

## The ultimate husband in Chinese chapter 5581-5590

When he said this, Lei Xingyu's face was cold and arrogant. As a mysterious general, he didn't take Yue Wuya in his eyes at all.

Mad!

Facing this situation, Yue Wuya scolded secretly, his face extremely gloomy.

Finally escaped from the Xia Yinzong, and must not be caught back.

Thinking to himself, Yue Wuya quietly pushed Hai Linger: "Linger, take the child and go first, I'll hold him." His tone was resolute and reluctant.

He knew in his heart that his strength had not fully recovered, and fighting against Lei Xingyu was completely asking for trouble, but it was not his style to sit still.

Yue Wuya thought about it, and then tried his best to hold back Lei Xingyu, so that Hai Linger could take the child away.

"No..." The

voice fell, and Hai Linger was in a hurry. She shook her head decisively and refused: "I'm not leaving, I want to accompany you." During this period of time, the two have experienced so much, and Hai Linger has already died. disregard.

Yue Wuya wanted to persuade him again, but was interrupted by Lei Xingyu.

"Laughing..."

Lei Xingyu said with contempt on his face, and said without any emotion: "Today, none of you will be able to leave, so let's just be obedient."

After speaking, Lei Xingyu looked back at Prince Aotian . .

The aura that pervades this person's body is not weak, but he looks very faceless and should have nothing to do with Xia Yinzong.

Thinking to himself, Lei Xingyu said to Prince Aotian: "Working diligently with Tianjian, it has nothing to do with other people, and quickly retreat, otherwise you will be punished for the same crime." His tone was arrogant and could not be refuted.

This chapter is provided by . Visit [for](#) daily update.

In Lei Xingyu's heart, although the man in front of him was not weak, he did not dare to challenge Qin Tianjian. However, he did not know that the person in front of him was Prince Aotian.

Hu...

Feeling Lei Xingyu's indomitable arrogance, Prince Aotian took a deep breath, feeling very unhappy in his heart.

Ma De, a little divine general, also dared to show off his might in front of this prince.

At this time, Prince Aotian was very annoyed, but he quickly calmed down. You must know that he is still the same as Ren Pingsheng, and his primordial spirit has not been reshaped.

At this moment, Prince Aotian squeezed out a smile and said to Lei Xingyu, "I originally passed by, so I'll leave right away." Then he turned around and strode away.

Seeing him leave, Lei Xingyu sighed secretly, no worries.

It's just that he didn't know that Prince Aotian didn't really leave, but quietly hid behind a tree and quietly observed the situation here.

After finally meeting Yue Feng's son, how could he leave easily?

"You two."

At this time, Lei Xingyu's eyes were cold and arrogant. He first looked at Yue Wuya, and then at Hai Ling'er: "Not much nonsense, just be obedient and capture it." The

voice fell, and Lei Xingyu's figure appeared. Shen, directly grabbed the child in Hai Ling'er's arms.

"Go away..."

However, at this moment, Yue Wuya let out a loud roar and blocked directly in front of Hai Ling'er. Then, holding the Overlord's Hammer tightly, he smashed it towards Lei Xingyu.

The one behind him is the woman he loves, and the other is his half-brother. No matter what, he must protect their safety,

"Hehe..."

Lei Xingyu frowned and the corners of his mouth twitched when he saw the Overlord Hammer. With a hint of contempt: "You dare to be presumptuous in front of me, I really don't know how high the sky is."

Om!

The moment the voice fell, a powerful divine power burst out from Lei Xingyu, and then he quickly raised his hand.

It seems that Lei Xingyu's speed is very slow, but he slapped it on the Overlord Hammer very accurately. He heard a dull sound, Yue Wuya's face changed, and he felt an overwhelming force coming, and he was directly knocked back by more than a dozen. step.

"Pfft..." While stabilizing his figure, Yue Wuya frowned, and a mouthful of blood spurted out.

Although Yue Wuya's strength was already at its peak in Jiuzhou Jianghu, but at this time his internal strength had not fully recovered, he was naturally no match for Lei Xingyu.

Seeing this, Hai Ling'er couldn't help exclaiming: "Brother Wuya..."

Yue Wuya endured the pain and shook his head to indicate that he was fine.

"Boy."

At this time, Lei Xingyu looked at Yue Wuya coldly, and said word by word, "Since you want to resist to the end, then I will play a few tricks with you." The

last word fell, Lei Xingyu Suddenly raising his right hand, he saw a dazzling golden light burst out, heading straight for Yue Wuya.

## **The ultimate husband in Chinese chapter 5582**

This golden glow is completely condensed by divine power, fast as lightning.

"Brother Wu Ya, be careful."

Feeling the power contained in Jin Mang, Hai Ling'er's pretty face changed, and she couldn't help shouting.

Nima...

Yue Wuya is also secretly surprised, is this the strength of the Profound Handle God General? Really strong.

Muttering in his heart, Yue Wuya quickly activated his inner strength and deployed a protective film in front of him.

boom!

The next second, Jin Mang, carrying the might of thunder, slammed into the protective film, and heard a roar, the protective film shattered instantly, and the powerful force swept all around.

Yue Wuya was like a kite with a broken string, which was directly shaken and flew out, flying more than 100 meters before landing heavily.

And Hai Ling'er was also shaken back by the powerful force that swept all around.

