

## The ultimate husband in Chinese chapter 5241-5250

Chapter 5241

Hiss...

Seeing this scene, both Ren Pingsheng and the surrounding sect masters couldn't help but gasp.

These stone statues are nothing but dead objects. At this time, they formed a formation, the power is so terrifying? The dead sect master, who was also famous in the rivers and lakes, was killed by one move...

"Don't panic!" In the

next second, Ren Pingsheng calmed down and shouted at the people around him:

"These stone statues It's just deployed according to certain rules, as long as we unite as one, it's not difficult to break through."

Speaking of which, just now everyone didn't listen to the command, and they were scrambling to snatch the treasure in the statue, Ren Pingsheng was very annoyed, but He knew in his heart that in this situation, he could not tear his face for the time being.

When they get the Soul of Heaven's Secret, whether these people live or die will have nothing to do with them.

The voice fell, and Li Qinghai, who had been silent, also shouted: "Sect Master Ren is right, everyone was too reckless just now, and shouldn't be fighting, and the result was triggered, and we should obey the command."

"Otherwise, this is the case. A piece of loose sand, how can you not get the treasure."

When he said this, Li Qinghai had a straight face, but his eyes flashed with treacherousness. You must know that Li Qinghai lost to Ren Pingsheng in the competition before, and Li Qinghai was very worried. It is to hold back the fire, and it is a deep-rooted resistance to Ren Pingsheng's command.

But Li Qinghai is also very clear in his heart that if the current situation continues, it is impossible for everyone to break through the mysterious armor formation in front of them. The only way is to cooperate with each other.

Li Qinghai had thought about it, as long as the Profound Armor Formation was broken, he would immediately snatch the Soul of Heaven's Secret.

As long as you get the soul of heaven and learn the Qimen exercises in it, you can become the first person in the arena. At that time, Ren Pingsheng and the major sects don't need to be taken seriously.

Wow....

The voice fell, and everyone around nodded in agreement.

This chapter is provided by . Visit for daily update.

“Right, right... We can't be impulsive anymore.”

“There are dangers everywhere here, everyone put away their own careful thoughts, so as not to harm others and themselves.”

“However, these stone statues cooperate so well, how to find the weakness? ..”

Everyone's discussion, your sentence, and my sentence came, Ren Pingsheng's expression changed, and then he showed a meaningful smile.

The next second, Ren Pingsheng signaled everyone to be calm, then took a deep look at a few stone statues, and said slowly: “If I guess correctly, the weakness of these stone statues is in the chest, which is set inside. The machine spring.”

“When the machine spring is activated, these stone statues can move like human beings. As long as the machine spring inside is destroyed, the stone statues will become a pile of dead objects, and the mysterious armor formation will naturally be self-defeating.”

As Li The head of the Fire Sect, Ren Pingsheng observed closely, and saw the clues at a glance.

When the voice fell, everyone around was excited, and at the same time, they couldn't help but admire them.

“It seems to be the case, I didn't realize it just now...”

“The leader of the alliance is really powerful, and he can see the weakness of these stone statues at a glance.”

“Very good, let's take a shot together and directly destroy the springs inside the stone statues. “

At the same time as everyone admired, Yue Feng, who was hiding on the eaves, looked at Ren Pingsheng, and was secretly surprised.

This man is a bit skilled, he discovered the weakness of the stone statue so quickly.

It's just...it's easy to find weaknesses, and it's not that simple to say that you want to break the Profound Armor Formation.

"Everyone, do it!"

Just when Yue Feng was muttering secretly, he saw Ren Pingsheng shouting, pulling out his long sword, jumping up, and rushing into the Xuanjia formation first.

"Go!" The

surrounding masters of various sects did not hesitate, and immediately rushed into the formation to fight with those stone statues.

At the beginning, everyone was still full of confidence, thinking that as long as they united, they could easily break through the formation, but gradually, they felt a little powerless.

Everyone found that although these stone statues are dead objects, they cooperate with each other too tacitly. Whether it is defense or offense, they are all watertight. More importantly, many people have noticed that the material of these stone statues is not ordinary stone, but an extraterrestrial meteorite, so hard that it cannot be broken by a knife or pierced by a sword.

Chapter 5242

Under this circumstance, many people are a little anxious, and the formation is a little messy.

Bang Bang Bang...

The formation was chaotic, and many people were swept away by the giant sword in the stone statue's hand, causing a dull vibration, one by one vomited blood, and then fell to the ground, losing their combat effectiveness.

Mad!

Seeing this situation, Ren Pingsheng was completely anxious. He never thought that with so many people joining forces, they could not break the formation composed of several stone statues.

"Bang!"

At this moment, Li Qinghai was also swept away by the giant sword of the stone statue. After hearing a dull sound, Li Qinghai was directly shocked back a dozen steps, his face was pale, and he was obviously injured by the shock.

After stabilizing his figure, Li Qinghai's eyes were full of astonishment.

These statues... are too strong.

He clearly felt that the qi and blood in his body were churning, and his internal organs seemed to be displaced.

“Sect Master Ren!”

