

## The ultimate husband in Chinese chapter 5331-5340

### Chapter 5331

Yue Feng smiled slightly, pointed to the creek in front of the cave, and said lazily: "That's good, we've walked for such a long distance just now, we're really tired and hungry, there should be fish in this creek, you Catch a few and bring them up."

"I'm going to prepare a bonfire, and when you catch the fish, let's grill the fish."

When he said this, Yue Feng looked serious, but there was a bit of deep meaning in his eyes.

Before Liu Ruxue said that her ancestors were fishermen for several generations, Yue Feng naturally didn't believe it, so she took this opportunity to try her and see how she responded.

What?

Let me go catch fish?

At this moment, Liu Ruxue's delicate body was shocked, and her delicate face could not hide the complexity. When did she do this kind of subservient work?

Moreover, in Lihuomen, she has a maid to take care of her in her life, so how can she catch fish.

But... I said before that my family is all fishermen, and now it's too late to change my tune.

For a time, Liu Ruxue was very depressed and regretful. She knew that Yue Feng would let him catch fish, and he didn't say that his ancestors were fishermen before. To put myself in an embarrassing situation right now is really self-inflicted.

Um?

Seeing her standing still and squirming, Yue Feng held back a smile and looked puzzled: "What's wrong? Didn't you say before that you will be a cow and a horse by my side in the future? Don't you want to catch fish? He could see that Liu Ruxue didn't know how to catch fish at all ,

so he deliberately provoked her again.

"No no..."

Liu Ruxue quickly shook her head and said in a panic, "Young master, I didn't mean that, I was just thinking that it's getting dark and it's hard to catch fish."

This chapter is provided by . Visit for daily update.

"I... I'll go now." As

she said, Liu Ruxue endured the pain on the soles of her feet and slowly walked towards the stream.

Forget it, since she's pretending to be a fisherman's daughter, I'll try to catch two later.

Liu Ruxue thought about it, and when she got to the creek, she found a place that Yue Feng couldn't see, exerted her inner strength, and used her palm technique to shake a few fish up.

However, Yue Feng did not give her the opportunity to use her internal strength secretly.

Just as Liu Ruxue was walking towards the stream, Yue Feng stood up, quickly picked up some firewood around, and then lit a bonfire at the entrance of the cave.

After doing this, Yue Feng walked slowly towards the stream with his hands behind his back, humming a little song in his mouth.

This....

At this time, Liu Ruxue was about to use her internal strength by the stream, when she suddenly saw Yue Feng coming from behind,

she was stunned: "Master, why are you here?" Son, it must not be exposed, otherwise, the plan to approach Yue Feng will fail.

Thinking about it, Liu Ruxue decided to find a reason to let Yue Feng go.

"I've already made the bonfire." Yue Feng said with a smile: "I'm just waiting for your fish, it's okay to be left and right, just come and see how you catch the fish."

When he said this, Yue Feng looked on his face. Curious, but happy in my heart.

Obviously everyone in the rivers and lakes, if you have to pretend to be an ordinary fisherman, I want to see how you catch fish later.

Huh....

Hearing this, Liu Ruxue was very depressed, but her face was calm, she said with a shallow smile: "There's nothing good in catching fish, it will make you smell fishy, son, you are still here. Wait by the campfire, I'll go after I catch the fish."

With Yue Feng by his side, he couldn't use his palm to shake the fish, so he had to get rid of him.

How could Yue Feng not know her thoughts? At that time, he shook his head and said indifferently: "It's okay, I'm just looking at it, I won't disturb you, if you're afraid of the fishy smell on my body, I'll just stand a little further away."

After that, Yue Feng stepped back a few times. He took a step, his eyes were full of anticipation, and he had no intention of leaving at all.

This Yue Feng...

At this moment, Liu Ruxue wanted to cry without tears. Is there something wrong with Yue Feng's brain? What's so good about catching fish?

No... Did he notice something? Begin to doubt my identity, will this be the case?

On second thought, if Yue Feng had doubted my identity, he would have exposed it on the spot, and he would not have waited until now.

Thinking of this, Liu Ruxue said with a helpless smile: "Okay, then, the son will be optimistic." After saying that, he walked aside, broke a branch, and slowly walked into the water.

Chapter 5332

This...

The moment when both feet stepped into the stream, Liu Ruxue stared at the water surface, looking seriously for the whereabouts of the fish, but she was depressed.

As the saint of Lihuomen, she has always been dressed in fine clothes and jade. Although she has eaten a lot of delicious fish, this is the first time she has caught fish, and she has no clue at all.

What is even more speechless is that he has no strength, but he can't show it, and he has to use the fisherman's method to catch fish.

The more Liu Ruxue thought about it, the more depressed she became, but she had no choice, her identity could not be revealed, she could only bite the bullet and go back and forth in the creek, trying her best to catch fish.

However, she didn't know how to use it. She saw the fish right in front of her several times, but she couldn't catch it. Not only did she not catch the fish, but the long skirt on her body was almost splashed with water.

At this time, the moonlight was bright, casting a silvery patch on the mountains.

Under the moonlight, Liu Ruxue's soaked long skirt was tightly attached to her body, showing the charming and graceful curves without reservation.

