Chapter 5571

Liu Ruxue didn't dare to neglect, and quickly followed.

In just a few seconds, Su Qingyan took Liu Ruxue and successfully walked out of the Five Elements Formation.

What?

At this moment, Xiang Liu, who was originally very proud, was shocked, and his eyes were fixed on Su Qingyan, full of incredible writing.

This woman actually knows how to break the line?

At this moment, Su Qingyan's delicate face, unable to hide the anger, asked Xiang Liu coldly, "Who are you?" This person is not a human being, a ghost or a ghost, it is really cunning and despicable .

I actually listened to his words just now. Fortunately, I have some research on the formation technique. Otherwise, I would be trapped in this five-element formation, and the consequences would be unimaginable.

At the same time, Liu Ruxue also looked at Xiang Liu coldly, her eyes full of hostility.

"Hehe..."

Feeling the anger of Su Qingyan and the two girls, Xiangliu calmed down and said with a smile: "Beautiful little lady, it doesn't matter who I am, the important thing is that from now on From the beginning, both of you will be my women."

When he spoke, Xiang Liu's eyes couldn't help but looked up and down at Su Qingyan, extremely presumptuous.

Although Su Qingyan broke the Five Elements Formation, which surprised Xiang Liu, he was not panicked. After all, it had been dormant here for more than two years, and was very familiar with the environment here.

Huh... The

voice fell, whether it was Su Qingyan or Liu Ruxue, they were extremely humiliated.

This chapter is provided by . Visit for daily update.

In shame and anger, Su Qingyan asked, "Did you kill all those people who came down to investigate before?" For hundreds of years, none of the people who came down to investigate from Xia Yinzong came back alive, it can be seen that all of them died. in the hands of this weirdo.

Hehe...

Xiang Liu smiled slightly, and said lightly, "They disturbed my retreat, and I deserve to die."

After hearing the answer, Su Qingyan stopped talking nonsense and said softly, "Shameless, I won't treat you today. Cramps and skins, I'm not Su Qingyan. I'll die."

Om!

The voice fell, and a powerful aura burst out from Su Qingyan's body, and then her figure rose up and slapped Xiang Liu with a palm.

Liu Ruxue, who was on the side, also wanted to make a move, but thinking that the environment here was complicated, and that he didn't know if this weirdo had any companions, he held back for the time being, and then kept vigilant around him.

At the same time, Liu Ruxue did not forget to shout at Su Qingyan, "Be careful."

Although Su Qingyan and Su Qingyan were not friends, they had experienced adversity together, and naturally they didn't want her to have an accident.

Um!

Su Qingyan responded, and her speed suddenly increased.

This palm contains 80% of Su Qingyan's internal strength, and as soon as he sees where he passes, the air is violently twisted, and the power is amazing.

However, Xiang Liu didn't panic at all, watching Su Qingyan burst out, instead he showed a smile.

"Boom!" In the

next second, Xiang Liu urged his energy, raised his hand and collided with Su Qingyan's palm. I heard a roar, and the moment the palms of the two sides collided, a powerful aura fluctuated, sweeping the audience.

Afterwards, Su Qingyan and Xiang Liu were both shaken, and at the same time were shaken back a few steps.

Obviously, this palm down, the two sides are evenly matched.

For a time, Su Qingyan's delicate face suddenly became solemn, this weirdo is so powerful?

Xiang Liu was also secretly shocked.

This... This woman turned out to be the strength of the late stage of the Tribulation Realm...

You must know that Xiang Liu was trapped under this for more than 2,000 years, and spent most of his time cultivating. The strength can be said to be unfathomable, and The palm of your hand just now was a tie with the woman in front of you?

Speaking of which, two thousand years ago in the Kyushu Continent, due to the lack of news, there were very few practitioners on the rivers and lakes, and the peak strength of the cultivation world at that time was only the realm of the emperor of Wu. There are many Martial Emperors and strong warriors in the Martial Saint realm. Naturally, it cannot be compared to two thousand years ago.

As for Su Qingyan, her strength in the later stages of the Tribulation Realm was the most powerful in the Kyushu rivers and lakes. In this case, Xiang Liu underestimated the enemy naturally suffers.

"Tsk tsk..."

In shock, Xiang Liu grinned and let out a strange smile, and said to Su Qingyan, "I can't see that the little lady is not weak."

Chapter 5572

"Come on, Xiangong will continue to play with you."

Said with a smile, Xiangliu's figure flashed like a ghost, rushing straight towards Su Qingyan.

"Looking for death."

Hearing the ridicule, Su Qingyan's beautiful face was full of killing intent, she immediately gave a coquettish shout, and rushed forward. In the blink of an eye, the two sides were fighting fiercely.

Dangdangdang...

In the blink of an eye, the two sides fought fiercely for more than a dozen rounds, but no one could do anything about the other.

Although Su Qingyan had the strength in the later stages of the Tribulation Transcendence Realm, she had no chance of winning in the face of Xiang Liu who had lived for more than two thousand years. And Xiang Liu coveted Su Qingyan's beauty and did not dare to kill him, so he was careful.

In this case, the two sides fell into an anxious stalemate.

Unable to gain the upper hand, Su Qingyan was very anxious.

Xiang Liu, on the other hand, was very relaxed. While fighting at this time, he did not forget to tease: "Little lady, you can't beat me anyway, so why don't you just follow."