In horror, Li Qinghai turned his head and shouted at Ren Pingsheng, “It won't work like this. The defenses of these stone statues are too strong, and they can't be broken at all. Destroying them will definitely not work.”

“We have to find the law of this formation and use other methods to break the formation.”

As he said, Li Qinghai dodged the giant sword smashed by the stone statue and quickly retreated to a safe area.

call!

Hearing this, Ren Pingsheng took a deep breath, and when he saw the masters of various sects, dead and wounded, he was also very anxious

. He led the crowd and quickly exited the range of the Profound Armor Formation.

Seeing this scene, Yue Feng, who was hiding not far away, suddenly showed a smile. Although this Ren Pingsheng was very insightful and found the weakness of the stone statue, he didn't have the ability to break the hard stone armor, and everything was in vain.

After everyone retreated from the Profound Armor Formation, the expressions on their faces were extremely gloomy.

The previous attempt to break the formation has damaged many companions, and the few stone statues are still standing around the statue, as solid as a rock.

For a time, everyone was holding back fire and feeling helpless.

“That's right!”

At this moment, someone in the crowd shouted, "This girl is a descendant of the Heavenly Secret Palace, and she must know how to break the formation."

Shuh!

The voice fell, and everyone's eyes were locked on Dongfang Yunqing. Their gazes were scorching hot, like beasts who saw their prey.

Facing this situation, Dongfang Yunqing's heart trembled, and instinctively wanted to turn around and run away, but the gate of the main hall was blocked by these sect masters, and it was impossible to escape.

"You..."

There was no hope of escaping, Dongfang Yunqing bit his lip lightly, and while retreating, he said to Ren Pingsheng, "What are you going to do?" She was only in her teens, and after all these things, in panic, the voice All trembled.

The voice fell, and many people sneered.

"Little girl, tell me the way to break the formation."

"Don't think about playing tricks, hurry up and say..."

"Quickly say..." Amidst the anger of the

crowd, Ren Pingsheng walked over slowly and made a move. With a friendly look, he smiled at Dongfang Yunqing and said, "Don't panic, we won't hurt you. As long as you tell me how to break this formation, I will take you out safely."

Like everyone else, after several failed attempts, Ren Pingsheng could only put all hope of breaking the formation on Dongfang Yunqing.

The method of breaking the formation?

Hearing this, Dongfang Yunqing's handsome face showed a bit of determination, pointed at Ren Pingsheng and shouted, "You big liar, big bad guy, I won't tell you how to break the Profound Armor Formation.

"The soul of the secrets inside is something of our secret palace, and none of you want to steal it." The

voice was not loud, but there was no doubt about it.

Although Dongfang Yunqing was young, he also knew in his heart that the group of people in front of him were robbers who came in specifically to grab things. How could they get their wish?

The voice fell, and everyone was shocked and angry. They all have a lot of fame in the arena, and now they are pointed and scolded by a little girl, how can they bear it?

“Dead girl is courting death.”

“Dare to scold us, I really don’t know how high the sky is.”

“Tie her up directly and torture her.”

Chapter 5243

At the same time, Ren Pingsheng’s face was instantly ugly.

However, Ren Pingsheng did not have an attack on the spot, but squeezed out a smile that was uglier than crying, and said gently to Dongfang Yunqing: “Little girl, you also saw that the group of people around are very fierce, you still have to break the Tell me the method of the formation.”

“As long as you say it, I promise, they won’t dare to do anything to you.”

At this time, Ren Pingsheng had a fire in his heart. Identity, it is really shameless to say good things to a little girl.

But there is no way, that Profound Armor Formation is really too strong, the only thing that can be done now is to stabilize Dongfang Yunqing.

However, although Dongfang Yunqing is young, he is not a fool. He saw Ren Pingsheng’s plan at a glance, and immediately shouted: “I don’t believe you, you are a liar, a liar...”

Shuh!

When the words fell, Ren Pingsheng’s face instantly flushed red, and his heart was also filled with anger. He ordered to the disciple beside him, “Tie her up.”

It was just a teenage girl who scolded me over and over again.

Whoa!

Hearing the order, several Lihuo Sect disciples walked over quickly, holding ropes, and tying Dongfang Yunqing with five flowers.

“Let go of me...” Dongfang Yunqing was so frightened that she couldn’t stop screaming, trying to break free at the same time, but she was only a teenager, how could she break free?

Huh...

Seeing this scene, the masters of the various sects present were all indifferent, and even many people were a little excited. In their hearts, it is the most important thing to get the soul of heaven in the statue. As for Dongfang Yunqing’s life and death, it has nothing to do with them.

Nima!

At this moment, Yue Feng, who was hiding on the eaves, couldn’t bear it any longer, and his heart burst into flames.

This group of people is really a bastard. In order to get the treasure, they actually attacked a little girl. It’s not human.

“Little girl!”

At this time, Ren Pingsheng walked over slowly, looked down at Dongfang Yunqing who was tied up, and said coldly: “The people present are not good-tempered, you better tell the truth. The method of the formation will come out. Otherwise, I can’t guarantee what will happen next.”

Dongfang Yunqing snorted softly, clenching his mouth tightly, ignoring him.

Despite his young age, Dongfang Yunqing has a tough temperament.

