

The ultimate husband in Chinese chapter 5591-5600

Later, in addition to Wen Chou Chou, Sun Dasheng quickly changed into the armor of these magical soldiers.

Speaking of which, Yue Feng's plan was very simple, that is, to make Sun Dasheng's people pretend to be magic soldiers, and then Wen Chouchou fled, while Sun Dasheng and these fake magic soldiers pretended to pursue them.

call!

Seeing everyone put on their armor, Yue Feng took a deep breath, his face indescribably solemn. Although the plan is very smooth, it is also very dangerous, especially in the next link, there must be no mistakes.

"Brother Wen!"

At this moment, Yue Feng said to Wen Chou Chou: "It's almost time, that's it." As he said that, Yue Feng paid attention to the situation around the Xia Pian Hall.

It was already late at night, and there were very few divine soldiers patrolling near the side hall.

Wen Chou Chou responded, without any hesitation at the time, he urged his inner strength to soar into the sky, directly punching a hole at the top of the side hall. Make a vibration.

Wow...

The news came out, and a lot of magic soldiers were immediately attracted.

"What's the situation?"

"Someone came out..."

"It's Wen Chou Chou."

The dozen or so magical soldiers who rushed over saw Wen Chou Chou suspended in mid-air. startled. In the daytime, these magical soldiers dig three feet into the ground, and they can't find the entrance to the secret passage.

"Are you finally willing to come out?"

Just as the dozen or so divine soldiers were about to rush up, Yue Feng, who was hiding in the side hall, immediately shouted, pointing at Wen Chou Chou and shouting, "What do you expect this time? run."

Yelling, Yue Feng shouted at Sun Dasheng and the others in the side hall: "Catch him."

Hehe...

Facing Yue Feng's anger, Wen Chou Chou chuckled and shouted cooperatively, "I want to Go, none of you can stop me." The last word fell, prompting the figure to fly quickly into the distance.

Wow...

At this moment, Sun Dasheng and the others rushed out, shouting and chasing after Wen Chou Chou.

"Do you still want to run? Stop!"

"You can't run away."

At the same time as they shouted, Sun Dasheng and the others were extremely apprehensive. This trick steals the sky and changes the sun. I don't know if it will work. If the God King Haotian is disturbed, it will be miserable.

However, their worries were unnecessary. At this time, the God King Haotian was meditating in the room, and he didn't know what happened here.

Whoosh!

Watching Sun Dasheng and everyone chase Wen Chou Chou away, Yue Feng also took the opportunity to rise into the sky and pretended to chase Wen Chou Chou.

Wow...

However, at this time, the movement attracted more magic soldiers to come, and found that someone came out of the underground secret passage, and many magic soldiers broke out one after another, ready to pursue.

Yue Feng had already guessed that this would happen, and immediately shouted: "Let's go after this Wen Chou Chou, you guys keep here, don't let his accomplices run away."

Hearing this, those gods who were ready to chase The soldiers stopped. They all know that in the underground secret passage of Xia Yinzong, there are not only Wen Chouhou, but also many people from Xia Yinzong.

Haha...

Seeing this scene, Yue Feng couldn't tell the comfort in his heart. Although these magical soldiers are powerful, their IQs are not very good. They were deceived by a few words of his own.

Feeling happy, Yue Feng accelerated and chased after Wen Chou Chou and Sun Dasheng.

"Stop!"

"Don't run..."

At first, Sun Dasheng and others pretended to be angry. After flying for more than ten minutes, they were sure that no magic soldiers were chasing after them. Then everyone slowed down and landed in a forest. inside.

Haha...

At the moment of landing, everyone looked at each other and couldn't help laughing, all of them felt extremely comfortable and excited.

Can you be unhappy that you rushed out of the siege of thousands of divine soldiers so easily?

"Fengzi!"

When Yue Feng landed, Sun Dasheng laughed and praised: "You still have to pay attention, haha, otherwise, everyone would not have escaped so easily."

Yue Feng smiled: "I didn't either. I thought it would go so smoothly. In short, everyone is fine."

At this time, Wen Chou Chou breathed a sigh of relief, unable to hide his worries: "We only got out a hundred people, and now there are thousands of heroes in the secret passage. Hidden followers."

The ultimate husband in Chinese chapter 5592

"Although the method I used just now is very good, the Haotian God King and those magic soldiers are not fools." The

voice fell, and Sun Dasheng and the people around were also worried.

Yes, the same routine cannot be used twice.

“Brother Wen, don’t worry.”

Seeing everyone worried, Yue Feng showed a smile and comforted: “I have a solution.”

Whoa!

Hearing this, everyone quickly gathered around.

Wen Chou Chou looked expectant and took the lead in asking, “What can I do?”

Yue Feng let out a sigh of relief and said his thoughts: “I will go back now, as a magic soldier, and tell Haotian God King that you have run away. “

And I and the other gods pursued, but didn’t catch you, and I also met the supreme god of the demon race, Gone. The news of the Supreme will definitely not be indifferent.”

“As long as I find a way to lead out the God King Haotian, those followers of the Xia Yinzong will be saved.”

When he said the last, Yue Feng smiled, but he was also very worried. of apprehension.

To be honest, going back to see God King Haotian alone is like playing with fire and setting himself on fire. After all, Yue Feng’s divine power has not been fully recovered. Once his identity is revealed, the consequences will be disastrous.

