

The ultimate husband in Chinese chapter 5521-5530

Chapter 5521

“Haotian!”

Hearing the ridicule, Gone’s eyes instantly turned hideous, and when the enemy met, he was extremely jealous.

During the war between gods and demons, Haotian God King killed a lot of demon tribes. At that time, except for the Nine Heavens God, Haotian God King had the highest status. Now that he sees it, he naturally cannot calm down.

But at the same time as he was frightened and angry, Gone was also secretly complaining in his heart.

This time it was troublesome. The Zhou Tianxingdou formation in front of him was enough to give him a headache. At this time, the God King Haotian came with the gods and soldiers, and when they joined, he couldn’t stop him even more.

Thinking to himself, while dealing with Zhou Tianxingdou, Gone said coldly to the God King Haotian: “It’s so timely, Haotian, are you planning to fall into the trap?”

” If Wang made a move, he would definitely lose.

However, he knew that the God King Haotian paid great attention to his identity. If he opened his mouth, the God King Haotian would not take it lightly.

“Haha...”

Hearing this, the corner of Haotian Divine King’s mouth curled into a smile, and said slowly: “Although I really want to get rid of you quickly, I’m not in a hurry at this moment, don’t worry, I won’t take advantage of others. It ‘s in danger.”

“You keep fighting, this God King has time.” The

voice fell, and the Haotian God King raised his hand and waved...

Wow...

In an instant, thousands of elite soldiers scattered, and the entire Xia Yin was hidden. The groups were besieged, and although they did not take action, the aura of covetousness made everyone present feel a mountain-like pressure.

Oops...

In the face of such a situation, Su Qingyan frowned, secretly anxious.

This God King Haotian is obviously going to sit on the mountain and watch the tiger fight.

As the suzerain of the Xia Yin Sect, Su Qingyan naturally knew the grievances between the Xia Yin Sect and the God Realm. It can be said that the Xia Yin Sect has been in seclusion for nearly a thousand years, just to avoid the investigation of the God Realm.

But now, the main altar of Xia Yinzong has been exposed. No matter what the battle situation is, Haotian God King will not easily let Xia Yinzong go.

How to do?

For a time, the more Su Qingyan thought about it, the more anxious she became.

At the same time, Wen Chou Chou, who was not far away, also had a solemn expression on his face, and whispered to Sun Dasheng next to him: "Dasheng, after we regain our strength, we will find a chance to break out.

"After the Supreme, he will definitely turn his head to deal with us."

Sun Dasheng nodded, this time he was no longer impulsive, but surprisingly calm: "Ma De, it's really time for the Haotian God King to come, Brother Wen, I have an idea, Do you want to find a way to make this Demon Race Supreme and the God King Haotian fight? In this way, we don't have to be so passive."

Phew...

Hearing this, Wen Chou Chou took a deep breath, his eyes twinkled, and he smiled. He praised: "Okay, great sage, at the critical moment, I know how to use a strategy."

As he spoke, Wen Chou Chou turned his face, and couldn't hide the worry on his face: "It's just... this Demon Race Supreme was killed by the magic circle. After being sleepy for so long, I have been aroused by anger and want him to turn his head to deal with the God King Haotian, I'm afraid it will be difficult..."

At this time, in the air.

Seeing that the situation became more and more complicated, Mo Yan bit her lip and said to Gone, "Your Highness, I beg you to give me a chance and let me help you break through the formation."

Gone was only trapped in the formation before. Don't worry about his life, but the God King Haotian has arrived at this time.

To be honest, Mo Yan wanted to rush in right now, but she knew Gone's temperament very well, and rushing in without consent would only make him even more angry.

At this moment, Mo Yan was almost in a hurry.

The child was on the top of the mountain, and she didn't know what was going on. She just wanted to help Gone break through the formation quickly, and then rush out together. It's just... Your Majesty has lost trust in himself..

"Yeah!"

Seeing Moyan's pleading face, Gone's eyes flickered, and then he replied lightly: "Now that the situation is urgent, I'll give you a chance. "

When he spoke, Gone's expression was indifferent, but there was a hint of gloom in his eyes.

The situation in front of him was very unfavorable to Gone. Even if he broke the Zhou Tianxingdou formation, the God King Haotian, who had been watching the battle, would not easily let him go.

Chapter 5522

However, Gone was decisive, and he had already figured out a way at this time.

That is to sacrifice Moyan, and use her demon soul power to condense the blood sacrifice array...

"Thank you, Your Honor..."

Seeing that Gone finally forgave herself, Moyan's tense nerves suddenly eased. After answering, he rushed in directly.

The moment she rushed into the formation, Mo Yan recalled the cracking technique she had seen on the walls of the dungeon before, and said quickly, "Your Highness, this is the Zhou Tianxingdou Great Formation created by Xuanyuan Huangdi, which incorporates innate gossip. , and the Five Elements and Nine Palaces..."

When she said this, Mo Yan was very excited.

You know, as the supreme being of the Demon Race, Gone is extremely talented. As long as he tells the key, he will definitely be able to find out the flaws in the Zhou Tianxingdou Great Array in the shortest possible time.

However, Gone's attention was not on Mo Yan, but on the God King Haotian outside.

"Haotian!"