"Don't worry, I will definitely take care of you. Hehe. ..."

Su Qingyan's beautiful face was full of shame and anger, and she shouted: "Looking for death." In the scream, the moves became more and more fierce, but unfortunately, at every critical moment, Xiang Liu was able to quickly avoid it. open.

And when dodging, Xiang Liu made provocative words from time to time.

"Oh, this move is really ruthless, are you trying to kill Xianggong me?"

This chapter is provided by . Visit for daily update.

"Hey, I didn't hit it again."

Xiangliu is very cunning. If he exploded with all his strength, he could completely defeat Su Qingyan, but In order to prevent the beauty from getting hurt, he changed his strategy and deliberately talked to tease Su Qingyan to affect her mood.

You must know that masters are most important to determination, and once they are emotionally disturbed, they will reveal a lot of flaws.

You bastard...

In the face of Xiang Liu's shamelessness, Su Qingyan was very angry, and his shots became more and more fierce, but unfortunately it was of no avail, every attack could be avoided by Xiang Liu.

Huh...

Seeing this, Liu Ruxue, who was standing on the sidelines watching the battle, also frowned.

This person is not a person, a ghost who is not a ghost, it is really despicable.

Thinking to herself, Liu Ruxue couldn't help shouting at Su Qingyan, "He's trying to anger you on purpose, don't be fooled." Will not sit idly by.

Hearing Liu Ruxue's cry, Su Qingyan suddenly woke up.

Yes, the other party deliberately provocative words, just to affect my mood, how can it be so easy not to irritate?

However, Su Qingyan is also a smart woman. After understanding this, she didn't show it. Instead, she pretended not to hear Liu Ruxue's words, continued to look very angry, and continued to attack Xiang Liu.

Haha....

Xiang Liu didn't know that his plan was seen through by the other party. Seeing Su Qingyan's face flushed red, and he kept attacking, he felt extremely excited and excited.

This beauty is really violent.

But that's fine, the more angry you are, the easier it is to reveal flaws.

After a few more rounds, Su Qingyan deliberately revealed a flaw. Xiangliu didn't know that she was pretending, and immediately said with a smile: "Little lady, you can't beat me, so just accept your fate."

The moment the voice fell, Xiang Liu's speed suddenly accelerated, ready to take advantage of Su Qingyan's flaws and completely subdue her.

hum!

However, before Xiang Liu approached, she saw Su Qingyan bit her lip tightly, flipped her jade hand, and drew out her long sword.

"The setting sun is like blood." In the

next second, Su Qingyan's red lips parted lightly, coldly spit out four words, and the long sword burst out with a blood-colored light, like lightning and thunder, stabbing straight at Xiang Liu's heart.

This move 'the setting sun is like blood' is exactly the sword move in the Tiangang Sword Art. When Yue Feng was apprenticed to the sword demon Nangong Jue, after learning this sword art, he would practice it when he had nothing to do.

During that time, Su Qingyan accompanied Yue Feng all the time. Although she did not let Yue Feng teach her, she had seen a lot and learned a trick or two.

Um? She is pretending.

Sigh...

The blood-colored sword glow erupted, Xiang Liu's face changed, and only then did he realize that Su Qingyan was deliberately revealing the flaw just now, and wanted to dodge at that time, but it was too late. He heard a tearing sound, and a long hole was drawn in front of Xiang Liu, and in an instant, blood was sprayed.

## **The ultimate husband in Chinese chapter 5573**

### Chapter 5573

Under the severe pain, Xiang Liu covered his wound and looked at Su Qingyan with complicated eyes.

Mad, this beauty is more difficult than I imagined.

Huh....

a sword wound to Xiang Liu, Su Qingyan was very excited, but there was no fluctuation on her delicate face, after taking a sigh of relief, she said coldly to Xiang Liu, "Report yours. History, I, Su Qingyan, don't kill nameless people."

When she spoke, Su Qingyan was secretly grateful.

Fortunately, I deliberately cheated just now to hurt this weirdo, otherwise, the battle will continue to stalemate.

"Hehe..."

Facing Su Qingyan's reprimand, Xiangliu wiped the blood from his body, licked it in his mouth, and then sneered: "Little lady, do you think you won if you hurt me? "

When he spoke, the corners of Xiang Liu's mouth were stained with blood, which was indescribably eerie and terrifying, like a ghost in hell.

Seeing that he refused to accept the softness, Su Qingyan frowned.

Liu Ruxue couldn't help it either, took a step forward, and scolded Xiang Liu: "When death is imminent, you still dare to speak up, and if you say one more word, I will cut you into eight pieces and see what kind of monster you are..." "

Monster?

Hearing this title, Xiangliu's face suddenly darkened. When he was expelled from the imperial city by Emperor Hou Yi two thousand years ago, he was very depressed and was called a monster by many people. , kill a man when he sees a man, humiliate when he sees a woman, until he encounters Zi Yanxuan's daughter...

At this time, when Liu Ruxue shouted this word, Xiang Liu suddenly remembered the scene of being rejected by people back then. It was a relaxed mood, and suddenly became gloomy.

This chapter is provided by . Visit for daily update.

"Anyway, the two of you are about to become my woman, so let you see my true colors."

Om!

After saying this coldly, Xiang Liu raised his hands suddenly, and in an instant, a cyan light appeared all over his body. And he made a sound of bones rubbing all over his body.

