Chapter 5561 In the

blink of an eye, many Huashan disciples were divided into two formations, front and rear, with Yue Feng in the middle.

Formation?

Seeing this, Gone suddenly stopped in mid-air, squinted at Yue Feng and sneered: "Yue Feng, do you think you can block the deity by deploying such a formation?"

"These Huashan disciples in front of them are still more than enough.

However, the city of Gone is very deep, and he has fought against Yue Feng no less than five times. He knows that this person has extraordinary abilities, so he resisted the urge to shoot.

Haha...

Seeing Gone stop, Yue Feng secretly laughed in his heart.

It seems that his guess is good, this Demon Race Supreme is really suspicious, and he just let these Huashan disciples put on a pose, and he was stunned.

Yes, just now, Yue Feng asked these Huashan disciples to stand before and after him, not to deploy a formation, but to pretend to scare him. After all, the opponent is the supreme being of the Demon Race, no matter how clever the formation is, he will not be able to trap him.

Moreover, Yue Feng also knew in his heart that Gone, as the Supreme Being of the Demon Race, was very knowledgeable. If he really deployed a real formation, he might soon be able to see the flaws.

Therefore, Yue Feng went the opposite way, letting these Huashan disciples stand casually, so that they would not let Gone see through.

Of course, what Yue Feng did was completely gambling, but there was really no other way out of the situation in front of him.

After all, Yue Feng's divine power has not recovered, so he can't fight with Gone, and relying on the protection of the Huashan faction is even more unrealistic.

Hearing Gone's ridicule at this time, Yue Feng smiled slightly, made a leisurely look, and said slowly: "Your Excellency Mozun, your eyes are really like torches."

“That’s right, this is a formation. How powerful it is depends on whether you have the guts to try it.” Phew

... Hearing this, Gone’s face darkened, and he carefully observed the Huashan Sect disciples in front of him.

formation formed.

It’s just a square formation before and after, nothing special...

No, this Yue Feng is extremely cunning and can’t be fooled.

Looking at Gone’s expression, Yue Feng said solemnly: “I’m not afraid to tell you that this formation of mine, called Douzhuan Qiankun Formation, was passed down to me by the ancestors of the Great Desolate when I first became the Nine Heavens Profound Sage.

” Since I learned this formation, I have never had the chance to use it, but I didn’t expect to meet you tonight.”

When he said this, Yue Feng had a confident expression on his face.

He knew very well in his heart that when he was playing psychological warfare with an existence like Gone, he must not show the slightest bit of nervousness, and he must have no fear.

Therefore, Yue Feng said something serious, and deliberately moved the ancestors of Honghuang out.

What was taught by the ancestors of Honghuang?

At this moment, Gone’s heart was shocked, and his face gradually became solemn.

If the formation method taught by the ancestors of Honghuang, I can’t take it lightly.

At this time, Gone didn’t know that he had been stunned by Yue Feng, and there were two simple square formations in front of him, which had nothing to do with the formation.

At the same time, Su Yanlin and those Huashan disciples next to him were also blinded, looking at Yue Feng in surprise.

It’s just two square arrays, how come they have such a big background?

For a while, Gone was suspended in mid-air, undecided, and quietly confronted Yue Feng.

The night was silent, but Su Yanlin and all the Huashan disciples were nervous. If Yue Feng couldn't repel the opponent, the Huashan faction would be doomed...

"Haha..."

Finally, after ten seconds, Ge Nie suddenly laughed, looked at Yue Feng and sneered: "Yue Feng, you are really cunning, the deity was almost fooled by you."

After saying that, Gone looked around, looked at the Huashan disciples present, and continued. Said: "Even if you deploy a battle formation, how powerful can these ant-like human cultivators be able to exert their power? Let me tell you, you can't escape death today, and this Huashan faction, a I can't even live." The

cold and arrogant voice spread throughout the Huashan main altar, and everyone couldn't help shivering.

In Gone's heart, since the battle array that Yue Feng said was taught by the ancestors of the Great Desolation, it must be very mysterious and powerful, but only relying on the formation of these disciples of the Huashan faction, it can't exert much power at all.

The ultimate husband in Chinese chapter 5562

Chapter 5562

However, Gone did not know that his thinking had entered a misunderstanding, and he believed that what Yue Feng deployed was indeed a formation, but the Huashan disciples who formed the formation were too weak.

Haha...

Feeling Gone's arrogance, Yue Feng chuckled and ignored it.

But in my heart, I was secretly nervous.

This Gonie is worthy of being the Supreme Being of the Demon Race. He was able to quickly think of this question, which is really amazing.

Thinking to himself, Yue Feng thought quickly, and then shouted at the surrounding Huashan disciples: "Everyone, today is the life and death of your Huashan faction, I'm afraid it's useless, only by uniting as one, there is still a chance of life. Afterwards ,

Yue Feng deliberately looked back at the sky in the distance behind him, and continued to say loudly: "As long as everyone can grit their teeth, keep the formation from being washed away, and stick to the time of a stick of incense, we will Even if it is a victory."

When he shouted these words, Yue Feng showed a posture of breaking the boat.