"Brother Wuya..." The

next second, Hai Ling'er recovered, exclaimed, and ran up with the child, ready to help Yue Wuya.

Just before taking two steps, Yue Wuya stopped him.

"Ling'er, don't come here."

Yue Wuya's voice was hoarse and her eyes were red, showing a bit of urgency: "Go away, the two of us together are not his opponents."

This chapter is provided by . Visit for daily update.

"Only I can find a way to drag it out . Stay with him, you and your child will have a chance to survive, hurry up, take my brother, hurry up and leave."

Hai Linger shook her head desperately, and the tears could not stop: "No, I'm not leaving, Wuya brother, If something happens to you, what's the point of me living alone?"

When it came to the end, Hai Linger was already crying.

Phew...

Feeling Hai Linger's true feelings, Yue Wuya took a deep breath, feeling moved and ashamed.

He is the dignified Lord of Heaven, but he can't even protect his own woman and younger brother.

"Tsk tsk..."

Seeing this scene, Lei Xingyu's face showed a trace of sneer: "You are really affectionate and righteous, since you are going to die together, then I will fulfill you and let you be a couple. Let's go to hell." The

voice fell, Lei Xingyu's figure flashed, and he rushed over.

"As long as I'm still alive, you will never be allowed to hurt her." Looking at Lei Xingyu who was rushing towards him, Yue Wuya only felt a strong pressure coming towards his face, but his anger was also completely aroused, and he howled at that time, Turning over, holding the Overlord's Hammer tightly, he directly greeted him.

"Brother Wuya, I'll help you..."

At this moment, Hai Ling'er bit her lip tightly, and after shouting, she put the child behind a big rock beside her, and then drew out her long sword. He got up and fought against Lei Xingyu with Yue Wuya.

"Are the two of you going to die together? Very good."

Seeing the two rushing up together, Lei Xingyu's eyes flashed with contempt. After he said coldly, the divine power in his body erupted again. Then, the two palms ripped apart the sky. Welcome Yue Wuya and Hai Linger.

boom!

Yue Wuya didn't have time to dodge at all, and was directly bombarded by Jin Mang, his whole body was sprayed with blood, and his body fell heavily to the ground.

At the same time, Hai Ling'er was also blasted out. After landing, her delicate face was extremely pale.

"Ha ha.."

Lei Xingyu landed, his eyes were full of contempt, and his tone was extremely proud: "With this little strength, you dare to fight with me, why? It's only two rounds, so it's not enough?"

Lei Xingyu said, step by step When he came, the divine power that pervaded the whole body filled the sky and the earth, almost suffocating.

Huh ....

Watching Lei Xingyu approaching step by step, Yue Wuya took a deep breath, feeling both anger and despair in his heart.

Did it die like that? I'm so unhappy.

In desperation, Yue Wuya turned to look at Hai Linger who was a few meters away, and saw that her face was pale, very weak, and her heart was extremely distressed: "Linger, I'm useless, I didn't protect you..."

Before she could finish her sentence, she was interrupted by Hai Linger: "Brother Wuya, don't say that, maybe this is our destiny." After speaking

, Hai Linger squeezed out a smile, with a hint of warmth in her eyes: "We can't live together forever, and now we die together, I'm very satisfied."

Fool.

Hearing this, Yue Wuya's nose twitched and she almost cried.

At this time, the child who was hidden behind the stone seemed to sense the impending doom, and couldn't help crying.

## **The ultimate husband in Chinese chapter 5583**

"Mother-in-law..."

Hearing the cry of the child, Lei Xingyu was very irritable and said coldly: "It's not the time to part with life and death, go back with me to see His Royal Highness the King of God, whether it is life or death, it depends Your good fortune has come."

After speaking, Lei Xingyu took out the rope and prepared to tie the two Yue Wuya.

call!

At this moment, Yue Wuya and Hai Ling'er looked at each other with helplessness and despair in each other's eyes.

hum!

However, none of them thought that at this critical moment, a powerful force suddenly erupted from the woods not far away, and then, a figure rushed out of the woods as fast as thunder, and slapped Lei Xingyu with a palm.

The visitor's eyes flickered coldly, and it was Prince Aotian.

Speaking of which, Prince Aotian didn't want to save Yue Wuya. After all, he was the son of his enemy Yue Feng. However, Prince Aotian was now impersonating Ren Pingsheng, so naturally he couldn't reveal his identity to Lei Xingyu.

After all, Lei Xingyu was promoted by Ao Lin. If he knew the whereabouts of Prince Ao Tian, he would definitely report it to the God Realm.

Another point, Prince Aotian wanted to use Yue Wuya to find Yue Feng's whereabouts, so naturally he couldn't watch him and Hai Linger being taken away.

In this case, Prince Aotian could only choose to raid Lei Xingyu and save Yue Wuya.

"Who?"

Feeling the danger coming from behind, Lei Xingyu was startled and looked back quickly.

Seeing that it was Prince Aotian, Lei Xingyu was stunned for a moment, and then extremely angry: "It's you..."

This chapter is provided by . Visit for daily update.

Mad, this person is really cunning, he didn't leave just now, but hid in the woods.

This....

At the same time, Yue Wuya and Hai Ling'er were also stunned, looking at Prince Aotian who rushed over with complicated eyes, revealing doubts.

This man didn't even leave...