"Crack..." The

rubbing sound was slow at first, but became more and more dense at the end, and I saw that Xiang Liu's body also changed rapidly. First, his legs were brought together, and then his waist also quickly pulled. long.

What's more terrifying is that his head quickly split and changed, and finally condensed nine snake heads.

In less than five seconds, an incomparably huge nine-headed python appeared in front of Su Qingyan and Liu Ruxue. It was dozens of meters long and covered with blue-black scales.

Yes, this is the true face of Xiang Liu.

Speaking of which, Xiangliu's body is a spirit snake. According to the cultivation rules of the Kyushu continent, as his strength increases, he will evolve into a python. If his strength increases again, he will transform into a python into a dragon, and finally into a dragon.

However, Xiangliu has a sinister temperament, is cruel and bloodthirsty, has been walking against the sky, cultivated in a sinister way, and finally did not evolve into a python, but transformed into nine heads.

At this moment, Xiang Liu raised his nine heads high, looking down at Su Qingyan and Liu Ruxue, a terrifying aura filled his body, causing the temperature of the entire cave to drop several degrees.

Hiss...

Seeing its true face, both Su Qingyan and Liu Ruxue trembled, and they all took in a breath of cold air.

This... is this what it really looks like? So scary, so strong.

“Jie Jie...”

Feeling the shock of Su Qingyan and the two of them, Xiang Liu’s nine heads sneered at the same time, very proud: “Two little ladies, this is my true face, how is it? Are you afraid?”

“I said , from today onwards, you are my women, accept your fate.”

Hearing this, Su Qingyan and Liu Ruxue bit their lips tightly and did not respond, their eyes were full of horror and alertness.

At the same time, they clearly saw that after Xiang Liu revealed his true body, the huge body was filled with a cyan gas from time to time. .

Obviously, the stones in the cave were originally black, but only after being infected with Xiangliu’s poisonous gas for many years, will it turn blue, and finally a poisonous mist is formed in the cave. Although this poisonous mist is not fatal, it can cause hallucinations.

Chapter 5574

“Ugly monster.”

Finally, Su Qingyan reacted, bit her lip and snorted, and her figure rose up.

Chi...

At the same time as she flew up, Su Qingyan’s inner strength exploded, and she saw a dazzling sword glow burst out, swept straight towards Xiang Liu’s nine heads.

Where Jianmang passed, the air was suddenly torn apart, and the power was astonishing. As long as he was hit, Xiang Liu’s nine snake heads would definitely be chopped off.

However, Xiang Liu did not panic at all.

“Hey... do you still want to resist?”

Seeing Jianmang erupting, Xiang Liu sighed softly and said regretfully, “Since you entered this cave, you have been destined to stay here forever and become me. My lady, why are you so persistent and want to kill me?” The

last word fell, Xiang Liu swung his huge body to avoid the sword glow, and then the long snake tail swung abruptly.

Huh...

The tens of meters long snake tail swayed, like a mountain peak collapsing, setting off a hurricane, Su Qingyan was in the air, unable to dodge at all, and was swept away by the snake tail.

Puff...

Flying dozens of meters away, Su Qingyan slammed into a molten stone pillar and fell down. At that time, a mouthful of blood spurted out, her face was pale, and her breath was extremely weak.

“How are you?” Liu Ruxue exclaimed and rushed over quickly to check Su Qingyan’s injuries.

This chapter is provided by . Visit for daily update.

Om...

Just before I got close, I saw Xiang Liu’s long snake tail and swung it over again.

Liu Ruxue bit her lip tightly, she didn’t dare to be careless at the time, and quickly avoided it.

“Jie Jie...”

Seeing Liu Ruxue avoiding, Xiang Liu was stunned, and then sneered: “This little lady is not weak, but you two are not my opponents, so you should just accept your fate. “

Liu Ruxue didn’t answer, but pulled out the long sword on her body.

Huh...

At this moment, Su Qingyan struggled to stand up and said weakly to Liu Ruxue: “Be careful, it has a strong defense.” She clearly felt that she was thrown by the snake’s tail

just now, not only shocked Injury, the inner strength of dantian is also directly disordered.

At this time, Su Qingyan had no strength to fight anymore. In this case, she could only pin her hopes on Liu Ruxue.

It's just... how can she be the opponent of this strange snake alone?

Feeling Su Qingyan's worry, Liu Ruxue bit her lip tightly and comforted: "Don't panic, it's just a snake." Before in the mysterious realm of heaven, even the prince of the royal family of the gods was not afraid, would he be afraid of a snake?

After comforting Su Qingyan, Liu Ruxue's figure was suspended in mid-air, and she looked at the huge Xiang Liu coldly: "Ugly wicked beast, I must get rid of you today, so as not to cause harm to the world."

"Jie Jie..."

Hearing At this, Xiangliu frowned, and then the nine snakeheads laughed at the same time: "Get rid of me? It's really interesting. Back then, the Great Emperor Hou Yi had no way to kill me completely, he could only expel me from the imperial city. It's ridiculous for a female class to say that they want to get rid of me."

"Since you want to fight, I will accompany you to the end." The

last word fell, Xiang Liu's huge body burst out suddenly, and instantly rushed towards Liu Ruxue .

Huh...

Seeing this scene, Su Qingyan clenched her hands tightly, her palms were sweating, and she was even more worried.