In the next second, Gone smiled at the God King Haotian: "It's boring to look at it all the time, why don't you show your power and let the deity be quiet, has your strength improved during this time?"

Tone Proud and full of provocation.

What?

When the words fell, Mo Yan's delicate body trembled, and she was stunned.

Are you crazy? Before the Zhou Tianxingdou formation in front of him broke, he declared war on the God King Haotian. This... Isn't this asking for trouble?

Thinking to herself, Mo Yan couldn't help but say, "Your Highness, I think it's important that we break through the formation as soon as possible."

In the past, when Gone said what she said, she would do what she did, and there would never be the slightest doubt, but now it is different, she is worried about the child, and just wants to get rid of the current predicament as soon as possible. Phew

... Seeing her anxious face, Gone took a deep breath and said meaningfully: "This deity knows what you have in mind, you don't need to say more." The voice was not loud, but it was unquestionable. Feeling Gone's expression, Mo Yan wanted to say something, but finally held back. Wow... At the same time, everyone around Wen Chou Chou was also stunned, looking at Gone in a complicated way, puzzled. "This Demon Race Supreme is crazy. He is trapped in the magic circle and can't protect himself. He dares to take the initiative to provoke the God King Haotian?" "I don't think it's right. This Demon Race Supreme won't be so reckless. He must have some conspiracy. Let's not take it lightly." The voice of the disciples of the Xia Yin Sect, you and I came, and the Haotian God King also frowned secretly. . Haha... The next second, the God King Haotian chuckled lightly and said to Gone: "This God King said just now that I won't take action until you both end the battle." After speaking, God Haotian said Wang looked at the Zhou Tianxingdou formation around Gogne, and continued: "There will be a decisive battle between us sooner or later, but before that, you should find a way to break the formation." Gogne guessed well before, Haotian God King holds his own identity, and naturally he will not take action easily.

More importantly, God King Haotian also saw that the formation in front of him was the Zhou Tianxingdou Great Formation created by Xuanyuan Huangdi back then. Many gods and soldiers... Although it has been thousands of years, the memory of Haotian God King is still fresh.

Under such circumstances, God King Haotian would naturally not take risks, break into the Zhou Tianxingdou Great Array, and fight with Gone.

Huh ...

Gone had long expected that he would answer like this, took a deep breath at that time, and sneered: "Haotian, don't think I don't know what you think, you want to wait for me to break the formation, the magic power will be exhausted. Let's do it, and then intervene, right..."

"Hehe, the dignified generation of god kings dare not fight me head-on, and only use such tricks. It's really sad and lamentable."

Hearing this mockery, Haotian God King The expression on his face was instantly difficult to look at.

With so many divine soldiers looking at him, how could he be so mocked by Gone?

"Shut up!"

At this moment, Lei Xingyu, who had been holding back all the time, couldn't help but yelled at Gone, "You are already in trouble, how dare you speak madly?"

Chapter 5523

"Goni, you kill my three younger brothers, and I will personally send you to hell without His Highness the King of God." In the

last sentence, Lei Xingyu's eyes were blood red, and he almost howled.

Thinking of the tragic death of the three younger brothers and the power of the primordial spirit being sucked dry, Lei Xingyu couldn't suppress the grief and anger in his heart.

Hehe...

Facing Lei Xingyu's howling, Gone smiled contemptuously and ignored him at all. Instead, he continued to mock at the God King Haotian: "Haotian! The deity has already challenged, but you are pushing back three and four." As he

spoke, Gone suddenly thought of something, made a sudden realization, and sneered: "I understand, you I'm afraid of this formation, I'm afraid that I will be trapped inside if I break in, if this is the case, then you can watch how the deity breaks the formation."

Mad!

These words directly hit the self-esteem of the God King Haotian, his face was extremely ugly, and he immediately said coldly: "Is the God King Haotian afraid of a magic circle? It's a joke."

"Okay, since you are going to duel, then The King of God is just as you wish."

Om!

The voice fell, and the power of the Haotian God King exploded, and a terrifying aura swept out towards the surroundings. Then, the figure turned into a streamer and came straight to the Zhou Tianxingdou formation.

To be honest, God King Haotian was very jealous of Zhou Tianxing's battle, and he didn't want to take action in his heart, but in front of so many subordinates, Gone was always provoking. ?

"His Royal Highness!"

Seeing this scene, Lei Xingyu couldn't help but shouted, "Kill him."

At this time, Lei Xingyu did not know the power of the Zhou Tianxingdou formation. In his heart, the Haotian God King could easily crush the weak Gone without any suspense.

At the same time, thousands of elite soldiers around him also shouted in unison.

"Death is mighty."

"His Royal Highness the God King, the divine power is invincible..."

In this loud voice, Wen Chou Chou, Sun Dasheng and Su Qingyan, as well as Xia Yinzong and others all frowned and looked on. Even more serious.

God King Haotian really took action... The situation is getting more and more complicated.

Whoosh!

At this moment, the God King Haotian rushed into the Zhou Tianxingdou formation, and immediately, he sensed a powerful formation force, crushing it.

However, the God King Haotian didn't care about this, and urged his divine power to resist the pressure of the formation, his eyes fixed on Gone: "I wanted you to die decently, but you are provoking it again and again."

