong had a festival with Tianhaimen, and she didn't believe that Li Xingyu would help her.

What's more, Chunyang Palace and Tianhaimen are the three major sects side by side, and they have been allies for a hundred years. Under such circumstances, how could Ye Xingyu betray the people of the alliance?

As the eldest sister of Liu Jianji, Ru Meng acted very cautiously. At this time, she thought that Ye Xingyu was deliberately confusing the public to protect Yue Feng.

Whoa!

The voice fell, and the other five sword princesses around also spoke.

"Big sister is right, why do we believe you?"

"You Tianhaimen and Chunyang Palace are allies, will you help us identify Yue Feng?"

"That is, if you say he is Yue Feng, he may be fake. "

Originally, Liu Jianji believed that the person in front of him was Yue Feng, but when he heard Ye Xingyu say this, he suddenly began to doubt.

Just like Rumeng, the surrounding five sword princesses also believed that the disciples of Tianhaimen could not betray the alliance.

Haha...

Yue Feng was overjoyed to see this scene.

Ye Xingyu still wanted to use Liu Jianji to deal with me, but he probably never thought of it, and it would be self-defeating in the end.

Thinking to himself, Yue Feng smiled at Rumeng and said, "Well, sisters, since I'm sure I'm not Yue Feng, then I'll leave."

"I'm a nearby mountaineer, my family. I'm still waiting for me to go back."

After saying the last sentence, Yue Feng turned around and was about to leave.

Liu Jianji looked at each other in dismay, and didn't mean to stop.

Mad!

Seeing this situation, both Ye Xingyu and Chen Shangzhi were too anxious.

In a hurry, Chen Shangzhi couldn't help but shouted: "Six sword princesses, he is really Yue Feng, and my brother and I said no lie."

"We were both used by him. He's trapped here, stop him quickly."

When he said this, Chen Shangzhi's eyes were full of urgency, and at the same time he was a little annoyed.

Not only did they fail to catch Yue Feng, but they were also trapped by his formation, which was already embarrassing enough. If they let him get away from under the nose, it would really be a disrepute.

Huh...

Hearing these words, Liu Jian Ji looked at each other, each with a solemn expression.

The next second, the eldest sister Ru Mengjiao shouted: "Sisters, stop him." The voice fell, and the figure on the toes rose up, directly blocking Yue Feng's way.

Swish...

At the same time, the other five sword princesses also urged their figures to block all the retreats of Yue Feng.

Faced with this situation, Yue Feng was very helpless.

Almost ran away, unfortunately.

At this time, Rumeng took a deep look at Yue Feng, and then asked the Ye Xingyu brothers: "You said, he is Yue Feng, the Pill Pavilion Master of Chunyang Palace?"

” Meng acted very cautiously, even if she was certain in her heart, she still had to ask.

“Yes!” Ye Xingyu quickly replied.

Chen Shangzhi also nodded: “It’s true.”

As he dreamed about it, he asked: “Since he is Yue Feng, and you are allies, why did he trap you in the formation?”

This... Hearing the question ,

Chen Shangzhi and Ye Xingyu looked at each other, and they couldn’t tell the embarrassment on each other’s faces.

A few seconds later, Chen Shangzhi turned his eyes and made a look of grief and anger, and replied to Rumeng: “You don’t know, this Yue Feng seems to be a gentleman, but in fact he is a scum, my senior brother and Jiang Hongyu of Chunyang Palace. , I used to be a childhood sweetheart, but now I have reached the age to talk about marriage.”

“But this Yue Feng, but he was in the middle of it, causing Jiang Hongyu to have a great misunderstanding of my senior brother.”

“What’s even more hateful is that last night in Beihai. In the main altar of the stars, Yue Feng broke into Jiang Hongyu’s room at night, stunned her, and tried to forcibly defile her.”

Chapter 5204

A remark, Chen Shangzhi said plausibly.

“Senior brother and I are naturally furious.” Chen Shangzhi glared at Yue Feng and continued, “It’s just that we were at the Beihai Constellation General Altar last night and it was inconvenient to do it, so I’ll be waiting for him here today, swearing. I have to teach him a lesson.”