Seeing her reaction, Ren Pingsheng was completely angry.

“Okay, very good!” In the

next second, Ren Pingsheng sneered a few times, pulled out his long sword, and pointed at Dongfang Yunqing’s heart: “As expected of the Wuji Palace, the descendants of the Dongfang family, they are quite individual. After staying here for so long, I really want to see the outside world, if one pair of eyes are blind, everything in the outside world will be invisible, wouldn’t it be a

pity ?” Proceed slowly.

Feeling the coldness from the tip of the sword, Dongfang Yunqing’s face turned pale and his body trembled, but his attitude remained firm: “You bad guy, kill me, I won’t say anything.”

The moment he spoke, Dongfang Yunqing's tears could not be stopped.

Father, and the uncles and uncles of the Heavenly Secret Palace, where are you all...

Until now, Dongfang Yunqing did not know that he had been sleeping in this underground town for a thousand years, and the Heavenly Secret Palace had long ceased to exist, and she His father, as well as those elders of the Heavenly Secret Palace, have all passed away.

"Tsk tsk..."

Looking at the long sword, he was about to stab Dongfang Yunqing's eyes. At this critical moment, he heard a cynical joke: "A dozen sects, bullying a little girl is really shameful.

"!

Hearing this, the long sword that Ren Pingsheng stabbed stopped abruptly, and he shouted in shock, "Who is it?" As he spoke, he looked out of the hall.

At the same time, the surrounding masters of various sects also looked outside, all of them were secretly shocked.

In this underground town, besides this little girl, is there anyone else?

However.

On the square outside the main hall, it was pitch black, how could there be half a figure?

Chapter 5244

Whoosh!

Just when everyone was in shock, a figure leaped down from under the eaves, and in the blink of an eye, it arrived at Dongfang Yunqing's side.

Dressed in a black long shirt, unrestrained and unrestrained.

It is Yue Feng!

Whoa!

Seeing Yue Feng, everyone present was in an uproar, and many people frowned secretly.

"Who is this person?"

“Yue Feng? The Pill Pavilion Master of Chunyang Palace?”

“It is rumored that the newly appointed Pill Pavilion Master of Chunyang Palace has extremely high attainments in the art of alchemy, and this is the person. ?”

Among the various sects present, there are many elite disciples of Beihai Xingsu, and a few days ago, Yue Feng and Jiang Hongyu visited Beihai Xingsu together, so they recognized it at a glance.

“It’s you...”

Seeing Yue Feng, Dongfang Yunqing’s delicate body trembled, and he was surprised again, and there was an indescribable complexity. Two hours ago, it was Yue Feng who woke her up from the crystal coffin. How can you forget?

“I told you not to run before, but you have to run, now it’s alright, let’s fall into the hands of the bad guys.” Yue Feng smiled at Dongfang Yunqing and rebuked lightly.

The next second, Yue Feng comforted: “But don’t be afraid, no one will hurt you if I am here.” The

last word fell, Yue Feng raised his hand gently, and the rope on Dongfang Yunqing’s body shattered instantly. .

“Hey!”

At this moment, Ren Pingsheng reacted and took a step forward and looked at Yue Feng coldly: “You are the Pill Pavilion Master Yue Feng of Chunyang Palace?”

This kid doesn’t seem to have any strength at all. How did he get down from the eaves just now?

Also, this person just raised his hand and shattered the rope on the little girl?

“It’s me.” Yue Feng replied lightly.

Ren Pingsheng nodded silently and continued: “Since he is a member of Chunyang Palace, he has nothing to do with Tianji Palace. Please step back immediately. We want to interrogate this girl.”

After speaking, Ren Pingsheng looked at Dongfang Yun deeply . Take a clear look.

Ha ha!

Yue Feng chuckled and said without shyness: “Interrogation? You are also the master of a sect, bullying a little girl in a grand manner, and I will be ashamed for you.”

In his words, there was no concealed contempt.

“You...” Ren Pingsheng blushed and wanted to refute, but was speechless.

At the same time, everyone around was also embarrassed. After all, Yue Feng was right. So many sect masters threatened and threatened a little girl. When the news spread, no one’s face was light.

For a time, the atmosphere was very dull.

“Haha...”

At this moment, Li Qinghai, who had been silent all the time, came out with a big laugh, cupped his hands at Yue Feng, and said almost: “Brother Yue Feng, old man Li Qinghai, the great elder of Tianhaimen.

” I have always heard that Brother Yue Feng has high attainments in the art of alchemy, and he admires it very much, but he has never had the chance to see it, and he did not expect to meet him here.”

Having said that, Li Qinghai licked his face and continued. : “Brother Yue Feng, you came to this underground town alone for the treasure. Since that’s the case, why don’t we join forces?”

“As long as you ask for the method of breaking the formation from this girl’s mouth, you will be able to get the soul of the secret inside. At that time, the Qimen exercises of the secret palace will be available at your fingertips...”

Li Qinghai said with a beaming expression, as much as possible. to win over Yue Feng.

In Li Qinghai’s heart, Tianhaimen and Chunyang Palace are allies, and he has said this to himself, and Yue Feng will not refuse because of reason.

However, he was wrong.