Although Yue Feng’s identity is the emperor’s teacher, the Haotian God King does not dare to do anything to him, but this is the Kyushu Continent, not the God’s Domain. A little room for resistance.

But there is no way, this is the only way, otherwise, the followers of Xia Yinzong will continue to stay in that secret passage, and sooner or later they will be found by the God King Haotian.

This...

At this moment, after listening to Yue Feng’s plan, Wen Chou Chou, Sun Dasheng and the others looked at each other, all of them instinctively refused.

“No!”

Soon, Wen Chou Chou was the first to react, shaking his head and saying, “It’s too dangerous for you to go back alone.” The

voice fell, and Sun Dasheng also said: "Yes, the strength of the Haotian God King is unfathomable. Besides, you have extraordinary strength, can you be sure that he can't see your identity?"

Said, Sun Dasheng clenched the opening axe tightly, his eyes were firm: "I want to go back together."

Uh...

Seeing their reaction, Yue Feng didn't know whether to laugh or cry, and at the same time, he was also moved in his heart, so he stopped Wen Chou Chou on the shoulders and said, "Don't worry, I will be very careful."

"I managed to escape just now, and if we go back together, wouldn't the previous efforts be in vain? Brother Wen, great sage, that's it, I'll go back alone, you can find Ya'er, Hai Ling'er, and my child..."

When referring to the child, Yue Feng couldn't help thinking of Mo Yan, and he felt a little bit in his heart. Inexplicable sadness.

Ugh!

Seeing his serious face, Wen Chou Chou and Sun Da Sheng both sighed and nodded.

"Okay!"

"Be careful."

Yue Feng nodded, and after adjusting his emotions, he said goodbye to Wen Chou Chou and others, jumped into the air, and headed towards Xia Yinzong.

Watching Yue Feng's figure go away, Wen Chou Chou and Sun Dasheng were a little complicated in their hearts. After a short rest, they continued on the road and began to search for Yue Wuya and Hai Linger's whereabouts.

.....

the other side.

Yue Feng flew for ten minutes and finally arrived at the back mountain of Xia Yinzong, but Yue Feng did not rush down, but hid on the top of the back mountain and quietly observed the situation of the main altar of Xia Yinzong.

I saw that after the incident of Wen Chou Chou's escape before, the quiet Xia Yin Zong main altar became lively, and many divine soldiers who had been resting at this time formed teams one by one, and kept going in the main altar. patrol.

And more divine soldiers carefully inspected all the buildings in the main altar, trying to find the entrance of the underground secret passage. However, the entrance to the secret passage is very hidden, how can it be so easy to find?

Find it slowly.

Seeing this scene, Yue Feng showed a playful smile, and then meditated cross-legged on the top of the mountain.

Time passed by minute by minute.

Ten minutes passed in the blink of an eye, Yue Feng felt that it was almost time, jumped and flew towards the main hall.

In the main hall at this time, the God King Haotian was sitting on the main seat, listening to a report from a god general.

The ultimate husband in Chinese chapter 5593

“His Royal Highness God King!”

The god general stood there and reported cautiously: “The one who escaped just now was Wen Chou Chou, the hall master of the Hall of Longevity. This person is very famous in Kyushu.

” I’m worried, more than a hundred soldiers have already pursued him, and I believe he will be captured soon.” When he

said this, the god would be trembling, and he was the one who was responsible for guarding the patrol tonight.

Moreover, the news of Wen Chou Chou’s escape was also reported by the divine soldiers below.

At this time, the god general didn’t know that Wen Chou Chou had indeed escaped, and Sun Dasheng and others followed.

Hmm...

Hearing these reports, Haotian God King responded absentmindedly, and escaped a Wen Chou Chou, which would not change anything at all. As long as the followers of Xia Yinzong are still there, they will not be able to escape this time to clear up Xuanyuan Huangdi’s remnants of evil.

“His Royal Highness!”

At this moment, a divine soldier rushed in in a panic and shouted, "It's not good, it's not good."

The moment he rushed in, the divine soldier knelt on the ground and lowered his voice. He looked very nervous.

It was Yue Feng.

Swish!

Seeing his panicked appearance, whether it was the God King Haotian or the god general standing beside him, they all frowned and were very displeased.

In the next second, the god could not help but angrily scolded: "What is it that is yelling? In what manner?"

This chapter is provided by . Visit for daily update.

The God King Haotian was also full of displeasure, but he didn't have a seizure. Instead, he frowned and said, "What's so stressful?" Because Yue Feng was wearing armor and a helmet at this time, he couldn't see his face at all. More importantly, Yue Feng He also used ventriloquism to change his voice, so God King Haotian didn't notice it at all.

"His Royal Highness!"

Yue Feng crouched on the ground and looked very panicked: "Just now we were chasing Wen Chou Chou, and when we arrived at a river, we had already surrounded Wen Chou Chou. There are quite a few soldiers, and when the young ones see that things are not going well, they hurried back to report the situation."

When he said this, Yue Feng lowered his head, his eyes fixed on the ground, and he did not look at God King Haotian.

He knew that God King Haotian was very thoughtful, so he should be careful.

What?

Hearing this, whether it was the God King Haotian or the god general standing beside him, his expressions changed.

Gogne appeared?