“How could he know that although this person has no strength at all, he is extremely cunning. He used me and my senior brother to underestimate the enemy and trapped us.”

What?

Hearing this accusation, whether it was Rumeng or the other five sword princesses, their pretty faces changed, and they couldn’t hide their contempt for Yue Feng.

“How could there be such a despicable person in the world?”

“As a pavilion master, it is truly morally depraved to conspire against his female disciples.”

“This kind of person is a scum in the rivers and lakes, and everyone gets it and punishes him.”

Liu Jianji She is arrogant by nature, and as a woman, what she hates most is this kind of lecherous person. In addition, the death of junior brother Xu Wenliang is most likely related to Yue Feng, so his impression of him is extremely bad.

Nima!

In the face of Liu Jianji’s accusation, Yue Feng could not laugh or cry, but he was too lazy to argue.

“Good, you Yue Feng.” This is, Ru Meng looked at Yue Feng coldly, unable to hide her anger: “It’s really shameless and cunning, I

was almost deceived by you just now.”

Dream was very angry.

Dangtang Nianhuagong Liujianji was almost fooled by a person with no strength. If the matter spreads, how can he walk the rivers and lakes in the future?

Ha ha...

Seeing that his identity could no longer be hidden, Yue Feng didn’t panic at all, and said with a smile, “Don’t blame me for the so-called dangers in the rivers and lakes. I also consider my own safety.

“

, Liu Jian Ji was even more angry.

“Shut up!”

At this time, the third sister Ruxue couldn’t help but let out a coquettish cry, and said coldly, “Don’t laugh with us, let me ask you, how did our junior brother Xu Wenliang die?”

Shuh!

The voice fell, and the eyes of the other five sword princesses also locked on Yue Feng, waiting for his answer, while paying attention to the change in his expression.

Hehe, sure enough, it was because of Xu Wenliang.

Yue Feng smiled secretly in his heart, but he pretended to be surprised: "What? What did you say? Xu Wenliang died? When did he die? Why didn't I know?"

"Make sure that no one around you sees it, so naturally you won't admit it.

do not know?"

Hearing such an answer, Ru Xue Xiumei clenched her locks and said coldly, "Don't pretend, we checked it out. Someone saw with your own eyes two days ago that our junior brother was with you. Saintess Leng Yue of the Red Clothes Sect."

"Afterwards, when you were pursued by people from the Four Seas Alliance, something happened to our junior brother."

I went.

At this moment, Yue Feng frowned secretly, unable to see that the news of Nianhua Palace was quite well-informed, and these things could be found out.

Thinking to himself, Yue Feng smiled slightly: "This sister is right, we were indeed pursued by people from the Four Seas Alliance, but the three of us were separated at that time."

"Perhaps, your junior brother was killed by the Four Seas Alliance."

Anyway, Xu Wenliang was dead, and there was no witness at the time, so Yue Feng could say whatever he wanted.

However, as soon as he finished speaking, he had been silent like a dream, and he shook his head and retorted: "Impossible! Junior Brother Xu was killed in one move, and the opponent was very powerful, so it couldn't have been done by people from the Four Seas Alliance."

Hehe...

Hearing this, Yue Feng couldn't help laughing and shrugged: "If it wasn't for the Four Seas Alliance, it wouldn't be me. You all noticed that I have no strength at all."

Rumeng Glancing at the other five sword princesses, he said coldly, "Whether you are the murderer or not, you have to go back to the Huagong main altar with us, and the head will interrogate them in person."

"So, I advise you not to play tricks. The

last word fell, and Ru Meng said to the sisters: "Tie his hands and feet and bring him back to the main altar."

"Yes, big sister!"

Hearing the order, Ru Xue responded in unison, and then from Pulling out a ribbon from his body, he was ready to tie Yue Feng's five flowers.

Chapter 5205 What the hell

!

Seeing this situation, Yue Feng couldn't help laughing. This Liu Jianji is too unreasonable. There is no evidence at all, so they are going to tie me up?

Thinking to himself, Yue Feng didn't wait for the snow to approach, his body flashed like a loach, and he hid to the side and shouted: "Oh, beautiful sister, I'm not a murderer, why are you tying me?"