The movement of turning back was even more for Gone to see, deliberately creating the illusion that reinforcements would arrive. Phew

... Hearing these words, Su Yanlin took a deep breath and shouted at the surrounding disciples, "Everyone has heard what Sect Master Yue said. For Huashan, you must persevere." At this time, Su Yanlin still didn't understand Yue Feng . What is he doing, but the situation at hand is urgent, and he can only pin all his hopes on him. In this case, it is natural that Yue Feng will do whatever he says. "Follow the Sect Master's orders." The surrounding Huashan Sect disciples responded in succession. hateful...

Seeing this situation, Gone's eyes narrowed slightly, locked on Yue Feng, revealing killing intent and complexity.

The time for a stick of incense...

Why does Yue Feng suddenly emphasize this?

Could it be that...after a stick of incense, a large number of reinforcements will come? If the reinforcements were the God King Haotian, it would be troublesome.

This chapter is provided by . Visit for daily update.

Realizing this, Gone tried to suppress his anger, tried to calm himself down, and his eyes revealed a little bit of dread. His power of demon soul had not recovered yet. If the God King Haotian came, he would not be an opponent at all. .

"Your Excellency Mozun."

At this time, seeing Gone floating in the air, his face changed, Yue Feng knew that he was successfully bluffed, and immediately said with a smile that was not a smile: "Aren't you going to settle an old account with me? Come on, Use whatever tricks you have, I'll follow."

When he spoke, Yue Feng's expression was calm and calm behind his hands.

"Do you really think that these Huashan disciples can stop me?" Gone said coldly.

Yue Feng shrugged and said with a smile: "If you can't stop it, it's all secondary, as long as they can trap you for a stick of incense, that's enough. Even if I'm killed by you, someone will give it to me. I will take revenge."

Speaking of this, Yue Feng deliberately took out the golden decree of the Emperor of Heaven on his body: "Forgot to tell you, the current Emperor of Heaven is Prince Aolin, and I am his master, that is, the Emperor Teacher, you killed the Emperor. Master, do you think you can have a good end?"

Yue Feng knew that Gone's heart had begun to retreat, so he simply put some pressure on him psychologically.

What? Emperor teacher?

Seeing the Emperor Jin Ling, Gone's expression changed and his brows furrowed.

This boy Yue Feng is really not very lucky. He actually became the teacher of the Emperor of Heaven. In this way, his status is higher than that of the God King Haotian, and it is even easier to mobilize the gods and soldiers.

Realizing this, Gone was even more convinced that after a stick of incense, the God King Haotian would come to support him with his divine soldiers and generals. Immediately said coldly: "Okay, very good, Yue Feng, you are lucky today."

Whoosh..

After the last word fell, Gone gave Yue Feng a vicious look, turned and flew towards the distant night sky.

To be honest, Gone really wanted to kill Yue Feng right away, but his demonic soul was severely depleted. If he was really trapped here, he would not be able to escape the death when the God King Haotian came with his soldiers and soldiers.

He is the Supreme Being of the Demon Race, and he also shoulders the heavy responsibility of reviving the Demon Race. It is not worth it to exchange a life with Yue Feng.

At this time, Gone did not realize that the Douzhuang Qiankun Array was made up by Yue Feng and did not exist at all. As for the reinforcements arriving after a stick of incense, they were all fake, and they were all deliberately created by Yue Feng. The illusion that comes out.

The ultimate husband in Chinese chapter 5563

Chapter 5563 Phew

... Watching Gone's figure disappear into the night sky, Yue Feng let out a long sigh of relief and sat on the ground, covered in cold sweat. Nima, finally scared this terrible guy away. Otherwise, the consequences are really unimaginable. This... At the same time, Su Yanlin and the surrounding Huashan disciples were also stunned, looking at Yue

Feng one by one, their minds blank. what's the situation? That Demon Race Supreme, was scared away by Yue Feng's words? It's so incredible, if you hadn't seen it with your own eyes, who would have believed it? "Sect Master Yue..." In the next second, Su Yanlin reacted and couldn't help but ask Yue Feng, "This... what is going on here? After a stick of incense, did reinforcements really come? ?" I have to say, Yue Feng's attitude just now was very good, even Su Yanlin believed it. Yue Feng smiled slightly, shook his head and said, "There are no reinforcements at all, and what everyone deployed just now is not a formation. It is an illusion that I deliberately created to scare the Supreme Being of the Demon Race." Hu..... heard At these words, Su Yanlin's heart was shocked, and he couldn't help taking a deep breath. He immediately fell to the ground with the five bodies that Yue Feng admired: "Sect Master Yue is extremely courageous. There is no one in the past, and no one has come since." Su Yanlin's eyes were full of reverence and admiration when he sighed. . You must know that the other party was the Supreme Being of the Demon Race just now. A single finger can destroy the existence of the Huashan faction. In the situation just now, no matter who it is, it is estimated that it will be quite frightening.

And Yue Feng is not afraid, on the contrary, with his extraordinary courage, he will scare the other party away. I ask, in the entire Kyushu continent, who can do it?

Hehe...

Hearing Su Yanlin's praise, Yue Feng shook his head and smiled: "Sect Leader Su, don't praise me, I was gambling just now, but luckily I made the right bet." After

speaking, Yue Feng's face became serious, and he pointed at me. Su Yanlin said: "The supreme being of the demon race is cruel and his whereabouts are erratic. Although Huashan escaped the catastrophe tonight, there is no guarantee that he will come in the future, so you should always be vigilant."