However, we don't know him, why did he help?

"You're courting death."

Just when Yue Wuya and Hai Ling'er were secretly suspicious, Lei Xingyu reacted and gritted his teeth and roared.

At this time, Lei Xingyu, in addition to anger, was also extremely confident in his heart.

Although the man who raided was very powerful and had a good timing, he was only a human on the Kyushu continent, and it was impossible for him to hurt himself.

After all, he has a body and his defense is very strong.

Thinking to himself, Lei Xingyu mobilized divine power to form a protective film of divine power around his body.

"Hehe..."

Facing Lei Xingyu's anger, the corners of Prince Aotian's mouth rose, revealing a trace of gloom: "You don't need to look at me like this, I just don't like you." The

last word fell, Prince Aotian's whole body surged with power, and he slapped it with a fierce palm.

boom!

This palm hit Lei Xingyu's back ruthlessly, and he saw the palm force collide with the protective film of divine power, a dull sound rang out, and then, Lei Xingyu flew out directly.

Poof...

Flying dozens of meters away, Lei Xingyu smashed a few trees before landing heavily, because even though the protective film that condensed out blocked most of the palm force, it was not fatal, but Lei Xingyu smashed several trees. Still traumatized, he clearly felt the pain in his back, and he almost fainted.

And Prince Aotian also took a few steps back, his face pale for a while.

After all, he hasn't reshaped his Yuanshen yet, and even though he severely injured Lei Xingyu just now, he was also re-injured.

"Friend..."

At this moment, Yue Wuya couldn't help but said to Prince Aotian, "Are you alright."

Although this person suddenly came to help, making Yue Wuya very surprised, but the enemy of the enemy, it is a friend, and seeing that Prince Aotian was injured, he couldn't help but ask.

Phew...

Prince Aotian took a deep breath, then showed a smile, and replied hypocritically, "I'm fine, little brother, don't worry about me, you and your wife hurry

up to meditate and heal." Yue Wuya responded and hurriedly sat cross-legged. There, silently healed.

Hai Ling'er blushed. She was a girl after all, so she was naturally embarrassed when Prince Aotian said that.

However, this person made a righteous move, which made Hai Linger very grateful.

At this time, neither Yue Wuya nor Hai Ling'er knew that the person in front of him who was 'righteously taking action' was Yue Feng's mortal enemy.

**The ultimate husband in Chinese chapter 5584**

“Pfft...”

At this time, Lei Xingyu stood up slowly, his eyes fixed on Prince Aotian, just as he was about to speak, he suddenly frowned, and a mouthful of blood spurted out. This made Lei Xingyu very shocked. Looking at Prince Aotian

's eyes, he became even more surprised: “You... How can you have divine power?”

doubts.

You must know that Lei Xingyu, as one of the four great mysterious generals, is surrounded by divine power, and it is impossible for human practitioners to hurt him. However, at this time, Lei Xingyu clearly felt that the other party just Palm, almost knocked away his own primordial spirit.

Divine power?

Hearing this, Yue Wuya and Hai Ling'er, who were on the side of healing, were also taken aback, their eyes fixed on Prince Aotian, very surprised.

No wonder this person's strength is unfathomable, it turns out to have divine power.

“Hehe...”

Feeling Lei Xingyu's anger, Prince Aotian said leisurely, “I don't belong to the human world, so what's so strange about having divine power?”

” He was furious, and he didn't bother to talk nonsense at this time, and shouted angrily: “Fake a ghost, and die.”

Om!

The last word fell, and Lei Xingyu's figure erupted, heading straight for Prince Aotian.

Speaking of which, although Lei Xingyu was severely injured, he was a divine general of the Profound Handle after all, and Prince Aotian did not reshape his primordial spirit, only relying on the limited divine power in his body, he was not an opponent at all.

However, Prince Aotian didn't panic at all. After all, he was the royal family of God's Domain. When he and Ao Lin were fighting for the throne of Heavenly Emperor in God's Domain, Lei Xingyu was just a little divine general.

This chapter is provided by . Visit for daily update.

More importantly, Prince Aotian knew where Lei Xingyu's weakness was.

Bang bang bang...

In the blink of an eye, the two sides fought fiercely in mid-air, and the terrifying atmosphere that erupted caused thunder to roll in, and the scene was very shocking.

Seeing this scene, both Yue Wuya and Hai Linger were stunned.

After a few seconds, Hai Ling'er couldn't help but say, "Brother Wuya, what is the origin of this person who helped? He is so strong."

Hu...

Yue Wuya took a deep breath and shook his head. : "I don't know either, this person is very good-looking. He suddenly appeared on the top of the mountain before, and he just said that he doesn't belong to the Kyushu Continent, so I guess it may be from the God's Domain..."

"Holy area?"

Hearing this, Hai Ling'er's beautiful face became even more puzzled: "If it came from the realm of the gods, how could it help us to deal with this god general?"

"Who knows..." Yue Wuya said solemnly: "We Just wait and see."

Saying that, he stared at the fierce battle in mid-air.

At this time, in midair.

The figures of Lei Xingyu and Prince Aotian kept going back and forth, and he saw that Lei Xingyu's shot was very aggressive and domineering, and he suppressed Prince Aotian.

However, in the face of this disadvantage, Prince Aotian did not panic at all. Instead, there was an unfathomable smile on his face.

boom!