Phew...

Seeing this scene, Yue Feng couldn't help but secretly admired it.

So beautiful.

It's a pity that such a beautiful woman with such a temperament does not stay well in her own place, and insists on running to my side to act.

With emotion in his heart, Yue Feng simply sat on the grass by the creek and slowly appreciated it.

Swish!

The distance between the two was more than ten meters, and it was night again, but Liu Ruxue could still clearly feel Yue Feng's gaze.

However, Yue Feng wasn't finished yet. Seeing that Liu Ruxue couldn't catch the fish, he couldn't help laughing: "Girl, it's been a while, why haven't you caught a single fish?"

"Didn't you lie to me? Your ancestors weren't fishermen?"

When he said this, Yue Feng's tone was very gentle, but his eyes were a bit sharp.

"No..."

Liu Ruxue panicked, and quickly explained: "Don't get me wrong, son, I really didn't lie to you, my ancestors were really fishermen, I have been fishing with my family since I was a child, but we all fish. It's daytime, and now it's too late..."

Perhaps she was too nervous, and the bottom of the creek was full of slippery stones, so Liu Ruxue fell down accidentally.

Whoa!

In an instant, a burst of water splashed around, and Liu Ruxue fell into the creek, soaking wet.

Seeing this scene, Yue Feng was instantly overjoyed, but his eyes were a little dignified.

This woman is really persistent, and she is still pretending to be.

Thinking to himself, Yue Feng said to the embarrassed Liu Ruxue: "Forget it, stop catching fish, I'll come, you go to the bonfire and bake your clothes."

Since you still don't want to reveal your true identity, then I'll play with you and see how long you can play.

Um!

Hearing this, Liu Ruxue, who had just stood up from the water, her delicate face flushed red all of a sudden, and she was so embarrassed that she could not wait to find a crack in the ground to get in.

After all, she is also the saint of Lihuomen. She has an extraordinary position. Now she is so embarrassed to catch fish. If she is seen by the disciples of Lihuomen, how will she have any face in the future?

Depressed, Liu Ruxue lowered her head, not daring to look at Yue Feng, and walked to the bonfire to bake clothes silently.

Yue Feng stopped talking nonsense, broke a branch, quickly stabbed a few fish, and then returned to the campfire and roasted it seriously. After a while, the smell of fish was overflowing.

"So fragrant!"

At this moment, Liu Ruxue couldn't help but sighed in admiration, and then took the opportunity to ask Yue Feng, "I don't know where the son is from." Of course she knew that Yue Feng was the Pill Pavilion of the Pure Yang Palace. Lord, but in order to play the trick, I deliberately asked.

Yue Feng smiled: "Just a wandering person on the rivers and lakes."

After saying that, he handed a grilled fish to Liu Ruxue.

Hearing this answer, Liu Ruxue was stunned for a moment. Yue Feng was quite cautious, but he didn't say that he was the Pill Pavilion Master of Chunyang Palace.

Thinking to herself, Liu Ruxue didn't ask any more questions and ate the fish very reservedly.

To be honest, Liu Ruxue didn't want to eat Yuefeng's roasted food, but after walking for a few hours just now, she was really hungry. More importantly, Yuefeng's roasted fish was so delicious.

After a while, a few fish were wiped out by Yue Feng and the two of them.

During Chapter 5333,

Yue Feng asked several questions, all about Liu Ruxue's life experience.

Liu Ruxue was well prepared, and answered every question without leaking, so that no one could find the slightest problem.

For a while, Yue Feng couldn't ask any more questions.

After eating the fish, Liu Ruxue sat by the bonfire and dried the clothes completely, then walked slowly to Yue Feng, with a gentle face, and said softly: "Young master, are you tired, do you want me to beat your legs for you? At

this time, Liu Ruxue looked gentle and pleasant, but there was a bit of coldness in her eyes.

That's right, Liu Ruxue is going to use the charm technique on Yue Feng. She is very confident in her appearance. As long as she is a man, it is impossible to block her gentle offensive.

Just to use the charm technique, you need to get close to Yue Feng, so it is proposed to beat Yue Feng's legs.

Um?

At this moment, Yue Feng was stunned for a moment, staring at Liu Ruxue's charming face, and couldn't help muttering in his heart.

Is this trying to seduce me? Finally can't help but start?

Thinking to himself, Yue Feng stretched his waist and nodded, "Okay then." After speaking, he stretched out his right leg.

Liu Ruxue smiled lightly, then slowly squatted down, and began to beat Yue Feng's legs. The surface is gentle, but the heart is extremely cold. I thought that this Yue Feng was different from other men, but it turned out to be a womanizer.

She thought about it, after she used the charm technique to control Yue Feng, she must make his life worse than death.

Huh...

Yue Feng was enjoying himself, but he was always vigilant in his heart, but at this moment, he couldn't help but take a deep breath while admiring Liu Ruxue up close. At this moment, Liu Ruxue squatted in front of him, giving Yue Feng the best viewing angle.

This woman is really dying.

If it were other people, I'm afraid that they would have lost their minds long ago, but it's a pity that this woman met me, Yue Feng.

Wow...