Liu Ruxue's delicate face was also extremely solemn, and there was some indescribable nervousness in her heart. Such a big nine-headed monster, with such a strong defense, had no chance of winning.

But she also knew in her heart that in this case, fear was useless, and she could only fight back.

"Bastard, die."

Seeing Xiang Liu's huge body, he was about to collide with Liu Ruxue, and there was a glimmer of determination in Liu Ruxue's eyes, and the divine power in his body was rushing wildly.

The next second, Liu Ruxue transported the divine power to her hands, and saw a dazzling golden light burst out, and the entire cave was enveloped in golden light. The golden light condensed a protective film that enveloped Liu Ruxue.

This...

Feeling the powerful divine power contained in the golden light, Xiang Liu was shocked...

This is impossible.. This woman is only a human, how can she possess divine power?

Back then, Xiangliu blasphemed Ziyang Xuannv and was knocked down into the abyss. At that time, Ziyang Xuannv was using her divine power to cast a forbidden spell on him.

## The ultimate husband in Chinese chapter 5575

### Chapter 5575

It is also this forbidden spell that Xiang Liu couldn't leave the abyss, so he was trapped here for a thousand years, so he was no stranger to divine power.

At this time, seeing Liu Ruxue's outburst of divine power, how could he not be shocked?

Shocked, Xiang Liu wanted to stop, but it was too late.

boom!

In an instant, Xiang Liu's huge body collided with the golden protective cover formed by divine power, and he heard a huge roar, and the real cave shook violently.

Xiang Liu's huge body was also shaken out.

Liu Ruxue, on the other hand, was quietly suspended in mid-air. Although the golden protective cover shattered under the violent collision, she was not injured much.

Seeing this scene, Su Qingyan's delicate face was full of shock, her eyes fixed on Liu Ruxue, full of incredulity.

How did she cultivate her strength, so strong.

Whoosh...

Just when Su Qingyan was shocked, Liu Ruxue bit her lip, her figure flew up, and landed firmly on Xiang Liu's back. Then he clenched his long sword tightly, and stabbed it fiercely at the seat seven inches on the snake's back.

There is an old saying, "Fight a snake and hit seven inches. Although Xiang Liu has cultivated so powerfully, this innate destiny will not change."

Pfft!

However, before Liu Ruxue stabbed, he saw Xiang Liu's huge body shrinking rapidly, returning to its previous appearance, and then kneeling on the ground, constantly begging for mercy.

This chapter is provided by . Visit for daily update.

"Fairy, fairy, spare your life, spare your life..."

While begging for mercy, Xiang Liu kept kowtowing.

At this time, in Xiang Liu's heart, Liu Ruxue had divine power, and regarded her as a fairy like Zi Yan Xuannv.

Fairy?

Hearing Xiang Liu's name, Su Qingyan was stunned.

What is the situation, why is this monster suddenly so afraid of her?

Liu Ruxue clenched her long sword and frowned, "What fairy? Don't waste your time, you are a cunning and despicable evil beast. Keeping it is a scourge." The

voice fell, Liu Ruxue flew down, and the long sword He stabbed Xiang Liu's heart.

"Fairy..."

At this moment, Xiang Liu was so frightened that he lay on the ground again and begged for mercy: "If you kill me, you really can't leave."

Seriously, at this time, Xiang Liu Liu Ruxue is not an opponent at all, but it has been cast into the abyss by Ziyang Xuannv, which has left a shadow in her heart.

More importantly, the divine power forbidden spell in Xiang Liu's body can only be broken by divine power.

Swish!

Hearing the last sentence, Liu Ruxue suddenly stopped, and her beautiful face became complicated.

That's right, this abyss is tens of thousands of feet deep, and with the situation of himself and Su Qingyan, it is impossible to fly up.

Thinking to herself, Liu Ruxue looked at Su Qingyan with a question in her eyes.

Su Qingyan came over slowly, thought for a while, and asked Xiang Liu, "Do you know how to get out

of here?" "Yes.."

Xiang Liu nodded again and again, completely no longer complacent and arrogant, very respectful said: "As long as I change my form, I can carry you and fly up."

Hearing this answer, Liu Ruxue and Su Qingyan looked at each other with suspicion in each other's eyes.

In the next second, Liu Ruxue couldn't help but shout: "You wicked beast, how dare you deceive us when you are about to die? If you can fly up, how can you be trapped here forever?"

"Nodding: "This monster is lying, let's just kill it."

Liu Ruxue nodded and raised the long sword again.

"Fairy wait."

Xiang Liu panicked, and hurriedly said: "Is this the case, I have a divine power forbidden spell on my body, so I can't go up, and I need to break the forbidden spell."

Forbidden spell?

Hearing this, Su Qingyan and Liu Ruxue were both stunned.

At this time, without waiting for them to ask, Xiangliu explained what happened in the past one by one.

At the end of the story, Xiang Liu glanced at Liu Ruxue and bowed his head in shame: "The one who beat me down back then was the Ziyang Xuannv from the Divine Realm, and the fairy also possesses divine power, and will definitely be able to lift the ban on me. Curse."

After speaking, Xiangliu continued sincerely: "As long as the fairy is willing to help me break the forbidden spell, I would like to follow Xiangliu for the rest of my life, be a cow and a horse, and have no complaints."