Yue Feng's action, Seemingly inadvertent, but perfectly avoided Ruxue.

Um?

At this moment, Ru Xue Jiao's body was shocked, and she was very surprised. This person has no strength at all, and the reaction is so fast?

At the same time, Rumeng was also secretly surprised.

Isn't this guy incompetent? But how can ordinary people react so quickly?

"Several sword princesses."

At this moment, Chen Shangzhi, who was still trapped in the woods, couldn't help shouting: "You see, this Yue Feng is very evil, although he has no strength, you must not Underestimate the enemy."

At the same time, Ye Xingyu also shouted: "Yes, just because the two of us underestimated the enemy, we were trapped here by him."

Shuh!

Hearing this, whether it was Rumeng or the other five sword princesses, their delicate faces became extremely solemn.

In the next second, Ru Mengjiao shouted: "Sisters, take him down together." Ceng

Seeing this, Ye Xingyu and Chen Shangzhi, who were trapped in the woods, were indescribably excited and excited.

Although this Yue Feng is cunning and despicable, but facing Liu Jianji at the same time, he will definitely die.

Especially Ye Xingyu, who couldn't hide the pleasure of revenge in his eyes, said to himself: "Yue Feng, even someone like you wants to fight against me? I didn't let you die at my hands, it's cheap for you. When the words

fell, Chen Shangzhi said with a smile: "Senior brother, I think this is the best."

"If we kill Yue Feng, Chunyang Palace will definitely not let it go. If it doesn't work, Master will be under pressure. Punish us. And now, Liu Jianji has eliminated Yue Feng for us, which saves us a lot of trouble."

Hearing this, Ye Xingyu nodded, then looked at Chen Shangzhi and laughed.

outside the woods.

Seeing Liujian Ji bursting out at the same time, Yue Feng smiled and was not nervous at all, but he was a little helpless in his heart. With six people going up together, it is impossible to hide their strength now. Seeing that the six swords were about to be stabbed at him, Yue Feng

shouted at the time, "Oh, the six sisters have something to say, why do you want to kill them at every turn?"

Dodge again.

What?

Seeing that Liu Jianji's blow at the same time failed, whether it was Ye Xingyu or Chen Shangzhi, they were all shocked and thought they were confused.

Did this kid escape?

He has no strength at all, how did he escape? You must know that Liu Jianji's strength is also ranked in the ranks of the rivers and lakes, but just now, the six people shot together, but Yue Feng was deftly avoided.

It's incredible.

At the same time, the six sword princesses in the dream were also shocked.

How can it be?

A person with no strength at all has such a reaction speed. If he hadn't seen it with his own eyes, who would have believed it?

wrong.

The next second, Sister Rumeng realized something, Xiumei locked up, and looked at Yue Feng coldly: "Good you Yue Feng, I was almost cheated by you, you have been hiding your strength, right?"

"If so, Xu Wenliang's death must have something to do with you, look at the sword." The voice fell, like a dream, the inner force urged, the long sword made a buzzing sound, and stabbed towards Yue Feng again.

With the sword again, Rumeng did not dare to underestimate the enemy at all, and directly stimulated the eighth-layer skill.

hum!

I saw that wherever the long sword passed, the air was torn apart, and the power was amazing.

Yue Feng frowned, knowing that his strength could no longer be hidden, and immediately chuckled: "Is this embarrassed into anger? The anger hurts people." Open this sword and shoot it with one palm at the same time.

## **The ultimate husband in Chinese chapter 5205-5210**

Chapter 5206

This palm is as fast as a thunderbolt, and it is shot directly on the back of Rumeng Longjian.

clang!

He heard a crisp sound, and the body trembled like a dream, and even took a few steps back, and the long sword in his hand almost fell to the ground.

"You..."

Rumeng only felt stuffy in her chest. After stabilizing her figure, she looked at Yue Feng in shock and anger, her face full of incredulity.

How is this possible? When this person shot just now, there was no fluctuation in his internal strength, but he almost knocked off his long sword...

At this moment, it was like a dream, no one would have thought that Yue Feng's body was the supreme divine power, and it was deliberately hidden, Not to mention her, even if the head of Nianhua Palace is here, she will not notice it at all.