Just when Yue Feng was thinking about it, suddenly, in the woods not far away, there was a sound of footsteps, and there were many people listening.

The next second, I saw dozens of big men rushing out of the woods, all dressed as mountain bandits, fierce and vicious, with long knives in their hands. Eyes are daunting.

interesting!

Seeing these mountain bandits, Yue Feng did not panic at all, but instead showed a smile, and looked at Liu Ruxue with deep meaning.

This woman really knows how to play, and let her companions pretend to be mountain bandits again.

Thinking to himself, Yue Feng asked with a faint smile, "Is this arresting you again?"

"I...I don't know." Liu Ruxue shook her head, her beautiful face full of doubts. Where did this group of bandits come from?

do not know?

Seeing that Liu Ruxue's expression didn't look like she was pretending, Yue Feng couldn't help frowning secretly. Could it be that these are real bandits?

Yue Feng guessed right, these people are the nearby mountain bandits, the leading bearded man, called Liu Peng, was originally a Jiangyang robber, but later felt that the days of wandering around were too tiring, so he gathered a group of people, occupying the mountain as the king, and himself Be the leader of the mountain bandits.

Whoa!

At this moment, Liu Peng and his men quickly surrounded Yue Feng and the two.

The next second, Liu Peng's face was full of arrogance, and he said coldly to Yue Feng: "If you don't want to die, quickly take out the valuables on your body. Otherwise, you will be chopped up and fed to the wealthy wolf on the mountain."

The tone is unmistakable, very arrogant.

Huh...

Seeing this scene, Liu Ruxue's body trembled, pretending to be very panicked, hiding behind Yue Feng, and terrified: "What about the son?"

Seriously, if you encounter these mountains normally The bandit, Liu Ruxue solved it immediately, but now it is different. Now pretending to be a woman from a fisherman's family, if she behaves too calmly, it will make Yue Feng suspect.

At this time, while Liu Ruxue was weak in front of Yue Feng, there was a secret fire in her heart.

This gang of mountain bandits who don't have long eyes will come sooner or later, but they will come when I am about to cast charm.

Hehe...

Seeing that Liu Ruxue was dressed like the real one, Yue Feng smiled and ignored it, but looked at Liu Peng and said, "Everyone, we are just ordinary people. We pass by here, and we have nothing valuable on us."

Chapter 5334

"Nothing of value?"

Hearing this, Liu Peng squinted, looked at Yue Feng up and down, and sneered: "Boy, who are you deceiving with your special code, even the long gown you are wearing is not an ordinary person. You can afford to wear it."

"If I guessed correctly, which big family's son-in-law are you?"

He was often robbed, and he was well-informed. The brocade gown on Yue Feng's body was simply unaffordable for ordinary people.

Um? The eyes are pretty poisonous.

Seeing the other party revealing his own lie, Yue Feng was stunned for a moment, and then smiled: "If this good man likes my clothes, I will take it off."

After speaking, Yue Feng was about to take off his long gown.

Seeing this scene, Liu Peng suddenly became angry and shouted angrily: "What are you doing, kid? Stop, who cares about your ragged clothes?"

"I want money."

Yue Feng shrugged, With a cynical look on his face: "I don't have any money on me, so this dress is the only valuable thing. If you don't want it, forget it .

"

For so many years, this is the first time the bandit has encountered such a dumb boy.

In his anger, Liu Peng was still scolding, when he suddenly saw Liu Ruxue hiding behind Yue Feng, his eyes lit up, and the whole person was dumbfounded.

My god!

How can there be such a beautiful woman in this world?

This skin is as tender as the water tofu that has just come out of the pot. When you see it, you can't help but want to take a bite. It's life-threatening.

At this time, Liu Ruxue, although she just fell into the stream, was very embarrassed, but she still couldn't hide her charming beauty. In an instant, whether it was Liu Peng or the other bandits around, all eyes were straight.

Gudong!

After watching it for more than ten seconds, Liu Peng swallowed his saliva and pointed at Liu Ruxue: "Hey, you don't have any money, right? That's alright, give me this beauty and I'll let you go, why? Like?"

As he spoke, Liu Peng couldn't help but wipe his saliva.

In the past few years as the leader of the bandit, I have robbed a lot of property. I drink big bowls with my brothers every day, eat meat in a big mouth, and live a very happy life.

It seems that God sees that he has been alone for a long time, so he will send a beautiful woman tonight, haha...

Thinking of this, Liu Peng is too beautiful in his heart.

At this moment, the other bandits around were also howling and booing like crazy.

"Boss, this woman is so beautiful..."

“Pull it back to be Mrs. Yazhai haha...”

“I didn’t come out in vain tonight!”

The bandits shouted, all eyes were unscrupulous at Liu. Measured like snow.

Swish!

Faced with this situation, Liu Ruxue’s beautiful face instantly turned red, and the anger in her heart also rose.

As the saint of Lihuomen, whoever sees her is always polite, even Ren has always been courteous to her, when would anyone dare to be so rude to her?

But thinking of her identity at this time, Liu Ruxue took a deep breath and endured it.

Even if these bandits are hateful, there is also Yue Feng. After all, he is the Pill Pavilion Master of Chunyang Palace, and he will definitely not let them do whatever they want.