Seeing Li Qinghai’s face, Yue Feng sneered and interrupted before he finished speaking: “Elder Li, right, you don’t need to waste your words, despicable and shameless villains like you, I am ashamed to be in company with you. “

Yue Feng has been walking around the world for so many years, and what he dislikes most is this kind of hypocrite who does what he does in the open and what he does in secret.

What?

Hearing this, Li Qinghai was stunned for a moment, his face flushed, as if he did not expect that Yue Feng not only refused, but also accused himself in public.

Before he could react, Yue Feng continued word by word: "Elder Li, you are quite old, and among all the people present, whether it's status or fame, you are the highest. After all, you are also a senior in Jianghu. ."

## Chapter 5245

"But when the head of the sect was coercing and tempting the little girl just now, it's fine if you don't stop it, and you just condone it. It's just thrown into the face of the seniors in the rivers and lakes."

"You still have the face to win me over, and You bully the weak together? Haha, it's so shameless, it's really shameful to have an elder like you in Tianhaimen." The

words were loud and could not be refuted.

"You..."

Li Qinghai's face turned blue and white, and he was about to explode with anger. He pointed at Yue Feng and wanted to refute, but he couldn't say a word.

Whoa!

At the same time, everyone around was glaring at Yue Feng, and they were all shocked and furious.

Yue Feng seemed to be scolding Li Qinghai just now, but between the words, he also scolded everyone present. They are all powerful figures in the arena, how can they tolerate Yue Feng being so presumptuous?

Looking at the expressions of everyone, Yue Feng smiled lightly, without taking it to heart, turned around and said to Dongfang Yunqing: "I'll take you out of here later."

What?

Yue Feng's voice fell, and the audience instantly exploded.

Whether it was Ren Pingsheng or Li Qinghai, their faces were ashen and their anger was unforgivable.

"Haha." Finally, a Tianhaimen disciple couldn't help scolding: "Yue Feng, don't think that you are the Pill Pavilion Master of Chunyang Palace, no one dares to touch you, you just said it nicely, On the surface, you want to protect this girl, but the final purpose is not to want to get the treasure here?" The

voice fell, and many people nodded in agreement.

“That’s right, righteous on the surface, but also a villain behind the scenes.”

“You still have the face to talk about us?”

“You are really villains, and you can’t be any better.”

Everyone said one sentence to another, and they all criticized Yue Feng. In their hearts, Yue Feng protected Dongfang Yunqing so much, not because of kindness, but also because he wanted to be in the idol. It’s just the soul of heaven.

Facing the reprimands from everyone, Yue Feng smiled lightly: “If I want to get the soul of heaven, why do I need to be like you?” After speaking, he glanced at the Xuanjia Formation not far away.

Yue Feng is not bragging, with his accomplishments in formation, breaking this mysterious armor formation is completely a piece of cake.

What?

For a time, everyone was stunned, thinking that they had heard it wrong.

What is this Yue Feng saying? He doesn’t need this little girl to break this Profound Armor Formation?

Too bragging.

Seeing everyone’s reaction, Yue Feng chuckled lightly. He was too lazy to talk nonsense at the time, and with a flash, he rushed into the Xuanjia formation.

Buzz buzzing...

Sensing that someone broke in, several stone statues in the Profound Armor Formation immediately moved, waving giant swords, interweaving into a sword net, covering Yue Feng.

This scene is very similar to the first person who broke into the array.

Go crazy.

Seeing Yue Feng rushing directly into the Profound Armor Formation, everyone sneered, as if they had seen him being killed by a giant sword.

However, the next scene surprised everyone present.

I saw that Yue Feng's figure was agile, passing through the gaps between several giant swords, completely predicting the law of the stone statues' shots.

bang bang bang...

Immediately afterwards, Yue Feng sent out several palms in a row, and in the middle of the chests of the stone statues, a few roars were heard, and the machine springs hidden in the chests of the stone statues were all destroyed.

Several stone statues were destroyed, and the Profound Armor Array suddenly lost its function.

silence!

In an instant, the entire hall was silent.

Everyone stared blankly at Yue Feng, as if they had seen a monster. You must know that when the masters of various sects joined together before, not only did the Profound Armor Formation not be broken, but a lot of casualties were also lost.

And this Yue Feng, with only one person, broke the Profound Armor Formation without getting the slightest injury.

Who would believe it if you hadn't seen it with your own eyes?

"This..."

Finally, I don't know who reacted first, and couldn't help muttering: "This person is not the pavilion master of Pill Pavilion, only has research on Pill Technique? How can he still understand the formation of Tianji Temple?" The

voice fell. , The surrounding people seemed to be infected, and the discussions came flooding in.

"How did he break those stone statues just now? It's too fast..."

"I didn't see it clearly."

"It's unbelievable..."

At the same time, Dongfang Yunqing was also trembling slightly, dumbfounded. Looking at Yue Feng, he couldn't say a word. You must know that this Mysterious Armor Formation seems simple but very mysterious. Only the Palace Master of the Heavenly Secret Palace knows how to break the formation.

**The ultimate husband in Chinese chapter 5246-5250**

## Chapter 5246

Whoosh!