"Take it." The

last word When he fell, the power of the Haotian God King exploded, his figure was as fast as electricity, and he slapped directly at Gone.

In the blink of an eye, the God King Haotian was in front of him.

However, Goni showed a smile, did not dodge, but decisively raised his palm and attacked.

boom!

In the next second, the palms of the two sides collided, and a roar erupted, and the air of the Zhou Tian Xingdou Great Array was suddenly twisted and torn apart. His face was pale, and his body was churning with blood, but he gritted his teeth and held on, without retreating.

The terrifying aura burst out, and Goni's face was also pale, but with the powerful defense of the whole body, he was only a few steps back by the volley and stabilized his figure.

The God King Haotian, on the other hand, was quietly suspended there, his expression indifferent, his eyes looked at Goni, and he also showed a smile.

He clearly sensed that Goni was trapped in the Zhou Tianxing Dou Great Array, and his magic power was almost consumed. In this case, if he fought head-to-head, he was fully confident of winning.

"Goni!"

At this time, the God King Haotian looked at Goni up and down, unable to hide his contempt: "I haven't recovered to the peak state, and rashly challenged me, it is undoubtedly self-defeating, I advise you to give up resistance."

Goni didn't respond, but sneered.

"Your Highness!"

At this moment, Mo Yan, who was beside him, had already found the position of the birth gate of Zhou Tianxingdou's great formation, and quickly said to Goni, "The birth gate is in the southeast, Your Highness, you should break through first, and I will stop Hao. God." The

voice fell, and Mo Yan's delicate body flashed, blocking Goni's body.

However, Goni didn't mean to rush out of the formation at all, but said coldly: "The demons, only those who die in an upright battle, will never flee in fear of a battle."

Chapter 5524 The

last word fell, Gone's eyes flashed with a cold light, and then the right hand flashed out, like a sharp blade, directly piercing Mo Yan's back.

In an instant, blood sprayed.

The pain came, Mo Yan's delicate body trembled, and her mind was buzzing, blank.

Your Majesty... are you going to kill me?

At this moment, Mo Yan had never imagined that at the last critical moment, Gone would attack her.

Wow...

At the same time, whether it was Xia Yinzong and others below, or the thousands of elite soldiers around, they were all dumbfounded.

"What's the situation?"

"It's crazy, he actually killed his subordinates."

"Is this the nature of the demons? It's too cruel..." The

surrounding exclamations continued to come, and the floating there God King Haotian also frowned, thinking hard about something in his mind.

After so many years of war between gods and demons, God King Haotian also knew something about Gone, and knew that although he had a brutal temperament, he would not do anything arbitrarily.

It's just... the sudden attack on his subordinates also made the Haotian God King a little unexpected.

No..

he must have some conspiracy.

Thinking of this, the God King Haotian looked at Gone closely, instinctively alert.

At this moment, Mo Yan also reacted. As the blood continued to pour out, the beautiful face suddenly became weak and wilted, and she stared at Gone: "Your Highness..."

As soon as he said two words, he was interrupted coldly by Gone: "The end of betraying the demons is death."

“Do you really think that I forgave you just now? That’s just an expedient measure, otherwise, what about the deity? Promoting the blood sacrifice formation?” The

blood sacrifice formation?

Hearing this, Moyan’s heart trembled. As one of the Twelve Sacred Demon Kings, how could she not know the blood sacrifice formation. When Gone resurrected the demon tribe on the Sacred Demon Mountain, what she used was the blood sacrifice formation.

The blood sacrifice formation is infinitely powerful, and it can completely compete with the Zhou Tianxingdou formation.

It’s just... I already have a way to break the formation, why does Zun Shang urge the blood sacrifice formation?

Looking at her expression, Gone’s face did not fluctuate in the slightest, and said coldly: “Moyan, I know you won’t lie to me, but the situation in front of you, even if you break this magic circle, you and I can’t escape.

” Only by bringing in the God King Haotian, activating the blood sacrifice formation, and completely detonating this place, will the deity have a chance to escape. The deity does not want to kill you, but for the future of the demons, I can only sacrifice you.

” La...

The last word fell, Gone stabbed the right hand on Mo Yan’s back, and suddenly pulled it out, he saw the bloody palm holding a blood-colored crystal ball.

It was Mo Yan’s demon soul.

In an instant, Mo Yan, like a deflated ball, fell directly in mid-air and fell heavily to the ground.

“Pfft...” At the moment of landing, Mo Yan spurted out a mouthful of blood, her face was as pale as paper, and she fell to the ground, dying.

At this moment, Mo Yan clearly felt that her life was passing quickly. If it was before, Gonie would never frown if she wanted to kill her, but thinking of the child who was still on the top of the mountain, her tears couldn’t stop flowing. down.

quiet!

At this moment, the entire audience was deadly silent, whether it was the elite soldiers around, or the surrounding Xia Yinzong and others, all of them were blinded.

Killing his subordinates in public, this Gone is really brutal and tragic.

This...

Seeing this scene, Hai Ling'er's heart trembled, looking at Mo Yan, whose life was dying, her eyes were full of distress and pity.

Her child is still so young, how pitiful it would be if she lost her mother...

Thinking of this, Hai Ling'er hurried over, carefully picked up Mo Yan, and said softly, "How are you? Why are you so stupid? You I have already left with the child, why are you coming back?"