Moreover, since he is so beautiful, Yue Feng will not be willing to be bullied by these bandits.

Thinking of this, Liu Ruxue clung to Yue Feng’s arm and said in a panic, “Young Master, these people are bandits with many evildoings, don’t give me to them.”

Hmm!

Yue Feng responded lightly, and then smiled at Liu Peng: “This hero, you also heard, she doesn’t want to go with you, so... you should go rob others.”

When saying this, Yue Feng The wind still looked relaxed and indifferent, and there was no tension in the face of danger.

Mad! Hearing this, Liu Peng glared at him and became completely angry: “I want to rob, it does n’t

matter if you want it or not, do you think I will play a house with you?”

Take her away.” The

voice fell, Liu Peng’s inner strength exploded, he raised the long knife in his hand, and slashed directly at Yue Feng.

Chapter 5335

Hehe... Really courting death.

Seeing this scene, Liu Ruxue, who was hiding behind Yue Feng, sneered at the corner of her mouth.

This gang of incompetent mountain bandits really don't know whether to live or die, and they dare to be so arrogant in front of the Pill Pavilion Master of Chunyang Palace, it is simply self-defeating.

In Liu Ruxue's heart, with Yue Feng's strength, he could easily deal with the bandits like Liu Peng. So the expression on the face is very nervous, but the heart is not panic at all.

call!

At this moment, Yue Feng Yuguang noticed the change in Li Ruxue's expression and couldn't help but secretly smile.

Does this woman think I'll make a move?

Then I'm not what you want.

Thinking to himself, Yue Feng looked astonished: "Oh, you are unreasonable, how can you do it?" After speaking, he turned around and ran.

At the same time, he did not forget to hold Liu Ruxue's hand: "Run, there are many opponents, so I may not be able to fight."

What?

Hearing this, Liu Ruxue's body trembled, and she couldn't help but say: "Young Master, you...you didn't beat back the people of the Four Seas Alliance before, how could these bandits be beaten?"

How could he be pure? The Pavilion Master of the Pill Pavilion in Yanggong, moreover, all the more than a dozen sects united before, were unable to capture him, but all of them suffered heavy casualties.

Moreover, senior brother Ren Pingsheng also said before that this person's strength is unfathomable, how can he be so panic in the face of a gang of bandits?

Hehe....

Seeing her puzzled face, Yue Feng couldn't help but smile bitterly and said, "You don't know, I was injured a day ago and I haven't recovered yet, so naturally I'm no match for these bandits. "

Yue Feng knew that Liu Ruxue deliberately fabricated a lie while waiting for him to teach these bandits a lesson.

Yue Feng thought about it, and when he was defeated, at a critical moment, this woman would definitely not be able to bear it. At that time, her true identity would not be able to be concealed.

Injured the day before?

Hearing such an answer, Liu Ruxue was stunned again. Could it be... that Yue Feng was injured when his senior brother and other sects joined forces to contain them?

“The kid is still running?”

Just as Liu Ruxue was thinking, Liu Peng and the other bandits had already caught up, shouted loudly, and slashed at Yue Feng’s back.

Yue Feng’s eyes and hands are quick, and he pushed Liu Ruxue away and avoided the knife at the same time.

Immediately, Yue Feng turned around and fought with Liu Peng.

At this moment, several bandits rushed up quickly, directly surrounding Liu Ruxue and tying her up.

call!

Liu Ruxue did not resist, let them tie their hands and feet, and looked at Yue Feng closely.

In her heart, although Yue Feng was injured, it was more than enough to deal with these bandits. Therefore, you don’t have to reveal your identity and strength at all.

But she was wrong.

Bang Bang Bang...

Yue Feng and Liu Peng played against each other for more than ten rounds. In the end, they deliberately revealed a flaw and were hit by Liu Peng’s palm. At that time, Yue Feng groaned and took a few steps back pretending to be very painful. Ass fell to the ground.

“Oh, it hurts me to death.”

Yue Feng covered the place where he was beaten, grinned a few times, and then pretended to call at Liu Peng: “Well, you bold bandit, do you know who I am? Dare to rob me?”

As he spoke, he paid attention to Liu Ruxue’s side.

Haha... This woman thought I would take care of these gangsters, but I just lost, see what you do.

“Humph!”

Liu Peng sneered: “I don’t care who you are, when you come to my realm, you have to listen to me and tie him up to me.” The voice fell, and several bandits came over and tied Yue Feng Wuhua. .

How could this be?

Seeing that Yue Feng was also tied up, Liu Ruxue’s delicate body trembled, and her eyes were full of astonishment.

This Yue Feng, after all, is also the Pill Pavilion Master of Chunyang Palace, why can’t even a bunch of bandits handle it. Could it be that what he said just now was true, that he was seriously injured a day ago?

If this is the case, it will be too late if you don’t act.

No... If you do it yourself, your identity will be hidden, and the plan to approach Yue Feng will be completely ruined.

For a while, Liu Ruxue hesitated in her heart, but decided to endure the humiliation temporarily.

Um?

Seeing that Liu Ruxue’s eyes were flickering, and he never meant to take action, Yue Feng also frowned secretly.