Just when everyone was shocked, Yue Feng's figure flashed, and he came to the statue in an instant, and directly took the soul of the secret in his hand.

Of course, Yue Feng didn't want the Qimen exercises inside.

Although the Heavenly Secret Palace's Qimen exercises have a fatal attraction to the masters of various sects present, to Yue Feng, they are just some ordinary techniques.

The reason why Yue Feng took out the Soul of Heaven's Secret was that he didn't want the Qimen exercises inside it to fall into the hands of despicable people like Ren Pingsheng. After all, Dongfang Yunqing was by his side, she was the descendant of the Heaven's Secret Palace and the Soul of Heaven's Secret. sole heir.

Swish!

Seeing that Yue Feng got the Soul of Heaven's Secret, whether it was Ren Pingsheng or the others present, all of them stared at Yue Feng's hands, and their eyes became extremely hot.

"Yue Feng!" In the

next second, Ren Pingsheng couldn't hide his excitement, and shouted at Yue Feng: "Give me the soul of the secret, the Qimen exercises in it, the sects we are present, have a calculation One, all share."

"Of course, if you break the formation, your Chunyang Palace will naturally have to share a little more."

When he said this, Ren Pingsheng was already a little impatient. In his heart, Yue Feng even got the secret. The soul does not dare to swallow it alone. You must know that the various sects who were present before have suffered serious casualties in order to break the profound armor formation. If Yue Feng swallowed the soul of the secret, he would be against all the sects present.

Even if Yue Feng is the Pill Pavilion Master of the Chunyang Palace, with an extraordinary position, he would not dare to take this risk.

After all, there are more than a dozen sects present, and if Yue Feng offends all of them, he will be the enemy of the entire Ziwei Continent.

Ren Pingsheng thought about it, first, in the name of the alliance leader, to deceive the soul of Tianji from Yue Feng's hands. As long as the things are in hand, he will find a way to deal with the surrounding sects.

"For you!?"

This chapter is provided by . Visit for daily update.

However, Yue Feng immediately guessed Ren Pingsheng's thoughts, sneered at that time, and said to Ren Pingsheng without mercy: "Sect Master Ren, is your head caught by the door? This is something from the Heavenly Secret Palace, why should I give it to you?"

"If you want it, at least you have to become a disciple of the Heavenly Secret Palace first."

Having said this, Yue Feng tilted his head to look at Dongfang Yunqing and smiled. He hehe asked: "Girl, are you willing to accept this person as your apprentice?" The words were full of playfulness.

"No!"

Dongfang Yunqing was still young and could not hear what Yue Feng was joking, and immediately refused: "I won't accept him as a disciple, this person is a big bad guy and a big liar.

" He glared at Ren Pingsheng fiercely.

In Dongfang Yunqing's heart, Ren Pingsheng first lied to her, and then in order to break the Profound Armor Formation, he had to blind her eyes with a sword. How could he accept her as a disciple?

Hearing this answer, Yue Feng shrugged at Ren Pingsheng and said with a smile: "You heard it too, Sect Master Ren, the little girl doesn't want to accept you as a disciple, then you can't become a disciple of Tianji Temple, so this Tianji Soul, you have no chance." The

words were full of mockery.

Swish!

At this moment, Ren Pingsheng's face was extremely ugly, and he almost exploded with anger.

In order to revive the glory of Lihuomen, he has practiced in closed-door retreat for more than ten years. Today, he finally had the opportunity to become famous in the

world, but he was so humiliated by this Yue Feng. How can I swallow this bad breath the next?

In anger, Ren Pingsheng drew out his long sword, pointed at Yue Feng and shouted angrily, "You... seek death."

A few minutes ago, Ren Pingsheng was a little jealous of Chunyang Palace because of Yue Feng's identity, so he kept a little polite, but at this time, seeing that Yue Feng didn't show any affection, he couldn't help it.

Swish...

At the same time, the disciples of the Lihuo Sect in the crowd were also holding their long swords tightly, their eyes locked on Yue Feng, flashing with strong killing intent.

When the head was humiliated, they naturally would not stand idly by.

Hehe...

Seeing this scene, Li Qinghai next to him couldn't help sneering secretly. When Ren Pingsheng was discussing with me just now, what a scene, I probably never thought that he would be slumped in front of Yue Feng.

Refreshing in his heart, Li Qinghai took a deep breath, pretended to come out to smooth things out, and said to Ren Pingsheng, "Sect Master Ren, don't be impatient, let me come."

## Chapter 5247

Speaking, Li Qinghai took a step forward and looked at Yue Feng seriously: "George Yue, I know that you are a little bit contemptuous of my behavior just now, but to be honest, who are the fellows from all corners of the country who are here today? Didn't you come to look for treasures?"

"This place has been sealed for so many years, and it is a great blessing to be found by everyone. Moreover, just now, in order to get the soul of the secret, all the sects suffered heavy casualties, if you don't hand it over, I'm afraid you won't be able to convince the public."

"So, for the sake of our three major sect alliances for so many years, give me a face and hand over the soul of the sky, so that it can be counted as an explanation for all the sects present. "

When he said this, Li Qinghai's face was sincere, but there was a bit of cunning in his eyes.