Seriously, Hai Ling'er and Mo Yan have no friendship at all, and if you think about it carefully, there are still some grudges, but Hai Ling'er has taken care of the child for more than a month, and she already has it. Feelings, at this time, I really can't bear to see the child's biological mother die like this.

Huh....

Hearing Hai Ling'er's words, Mo Yan's weak face showed a smile: "Perhaps, this is my destiny. Your Majesty said it right, the demons did not back down, only to die in battle.."

"I'm timid because of the child, that's damn..."

Chapter 5525

Saying that, Mo Yan suddenly thought of something and grabbed Hai Ling'er's arm tightly: "By the way, child... The child is on the top of the mountain in the north... Please... please help me take care of... .." Before the

last sentence was finished, Mo Yan's head tilted, and she died of anger.

Although she is a powerful demon king, but without her demon soul, she has lost too much blood, and there is only one way to go. Even if Shennong was present, it would be difficult to rescue him.

The top of the mountain in the north...

At this moment, Hai Ling'er couldn't help feeling sad, looked up at the direction of the top of the mountain in the north, and said softly, "Don't worry, Brother Wu Ya and I will definitely help you take care of the child. "

Om....

At this moment, I saw that in the Zhou Tianxingdou formation, Gone slowly raised Moyan's demon soul above his head, his expression was insane, and he quickly recited a formula...

In an instant, a terrifying and evil force filled the space between the heavens and the earth, and then, within the Zhou Tianxingdou Great Array, was shrouded in a blood-colored light.

Mad!

Seeing this scene, God King Haotian's expression changed, and he couldn't help but whisper: "The blood sacrifice array..." At the same time he exclaimed, he finally understood Gone's intention.

Once the blood sacrifice formation is formed, the pervading power will collide with the Zhou Tianxingdou formation, and the explosive power will be enough to destroy the entire Xia Yinzong. Even the God King Haotian could not resist.

Realizing this, God King Haotian immediately moved his figure and planned to rush out. However, the Zhou Tianxingdou formation was so mysterious that he couldn't rush out at all.

Such a strong breath.

At the same time, the Twelve Star Dou Emissaries who had been guarding all around, felt the terrifying evil aura, and all of them changed their faces.

"quick!"

Su Qingyan below also trembled, and couldn't help but shouted: "The Twelve Star Dou Envoy obeys the order and immediately evacuate." Like the God King Haotian, Su Qingyan at this time also saw Gone's attitude. The intention is to make a decisive decision and let the Twelve Star Dou Emissary withdraw the array, otherwise, they will all die.

However it was too late.

"Zhou Tian Xingdou Great Array? Haha... Let you see the power of the Blood Sacrifice Great Array..."

At this moment, Gone's eyes flashed with madness, and the moment he finished speaking, he saw that bloody light, in his Bloody ghosts condensed all around.

The blood sacrifice formation was formed, and the terrifying blood filled the air, and the world was shrouded in a terrifying and chilling aura.

Boom boom boom... In an

instant, the terrifying power that erupted from the blood sacrifice formation collided with the Zhou Tian Xingdou formation, bursting out with earth-shattering roars, as if the sky was falling apart, the entire Xia Yinzong main altar was instantly shrouded in dust and smoke .

The powerful aura swept across the four directions, and many disciples of the Xia Yin Sect were instantly shaken and flew out.

Seeing this situation, Wen Chou Chou, Sun Dasheng, Su Qingyan and others were all shocked and discolored. They didn't have time to think about it at the time.

Bang bang bang...

Even so, under the impact of the terrifying breath, Wen Chou Chou was still shocked and vomited blood on the spot.

In mid-air, I saw the figure of the God King Haotian, which was also shaken and flew out, flying over a hundred meters before falling heavily to the ground.

"Pfft..." At the moment of landing, the God King Haotian turned pale and spurted out a mouthful of blood.

Even if he has divine protection, it is difficult to resist this terrifying power.

And in the sky above the thick dust and smoke, I saw Gone's figure, quietly suspended there, the armor around him shattered, and the body of the demon tyrant collapsed and disappeared, but his expression was normal, and he obviously did not suffer too much shock.

Obviously, it was the Demon Hegemonic body that offset most of the force impact.

Although he didn't suffer too much damage, at this time Gone, the power of the demon soul was almost exhausted, and there was no power to fight again, but no matter what, the purpose was achieved.

If it was the situation just now, even if the Zhou Tianxingdou Great Array was broken, it would not be able to fight against the God King Haotian. But now, whether it is the God King Haotian or the people of the Xia Yin Sect, all of them have been severely injured, and no one can threaten them anymore.

"Haha.."

At this time, Gone laughed and looked at the God King Haotian proudly: "Haotian, didn't you think of it? You want to sit on the mountain and watch the tiger fight, but it's a pity that this dream is broken."

The ultimate husband in Chinese chapter 5526-5530

Chapter 5526

"Today is my bad luck. When the deity regains strength, I will come to you to settle the account." After the

last sentence fell, Gone looked around coldly, his eyes full of unwillingness. The original plan was to find the child and slaughter the entire Xia Yinzong.

In the end, I never thought that Xia Yinzong would actually form a great formation of Zhou Tianxingdou, trapping himself for a day and a night.