Especially the God King Haotian, his face was extremely cold and indescribably annoyed.

Mad, this Gonia is really brave, he is the only one left in the entire Demon Race, and he dares to be so publicized and oppose the Divine Realm everywhere.

Especially when he thought that he was hit hard by Gonia's formation before, the anger in Haotian God King's heart increased even more.

Haha, it worked.

Although he didn't look at the God King Haotian, Yue Feng could clearly feel his anger, and he was instantly excited.

Sure enough, when Gonia was mentioned, the Haotian God King couldn't sit still.

"Where?"

Just when Yue Feng was secretly excited, the God King Haotian stood up suddenly and asked coldly.

Yue Feng quickly responded: "Just by a river 50 miles away in the northwest, when the young man escaped back, dozens of soldiers had already been killed, and the rest were still struggling to fight with Gonia, please Your Highness as soon as possible. Make a decision."

In order to lead Haotian God King out of Xia Yinzong, Yue Feng deliberately made the situation very critical.

Huh..

As expected, God King Haotian took a deep breath when he heard this. He didn't have time to think about it at the time, so he immediately summoned other divine generals and ordered: "Pass my order, mobilize soldiers immediately, and follow me to arrest Gonia."

Afterwards, Haotian God King rushed to a divine general and said, "Shen Yu, you stay here and continue to search. Remember, you cannot let anyone from the Xia Yin Sect go."

Shen Yu was the divine general who reported to the Haotian divine king just now.

Hearing the order, Shen Yu nodded quickly: "As ordered, this subordinate will definitely live up to His Highness's expectations."

God King Haotian stopped talking nonsense, brought other god generals and more than 2,000 god soldiers, and said to Yue Feng mightily Go to the river.

Yue Feng pretended to be very weak until the God King Haotian left the hall and was still there.

“Hello.”

At this moment, Shen Yu frowned and glanced at Yue Feng: “What are you doing here? Why don’t you go out on patrol?”

The ultimate husband in Chinese chapter 5594

When talking about this, Shen Yu sat on the main seat with a big thorn, full of style.

Hehe...

Feeling Shen Yu’s attitude, Yue Feng couldn’t help but chuckle in his heart.

This god general is really interesting. As soon as the god king of Haotian left, he put on airs.

Thinking to himself, Yue Feng stood up slowly, and said in a very pleasing tone: “God, I was injured by the Supreme Demon Clan just now, and I want to rest here.”

When he said this, Yue Feng’s mind quickly turned and thought. plan.

I thought that the Haotian God King would temporarily abandon the Xia Yinzong when he heard the news of Gone, and lead everyone to rush over, but he never thought that the Haotian God King was so cautious that he still left some subordinates to guard the Xia Yinzong.

However, the leading god general in front of him seems to be full of style, but in fact, he is strong from the outside and works hard at the same time, and it is not difficult to deal with at all.

“You bastard!”

Hearing Yue Feng’s words, Shen Yu frowned and scolded: “This is the main hall for discussions, isn’t it a place for you to rest? Hurry up!” As he said, he waved his hand impatiently.

Yue Feng was about to make a fuss about him, how could he go out so easily?

Yue Feng smiled ingratiatingly, then walked over and took out the herbs collected in the grass garden from his body: “When I was young during the day, I accidentally got a prescription from Xia Yinzong, which has the effect of prolonging life.”

“So at night, I specially collected the herbs written in the prescription and dedicated them to the general. I also ask the general to take care of him in the future.

” Herbs, no one will refuse.

Um....

This chapter is provided by . Visit for daily update.

Seeing the herbs that Yue Feng handed over, Shen Yu wiped his chin and nodded with satisfaction: “I can’t tell, you are quite attentive, okay, then you can rest here for a while.

” He reached out and took the herbs.

Hehe....

Seeing that he has no doubts, Yue Feng secretly smiled in his heart, and then made a very attentive look: “This herb is very rare, you must take it quickly, otherwise it will lose its efficacy after a long time. “

Really?” Shen Yu said subconsciously, and then took the herbal medicine in the way Yue Feng said.

Seeing this scene, Yue Feng’s eyes showed sincerity and compliment, but he secretly laughed in his heart.

It is unfortunate enough for the God King Haotian to have such mentally handicapped subordinates.

“Hey..”

After taking the herbal medicine, Shen Yu asked Yue Feng, “You haven’t told me yet, what is this prescription called?”

“This prescription...” Yue Feng deliberately lengthened the tone and said slowly: “It’s called ‘Gui Fu Folk Recipe. As the name suggests, after taking it, it will fall to the ground like a tortoise.”

Just now, Shen Yuyi’s commanding attitude made Yue Feng very upset, so he deliberately teased him?

Swish!

Shen Yu is not a fool. Hearing this, his face changed suddenly, and he said angrily: “Ma De, you kid...” A mere soldier, who dared to make fun of himself, was just looking for death. The sky is spinning, and the eyes are black.

“You...” Shen Yu realized that he had been completely fooled, and stared at Yue Feng: “What exactly are you taking for me?”

After saying that, he was about to stand up and teach Yue Feng a lesson, but he felt weak all over, with a little strength. Can't make it out.

Ugh!

Seeing his appearance, Yue Feng sighed, shook his head and said, “I told you all about it, it's a 'tortoise remedies', and it's designed to deal with brainless idiots like you. Why do you ask?”