Like Ren Pingsheng, Li Qinghai did this not for the various sects present, but the ultimate goal was to get the soul of the sky.

You must know that in the soul of the sky, the Tianji Palace has inherited the Qimen exercises for thousands of years. If you practice the same way, you will be able to stand alone in the rivers and lakes and traverse the Lagerstroemia Continent.

Ha ha...

Yue Feng's eyes were like torches, and he saw through Li Qinghai's tricks at once, and immediately sneered: "Okay, don't pretend, you and I know what you think in your heart."

"I tell you, this secret The soul, I will not give it to any of you." The

last word fell, Yue Feng slowly walked over, solemnly handed the soul of Tianji to Dongfang Yunqing, and said seriously: "Girl, take your things. , you have to remember, this is what your ancestors worked hard to pass down, so you must take good care of it, and don't be deceived by bad people."

These words seem to be telling Dongfang Yunqing, but in fact they are mocking Ren Ren. Life and Li Qinghai.

"Um!"

Dongfang Yunqing nodded sensible: "I know." After speaking, he put the soul of the secret on his body.

Mad!

Seeing this scene, the masters of various sects present were all shocked and angry.

This Yue Feng is really too much. If you don't hand over the soul of the heavenly secret, it's fine, but also accusing Sang of scolding Huai for humiliating us?

At this moment, Li Qinghai's face was also extremely gloomy, Ma De, this Yue Feng is really hateful, I put down my identity and said all the good things, but he didn't give any face at all.

Really ignorant.

"Okay, very good."

Thinking to himself, Li Qinghai looked at Yue Feng coldly, and his tone was cold: "George Yue, according to what you said, you have to go against the sect present, even if you destroy the alliance. Relationship, is it at all costs?"

Yue Feng smiled lightly: "Don't give me a hat, this is my personal matter, and has nothing to do with Chunyang Palace."

After saying that, Yue Feng grabbed Dongfang Yunqing's hand, Looking around, he said word by word: "I will not give you the soul of the secret, this little girl, I will also take it."

Bang!

When the words fell, Ren Pingsheng slapped his palm on the pillar next to him, staring at Yue Feng, almost spitting out fire: "Good boy, you have to walk right with all the sects present, there is something, I see how you bring it today. He's gone."

"All the disciples of Lihuo Clan obeyed the order and killed this ignorant thing for me to take back the soul of the secret."

Whoops!

When the words fell, the disciples of the Lihuo Sect, who had been unable to hold back for a long time, drew out their long swords and surrounded Yue Feng and Dongfang Yunqing.

In the face of this situation, Yue Feng's face was indifferent, not panic at all.

This....

Li Qinghai frowned, and he was in trouble for a while.

Although this Yue Feng is hateful, he is a member of Chunyang Palace after all. You must know that Tianhaimen and Chunyang Palace are also called the three major sects, and their relationship has always been good. Not suitable.

"Elder, Great Elder..."

Just when Li Qinghai was in a dilemma, a shout suddenly came from outside the hall, and then, a figure walked in quickly, sweating profusely, very embarrassed.

It was Ye Xingyu who fell into the underground town from the very beginning.

An hour ago, Ye Xingyu and Chen Shangzhi met with Yue Feng. At that time, Chen Shangzhi wanted to kill Yue Feng, but he touched the organ and died. At that time, Ye Xingyu was angry and panic.

After Xiang Yue Feng left with harsh words, Ye Xingyu went to investigate alone, because he knew that there were many traps in this place, so Ye Xingyu did not dare to rush in.

## Chapter 5248

When Ye Xingyu passed the main hall just now, when he heard the noise here, he hurried over to check. When he arrived at the door of the main hall, he saw Li Qinghai and the people from Tianhaimen. Ye Xingyu was overjoyed as if he had caught a life-saving straw.

Swish!

At this moment, the eyes of the audience all converged on Ye Xingyu.

“Xingyu?” Li Qinghai was also very surprised, and asked in surprise, “Why are you here?” He knew about Ye Xingyu and Chen Shangzhi’s visit to Beihai Xingsu.

It stands to reason that they should be in the North Sea Constellation now? How would it appear here?

Moreover, is Ye Xingyu alone?

is this kid?

At the same time, Yue Feng was also stunned when he saw Ye Xingyu. There were traps everywhere, and he had nothing to do with him.

call!

Hearing Li Qinghai’s question, Ye Xingyu took a deep breath and said with a complicated expression: “It’s hard to say anything.” Because there were too many people around, Ye Xingyu hadn’t seen Yue Feng for a while.

At this time, Ye Xingyu was very depressed.

Originally, Ye Xingyu was full of longing for his visit to Beihai Xingsu this time, because his master had already promised to help him propose a marriage. How could he know that he met Jiang Hongyu, but was rejected because of Yue Feng. Not only that, but his younger brother also died because of Yue Feng.

It can be said that this time down the mountain, I was frustrated everywhere, but there are so many sects around, how can I say what happened? Seeing his complicated expression, he must have encountered something, so Li Qinghai was inconvenienced to say more, but seeing him alone, he couldn’t help but ask, ” Where’s

Chen Shangzhi?”