At the last moment, the God King Haotian also brought the elite soldiers to the scene... But fortunately, at the last critical moment, he sacrificed Mo Yan and formed a blood sacrifice array...

huh...

Hearing Gone's mockery, the God King Haotian had a complicated expression, but he couldn't refute it.

To be honest, the God King Haotian had never imagined that Gone would be so ruthless, and at the last moment, he even sacrificed his capable subordinates to win a chance of survival.

The terrifying power that the two formations erupted just now directly hit the primordial spirit of the God King Haotian, and he had no ability to intercept Gone at all.

The surrounding elite soldiers were basically injured by the shock, and it was even more impossible to contain Gone.

"Goni!"

However, at this moment, Lei Xingyu strode out, his eyes blood red, staring at Gone and howling, "Give me the lives of my three younger brothers."

When the two formations broke out just now, Because of the long distance, Lei Xingyu suffered very little shock damage. Seeing Gone being so arrogant at this time, he couldn't help it.

hum!

When the last word fell, Lei Xingyu's divine power exploded, carrying a dazzling golden glow all over his body, like a cannonball, rushing towards Gone.

At this time, Lei Xingyu's heart was completely filled with grief and anger. The four brothers lived and died together. As a result, all three brothers died tragically at the hands of Gone, and they were also drained of the power of the primordial spirit, which was even better than killing him. uncomfortable.

This chapter is provided by . Visit for daily update.

At this time, I realized that Gone was at the end of the shot, and the demon body around him was gone. It was a good time to make a move, how could he miss it?

"A mere watchdog wants to fight with me too?"

Seeing Lei Xingyu burst out, a trace of contempt appeared on the corner of Gogne's mouth, without the slightest nervousness.

In Gone's heart, Lei Xingyu never took Lei Xingyu seriously. Even if he was very weak at this time, Lei Xingyu was not qualified to be his opponent.

"Let's accept it."

Feeling Gone's contempt, Lei Xingyu seemed to have been greatly humiliated. With a roar, his figure suddenly accelerated, and he slapped him fiercely, calling at Gone.

Hehe...

Feeling the power of Lei Xingyu's palm, Gone smiled lightly, not paying attention to it at all, but turned his head towards the God King Haotian and said lightly: "Haotian, we will have a future." The

voice fell, Gone's figure rose into the sky and flew towards the distant sky.

Although Gogne was very weak at the moment, he still had the ability to escape.

Mad...

Lei Xingyu slapped his palm in the air, and in anger, completely lost his mind, and howled loudly: "Goni, the Supreme Demon Race, can only run away?"

"Speed, chase quickly.

Huh ...

Seeing this scene, God King Haotian was full of anxiety and couldn't help shouting: "Lei Xingyu, don't chase..." In the current situation, he was severely injured, and many elite soldiers around him, were also damaged.

It can be said that the only one who can shock the audience is Lei Xingyu. Only Lei Xingyu can eliminate Xia Yinzong and others in front of him.

Haotian God King has a cold and arrogant personality, but the situation is also very calm. In the current situation, it is impossible to kill Gone. Therefore, the most important thing at the moment is to take advantage of the weakness of the Xia Yinzong people and take them down in one fell swoop, instead of chasing after Gone.

However, at this time, Lei Xingyu was determined to avenge his three younger brothers, and he could not hear the words of the God King Haotian at all.

"Goni, don't go, fight with me for 300 rounds..."

In just a short breath, under the constant howling of Lei Xingyu, he and Gone quickly went away and disappeared. in the public eye.

This idiot.

Seeing that Lei Xingyu didn't obey the command, the God King Haotian's face was so gloomy that he almost fainted.

Phew...

At this time, Wen Chou Chou, Sun Dasheng, and Su Qingyan and everyone in the arena were all subconsciously relieved when they watched Gone escape.

Chapter 5527

However, when they saw the elite soldiers around them, and the God King Haotian who was sitting cross-legged, silently regulating the power of his primordial spirit, everyone became inexplicably uneasy.

Especially Su Qingyan, with her delicate face, she couldn't hide her nervousness.

She knew very well that once Gone left, the next target of the Haotian God King in front of her was Xia Yinzong.

"Everyone, quickly retreat into the back mountain."

Realizing this, Su Qingyan quickly stood up and shouted at all the disciples of Xia Yinzong in the audience.

The terrifying power that erupted from the two formations just now, all the disciples of Xia Yinzong were not spared, and all were injured. At this time, there was no resistance at all.

Therefore, we must let everyone get involved in the secret passage in the forbidden area of the back mountain as soon as possible before the God King Haotian reacts.

The underground secret passage in the forbidden area of the back mountain extends in all directions, which can completely avoid the pursuit of the God King Haotian.

Wow...

Upon hearing the order, all the disciples of the Xia Yin Sect took action one after another, supporting each other and retreating towards the back mountain. However, most of the disciples suffered shock injuries, and the speed was very slow.

“Haha...”

Seeing this situation, the corners of Haotian God King’s mouth evoked a hint of gloom, and then he roared with murderous aura: “All officers and soldiers obey the order, slaughter the entire Xia Yinzong, and leave

no one behind.” After successfully killing Gone, he was already holding a fire. How could it be possible for the people of Xia Yinzong to slip away under the nose?