At this moment, the figures of the two sides staggered, and Lei Xingyu slapped Prince Aotian with a slap in the face, and he saw Prince Aotian's blood spurting wildly, and his body flew out.

But at the moment of flying backwards, Prince Aotian's right hand finger quickly clicked on Lei Xingyu Yuanshen's seat, and injected a divine power...

Pfft...

Flying dozens of meters away, Ao The Emperor fell to the ground, his face pale and miserable, but there was still a smile on the corner of his mouth.

Lei Xingyu landed slowly, his face full of arrogance: "What if you have divine power? A nameless person dares to be presumptuous in front of this general... Huh?..."

At this time, Lei Xingyu was extremely arrogant. , But just halfway through the words, his face suddenly changed, and there was a hint of surprise in his eyes.

He clearly noticed that the power of the primordial spirit in the body became disordered under the influence of another divine power.

"You..." In the

next second, Lei Xingyu stared at Prince Aotian closely, and said in amazement: "How did you do it?"

Prince Aotian wiped the blood from the corner of his mouth and smiled coldly: "It's just a mere The famous mysterious general, dealing with you is simply as easy as the palm of your hand. Others don't know, but I know very well that there is a flaw near your primordial spirit."

## **The ultimate husband in Chinese chapter 5585**

Swish!

Hearing this, Lei Xingyu's face changed suddenly.

impossible.

Few people know about the flaws in his own primordial spirit. How can this person know so clearly?

"You..."

Under the anger, Lei Xingyu's eyes flickered, staring at Prince Aotian: "You... Who are you?"

Prince Aotian smiled slightly, but did not answer immediately, but slowly come over.

"Anyway, you are dying, so it's okay to tell you."

When he got to the front, Prince Aotian lowered his voice and said slowly: "I am Prince Aotian, and I died in the hands of this prince. You have no regrets." Very small, only he and Lei Xingyu could hear it.

What? Aotian...Prince?

At this moment, knowing the true identity of the other party, Lei Xingyu's heart trembled, and his mind was buzzing, blank.

After the failure of Prince Aotian to fight for the throne of Heavenly Emperor, didn't he keep cultivating behind closed doors? How did he come to the Kyushu Continent, and he also changed his appearance?

Impossible, this is absolutely impossible...

Thinking to himself, Lei Xingyu wanted to fight back desperately, but before he could take action, Prince Aotian raised his hand first and pressed it on his life gate.

boom!

This chapter is provided by . Visit for daily update.

With a dull sound, Lei Xingyu's divine soul was directly shattered, and his figure fell to the ground.

Om....

At the same time as he fell to the ground, Lei Xingyu's Primordial Spirit also madly poured out of his body.

"That's right, with this divine power, I'll rebuild the primordial spirit, and it's just around the corner." Prince Aotian nodded with satisfaction, talking to himself, then sat cross-legged, raised his hands, and quickly absorbed Lei Xingyu The divine power that collapsed.

Huhu....

With the continuous absorption and fusion, Prince Aotian clearly felt that the power in his body was constantly improving.

Hiss....

seeing this scene, both Yue Wuya and Hai Ling'er couldn't help but gasp.

This person.... can actually absorb the power of the gods.

Especially Hai Ling'er, with her delicate face, she couldn't hide the shock. Looking at it like this, Brother Wu Ya guessed it well. This person really came from the realm of the gods. Otherwise, how could he integrate divine power?

Phew ...

Soon, Prince Aotian completely absorbed the power of Lei Xingyu's Primordial Spirit and slowly stood up, excited and refreshed.

Seeing this scene, Yue Wuya and Hai Linger were instinctively alert.

"Haha..."

Feeling their vigilance, Prince Aotian showed a smile, and said hypocritically, "Don't panic, the two of you, this god general is already dead, and there is no threat to you."

Seriously, absorbed the thunder. After Yu's divine power, the prince Aotian at this time wanted to kill two Yue Wuya, it was easier than crushing an ant.

However, in order to find Yue Feng's clues, Prince Aotian decided to continue pretending.

Hearing this, Yue Wuya and Hai Ling'er looked at each other.

In the next second, Yue Wuya breathed a sigh of relief and asked, "Who the hell are you?"

At the same time, Hai Ling'er also looked closely at Prince Aotian, waiting for his answer.

Prince Aotian thought for a while, then said with a smile: "To be honest, I am also a divine general in the Divine Realm. Because I made a mistake, I was expelled from the Divine Realm."

In order to prevent Yue Wuya from worrying, the Aotian Prince Just talk nonsense.

Also a god?

Yue Wuya frowned and continued to ask: "Then why do you want to help us?"

Prince Aotian smiled and said seriously: "Speaking of which, I don't want to be too busy, after all, this Lei Xingyu is not easy to deal with. , but after listening to your conversation just now, I realized that you are the Lord of the Heavenly Sect." After speaking,

Prince Aotian paused and asked Yue Wuya, "If I guessed correctly, you should be Yue Feng's. Young Master, right."

Yue Wuya nodded: "That's right."

"That's right."

Prince Aotian nodded with a smile: "When I was in God's Domain before, your father and I were sincere friends. Therefore, only after I learned of your identity will I help."

So it was.

Hearing these words, Yue Wuya breathed a sigh of relief, and immediately put down his guard. At the same time, he and Hai Ling'er looked at each other, and they couldn't express their joy.