"Understood." Su Yanlin replied. With a sound, he greeted the surrounding disciples and cleaned the altar.

After that, Yue Feng and Su Yanlin returned to the hall again.

"Sect Master Yue!"

As soon as he returned to the main hall, Su Yanlin ordered his disciples to bring over a treasure box hidden in the secret room of the forbidden area, and then said to Yue Feng with a smile: "This time, thanks to the help of Sect Master Yue, I, Huashan, will be exempted from taking one game. Catastrophe, this blood-winged armor, give it to Sect Master Yue as a gift."

After speaking, he slowly opened the box.

I saw that inside the box, there was a blood-red armor, the style was simple and domineering, it was the blood-winged armor that Lu Bu passed down.

This...

At this moment, Yue Feng was stunned for a moment, then shook his head and said: "Sect Master Su, this blood-winged armor is a treasure of your Huashan faction, how can I win people's love, no, this is not suitable... ."

When he said this, Yue Feng's eyes couldn't help but admire the armor in the box. After all, this is the battle armor that Lu Bu wore. It is extremely tough, and even a divine weapon is difficult to pierce. Who wouldn't be excited when he saw it?

This chapter is provided by . Visit for daily update.

"Sect Master Yue!"

Seeing that Yue Feng didn't want it, Su Yanlin became anxious and said from the bottom of his heart: "You don't have to refuse. You are right. This is our Huashan treasure, and I was reluctant to take it out before."

"But after what happened just now. , I have already figured it out. The so-called 'every man is innocent, but he is guilty'. This blood-winged armor is left in our Huashan faction, but it is just a viewing item, it cannot play its original value, and has been sealed up for a long time. In the secret room, it is a complete waste of heaven."

"Besides, Sect Master Yue made me suffer a catastrophe on Mount Hua. In return, this Blood Winged Armor should be yours."

Su Yanlin said at the end, his face was full of urgency.

Huh....

Seeing that he said this, Yue Feng couldn't refuse, and immediately nodded: "Well, I'll be disrespectful." After speaking, he put away the blood wing armor.

Afterwards, Yue Feng looked at the sky, said goodbye to Su Yanlin, and rushed in the direction of Xia Yinzong.

Speaking of which, Yue Feng originally planned to rest at Huashan School for one night, and then get up and travel the next day, but so many things happened tonight, and he also met Gone, Yue Feng was not in the mood to rest at all, and went straight to hurry up. Go back and reunite with Wen Chou Chou.

Chapter 5564

At this time, Yue Feng didn't know that the Xia Yinzong had become a ruin.

...

On the other side, in the endless abyss more than ten miles north of the main altar of Xia Yinzong.

Huhuhu....

Su Qingyan held Liu Ruxue's hand tightly, her body fell quickly, she heard the whirring of the wind in her ears, the speed of descent was getting faster and faster, and she saw the abyss below, completely engulfed. A thick fog shrouded it, and I don't know how deep it was.

Alas....

Looking at the bottomless abyss, Su Qingyan closed her eyes in despair.

However, at this moment, a clatter was heard, and the bodies of Su Qingyan and Liu Ruxue fell on a tree on the cliff. This is a shrub that grows between the cliffs.

After hanging up a few branches, Su Qingyan and Liu Ruxue fell again, but at this time they could clearly see that with a distance of more than ten meters, it would be the end.

It is also considered that they are very lucky. With that tree, the force of the fall was slowed down, and they did not suffer too much impact when they finally landed. Even so, after landing, Su Qingyan staggered back a few steps, the blood in her body was churning, and her face was pale.

Phew...

After a few seconds, Su Qingyan took a deep breath, calmed down, and hurried to see Liu Ruxue's condition. I saw her eyes were closed, she was still in a coma, and she was very weak.

But fortunately, the breath is still there.

After confirming that Liu Ruxue was not worried about her life, Su Qingyan temporarily felt relieved, sat cross-legged on the ground, adjusted her dantian inner strength, and then turned the inner strength into Liu Ruxue's body.

This chapter is provided by . Visit for daily update.

Su Qingyan clearly felt that Liu Ruxue was in a coma because she used up too much energy and was exhausted. As long as she injected some energy into her, she would wake up.

hum!

But what Su Qingyan could not have imagined was that as soon as her hands touched Liu Ruxue's back, a powerful force shook back. At that time, Su Qingyan didn't have time to react at all, and was directly shaken back a few steps.

What a powerful force.

For a moment, Su Qingyan stabilized her figure and looked at Liu Ruxue in astonishment, her delicate face was full of shock and puzzlement.

She is so weak, how can she still have such a strong power

in her body. At this time, Su Qingyan still doesn't know that there is a divine power in Liu Ruxue's body. Once an external force enters, it will be repulsed instinctively.

"Hmm..."

Just when Su Qingyan was stunned, she saw Liu Ruxue let out a low moan, and then faintly woke up.

"You're awake." Seeing her awake, Su Qingyan was very happy, she quickly walked over and helped Liu Ruxue up.