## **The ultimate husband in Chinese chapter 5576**

## Chapter 5576 Xiangliu

at this time is extremely sincere on the surface, but there is a trace of gloom in his eyes.

Xiang Liu has survived for more than two thousand years, and was once the commander-in-chief of the imperial city in the Northern Ying Continent. He has a cold and arrogant temperament. How could it be so easy to submit to Liu Ruxue?

After it had thought about it, it pretended to be obedient first and tricked Liu Ruxue to help him unlock the forbidden spell of divine power, and then waited until the right time to deal with them.

Phew...

At this moment, after listening to Xiang Liu's narration, Su Qingyan and Liu Ruxue both sighed secretly.

No wonder it begged for mercy so quickly, it turned out that it was unable to leave this place because of the forbidden spell of divine power in its body.

In the next second, Liu Ruxue reacted and whispered to Su Qingyan, "What do you think?" To

be honest, seeing Xiang Liu's true face just now, Liu Ruxue was very disgusted and didn't plan to take it back at all. It's just... After the fierce battle between her and Su Qingyan just now, their strength has been consumed a lot.

If it is recovered by cultivation, I don't know when I will be able to return to the top. In this case, it would be much easier for Xiang Liu to help.

It's just... Liu Ruxue also knew that Xiang Liu in front of her had a cunning and cunning temperament, and her words should not be taken lightly.

"I can't believe the words of this evil beast, but we can try it."

At this time, Su Qingyan pondered for a while, and said softly, "But before releasing the forbidden spell of divine power, give it a delicious meal." When the words fell, Su Qingyan took out an elixir from her body, then used the scabbard to pry open Xiang Liu's mouth, and threw the elixir directly into it.

Gudong.

Su Qingyan's speed was very fast, Xiang Liu couldn't react at all, his Adam's apple twitched, and he swallowed it directly.

This chapter is provided by . Visit [for](#) daily update.

“You...” For a moment, Xiang Liu was inexplicably terrified, looked at Su Qingyan closely, and said in shock and panic, “What did you give me to eat?”

At the same time, Liu Ruxue asked. She also looked at Su Qingyan in surprise, not understanding what she was going to do.

“Haha...”

Feeling Xiang Liu’s panic, Su Qingyan showed a contemptuous smile, and said coldly, “Don’t be afraid, this is a ‘spirit addiction’, it won’t kill you if you eat it, but if there’s no antidote, you will die miserably.”

Addicted to spirit pills?

Hearing this, Xiang Liu became even more nervous, and his forehead was covered in cold sweat.

Xiangliu has lived for so many years, and is considered to be well-informed and has a little research on medicinal pills. It can be said that there is no such thing as a panacea in the world.

Speaking of which, this elixir was refined by Yue Feng a few years ago. At that time, when Yue Feng was researching Tongtian Pill, he added a few herbs to the base, and re-refined a new kind of elixir, because it was more effective than Tongtian. The pill is more than ten times stronger. If the user does not have an antidote, the pain he feels is like the soul being torn and wiped out, so it is named Spirit Addiction Pill.

After Yue Feng was refined, he gave Su Qingyan a few to deal with the unknown situation. Over the years, Su Qingyan has been talking about the personal collection of these medicinal pills.

Until today, when encountering this cunning and treacherous Xiang Liu, Su Qingyan immediately thought of addicting spirit pills.

“Listen.”

At this time, Su Qingyan looked at Xiangliu quietly, and said word by word, “You said it yourself, you must recognize her as the master, and you will never regret it for the rest of your life, but you are too cunning, we You have to guard against it.”

“After a year, if there is no antidote, you will die from broken bones, but if you perform well, I will naturally give you the antidote. If you enter your inner alchemy, is there a feeling of struggling and pain?”

Hearing these words, Xiang Liu hurriedly tried according to what Su Qingyan said, and his face suddenly turned pale.

“Master!” In the

next second, Xiang Liu was sweating profusely, and kowtowed to Liu Ruxue again: “I will swear my allegiance to the death and never betray me.” He said sincerity, but in his heart he scolded Su Qingyan for thousands of years. a hundred times.

He thought that if he made a soft appearance, he would definitely be able to deceive Liu Ruxue and Su Qingyan, but he never thought that these two women were more vigilant than the other, and he never thought that Su Qingyan would be more vigilant than the other. Light smoke will come out with a panacea.

This time, the life is held in the opponent’s hands, and there is almost no chance to turn over.

However, Xiangliu Chengfu is very deep, and he is very tolerant, so he pretended to surrender for the time being.

## **The ultimate husband in Chinese chapter 5577**

### **Chapter 5577**

Seeing Xiang Liu once again swore his allegiance, Su Qingyan stopped talking nonsense.

“Okay!”

Su Qingyan took a step back and whispered to Liu Ruxue: “It’s in our hands now, don’t worry about what tricks it can play, and it can help it lift the forbidden spell.”

When saying this , Su Qingyan looked confident, in the world, only Yue Feng and himself could cure the poison of addicting spirit pills, and they were not afraid that Xiangliu would play tricks.

Um!

Hearing this, Liu Ruxue nodded, then walked slowly in front of Xiang Liu, and said angrily, “How to solve the forbidden spell?” To be

honest, Liu Ruxue resisted this valet from the bottom of her heart, and she didn’t want to. To lift the forbidden spell for it, but in order to return to it faster, it can only go against his heart once.

