

The ultimate husband in Chinese chapter 5421-5430

Chapter 5421

At this time, Mo Yan's mind was in chaos, and he subconsciously shook his head and said: "No, you are in danger, I can't return to Dragon King Island..."

Phew!

Hearing this, Yu Du had a complicated face: "But if we go back now, we can't change the situation. At this time, Zhaixinglou is not only the gods and soldiers who are diligent in Tianjian, but also Huaguo Mountain, the Hall of Longevity, and A person from the Xia Yinzong." As he

spoke, Yu Du looked at Mo Yan who was close at hand, with that beautiful face, he couldn't help himself for a while: "Queen, don't worry, I will follow you and protect you forever..." "The

last one fell, Yu Du hugged Mo Yan tightly and kissed him slowly.

At this moment, Yu Po's whole heart was shaking.

You know, Moyan is not only his queen, but also the woman he respects and loves the most in his life.

The moment Yu Du first saw Mo Yan, she was deeply attracted by her. This woman not only has a beautiful appearance, but also has a strong strength. It's just that Mo Yan is too strong, so Yu Du's love has always been deeply buried in her heart.

Later, when he learned that Moyan was one of the top ten demon kings of the Demon Race, Yu Du didn't dare to have any unreasonable thoughts in his heart. However, since Gone came to the Sea Dragon Palace, Moyan handed over his power and status. The situation is getting worse, especially in recent days, she has been detained in the cabin, which makes Yu Du realize that this queen who has always been strong in appearance is also a weak woman.

Just now, when Yu Du was hugging Mo Yan's waist, he felt the fragrance coming, and the love that was suppressed deep in his heart could no longer be restrained.

Although Mo Yan and Yue Feng had children, he didn't care.

In Yu Du's heart, as long as Mo Yan is willing to accept herself, even if she goes up the mountain of knives or the sea of fire, she will not frown.

"you..."

At this moment, when she saw Yu Du kissing her, Mo Yan's body was shaken. Her originally chaotic brain suddenly came to her senses. She was so ashamed and angry at the time, she struggled to break free from Yu Du's embrace, and at the same time she shouted, "You are bold!

" !

This chapter is provided by . Visit for daily update.

Under the tender drink, Mo Yan slapped over and slapped Yu Du's face fiercely, only to hear a crisp sound, Yu Du also calmed down, and his face was extremely embarrassing.

What happened to yourself just now? To blaspheme the queen...

However, it is not pure desire, but true love.

Thinking to himself, Yu Du hurriedly took a step back and said in panic, "The Queen forgives... subordinate... subordinate did not intend to offend, but seeing that the queen was in a bad state just now, I couldn't help it for a while..."

"Subordinate. .. This subordinate really likes the Queen..."

Just before he could finish speaking, Mo Yan interrupted: "Shut up... Yu Du, you are so daring, I'm not mean to you, you actually intend to blaspheme this seat. "

Don't forget your own identity. You are just a pirate chief. Without me, you are still living a wandering life overseas with your subordinates."

When he said this, Mo Jing's face was full of expressions. anger.

It was enough to upset her that Gone was trapped in Zhaixinglou, but at this time, her most powerful subordinate was conspiring against her, and no one could bear it.

Hu....

Feeling Mo Yan's anger, Yu Du's face is very ashamed, but he still took a deep breath and said seriously: "Queen, calm down, I know that I am a little delusional, and I am not worthy of the Queen."

"But... You really need a man to take care of you in your current situation, as long as the Queen says a word, I will die."

Having said that, Yu Du's eyes were complicated, and he continued: "Also, didn't the queen find out that after you and Yue Feng had a child, your honor no longer believed

you, and he didn't kill you now because he was still thinking about the past. No one can say for sure."

"I don't think it's a bad thing that he's trapped in Zhaixinglou now. We can just return to Dragon King Island to recharge our batteries and wait for him. The gods and soldiers of Heqin Tianjian will lose both, let's come out and clean up the mess."

"In my eyes, there is only the queen, and I would rather be the man behind you and help you ascend to the supreme seat of the Demon Race."

At this moment, the more Yu Du said, the more excited he became, and he said all the words that were in his heart.

Chapter 5422

However, Mo Yan's personality is arrogant, where would she listen?

When You Qi heard that he mentioned Yue Feng, his anger grew even more. Had it not been tainted by Yue Feng and had a child, this would not have been the case.

"Shut up..."

Mo Yan became angrier the more she thought about it, and said coldly at Yu Du, "How about my affairs, it's not your turn to intervene, you go away, I don't want to see you in the future."

Mo Yan's face was cold.

Huh....

At this moment, Yu Du's heart trembled, as if he was hit by a sledgehammer: "Queen... are you going to drive me away?" Forgive me, but I didn't expect that Mo Yan would be so hard-hearted.

Mo Yan said coldly: "Your actions just now, this seat should have killed you, but in the past year, you have done a lot for me, so I will spare your life."

"Go away, don't force me to change my mind."

Seriously, Yu Po has a strong ability, and every time he explains things, he can do it well, even exceeding expectations, but thinking of the scene just now, Mo Yan really can't stand it.

Dengdeng...

Feeling Mo Yan's indifference, Yu Du staggered back a few steps, feeling unspeakably uncomfortable and reluctant.

After more than ten seconds, Yu Du clenched his fists and said bitterly: "Thank you Queen for not killing me, I'm leaving, Queen... take care." After

speaking, Yu Du walked out of the cabin in despair.