Swish!

At the same time, Ruxue's five sword princesses all changed their pretty faces and exclaimed in surprise.

"Big sister, are you all right?"

"I can't see that Yue Feng is so powerful."

"Just now, I lied to us that he was a mountain citizen, and he has been hiding his strength. It's really hateful."

"Look at this, Junior Brother Xu . He killed it, otherwise, why did he keep hiding his strength?"

The words of several sisters kept coming, and the delicate faces of Rumeng were full of shame and anger.

In the next second, Rumeng stared at Yue Feng with a cold tone like ice: "Yue Feng, honestly, did you kill my junior brother Xu?" Speaking of which, Rumeng didn't doubt Yue Feng at all, but It is speculated that Yue Feng may know the murderer of Xu Wenliang.

This chapter is provided by . Visit [for](#) daily update.

But at this moment, after learning that Yue Feng had hidden his strength, Rumeng instinctively realized that Xu Wenliang was most likely killed by Yue Feng.

call...

Seeing that he couldn't hide it anymore, Yue Feng was too lazy to talk nonsense, and smiled lightly: "Well, I won't hide it from you now, I killed Xu Wenliang."

When he said this, Yue Feng looked indifferent.

Xu Wenliang was cunning and insidious, a complete scum of the rivers and lakes. If Yue Feng was given another choice, he would still take his life without hesitation.

Swish!

Seeing him finally admit it, Liu Jianji was all shocked and angry.

“Okay, very good.” Rumeng bit her red lips tightly, her eyes full of anger: “You finally admitted, killing my junior brother, I will ask you to pay the debt with blood today.” The

voice fell, Rumeng clenched the long sword, The figure quickly came towards Yue Feng.

“Eldest sister, let’s help you.”

At the same time, the six Ruxue also snorted coquettishly, one by one clenching their long swords, and quickly surrounded Yue Feng.

Buzz buzzing...

In an instant, the six long swords drew out one after another, intertwined into a sword net, blocking Yue Feng’s retreat. Liu Jianji was originally the leader among the young disciples of Nianhua Palace, but at this time, they broke out together with amazing power.

interesting.

Seeing Liujianji coming together again, Yue Feng showed a smile, not panic at all, raised his right hand, clenched a long sword, and fought fiercely with Liujianji in mid-air.

Yue Feng’s long sword was given by the palace lord of Chunyang Palace when he was named the Pill Pavilion Master at that time. I can’t find the purple-rank weapons in the Kyushu mainland, but I can’t check much.

Dangdangdang...

In the blink of an eye, the two sides fought fiercely in mid-air, and under the collision of the long swords, bursts of golden roars continued to be heard.

This...

Ye Xingyu and Chen Shangzhi, who were still trapped in the woods, were shocked when they saw this scene.

Is this Yue Feng so strong?

They clearly saw that Yue Feng alone faced the siege of Liujian Ji, and his movement was swiftly drifting, and he was able to handle it with ease. This is not the slightest strength, it is simply unfathomable.

“Ma De!”

In shock, Ye Xingyu stared at Yue Feng's figure, and couldn't help but scolded: "This kid is hiding deep enough." When he spoke, Ye Xingyu was inexplicably ashamed and angry.

This Yue Feng has been unwilling to reveal his strength before, is he looking down on me?

Chen Shangzhi next to him was also shocked and speechless.

At the same time, his eyes were deeply attracted by Liu Jianji in mid-air. You must know that Liu Jianji is the best in both body and appearance. At this time, when he was fighting Yue Feng in mid-air, that charming curve was looming. , Any man who sees this scene will fall deeply.

Chapter 5207

Time passes minute by minute.

In the blink of an eye, the two sides fought for dozens of rounds, but Liu Jianji was still unable to defeat Yue Feng.

For a time, Rumeng was a little anxious, bit her lip tightly, and said softly: "Sisters, form the Six Paths Immortal Execution Sword Formation." The voice fell, and the inner strength burst out, condensing on the long sword.

hum!

I saw that, under the flood of internal energy, the long sword in Rumeng's hand suddenly turned blood red, and at the same time, a strong killing intent also filled the sky and the earth.