This woman is quite patient, and she still refuses to take action at this time.

Well, since you still have to do it, I will accompany you to do it.

## **The ultimate husband in Chinese chapter 5336-5340**

Chapter 5336

Yue Feng thinks about it, and continues to spend with Liu Ruxue to see how long she can endure.

Haha...

After grabbing the two of them, Liu Peng was very excited and looked at Yue Feng with a proud face: "With this little strength, how dare you fight with Laozi?" He patted Yue Feng's face.

At the same time, the other bandits in the surrounding mountains also shouted in flattery.

"That's right, it's beyond your own power.."

"Tai Sui's head is breaking ground, looking for death." "Haha.... The boss was really mighty just now. He

took this kid down with only three moves."

An arrogant, Yue Feng sneered and said nothing.

Seriously, if it wasn't for the purpose of forcing Liu Ruxue to reveal his true identity, Liu Peng's bandits in the mountains would have taken them down just now.

Huh ...

Liu Ruxue is Xiumei frowning lightly, biting her lip lightly, her heart entangled again.

How to do? Now that both of them have been caught, do you still want to keep pretending?

Forget it, let's take a step by step. After all, this Yue Feng is the Pill Pavilion Master of Chunyang Palace, and he must have a way to escape the danger.

Thinking of this, Liu Ruxue prepared to continue watching.

"Take them all and go back to the stockade."

This chapter is provided by . Visit for daily update.

At this time, Liu Peng took the lead in the direction of the cottage with a big wave of his hand after being bragged by many of his subordinates.

"Back to the village!"

The bandits in the mountains responded in unison, followed by Yue Feng and Liu Ruxue, each of them was indescribably excited. They came out tonight to try their luck. My son-in-law, he also caught a fairy-like beauty, which was a windfall.

"Young Master!" On the way, Liu Ruxue

took advantage of the inattentiveness of the bandits on both sides, and quietly said to Yue Feng, "What should I do now?"

However, in order to plan, without revealing his strength, he can only pin all his hopes on Yue Feng.

Ha ha...

Seeing her worried face, Yue Feng secretly laughed.

Does this woman think I can get out of trouble? Then I'm not what you want.

Thinking in his heart, Yue Feng sighed and put on a bitter look: "Alas... I'm afraid this time the misfortune will be much worse. My injury is too serious. If I want to recover, I have to wait until tomorrow at least."

"But These bandits are very vicious, and it is estimated that they will deal with us before tomorrow. When we get to the cottage, whether we live or die depends on our respective good fortune." As

he said this, Yue Feng's eyes showed a little bit of disdain. smile.

This...

Hearing this, Liu Ruxue panicked completely. If he had nothing to do, wouldn't he be even more passive?

"Young Master..." Under the anxiety, Liu Ruxue bit her lip, still holding the last glimmer of hope in her heart: "You...are you really helpless?"

Yue Feng looked helpless: "You also saw it just now. When I arrive, I can't beat them at all, how can I do it?" As

they were talking, the bandits brought Yue Feng and the two to a hidden cottage.

I saw that this cottage was built halfway up the mountain, surrounded by a tall and lush forest. The buildings of the entire cottage were all made of wood, and the tops of each house were camouflaged with straw. At the entrance of the cottage, there were also A bamboo forest, it can be said that this place is difficult to find even if you pass by.

Don't look at Liu Peng's stature, he looks like a reckless man, but in fact this man is very cunning. He designed the entire cottage, and it is because the cottage is very hidden, so he has escaped the encirclement and suppression of the government more than a dozen times.

Haha...

At this time, in the main hall, Liu Peng sat on the chair in the center with a look of excitement, and shouted: "Bring the wine." The

voice fell, and a few men came in with a few jars of wine.

At this time, several small leaders also sat down on both sides of the hall, Yue Feng and Liu Ruxue were tied to the pillars next to them.

Gudong!

Liu Peng took a few sips of wine, full of joy, and smiled at the little bosses around him: "Tonight is really an unexpected harvest, I caught a young master, and a stunning beauty, haha... You brothers have worked hard just now. "Come on, I respect you..."

"Boss is polite..."

"Drink..." The

little bosses raised their wine bowls with a smile, and after touching Liu Peng Yaoyao, they raised their heads to drink one by one.

Chapter 5337 In the

next second, a little leader named Deng Qi said to Liu Peng with a look of flattery: "Boss, we have a good luck tonight, this kid looks like the son of a rich family, now we can finally It's done."

After speaking, Deng Qi looked at Yue Feng coldly: "Boy, where is your home? Tell me, so that we can contact your family so that they can pay for you." The

voice fell, Liu Peng and the other little leaders also looked at Yue Feng with a smile like Concubine Xiao. In their eyes, Yue Feng at this time was the meat on the chopping block, and they could knead them any way they wanted.

Phew...

At this moment, Liu Ruxue also looked closely at Yue Feng, wanting to see how he reacted.

Under everyone's attention, Yue Feng smiled, with a condescending look, and said lightly: "You guys, you guessed wrong, I'm not the son of a wealthy family, I'm just a wanderer."