Good foreboding.

You know, the whole Tianhaimen knows that Ye Xingyu and Chen Shangzhi have a good relationship and are almost inseparable. Otherwise, they will not visit the North Sea Constellation together.

At this time, I saw Ye Xingyu, but not Chen Shangzhi. Obviously, something happened to Chen Shangzhi.

“Junior brother...”

Seeing him questioning Chen Shangzhi, Ye Xingyu’s nose was sour, and sadness came from it, and he said: “Junior brother...he died...” Thinking of the scene of Chen Shangzhi’s tragic death at that time, Ye Xingyu pressed Nai Incessant grief.

What?

Hearing this, Li Qinghai was shocked, as if he had been hit by an invisible sledgehammer, his body staggered, and he almost became unsteady.

You know, Chen Shangzhi is Li Qinghai’s close disciple. Because of his talent and intelligence, he is deeply loved by Li Qinghai, and he has high hopes for him.

Speaking of which, Li Qinghai felt bad when he saw Ye Xingyu alone just now, but when he heard that his disciple had an accident, he couldn’t accept it.

“He...”

For a time, Li Qinghai was very sad, clutching Ye Xingyu’s arm tightly, his voice hoarse: “How did he die?”

Ye Xingyu looked complicated and didn’t know how to answer for a while.

Um?

It was at this moment that Ye Xingyu saw the two Yue Feng who were tightly surrounded, and his heart was shocked, and he suddenly shouted: “It’s him.”

At this time, Ye Xingyu, like crazy, pointed at Yue Feng and shouted loudly. Howling: “Elder, it’s him who killed Junior Brother Chen, it’s him!” To

be honest, Ye Xingyu was still a little apprehensive when he suddenly saw Yue Feng. After all, when Liu Jianji besieged Yue Feng, he But he saw with his own eyes the true strength of Yue Feng, which is very strong.

But thinking that there are so many people around, Ye Xingyu has no worries.

Swish!

Hearing this, Li Qinghai's face was extremely gloomy, and he turned his head and looked on Yue Feng, like a dormant beast: "You...you killed my apprentice?"

"He himself touched the organ, what's my business?"

"You..."

Ye Xingyu's face flushed when he heard this, and he didn't know how to refute it, because Yue Feng was right, and it was indeed Chen Shangzhi who had rashly said that. Shot, only to touch the organ.

But the younger brother died so tragically that there were almost no bones left, and this bad breath had to be released.

Thinking to himself, Ye Xingyu shouted at Li Qinghai: "Elder Li, don't listen to him, this Yue Feng is the most cunning, and Junior Brother Chen is absolutely the one who killed him, so you must avenge Senior Brother Chen. "

Chapter 5249

Swish!

Hearing this, Li Qinghai's face was extremely blue, his eyes were like poisonous snakes, and he stared at Yue Feng: "Okay, you killed my apprentice, I can't stand against you."

"Tianhaimen disciple obeyed and took Yue Feng. Wind." Li Qinghai roared loudly, anger rising from his body.

To be honest, Li Qinghai, as the great elder of Tianhaimen, has been in the world for many years. Whoever tells the truth and whoever tells lies can be seen at a glance. He knows that what Yue Feng said is true, and his apprentice Chen Shangzhi is most likely himself. Touch the trap and die.

But before, because of the soul of the secret, Yue Feng didn't give any face, Li Qinghai was very annoyed, but because of the alliance, he didn't completely tear his face.

At this time, seeing Ye Xingyu publicly acknowledging that Yue Feng had killed his beloved disciple, Li Qinghai knew that the time had come.

Even if the Palace Master of Chunyang Palace knew about it, Yue Feng would not take it seriously.

"Kill him!"

At this moment, seeing Li Qinghai finally speaking, Ye Xingyu couldn't help but howl: "Kill Yue Feng to avenge Junior Brother Chen."

"Kill!" The

voice fell, and the Tianhaimen disciples present, They pulled out their long knives one after another, their eyes blood red, and slashed towards Yue Feng.

Huh...

Seeing that Tianhaimen and Yue Feng were completely torn apart, the other sects present also shouted.

"The disciples of Fengleitang obeyed the order and took down Yue Feng."

"Come on together, kill him, and snatch the soul of the heavenly secret..."

Hula..

In an instant, all the sect disciples present rushed towards Yue Feng after hearing the order. Speaking of which, these sects originally had some concerns about Yue Feng's identity.

After all, Yue Feng is the Pill Pavilion Master of Chunyang Palace, and his status is second only to the Palace Master. If he moves him, he will be the enemy of Chunyang Palace. At this time, seeing Li Qinghai completely torn his face, his previous concerns immediately disappeared.

This....

Seeing this scene, Dongfang Yunqing was unspeakably nervous, and said anxiously at Yue Feng: "Are we going to die? I'm afraid..." Although he and Yue Feng met for the second time, Dongfang Yunqing said: I can clearly feel that the man in front of me is the real good person.

"Don't be afraid!" Yue Feng smiled slightly, looked down at her and comforted her, "I am there."

As he was talking, he saw Li Qinghai with a grim face, and said coldly at Yue Feng, "Yue Feng, you killed me. Disciple, even if you hand over the soul of the secret, you will die today."