"Yes, eldest sister!"

At the same time, the five Ruxues were drinking coquettishly, their delicate bodies rose up, and they stood in four directions in the south, south, and northwest, surrounding Yue Feng in the middle, and, like Rumeng, urged their inner strength. Move to the long sword.

Six Paths Zhuxian Sword Formation?

Facing this situation, Yue Feng frowned, secretly surprised.

At this time, Yue Feng clearly noticed that after the formation of the sword formation in front of him, the surrounding air seemed to be stagnant, especially the long swords in Liu Jianji's hands, all of which had turned blood red, with a murderous aura.

Haha...

Seeing this scene, Ye Xingyu below was indescribably excited and excited: "Liu Jianji has finally cast her sword formation." Liu Jianji's Six Paths of Killing Immortal Sword Formation is unparalleled in the world, this time Yue Feng will surely die. When the words fell, Chen Shangzhi couldn't help but said, "I didn't expect that this Yue Feng could force Liu Jianji

to cast a sword array." No matter how

strong you are, facing the sword formation, you can't escape death."

In the hearts of Ye Xingyu's brothers and sisters, this sword formation can only be broken unless it is the head of the three major sects. As for Yue Feng, you can only wait for death. share.

"Yue Feng!"

Just when Ye Xingyu and the two were excited, in mid-air, Rumeng stared at Yue Feng, and shouted: "Repay my junior brother." The

voice fell, and a bloody sword shadow quickly condensed out. , like a blood-colored lightning bolt, instantly slashed towards Yue Feng.

Chi Chi Chi...

At the same time, Ru Xue Wu also burst out with five blood-colored sword shadows, slashing towards Yue Feng from several directions at the same time.

This blood-colored sword shadow is the most powerful killing move in the Six Paths Killing Immortal Sword Formation.

In an instant, six blood-colored sword shadows erupted in unison, and the sky seemed to be covered in blood, causing the two Ye Xingyus below to look at them in horror.

Ha ha!

Feeling the power of the six blood-colored sword shadows, Yue Feng was quietly suspended in the air, with a smile on his face, not panicking at all.

"Haha, this Yue Feng is frightened."

"I forgot to hide."

Seeing Yue Feng's reaction, both Ye Xingyu couldn't help laughing.

In their hearts, Liu Jianji broke out the strongest nirvana. Even if Yue Feng had great ability, he could not escape this disaster. At this time, they all thought that Yue Feng was scared and stupid.

“I didn’t expect that there is such a powerful sword formation on Ziwei Continent. I really saw it.”

Seeing the six blood-colored sword shadows, Yue Feng said with a light expression, and then raised his hands, A golden protective film is deployed around the body.

This protective film is completely formed by the condensation of divine power, and the defense is very powerful.

boom boom boom...

As soon as the golden protective film was formed, six blood-colored sword shadows slammed onto the protective film, and a thunderous vibration was heard, and thick smoke billowed around Yue Feng.

Phew...

Seeing this scene, the six sword princesses in Rumeng were all secretly relieved.

Can be considered to kill him.

Junior Brother Xu, you can rest in peace under Jiuquan.

At the same time, Ye Xingyu, who was trapped in the woods, also looked at each other, excited.

Haha... This Yue Feng is finally dead.

Especially Ye Xingyu, while excited, is also completely relieved. Once Yue Feng died, the truth about Jiang Hongyu that was almost defiled last night will be sealed forever, and there is no need to worry about being found out by Jiang Hongyu.

What?

At this time, Liu Jian Ji landed one after another and was about to leave, but when they saw the scene in mid-air, the suburbs trembled, and they were all stunned.

I saw that after the dust and smoke dissipated in mid-air, a figure was still quietly suspended there.

The figure is proud and tall, and the expression is the same as before, who is not Yue Feng?

## Chapter 5208

At this time, Yue Feng, the corners of his mouth twitched, with a faint smile, his gown swayed in the wind, and there was no trauma on his body...

This...

Seeing this scene, Rumeng bit her lip tightly, Staring closely at Yue Feng, the suburbs trembled, and the whole person was completely stupid.