"If you want to . I'm afraid it won't work if you use me to pay back the money."

When he said this, Yue Feng looked indifferent, without the slightest panic.

Um?

Hearing this, whether it was Liu Peng, Deng Qi and other small leaders, their faces sank, and they all felt angry.

This kid has a kind of ah, at this time, he is not afraid of death.

Thinking to himself, Deng Qi stood up abruptly, strode in front of Yue Feng, and said viciously: "Boy, do you know where this place is? He even smiled with us."

"I ask you, can I get it from you? Money?"

Yue Feng said with a fearless face, "I'm alone, and I don't have a cent on me, so how can I give it to you?"

Deng Qi narrowed his eyes slightly: "In that case, if I can't get the money, I can only ask you for it. death."

With that said, Deng Qi looked back at Liu Peng: "Boss, just kill this kid, it's useless to keep it anyway."

Phew!

Liu Peng took a sip of wine and waved his hand impatiently: "Just pull it out and cut it." Like Deng Qi, Liu Peng was also very angry when he saw Yue Feng being so uncooperative.

Alright...

With permission, Deng Qi will escort Yue Feng out.

At this moment, Yue Feng's face was indifferent, and he still didn't panic at all, but his attention was always on Liu Ruxue opposite.

Yue Feng knew very well in his heart that this woman was approaching him for the sake of the Heavenly Secret Palace's Qimen cultivation technique, so he definitely wouldn't just watch him get killed by these bandits.

It's time for you to get started.

Huh....

Seeing that Yue Feng was about to be dragged out and beheaded, Liu Ruxue's eyes flickered, and her heart was extremely complicated. If Yue Feng died, the plan of himself and his senior brother would be a complete failure.

Do you want to do it?

No, let's wait, after all, Yue Feng is the Pill Pavilion Master of Chunyang Palace, so he won't be appointed, he must have a way to protect himself.

Thinking of this, Liu Ruxue took a deep breath and suppressed the urge to do it.

Damn, are you still enduring at this time?

Seeing that Liu Ruxue never interrupted, Yue Feng was also very depressed, Nima, this woman is too tolerant.

"Wait a minute..."

He quickly arrived at the door, and when he saw Deng Qi pull out his long knife, Yue Feng couldn't bear it anymore, and shouted at Liu Peng in the hall: "Hero, don't kill me first, I No money, but something else."

Something else?

Hearing this, Liu Peng raised his hand and motioned for Deng Qi to stop.

In the next second, Liu Peng looked at Yue Feng with bright eyes: "What? Take it out and have a look." As he spoke, he motioned for Deng Qi to untie Yue Feng.

In Liu Peng's mind, Yue Feng was his own defeated general, and he was still in his old lair, so there was no threat at all, and he was not afraid of him playing tricks.

call!

Seeing this situation, Liu Ruxue, who was originally very entangled in her heart, suddenly breathed a sigh of relief.

I knew that Yue Feng must have a way to save his life, but fortunately he held back and did not take action.

After being instructed, Deng Qi loosened Yue Feng's ties.

At this moment, Yue Feng moved his arms, then walked into the hall, took out two medicinal pills from his body, and said to Liu Peng with a smile: "Good man, these two medicinal pills are called Huiling Pills. , it can refine the meridians, which is of great benefit to cultivation."

Chapter 5338

“Two pills should be worth a lot of money. I hope the hero will accept it and spare my life.”

When he said this, Yue Feng smiled and looked relaxed.

The technique of medicinal pills in Ziwei Continent has been lost for nearly a thousand years, and even two ordinary medicinal pills such as Huiling Pills are of great value.

Hehe...

Seeing the two medicinal pills in Yue Feng’s hand, Liu Ruxue’s eyes flickered, and she couldn’t help sneering in her heart.

This Yue Feng is not stupid, and he actually used the medicinal pill to save his life.

Whoa!

However, Liu Peng and the little leaders present were all taken aback. They stared at the medicine pill in Yue Feng’s hands, all of them were so shocked that they were speechless.

The art of medicinal pills has been lost for nearly a thousand years. The boy in front of him actually took out two of them at once. How can people not be shocked?

“This...” A

few seconds later, Liu Peng was the first to react, staring at Yue Feng, unable to hide his excitement: “This is really a soul-returning pill? Can you temper the meridians if you eat it?” It really has such an effect, and it will definitely come in handy at critical moments in the future.

“Of course.”

Hearing the question, Yue Feng smiled slightly: “My life is on you now, do I dare to lie to you?”

Liu Peng nodded in agreement, and said excitedly: “Okay, bring it here quickly. .”

Yue Feng smiled, took two steps forward, and was about to hand the Huiling Pill over.

“Boss.”

However, at this moment, Deng Qi’s eyes flickered, and he hurriedly stopped: “The rivers and lakes are sinister, and people’s hearts are separated from the belly. We don’t know if what this kid took out is really a magic pill, what if it is poison?”

As Liu Peng's most trusted subordinate, Deng Qi acted very cautiously, and this person was very intelligent. It was because of his repeated suggestions before that the entire cottage escaped several times of encirclement and suppression.

Phew...