Xiang Liu was very excited, and quickly explained the method of lifting the forbidden spell in detail.

After learning the method, Liu Ruxue didn't talk nonsense, sat cross-legged behind Xiang Liu, and began to help him break the forbidden spell of divine power in his body. Speaking of which, Liu Ruxue couldn't fully utilize the divine power in her body, but it wasn't very complicated to lift the forbidden spell.

Phew...

Soon, after a few minutes, Liu Ruxue completed all the steps, let out a long sigh of relief, and then stood up slowly.

Xiang Liu's face was full of excitement. He clearly felt that the forbidden spell of divine power in his body had been completely lifted. Without the forbidden spell, he would be able to leave this ghost place completely

. Arriving at the senior sister above, Xiang Liu was very excited, and thanked Liu Ruxue again and again: "Thank you, master..."

"Okay!"

This chapter is provided by . Visit for daily update.

Liu Ruxue's face was full of impatience, she waved her hand, and said coldly, "Stop talking nonsense, quickly find a way to take us up." This place is dark and humid, and I really don't want to stay for a moment.

okay.

Xiang Liu responded with a sound, then moved his muscles and bones, and heard a burst of crunching bones, and then changed into the shape of a giant hydra.

Liu Ruxue and Su Qingyan looked at each other, and after some hesitation, they jumped on Xiang Liu's back.

call!

At this moment, Xiang Liu's huge body suddenly shook, rushed out of the cave, and flew upwards.

.....

On the other side, the general altar of Xia Yinzong.

In the discussion hall, the God King Haotian sat on the main seat, his cold face was indescribably gloomy.

In front of him, several god generals stood with their hands lowered, all of them looked terrified and sweaty on their foreheads.

In the past few hours, several gods were ordered to bring thousands of divine soldiers, almost turning the entire Xia Yinzong altar upside down, but they could not find the entrance to the secret passage where Wen Chou Chou was hiding.

This made Haotian God King very annoyed.

“Waste, it’s all waste...”

At this time, the God King Haotian slammed the table and scolded: “Xia Yinzong is such a big place, let you find a secret way, but you can’t find it.

” The gods were all silent, and they didn’t dare to let out the air.

“Ah...” The

more he thought about it, the more angry he was, and he wanted to get angry. Suddenly, he heard a miserable howl from outside, and then, a divine soldier ran in covered in blood and said in fear: “God Your Royal Highness, it’s not good, there is...”

Before the last sentence was finished, the divine soldier fell to the ground and passed out.

Swish!

Seeing this scene, whether it was the God King Haotian or the god generals standing on both sides, they were all shocked.

Especially the God King Haotian, his eyes suddenly became solemn, could it be that Gone is coming back?

Thinking to himself, the God King Haotian got up immediately and walked out of the hall quickly, followed by several gods.

Um?

As soon as he got outside, he heard a few roars coming from not far away, and the God King Haotian immediately looked up, and was immediately stunned.

I saw a few golden beasts rushing into the main altar of Xia Yinzong. The huge figure was filled with a powerful aura. Many divine soldiers surrounded and tried to subdue them, but they were all shaken and flew out.

These beasts, with golden hair all over their bodies, glittering with golden light from a distance, are the Jialan beasts that only exist in the God Domain.

Yes, these Jialan beasts were teleported from the Ziwei Continent with Prince Aotian. Half an hour ago, a few divine soldiers chased Yue Wuya and Hai Linger, but on the top of the mountain, they happened to meet the teleported one. Prince Aotian and several Jialan beasts.

### Chapter 5578

After a fierce battle at that time, a few divine soldiers escaped by chance, and the rest were killed by Jialan beasts. Then, several Jialan beasts chased the lucky soldier and came to Xiayin Zong.

Galan beast?

At this moment, seeing the appearance of these giant beasts clearly, whether it is the God King Haotian or the several god generals behind him, they are all frowning and shocked.

How come several Jialan beasts suddenly appeared here?

“Naughty beast!”

Soon, the God King Haotian reacted, his figure was suspended in the air, and he shouted angrily at several Jialan beasts: “Hurry up and accept it!” The moment when the

angry shout

sounded, A powerful divine power also erupted from the whole body of the God King Haotian, and the divine might permeated the sky and the earth, and the air seemed to be stagnant.

Speaking of which, if the normal Jialan beasts felt this divine power, they would already be on the ground, but they were completely violent. At this time, they felt the divine power of the Haotian God King, not only did not panic, but stimulated the fierceness in their hearts. sex.

“Ouch, ooh...”

Several Jialan beasts roared in unison, their eyes blood red, and they rushed towards the divine soldier in front of them.

The surrounding magic soldiers didn't have time to react at all. At that time, several magic soldiers were scratched, blood sprayed, and screamed.

Mad, are you mad?

Seeing this situation, the God King Haotian was extremely frightened, and without any hesitation, Dasheng ordered: "All officers and men obey the order and destroy these evil beasts without any mistake." "

According to the order."

The divine soldiers responded in unison, and then they burst into divine power, rushing towards several Jialan beasts.

Seeing the many divine soldiers rushing up, a few Jialan beasts let out a roar without showing weakness, and their huge body jumped up and down to fight with these divine soldiers.

.....

At this moment, several dozen miles northwest of Xia Yinzong, Yue Wuya and Hai Ling'er kept looking back while running.