How could it be...he didn't even die.

You must know that the strongest strike in the Six Paths Execution Sword Formation was just cast, but he was able to block it so easily?

This man.. the strength is too strong.

Whoosh!

In the shock, Ru Meng's delicate face flashed a trace of perseverance, and the delicate body rose up and charged towards Yue Feng again.

The dignified Liu Jianji, even with the sword formation, could not kill Yue Feng. If this matter spreads out, wouldn't it be a joke from the people in the rivers and lakes? No matter how much the price is paid today, Yue Feng's life will be taken.

Again?

Seeing Rumeng rushing straight in, Yue Feng smiled slightly: "Beautiful sister, you can't kill me, so just give up." The words were extremely relaxed, as if facing a trivial matter.

"Shut up!" Ru Mengjiao shouted, the long sword in his hand was like a dragon, and he quickly stabbed at Yue Feng.

Yue Feng sighed, this woman is really persistent.

Thinking about it, Yue Feng moved his figure and fought fiercely with Rumeng in mid-air.

At this time, it was like a dream, and her internal power exploded completely. However, after a few rounds, Yue Feng could not be hurt in the slightest. On the contrary, Yue Feng seemed to have the ability to predict the prophet, and could predict the direction of her move every time.

"Ma'am, here we come."

Seeing this situation, Ru Xue looked at each other in dismay, and then they all shouted coquettishly, flew up, cooperated in the air like a dream, and fought with Yue Feng again.

Bang bang bang...

For a time, the two sides were in mid-air, and the fight was inseparable.

Half an hour later, Yue Feng lost his patience.

Seeing that it was getting late, Yue Feng laughed loudly: "Several beauties, I still have something important to do, so I won't play with you." After the voice fell, Yue Feng suddenly raised his right hand, condensing a golden palm shadow out. , shoot towards the nearest dream like a dream.

call!

Feeling the power of this palm, the pretty face changed like a dream, and I didn't have time to think about it, and hurriedly mobilized all the power in my body, and it was also a palm to meet.

At the same time, Ru Xue and the others exploded their inner strength one after another, putting their hands behind Rumeng's back, continuously injecting inner strength into her, trying to help Rumeng's original palm.

However, they all underestimated Yue Feng's strength.

boom!

In the next second, the two sides collided, and Liu Jianji heard a coquettish cry, and the figures fell one after another. After landing, they all turned pale, and they were obviously severely injured.

Hiss...

Seeing this scene, Ye Xingyu and Chen Shangzhi couldn't help but gasped.

Is this Yue Feng still human? Liu Jianji tried her best, but she didn't kill him, but was severely injured by him alone.

At this moment, Yue Feng slowly descended, his face seemed indifferent, but his body was churning with qi and blood. Speaking of which, his divine power had not fully recovered. He had already reached the limit when dealing with the Six Paths Immortal Execution Sword Formation. With one palm, the meridians in the body also suffered some trauma.

“Several!”

Yue Feng took a few deep breaths, concealed the wounds in his body, and said lightly to Liu Jianji: “Your junior brother, who is benevolent and righteous on the surface, does everything behind his back, all about male thieves and female prostitutes, death is not a pity, I will kill him, It can be regarded as a cure for the rivers and lakes, so I advise you, don’t try to avenge him.”

“Of course, if you go your own way, you can settle accounts with me, and I will accompany you at any time.” The

voice was not loud, but there was no doubt.

Swish!

Hearing this, Liu Jianji all had complex expressions on their faces, and was extremely frightened in her heart. I thought that I could easily kill Yue Feng and avenge my junior brother, but I didn’t expect that the revenge was not avenged, and this Yue Feng was so mocked.

Simply shameful.

In anger, Ru Xue couldn’t help but shouted: “Yue Feng, don’t be hypocritical here. It’s not your turn to take care of our junior brother. If you kill him, you will pay for your life.” The

voice fell, like a dream. He also glared at Yue Feng.

Hehe...

Hearing this, Yue Feng smiled slightly, turned around and prepared to leave without answering.

Chapter 5209

Yue Feng knew in his heart that Liu Jianji was overwhelmed by hatred at this time, and it was impossible to reason with them.