Hearing Deng Qi's words, Liu Peng took a deep breath and his face instantly turned solemn. He looked at Yue Feng and said, "Boy, are you trying to poison me? Tell me honestly."

This idiot.

Yue Feng cursed inwardly, but with a wry smile on his face: "Honest man, my life is in your hands, how dare I poison you? If you don't believe me, I will eat one myself."

After speaking, Yue Feng directly took one Returning the elixir was thrown into the mouth.

Swish!

At this moment, all eyes in the audience were staring at Yue Feng, quietly watching his reaction.

Liu Ruxue looked indifferent.

Others don't know, but she knows very well that if others take out a few pills, they will definitely be suspected, but Yue Feng is different. After all, he is the Pill Pavilion Master of Chunyang Palace. It's a piece of cake.

Soon, five minutes later, Yue Feng stood there, his expression as usual, and there was no sign of poisoning.

Phew...

Seeing this, Liu Peng took a deep breath and realized that he was a little suspicious. At the same time, I also felt a little pity that a pill was wasted in vain.

Deng Qi and the others around him were also secretly relieved.

"Do you believe the hero now?" Yue Feng asked with a smile.

Liu Peng nodded again and again: "Well, I can see that your kid is quite sincere. Not bad..." While speaking, he took another medicinal pill from Yue Feng's hand, and then carefully put it away.

At this time, Yue Feng made a pleasing look and said tentatively, "Hey man, can you spare my life now?"

Hmm...

Liu Peng touched the beard on his face and said very treacherously. : "Although this medicine pill is a good thing, it can buy your life, but since you came to the cottage, I can't let you go easily."

"If you go out and lead the government to come here, wouldn't I ask for it myself? Trouble?"

Hearing this, Yue Feng smiled slightly: "Don't worry, hero, I will never expose you after I leave, I still have the last few coins here, and I'll give them all to you, so it's a matter of honoring you guys.

", Yue Feng took out a few pills from his body and put them on the table in front of Liu Peng with a flattering expression.

After so many years of walking in the rivers and lakes, Yue Feng knew very well that mountain bandits like Liu Peng were extremely greedy.

Chapter 5339

Seeing those few pills, Liu Peng's eyes were straight, and he made a very reluctant look at that time: "Well, seeing that you are so sensible, then okay, I will let you go."

Said, Liu Peng looked at the sky outside the hall: "Today is too late, you stay here all night, tomorrow morning, I will send someone to take you down

the mountain." When he said this, Liu Peng looked cold and arrogant, but his heart was full of arrogance. It's not exciting.

Haha...

I really made it today. Although I didn't knock out any money from this kid, I got a few panacea.

"Thank you, hero." Yue Feng smiled and thanked him.

This...

Seeing this situation, Liu Ruxue, who was still tied to the pillar, suddenly became a little anxious and couldn't help but said to Yue Feng: "Young Master, Master, save me..."

At this time Liu Ruxue is very depressed, this month, Yuefeng, just caring about herself, have you forgotten that I am still tied?

Speaking of which, Liu Ruxue, a woman, was waiting for Yue Feng to rescue her, but seeing that he didn't think of him at all, he couldn't help it.

Haha...

Seeing Liu Ruxue asking for help, Yue Feng suddenly became happy and laughed secretly.

This woman couldn't hold back after all.

Thinking to himself, Yue Feng walked over slowly and said to Liu Ruxue with a smile: "Girl, I think it's better for you to stay here." As he spoke, there was a bit of cunning in his eyes.

What?

Liu Ruxue's delicate body trembled, thinking that she had heard it wrong.

This Yue Feng...he didn't plan to save me?

Just when Liu Ruxue was stunned, Yue Feng smiled and continued: "I know, I saved you before, you are grateful to me, and you want to follow me, but you saw it just now, I even myself I can't protect you, so how can I protect you?"

After speaking, Yue Feng pointed at Liu Peng: "Although I just met this hero, I can see that he really likes you, so I think you might as well Just stay here and be a Mrs. Yazhai, with so many people around to protect you, you don't have to live a life of wandering."

When he said this, Yue Feng looked serious, but secretly smiled.

That's right, he deliberately confessed to Liu Peng just now, and even gave the medicine pill. The ultimate goal was just to leave alone, and he didn't plan to save Liu Ruxue at all.

Can this woman act? Then I will deliberately leave you here as Mrs. Yazhai, and see how you can continue to act.

"You..."

At this moment, after listening to Yue Feng's words, Liu Ruxue's delicate body trembled faintly, feeling depressed and angry at the same time.

This... this Yue Feng is too shameless, in order to sign up, the women around him don't care, and he wants to give me to the bandits to be Mrs. Yazhai?

There is no man's responsibility at all, how did he sit as the pavilion master of the Dan Pavilion of Chunyang Palace?

At this time, Liu Ruxue didn't know that Yue Feng did this on purpose to force her to reveal her true identity.

It has to be said that Liu Ruxue, as the saint of Lihuomen, is not a stupid woman. Although she was shaking with anger at this time, her face still showed a weak and helpless look.

"Young Master..."

At this moment, Liu Ruxue's red lips parted lightly, and she said pitifully, "I don't want to stay here, I want to be by your side, don't leave me, okay?"