“Follow the orders of the God King.”

At the moment when the voice fell, the thousands of elite soldiers around him all let out a howl, and then pulled out their long knives.

Speaking of which, when the two formations collapsed just now, many divine soldiers were also impacted, but compared to Xia Yinzong and others, the shocks they suffered were completely negligible.

In the blink of an eye, the elite soldiers of the gods rushed in like a tide. Many disciples of Xia Yinzong did not have time to dodge.

“Ah...”

A scream came out, and in less than ten seconds, nearly a hundred disciples of the Xia Yin Sect fell in a pool of blood.

“You...”

Seeing this scene, Su Qingyan’s delicate body trembled, staring at the God King Haotian, her beautiful face filled with anger.

At the same time, Wen Chou Chou and Sun Da Sheng were also furious. Ma De, this God King Haotian was so shameless. He didn't capture the Supreme Being of the Demon Race, so he used Xia Yinzong to vent his anger.

"God King Haotian."

In his anger, Sun Dasheng clenched the axe and cursed at the God King Haotian: "You are really shameless, you were sitting on a mountain and watching tigers fight, but you were teased by the Supreme Demon. If people run away and you can't catch them, come and deal with us..."

Om!

The last word fell, and Sun Dasheng's inner strength exploded, and a golden light was drawn with the open sky axe in his hand, and he rushed up directly and fought fiercely with several elite soldiers.

Speaking of which, Sun Dasheng at this time has not recovered his strength because of his previous breakthrough, but how can he bear it when he sees the disciples of Xia Yinzong being killed?

Even if you can't beat it, you can't sit still.

At the same time, Wen Chou Chou summoned his long sword, flashed his figure, and rushed into the battlefield to fight with the surrounding magic soldiers.

"Ha ha.."

Facing the scolding, the corner of Haotian God King's mouth evoked a sneer: "This time, this God King led the crowd to come here to clean up your Xia Yinzong and Gone. Xia Yinzong, as a remnant of Xuanyuan, fights against God's Domain, one by one. It's all damned."

The moment the voice fell, there was a scream of screams around, and many disciples of Xia Yinzong were killed on the spot.

Ma De...

Hearing this, Sun Dasheng was furious, and he stopped talking nonsense immediately. Together with Wen Chou Chou, they fought with the surrounding elite soldiers. However, their internal strength did not fully recover, and they faced the people in the realm of the gods. The elite soldiers were besieged by many soldiers in just a few rounds.

"Brother Wen, Great Sage..."

Seeing this scene, Su Qingyan was in a hurry: "Don't be in love, retreat to the back mountain..." Shouting, Su Qingyan wanted to rush over to help, but only He was also entangled by several divine soldiers, so he had no chance at all.

Chapter 5528

Bang Bang Bang...

At this moment, Su Qingyan clenched the long sword tightly, and while fighting with several divine soldiers, shouted at the God King Haotian: "God King Haotian, you want to clear our Xia Yinzong, I have nothing to say, but please don't hurt the innocent."

"Wen Chou Chou, Sun Dasheng, and other members of the Ouyang family have nothing to do with Xia Yinzong."

"Also, the Ouyang family are all relatives of Yue Feng, and Yue Feng is an imperial teacher, think about the consequences..."

When she shouted these words, Su Qingyan's beautiful face could not hide her urgency. As the suzerain of Xia Yinzong, in this life and death, you must advance and retreat with Xia Yinzong.

But Wen Chou Chou and Sun Dasheng must have nothing to do with them, otherwise, how sad would Yue Feng be when he came back one day and learned of the situation?

Huh...

Hearing these words, Haotian God King's face instantly became ugly, his eyes flickered, and he became contemplative.

I almost forgot that the Ouyang family are all close relatives of Yue Feng, and Yue Feng is His Majesty's master. If Wen Chouchou and others were killed today, His Majesty would blame it, and it would be difficult to handle.

But thinking of Yue Feng, a resentment rose from the bottom of Haotian God King's heart.

If it wasn't for Yue Feng helping Ao Lin to sit on the Emperor's seat, his rights in the God's Domain would not have been emptied. What is even more irritating is that His Majesty made things difficult for himself several times in order to find the whereabouts of Yue Feng...

Ma De, it is not enough to destroy the Ouyang family.

But letting the people of the Ouyang family go, it was difficult to understand the hatred in his heart...

For a time, the God King Haotian was in a tangle.

“Brother and sister!”

Just when the God King Haotian was undecided, Sun Dasheng waved his axe to deal with the elite soldiers in front of him, and yelled at Su Qingyan, “Don’t beg him, this God King Haotian is wicked and vicious, more than that The Supreme Being of the Demon Race is not much better. His words are not credible at all.” The

voice fell, and Wen Chou Chou also echoed: “Yes, he can’t let us go. .”

Saying that, Wen Chou Chou gritted his teeth and pushed his inner strength to the extreme to resist the attack of the magic weapon in front of him.

“Haha...”

At this moment, the God King Haotian had an idea in his mind, looked at Sun Dasheng and Wen Chouchou coldly, and said word by word, “You guys have self-knowledge.”

“Yes, this God King will not . Let go of everyone present.”