Great, this person is my father's friend. With him around, I won't be afraid of those magic soldiers chasing him.

## **The ultimate husband in Chinese chapter 5586**

"Your Excellency!" Under the joy, Yue Wuya

thought of something, looked at Prince Aotian and asked, "Since you and my father are friends, do you know where my father is now?"

, Several months have passed, Yue Wuya is very worried.

Hu....

Prince Aotian took a deep breath, thought for a while, and replied solemnly: "Before, your father and I left from the Divine Realm Teleportation Array together, but when we teleported, there were some problems. So I and him It was sent to a different place."

Speaking of which, Prince Aotian said with certainty: "In short, your father has returned to the Kyushu Continent, but I don't know where he is now

.

" , Yue Wuya nodded subconsciously, feeling a little inexplicably excited in his heart.

Great, my father is back, and I am not afraid of any difficulties.

At this time, Hai Ling'er coaxed the child, thinking of what happened in the past few days, she was very puzzled, looked at Prince Aotian and asked, "Your Excellency, why does God Domain have to deal with Xia Yinzong?

" Wen Chou Chou and everyone's situation was unknown, and Hai Ling'er was also a little anxious.

Swish!

When the words fell, Yue Wuya also looked at Prince Aotian, waiting for his answer.

Like Hai Linger, Yue Wuya was also very curious as to why God Domain was so hostile to Xia Yinzong.

“This...”

This chapter is provided by . Visit for daily update.

Prince Aotian rubbed his eyebrows, feeling very impatient, but he said slowly: “Who is going to talk about this matter? Ten thousand years ago, the human Xuanyuan Huangdi was dissatisfied with the domination of the Divine Realm and led the way. Subordinates resist...”

In the next few minutes, Prince Aotian explained the grievances and grievances between the two sides in detail.

Huh....for

a while, upon learning of the situation, Yue Wuya and Hai Ling'er looked at each other, both suddenly realized.

It turns out that this is the case, no wonder God's Domain must exterminate Xia Xia Yinzong.

“Okay, let's not talk about this.”

At this time, Prince Aotian looked around and asked Yue Wuya: “The most important thing now is to find your father quickly, you should know how to find him, right?”

In the entire Kyushu Continent, only Yue Feng knows his secret, and he must get rid of him as soon as possible.

Moreover, Yue Feng's divine power has not been fully recovered, and at the same time as removing him, it is possible to integrate the power of his primordial spirit.

Facing Prince Aotian's urgent gaze, Yue Wuya pondered and said in a complicated tone: “During this time, my Tianmen has been going through wars constantly, the main altar has also been destroyed, and Xia Yinzong has been controlled by the God King Haotian again. In this case, I'm not sure where my father can go.” As he

spoke, Yue Wuya's eyes lit up, he thought of something, and continued: “But that day, in the battle of the Star-Zhailing Tower, the Sea Dragon Palace was completely destroyed, and the entire Donghai City returned to the ground. Until we take control of Tianmen.”

“Let's go back to Donghai City first. When that time comes, I will convene the members of Tianmen, and I should be able to find my father's whereabouts soon.”

When he said this, Yue Wuya's face was full of confidence.

"Okay."

Prince Aotian was overjoyed, nodded and said: "It's not too late, let's go quickly." When speaking, Prince Aotian looked serious, but there was a hint of gloom in his eyes.

Yue Feng, Yue Feng, you probably never thought that I would use your son to lure you out.

Yue Wuya nodded and rushed towards Donghai City with Hai Linger and Prince Aotian.

To be honest, Yue Wuya really wanted to go back to the Xia Yin Sect to see the situation of Wen Chou Chou, but he also knew in his heart that his strength had not recovered, and going back would be a complete death sentence. opponent of the king.

The safest way is to go back to Donghai City first, call the Tianmen disciples, look for Yue Feng, and discuss how to rescue Wen Chou Chou.

At this time, Yue Wuya still didn't know that the Prince Aotian by his side was not his father's friend at all, but an enemy of life and death.

...

the other side.

After Yue Feng left Huashan, he did not stop all the way, and finally arrived at the valley outside the main altar of Xia Yinzong after half a day.

Um?

When they reached the valley, Yue Feng frowned and stopped.

## **The ultimate husband in Chinese chapter 5587**

saw that the entrance to the valley was deserted, and there was no one person.

Yue Feng was already alert, but when he saw this scene, he suddenly became suspicious.

No, Xia Yinzong has set up hidden guards at the entrance to the main altar for thousands of years in order to prevent being discovered by the gods, but now, why are there no one of these hidden guards?

Did something happen to Xia Yinzong?

Thinking of this, Yue Feng became anxious all of a sudden, and at the same time, he was full of energy, gave up the plan to enter from the valley, and quietly went up the mountain.

Huh...

A few minutes later, Yue Feng reached the top of the mountain and looked in the direction of the main altar of Xia Yinzong. When he saw it, he was surprised.

I saw that the entire main altar was in a mess, and there were bloodstains everywhere on the square in front of the main hall.

Seeing this situation, Yue Feng was stunned there, unable to regain his senses for a long time.

How could this be?

You must know that Xia Yinzong was founded by Xuanyuan Huangdi's subordinates, and its strength completely surpassed all the sects in Jianghu. It turned into a ruin.