After narrowly escaping from the top of the mountain before, the two did not stop, fearing that they would be overtaken by the magic soldiers behind.

Huh...

After running for a few more minutes, making sure that there are no chasing soldiers behind him, Yue Wuya took a deep breath and slowed down. He fought hard before, and his internal strength was almost exhausted. At this time, Yue Wuya ran so far. Wu Ya was very weak and his face was extremely pale.

Hai Ling'er was also dripping with sweat.

"Brother Wuya!"

Seeing Yue Wuya's state, Hai Ling'er was very worried: "How are you?"

Yue Wuya was too tired to speak, she sat down on the ground and shook her head to indicate that she was fine.

Hai Ling'er looked around and saw a mountain spring not far away. The mountain spring was crystal clear and she could vaguely see fish swimming, and she immediately

arrived: "Brother Wu Ya, those magical soldiers are entangled by giant beasts, and it is impossible to chase them. Come here, let's take a rest here, there are fish in this spring, I will catch a few and bake them for you."

She knew that Yue Wuya had been fighting fiercely and needed to practice and recover, but she had not eaten for so long, You need to fill your stomach.

Um!

Yue Wuya nodded, and with Hai Ling'er's help, he came to the spring.

Hai Linger wrapped the child in a quilt, placed it by the water, and then went into the water. The child was carried by Hai Linger and ran all the way, and was already asleep.

Yue Wuya was sitting next to the child, quietly meditating and practicing.

Hai Ling'er was very fast and caught a few fish in a short while, then set up a bonfire beside the water and started grilling the fish.

As the princess of the sea shark clan, she grew up on the sea since she was a child. Whether it was the technique of catching fish or grilling fish, she came at the fingertips. After a while, the smell of fish was overflowing, and the fragrance permeated the whole spring.

Gululu...

Smelling the smell of fish, Yue Wuya opened his eyes and his stomach started to growl.

Pfft...

Seeing Yue Wuya's appearance, Hai Ling'er couldn't help laughing, and then handed over the fattest fish: "Brother Wuya, are you hungry, how about trying my grilled fish?"

Yue Wuya took the grilled fish and took a bite, only to feel it was extremely delicious, and couldn't help but admire: "It's so delicious, it's fragrant."

After speaking, Yue Wuya looked at Hai Ling'er and said emotionally. : "Linger, it's my lifetime honor to have you by my side."

Swish!

Feeling the warmth in Yue Wuya's eyes, Hai Ling'er's beautiful face suddenly turned red, and then urged: "Eat more if it's delicious." After

speaking, Hai Ling'er couldn't help worrying: "Let's I escaped, and I don't know what happened to Uncle Wen and the others."

Hearing this, Yue Wuya sighed and was about to speak, but at this moment, he suddenly heard a faint sound from the woods not far away. footsteps.

Shasha...

Yue Wuya tilted his head alertly and saw a man walking slowly.

His eyes were quiet, yet it gave off a gloomy feeling.

It was the Aotian Prince who had a relationship before.

Just like the situation of Yue Wuya, after escaping from the top of the mountain just now, Prince Aotian was afraid of being chased by those Jialan beasts, so he fled towards the northwest.

Coincidentally, as soon as he arrived in the nearby woods, Prince Aotian smelled the scent of fish, and then he looked for it.

It was him...

Seeing Prince Aotian, Yue Wuya and Hai Ling'er looked at each other, and they were both wary of each other.

This person was in the sky above the top of the mountain before, and suddenly appeared together with several giant beasts. The origin is unknown, and he must be on guard.

At the same time, Prince Aotian was stunned when he saw that it was them.

The next second, Prince Aotian looked at the grilled fish on the bonfire. There was no nonsense at that time. With one in his right hand, he grabbed the grilled fish in his hand and took a big bite.

Speaking of which, although Prince Aotian was a royal family of the Divine Realm, after taking away Ren Pingsheng's body, before reshaping his primordial spirit, he was still a mortal body and needed to eat and sleep. Previously in the mysterious realm of Ziwei Continent, he fought fiercely with Yue Feng and various sects for a day and a night.

Therefore, when he saw the delicious grilled fish, Prince Aotian was not polite at all.

“Well...”

After taking a bite of the grilled fish, Prince Aotian couldn't help nodding at Hai Ling'er in admiration: “I can't tell, this girl is not only beautiful, but also grilled such a delicious fish, not bad.”

Seeing him eat the grilled fish without consent, Yue Wuya frowned secretly, feeling very unhappy.

This person is really rude. Linger gave me grilled fish, but you rudely brought it to eat.

However, sensing the strong aura pervading Prince Aotian's body, Yue Wuya was very unhappy, but he didn't show it, but secretly guarded. Hai Ling'er has a kind heart.

Hearing Prince Aotian

's praise, she smiled and said, “It's just an ordinary grilled fish. If you're hungry, there are a few more here.”

At that time, Prince Aotian and a few beasts suddenly appeared and stopped those divine soldiers, which could be regarded as an indirect help to Yue Wuya.

In this case, it's okay to ask the other person to eat two fish.

Prince Aotian quickly finished a piece of grilled fish, wiped the oil stains from the corners of his mouth, and said with a smile: “It's so delicious, I can eat one.”