Every step he took, his heart sank a little, how much he hoped that Mo Yan would be able to hold him back.

However, Mo Yan didn't even look at him, her beautiful face did not show any expression, like an iceberg that has not melted in ten thousand years.

"Someone!"

Mo Yan shouted out of the cabin as soon as she left.

As soon as the words fell, a disciple of the Sea Dragon Palace walked in quickly and respectfully said: "Queen."

Mo Yan didn't say any nonsense, and ordered: "Notify all ships, turn around and return to Donghai City immediately." Your honor is the entire Demon Race. hope that nothing will happen to him.

This...

Hearing the order, the disciple was stunned for a moment, and then hesitantly said: "Now turn around and go back? But the leader Yu said before..." But before the words were finished, Mo Yan's face suddenly turned cold: "Don't mention the remaining poison, from now on, he has been expelled from the Sea Dragon Palace, and the order must be executed immediately without error."

What?

At this moment, the disciple was stunned for a moment, then seeing Mo Yan's cold face, he quickly nodded and said, "Yes..." After saying that, he hurried out of the cabin.

After a few minutes, all the ships turned their heads and headed towards Donghai City.

.....

On the other side, Lagerstroemia Continent.

In less than a day, the news of Deng Shiqi's tragic death in Lihuomen spread throughout the rivers and lakes, and all the sects were shocked.

And when Deng Shiqi's head was sent to Beihai Xingju, the entire Beihai Xingju was infuriated. Immediately, several elders gathered all the elite disciples to attack Lihuomen to avenge Deng Shiqi.

However, Prince Aotian was already prepared, and ordered the disciples of Lihuo Sect to ambush and set up formations at various important passages near the main altar. At that time, the people of Beihai Xingsu were surrounded as soon as they entered the main altar of Lihuomen.

In this fierce battle, Beihai Constellation suffered heavy casualties. Tens of thousands of elite disciples managed to escape in the end, but only a few thousand.

At this time, in the main hall of Lihuomen main altar.

Prince Aotian sat on the throne with a happy smile on his face, his eyes flashing with light, unable to hide the strong ambition in his heart.

Defeating Beihai Constellation is only the first step. Next, he must lead the entire Lihuo Sect to stand on the top of the rivers and lakes and become the first sect in the martial arts.

When the entire river and lake are in hand, you can choose the right person at will, integrate the essence, and reshape the primordial spirit.

"Pass my order."

At this time, Prince Aotian was excited and instructed the dozen or so hall masters below: "Call the disciples immediately and follow me to capture the mysterious realm." In the

mysterious realm, the heaven and earth are full of spiritual energy, which is the most suitable Cultivating and rebuilding the primordial spirit, such a good place, naturally must be controlled by oneself.

"Yes, Sect Master."

Upon hearing the order, more than a dozen hall masters responded in unison, and then quickly went to prepare.

Chapter 5423

After ten minutes, tens of thousands of Lihuo Sect disciples, led by Prince Aotian, headed for the mysterious realm of heaven.

.....

On the other side, the main altar of Tianhaimen.

In the head room, Yang Ye was sitting cross-legged, meditating and meditating.

“Sect Master!”

At this moment, the Great Elder Li Qinghai walked in sweating profusely, and said with a complicated expression: “No, something happened to Beihai Xingsu... After Deng Shiqi was killed, Beihai Xingsu turned to Lihuo. The door launched an attack, intending to avenge Deng Shiqi, but the casualties were serious.”

“Just now, the elders of Beihai Xingsu sent a rescue letter, hoping that we can help

Tianhaimen...” When he said this, Li Qinghai’s face was extremely complicated. . You must know that half a month ago, Lihuomen and Beihai Xingsu were still a nominal alliance. At that time, they went to Chunyang Palace to force Yue Feng to hand over the secrets of Tianji Palace. In the blink of an eye, he became an undead enemy.

Especially that Ren Pingsheng, who acted too viciously, actually cut off Deng Shiqi’s head...

huh...

Knowing the situation, Yang Ye frowned and said puzzled: “Strange, that Ren Pingsheng of Lihuomen , I had no name on the rivers and lakes, why did it suddenly become so powerful? Not only did he kill Deng Shiqi, but he also led his disciples to defeat Beihai

Xingsu...” As soon as he finished speaking, Li Qinghai responded: “The head has What I don’t know is that I have been in contact with that Ren Pingsheng for a few days. This person is deep in the city, and he is good at hiding himself, and has great ambitions.”

“If this Ren Pingsheng is allowed to act recklessly, I am afraid that the entire river and lake will not be peaceful. I think, we still send people to help Beihai Xingsu, after all, we are allies of life and death.”

Hmm...

Yang Ye nodded thoughtfully: “Okay, call the disciples immediately and go to Beihai Xingsu.”

“Yes, the Sect Leader.”

.....

Not only Tianhaimen, but Chunyang Palace also received Beihai Xingsu's request for help.

After receiving the request for help, the palace lord immediately called everyone to discuss in the main hall.

At this time, in the main hall of Chunyang Palace.

The palace lord sat on the throne, his eyes looked around, and he said softly: "North Sea Star wants to avenge Deng Sect Master, and as a result, countless casualties and serious damage to Lihuo Sect's main altar."

"Now they hope that we can send someone Going to support, what do you think?"