Um!

Liu Ruxue responded, then looked around, her tender body trembled: "This...what is this place?"

Seeing her look different, Su Qingyan also looked around, when she fell down just now, Su Qing Yan has been worried about Liu Ruxue's situation, and didn't pay attention to the surrounding environment.

I saw that under this abyss, there was a wide underground river. The water was dark and it was hard to see how deep it was. Su Qingyan and Liu Ruxue just happened to land on the open space by the river. If they fell into the water just now, I'm afraid it's another result.

On the side of the river against the cliff, there is a huge karst cave.

The cave is very large, the entrance of the cave is tens of meters high, and the river water forms a shallow bay of dozens of square meters in the cave, but the water quality is still dark.

The cave extends inside, and I don't know where it leads, but I can see that most of the cave walls are dark cyan karst stones, emitting a faint cyan light, making the whole cave green and strange, like another world. .

Whether it's the underground river outside or this huge cave, it's all quietly, without the sound of running water or other sounds.

Phew... In

the face of such an environment, whether it was Su Qingyan or Liu Ruxue, they couldn't help but take a deep breath, and instinctively became a little nervous.

In the next second, Liu Ruxue asked again, "Where is this...what is this place?" Before jumping off the cliff, she was in a coma and had no idea what was going on.

Su Qingyan breathed a sigh of relief, and told what happened before.

At the end of the story, Su Qingyan looked at the huge cave in front of her and said, "I thought we would both die, but I didn't expect that we would survive."

The ultimate husband in Chinese chapter 5565

Chapter 5565

"I didn't expect that the environment below the abyss would look like this."

Hearing this, Liu Ruxue nodded suddenly, and then asked: "Do you know this place?"

Su Qingyan smiled: " It's not far from Xia Yinzong, of course I know, and I heard from several elders that over the past few hundred years, many people from Xia Yinzong have come down to explore this abyss, but none of them returned alive.

", Su Qingyan looked at the surrounding environment: "However, apart from the unique environment, there is no danger here."

Liu Ruxue didn't think about it, looked at the cave in front of him and said: "There are magic weapons on it, let's fly up, just because The only way to cast the net is to explore this cave and see if there is an exit from here." After

speaking, Liu Ruxue took the first step and walked into the cave.

Su Qingyan quickly followed.

The karst cave is very large and deep, and there are many forks, but fortunately, there are many glowing blue karst stones on the sides of the karst cave, so that Su Qingyan can see the road ahead clearly.

But after walking for a few minutes, the blue molten stone disappeared, the light was getting dim and the air was a little thin.

This...

Seeing the darkness in front of her, she could barely reach her fingers, and Liu Ruxue bit her lip, feeling a little disappointed.

Could it be... there is no exit here? The only way to get out of here is to fly up the cliffs outside?

Su Qingyan looked puzzled, and said to herself, "Strange, if all those who investigated before died here, why didn't we see the corpse and bones along the way?"

Liu Ruxue was about to In response, suddenly, I heard bursts of crying from the depths of the cave ahead.

This chapter is provided by . Visit for daily update.

"Wow wow... wow wow..." The

cry was tender and powerful, especially in such a cave, it was very loud.

Swish!

Suddenly hearing the cry, Su Qingyan and Liu Ruxue both changed their pretty faces and looked at each other in astonishment.

In the depths of this cave, how could there be the cry of a child?

Could it be that someone's child accidentally fell off the cliff? No, falling from such a high place will definitely kill you, how can you still enter this cave?

For a while, countless questions flashed out of Liu Ruxue and Su Qingyan's minds.

A few seconds later, Su Qingyan took the lead in reacting and said softly, "Go and have a look." No matter what the situation is, the safety of the child is of the utmost importance.

Um!

Liu Ruxue nodded, and immediately walked side by side with Su Qingyan, walking step by step in the direction from which the cry came.

After walking for a few minutes, I saw that there was a blue-colored molten stone on the wall in front of the cave, and the light emitted by the molten stone was even stronger, but the air was covered with a layer of fog.

In this case, although there was a lot of light in front of them, Su Qingyan and Liu Ruxue's vision was blocked by the fog, so they couldn't see the surroundings at all.

"Wow..."

At this time, the cry sounded again, very close, just a dozen meters ahead.

Hearing the cry, Su Qingyan immediately quickened her pace, not caring about the mist in front of her at all. You must know that Su Qingyan is knowledgeable and knows that in such an environment, it is easy to form water mist.

However, Liu Ruxue always felt that something was wrong, but she still followed closely.

hum!

Not long after entering the fog, Su Qingyan and Liu Ruxue felt a sense of dizziness, their brains were dizzy, and they felt like they had stepped on cotton, but they were still conscious.

"Look, there really is a child."

At this time, Su Qingyan found something and shouted in surprise.

Liu Ruxue hurriedly looked in the direction she was pointing, and saw that a few meters ahead, lay a young figure, a little boy, over a year old, crying.

"This child is very fortunate, but it's good luck to meet us." Su Qingyan said, and walked over quickly, ready to check whether the child was injured.

wrong!

At this time, Liu Ruxue felt the dizziness getting stronger and stronger, and suddenly woke up, closed her eyes quickly, and recited the formula that Yue Feng had passed on to her before, urging the divine power in her body.