"Ouch, ooh..."

At this moment, there was a burst of roars in the direction of the forbidden area north of Xia Yinzong.

Yue Feng heard it really, and immediately heard it, it was the roar of Jialan Beast.

How can there be a Jialan beast here?

This chapter is provided by . Visit for daily update.

Yue Feng was stunned for a moment, and before he had time to think, he moved his figure and quietly rushed towards the forbidden area.

shit...

A few minutes later, when he arrived at a courtyard in the forbidden area behind, Yue Feng couldn't help taking a breath when he saw the scene in front of him.

I saw that hundreds of divine soldiers were fighting around a few Jialan beasts. Many divine soldiers were injured, but no one flinched.

At the main entrance of the courtyard, the God King Haotian stood there quietly watching the battle, his face extremely gloomy.

How is he here?

Seeing the God King Haotian, Yue Feng frowned, very surprised.

Looking at those Jialan beasts again, Yue Feng's heart was even more shocked, and he saw that those Jialan beasts had blood-red eyes, and the whole body was filled with violent aura. It was dripping with blood, but still fighting with those divine soldiers.

This... isn't this the wild beasts of Jialan in the Mysterious Realm of Heaven on Ziwei Continent?

Why are you here too?

For a time, Yue Feng only felt that his brain was buzzing, but he calmed down quickly, and he also had a bad premonition in his heart.

You must know that these Jialan beasts have high IQs, but after the madness, they have no reason at all. It is impossible to come to the Kyushu continent through the Chaos Teleportation Array. The only explanation is that someone took them when they passed through the Teleportation Array. come over.

It's just... There is no third person in the world who can use the Chaos Teleportation Array except Fuxi and himself. And Fuxi is long gone, who can use the Chaos Teleportation Array?

Yue Feng racked his brains, but felt that his head was too big, and he couldn't figure it out.

At this time, Yue Feng didn't know that it was Prince Aotian who brought these violent Jialan beasts to the continent of Kyushu. At that time, Prince Aotian was also lucky, and he was hit right before starting the Chaos Teleportation Array.

Forget it, I don't want to.

After more than ten seconds, Yue Feng rubbed his eyebrows, no longer bothered about these, but quietly watched the fierce battle in front of him.

"Bang bang bang..." The

battle lasted for more than half an hour, and several Jialan beasts were finally killed by the surrounding magic soldiers. You must know that before Yue Feng came, these magic soldiers and Jialan beasts had already fought fiercely. about an hour.

Although these violent Jialan beasts are extremely terrifying, they cannot withstand the siege of so many divine soldiers.

After killing a few Jialan beasts, under the instructions of the God King Haotian, several gods will start to check the Jialan beasts to check their rage.

“His Royal Highness.” A

few seconds later, a god general walked over quickly and told the Haotian God King: “These Jialan beasts seem to have been artificially caused to be violent, and the method is very unique, it seems. “...”

Having said that, the god will have a complicated expression on his face, hesitant to say anything.

“Why are you hesitating?” The

God King Haotian was in a bad mood, and immediately angrily scolded: “It looks like what?”

The god general took a deep breath and bowed his head: “It seems to be the way of the royal family.”

## **The ultimate husband in Chinese chapter 5588**

Royal family?

Hearing this, God King Haotian’s expression changed, and he said angrily, “What nonsense are you talking about?”

Apart from His Majesty, the royal family of the Divine Realm is Prince Aotian. How could they deliberately make Jialan beast violent?

“Yes, yes...”

The god general was sweating profusely, and also realized that he had said something wrong, and said repeatedly: “It’s our fault...”

Prince Haotian was too lazy to talk nonsense, and waved his hand: “Forget it. Okay, this is the end of the matter, bury these Jialan beasts and let the soldiers rest.” After

speaking, the Prince Haotian looked around and continued: “Tomorrow morning, check this place thoroughly again. , Before noon, be sure to find the underground secret passage.”

“Yes.”

After hearing the order, the surrounding gods and soldiers responded in unison, and then quickly got busy.

Seeing this scene, Yue Feng, who was quietly hiding not far away, couldn’t help frowning secretly.

Why does this God King Haotian keep looking for underground secret passages? In the entire Xia Yinzong main altar, apart from the Haotian God King and these gods and soldiers, there was not a single Xia Yinzong person, nor Wen Chou Chou and Qing Yan.

Could it be... Brother Wen, they all hid in the underground secret passage? So this God King Haotian is so annoyed?

call!

After some reasoning, Yue Feng secretly exhaled, and a smile appeared on his face.

Originally, I was worried that something happened to Brother Wen and the others, but now it seems that they should all be safe.

This chapter is provided by . Visit for daily update.

Soon, after many divine soldiers cleaned up the battlefield, they divided into small teams and began to patrol around. Faced with this situation, Yue Feng quickly hid.

Time passed by minute by minute.

In the blink of an eye, it was late at night, and the entire Xia Yinzong was silent.

Hearing that there were obviously fewer soldiers patrolling outside, Yue Feng slowly came out of his hiding place, and after looking around the surroundings, he quietly entered a wing not far away.

Yue Feng had stayed in Xia Yinzong for a few months before, and he was very familiar with the environment here and knew the location of the secret path of Xia Yinzong.

Squeak...