When speaking, the palace lord's beautiful face showed a bit of complexity, you must know that half a month ago, Beihai Xingsu and Tianhaimen disregarded their alliance and forced Chunyang Palace to make friends. Out of Yuefeng.

At that time, if it wasn't for the Sword Saint Baili Cexuan who came forward to shock everyone, I would have dared not imagine the consequences.

"Haha..."

As soon as he finished speaking, Taoist Qianqiu who was standing by the side couldn't help but sneer and said loudly, "Palace Master, I don't think there is anything to discuss about this matter.

"Friendship, together with other sects, rushed to the main altar of our Chunyang Palace, wanting us to hand over Pavilion Master Yue, how could they still regard us as an alliance at that time for their own interests?"

"And now, when something happened to them in Beihai Xingsu, they thought of it. Let's go, it's ridiculous. In my opinion, the grievances between the North Sea Stars and Lihuomen are their own business, and we don't need to intervene."

When he said this, Taoist Qianqiu was very angry.

Wow...

the voice fell, and many people around nodded in agreement.

"The Taoist priest is right. The stars in the North Sea are not benevolent and unjust. We don't need to take the risk to help them .

"

When everyone said this, the palace lord bit his lip lightly and hesitated.

“Everyone!”

After a few seconds, the palace lord said in a complicated tone: “Although Beihai Xingsu’s previous actions are indeed a bit disgusting, but our three major sects have been allied for nearly a hundred years. At this time, they are encountering an unprecedented catastrophe, and we stand idly by. I’m afraid it will make the fellows in the rivers and lakes ridicule, saying that our Chunyang Palace is ruthless and unrighteous.” After speaking

, the palace master slowly stood up: “In this way, I will personally bring some disciples to Beihai Xingsu, do you want to do your best to help them? Let’s see the situation first.”
The

Palace Master was kind-hearted, and in order to take care of the overall situation, he let go of the unpleasantness with Beihai Xingsu before.

Chapter 5424

This...

Seeing the palace lord pay attention, Daoist Qianqiu and everyone looked at each other, and finally nodded in agreement.

...

On the other side, the mysterious realm of heaven.

I saw that at the entrance of the secret realm, there were many disciples of the three major sects. On the roads on both sides, patrolling disciples were constantly patrolling back and forth. It can be said that the guards were heavily guarded.

Rumbling...

At this moment, there was a sudden sound of vibration not far away, and there were many people listening to the sound.

“Huh? What’s going on?”

Hearing the voice, the three sect disciples guarding the entrance looked over vigilantly. Seeing this, my heart suddenly trembled, and I was all stupid.

I saw that in the woods below, a cloud of dust filled the air, and tens of thousands of figures came quickly, each with a long knife, murderous aura.

It is the elite disciple of Lihuomen.

“People from Lihuo Sect?”

“Oops, they want to seize the Heavenly Mysterious Realm...”

Seeing this scene, the three main disciples present panicked, and a fear rose from the bottom of their hearts.

You know, news came from Jianghu half a day ago that Lihuomen repelled Beihai Xingsu’s revenge, killing tens of thousands of Beihai Xingsu at that time, blood flowed into rivers, and it was very tragic.

In particular, Ren Pingsheng, the head of Lihuo Sect, was even more ruthless.

However, they did not expect that the Lihuo Sect would be so rampant that after defeating the North Sea Stars, they would attack the Heavenly Mysterious Realm.

“Everyone gather, hurry up...”

“Collect...”

Under the shock, many disciples of the three major sects shouted loudly. In an instant, when they heard the shouts, the disciples patrolling around came one after another and gathered at the entrance.

During this time, the person in charge of the mysterious realm of the sky was Xu Heng.

Xu Heng, the head of the Tianhaimen branch, is powerful and capable. Hearing the movement, he rushed over quickly.

Mad!

At this moment, seeing the tens of thousands of Lihuo Sect elites in front of him, Xu Heng was sweating profusely, then turned his head and shouted at the people behind him, “Quick, you guys, hurry up and ask the general altar for help.

” At these words, several disciples nodded and left quickly.

hum!

It was at this time that tens of thousands of Lihuo Sect disciples arrived near the entrance, and saw a burly figure soaring into the sky, hovering above the entrance with a proud expression.

It is Prince Aotian.

Of course, the identity and appearance of Prince Aotian at this time was still Ren Pingsheng, the head of Lihuo Sect.

At this moment, Prince Aotian first took a deep look at the entrance to the secret realm, his eyes couldn't hide his excitement, this time he came to the human world, everything was really smooth, and after occupying this place, he could practice with peace of mind.

Thinking to himself, Prince Aotian's eyes fell on Xu Heng, and his tone was extremely cold and arrogant: "You are the person in charge here?"

"Not bad!" Xu Heng took a deep breath, resisted his inner panic, and nodded in response.

"Limited to half a stick of incense, and all of you will be evacuated, otherwise, you will die." Prince Aotian didn't talk nonsense at all, and the cold words spread over the entire entrance.

Hearing this, the three sect disciples present were all shocked and angry.

Madd...

At the same time, Xu Heng's face became gloomy, he flew to the sky, looked at Prince Aotian and said, "Ren Pingsheng, this is the place of our three major sects, you Lihuo Sect want to grab it hard, have you thought about the consequences?"

"The three major sects?"

Hearing this, Prince Aotian looked disdainful and said coldly: "It seems that you haven't figured out the situation yet, the last person who talked to me like this was Deng Shiqi, and he was already dead. Now, do you want to end up like him?"