Shen Yu almost exploded with anger. , wanted to open his mouth to curse, but it was dark in front of him, and he fainted directly.

haha....get it!

Seeing this scene, Yue Feng showed a smile and was very excited. He walked over quickly, dragged Shen Yu behind the throne, then took off his God's armor, and quickly put it on.

After changing, Yue Feng tidied up a little, then used ventriloquism, imitating Shen Yu's tone and shouting out of the hall: “Come here!” Haotian God King has been gone for a while, if he finds that there is no Gone by the river. The trail will turn back.

Time is running out, it is necessary to take away all the magical soldiers who stayed in Xia Yinzong.

The ultimate husband in Chinese chapter 5595

Wow...

As soon as the voice fell, the two magic soldiers walked in quickly and respectfully said, “What is the commander's order?” I

have to say, Yue Feng used ventriloquism, imitating his voice vividly, and wearing a mask on his head. Helmets, the two magic soldiers have no doubts at all.

call!

Yue Feng took a deep breath and continued to imitate Shen Yu's tone: “I have passed on my life, all the soldiers who stayed here gather and rush to the river in the northwest to reinforce His Royal Highness.”

Just send these gods away and hide. The members of the Xia Yinzong tribe under the secret passage can take the opportunity to escape.

What?

Hearing the order, the two divine soldiers were stunned and looked at each other, thinking they had heard it wrong.

Two seconds later, one of the divine soldiers couldn't help but cautiously said, "General, when His Royal Highness the God King left just now, didn't he want us to stay here to prevent the remnants of the Xia Yin Sect from escaping?"

"Yes!"

The voice fell, and another magic soldier also said: "If we all leave, wouldn't we give these Xia Yinzong remnants a chance to escape?"

At this time, the two magic soldiers were full of doubts.

I have been here for more than a day. Although I have not found the entrance to the secret passage, the members of the Xia Yinzong who are hiding below have no chance to escape. Now that everyone is gone, isn't the previous efforts in vain?

"Presumptuous!"

Yue Feng slammed down the throne and shouted angrily: "This general's words are orders. Do you want to disobey? Is it important to eradicate the Xia Yinzong, or is it the most respectful thing to get rid of the demons?"

This chapter is provided by . Visit for daily update.

"In case no reinforcements are made in time . In place, causing Gone to escape, are you two responsible?"

A few words, every word.

Pfft!

In an instant, the legs of the two divine soldiers were weak, and they knelt on the ground, panicking: "My subordinates don't dare."

Yue Feng was too lazy to talk nonsense, and waved his hand: "Why are you still standing there? ?"

"Yes.." The

two divine soldiers nodded again and again, and then walked out quickly.

Soon, the remaining hundreds of divine soldiers quickly assembled and rushed to the northwest.

Mad, finally deceived them all.

As soon as the hundreds of divine soldiers left, Yue Feng quickly rushed to the side hall next to him, opened the entrance of the secret passage, and greeted the Xia Yinzong followers to leave.

A few minutes later, thousands of Xia Yinzong followers left quickly and walked cleanly. The huge Xia Yinzong main altar was empty except for Yue Feng.

call!

At this moment, Yue Feng took a deep breath, did not dare to neglect, and flew directly into the air, towards the distance.

....

on the other side.

The Haotian God King brought more than a dozen divine generals and several thousand divine soldiers, and soon arrived at the river bank in the northwest.

Um?

Seeing the situation in front of him, the God King Haotian couldn't help frowning secretly, and he saw the river gurgling, not a single person, not a dead soldier's corpse, and no sign of Gone.

"Search all around immediately." The

next second, the God King Haotian thought that the battlefield might be in the woods on the shore, and issued an order to let his divine soldiers start a search.

A few minutes later, thousands of divine soldiers searched the woods on both sides of the river bank, but there was still no clue.

Mad!

For a time, the God King Haotian was inexplicably annoyed. Could it be that the information was wrong, or was the magic soldier lying about the military situation?

Impossible, God's Domain military regulations are strict, and the subordinate soldiers dare not lie about the situation.

Wow ...

Just when Haotian God King was puzzled, he saw hundreds of divine soldiers flying from the direction of Xia Yinzong. The God King Haotian was very annoyed, he rushed into the air, looked at the hundreds of divine soldiers who came and said coldly: "What are you doing? You are not stationed in Xia

Yinzong, what are you doing here?

"

With the anger of the Heavenly God King, hundreds of divine soldiers looked at each other in dismay, each of them inexplicably uneasy.

In the next second, a leading divine soldier respectfully said to the God King Haotian, "His Royal Highness the God King, it is General Shen Yu who sent us to reinforce him."

What?

Hearing this, the God King Haotian's face sank: "Where's Shen Yu?"

"General Shen Yu is staying in the Xia Yin Sect alone." The magic soldier answered cautiously.

Bullshit.

The eyes of Haotian Divine King were black. This Shen Yu, who gave orders indiscriminately, was extremely nonsense. When he went back, he must be punished for offending him.

And the magic soldier who lied about the military situation will also be severely punished.

Thinking to himself, the God King Haotian raised his hand and waved: "All officers and soldiers obey the order and return to Xia Yinzong."

The ultimate husband in Chinese chapter 5596

"Follow the order!"