Hehe...

Hearing this, Yue Feng did not panic at all, and smiled lightly: "Don't use these high-sounding reasons, your ultimate goal is still to want Stealing the soul of the secret."

After speaking, Yue Feng glanced at the people who rushed up around him: "Full of benevolence, righteousness and morality, but behind the scenes, you do some bullying things. You so-called famous and decent people are nothing more than that."

Om!

At the moment when the voice fell, Yue Feng's divine power was urged, and he raised his hand and waved, and in an instant, an overwhelming force swept out.

Bang bang bang...

The dozens of masters of various sects who rushed to the front did not react, and were directly thrown out by a powerful force. After landing, they all passed out.

Yes, Yue Feng did not kill the killer, otherwise, these people would have become corpses.

hiss...

Even so, seeing this scene, Li Qinghai and Ren Pingsheng were still shocked.

Seeing that Yue Feng had no strength at all, he was able to explode such terrifying power. It seemed that he had been hiding his strength before.

It's so sly.

"Let's go!"

While everyone was in a daze, Yue Feng grabbed Dongfang Yunqing's hand tightly, jumped up, and led her out of the hall.

Mad!

Seeing Yue Feng fleeing, Ren Pingsheng was the first to react. His face was gloomy and he howled loudly: "Quick, stop him, we must not let him escape.

"Soul of the soul, but was taken by Yue Feng, if this made him escape, the matter spread to the rivers and lakes, and all the sects present would lose face.

Chapter 5250 The

voice fell, and everyone calmed down and shouted.

"Quick, stop him."

"You mustn't let him run away..."

“This person is too cunning.”

Everyone shouted, rushing out of the hall like a tide, chasing after Yue Feng.

At this time, Yue Feng had already rushed to a hundred meters away. Speaking of which, if there were not too many traps around, he would have disappeared long ago.

“They’re catching up.”

Seeing everyone chasing after him, Dongfang Yunqing couldn’t help but exclaimed, “Can’t we escape?” Yue Feng has been regarded as the closest person.

Yue Feng smiled and said indifferently: “Don’t panic.”

After saying that, Yue Feng glanced back and chuckled at that time: “You guys want to stop me?” The voice fell, and the divine power in the body was running. , raise your hand.

Huhuhu...

In an instant, the air behind him distorted violently, and then, a hot red flame condensed out, and in just a few seconds, a wall of fire was formed on the road behind.

I saw that the condensed flames were purple-red, very strange.

Yes, it is Yue Feng’s unique red lotus fire. When Yue Feng was reborn with the help of the red lotus in the law, the original white lotus cold fire was sublimated, and finally a new red lotus fire was formed.

Whoa!

The moment the fire wall was formed, everyone chased after them. For a while, Ren Pingsheng and Li Qinghai frowned.

This flame is a bit strange, it turned out to be purple.

But some people don’t care at all.

Soon, no one in the crowd shouted: “A mere wall of fire, like blocking us?” The voice fell, and a protective film was formed around him, and then he rushed in.

“Rush, go through the fire wall.”

“Can’t let him run...”

Seeing someone taking the lead, many people also deployed protective films around their bodies, and then followed closely.

Huhuhu...

In the eyes of this person, this wall of fire is just an ordinary flame. The protective film condensed with internal force can completely isolate the fire from the outside. However, what they never expected was that when they rushed into the wall of fire, The protective film was instantly burned, and then the flames spread, igniting these people directly.

“Ah...” The

burning pain came, and everyone let out a shrill scream. Because it was too painful, each and every voice became emphasized, and it made people’s backs chill.

“Help me...” “Help

me... help me...”

At the same time as the screams, several people called for help without listening, but none of the people present dared to step forward, all of them were Horrified.

what fire is this? The protective film condensed by the internal force was useless at all. You must know that the few people who rushed over were considered to be the top experts in the arena, but the protective film that was condensed was instantly burned.

This fire is so terrifying...

They don’t even know that Yue Feng, as an imperial teacher, contains the red lotus divine fire in his body, which is the gods in the realm of the gods.

Finally, the screams of several people gradually stopped, and when the wall of fire disappeared, everyone present was horrified to see that there were no bones and scum that were burned by several people.

Hiss...

Seeing this scene, Ren Pingsheng and Li Qinghai couldn’t help but look at each other and take a deep breath.

What kind of exercise is this Yue Feng practicing, and the flames displayed are so terrifying... In

horror, everyone looked at the direction Yue Feng was leaving, each with an extremely complicated expression, and no one dared to pursue it.

...

hoo!

Yue Feng took Dongfang Yunqing and drove all the way in a hurry. After ten minutes, he stopped when he saw that no one was chasing after him.

“Okay.” Yue Feng breathed a sigh of relief and smiled at Dongfang Yunqing: “Finally got rid of those bad guys.”

Dongfang Yunqing snorted, thought for a while, and then couldn't help asking: “Thank you, after you leave here, can you take me to find my father?”

Alas!

Seeing her look of anticipation, Yue Feng couldn't help sighing, this girl is really suffering, and she still doesn't know that her father died long ago.