When he spoke, Prince Aotian's inner strength was urged, and a suffocating sense of oppression erupted.

Gudong!

Feeling this powerful breath, Xu Heng couldn't help swallowing his saliva, and then he said with courage: "Without the orders of the three major sects, I will not take people away."

He knew that with his own strength, it was not at all. The opponent's opponent, but the responsibility lies, if he flees in fear of the battle, how can he stand on the rivers and lakes in the future?

"Okay, very good."

Prince Aotian sneered: "Since you are courting death, then I will fulfill you." The voice fell, his right hand suddenly lifted, and in an instant, a golden beam shot out, coming straight towards Xu Heng .

Jin Mang ripped apart the world and arrived in front of him in the blink of an eye.

Chapter 5425

This speed....

Seeing the Jinmang erupting, Xu Heng was shocked. At that time, he wanted to dodge, but it was too late.

The next second, Xu Heng was hit by Jin Mang and let out a scream. The whole person was shocked and flew out, flying dozens of meters away, and finally smashed on the rock at the entrance of the secret realm, spurting a few mouthfuls of blood. Dying out of breath.

Hiss....

Seeing this scene, the three disciples of the three sects present couldn't help taking a breath of cold air. The whole secret realm was deadly silent.

The strength of this Lihuo Sect leader is so powerful? He actually killed Xu Heng with one move...

"The head is mighty."

At this moment, tens of thousands of Lihuo Sect disciples shouted in unison, each with an excited expression.

Prince Aotian looked arrogant and did not look at Xu Heng's corpse. He said loudly: "Everyone obeys the order and immediately captures the mysterious realm of the sky. If there is resistance, shoot them

.

" The Lihuo Sect disciple let out a howl and rushed up like a tidal wave.

.....

North Sea constellations.

After the request for help, the Palace Master of Chunyang Palace and the head of Tianhaimen rushed over for the first time.

At this time, in the main hall of Beihai Constellation General Altar. The palace lord and Yang Ye sat on the VIP seats, accompanied by a few elders of the North Sea Stars, each with a sad expression on their faces.

“Palace Master, Sect Master Wu, you must uphold justice and take revenge for my Beihai constellation.”

“Yes, my family Sect Master died so tragically, this feud is undefeated, and I swear not to be human.”

Hearing these accusations, the palace lord and Yang Ye looked at each other with extremely solemn expressions on each other’s faces.

“Everyone!” Yang Ye was the first to react, and said with a heavy face: “I am also very saddened by the misfortunes of the head of Deng. I mourn

the elders, don’t worry, I will definitely advance and retreat with you at Tianhaimen.”

Falling down, the palace lord also said softly: “Killing one’s life is a matter of course. That Ren Pingsheng is so ruthless and cruel, he will definitely not end well. My Chunyang Palace will definitely stand on your side

.

” The door stated that the elders of the North Sea Constellation were all relieved, and all of them showed gratitude.

“It’s not good, it’s not good...”

At this moment, a disciple ran in sweating profusely, looking flustered, and shouted: “It’s not good... something happened to the mysterious realm.”

What? ?

Hearing this, the expressions of everyone present changed.

Immediately, Yang Ye was the first to react and asked the disciple, “Don’t panic, what’s going on?”

The disciple panted and said, “An hour ago, Ren Pingsheng led tens of thousands of disciples from the Lihuo Clan to capture the Heavenly Mysterious Realm, none of the disciples we guarded there survived, all died in battle.”

Wow!

In an instant, the entire hall was in an uproar, and everyone was terrified.

“Bang!” Yang Ye slapped his chair fiercely, his eyes couldn’t hide his anger: “This Ren has become more and more arrogant in his life, and he dares to occupy the Heavenly Mysterious Realm. It’s really too long to live.” In the

Heavenly Mysterious Realm, not only are there Many treasures are filled with spiritual energy. The three major sects have always attached great importance to them. At this time, they are occupied by Lihuomen. How can they not be angry?

At the same time, the palace lord’s delicate face could not hide the anger: “It’s not too late, we can prepare the manpower to regain the mysterious realm of the sky, and also take this opportunity to seek justice for the head of Deng.”

“Okay! “

After a while, the tens of thousands of disciples from Tianhaimen and Chunyang Palace quickly resolved the situation and quickly headed towards the Heavenly Mysterious Realm.

Ten minutes later, everyone arrived at the entrance of Tianmen Secret Realm.

From a distance, I saw tens of thousands of Lihuo Sect disciples guarding the entrance like iron barrels, and in the open space in front of the entrance, Prince Aotian sat on a chair with a relaxed expression.

Obviously, Prince Aotian was not in a hurry to enter the secret realm, just waiting for reinforcements from the three major sects here.

Swish!

At this moment, seeing the princess with outstanding appearance, Prince Aotian was stunned for a moment, and couldn’t help but secretly praised in his heart.

Unexpectedly, there are such beautiful women in the human world, and they are not inferior to those fairies in the realm of the gods.

“Tsk tsk...”

Under the admiration in his heart, Prince Aotian first glanced at the palace lord, then glanced at Yang Ye, and a smile appeared on the corner of his mouth: “The heads of Chunyang Palace and Tianhaimen are here, look. Come to my face is not small.”