After saying that, Prince Aotian walked in slowly, first looking at Yue The two of Wu Ya looked at the child again, and asked very curiously: “There is something I want to ask, why did those magic soldiers chase and kill you just now?”

When asked, Prince Aotian seemed to be careless. There is a bit of complexity in his eyes.

Although he came to the Kyushu Continent for the first time, he also knew that the people who could be hunted down by the divine soldiers were definitely not ordinary people.

call!

At this moment, Hai Ling'er and Yue Wuya looked at each other, instinctively vigilant.

The origin of this person is unknown, and the matter of Xia Yinzong must not be told to him.

Thinking to himself, Yue Wuya first came back to his senses, and his tone was very cold: "This is our business, it seems that it has nothing to do with you."

As long as this person behaves abnormally, Yue Wuya will take action without hesitation.

Hearing this, Prince Aotian frowned, and there was a hint of gloom in his eyes. As a dignified prince of the Divine Realm, who would not be respectful when he saw it, when would someone dare to talk to him like this?

But thinking of his current status, Prince Aotian still held back and said with a dry smile, "It's nothing, I'm just curious."

### Chapter 5580

Speaking, Prince Aotian looked at the soundly sleeping child and smiled: "You two are talented and beautiful, and you have a child, you are really envious of others."

Shah!

Hai Ling'er blushed, and quickly defended: "Don't get me wrong, this is not our child."  
As

soon as he finished speaking, Yue Wuya also finished eating a fish and said to Hai Linger: "Linger, it's almost time to rest, let's go." After speaking, he still looked at Prince Aotian vigilantly.

This person deliberately strikes up a conversation, he must have ulterior motives.

If it was before, Yue Wuya would definitely warn Prince Aotian to leave, but his internal strength has not recovered, and if his attitude is tough, there is no chance of winning.

Therefore, Yue Wuya just wanted to leave with Hai Linger and take the child quickly, and didn't want to have too much involvement with Prince Aotian.

Um!

Hai Ling'er responded, hugged the child, and walked towards the distance with Yue Wuya.

Want to go?

Seeing this situation, Prince Aotian narrowed his eyes slightly and was about to step forward to stop him.

hum!

However, at this moment, a powerful aura erupted in midair, and then, a figure as fast as lightning directly blocked Yue Wuya's path.

A golden armor, majestic, with madness flashing in his eyes.

It was Lei Xingyu.

A few hours ago, Gone used the blood sacrifice formation to collide with the Zhou Tianxingdou formation, and a terrifying force erupted. After injuring the God King Haotian, he fled quickly. At that time, Lei Xingyu was chasing after him in order to avenge his brother's revenge. reluctant.

However, Gone is the supreme being of the Demon Race after all. Even if he is injured, it is not something that Lei Xingyu can catch if he wants to. In less than half an hour, he will get rid of Lei Xingyu.

Lei Xingyu was very annoyed that his pursuit failed, and he couldn't find Gone's whereabouts anywhere, so he was about to return to Xia Yinzong and Haotian Divine King to meet. intercept.

Oops!

At this moment, seeing Prince Aotian standing in front of him, Yue Wuya couldn't help but complain.

The stranger at the back hasn't gotten rid of it yet, and this mysterious mysterious general has appeared.

Thinking to himself, Yue Wuya made a very indifferent look and said to Lei Xingyu, "What do you mean?"

What do you mean?

Lei Xingyu chuckled: "Where do you remnants of the Xia Yin Sect want to escape?"

He knew that he had pursued Gone without authorization before, and he would definitely be punished by the God King Haotian when he went back, so he wanted to capture Yue Wuya and Hai Ling. Son, it's good to make up for it.

Hearing the answer, Yue Wuya frowned, while secretly clenching the Overlord's Hammer.

At this moment, Hai Linger held the child, took a step forward, and said to Lei Xingyu: "You have to make it clear, we are not from the Xia Yinzong."

At this time, Hai Linger was very nervous, she knew that Yue Wuya is still very weak, and he is not Lei Xingyu's opponent at all, so he wants to find a reason to fool him.

Haha...

Hearing this explanation, Lei Xingyu couldn't help laughing up to the sky, his tone was full of sarcasm: "You think I'm a fool? You are indeed not from Xia Yinzong, but you and Xia Yinzong have a relationship. inextricably linked."

Saying that, Lei Xingyu swept his eyes from Yue Wuya and Hai Ling'er respectively: "You two, one is the Lord of Heaven's Gate and the other is the princess of the sea shark clan, do you think I don't know each other? Over the past year, you and The rest of the Ouyang family, in order to escape the investigation of Qin Tianjian, have been living in seclusion in Xia

Yinzong

.

But Prince Aotian, who was standing not far away and watching quietly, was shocked, looked at Yue Wuya, and his eyes gradually became sharper.

Lord of Heaven?

Isn't the Lord of Tianmen of the Kyushu Continent Yue Feng? How could it be a young boy?

No, this kid is also surnamed Yue, could it be Yue Feng's son?

Realizing this, the corner of Prince Aotian's mouth twitched, revealing a sinister smile.

My luck is not bad, I didn't find Yue Feng, but accidentally met his son.

At this time, Yue Wuya was here.

"Haha..."

Seeing that Yue Wuya and Hai Linger had nothing to say, Lei Xingyu sneered: "I advise you two not to resist, obediently follow me back to see His Royal Highness the King of God, and wait for the disposal."