Since it is unreasonable to talk about it, it is better not to talk about it and walk away.

Om....

However, before Yue Feng could take a few steps, suddenly, there was a strong vibration on the ground beneath his feet, as if there was an earthquake, and then, the ground collapsed and a large pit with a diameter of several hundred meters came out.

At the moment when the big pit appeared, a huge beam of light shot up into the sky, and at the same time, an extremely strong enchantment force spread out from the bottom of the big pit.

“Ah!”

The place where the big pit appeared was right below Liu Jianji and the Ye Xingyu brothers. In an instant, several people let out an exclamation and fell one after another.

In the blink of an eye, several people disappeared at the bottom of the big pit.

What the hell!

Seeing this scene, Yue Feng was immediately confused, what's the situation?

Thinking to himself, Yue Feng quickly walked to the edge of the big pit and looked down. He was stunned when he saw it. He saw that there was an energy vortex at the bottom of the big pit. Just now, Liu Jianji and Ye Xingyu, All were sucked in by the vortex.

For a time, Yue Feng frowned secretly.

Beneath this deep mountain and old forest, is there an energy barrier hidden? Is there another mystery below?

Thinking to himself, Yue Feng hesitated, then jumped and jumped into the vortex.

hum!

At the moment of entering the vortex, Yue Feng only felt a buzzing sound in his mind, and his eyes were pitch black, and then he didn't know anything.

I don't know how long it took, Yue Feng slowly woke up.

I go.

The moment he opened his eyes, Yue Feng was immediately shocked by the scene in front of him.

I saw that there was a huge underground town in front of me. The high and low buildings were connected together, and the streets were crisscrossed. The whole underground town was almost as big as two Chunyang Palace main altars.

Every ten meters on the street, there is a huge stone pillar. On the top of the stone pillar is a large oil lamp, which illuminates the whole town.

However, in the entire underground town, there was a dead silence, and not a single person could be seen.

Yue Feng saw that a thick layer of dust had accumulated on the ground of the entire town. It was obvious that no one had been here for a long time, but Yue Feng also noticed that all the buildings in this town had the same style as those on the Ziwei Continent. Not the same, a bit similar to the style in the mysterious realm of the sky.

Strange, is this underground town related to God's Domain?

Muttering in his heart, Yue Feng sat on the ground in the middle of the creek and began to adjust his breath.

call!

A few minutes later, Yue Feng felt better, so he stood up and probed forward.

Along the way, Yue Feng kept observing the surrounding environment, and noticed that the buildings here are not only different from those in the Ziwei Continent, but also hidden countless delicate mechanisms in many places.

Not only that, there are secret locks hanging on the doors of many rooms.

On the Ziwei Continent, the Heavenly Secret Lock is exclusive to the Heavenly Secret Palace. This kind of lock is delicate and cumbersome, and only the organ masters of the Wuji Palace can unlock it, but in this underground town, it seems to be the most common thing.

Um?

After walking for a few minutes, Yue Feng suddenly stopped and saw a stone gate at the end of the road ahead. The stone gate was designed with gossip locks, which was very clever.

On the walls on both sides of the stone gate, rows of dark holes could be vaguely seen. Perhaps it was too long, and some dark holes leaked black kerosene.

Obviously, these dark holes are organs, and there is kerosene hidden in them. Once someone approaches, the dark holes will spray out flames, and no matter how many people there are, they will be burned alive.

Who the hell designed this place? It's just startling every step, there are crises everywhere.

Muttering in his heart, Yue Feng walked over slowly, avoiding the place on the ground that might touch the organ, and finally came to Shimen step by step, and then studied the gossip lock on it.

Although this gossip lock is delicate and cumbersome, it is a piece of cake for Yue Feng.

Click.

In less than half a minute, I heard a crisp sound from the Bagua Lock, which was directly opened by Yue Feng.

Chapter 5210

Call!

The moment he opened the stone gate, Yue Feng took a deep breath and revealed a smile.

The gossip lock is specially designed on the stone gate, and there must be something good in it.

Shasha...

But at this moment, footsteps suddenly came from behind. Listening to the voice, it seems that there are only two people.