Having said that, Haotian God King looked at Su Qingyan: “You don’t need to use Yue Feng’s identity to scare this God King, this God King is just adhering to the way of heaven. Speaking of which, I would like to thank you. Remind me.”

“The Ouyang family are all close relatives of Yue Feng, but they have close contacts with the Xia Yin Sect, so naturally they should be dealt with together, so please accept your fate.” The

last word fell, and the eyes of the God King Haotian filled with murderous intent.

It ‘s broken...

Hearing this, Su Qingyan’s tender body trembled, and a hint of despair rose in her heart.

Haotian God King was determined to kill Xia Yinzong and the Ouyang family. It seemed that everyone present could not escape.

“If you want to destroy us, come here.”

At this moment, Sun Dasheng howled, waving the opening axe to shock the few divine soldiers in front of him, and charged directly towards the Haotian God King.

At this time, Dasheng Sun clearly felt that the God King Haotian was impacted by the power of the two formations just now. He was very weak, and it was difficult to recover in a short time. This is a good opportunity.

The so-called 'catch the thief first catch the king', as long as you control the God King Haotian, the elite soldiers around him are nothing to be afraid of.

"Great Sage, you can't..."

Seeing this scene, Wen Chou Chou was taken aback and couldn't help exclaiming.

He understands Sun Dasheng's intentions, and it is indeed a 'smart move' to control the Haotian God King. However, the Haotian God King has many gods guarding him, and even if Sun Dasheng has the opening axe, it is impossible to get close.

What's more, the strength of the Great Sage has not fully recovered.

Anxious, Wen Chou Chou wanted to stop Sun Dasheng, but he was still a step behind.

"I can't think of myself."

Watching Sun Dasheng burst out, the Haotian God King's eyes flashed with contempt: "Just a reckless man who dares to be presumptuous in front of this God King?" After speaking, he raised his hand slightly.

Swish swish...

In an instant, more than a dozen divine generals guarding around the Haotian God King burst out one after another, directly surrounding the Sun Dasheng group, and at the same time, they shouted loudly one by one.

Chapter 5529

"Dare to offend His Royal Highness the King of God, and seek death..."

"Those who are acquainted, hand over your weapons quickly, surrender and ambush."
In the

scolding, a dozen gods broke out at the same time, attacking Sun Dasheng.

"Come here if you want to kill me, young mother-in-law and mother."

Sun Dasheng held the opening axe tightly, his face was not afraid, and after a roar, he went up directly.

However, how could he be able to stop so many divine generals alone? In less than two rounds, Sun Dasheng had more than a dozen wounds on his body, dripping with blood.

Mad!

Seeing this situation, Wen Chou Chou was furious, and his anger was completely aroused.

“All Xia Yin Sect disciples obey the order.”

At the same time, Su Qingyan also bit her lip and shouted at the surrounding: “Counterattack, swear to defend Xia Yin Sect.” Since we can’t negotiate, we can only fight. .

“Kill!”

At this moment, upon hearing Su Qingyan’s coquettish shout, the disciples of the Xia Yin Sect, who were still a little scared, all reacted, pulled out their weapons, and fought fiercely with the surrounding elite soldiers.

However, the disparity between the strengths of the two sides is too great. In just one round, many disciples of the Xia Yinzong fell. However, none of the Xia Yinzong disciples flinched. They all knew in their hearts that if these elite soldiers could not be stopped today, Xia Yinzong would be completely destroyed today and disappear from the rivers and lakes...

clang clang clang...

for a while, both sides The screams of slaughter, the sound of fierce fighting were incessant, the air was filled with a strong smell of blood, and the ground was even more bloody...

In less than ten minutes, more than half of the disciples of Xia Yinzong had fallen.

“come...”

At this time, Sun Dasheng was full of blood, like a bloody man, with madness flashing in his eyes. It’s just that the movement is getting slower and slower, and the opening axe in his hand is about to be unable to swing.

He was severely injured by Gone at the beginning, and his internal strength did not recover. At this time, facing the siege of more than a dozen divine generals, there was no possibility of winning.

“Pfft...”

At this moment, a god general found an opportunity, the long sword stabbed like lightning, and Sun Dasheng couldn't dodge, and was directly pierced by the long sword.

In an instant, blood spurted out, and Sun Dasheng shuddered and knelt down on one knee.

"Great Sage..."

"Big Sage..."

Seeing this scene, Wen Chou Chou and Su Qingyan both exclaimed, tears could not stop flowing down, and at the same time they wanted to rush over, but the magic weapon in front of them Too many elites.

"Haha..." The

severe pain came from his body, Sun Dasheng shouted up to the sky, the whole person was crazy, his eyes were fixed on the dozen or so gods in front of him, and he shouted: "If you want to kill me, I'm afraid you are not qualified. ." The

last word fell, Sun Dasheng urged the only internal force in the body, and the opening axe slashed out fiercely, and saw a golden light burst out, and the two gods could not dodge in time, and were directly shocked and flew out.

However, swinging this axe, Sun Dasheng's internal strength was also exhausted, and the whole person was extremely weak, but he still held on to the opening axe tightly and did not fall down.

This....this is crazy.

Feeling the power of the opening axe, the remaining gods looked at each other in dismay, unable to hide the fear in their eyes.

These gods have also fought on the battlefield for a long time. In their public perception, only the warriors of the demon race are so brave and fearless, but they did not expect that there are such people who are not afraid of death.