The ultimate husband in Chinese chapter 5426-5430

Speaking, Prince Aotian looked at the palace lord unscrupulously, and smiled: "I often hear that the palace lord of Chunyang Palace looks like a fairy, like a fairy coming down to earth. When I see it today, it really lives up to its reputation."

Although it is a compliment, But the tone was full of frivolity. Feeling Prince Aotian's gaze, the Palace Master was very displeased, but he held back and said softly, "Ren Pingsheng, stop it... Being hostile to the three major sects, have you thought about the consequences?"

At that time, in the heart of the palace master, he didn't feel that Ren Pingsheng was a big threat at all. After all, the other party was just the head of Lihuomen, and Lihuomen was only a second-rate sect in the rivers and lakes.

As for the opponent's ability to kill Deng Shiqi before, it may be luck.

At this time, the princess still didn't know that the real Ren Pingsheng was dead, hehe...

Hearing the words of the palace master, Prince Aotian chuckled lightly.

Wow...

At this moment, several elders of Beihai Xingsu on the side couldn't bear it any longer, and they all attacked Ren Pingsheng.

"Ren Pingsheng, you killed my head, and now you dare to occupy the mysterious realm of the sky. Today, you will die without a place to be buried

.

“

Under the anger of the elders, Yang Ye also had a gloomy face, took a step forward, and said coldly to Prince Aotian: "Ren Pingsheng, you first kill Deng Shiqi, the head of Beihai Xingsu, and now you lead the disciples to occupy my three major sects. The mysterious realm of the sky is simply beyond your own power."

"If you are a little wiser, then surrender obediently and capture it without your hands, otherwise, your Lihuo Sect will be gone after today."

This chapter is provided by . Visit for daily update.

When saying this, Yang Ye looked cold and arrogant.

Like the Palace Master, Ren Pingsheng was never in his heart.

“Haha...”

Hearing these words, Prince Aotian seemed to hear Tianda’s joke, and couldn’t help laughing up to the sky: “You are the head of Tianhaimen, right, your tone is not small.”

“I Killing Deng Shiqi, that’s what he should be damned, he took advantage of my Lihuo Sect to hold a sacrificial ceremony, disguised himself as a provocation, hurting countless disciples, so sinister and despicable, this kind of person is not a pity to die.”

Speaking of this, Prince Aotian’s face It became gloomy: “As for this mysterious realm, it was originally a place for the envoys of the gods to retreat, but after the destruction of the Heavenly Secret Palace a thousand years ago, it became a land without owners. After that, it was occupied by your three major sects for hundreds of years. “

In other words, this secret realm is not the place of your three major sects at all. What’s wrong with me occupying Lihuomen now? Moreover, I will tell you now, from this moment on, my Lihuomen is the mysterious realm of this day. The owner of the house, other people, etc. trespass without authorization, and kill them.” The

voice was not loud, but it spread throughout the audience, with unparalleled domineering.

“Kill to kill!”

“Kill to kill..” When the

last word fell, all the disciples of Lihuo Sect also shouted loudly, and the momentum was shocking.

At this moment, the expressions of these Lihuomen disciples were extremely excited. For so many years, Lihuomen had endured humiliation in order to carry forward and become one of the best sects in the world. At this time, this wish was finally coming true. How could I not be excited? ?

Swish!

Seeing this situation, whether it was Yang Ye, the palace master, or the people from the three major sects, they were all shocked and angry.

Crazy, this Ren Pingsheng is really crazy.

A few seconds later, Yang Yeqiang suppressed his anger and looked at Prince Aotian coldly: “So, your Lihuo Sect is determined to fight against our three major sects?” The

three major sects have dominated the rivers and lakes for so many years, those The second-rate sect, which one didn't look at the faces of the three major sects and speak, and Ren Pingsheng in front of him was actually arrogant.

“Good Ren Pingsheng.”

At this moment, Li Qinghai, who had been standing behind him, finally couldn't bear it anymore, and rushed out with a loud shout: “I haven't seen you for a few days, but I want to learn from you, what strength do you have with my three major sects? The door is right.”

Om!

When the last word fell, Li Qing pulled out his long sword from an altitude and drew a shock in the air, coming directly to Prince Aotian.

Speaking of which, Li Qinghai once played against Ren Pingsheng in the underground town of Tianji Palace.

Chapter 5427

At that time, in order to better explore the underground towns, various sects negotiated to elect a temporary alliance leader. Li Qinghai overwhelmed the heroes at that time and was about to become the alliance leader, but in the last game, he lost to Ren Pingsheng.

Although he was defeated, Li Qinghai was always unconvinced, thinking that Ren Pingsheng was just a fluke. At this time, with all-out efforts, it is not necessarily who wins and who loses.

However, Li Qinghai at this time did not realize that the person in front of him was not Ren Pingsheng at all, and his strength was unfathomable and completely beyond imagination.

“Looking for death!”

Seeing Li Qinghai burst out, Prince Aotian sneered: “A clown jumping on the beam, how dare you be presumptuous in front of me?”

Om!

When the voice fell, a terrifying aura erupted from Prince Aotian, and then, a dazzling ray of light condensed from his right hand, tearing apart the world and coming straight towards Li Qinghai.

What?

Feeling the power contained in that light, Li Qinghai's expression changed.

What happened? It's only been a few short days that he hasn't seen him, and this Ren's life's strength seems to have more than doubled from before.

Under the shock, the light had already arrived in front of him. At that time, Li Qinghai didn't have time to think about it, and urged all the forces to resist.