Yue Feng instinctively looked back and frowned when he saw the person coming.

Madd, how are they?

I saw two embarrassed figures, walking slowly, it was Ye Xingyu and Chen Shangzhi.

The two of them were originally trapped in the formation in the woods by Yue Feng, but suddenly the ground collapsed, revealing the energy vortex below, and the formation lost its effect.

After that, the two brothers and Liu Jian Ji fell directly into the energy vortex.

Yue Feng thought that this underground town was so big that it would be difficult to meet, but he didn't expect to see the brothers so soon.

"Yue Feng?"

At this moment, Ye Xingyu and the two also saw Yue Feng, and their expressions were instantly complicated.

Seriously, if they saw Yue Feng half a day ago, Ye Xingyu would definitely kill without hesitation, but just now I saw Yue Feng and Liu Jianji fight with my own eyes, and I saw Yue Feng's true strength. Dare to act rashly.

Although Ye Xingyu is arrogant, he is not stupid.

Even Liu Jian Ji is not Yue Feng's opponent, so rashly provoking her is just courting death.

"Senior brother!"

A few seconds later, Ye Xingyu took a deep breath and whispered to Chen Shangzhi, "Let's go." When the voice fell, he was about to pull Chen Shangzhi to turn around and leave.

Since he can't beat Yue Feng, he should stay far away to avoid embarrassment.

However, Chen Shangzhi didn't mean to leave, he pulled Ye Xingyu and whispered: "Senior brother, this place is not Yue Feng's, why should we leave?" After

speaking, Chen Shangzhi lowered his voice: "This Yue Feng Although it is powerful, it seems that he was injured when he fought against Liu Jianji before, so let's not panic." As he

said, Chen Shangzhi gave Yue Feng a meaningful look.

Although Chen Shangzhi is still young and doesn't often walk around the rivers and lakes, he is very insightful. The last time Yue Feng played against Liu Jian Ji before, he keenly discovered that Yue Feng was fine on the surface, but in fact he had received trauma secretly.

Swish!

Hearing this, Ye Xingyu immediately observed Yue Feng carefully, and as expected, Yue Feng's face was slightly pale, obviously he had received trauma before.

Seeing this, Ye Xingyu was very excited, the fear in his heart disappeared instantly, and sneered at Yue Feng: "Yue Feng, it's really a narrow road for enemies."

Since this kid has been traumatized, what is there to be afraid of?

A fool.

Seeing Ye Xingyu's provocative face, Yue Feng chuckled lightly and didn't bother to pay attention to it. You must know that the two brothers were talking very quietly, but Yue Feng could still hear them clearly.

Mad!

Yue Feng's attitude made both brothers angry.

Chen Shangzhi turned his eyes and whispered at Ye Xingyu: "Elder brother, this Yue Feng actually opened the lock on the stone door, there must be something good inside, wait for me to shoot at him, you find a chance to raid, let's join forces, get rid of him right here."

In Chen Shangzhi's heart, Yue Feng was injured, like a tiger with its teeth pulled out, and the threat was greatly weakened. As long as he cooperated with Ye Xingyu well, he would definitely be able to kill him.

Um!

Hearing this plan, Ye Xingyu nodded.

Chen Shangzhi stopped talking nonsense, took a step forward, and said to Yue Feng: "Yue Feng, our account has not been settled yet. Are you going to kneel and surrender, or wait for our brothers to do it?"

Yue Feng smiled lightly: "Want to touch me? I'm afraid you don't have that ability."

Speaking of which, Yue Feng admired this Chen Shangzhi very much, and he could see that he was traumatized, but unfortunately, this man's mentality was not right, and sooner or later he would die unexpectedly.

"You are courting death!"

Chen Shangzhi's expression changed when he heard the answer, and then he shouted angrily, directly urging the figure to rush over. But after two steps, the mechanism of the dark holes in the walls on both sides was triggered.

Huhuhu...

In an instant, tongues of fire spewed out from the dark hole, directly covering Chen Shangzhi.

Suddenly, Chen Shangzhi didn't have time to dodge, and a lot of kerosene was sprayed on his body, and his whole body was instantly ignited.