The ultimate husband in Chinese chapter 5566

At the moment when the divine power was urged, Liu Ruxue's mind was clear, and the whole person suddenly woke up.

Hiss...

While awake, Liu Ruxue subconsciously looked at the child, and when she saw it, her tender body trembled, she couldn't help taking a breath of cold air, her delicate face was full of astonishment.

I saw that there was some kind of child not far ahead, but a strange person lying quietly.

This strange man has pale and blue skin, a pointed face, long and narrow eyes with a cold light, and thin lips, which are slightly raised to evoke a cold and terrifying smile.

A dark green robe, the robe is made of unknown material, it is full of folds and wrinkles, and it is also shiny. At first glance, it looks like it is covered with a lizard skin, which makes people hairy.

What shocked Liu Ruxue even more was that the cry was not from this strange mouth, but from his stomach.

"Wow wow... wow..."

I saw the strange man's belly up and down, and there were bursts of tender and sad children crying. The cry and the strange person's appearance formed a clear contrast, looking at the pores. Horror.

This....

Seeing this situation, Liu Ruxue's heart beat faster, her heart was unspeakably nervous, and she also had unspeakable doubts.

There is still such a strange person in the world. Is he a human or a monster?

Liu Ruxue didn't know that the Kyushu Continent had a long history, and strange people and strange things appeared endlessly. The one in front of her was not a monster, but a spirit snake.

The so-called all things have a spirit, this spirit snake's name is Xiangliu, and he cultivated a human body as early as 2,000 years ago.

This chapter is provided by . Visit for daily update.

During the period when he served for Emperor Houyi, it was the most beautiful time for Xiangliu. At that time, he was canonized as the commander of the imperial city, and he

was on an equal footing with the strong men like Erlang Zhenjun and Gonggong. It can be said that the scenery is infinite.

Unfortunately, this phase Although Liu's strength is strong, he is very lustful. It is precisely because of lust that led to the failure of several missions. In the end, he was a cowardly peeping at Empress Chang'e. At that time, Emperor Hou Yi was very angry. After punishing Xiang Liu in public, he would He was expelled from the imperial city.

After Xiangliu was expelled from the imperial city, he made waves in the rivers and lakes. It can be said that he bullied men and women, and did all kinds of evil. As long as the woman he liked, no one could escape bad luck.

Speaking of which, the enchantment between the continents of Kyushu was still there at that time, but Xiangliu couldn't help it. He had done too much evil in the Northern Ying continent. He was ordered to hunt down by Emperor Hou Yi, so he fled to other continents and continued to do whatever he wanted.

Good and evil will be rewarded in the end. Xiang Liu has been doing bad things all over the Kyushu continent for more than a year, and his heart has become more and more inflated. He feels that there is no one in the world except Hou Yi, who can control him.

Xiang Liu came to a beautiful mountain forest and found a beautiful woman who was bathing in a mountain spring. He immediately became fascinated, but he did not know that the beautiful woman was one of Jiutian Xuannv. Ziyang.

The result can be imagined. Although Xiang Liu is very powerful, he is a spirit snake after all. How can he be the opponent of Zi Yan Xuannv? At that time, after Zi Yan Xuannv taught him a lesson, he placed a divine power ban on Xiang Liu. curse, and then cast it down this abyss.

Because of the forbidden spell on his body, Xiangliu cannot see the sun all day long, otherwise, his whole body will be ignited by raging fire and burn to death. As a result, Xiang Liu was trapped under the abyss.

For thousands of years, it has thought of many ways to leave this underground cave and return to the outside world, but unfortunately all failed.

In the past thousands of years, there have been many experts in the rivers and lakes who inadvertently broke into this abyss to investigate. Xiang Liu has a ferocious temperament, and naturally he will not let it go easily.

At the very beginning, Xiang Liu met the Jianghu masters who came down to investigate, and he would do it head-on, crushing him with great strength, but gradually Xiangliu realized that the Jianghu masters who can come down here are not weak, even in the end. Even if you win the fight yourself, it will take a long time to recover.

Realizing this, Xiangliu studied how to use the environment here to kill people. Soon, he discovered that the blue molten stone in this cave not only glows, but also emits a unique mist, no matter how strong the cultivation is. If you inhale it for a long time, you will experience hallucinations.

The ultimate husband in Chinese chapter 5567

Chapter 5567

And Xiangliu is a spirit snake, which is highly poisonous in its body, but is immune to the hallucinogenic effects of fog.

So, Xiang Liu figured out a very labor-saving method.

Once a cultivator enters the cave, it will hibernate in the depths, using its ventriloquism to emit the cry of a child, attracting people to the place where the mist gathers. After these cultivators entered the hallucination, they were killed unexpectedly.

It has to be said that this method is very insidious.

In the following hundreds of years, Xiang Liu used this method to kill many cultivators who broke in by mistake, including many masters of Xia Yinzong.

Today, Xiang Liu was resting in the depths of the karst cave, and when he noticed someone came in, he hurriedly let out the cry of a child and waited for the hunt.

Haha...

At this time, seeing Su Qingyan and Liu Ruxue entering the mist, and they both had hallucinations, Xiang Liu's mouth twitched, and he was indescribably excited.