Boom...

The next second, I saw two forces colliding in mid-air, and there was a roar, and Li Qinghai groaned, and the whole person was shocked and flew out.

"Pfft..." After flying dozens of meters away, Li Qinghai spat out a mouthful of blood and passed out.

This...

Seeing this scene, the three major sects and others present widened their eyes and were shocked.

One move? Just one move knocked Elder Li unconscious. This Ren Pingsheng's strength is too strong.

Especially Yang Ye, his eyes were fixed on Ren Pingsheng, full of incredible writing.

You must know that Li Qinghai is the great elder of Tianhaimen, and he has reached the pinnacle of profound skills. Even if he makes his own shots, he may not be able to defeat him within ten moves.

And Ren Pingsheng in front of him actually used a trick by himself.

quiet!

At this moment, the entire entrance to the secret realm was deadly silent, and a needle could be heard clearly.

Looking at the expressions of everyone, Prince Aotian's eyes were full of contempt, he looked around, and said coldly to Yang Ye and the others: "If anyone is not convinced, come up, if you dare not make

a move, then get out." Arrogant words.

Mad!

Hearing this, both Yang Ye and the palace master were furious. This Ren Pingsheng was too arrogant. If he was not defeated today, I am afraid that there will be no peace in the future.

“Arrogant...” Under the anger, Yang Ye’s inner strength exploded, heading straight for Prince Aotian.

I saw that wherever Yang Ye’s figure passed, the sky was distorted, and the momentum was amazing. You must know that in the past few years, Yang Ye, in order to retreat and practice, has handed over the big and small affairs of Tianhaimen to the elder Li Qinghai. Reason, several years of retreat, Yang Ye’s strength has reached the peak of the realm.

“Sect Master Yang, I’m here to help you.”

At the same time, the palace lord also shouted, his figure rose up, and the long sword hummed, stabbing towards Prince Aotian.

Just now, Prince Aotian defeated Li Qinghai with one move, and the palace master could see that the opponent’s strength was unfathomable, and Yang Ye alone was not an opponent at all.

“Come on together? It’s good.” The

palace lord and Yang Ye shot at the same time, Prince Aotian did not panic at all, a contemptuous smile evoked the corner of his mouth, urging energy to attack.

In the blink of an eye, the three of them fought fiercely in mid-air.

“All allies, kill!”

Seeing the leader’s move, the disciples of the three major sects burst into a howl, raised their long knives, and rushed towards the disciples of Lihuo Sect.

In their hearts, the three major sects have an advantage in numbers, and this battle will be won without losing.

However, they were wrong. Prince Aotian dared to wait here. Naturally, he had already deployed his defense.

Wow...

At this moment, seeing the disciples of the three major sects rushing up, the disciples of the Lihuo Sect who were present were all extremely calm, turning their figures one by one, arranging formations to meet the enemy.

Bang Bang Bang...

In the blink of an eye, the two disciples collided and began to fight fiercely. I saw that people on both sides kept falling, and the ground was red with blood.

Chapter 5428

At the entrance of the entire sky mysterious realm, the bloody atmosphere is filled, like hell.

At this time, in mid-air.

I saw Prince Aotian, Yang Ye, and the palace master, the three figures were constantly intertwined, and the surrounding air was completely torn apart when the breath burst.

The palace master and Yang Ye cooperated very well, but what they didn't expect was that several killing moves were easily blocked by the 'Ren Pingsheng' in front of them.

Bang bang...

At this time, Prince Aotian raised his hand, shook the palace master away, and said with a wicked smile: "I really don't want to kill such a beautiful woman, so let's go, you Chunyang Palace will surrender to me in the future. Lihuomen, I will give you a way to survive."

After speaking, he glanced at Yang Ye indifferently: "It's the same with your Tianhaimen."

Huh...

Hearing this, the palace lord's pretty face froze, and he clenched his teeth tightly. He pursed his lips and responded coldly: "Submit to you Lihuomen? It's just wishful thinking."

The moment the words fell, Yang Ye also roared: "Ren Pingsheng, today next year will be your death.

" Punishment for drinking."

Seeing the attitude of the two, Prince Aotian's eyes froze, he raised his hand and waved, bursting out with a palm force, heading towards Yang Ye.

Feeling the power of this palm, Yang Ye was taken aback, and without any hesitation, he quickly raised his long sword to resist.

clang!

In the next second, the palm force and the long sword collided, and a vibration was heard, and the long sword shattered instantly. Then Yang Ye groaned, and a mouthful of blood spurted out, and the whole person was shocked and flew out.

Pfft!

After flying dozens of meters away, Yang Ye smashed to the ground heavily, his face extremely pale.

At this moment, Yang Ye stared at Prince Aotian in mid-air, his eyes full of shock. This person's strength is a bit outrageous. In my memory, Lihuomen's strongest technique, Holy Fire Mingzun, was placed on the rivers and lakes. Not the most powerful technique. How could the strength of this 'Ren Pingsheng' be so terrifying?

Yang Ye clearly felt that his heart was damaged by the shock, and his internal organs seemed to be displaced. There was a burst of severe pain, and he was about to faint.

Phew...

At the same time, the palace lord in mid-air saw Yang Ye being defeated, and his beautiful face was full of shock.

At the same time, there was an unprecedented panic in my heart.