After entering the wing, Yue Feng quickly found the position of the organ, twisted it slightly, and suddenly an entrance appeared from the corner of the wall. Yue Feng jumped in, and the moment he entered, he closed the door.

A soft sound was heard, and the entrance quickly closed.

.....

At this moment, in the underground secret passage.

Thousands of disciples of the Xia Yin Sect sat quietly on both sides of the secret passage and meditated. In the innermost secret room, Wen Chou Chou, Sun Da Sheng and others also sat there cross-legged and resumed their cultivation.

Phew...

At this moment, Wen Chou Chou took a deep breath and opened his eyes.

After several hours of news recovery, Wen Chou Chou's injury is almost healed.

At the same time, Sun Dasheng next to him also stood up and said anxiously: "Brother Wen, my strength is almost recovered, let's rush up."

After saying that, Sun Dasheng summoned the Heavenly Axe and was about to greet others around him. People rushed up.

"Great Sage!"

Wen Chou Chou couldn't help crying and laughed, and quickly stopped: "Don't be impulsive, if we rush up like this, we will die. The power of the God King Haotian is unfathomable, even if we all join forces, we can't beat it." The

voice fell, The others around also nodded their heads one after another, and their faces were also extremely fearful.

"Hey..."

Sun Dasheng was in a hurry: "If you don't rush up, do you want to live under this place for the rest of your life?" The head of the dignified Huaguo Mountain and the hall master of the Hall of Longevity actually hid in the underground secret passage. Go to the rivers and lakes, where will you put your back?

Wen Chou Chou sighed and was about to open his mouth to comfort him. Suddenly, he heard the sound of light footsteps at the end of the secret passage ahead.

Swish!

Everyone else heard this voice, and they all pulled out their ice blades and became vigilant.

"Who?" "Who?"

"

Angrily shouted, and soon an excited voice was heard, replying: "Haha, I knew, you are all right." The

last word fell, a handsome The figure appeared in everyone's sight with a smile on his face.

It was Yue Feng.

Seeing that it was Yue Feng, everyone was stunned, and then they were ecstatic.

“Fuck...”

Especially Sun Dasheng, he threw away the opening axe, rushed over with a stride, and gave Yue Feng a bear hug.

## **The ultimate husband in Chinese chapter 5589**

“Fengzi, I won’t be dazzled, haha...”

As he said, Sun Dasheng punched Yue Feng’s shoulder and laughed: “It’s really you, damn, I thought you were Something happened outside.”

“Do you know how worried Brother Wen and I are about you?” The

voice fell, and Wen Chou Chou came over excitedly and held Yue Feng’s hand tightly:

“Fengzi, you are considered I ‘m back.”

Phew...

Feeling their excitement, Yue Feng smiled all over his face.

Soon, after some greetings, Yue Feng looked around and found that many people present were injured, so he couldn’t help asking: “What’s the matter?”

Wen Chou Chou and Sun Dasheng looked at each other, and then Tell what happened in detail.

After learning about the situation, Yue Feng couldn’t help taking a deep breath.

I didn’t expect things to be so complicated.

At this time, Wen Chou Chou said with a complicated expression: “Originally, when the God King Haotian came, we could get out of it all, but Nagone was very cunning. At that time, he sacrificed his own life and deployed a blood formation.

” It collided with Zhou Tianxingdou, and the explosive power caused heavy damage to the God King Haotian, but Gone took the opportunity to leave.”

At the end of the speech, Wen Chou Chou suddenly thought of something, lowered his head and sighed.

“Haha...”

Yue Feng smiled and said, "As the supreme being of the Demon Race, Gone has always been ruthless." At this time, he didn't realize that the subordinate Gone sacrificed was Mo Yan.

This chapter is provided by . Visit for daily update.

"Fengzi!"

At this time, Sun Dasheng reached out and patted Yue Feng on the shoulder, then pulled him aside, his expression became complicated, and whispered: "I have something, I want to ask you."

"What's the matter." Yue Feng smiled: "Why is it still mysterious."

Sun Dasheng looked at Wen Chou Chou and adjusted his mood: "Fengzi, what's the matter with you and the Demon King of the Demon Race?"

Demon King? Mo Yan?

Hearing this question suddenly, Yue Feng was stunned and said, "It's nothing."

At this time, Wen Chou Chou came over and smiled bitterly: "Fengzi, don't hide it from us, that demon king gave birth to you a child. , it was because of this child that the war between Tianmen and Hailongdian was triggered, and then the Supreme Demon Gone was involved..." After speaking

, Wen Chou Chou explained what happened before. come out.

What?

Hearing this, Yue Feng's heart was shocked, and his mind went blank in an instant, as if he had been struck by lightning.

Mo Yan gave birth to a child for me.

Could it be that...it was a coincidence that she became pregnant?

After dozens of seconds, Yue Feng regained his senses and looked at Wen Chou Chou and Sun Da Sheng in a daze: "Then... now what about their mother and child?" Be responsible.

Ugh!

Seeing his appearance, Wen Chou Chou and Sun Da Sheng looked at each other, sighed at each other, and looked sad.

In the next second, Sun Dasheng stopped talking: "Fengzi, the demon queen is already dead. Gone sacrificed her before she escaped. As for the child... I don't know where it is now, but we are hiding in the secret place. Before they said, Ya'er and Ling'er escaped, they should have gone to save the child."