"What are you doing?" At this time, when the God King Haotian saw these gods, he was shocked by the bravery of Sun Dasheng

, and immediately roared: "He has no inner strength, so kill him quickly."

The Heavenly Axe is the spiritual pillar of the Ouyang family. As long as he is eliminated, it will definitely destroy the morale of everyone present.

"Yes!"

Upon hearing the order, the gods responded in unison, bursting with divine power, rushing directly towards Sun Dasheng.

Looking at the terrifying aura of these gods, Sun Dasheng was not nervous at all. He leaned the Kaitian axe on the ground, supported his body, and then looked back at Wen Chou Chou: "Brother, I will take a step first."

When saying this, Sun Dasheng's eyes flashed with fearless light, full of pride.

He knew that under such circumstances, he would definitely not be able to survive, but after so many things over the years, it was worth getting to know brothers like Yue Feng and Wen Chou Chou.

"Great Sage..."

Seeing this scene, Wen Chou Chou's eyes were instantly blood red, he roared, and then flew up and charged quickly, intending to help Sun Da Sheng defend against the enemy.

Chapter 5530

In his heart, although he and Sun Dasheng are sworn brothers, they are like siblings. How can he watch him die in the hands of these gods?

Swish...

However, as soon as the figure took off, dozens of divine soldiers burst out in unison, intercepting him in mid-air.

And at this moment, on Sun Dasheng's side, more than a dozen gods have rushed to the front.

"Brother..."

Wen Chou Chou roared, tears welling up in his eyes.

At the same time, Su Qingyan also cried out, "Don't..." Like Wen Chou Chou, she wanted to help Sun Dasheng just now, but she was also stopped by the surrounding elite soldiers. At this time, she could only watch helplessly.

hum!

Seeing that Sun Dasheng was about to be killed on the spot, suddenly, a powerful breath burst out, followed by a slender and charming figure, quickly rushed into the battlefield and blocked Sun Dasheng.

A long dress could not hide the graceful curves, and there was a hint of weakness on her delicate face, but her eyes flashed with determination.

It was Liu Ruxue who was caught by the God King Haotian and brought along with him.

Chi Chi...

At this moment, Liu Ruxue bit her lip tightly, the divine power in her body was activated, and she punched a few palms in a row, knocking back a dozen gods who rushed up, and then said to Sun Dasheng: "Hurry up and stop the bleeding "

Just now, God King Haotian led the elite soldiers, and when he arrived here, he wanted to deal with Gone, so he temporarily left Liu Ruxue aside.

In the heart of the God King Haotian, although this woman has supernatural powers, but she can't use it, and the acupoints are taped, there is no need to worry that she will escape.

However, what the God King Haotian didn't know was that Yue Feng had taught Liu Ruxue the formula for using divine power before, so after being thrown aside, Liu Ruxue had been trying to mobilize the divine power to open the acupoints.

Finally, just now, Liu Ruxue rushed to open the acupuncture point. Seeing that Sun Dasheng was about to die tragically, he did not hesitate to take action. Speaking of which, she and Sun Dasheng did not know each other at all, but she was inexplicably caught by the Haotian God King, and was After torturing her, Liu Ruxue decided to help her on the principle that an enemy's enemy is a friend.

At this time, hearing Liu Ruxue's words, Sun Dasheng was a little confused.

What's the matter, who is this woman? Why help me?

And... she is a human, how can she have divine power?

Phew...

At the same time, Wen Chou Chou and Su Qingyan were all stunned.

Why did a beautiful woman suddenly appear?

Moreover, the strength is still so strong...

At the same time as they were shocked, Wen Chou Chou and Su Qingyan were also relieved, secretly rejoicing, and at the same time looking at Liu Ruxue's eyes, they were also full of gratitude.

Without this woman, the Great Sage would surely die just now.

What?

However, the Haotian God King and the surrounding elite soldiers were all surprised.

Especially the God King Haotian, his eyes were fixed on Liu Ruxue, full of incredible writing, wasn't this woman sealed? How did you untie it yourself?

God King Haotian quickly reacted and shouted angrily at Liu Ruxue: "You remnant of the Demon Race, you dare to harm this God King and seek death."

"I'm not from the Demon Race."

In the face of the anger, Liu Ruxue bit her lip and responded coldly to the God King Haotian: "You don't want to accuse me, it's you, indiscriminate, just waste your life, I won't let you I succeeded." The

voice was soft, but there was no doubt.

Mad!

Hearing this, Haotian God King's pupils shrank, almost going crazy, and roared: "First kill this woman who doesn't know how to live or die." When he spoke, Haotian God King's face was full of hideousness.

Today, he should have taken control of the overall situation, but he has repeatedly failed, and no one can be calm.

Wow...

The last word fell, and the eyes of all the magic soldiers in the audience suddenly locked on Liu Ruxue, and then they burst out with divine power, swarming over.

call!

Seeing the magic soldiers rushing up around her, Liu Ruxue breathed a sigh of relief, trying not to make herself nervous, then picked up the long sword under her feet, mobilized the divine power, and injected it into the long sword.

"Tianying Sword Art!" In the

next second, Liu Ruxue's red lips lightly opened, and she spit out four words coldly.