When I saw the appearance and figure of the two women, I was even more excited, and my eyes were straight.

Beautiful... so beautiful.

It seems that God treats me well, knowing that I have been trapped here for more than 2,000 years, and I am very lonely, so I specially arranged for two stunning beauties to come here today.

Excited in his heart, looking at Su Qingyan walking in front, getting closer and closer, Xiang Liu's eyes lit up, and his saliva couldn't stop flowing.

"Dolls

are not afraid..." Su Qingyan was still hallucinating at this time, subconsciously believing that there was a weak and helpless baby in front of her, she approached and said softly. His eyes were also full of tenderness.

This chapter is provided by . Visit for daily update.

Whoosh!

At this critical moment, Liu Ruxue, who was behind, suddenly trembled, rushed up quickly, raised her jade hand, and quickly tapped Su Qingyan's jade acupuncture point.

Yuling acupoint is one of the major acupoints in the human body and is in charge of spiritual consciousness.

hum!

When the acupoint was tapped, Su Qingyan's delicate body trembled, and her whole body suddenly woke up.

Xiang Liu, who was lying there, was also stunned, frowning at Liu Ruxue, secretly surprised.

This beauty is a little different. She inhaled the mist, but she was not immersed in the hallucination.

"What's wrong?" After regaining consciousness, Su Qingyan saw Liu Ruxue's solemn expression, and couldn't help but said, "Why did you suddenly click on my acupuncture point? It's important that we save the child."

Su Qingyan was kind-hearted, even though She didn't know the 'child' in front of her, but in her philosophy, such a weak child was not allowed to suffer in such a place.

"Aiya..."

Seeing that she hadn't seen what she was doing, Liu Ruxue couldn't help laughing and crying, and said in a hurry, "What child, look carefully." After saying that, she pulled out her long sword and watched a few meters away vigilantly. Xiang Liu.

Hearing this, Su Qingyan froze for a moment, then turned her head to look.

This.... the

next second, seeing Xiang Liu's face, Su Qingyan couldn't help exclaiming, her face was almost pale, her eyes were full of astonishment.

What is this? Looking so scary.

Speaking of which, Su Qingyan was also well-informed, but when she saw Xiang Liu's appearance, she was instantly blinded.

This thing in front of me looks like a person, but it looks really weird.

"Hey!"

Just when Su Qingyan was confused, Liu Ruxue clenched her long sword and said coldly to Xiang Liu: "What are you? Why are you pretending to be a child to lie here?"

His tone was cold and unquestionable.

As soon as she finished speaking, Su Qingyan couldn't help but ask Xiang Liu: "You haven't seen those people who came down from the Xia Yinzong before, where are they now?"

Facing Su Qingyan and Liu Ruxue Xiang Liu's face did not show the slightest expression, but his heart moved quickly.

Seriously, if other cultivators saw through Xiang Liu's trap, he would definitely be angry and have already started a fight with him, but he was very lecherous. At this moment, he was appreciating the beauty of Su Qingyan and Liu Ruxue up close. Reluctant to give up.

These two beauties, the breath of the whole body is not low, and they are definitely not ordinary cultivators.

Moreover, one of them also mentioned Xia Yinzong... It can be seen that they should be people of Xia Yinzong...

Phew...

Thinking of this, Xiang Liu's eyes turned secretly, and did not answer immediately, but Looking at Su Qingyan, she said, "This lady, are you from the Xia Yinzong?"

Chapter 5568

Hearing this title, Su Qingyan felt very unhappy.

You must know that in ancient times, Niangzi was a title only between husband and wife, and it was a frivolous and rude behavior to call this by outsiders.

However, seeing Xiangliu's strange appearance, Su Qingyan didn't bother to care, she nodded and said, "Yes, I am the suzerain of the Xia Yin sect." The

suzerain?

Hearing this answer, Xiang Liu's eyes flashed with treacherousness, and he said very excitedly and earnestly: "It turned out to be the sect master, my name is Xiang Liu, I explored this place two hundred years ago, and I have never been there again."

Xiang Liu is lustful, I deliberately made up their identities, and wanted to get closer to Su Qingyan...

Shh....

When the words fell, Su Qingyan and Liu Ruxue both changed their pretty faces, and they were extremely shocked.

This person... turned out to be a disciple of the Xia Yin Sect who came here to investigate two hundred years ago?

In shock, Su Qingyan looked at Xiang Liu up and down, and couldn't help but ask again, "You...how did you become like this?" This person's appearance, if he doesn't speak, is no different from a monster.

Phew...

Xiang Liu took a deep breath, lowered his head and pretended to recall, but in fact his mind was spinning quickly, thinking about the words.

A few seconds later, Xiang Liu replied slowly, "Reporting to the sect master, after I came to this cave, I accidentally ate the mushrooms growing in this cave and got poisoned, so I became like this."

"This kind of mushroom will only grow after three years. It's very strange."

When he said this, Xiang Liu's face was serious.

As a spirit snake, Xiangliu is very insidious and cunning. It knows more than two hundred years of time, whether it is long or short, and there is no way to verify it, so it starts to gossip.

Mushrooms?