Hearing the order, the divine soldiers present responded in unison, and immediately returned to Xia Yinzong under the leadership of the God King Haotian.

Soon, when he arrived at the Hall of Xia Yinzong, the God King Haotian couldn't hide his inner anger, and said coldly, "Get Shen Yu over immediately." This Shen Yu, who dares to pass on false military orders, is really lawless.

A few divine soldiers responded and quickly walked out to look for Shen Yu, but after searching for a long time, they could not see any trace of Shen Yu, which made the Haotian God King very annoyed.

“His Royal Highness God King!”

At this moment, a god general noticed the strangeness behind the throne: “Here...”

Crash... After the

voice fell, more than a dozen god generals walked over quickly, and Shen Yu was unconscious. Yu dragged it out, and saw that at this time, Shen Yu’s armor was stripped bare, and he was in an indescribable embarrassment.

Swish!

Seeing this, Divine King Haotian’s face was instantly gloomy. The dignified general of God’s Domain was stripped of his armor, and he was thrown behind the throne so casually, almost into the face of God’s Domain.

In anger, the God King Haotian said coldly, “Wake up.” The

surrounding gods did not dare to neglect, and quickly walked out of the hall to get a few buckets of cold water, and poured it on Shen Yu. However, Shen Yu was still unconscious.

At this time, a god general carefully inspected the situation of Shen Yu and reported: “Your Highness, Shen Yu seems to have taken a special medicine, so cold water is useless at all.”

Medicine?

The God King Haotian frowned, walked over slowly and looked at Shen Yu’s situation, and as expected, he noticed that the power of the primordial spirit in his body was showing signs of disorder.

This chapter is provided by . Visit for daily update.

Realizing this, the God King Haotian sat cross-legged behind Shen Yu and put his hands on his back to help him stabilize the power of his primordial spirit.

Phew...

Seeing this situation, the surrounding gods stood quietly aside, not daring to take a breath.

After a while, with the help of the God King Haotian, Shen Yu slowly woke up, the moment he opened his eyes, Shen Yu hadn't seen the surrounding situation clearly, and instinctively cursed: "You bastard, dare to play with General Ben, Ben The general can't spare you..."

Before he finished speaking, Shen Yu saw the God King Haotian in front of him, his face changed suddenly, and he said in fear: "His Royal Highness." The

God King Haotian looked at him coldly, his face Without the slightest mood swing: "What did you just scold?"

Puff!

Shen Yu hurriedly knelt on the ground, with cold sweat dripping from his forehead, and stammered: "Don't misunderstand His Royal Highness, this subordinate... subordinate is scolding that daring soldier."

As he said, Shen Yu looked around, In an attempt to search for Yue Feng, where is he still?

Immediately afterwards, Shen Yu found that his armor was gone, and he was ashamed and angry, but in front of the God King Haotian, he did not dare to attack.

"What about people?" At this time, the God King Haotian suppressed his anger and asked again.

"I..."

Shen Yu's voice trembled, not knowing how to answer for a while.

God King Haotian lost his patience and scolded: "What happened? Hurry up and explain it honestly."

Gudong!

Feeling the anger of the God King Haotian, Shen Yu swallowed his saliva. At that time, he didn't dare to violate the slightest bit, so he told the situation one by one.

At the end of the story, Shen Yu cried and said, "His Royal Highness, I really didn't expect that a soldier would be so bold, not only poisoning his subordinates, but also stealing his armor..."

But he didn't finish his sentence . , was interrupted by the angry voice of the God King Haotian: "You bastard, do you still think you are very innocent? As a general of the Divine Realm, you are so stupid. I let you take charge of Xia Yinzong, but you were taken advantage of by the enemy.

” Come on, drag it out to destroy the primordial spirit and cut off the head.” In the last sentence, the God King Haotian was completely drunk, and there was an irresistible killing intent in his eyes.

Haotian Divine King is not a fool. As the matter develops, he is even more convinced in his heart that the magic soldier who just passed on the news was faked by the enemy, and this magic soldier not only falsely spread the news, but also made fun of Shen Yu.

What he didn't expect was that Shen Yu was played so badly that he not only fainted, but also lost the armor of the gods that symbolized his identity. It is useless to keep such trash.

The ultimate husband in Chinese chapter 5597

...

Hearing the order, several magic soldiers walked into the hall quickly and dragged Shen Yu out.

At this time, Shen Yu's face was pale, and his whole body was trembling uncontrollably: “His Royal Highness, God King, spare your life, spare your life...”

However, when he heard his begging for mercy, Haotian God King's face was as deep as water, and he was not moved at all.

A few minutes later, a scream from Shen Yu came from outside the hall, and in an instant, the entire hall fell into a dead silence.

Huh...

In the hall, the other gods and generals stood there one by one, all silent like a cicada. They clearly felt that the God King Haotian was really angry this time. Otherwise, Shen Yu would not have been thrown to death.

For a while, there was silence in the hall, and a drop of a needle could be heard clearly.

God King Haotian sat on the throne, his face was gloomy, and his heart was extremely annoyed.

It's a shame and shame that he is the dignified God King Haotian, who has been tricked by others. It's just the enemy of this fake magic weapon, who on earth has such courage?

God King Haotian sat there, thinking for a long time, but couldn't think of who it was.

“Report!”