Seriously, this At that time, Liu Ruxue wanted to get angry, but she held back.

I've been acting for so long before, so I can't be impatient, otherwise, all my efforts will be in vain. She thought about it, and continued to act like a weak woman in front of Yue Feng to win his mercy.

However, she was wrong.

Ugh!

Seeing that she was about to cry in a hurry, Yue Feng sighed and consoled earnestly: "I did this for your own good, you follow me in a precarious situation, and it will also implicate me."

"Okay, let's not talk about it, You can stay here. It is also your blessing to be Mrs. Yazhai."

After saying this, Yue Feng looked at Liu Peng with a smile: "Hero, this man, this girl can be seen by you, and I hope that the hero will be able to do so in the future. Treat her well."

Haha... Liu Peng

laughed approvingly: "This little brother is indeed a sensible person, and being my woman will be a lifetime blessing."

Looking at Liu Ruxue: "Beauty, since he has decided, you can stay and be my woman, don't worry, I will take good care of you, haha..."

## Chapter 5340

“Go, send the beauty to my room.”

After saying this, Liu Peng smiled at Yue Feng: “Brother is so knowledgeable about current affairs, yes, come, let’s have a few drinks with us.” Got a few pills , There is also a peerless beauty, who is not happy?

Yue Feng was not polite, and cupped his hands: “Thank you, hero.” After speaking, he sat next to him, but his eyes were always on Liu Ruxue.

Haha... I sold you all, I don’t believe you can bear it.

At this moment, several mountain bandits forcibly took Liu Ruxue out of the hall and sent him into Liu Peng’s room.

Phew...

For a while, Liu Ruxue felt an unprecedented humiliation and bit her lip so hard that she was about to bleed. The dignified saint of Lihuomen was caught by a gang of bandits, and she was forced to be Mrs. Yazhai.

What a shame.

But in order for the plan to go smoothly, you must endure it. She thought about it, and when it was night, she would cast a charm on Liu Peng, and after controlling him, everything would be easy.

Thinking to herself, Liu Ruxue gave up her resistance and let several bandits send her into the room.

Um?

Seeing this situation, Yue Feng couldn’t help frowning secretly, is this woman so tough? It has come to this point, and it is still not resisting?

She won’t really take her life.

No, such a woman will not accept her fate, she must have a way to deal with these bandits.

Thinking to himself, Yue Feng decided to sneak into Liu Peng’s room at night to check the situation, but to see what this woman’s true face is.

After drinking a few bowls of wine, Yue Feng made an excuse to rest, but Liu Peng did not stop him and sent a few people to follow.

Entering the room, Yue Feng lay directly on the bed and pretended to rest. An hour later, the whole cottage was calm. Yue Feng immediately got up, avoided the surveillance of a few bandits outside, and quietly rushed to the room where Liu Peng was resting.

At this moment, Liu Peng's room.

"Haha..."

Liu Peng was drunk and opened the door with a smile: "Little beauty, I'm here."

The moment he entered the room, he saw Liu Ruxue sitting beside the bed, and Liu Peng looked at him. crazy. Under the candle light, Liu Ruxue's face was exquisite, and the charming curves were looming, which was simply indescribable beauty.

After watching for more than ten seconds, Liu Peng regained his senses, swallowed his saliva, and walked over slowly: "Beauty, from today onwards, you are my Mrs. Yazhai, don't worry, I will take good care of you. ."

While speaking, Liu Peng kept an eye on Liu Ruxue's movements to prevent her from suddenly resisting.

But what he didn't expect was that Liu Ruxue was out of breath at this time.

Ugh!

At this moment, Liu Ruxue sighed softly and looked at Liu Peng with a resentful expression, looking pitiful: "It seems that this is my life, I accept it, you have to say what you say, and take good care of me in the future."

Liu Peng was overjoyed: "It's natural."

He couldn't wait to pounce on it.

Papa...

However, just at this critical moment, Liu Ruxue's eyes suddenly flashed a little cold, and he shot like electricity, directly sealing his acupuncture point, and then silently chanted the charm formula, and looked at Liu Peng.

Om...

For a moment, Liu Peng's body trembled, and his head suddenly felt dizzy. After just a few seconds, he was completely changed, and he said respectfully to Liu Ruxue: "Master..."

“Yeah!” Liu Ruxue nodded, the gentleness just now disappeared, returning to the coldness before: “From now on, you have to obey all my orders, you know?”

“Yes, master.”

“Very good, It’s time to rest now, you go to guard outside the door.”

“Yes!”

Liu Peng responded, then exited the room, guarding the door like a sculpture.

call!

At this moment, Liu Ruxue breathed a deep sigh of relief, and finally managed to get the leader of the bandit. At the same time, he couldn’t tell the fire in his heart. Yue Feng, this bastard, was really selfish, and he left for his own safety. Keep me as Mrs. Yazhai. When I have the opportunity to control you, I will definitely make you unable to survive or die.

Thinking to herself, Liu Ruxue lay down and rested.

At this time, Liu Ruxue thought that what she had done was watertight, but she was completely unaware that behind the tree outside the room, a pair of eyes were watching all this quietly.

It was Yue Feng.