Hearing this, Su Qingyan and Liu Ruxue looked at each other, then looked around at the surrounding stone walls, trying to find out what Xiangliu said about the mushrooms, but only looked around, except for those blue molten stones, There is no shadow of mushrooms at all.

“What kind of mushrooms are there?” Liu Ruxue frowned and couldn’t help but said.

Hehe... Xiang Liu smiled and continued to make up lies: “At that time, after I saved my life, I was worried that

someone would come in to eat the mushrooms, so I picked all the mushrooms in here and destroyed them.”

in this way. Su Qingyan

nodded silently, unaware that Xiang Liu was full of lies in front of her, and continued to ask: “So, those people who came down to investigate after you are still alive?”

With some anticipation.

If those who probed the underground abyss were still alive, they might be able to leave this ghost place as soon as possible. After all, there are many people and great power.

Ugh!

However, Xiang Liu pretended to sigh and said with a gloomy expression: “Everyone else is dead. In this place, in addition to these deadly poisonous mists, there is a terrifying monster.”

“The monster is in the underground river outside the cave. The people who came in after me were either poisoned to death by inhaling the mist, or killed by monsters in the river.”

At the end, Xiang Liu looked ashamed: “I wanted to help at that time. It’s just powerless.” The last word fell, Xiang Liu looked very uncomfortable, but secretly paid attention to the expressions of Su Qingyan and Liu Ruxue.

Yes, there are no monsters in the river outside.

For two thousand years, all those who entered the cave by mistake have been killed by it, and they deliberately fabricated a lie just to gain trust.

What? Are there monsters here?

Seeing what Xiang Liu said was serious, Su Qingyan and Liu Ruxue were both startled and inexplicably nervous.

At this time, Xiangliu turned his eyes and continued: “The monster’s whereabouts are uncertain, but it seems to be afraid of the cry of the child, so I heard your footsteps just now and thought it was a monster coming in, so I pretended that the child was crying.”

Hearing this, both Su Qingyan and Liu Ruxue nodded subconsciously.

But soon, Liu Ruxue realized something, looked closely at Xiang Liu and asked, "Wait, you just said that some of those people who came in after you died after absorbing the poisonous mist, why are you alright? "

Liu Ruxue was thoughtful, and when she noticed the loophole in Xiang Liu's statement, she couldn't help but say it.

Swish!

At the same time, Su Qingyan also reacted and looked at Xiang Liu complicatedly.

Yes, if those hallucinogenic mists are deadly, why is this person okay?

This...

In the face of the inquiry, Xiangliu pondered, and felt secretly in his heart.

These two women are not easy to deal with.

However, he was very cunning, and soon came up with a reason, and said bitterly: "It may be the mushroom that grows on this stone wall, which has the effect of detoxification, so after I eat it, I am not afraid of these mists."

Phew...

listen When they answered, Su Qingyan and Liu Ruxue looked at each other, no longer asked, but secretly exhaled, feeling a little down.

In this way, this place is dangerous, and it seems that it is not an easy thing to leave alive.

In the next second, Su Qingyan thought of something, her delicate body trembled uncontrollably, looked at Liu Ruxue and said, "We also inhaled poisonous mist just now, don't we want to die?" As

she spoke, Su Qingyan spoke. On her beautiful face, she couldn't hide the panic.

I still have a lot of things to do, and I haven't been reunited with Yue Feng yet. If I die here, I'm really unwilling.

Liu Ruxue also looked sad.

Yes, I also inhaled the mist just now. Although I have divine power to protect my body, I am not an undead body. Do I want to die from poison and die here?

Haha...

Seeing their expressions, Xiangliu laughed secretly.

These two women are not weak, but their IQs are not very good. They were easily deceived by me.

In fact, the surrounding fog can only make people enter the hallucination, and has no fatal effect.

“The two ladies don’t have to worry.”

In his heart, Xiang Liu said with a smile: “You will not die. In the depths of this cave, there is a forest of molten stone, and there is a clear spring in it. The spring water can detoxify.

”, Xiang Liu secretly admired the superb figures of Su Qingyan and the two girls, and continued: “It’s also because you are blessed with great fortunes. I only discovered this clear spring recently.”

Is that right?

When the words fell, Su Qingyan and Liu Ruxue were both happy.

If true, that would be great.

“Let’s lead the way.” Liu Ruxue couldn’t help but said.

Xiang Liu responded and walked quickly towards the depths of the cave. The moment he turned around, his smiling face suddenly turned sinister. In the depths of the cave, there is indeed a forest of molten stone, but there is no clear spring for detoxification.

Moreover, these Rongshi Forests are not naturally formed, but a trapped formation specially deployed by Xiangliu. Xiangliu once served for Emperor Hou Yi and was the commander-in-chief of the imperial city.

Speaking of which, after seeing the looks of Su Qingyan and Liu Ruxue just now, Xiang Liu’s heart was itching, and he could not wait to use his magic claws immediately to enjoy the tenderness of the beauty.

However, Xiang Liu also clearly felt that Su Qingyan and Liu Ruxue were both powerful. If their true colors were exposed and they resisted, the situation might not be easy to clean up.

If you don't get it right, the beauty and fragrance will disappear and jade will be lost, and you will be busy working in vain.