Dengdeng....

The last word fell, Yue Feng seemed to be hit by a sledgehammer, staggered back a few steps, and bursts of grief came from his heart.

died? Mo Yan is dead?

How could this be?

For a while, Yue Feng's nose became sore, and his eyes became moist.

In my mind, I couldn't help but see the scene of seeing Moyan for the first time. Speaking of which, Moyan, as one of the twelve holy demon kings of the demon clan, has a strong and tyrannical strength, and it feels very cold and arrogant. It is clear that she is different from other demons. She has her own principles and never kills innocent people indiscriminately.

Moreover, there have been many times when Mo Yan had the opportunity to kill Yue Feng, but never did it.

Yue Feng had imagined that if there was no Gonie, making Moyan the supreme leader of the Demon Race, perhaps the situation would be much better than it is now, but he never thought that she would suddenly die tragically.

More importantly, she is the mother of the child, so she was abandoned by Gone...

Thinking of this, Yue Feng felt extremely sad in his heart, and clenched his fists tightly.

Gogne...I am at odds with you.

## **The ultimate husband in Chinese chapter 5590**

Oh!

Seeing Yue Feng's grief, Wen Chou Chou and Sun Dasheng didn't know how to persuade him, so they just stayed by the side quietly.

After more than ten seconds, Sun Dasheng picked up the opening axe and grabbed Yue Feng's shoulder: "Fengzi, don't be sad, let's go out together, deal with the Haotian God King first, and then go to Gone to settle the account."

“Great Sage!” Wen Chou Chou was very depressed and said with a wry smile: “Why are you so impulsive?”

Yue Feng resisted the grief in his heart and smiled bitterly, saying: “My power has not recovered, even if the three brothers join forces, is not the opponent of the Haotian God King.”

When he spoke, Yue Feng looked calm, but his heart was very anxious.

Mo Yan died, and the child did not know what happened.

There are also Ya'er and Hai Ling'er, whose life and death are unknown...

Bang!

Seeing Yue Feng also say the same, Sun Dasheng shamelessly vented his fire and punched the wall: “If you don't rush out, it's not a problem to stay here all the time.” After

speaking, Sun Dasheng looked at Yue Feng, with a look of anticipation in his eyes: “Fengzi, you have the most ideas, you should quickly find a way.”

Shuh!

The words fell, and the eyes of Wen Chou Chou and others also converged on Yue Feng.

At this stage, everyone has no choice but to pin all their hopes on Yue Feng.

call!

This chapter is provided by . Visit for daily update.

Yue Feng took a deep breath, nodded, then sat aside and began to think.

Time passed minute by minute, and the entire underground secret passage was deady silent.

Snapped..

Finally, Yue Feng patted his thigh, stood up all of a sudden, and said to Wen Chou Chou, “Yes.” Then, he quickly said his plan.

Hearing the plan, Wen Chou Chou and everyone looked at each other in dismay. They were not excited at all, but they frowned and looked worried.

“Fengzi!” The

next second, Wen Chou Chou said: "This method is good, but it is too risky. If something goes wrong, you will be very dangerous."

Yue Feng waved his hand: "Don't worry, I will be very careful. Be careful." After saying that, he said goodbye to everyone, quietly left the secret passage, and returned to the top.

Back in the upper wing, Yue Feng looked outside, there were still a few hours before dawn, and the time was sufficient, so he walked out on tiptoe. Go to the grass field not far away.

In the grass garden of Xia Yinzong, many rare spirit grasses are planted.

Due to the remote location of the grass garden, there were not many magical soldiers guarding it here, so Yue Feng went all the way smoothly, and when he arrived at the grass garden, he picked a few herbs.

After doing this, Yue Feng found a place to hide.

After a while, a magic soldier passed by, Yue Feng did not hesitate at all, suddenly shot, knocked out the magic soldier from behind, and then pulled down the shadow and put on the armor of the magic soldier.

After putting on the armor, Yue Feng sorted it out, and then strode towards the side hall where the divine soldiers rested. In the previous siege of Jialan Beast, many divine soldiers were injured. At this time, some of these injured divine soldiers were resting in the side hall.

"Everyone!"

After entering the side hall, he saw more than a hundred divine soldiers meditating there quietly. Yue Feng used ventriloquism to make his voice thicker: "His Royal Highness, the king of gods, order me to give you some medicine, When these herbs are mixed together, they will recover faster."

As he spoke, he distributed the medicines collected in the grass garden to these divine soldiers.

Because Yue Feng was wearing armor and a helmet, these divine soldiers had no doubts and took the herbs one by one.

puff puff.

After a while, after these divine soldiers took the herbal medicine, they had a drug attack in their bodies, all of them were dizzy, and finally collapsed to the ground.

Get it!

Seeing this scene, Yue Feng showed a smile, and quickly turned around to close the door of the side hall. Then, he walked quickly to the corner of the northwest wall and opened the hidden mechanism.

Kazaza...

Soon, with a burst of vibrations, a hidden entrance to the secret passage appeared in front of me, and inside the secret passage, Sun Dasheng, Wen Chouchou and others were already waiting here.

“Come on, let’s drag all these magic soldiers down.” Yue Feng ordered, Wen Chou Chou quickly climbed up, dragged more than 100 magic soldiers to the secret road, and then pulled off all the armor.