The strength of this 'Ren Pingsheng' is beyond imagination. It seems that everyone was still a little underestimated before. Yang Ye was already injured, so he was alone, not an opponent.

"Palace Master."

Just when the Palace Master was secretly shocked, Prince Aotian smiled wickedly: "If you don't want to end up like Sect Master Yang, just give up, you are not my opponent."

"Submit to our Lihuo Sect, Your Chunyang Palace has nothing to lose. On the contrary, after I Lihuomen dominate the rivers and lakes, your Chunyang Palace will also rise."

When he spoke, Prince Aotian looked arrogant and confident in controlling the overall situation.

"You are delusional..." The palace lord bit his lip and spit out a few words coldly.

Hehe...

Seeing her refusal to accept the softness, Prince Aotian sneered: "Very good, since you are given the opportunity to not, then don't blame me." The voice fell, and the whole body burst out and quickly came to the palace master.

“Palace Master, let’s help you.”

“Come on together!”

Seeing this situation, the elites of Chunyang Palace who were fighting fiercely below, as well as several Beihai Xingju elders, rushed up with a shout.

Everyone erupted together, and the breath formed distorted that piece of air.

“Go away!”

However, Prince Aotian didn’t pay attention to these people at all, he scolded coldly, raised his hand and waved, a terrifying force swept out.

The people who rushed up were shocked and flew out one by one without reacting to what was going on.

After shaking the crowd, Prince Aotian locked his eyes on the Palace Master and burst out again.

The palace lord bit his lip tightly, and there was no way to retreat. He could only hold the long sword tightly and meet Prince Aotian.

boom!

The next second, the figures of the two sides collided, and there was a vibration, and the palace lord’s delicate body stepped back ten steps in a row, and the beautiful face was extremely pale.

Prince Aotian took advantage of the situation to pursue, rushed to the front, quickly raised his hand, and tapped the palace lord twice.

In an instant, the palace lord’s delicate body trembled, unable to move at all.

Chapter 5429

At this time, the surrounding battle is not over yet.

“Stop everything!”

At this moment, Prince Aotian hung his right hand on the head of the palace lord, looked around, and scolded coldly: “If you don’t want your princess to be damaged, surrender immediately.”

Wow...

Seeing this The situation, whether it was the disciples of Chunyang Palace, or the disciples of Tianhaimen and Beihai Xingsu, all quickly stopped, each and everyone could not hide the fear in their eyes. They were also shocked and angry.

Oops...

The two chiefs, one was injured and the other was arrested, how can they fight?

Seeing everyone stop, Prince Aotian sneered and waved at Liu Ruxue who was not far away.

Liu Ruxue understood in his heart, and with the Lihuo Sect disciples, he rushed up quickly, and tied the three three sect disciples, one by one.

“Senior brother.” A

few minutes later, Liu Ruxue walked over quickly and respectfully said to Prince Aotian: “All the disciples of the three major sects have been controlled.”

After speaking, Liu Ruxue looked at the palace master and others. Person: “The two chiefs and these elders, do you want to execute them immediately?”

“Not for now.”

Prince Aotian shook his head, a bit of cunning flashing in his eyes: “These people can’t be killed for the time being, and there is still a lot to keep. Great use.” That Yue Feng became the Pill Pavilion Master of Chunyang Palace, and at this time the Palace Master was arrested, Yue Feng would definitely not stand by.

He thought about it, using the people of the palace master to lure Yue Feng over, and when Yue Feng came to save people, he would try to catch him, and then integrate Yue Feng’s divine power.

After all, Yue Feng is the Nine Heavens Profound Sage, and if he combines his divine power, he will be able to reshape his Primordial Spirit faster.

Thinking of this at this time, Prince Aotian ordered Liu Ruxue: “Detain the palace lord and these people in the secret realm, and then send someone to guard the entrance.”

“Once Yue Feng comes to rescue, notify me immediately. “

When he said this, Prince Aotian’s eyes flashed gloomy and cold.

“Yes, Sect Master.”

Upon hearing the order, Liu Ruxue complied and hurried to prepare.

.....

At this moment, Chunyang Palace.

In the pavilion outside the Pill Pavilion, Yue Feng sat there, sipping tea leisurely with a contented expression on his face.

In the past few days, Yue Feng finally made it through Xiaorou Dongfang Yunqing through his three-inch tongue, and the two girls finally recognized the truth.

Phew...

At this moment, Yue Feng took a sip of tea and stood up slowly.

Everything has been explained, and finally we can go.

“Pavilion Master!”

At this moment, Xiaorou walked into the pavilion quickly, her delicate face was very complicated: “No, it seems that something happened.”

Something happened?

Yue Feng frowned: “What happened?”

For the past few days, Yue Feng has been staying at the gate of Chunyang Palace. Because he was about to leave, he didn't pay attention to the outside world, so what happened in the rivers and lakes these days, He doesn't know.

Xiaorou took a deep breath and said slowly, “The head of Beihai Xingsu was killed by Ren Pingsheng. After that, Beihai Xingsu went to Lihuomen to take revenge, resulting in countless casualties.”

“In the morning, Beihai Xingsu came to ask for help. The palace lord brought many disciples to help preside over justice, and just now, there was news that Ren Pingsheng took the disciples of Lihuo Sect and occupied the mysterious realm of the sky.”

Speaking of the last At that time, Xiao Rou said anxiously: “Pavilion Master, do you think... Will something happen to the Palace Master?”