The best way is to lead them into the formation, and wait until the power of the formation has almost consumed their internal strength. Then, do whatever you want.

Thinking of this, Xiang Liu was indescribably happy and excited.

Su Qingyan and Liu Ruxue didn't know Xiangliu's ghost thoughts, so they quickly followed after seeing him walking into the depths of the cave.

After walking for a few minutes, the space in front of me suddenly became clear, and I saw that there was a strange molten stone forest in front of me, the size of two basketball courts. Some of the cave roofs are only one meter high.

Moreover, the whole body of these molten stone pillars is also cyan, and the surface emits a hazy light, which illuminates the entire space like a dream.

Huh...

Seeing this forest of melting stone, Su Qingyan and Liu Ruxue looked at each other, both inexplicably excited.

It seems that this Xiang Liu is not lying, there is really a Rongshi Forest here.

At this time, Su Qingyan and Liu Ruxue were so excited that they had no idea that they had entered Xiang Liu's trap.

Especially Su Qingyan, she also has unique accomplishments in body technique and one technique. If she observes carefully at this time, she will see that the Rongshi Forest in front of her is a huge five-element formation.

However, Su Qingyan just wanted to get inside as soon as possible to find Qingquan to detoxify, but didn't pay attention at all.

"The two of you."

At this time, Xiang Liu showed a very attentive look: "The clear spring for detoxification is in the middle of the Rongshi Forest. You should go in and detoxify quickly. In order to avoid the intrusion of monsters outside, I will stay outside. I'll give you the wind." The words were very sincere.

Su Qingyan and Liu Ruxue had no doubts, and after nodding, they walked in together.

Um?

However, after entering, Su Qingyan and Liu Ruxue searched around, but couldn't find the clear spring that Xiang Liu said. Suddenly, doubts appeared on their delicate faces.

"Xiang Liu!"

After looking around again, she still didn't see the spring, Liu Ruxue couldn't help shouting at Xiang Liu outside: "Where is the Qingquan you said?"

Hahaha...

As soon as he finished speaking, he saw Xiangliu standing on a big rock outside the Rongshi Forest, with a weird face full of pride, looking very hideous: "Two beauties, it's really not easy to trick you in.

" You don't have to look for it, there is no clear spring here, and you are not poisoned, what I said before was just to scare you, hehe..."

Xiang Liu's eyes were full of excitement when he said this.

Two top-notch beauties have entered the formation, everything is under control, can you not be excited?

What?

The situation changed suddenly, and both Su Qingyan and Liu Ruxue changed their pretty faces. At this time, they finally understood that both of them had been deceived, and a burst of anger erupted in their hearts.

In anger, Liu Ruxue clenched the long sword and glared at Xiang Liu across the Rong Shilin: "Dare to lie to us, you are courting death."

This man is so hateful, his attitude was so sincere just now, but what he said was all lies.

At the same time, Su Qingyan also understood something, looked at Xiang Liujiao and shouted, "You are not from Xia Yinzong at all, right?"

After all, he is the current suzerain of the Xia Yin Sect.

"Hey!"

Feeling the anger of Su Qingyan and the two women, Xiangliu did not panic at all, and said proudly: "Yes, I am not a member of Xia Yinzong at all, I just said that just to gain your trust."

But don't panic, I won't hurt you, I just want you to be my woman." After the

last word fell, Xiang Liu was very unscrupulous admiring the graceful figure and beauty of the two women. Beauty appearance.

Swish!

Hearing this, whether it was Su Qingyan or Liu Ruxue, their faces flushed red, and they were five times ashamed and angry.

This is a shameless villain who is not a human being, a ghost and a ghost, but toad wants to eat swan meat, which is really disgusting.

"Go to hell!" In the

next second, Liu Ruxue stopped talking nonsense, and her figure rose, and she was about to rush out of the Rongshi Forest and kill Xiang Liu, but what she didn't expect was that the surrounding molten stone pillars seemed to have life. In the same way, when he flew up, he also moved.

In the next ten seconds, Liu Ruxue tried several times, but she couldn't rush out, and she was in a hurry.

Finding this situation, Su Qingyan on the side calmed down.

"Don't panic"

After looking around, Su Qingyan took a deep breath and whispered to Liu Ruxue: "This seems to be a five-element formation, you can't get out of it if you force it, you need to find the gate of life." The

voice was very soft, With absolute confidence.

Back then, I learned a lot of formations from Yue Feng. After careful observation, Su Qingyan was convinced that this was a five-element formation.

“You...”

Liu Ruxue’s delicate body was shocked, and she looked at Su Qingyan in surprise: “Can you break through the formation?” Although they fought against God King Haotian together before, they still fell into this underground abyss together. They had never understood each other, and at this time, seeing Su Qingyan’s appearance of researching the game, Liu Ruxue was very surprised.

You must know that in the Ziwei Continent where Liu Ruxue is located, the formation technique has been lost for thousands of years.

Seeing Liu Ruxue’s surprised expression, Su Qingyan smiled: “Of course, you follow me closely.” The

first three and the fifth, the second and the six kun...

After the last word, Su Qingyan silently recited the formula for breaking the formation. , while walking towards the direction of Shengmen.