At this moment, a divine soldier walked in quickly, with a very excited expression: “His Royal Highness Qi, the entrance to the secret passage has been found.” The

Haotian God King stood up suddenly, his face not dark Excited, after what happened just now, he has realized that all the people of Xia Yinzong may have escaped.

“Go and have a look.” Haotian God King said lightly, and quickly walked out of the hall.

This chapter is provided by . Visit for daily update.

More than a dozen gods will not keep up.

Soon, when I arrived at the side hall next to it, I saw that there was a secret entrance to the northeast corner of the wall. At this time, many divine soldiers had already entered the exploration.

God King Haotian walked up to him and asked coldly, “How’s the situation inside?”

A divine soldier who had just come out of the secret passage quickly responded, “There’s a lot of space below, but there’s not a single figure.”

Mad!

Hearing this, God King Haotian cursed inwardly. Obviously, the guy who pretended to be a magic soldier first lied to trick him to leave, and then used drugs to stun Shen Yu, and then pretended to be Shen Yu and asked him to stay here. All the magic soldiers went out for reinforcements.

All of this is all for the sake of letting the Xia Yinzong clan hidden below leave.

I have to say, this trick is really clever.

However...it’s very difficult to be able to fake the magic weapon without being discovered, because the practitioners of the human arena, the power of the dantian in the body, can easily be sensed, unless... this person has the primordial spirit.

Possess a soul?

Could it be... Yue Feng?

At this moment, after God King Haotian made some speculations in his heart, the figure of Yue Feng suddenly appeared in his mind. Speaking of which, Liu Ruxue, who was caught by him before, although possessed divine power, did not possess the primordial

spirit. In the entire Kyushu, there was no one who could possess the primordial spirit and had a close relationship with the Xia Yinzong, except for Yue Feng. individual.

Good you Yue Feng, dare to tease me like this.

At this moment, after the God King Haotian was sure that it was Yue Feng, his pupils shrank slightly, and his anger also rose.

“Pass my order.” In the

next second, the God King Haotian looked around and gave the order to the final commander: “Go all out to arrest Xia Yinzong and the Ouyang family.” When speaking, the God King Haotian clenched his fists and his eyes were extremely cold. .

They were besieged for nearly two days, but they were finally allowed to escape.

However, even if you escape to the ends of the earth, you will not be able to escape from the palm of my hand.

“Subordinates obey.” The

voice fell, and the surrounding gods and soldiers responded in unison, and the momentum was shocking.

This is, God King Haotian thought for a while, and directed at a pro-channel: “You should return to God’s Domain immediately, report the situation to Your Majesty, and say that you have found the hiding place of the remnants of the Xia Yin Sect, and this king wants to catch them all, so you need to Go back to your life later.”

When he said this, the God King Haotian looked complicated.

He knew in his heart that Yue Feng was His Majesty’s master. If it was said that the Ouyang family colluded with the Xia Yin Sect, His Majesty would definitely be concerned, so he simply did not mention the Ouyang family, but only the Xia Yin Sect.

When the Ouyang family and Xia Yinzong are captured and executed together, the boat will be done, and even if he is dissatisfied, His Majesty will not say anything.

The ultimate husband in Chinese chapter 5598

“My subordinates understand.”

After being instructed, the cronies responded and hurriedly returned to God’s Domain.

...

the other side.

After Yue Feng left Xia Yinzong, he flew all the way to the northwest. This direction was mostly mountainous and dangerous. Even if the God King Haotian reacted and sent his subordinates to pursue him, he could rely on the complex environment here to get rid of them.

However, Yue Feng's concerns were superfluous.

After flying for more than ten minutes, there was no magic soldier chasing after him.

Haha....

At this moment, Yue Feng couldn't help laughing up to the sky, and his mood was indescribably smooth.

That God King Haotian has always been conceited, and it is estimated that he never thought that one day he would be fooled around by others.

In a happy mood, Yue Feng slowed down, and when he saw a platform not far away, he slowly fell down, ready to take off his armor.

Although this outfit looks majestic, it is really awkward to wear.

Um?

However, just when Yue Feng was about to take off his armor, he suddenly found something. When he reached out and touched it, he found that there was a delicate bag hidden inside Shen Yu's armor.

After taking it out, Yue Feng poured out the contents of the bag and was overjoyed.

It turned out that there were two 'Quenching Yuan Jindan' in the bag. This kind of golden elixir, only available in the realm of the gods, is a panacea to restore divine power.

Haha, what a lucky day today.

Yue Feng held two golden pills and couldn't hide the excitement on his face. When he was in Ziwei Continent, most of his divine power was passed on to Liu Ruxue by chance, causing Yue Feng to be cautious everywhere after returning to Kyushu. .

Yue Feng originally thought that after helping everyone from the Xia Yin Sect escape this time, he would first meet with the Wen Chou Chou crowd, and then find a secluded place to retreat.

However, I don't know how long it will take for the divine power to recover to its peak state, but I didn't expect that at this time, two Primordial Quenching Golden Pills were found in Shen Yu's armor.

With these two Primordial Quenching Golden Pills, if they are perfectly integrated, Yue Feng will be able to recover 70% to 80% even if he can't return to his peak state. This unexpected surprise is naturally not happy.

call!