Speaking of which, in Xiaorou's heart, the Palace Master is extremely powerful, and the whole world can hurt her. There are very few people, but I don't know why. After hearing the news just now, I have been uneasy in my heart.

What?

Hearing this, Yue Feng was stunned.

Ren Pingsheng, that guy is so cruel? Not only killed Deng Shiqi, but also occupied the mysterious realm of the sky?

No, this matter must be stopped. You must know that the Chaos Teleportation Array that you built is in the mysterious realm of the sky. If everyone from Lihuomen destroys it, wouldn't it be a waste of all previous efforts?

Thinking to himself, Yue Feng hurriedly directed at Xiao Judo: "You stay in Chunyang Palace, I'll take a look at the situation." The

voice fell, Yue Feng's figure jumped up in the air, and quickly rushed towards the direction of the mysterious sky.

Pavilion Master...you must not have any trouble.

Looking at Yue Feng's figure, Xiao Rou stood there with her hands tightly intertwined, a little worried.

Chapter 5430

After half an hour, Yue Feng finally arrived at the entrance of the mysterious realm.

Phew...

At this moment, seeing the situation in front of him, Yue Feng couldn't help taking a deep breath and was stunned.

I saw that the entrance to the secret realm in front of me was densely filled with people, all of whom were disciples of Lihuo Sect. Not to mention people, I was afraid that a fly would not be able to fly in.

This Ren has been crazy all his life, and he really occupies the mysterious realm.

Muttering in his heart, Yue Feng took a careful look around and saw that there was blood everywhere on the ground. It was obvious that he had experienced a fierce battle before.

At the same time, the comments of many Lihuo Sect disciples kept coming.

"The previous battle was really enjoyable."

"Yeah, especially the palace lord of Chunyang Palace, who is really like a fairy descending to earth. Fortunately, the sect master didn't kill her after he caught her, otherwise it would be a pity."

“Hehe, Even if the palace lord doesn’t die, you can only see it from a distance.” The voices of the discussion kept coming, and Yue Feng’s heart was shocked.

What?

The palace lord was arrested?

It’s no wonder that along the way, I didn’t see the palace master and the disciples of Chunyang Palace. If something happened to the main palace, Chunyang Palace would be in trouble. No, she must be rescued.

Thinking to himself, Yue Feng didn’t hesitate and strode towards the entrance.

Swish!

As soon as Yue Feng appeared, all the disciples of the Lihuo Sect cast their gazes over.

“Yue Feng?”

“We Lihuomen haven’t found you yet, so you’re going to send it to your door?”

Everyone shouted, rushing up and surrounding Yue Feng.

Facing this situation, Yue Feng’s expression remained unchanged, and he said lightly: “Tell Ren Pingsheng to come out and see me.” The voice was not loud, but it gave off an unquestionable aura.

Hearing this, the disciples of Lihuo Sect looked at each other in dismay, and then laughed loudly.

“Yue Feng, what are you? Are you qualified to see our head?”

“That is, we have captured all the palace lords of your Chunyang Palace. If you are wise, kneel down and surrender quickly.”

In laughter, an elite The disciple came out, pointed at Yue Feng and shouted: “Yue Feng, be obedient and capture...”

“There is so much nonsense.”

Before the disciple could finish speaking, Yue Feng frowned, raised his hand and slapped the fan. past.

Snapped!

Hearing a crisp sound, the disciple didn't react at all, and was directly fanned out. After landing, he passed out.

Mad!

Seeing Yue Feng's action, the other disciples of Lihuo Sect were all shocked and angry.

"Well, you Yue Feng, how dare you do it?"

"Let's go together!"

shouting angrily, everyone pulled out their long knives and slashed at Yue Feng.

Yue Feng was too lazy to talk nonsense, his figure flashed, and he rushed into the crowd.

Bang Bang Bang...

For a while, Yue Feng came and went like the wind. Every time he made a move, someone would definitely fall. In less than two minutes, hundreds of Lihuo Sect disciples fell to the ground. Lost combat effectiveness.

Speaking of which, Yue Feng only thought about the safety of the palace lord, and he didn't want to kill at all, otherwise these people would already be dead.

Nonetheless, seeing Yue Feng so brave, the rest of the Lihuo Sect disciples were full of fear in their eyes.

"Stop!"

At this moment, a coquettish shout came, and then, a figure flew quickly from not far away.

The figure is graceful and charming, the facial features are exquisite, but the expression is indifferent.

It was Liu Ruxue.

Seeing Liu Ruxue, Yue Feng asked straight to the point: "What did you do to the palace master? Hurry up and hand over the person." As he said, Yue Feng looked at Liu Ruxue and felt that something was wrong.

It stands to reason that after being humiliated by me several times, this Liu Ruxue must be very angry when he met her, but at this time, there was no expression on Liu Ruxue's face.

Like a dead person without emotion.

It's really weird.

At this time, Yue Feng did not realize that Liu Ruxue had been controlled and had no thoughts of his own.

"If you want to save people, defeat me first."

At this moment, Liu Ruxue didn't say any nonsense.

Nima!

At this moment, Yue Feng frowned secretly, but he didn't think much about it at the time.

After entering the secret realm, Yue Feng stared at Liu Ruxue in front of him, and joked loudly: "My dear lady, I haven't seen you for a few days, why do you run away when you see me?" He knew that Liu Ruxue was arrogant, so he thought Use words to provoke her.