Excited, Yue Feng hurriedly looked around, merging the Primordial Tempering Golden Pill, it must not be in such a place, it would be easily discovered, and he had to find a hidden place.

Soon, Yue Feng saw a cave under the mountain wall not far away, and he walked in without thinking about it.

Gudong... Entering

the cave, Yue Feng didn't have time to think about it, and directly swallowed the two Yuan Quenching Golden Pills. Immediately, I felt a heat flow all over my body.

At the same time, an incomparably powerful force instantly enveloped Yue Feng.

Yue Feng's face was full of excitement, and he quickly sat on the ground cross-legged, quickly merging the power of Jindan

...

At this time, the sky above the abyss.

Su Qingyan and Liu Ruxue sat on Xiang Liu's back, looking at the abyss they just left below, their emotions were indescribably complicated.

Finally got out of this hellish place.

call!

At the same time, Xiang Liu was soaring in the air, and his mood was indescribably smooth, haha.. After more than two thousand years, he finally returned to the vast world above.

However, while excited, Xiang Liu was also a little aggrieved.

There are two beauties who are all over the country and the city on their backs, and I only see what I can see. What's more hateful is that this person named Su Qingyan also took poison for himself.

Kong has a body of strength, but is controlled by others, really think about it.

Mad, you must find a way to get the antidote from Su Qingyan.

Thinking in his heart, Xiang Liu turned to Liu Ruxue and said respectfully, "Master, where are we going next?"

Liu Ruxue did not answer immediately, but looked at Su Qingyan. She was not familiar with the Kyushu Continent at all and had no idea where she was going.

call!

Su Qingyan breathed a sigh of relief, thought about it, and said, "Go to Xia Yinzong to see." While speaking, Su Qingyan pointed the direction to Xiang Liu. I was trapped under the abyss for a few hours before, and I don't know what the situation of Xia Yinzong is.

"What? Back to Xia Yinzong?"

Xiang Liu's heart was shocked when he heard this, and he couldn't help shouting: "Xia Yinzong has so many gods and soldiers, just the three of us, if we go, we will die. what."

When shouting, Xiang Liu's eyes were full of anxiety.

When they flew out of the abyss just now, Su Qingyan and Liu Ruxue had been talking about Xia Yinzong, so Xiang Liu also knew something.

In Xiang Liu's heart, he was just pretending to be loyal to Liu Ruxue, how could he accompany her to die?

Seeing his reaction, Liu Ruxue and Su Qingyan immediately felt contempt.

In the next second, Su Qingyan said angrily, "Aren't you afraid of the sky or the earth? Are you afraid of death?"

"Hehe..."

Hearing the ridicule, Xiang Liu sneered: "If you are a practitioner from the Nine Provinces Continent, I am naturally not afraid of Liu, but I think I am not an opponent for those gods and soldiers."

"Otherwise, I would not have been trapped under the abyss by Fairy Ziyang."

Liu Ruxue became impatient as soon as she finished speaking. He interrupted: "Okay, don't be long-winded, even if you want to die, we won't hold you, and when you get to Xia Yinzong, you will let us down."

She glanced at Su Qingyan, Liu Ru said. Xue is also very disgusted with Xiangliu. If it hadn't been for him to leave the abyss before, he wouldn't have helped him to lift the forbidden spell at all.

Uh...

Seeing Liu Ruxue's words, Xiang Liu was very embarrassed, and then a true scripture expressed his loyalty: "Master, I was just joking, you saved me from fire and water, and helped me unlock the forbidden spell. , I will follow to the death for the rest of my life."

"Don't talk about Xia Yinzong, even if it is a sea of fire, I will never frown."

Said that, but Xiang Liu had another plan in his heart.

When I got to Xia Yinzong, once I found out that the situation was not good, I ran away.

Seeing his rhetoric, Liu Ruxue and Su Qingyan looked at each other, tacit understanding and ignoring them.

Soon, Xiang Liu was carrying two daughters and passed a mountain peak.

Um?

Xiang Liu himself is a spirit snake. When he flew over the mountain, he sensed something. The huge figure immediately landed at the foot of the mountain, and the moment he landed, he also changed into a human form.

In the face of the unexpected situation, Su Qingyan and Liu Ruxue were stunned for a while, and then they spoke.

"What are you doing?"

"I asked you to go to Xia Yinzong, why did you stop here?"

Su Qingyan and Liu Ruxue were both displeased when they spoke.

Xiang Liu accompanied him with a smile: "Master, don't worry, haven't you noticed that there is something wrong with the spiritual energy of heaven and earth here?" As he spoke, he quickly looked around.

As a spirit snake, Xiangliu is very sensitive to the spiritual energy of heaven and earth. After all, he had achieved his later achievements by absorbing the spiritual energy of heaven and earth. At this time, he clearly felt that the spiritual energy of heaven and earth nearby was gathering nearby.

Huh..

Hearing this, Su Qingyan and Liu Ruxue looked at each other, feeling a little unhappy in their hearts. They went straight back to Xia Yinzong to investigate the situation, how could they be in the mood to care about the spiritual energy here?

Anxious in her heart, Su Qingyan was about to speak.

Um?

However, at this moment, Su Qingyan glimpsed out of the corner of his eye that there was a cave at the foot of the mountain not far away. At the entrance of the cave, there was a faint wave of powerful aura.

There is still a problem.

At this time, Liu Ruxue also discovered the cave, and was a little curious at the time, so she walked over slowly. When I reached the entrance of the cave, I glanced inside, and my body was shocked.

I saw that there was a divine general in golden armor sitting inside, meditating and practicing.

Yes, it is Yue Feng.

It's just that Yue Feng was wearing armor and a helmet, and Liu Ruxue couldn't see his face at all, so he thought he was a lonely general.

A few seconds later, Liu Ruxue reacted and quickly retreated to Su Qingyan and Xiang Liu.

"What's inside?"

"Someone is cultivating inside?"

Because of the distance, neither Su Qingyan nor Xiang Liu could see the situation inside the cave, so they were very curious at this time.

Shhh!

Liu Ruxue made a silent gesture, and then told the situation of the cave.

Knowing the situation, Su Qingyan was very surprised, and at the same time, she was inexplicably excited, and whispered: "This is a good opportunity for us. Let's find a way to subdue him and ask about the situation of Xia Yinzong."

Ben also thought It would be very dangerous to go directly to the Xia Yinzong to investigate, but I didn't expect to encounter a lonely general on the way.

It's just God's will.

Liu Ruxue nodded: "I think so too. It's just that our strength hasn't recovered yet. If we really want to fight, I'm afraid it won't be the opponent of this divine general."

Hearing this, Su Qingyan frowned. , fell into contemplation.

In the fierce battle with Xiang Liu in the abyss before, both Su Qingyan and Liu Ruxue had consumed a lot of strength. At this time, there is really no chance of winning against a divine general.

At this time, neither Su Qingyan nor Liu Ruxue knew that it was Yue Feng who was meditating and practicing in the cave.

"Master, you don't need to worry."

At this moment, Xiangliu came up with a smile and said sincerely: "And me, I can help."

Speaking of which, Xiangliu is very cunning. If it is a general, it will definitely slip away immediately, but it is still a little confident to deal with a single god general.

Xiang Liu knew very well in his heart that Su Qingyan and Liu Ruxue did not trust him very much. In this case, it would be difficult to get the antidote from Su Qingyan. The best way is to get them as soon as possible. of trust.

"You?"

At this moment, Su Qingyan and Liu Ruxue both frowned at Xiang Liu.

"What can you do?"

“Aren’t you trying to play tricks...”

Faced with doubts, Xiang Liu patted his heart and said confidently: “Actually, dealing with this god will be very simple, wait for the two of you, master. One, find a way to lead him out, and I will release the poisonous mist in the woods next to me.”

“As long as this god will absorb the poisonous mist, hehe, he will lose all resistance.”

Saying that, Xiangliu took out a green bead from his body. The bead was formed by the condensed poison in Xiangliu’s body. During a few days of each year, Xiangliu would regularly shoot the poisonous, and Xiangliu would take these poisons. Condensed into beads, then stowed away for use against enemies.

Hu...

Seeing his confident face, Su Qingyan and Liu Ruxue made eye contact.

Immediately, Liu Ruxue’s red lips parted lightly and nodded, “Okay, I’ll trust you once.” After speaking, she let Su Qingyan and Xiangliu go into the woods to deploy, and then she walked lightly and slowly towards the forest. Come to the cave.

At this moment, in the cave.

Yue Feng Panxi was sitting there, and he had absorbed more than half of the power of the two Primordial Quenching Golden Pills, and it only took another half an hour to fuse them all together.

Although at this critical moment, Yue Feng did not relax his vigilance.

Hearing the movement outside the cave at this time, Yue Feng immediately became alert, and his heart was suddenly suspended. Oops, someone found it, I hope it is not a subordinate of the God King Haotian.

Whoosh!

Just when Yue Feng was thinking about it, Liu Ruxue rushed in quickly, raised his hand and hit Yue Feng’s head.

This palm was as fast as lightning, but Yue Feng was already prepared, and he shot up and quickly avoided it.

At the same time, Yue Feng also saw the other party’s appearance.

What the hell, is that her?

Seeing that it was Liu Ruxue, Yue Feng was surprised and delighted.

Ben was still thinking about the dangers that Liu Ruxue would encounter when she was teleported to the Kyushu Continent. Now that she is all right, I feel relieved.

In the next second, Yue Feng was about to say hello, but Liu Ruxue slammed her palm in the air, and the figure quickly turned back and rushed out of the cave, not giving Yue Feng a chance to speak.

Liu Ruxue's purpose was to lead Yue Feng, the 'god general', out of the cave. The palm of his hand just now was not meant to be used for real, so naturally he would not stay for long.

what's going on?

Seeing Liu Ruxue rushing out quickly, Yue Feng was stunned and quickly chased out.

Outside the cave, he saw Liu Ruxue's figure entering the woods not far away. At that time, Yue Feng did not hesitate and followed directly.

Huhu...

As a result, as soon as he entered the woods, a green mist spread out and quickly enveloped Yue Feng. It was the poisonous mist released by Xiang Liu who was hiding in the dark.

All this happened so fast that Yue Feng didn't have time to react, and immediately inhaled a lot of poisonous mist.

Yue Feng's fusion of the Primordial Quenching Golden Elixir was at a critical moment. After being interrupted by Liu Ruxue, he was already in a very dangerous state. At this time, he inhaled a highly poisonous poison. Paralyzed.
